Narrative:

We are thrilled to announce Centennial Sprint, a community celebration hosted by the UC Cooperative Extension Office to mark our 100-year legacy of service to the community. This event will highlight our ongoing commitment to education, health, and sustainable agriculture, and will celebrate the contributions of our Master Gardeners, CalFresh Healthy Living program, 4-H youth development, and agricultural education initiatives.

The Centennial Sprint is designed to be a family-friendly event that promotes health, wellness, and community engagement. Participants of all ages and abilities are invited to walk, jog, or run, celebrating not only our past achievements but also our ongoing work to strengthen the community through education and outreach. The race will take place along a scenic route starting at the Colusa-Sacramento River Recreation Area on Levee Street, then turn left onto Main Street, then up the levee once they reach River Road, and run along the river, loop around the boat ramp and end up back in the Colusa-Sacramento River State Recreation Area, offering a safe and enjoyable experience for all.

As part of this event, we aim to foster a deeper connection between local residents and the programs we offer, including gardening education through our Master Gardener volunteers, nutrition and wellness resources through CalFresh Healthy Living, and youth development and leadership opportunities through 4-H. By participating in this 5K, attendees will have the opportunity to learn more about these programs at tables that we will have set up by office staff and volunteers from each of our programs.

Funds raised through the event will support ongoing UC Cooperative Extension programs, ensuring that we can continue to offer educational opportunities, resources, and services to our community for the next 100 years. We envision this event as not just a celebration, but also as a catalyst for building lasting partnerships that will benefit future generations.

We respectfully request your approval to host this exciting event on Saturday, April 5, 2025, and we are committed to ensuring the event is planned with the highest standards of safety, sustainability, and community involvement.

Thank you for considering our request. We look forward to working with the city to make this milestone celebration a success for everyone involved.

STAFF REPORT

DATE: March 04, 2025
TO: City of Colusa Mayor and Council Members
FROM: Logan Conley, Fire Chief, through Jessie Cain, City Manager

AGENDA ITEM: Request to Purchase Turnout and Rescue Gear for New Volunteer Firefighters

Recommendation: Council approve Resolution 25-, authorizing the purchase of four (4) sets of turnout gear for structural firefighting and one (1) set of rescue gear for new volunteer firefighters. Additionally, the department seeks authorization to procure this equipment from Cascade Fire Equipment, our sole source vendor, to maintain uniformity with existing INNOTEX gear.

BACKGROUND ANALYSIS:

The Colusa Fire Department has recently welcomed new volunteer firefighters who require essential protective gear to safely perform their duties.

Last year, the department replaced all turnout gear for its members, as the previous inventory had reached its 10-year shelf life. In compliance with NFPA 1851 standards, personal protective equipment (PPE) older than 10 years from the manufacture date cannot be used.

Turnout gear is critical for structural firefighting, providing thermal protection and ensuring firefighter safety, while rescue gear is essential for non-fire rescue operations such as vehicle extrications and technical rescues.

To maintain consistency with existing department-issued gear and ensure operational efficiency, the department proposes purchasing from Cascade Fire Equipment, the sole source vendor for INNOTEX materials, which has supplied our "Colusa Fire Spec" PPE for over 10 years

BUDGET IMPACT:

The estimated cost for this purchase is \$19,569, which is recommended to be funded through the Fire Department's allocated Measure B funding, Strike Team Funds, or a combination of both.

STAFF RECOMMENDATION: Council to approve Resolution 25-
