Results of 2020 Fiscal Year Financial and Compliance Audit

City Manager Nicosia said the auditor held an exit conference with Finance Director Bates and herself on December 27<sup>th</sup>. The auditor went over the Independent Auditors' Report and the Report on Compliance and Internal Control. The City received an unmodified opinion which is the highest, best opinion an entity can receive. It means the auditor can express an opinion that the City's financial report is fairly stated as presented, no modifications to the report. Nicosia explained how the auditors are required to run samples on receipts, payroll transactions, utility billing, journal vouches and claims, noting that if the auditor finds

discrepancies, the audit sample must be enlarged until the auditor is satisfied with the results. There are no findings or deficiencies in the City's Financial Statements and no non-compliance issues or internal control issues. The Council members were each given a copy of the audit report.

### **ORDINANCES / RESOLUTIONS:**

Resolution # 1868 - A Resolution of the City Council of the City of Columbia Falls, Montana Amending the 2021-22 Fiscal Year Revenues and Appropriations Budget to Account for the EDA Project

City Manager Nicosia said this resolution is required because the City Council adopted the 22FY budget before the City officially had a contract with EDA, this Resolution allows the Finance Director to post Fund 2959-EDA Fund, a special revenue fund revenues and expenditures as well as amend Fund 2310 expenditures to reflect an operating transfer out instead of the budgeted capital outlay. Nicosia noted that the Engineers are at the 35% design phase. The City will call for bids after the project is completely designed and accepted by EDA.

Councilor Fisher made motion to approve Resolution # 1868, seconded by Councilor Shepard with Council voting as follows. Ayes: Fisher, Karper, Lovering, Piper, Robinson, Shepard and Barnhart.

Resolution # 1869 - A Resolution of the City Council of the City of Columbia Falls, Montana Establishing the City Business License Fees for the 2022 Calendar Year

City Manager Nicosia said this resolution is necessary pursuant to the updated Title 5 codified code which replaced the license fees with the reference that fees would be set by resolution. The recommended annual and seasonal/temporary license fees are the same as the prior years and have not been increased.

Councilor Piper motioned to approve Resolution # 1869, seconded by Councilor Lovering with Council voting as follows. Ayes: Karper, Lovering, Piper, Robinson, Shepard, Fisher and Barnhart.

### **REPORTS / BUSINESS FROM MAYOR & COUNCIL**

Councilor Lovering said she noticed the sidewalks are not being cleared of snow; can we remind the business owners that this needs to be done? Nicosia said the City is reminding owners in addition we have notified the Department of Transportation to windrow along Hwy 2 and Nucleus and not packing hard snow on the sidewalk, making it impossible to clear the sidewalks.

Councilor Fisher said the City crews have been doing a good job on clearing snow from the streets.

Mayor Barnhart said people are still having a hard time crossing on Nucleus with the snow berms in the middle and over the crosswalks. Nicosia said the Department of Transportation was going to take care of that issue as well. Nicosia noted that the City council can look into purchasing equipment that can remove the snow from the sidewalks while setting the Urban Renewal District budget. Mayor Barnhart noted that Council had discussed that in the past.

### **CITY MANAGER REPORT:**

Nicosia reported on the Leak Detection Report issued recently after Utility Services Associates, LLC completed the survey. Nicosia reported that the report pinpoints only 14 leaks, including service lines, valves, and hydrants. Nicosia noted that these were not the results the City was hoping for when we contracted for a complete system leak audit. Nicosia reminded Council that the City's ARPA Water Grant Application was not approved due to not receiving readiness points. The application had been based on the leak detection report

finding 80-100 leaking service lines that would then be replaced with ARPA competitive grant funds and City funds. Nicosia reported that she and the public works director have been working on an updated ARPA grant application to submit January 14<sup>th</sup> for a new water project. Nicosia reported that MT DOC reached out on December 10<sup>th</sup> and said that the City can request engineering assistance, paid by the State, for the submission of the new Water System Grant, Cody Ferguson, MT DOC, indicated that the state had 10 engineering firms in the pool and they would select one to work on the City's application. Nicosia reported that the Kalispell office of Morrison-Maierle was selected so city staff is working with CR Leisinger on the application. Upon reviewing the leak detection report and the grant requirements, the City will submit an application to replace the long-leaking 2" galvanized water main and service lines on 5<sup>th</sup> Ave EN. Nicosia reported that the City will use the \$100,000 set aside for water from the direct allocation, Water Expansion Funds from Fund 5211 and ask for a 50% Competitive Grant to pay for the project. Nicosia said the Council will amend the Water Fund, 5210, and Water Capital Expansion Fund, 5211, budgets as allowed under state law, when the project is approved. Nicosia did not have final estimated numbers from the engineer but the Competitive Grant request will be less than \$200k. Council concurred with the recommended application and budget amendment. Councilman Shepard stated that he hopes this project is funded as that main and service lines have had issues for about 15 years and the neighborhood needs a fire hydrant.

Nicosia stated that she and Fire Chief Weeks would like to schedule a Public Safety Committee meeting to begin the discussion of the paid fireman transition. This meeting would include members from the fire department as well as the Rural Fire District Board. The meeting was set for January 24<sup>th</sup> at 6 pm. Nicosia also discussed the Fire Department Transition Training available through the IAFC, as discussed last year. Nicosia noted that it is less expensive to bring one of their trainer's onsite then sending a group to the training in Phoenix. Nicosia reported that Chief Weeks received a proposal from retired Chief Buckman to come and train for an entire day for the cost \$3,000, which includes training and travel costs. After discussion, it was decided to schedule the training for Wednesday, February 23<sup>rd</sup>.

Nicosia noted that the City finally has a signed agreement with the railroad. On March 2nd or 3rd we will have an onsite meeting for a diagnostic review with NRA, MT DOT, Railpros (RR engineers), KLJ (City's Engineers), Flathead County officials, City officials, and BNSF.

8. **Completion of Audit:** The Contractor shall deliver the audit report to the Entity and the State, based on the schedule established in Appendices A, B and C. If the Contractor cannot deliver the audit report to the Entity and the State on the date specified in the Appendices, the Contractor shall notify the Entity and the State in writing of that fact, and the reason(s) for the delay. Under Section 2-7-503(3)(a), MCA, all audits must be completed and the reports issued within one year from the close of the last fiscal year covered by the audit. If the audit is conducted in accordance with the provisions of Uniform Guidance, the Contractor shall complete the audit and issue the audit report within the time period required by that federal regulation, unless a longer period has been agreed to in advance by the federal cognizant or oversight agency for audit. If the Entity has requested and received an extension of the due date of the Uniform Guidance from a federal agency, the Entity shall submit a copy of the approved extension to the State.
9. **Due Date Extension:** The State may grant an extension to the Entity for filing the audit report beyond the one- year due date provided for in paragraph 8, above. To do so, the Entity shall make a request to the State in writing and shall show good cause for the delinquency or demonstrate that the failure to meet the deadline provided for in paragraph 8, above, was the result of circumstances beyond the Entity's control. The State will determine good cause or circumstances beyond the Entity's control based on the facts of each case.

10. **Presentation of Audited Financial Statements:** The final audit report must contain basic financial statements and supplementary information consistent with the applicable financial reporting framework prescribed at Section 2-7-504, MCA. In addition, other supplementary information required by provisions within this contract and by Uniform Guidance must also be included, if applicable.
- A. The final audit report must also contain any supplementary or other information as agreed upon by the Entity and Contractor.
  - B. If the Entity's accounting records or other circumstances do not permit financial statements to comply with the applicable financial reporting framework prescribed at Section 2-7-504, MCA, the Contractor shall notify the State of those conditions and describe the financial statements that will be presented. The applicable auditor's reports must be modified in accordance with professional standards to reflect a departure from the applicable financial reporting framework.
  - C. If the audit is of a school district with separate elementary and high school district general funds, the general funds must be combined as a single major fund. All other funds must be separately considered for major fund criteria.
  - D. If the audit is a biennial audit covering two years, the Contractor shall present complete financial statements as specified above for each year covered by the audit. However, note disclosures for both fiscal years may be in one set of notes, with separate fiscal year disclosures as necessary. The two years must be presented under one audit report cover and opined upon in one Independent Auditor's Report.
11. **Auditor's Reports:** All audit reports must contain the following auditor's reports, which must comply with applicable professional standards in effect for the fiscal year or years being audited:
- A. a report on the financial statements of the Entity;
  - B. a report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with Government Auditing Standards.
  - C. a reference to a report disclosing any deficiencies in internal control or instances of noncompliance with provisions of contracts or grant agreements or abuse that have a less than material effect on the financial statements but warrant the attention of management or those charged with governance. This report must be referred to in the report required in 11.B. above.
  - D. a report on any supplementary or other information presented in the audit report. This report must be given in an "other matters" paragraph(s) of the auditor's report on the financial statements (11.A. above), and shall identify, if applicable:
    - (1) Any Required Supplementary Information (RSI), as required by the Governmental Accounting Standards Board.
    - (2) Any Supplementary Information (SI) included in the report to comply with provisions of laws, regulations, contracts, or grant agreements. For the following schedules, the Contractor shall report on whether the information is fairly stated, in all material respects, "in relation to" the financial statements as a whole, unless the condition of the financial records do not allow the auditor to render such an opinion:
      - a) schedule of school district "Student Count for ANB" required in paragraph 13.A.;

- b) schedule of school district extracurricular fund financial activities required in paragraph 13.B.;
- c) schedule of expenditures of federal awards required by Uniform Guidance and in paragraph 12.A.; and
- d) Any supplementary information for financial reporting frameworks required by A.R.M. 2.4.401.

(3) Any Other Information (OI) for financial reporting frameworks required by A.R.M. 2.4.401.

(4) Any Other Information (OI) that is included in the audit report, if deemed appropriate in accordance with professional standards.

- E. a report disclosing the action taken by the Entity to correct any deficiencies or implement any recommendations contained in the prior audit report. This report must be in a format that specifically identifies, by title or summary, each deficiency or recommendation contained in the prior audit report and the action taken by the Entity on each such deficiency or recommendation.
- F. If the Contractor includes audit findings in the reports referenced in 11.B. and 11.C. above, the views of Entity officials and their planned corrective actions must also be included, as required by Government Auditing Standards, if they are available at the time the Contractor submits the audit report to the State. If the views and planned corrective actions are not available at that time, the Contractor shall so indicate in the reports.

12. **Single Audits:** All audit reports for single audits done in accordance with Uniform Guidance must contain the following:

- A. a schedule of expenditures of federal awards, prepared by the Entity, which must contain all elements required by Uniform Guidance.
- B. a report on the schedule of expenditures of federal awards. This report may be combined with other reports as provided by Uniform Guidance and professional standards. This report must comply with applicable professional standards in effect for the fiscal year or years being audited.
- C. a report on compliance for each major program and a report on internal control over compliance in accordance with Uniform Guidance. These reports must refer to the separate schedule of findings and questioned costs described in paragraph 12.D. of the contract and must comply with applicable professional standards in effect for the fiscal year or years being audited.
- D. a schedule of findings and questioned costs which must include the information required by Uniform Guidance.
- E. an Entity-prepared document, separate from the Contractor's findings, that describes the Entity's corrective action plan in accordance with Uniform Guidance for each current-year audit finding, if that plan is available at the time the Contractor submits the audit report to the State. This document should be submitted on Entity letterhead and should include a corrective action plan for each finding, regardless whether the finding is identified in accordance with Uniform Guidance or Government Auditing Standards.

13. **School Districts:** School district audit reports must include the following as supplementary information/schedules:
  - A. a schedule of the district's enrollment as reported to the Office of Public Instruction for the fiscal year or years being audited. The schedule must contain the enrollment both as reported in the Fall and Spring "Student Count for ANB" reports and as documented by the school district's enrollment records; and
  - B. a detailed schedule of extracurricular fund financial activities.
14. **Local Governments Reporting on Non-GAAP Financial Reporting Framework:** Audit reports of local governments that report on a non-GAAP financial reporting framework as provided in A.R.M. 2.4.401 must include any Supplementary Information and Other Information required in that administrative rule.
15. **Written Report to Entity:** The Contractor shall render a single, written report for the Entity audited, including the reports and schedules referenced in paragraphs 11 through 14 above.
16. **Exit Conference:** Before submitting the final audit report, the Contractor shall hold an exit review conference in which the audit results are discussed with those charged with governance and other appropriate Entity officials and employees. The Contractor shall ensure that all members of the governing body and key members of management are notified of this exit conference. The Contractor further agrees that before the exit conference, it will not discuss the audit findings with anyone other than the Entity or the State. Once the Contractor delivers the final audit report to the Entity, the report is deemed to be a public record.
17. **Report Distribution:** The Contractor and Entity shall file copies of the audit report as specified below:
  - A. The Contractor shall provide the Entity with the number of copies of the audit report specified in Appendices A, B and C. The cost of those copies is included in the total price for the engagement as set out in paragraph 2.A., above, and in the Appendices.
  - B. The Contractor shall submit one of the copies referred to in 17.A., above, to the attorney for the Entity.
  - C. Upon request by the Entity, the Contractor shall provide additional copies of the audit report at a price per copy agreed upon by the Entity and Contractor.
  - D. The Contractor shall provide the State with a text-searchable, unlocked, and unencrypted electronic copy of the audit report at no charge. The report must be submitted to the State at the same time when the Contractor delivers the final audit report to the Entity. Any report delivered separately to management or those charged with governance identifying findings and recommendations as described in 11.C. above must be submitted electronically at the same time the audit report is submitted. The Contractor shall advise the State, at the time of submitting the electronic report, of the date the final report was delivered to the Entity, the date of the audit report, the actual number of hours the Contractor spent conducting the audit, the total audit fee billed the Entity, and whether the audit was conducted in accordance with the provisions of Uniform Guidance.
  - E. If the Entity is a school district or associated cooperative, the Contractor shall provide at no additional charge copies of the audit report to the Office of Public Instruction, the county superintendent of schools, and the county attorney.

- F. If the Entity is a city or town fire department relief association disability and pension fund, the Contractor shall provide at no additional charge one copy of the audit report to the city or town clerk.
- G. If the audit is a single audit conducted in accordance with the provisions of Uniform Guidance, the Entity shall provide copies of the reporting package defined in Uniform Guidance and the data collection form to the federal clearinghouse designated by OMB.
18. **Entity Response:** If not included in the audit report as provided in paragraphs 11.F. and 12.E., within 30 days after receiving the audit report, the Entity shall notify the State in writing as to what action it plans to take to correct any deficiencies or implement any recommendations identified or contained in the audit report as required by Section 2-7-515, MCA, and ARM 2.4.409. This notification must also address any findings and recommendations identified in any report to management or those charged with governance described in 11.C. above. If the audit is a single audit conducted in accordance with Uniform Guidance, this corrective action plan must also meet the requirements of Uniform Guidance. If the Entity is a school district or special education cooperative, the Entity shall also send a copy of this notification to the Office of Public Instruction.
19. **Entity's Attorney:** If requested by the State, the attorney for the Entity shall report to the State on the actions taken or the proceedings instituted or to be instituted relating to violations of law and nonperformance of duty as required by Section 2-7-515(4), MCA. The attorney shall report to the State within 30 days after receiving the request.
20. **Certification of Auditor Independence:** The Contractor certifies that, as required by generally accepted government auditing standards, it and its principals and employees are independent in all matters regarding this engagement. This contract must not include non-audit services. The Contractor shall neither arrange for nor accept other work with the Entity that could in any way impair the Contractor's compliance with professional independence standards. If required by the State, the Contractor shall provide documentation that independence has been maintained in both mind and appearance as required by professional auditing standards.
21. **Contractor and Subcontractors:** The Contractor shall not assign any rights, or subcontract or delegate any duties of the contract without the Entity's and State's prior written consent.
- The Contractor is the prime contractor and is responsible, in total, for all work of any subcontractors. Any subcontractors performing audit work shall be on the Roster of Independent Auditors authorized to conduct audits of Montana local governments that is maintained by the State. The Contractor is responsible to the Entity and the State for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors or agents. There is no contractual relationship between any subcontractor and the State.
22. **State Participation in Conferences:** The State may participate in all entrance and exit conferences between the Entity and Contractor, as well as all major conferences held in conjunction with the audit of the Entity.
23. **Access to Records:** The Contractor shall give the State and, when required by law, the Montana Legislative Audit Division, access to the Contractor's work programs, supporting working papers, time records, and all other documents relating to the audit. Access to these documents must be provided at the State's offices in Helena, Montana. Access to working papers includes the right of the State to obtain copies of working papers, as is reasonable and necessary. The Contractor shall make the work programs

and supporting working papers available to the State for use by the State or other public accounting firms as directed by the State in future audits of the Entity. The Contractor shall make the audit programs and supporting working papers available to the cognizant or oversight agency for audit or its designee, federal agencies providing direct or indirect funding, or the U.S. General Accounting Office, if requested. Access to working papers includes the right of federal agencies to obtain copies of working papers, as is reasonable and necessary. The Contractor shall retain the audit report, work programs, and supporting working papers for a minimum of five years from the date of the audit report, unless the State notifies the Contractor to extend the retention period. If professional standards or other applicable laws, rules, or regulations require a longer retention period, the Contractor shall retain the above materials for that specified period.

24. **State Review of Report:** As provided by Section 2-7-522, MCA, the State shall review the Contractor's audit report. If the State determines that reporting requirements have not been met, it will notify the Entity and the Contractor of the significant issues of noncompliance. The Contractor shall correct the identified deficiencies within 60 days of notification.
25. **Independent Contractor:** The Contractor is an independent contractor and neither its principals nor its employees are employees of the State or Entity for any purposes.
26. **Workers' Compensation:** The Contractor certifies that it carries Workers' Compensation for its employees and that it has either elected Workers' Compensation or has an approved Independent Contractor's Exemption covering the Contractor while performing work under this contract. (Montana Code Annotated, Title 39, Chapter 71).
27. **Indemnity:** The Contractor shall defend and indemnify the State and Entity, their elected and appointed officials, agents, and employees from and against all claims, causes of action, damages, liabilities, court costs and attorney fees in favor of the Contractor's employees or third parties for bodily or personal injuries, death, or damage to property arising from the acts or omissions or alleged acts or omissions of the Contractor and/or its agents, employees, representatives, assigns, subcontractors under this contract. This defense and indemnify obligation does not apply to acts or omissions arising from the sole negligence of the State or Entity under this contract. This defense and indemnity obligation survives termination or expiration of this contract.

If the Contractor is or may be obligated to pay any cost, settlement, judgment, fine, penalty, or similar award or sanction as a result of a claim, investigation, or other proceeding instituted by any third party, then to the extent that such obligation is or may be a direct or indirect result of the Entity's intentional or knowing misrepresentation or provision to the Contractor of inaccurate or incomplete information in connection with this engagement, and not any failure on the Contractor's part to comply with professional standards, the Entity shall defend and indemnify the Contractor against such obligations.

28. **Insurance – Commercial General Liability:** The Contractor shall maintain for the duration of the contract, at its cost and expense, occurrence coverage insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work by the Contractor, and/or its agents, employees, representatives, assigns, or subcontractors. The Contractor's insurance coverage shall be primary insurance for the Contractor's negligence with respect to the State and Entity and their elected officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the State and Entity and their officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

**Insurance - Professional Liability:** The Contractor shall purchase and maintain occurrence coverage to cover such claims as may be caused by any act, omission, negligence of the Contractor or its officers,

agents, representatives, assigns or subcontractors.

If occurrence coverage is unavailable or cost-prohibitive, the state will accept 'claims made' coverage provided the following conditions are met: 1) the commencement date of the contract must not fall outside the effective date of insurance coverage and it will be the retroactive date for insurance coverage in future years, and 2) the claims made policy must have a three-year tail for claims that are made (filed) after the cancellation or expiration date of the policy.

The State and Entity may require complete copies of certificates of insurance during the term of this contract.

**29. Compliance with Laws:**

A. The Contractor shall, in performance of work under this contract, fully comply with all applicable federal, state, or local laws, rules, regulations, and executive orders including but not limited to, the Montana Human Rights Act, the Equal Pay Act of 1963, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. The Contractor is the employer for the purpose of providing healthcare benefits and paying any applicable penalties, fees and taxes under the Patient Protection and Affordable Care Act [P.L. 111-148, 124 Stat. 119]. Any subcontracting by the Contractor subjects subcontractors to the same provisions.

B. In accordance with 49-3-207, MCA, and Executive Order No. 04-2016 the Contractor agrees that the hiring of persons to perform this contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this contract.

**30. Work Accommodations:** The Entity shall provide the Contractor with reasonable space in which to conduct the audit and shall respond promptly to requests for information as well as for all necessary books and records. Support for clerical, equipment, reproduction services shall be agreed upon by the Entity and the Contractor as specified in Appendices A, B and C.

**31. Termination before Audit Commences:** Before the commencement of the audit, either the Contractor or the Entity, with the State's consent, or the State alone, may terminate this contract for cause if another party has breached a material term or condition of this contract or violated an applicable law or regulation. The non-breaching party shall provide the other party written notice of the breach and allow 20 days to remedy the breach.

The Contractor and the Entity may agree to terminate this contract without cause before the commencement of the audit. If such a termination occurs, the State shall consent to the termination upon written notification by the Contractor and the Entity of their agreement to terminate this contract.

The State, however, will not consent to the cancellation of an audit contract for the sole purpose of allowing the Contractor and Entity to then enter into a new contract that extends the number of fiscal years to be audited by the Contractor. Unless there are extenuating circumstances, the existing audit contract must be completed first. This provision does not prohibit the cancellation of a contract for the purpose of replacing an annual audit with a biennial audit.

**32. Termination after Audit Commences:** After the audit has commenced, but before the audit report has

been issued, either the Contractor or the Entity, with the State's consent, or the State alone, may terminate this contract for cause if another party has breached a material term or condition of this contract or violated an applicable law or regulation. The non-breaching party shall provide the other party written notice of the breach and allow 20 days to remedy the breach. If the Contractor is the breaching party and fails to remedy the breach, the Contractor is not entitled to the fee set out in this contract. This is the Entity's and the State's sole remedy. If the Entity is the breaching party, the Entity shall pay the Contractor a pro rata portion of the fee set out in this contract, based on the percentage of work completed at the time of termination. This is the Contractor's sole remedy.

The Contractor and the Entity may agree to terminate this contract without cause after the audit has commenced but before the audit report has been issued. If such a termination occurs, the State shall consent to the termination upon written notification by the Contractor and the Entity of their agreement to terminate this contract.

33. **Contractor Compliance with CPE and Quality Control Review:** The Contractor certifies compliance with the continuing professional education requirements and the external quality control review requirements as set out in Government Auditing Standards, as established by the Comptroller General of the United States. The State may require the Contractor to provide evidence that it has met the above requirements.
34. **Single Audit Act Certification:** If the audit is required to meet the requirements of the Single Audit Act of 1984, as amended, and Uniform Guidance, the Contractor certifies that neither it nor any of its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from performing audits by any Federal department or agency.
35. **Time is of the Essence:** Time is of the essence regarding all provisions of this contract.
36. **Governing Law and Venue:** This contract is governed by the laws of Montana. The parties agree that any litigation concerning this contract in which the State is named as a party must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana. Each party shall pay its own costs and attorney fees, except as otherwise allowed in this contract. The parties also agree that any litigation concerning this contract in which the State is not named as a party must be brought in the State of Montana Judicial District in the County in which the Entity is located. Each party shall pay its own costs and attorney fees, except as otherwise allowed in this contract.
37. **Notice:** All notices under this contract must be in writing and will be deemed given if delivered personally, by mail, certified, return receipt requested, or by e-mail. All notices will (a) if delivered personally, be deemed given upon delivery, (b) if delivered by mail, be deemed given upon receipt, or (c) if delivered by e-mail be deemed given upon receipt.
38. **Invalid Provision:** If any provision of this contract is held to be illegal or unenforceable and the parties' rights or obligations will not be materially and adversely affected, such provision will be (a) severed from the contract, (b) the contract will be interpreted as if such provision was never a part of the contract and (c) the remaining provisions will stay in effect.
39. **Authority:** Each party represents that the person signing this contract has the authority to bind that party.
40. **Entire Agreement and Amendment:** This contract and the attached Appendices contain the entire understanding and agreement of the parties. No modification or amendment of this contract is valid unless it is reduced to writing, signed by the parties, and made a part of this contract.

Good morning Susan,

I hope you are starting off 2022 well.

Thanks very much for taking the time to speak with me about the police commission opening. I would very much like to be considered for this position. It is my belief that our current police force is doing a great job serving our growing community and I would like to offer my support in continuing their opportunities for success. As you know from my involvement on the planning board, and a citizen participant in the resort tax review, I believe that public safety is an important issue facing our community. I would be honored to serve on this commission and do this small part to contribute to the safety and livability of our wonderful city.

Have a great day,
