Request to establish a Planned Unit Development in the Columbia Falls Zoning Jurisdiction:

Ruis Holdings 540 Nucleus Ave LLC is requesting an Amendment to their Planned Unit Development overlay for the property located at 540 Nucleus Avenue which was the former Bank of Columbia Falls site. The owner is amending the PUD to remove the planned three story south building and will instead remodel the former bank building instead of removing and replacing with a new building at this time. In addition, the owner is amending the north building to allow ground floor residential condominiums on the back half of the building but retaining retail/office space on the front half ground floor. The PUD is proposing two options for 48 parking spacing to serve the site. Option A would construct below grade parking under the north building. The second option would be to construct at grade parking where the old bank offices were located along 1st Avenue West. As with the original PUD, the building height for the north building will be 42'-8" to the top of the roof. The proposed development otherwise conforms to all of the zoning requirements. The property is described as Lots 1-15, Block 37, Columbia Falls Townsite in Section 8, Township 30 North, Range 20 West, P.M.M., Flathead County.

Persons are allowed to attend the hearing(s), subject to the most recent public gathering restrictions enacted by County and State agencies at or prior to the time of the hearing. Persons are encouraged to submit written comments prior to the meeting. Written comments carry the same weight as public testimony given during the hearing. Written comments may be sent to Columbia Falls City Hall, Attention: Barb Staaland, City Clerk, 130 6th Street West, Room A, Columbia Falls, MT 59912 or via email: . For more information on the proposed conditional use, please call Eric Mulcahy, Columbia Falls City Planner at 755-6481.
