VII. Comments/suggestion box

VIII. Old Business

1. Update on status of items

A grant was written for funding for a joint STEM program between the Community Center and Red Bud Child Care

e. Chairs - The Community Center has the money needed for the chairs. A portion of them will be ordered in the fall. There will be fundraising to raise the \$600 needed for the rack.

f. Plumbing - The plumbing in the kitchen needs to be repiped. Using the current city sanctioned plumber costs \$300 for them to give a quote.

XI. Comments & suggestions from advisory board members for director - A question was posed as to if Fall River events are/could be included in the Columbus Commotion. Kim said space is limited in that publication and the emphasis is on Columbus.

There was a brief discussion on long-term planning for the future of the building.

Next Meeting: Thursday, August 1, 2024 at 8:15 am at the Community Center
