Shelly Wille

SHELLY KITTLE, CITY CLERK

Notice of Meetings and Agendas

The Regular Colusa City Council meetings are held the first and third Tuesdays of each month at 6:00 pm in the Colusa City Council Chambers located at 425 Webster Street, Colusa California unless otherwise noted above. Copies of open session agenda packets, which are distributed to the City Council, are on file at the front desk of the City at 425 Webster Street, Colusa, California, and are available for public inspection beginning 72 hours in advance, during normal business hours (7:00 am – 5:00 pm., Monday through Thursday except for City holidays). Additionally, if any reports or documents, which are public records, are distributed to the City Council less than 72 hours before the meeting, those reports and documents will also be available for public inspection at the front desk of the City and on the day of the meeting in the Council Chambers.

Americans with Disabilities Act

In compliance with the Americans with Disabilities Act, persons requiring accommodations for a disability at a public meeting should notify the City Clerk at least 48 hours prior to the meeting at (530) 458-4740 in order to allow the City sufficient time to make reasonable arrangements to accommodate participation in this meeting.

"This institution is an equal opportunity employer and provider"

Colusa Police Department

Monthly Report for April 2023

Monthly Activities

- City Council Meetings
- Conducted CCW permit interviews.
- Met with City Council Member D. Conrado, the Liaison between the PD and City Council.
- Attended Colusa Community Partnership meeting.
- Assisted Colusa High School seniors with their senior projects.
- Met with CCOE, CCSO, and DA Farrell regarding the Truancy Program.
- Attended the Flag Raising Ceremony for Child Abuse Awareness Month.

Monthly Statistics

- There were 347 calls for service for patrol officers with 24 agency assists. The call volume was higher compared to the month of March which was 295. The monthly statistics for the month of April in both 2022 and 2023 were virtually identical.
- During April 2023, there were 14 in-custody arrests. There were 2 citations issued in lieu of subjects being booked in jail. There were 5 domestic violence related arrests made in April. There were 4 DUI related arrests made. There were 55 reports initiated.
- During the month of April, officers initiated 141 traffic enforcement stops. There were 38 citations issued. Several of the citations issued were for stop sign violations and speeding violations. It should be noted that there was a noticeable increase in citations being issued to unlicensed drivers. There was 1 reportable traffic collision which was DUI related.
- The Police Services Manager handled 85 calls for service during the month of April. These calls for service don't include telephone calls handled by the Police Services Manager. Additionally,

she continues to handle a significant number of CCW applications. DOJ clearances for CCW applicants continued to experience some delays. *Note: The Police Services Technician's calls for service are separate from patrol officers' calls for service.*

Items of Interest

- During the first week of April, the Colusa Police Department began to receive numerous calls regarding EBT fraud. A 'skimmer' was located a short time later at Sav Mor. A second skimmer was located in Maxwell at an ATM. The investigation was turned over to the Colusa County District Attorney's Office who handles welfare fraud investigations. CCDA has been collaboratively working with other jurisdictions affected by the same criminal organization.
- The Colusa Police Department continues to investigate the murder of Giovanny Alcaraz. Alcaraz was murdered 3 years ago on 3/26/2020, on Wescott Road in front of the Colusa Garden Apartments. The shooting that ultimately claimed the life of Alcaraz occurred in the late afternoon, in broad daylight. The United States Marshal Service is attempting to locate the suspect, Christian Suarez. Suarez is 5-09 in height, 120 pounds, with black hair and brown eyes. He is from the Arbuckle area. An arrest warrant has been issued for Suarez who is pictured below. While the Colusa Police Department will occasionally receive investigative leads, we continue to ask for the public's assistance since it is strongly believed that Suarez remains in contact with family and some friends.

The integrity of Alcaraz's murder investigation is paramount. It is for this reason that specific details surrounding the events that led up to and the murder itself aren't made public. The Colusa Police Department will not engage nor comment on speculation put forth on social media. If anyone has any information related to the location of Suarez and/or the murder of Giovanny Alcaraz, please contact the Colusa Police Department.

 'School patrol' during the morning drop off and afternoon pick-up continues to see some challenges. A reminder to parents of Burchfield students who utilize the main parking lot located on Fremont Street, left turns are not permitted on to Fremont Street from the parking lot. This is one of the primary causes of congestion on Fremont Street. To those clever parents who make a right turn into the same parking lot from westbound Fremont Street, other motorists appreciate you for assisting in the flow of traffic. The same can be said for those utilizing the parking lot at Egling School. Those making left turns into both parking lots, while this turning movement is permitted, it does contribute to the back up of traffic on both Fremont Street and Webster Street. *Vehicles are not permitted to drop off/pick up students while stopped in a public roadway. It is unsafe and illegal (22500(g) VC).* This is an issue at all school campuses. It's important to have ample time to drop off children.

A very special thank you to Egling School's parent volunteer Crossing Guard, Mel Pina. Mel continues to jump into action and help with children crossing at the busy intersection of Webster Street and 8th Street. Not only does she help students cross the road safely but also starts their morning off right with a friendly 'hello'. Her time and efforts are greatly appreciated!! The results of her efforts are definitely noticeable.

City of Colusa Finance Department Monthly Staff Report – April 2023

Accounts Payable

- Review Income and Expense statement April 2023
- April 2023 Warrant Listing.

City of Colusa California

STAFF REPORT

DATE: 16 May 2023

TO: Mayor Ponciano and Members of the City Council

FROM: Joshua Fitch, Police Chief, via Jesse Cain, City Manager

AGENDA ITEM:

Street closure on Jay Street, adjacent to Veterans Memorial Park, to facilitate World No Tobacco Day.

Recommendation:

Authorize street closure in relation to the 2023 World No Tobacco Day event, sponsored by the Colusa County Department of Health and Human Services on Saturday, May 27, 2023.

BACKGROUND ANALYSIS:

The Colusa County Department of Health and Human Services is sponsoring this World No Tobacco Day at Veterans Memorial Park. The sponsor is requesting the closure of Jay Street from 9th Street west to 10th Street from 10:00 a.m. to 2:00 p.m. This event will include food trucks and booths with an estimated 150 attendees.

BUDGET IMPACT:

None.

STAFF RECOMMENDATION:

Staff is recommending that the Council authorize the street closure as outlined above.

ATTACHMENT:

Application for

Temporary Street Closure, Parades, Special Events and Festivals

NAME OF EVENT:	World	No	Tobacco	Day	
DATE OF EVENT:	65/27	1/20	73 .	TKC	Had 1

Please read carefully:

- Application must be filed with the city clerk at least 30 days prior to the event to allow time for review and council
- Applications will be returned if incomplete

Contact Information: (Please, print)

- There are no fees for street closure services
- Complete in the space provided a narrative explaining the specific purpose of the event including garbage clean-
- Submit a map in the space provided outlining the event's location and all street and/or parking lot closings
- Submit copies of flyers, posters or other materials that will advertise the event. The organizer is responsible for ensuring that all flyers, posters, etc. advertising the event are removed from public facilities. Failure to comply may impact approvals for future applications.
- Applicants must provide prior to the event a certificate of insurance meeting city insurance requirements—a minimum of \$1 million per occurrence naming the city as additional insured. Limit is subject to increase depending on event. The description must read: "The City of Colusa, its officials, employees and agents are named as Additional Insured with Waiver of Subrogation with respect to general liability."
- All applications are subject to approval by the city council

Department of Houth und fumen

Applicants will be notified when the request has been approved or if additional information is required. Inquiries about the status of an application may be directed to the city manager's office.

Phone (day) [[20] 458-0281

- All street closures must maintain adequate clearance for emergency vehicle access.
- If event will take place on the state highway, attach a copy of the Caltrans encroachment permit

City of Colusa California

STAFF REPORT

DATE: May 16th, 2023

TO: Mayor and Members of the City Council

FROM: Ishrat Aziz-Khan, through Jesse Cain, City Manager

AGENDA ITEM:

Consideration of Resolution approving a list of projects funded by SB1-The Road Repair and Accountability Act.

Recommendation:

To approve the resolution for a list of projects funded by SB1 fund.

BACKGROUND ANALYSIS:

The State of California passed bill SB1 in 2017 to address the multi-modal transportation funding shortfall. The accountability and transparency provision ensures that the residents are aware of the spending plan of the fund.

The City of Colusa has proposed several projects in the last five years to utilize the SB1 fund. The City purchased Street Sweeper for 285K with this fund and five other projects are listed in the resolution. They are carried over from the previous years until enough funds are accumulated. The city is anticipating to purchase Roadsaver in the near future.

BUDGET IMPACT:

No impact on the general fund and the money will be spent out of the gas tax fund.

STAFF RECOMMENDATION:

The council is to approve Resolution 23- for the projects funded by SB1 fund.

ATTACHMENT:

RESOLUTION NO. 23-XX

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COLUSA TO ADOPT A LIST OF PROJECTS FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects are in progress or have been completed each fiscal year; and

WHEREAS, the City must adopt a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1 by resolution, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive and estimated \$126,796 in RMRA funding in Fiscal Year 2023-24 from SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate several city street in poor shape and, add active transportation infrastructure throughout the City this year and numerous similar projects into the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City streets and roads are in a "poor" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "good" condition; and

WHEREAS, the average motorist pays more than \$700 a year in added repair costs for their vehicle, just because of the poor condition of our roads however, a recent study by the American Road and Transportation Builders Association (ARTBA) found transportation improvements from SB 1 will bring annual savings of nearly \$300 per household; and

WHEREAS, without revenue from SB 1, the City, would have otherwise been canceling/delaying/and deferring projects throughout the community and/or laying off city staff; and

WHEREAS, if the Legislature and Governor failed to act, city streets and county roads would have continued to deteriorate, having many and varied negative impacts on our community; and

WHEREAS, cities and counties own and operate more than 81 percent of streets and roads in California, and from the moment we open our front door to drive to work, bike to school, or walk to the bus station, people are dependent upon a safe, reliable local transportation network; and

WHEREAS, modernizing the local street and road system provides well-paying construction jobs and boosts local economies; and

WHEREAS, the local street and road system is also critical for farm to market needs, interconnectivity, multimodal needs, commerce; and

WHEREAS, police, fire, and emergency medical services all need safe reliable roads to react quickly to emergency calls and a few minutes of delay can be a matter of life and death; and

WHEREAS, maintaining and preserving the local street and road system in good condition will reduce drive times and traffic congestion, improve bicycle safety, and make the pedestrian experience safer and more appealing, which leads to reduce vehicle emissions helping the State achieve its air quality and greenhouse gas emissions reductions goals; and

WHEREAS, restoring roads before they fail also reduces construction time which results in less air pollution from heavy equipment and less water pollution from site run-off; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND by the City Council of the City of Colusa, State of California, as follows:

1. The foregoing recitals are true and correct.

2. The City of Colusa is adopting the following list of projects planned to be funded in fiscal year 2023-24 with Road Maintenance and Rehabilitation Account revenues. Note, due to budget constraints some of these streets were contained on the previous year's listing, but left incomplete, so they have been rolled over to this new fiscal year.

Project No. 1 - (2018-19 moved to 2023-24) 5th Street Reconstruction; Reconstruction of most of 5th Street by grinding existing asphalt, installing geo-fabric, and re-paving the street with 4 inches of new Asphalt Concrete at the following locations:

Between Levee Road and Market Street;

Between Oak and Webster Street:

From Lafayette South to the City Limits

Provides and estimated useful life of 25 years;

Anticipated Construction in 2024

<u>Project No. 2</u> - (2018-19 moved to 2023-24) 3rd Street Reconstruction; Reconstruction of most of a section of 3rd Street by grinding existing asphalt, installing geo-fabric, and re-paving the street with 4 inches of new Asphalt Concrete at the following locations:

Between Jay and Webster;

Provides and estimated useful life of 25 years;

Anticipated Construction in 2023

<u>Project No. 3</u> - Alley Ways (various); (2018-19 moved to 2023-24) Reconstruction of most of several alley ways by grinding existing asphalt, installing geo-fabric, and repaying the street with 4 inches of new Asphalt Concrete at the following locations:

Between Carson and Sioc Streets from 5th - 7th Street and 9th - 10th Street;

Between Fremont and Carson Streets from 12th - 13th Street:

Between Market and Jay Streets from 10th - 12th Street;

Provides and estimated useful life of 25 years;

Anticipated Construction in 2024

<u>Project No. 4</u> -(2018-19 moved to 2023-24) City Wide Cape Seal (various streets); provide a Cape Seal (chip seal overlain with micro paving) at the following locations:

Clay Street between 11th and 12th Street;

Main Street between 6th and 8th Street;

Fremont Street between 3rd and 5th Street; and 9th - 10th Street; and B St. to Bridge Street;

11th Street between Oak and Parkhill Street;

Lafayette between 6th and 7th Street;

Provides and estimated useful life of 10 years;

Anticipated Construction in 2023

<u>Project No.5</u> (2022-23 moved to 2023-24) Purchase of RoadSaver. The city's roads are severely in bad condition. The city cannot build new roads because of the lack of funds. The city is planning to purchase a sealer to seal the existing roads to extend their lives. The opportunity to use SB1 fund for RoadSealer purchase is one of the best uses.

The estimated total cost of equipment is \$165,000

Provided and estimated useful life of equipment is 10 years. Anticipated purchased date is August or September 2023.

PASSED AND ADOPTED by the City Council of the City of Colusa, State of California this 16 day of May, 2023, by the following vote:

City of Colusa California

STAFF REPORT

DATE: May 16, 2023

TO: City of Colusa Mayor and Council Members

FROM: Jesse Cain, City Manager

AGENDA ITEM:

Council to consider adopting resolution 23- ARPA spending plan.

Recommendation: Adopt Resolution 23-

On March 11, 2021, President Joe Biden signed the American Rescue Plan Act into law. ARPA, a substantial federal stimulus bill aimed at addressing many aspects and impacts of the COVID-19 pandemic. One component of the bill is the State and Local Fiscal Recovery portion, which allocates approximately \$350 billion in one-time federal funds directly to state, local, territorial, and tribal governments. The funds are intended to meet pandemic response needs and rebuild a stronger, more equitable economy as the country recovers. The City of Colusa's share of the funding is approximately \$1.44 million, calculated by the California Department of the Treasury.

On May 10, 2021, the Department of the Treasury released its Interim Final Rule describing the detailed requirements and rules surrounding using this one-time funding. There are four eligible categories of funding uses:

- 1. To respond to the public health emergency or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality.
- 2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers.
- 3. For the provision of government services to the extent of the reduction in revenue due to the COVID–19 public health emergency relative to revenues collected in the most recent full fiscal year before the emergency; and
- 4. To make necessary investments in water, sewer, or broadband infrastructure.

On April 1, 2022, the Department of the Treasury released its Final Rule describing again the

detailed requirements and rules surrounding this one-time funding. The four (4) categories of funding remained from Interim Rule, with a few changes to cover broader spending, within four rules, for municipalities.

City Staff has presented spending requests individually to the Council in the last year, totaling spending of 20% of allocated one-time ARPA funds. The details and information for already approved and spent monies are noted below and in the attached spreadsheet.

Below are recommended uses by area of emphasis- based on **Department Heads** recommendations.

<u>Community Assistance Programs for Nonprofit and Community Organizations</u> - \$80,000

- Nonprofit & Community Organization Grant Program \$30,000 The pandemic has resulted in several Colusa NPO and Community Organizations losing valuable revenues from canceling events and fundraising opportunities. This program would allot \$15,000 per FY for two (2) fiscal years (23/24 and 24/25) for NPO and Organizations are to be granted seed money to bring their events and programming back or to build the momentum of events back to pre-pandemic numbers. Acceptable events would have requirements to serve as free to residents of Colusa and cannot be used for any personal, political, or closed events. Examples include Lion's Club Fair Parade, Lion's Club Easter Egg Hunt, Colusa Swim Teams Community Swim Meet, Helping Hands Weekly Meal Program, Scout Pancake Breakfast, etc. Funds not allocated in year one would roll over to year two.
- Parks & Recreation Youth Camp Programming \$50,000- As parents have returned to the workplace and others struggle with having the resources needed to have recreation and educational opportunities for their children, staff is proposing to use ARPA funds provide funding through the Parks & Department to assist with the cost of childcare services to the community. This program would offer day and weekly FULL DAY camp/enrichment opportunities for little to no-cost during CUSD unscheduled school days. \$25,000 per year will cover additional temporary staffing needs and materials to host camps during Thanksgiving, Christmas, February, and Spring Breaks and misc. "no school" days throughout the year.

Community Projects - \$100,000

• City Park Improvements - \$100,000 – The pandemic brought our city parks to the forefront of our community's minds. They were used for play, entertainment, and gathering. With the uptick in park use, the current state of equipment was also brought to the attention of city staff by PRT Commissioners and many residents. Staff proposes \$100K to address and implement park improvements, including but not limited to tennis court repair and addition of lights, replacement of picnic tables and water

fountains, replacement of playground equipment as well as the addition of equipment to serve all abilities of our children.

Workplace Safety, Technology, and Equipment Upgrades - \$1.037 million

- Colusa Fire Department Equipment Replacement \$315,145 CFD needs have been minimally funded, resulting in aging and outdated necessary equipment. Having reliable fire trucks and apparatus for fire and emergency response is critical. Funding of \$315,145 is recommended to purchase equipment such as PPE, fire shelters, AED defibrillation, Vehicle extraction tool set, digital BK radios, and update a 30-year-old dispatch system. This new equipment would replace high-use gear that is outdated and unreliable.
- Colusa Police Department Equipment Replacement \$156,200.00 In 2022 Council approved the allocation of \$165,035 for two new patrol vehicles and additional equipment to outfit the cars. Approving the ARPA allocation would add \$156,200.00 for purchasing a third Patrol Vehicle, fully fitted as required. Having reliable patrol vehicles for emergency response and daily patrol is critical to ensure public safety. This new vehicle would replace a high milage patrol vehicle that must be replaced within the following year. The total request also allows the Police Department to update it's very old and server, and purchase mobile radios for all officers to use.
- Department of Public Works Equipment Upgrade \$241,000 Due to decades of vehicle and equipment disinvestment from lack of funding, DPW vehicle and equipment needs have been minimally funded, resulting in an aging City fleet. This allocation would purchase one (1) new pick-up trucks and one (1) 3500 Flatbed Dump Truck, one (1) Cart Away system for small project cement work, such as curbs and sidewalks. both of which are used to serve many departments and needs of the City, such as road, tree, and part maintenance. They will also have increased use during the "leaf pick-up" to create a dependable and efficient schedule to keep debris-free roads and storm drains.
- **City Hall Master Server Replacement** \$100,000 The pandemic showed city staff that the importance of having the option to communicate via the web is essential and critical to continuing operations. An update to our Primary server will allow us to continue to provide better service to our residents and business, as well as enable our finance team to operate a new accounting software.
- City Hall Multi line Phone System Update \$75,000 The City's current phone system is over 25 years old, and replacement parts are no longer available. An update to our current multi-line system will allow us to open additional lines to residents, providing better customer service and support. This new system will enable all departments to communicate better than ever.
- Accounting Software Update \$150,000 The current accounting software the finance department uses
 is over 30 years old and does not allow city staff or Council to look at revenues and expenditures in a way
 that will enable and empower better decisions regarding the budget. The new software will also allow for
 refined canned and ad-hoc reporting, giving the City an edge in financial reporting it has not had before.

For Council Direction

The spending plan presented above, reflects all request by Department Heads and City Manager, including previously discussed items that have alternative funding options. Itemized spending plan provided in attachment is a total of \$1,507,192.05 total spend. An overage of \$67,192.05 needs to be addressed.

Staff is asking for councils' consideration on what line items to remove to not exceed the \$1,440,000.00 full ARPA allotment.

Options:

Removal of Community Programing and Park Improvement's (-\$180,000) full or partial Removal of 2 Police Vehicles and Build out to SLEFS (-\$110,000) Removal of DPW Cart Away and Flatbed Truck out to LTF (-\$176,450)

Funds must be committed by December 31, 2024, and expended by December 31, 2026.

PUBLIC OUTREACH

Council gave direction to staff at the Council meeting on April 5th 2022 to hold formal conversations with residents to inform them of the parameters of ARPA Funds, how they may be spent, and what community priorities are. Staff held two public meetings, the first on May 4, 2022, at the Colusa County Library and at the end of May 2022 at City Hall. Notice for these Community conversations was published in the newspaper, on City social media and Community monthly newsletters (print and email). In addition to community conversations, the Survey was open to all residents and community members. The Survey was "open" for participation for six weeks between May 2 and June 17th, 2023. The public was also welcome to contact staff via phone or email for conversations regarding ARPA and encouraged to participate in Survey after learning more. The survey results are featured on the first page of the included packet with spending details.

FINANCIAL IMPACTS

The City's ARPA approximate funding allocation is \$1.4 million. The City has received approximately 100% of the allocation. Since March 1, 2021, \$289,847.00 (20%) has been spent with Council Approval. A recommended investment plan, including monies already allocated and spent, has been presented here and includes three areas of emphasis.

Resolution 23-Spending plan

RESOLUTION NO. 23-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COLUSA APPROVING THE ARPA SPENDING PLAN

WHEREAS, on May 16, 2023, the City of Colusa City Council approves the ARPA spending plan.

WHEREAS, on May 16, 2023, the City of Colusa City Council directs staff to implement the ARPA spending plan.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF COLUSA DOES HEREBY RESOLVE:

- 1. Recitals. The foregoing recitals are true and correct and made part of this Resolution.
- 2 Effective Date. This Resolution shall be effective immediately.

Passed and adopted on this 16th day of May 2023, by the following vote:

The City Clerk shall certify the passage and adoption of this Resolution and enter it into the book of original resolutions.
