The Heritage Committee chose to delay the approval of minutes to the next meeting as not all members read the draft minutes in advance.

COMMITTEE BUSINESS

a. CLG Grant Update

Ms. Winner provided the committee members with an update on the CLG grant process.

The grant application has been submitted and the City is awaiting the grant agreement from Oregon Park and Recreation Department (OPRD). The projects included in the application

include the oral history documentation including interviews with Ronald Spores and a narrated walking tour, continuation of the historic preservation award plaques, sponsoring the wood window demonstration booth at the Antique Fair, promotional materials, and some training and educational opportunities.

b. Oregon Encyclopedia Article

Ms. Winner said that the City has been contacted by the Oregon Encyclopedia about authoring an article on Coburg including significant events and people that have shaped the community and asked the Committee for volunteers or ideas about authors for the article. The committee wants to discuss with absent member Ronald Spores, who has extensive knowledge of Coburg’s history. Councilor Fox suggested using existing materials. Mr. Sheehan suggested the City’s social media person doing the Flashback Fridays might be a good option with their knowledge from the recent postings. The Committee discussed possibly reaching out to a local Coburg author to wordsmith the article once the facts were drafted.

c. Info Share

Ms. Shattuck shared that the Main Street art committee has been working on a mural of a steam locomotive to be placed in Norma Pfeiffer Park on the south wall of the restroom. The committee is painting the mural and City Council voted to accept the donation. The painting is almost complete and will soon be ready for installation.

Ms. Dompe shared that the next Coburg Main Street community meeting is March 27th at 4:30pm at the IOOF building.

Councilor Fox asked what the Heritage Committee would like him to share with Council. The Committee is excited to start the upcoming projects.

Ms. Winner informed the Heritage Committee of the upcoming Oregon Heritage Conference April 17-20, 2024 in Forest Grove and asked the group to let her know if they are interested in attending.

COMMITTEE BUSINESS

1. CLG Project Planning

Ms. Winner explained that the primary focus of this meeting is to start planning for the CLG Project. They were awarded for the Oral History Documentation and the Historic Preservation Plaques. Ms. Winner also mentioned wanting to discuss the potential to do a community night, asking Ronald Spores to speak at the community night while he is still available. Mr. Spores said he would be available to speak at the July meeting to give a short presentation on the history of Coburg to the community.

The committee set it for July 10th, at the next Heritage Committee meeting, from 6-7pm, focusing on the Kalapuya Tribe, the Treaty of 1855, and his family history in Coburg.

Ms. Sardell asked if they had any nominations for the Historic Preservation Plaques Recipients. Ms. Winner said yes, and mentioned a few that she could remember off the top of her head. Ms. Sardell asked if the cemetery fell into the historic district. Ms. Winner said it does not.

Ms. Winner is currently working on the Memorandum of Understanding that they will have with the Lane County History Museum to conduct the work on the Oral History Documentation, including the conduction, recording and transcriptions of the interviews. They did send examples of MOU's that the museum uses with other agencies that Ms. Winner will reference.

Ms. Sardell asked if the budget only included Ronald Spores and Mary Guldager. Ms. Winner said no, it is open to others as well. Ms. Sardell asked Mr. Spores if he knew of any other storytellers in the region that would be good to include. Mr. Spores said there is another person that knows a lot about the Sawmill history of the Mohawk Valley who would be very good to include. He also mentioned John Spores, his brother, who is also well versed. The committee members shared some of their ideas regarding this process.

Ms. Winner said they have funding for 3 historic preservation plaques this year and 3 next year. She has also reached out to Willamette Wood Window Restoration to see if they would be interested in having a booth at the antique fair again, in coordination with Heritage and SHPO.
