Monthly Report for February 2023

Monthly Activities

- City Council Meetings
- Conducted CCW permit interviews.
- Completed SB2 database training.
- Assisted Colusa High School seniors with their senior projects.
- Held swearing in ceremony for Officer Steve Xiong

Monthly Statistics

- There were 276 calls for service for patrol officers with 15 agency assists. The call volume was somewhat decreased from the month of January which was 283. Although we are early in the new year, the call volume for the year is 17.5% lower so far as compared to 2022. One of the contributing factors associated with a lower call volume can be attributed to the proactivity of the patrol officers.
- During February 2023, there were 9 in-custody arrests. There were no citations issued in lieu of subjects being booked in jail. There were 2 domestic violence related arrests made in February. There were no DUI related arrests made. There were 30 reports initiated.
- During the month of February, officers initiated 118 traffic enforcement stops. There were 38 citations issued. Several of the citations issued were for cell phone use while driving and vehicle registration violations. There were no reportable traffic collisions.

- The Police Services Manager handled 72 calls for service during the month of February. These calls for service don't include telephone calls handled by the Police Services Manager. Additionally, she continues to handle a significant number of CCW applications. DOJ clearances for CCW applicants continues to experience some delays. *Note: The Police Services Technician's calls for service are separate from patrol officers' calls for service.*

Items of Interest

- On 2/17/23 at approximately 2139 hours, a Colusa PD unit noticed a white BMW sedan driving on Market Street with the high beams activated with on-coming traffic in the immediate vicinity which is a violation of section 24409(a) of the vehicle code. The CPD unit initiated a traffic stop. The vehicle turned into Jackpot and stopped near the gas pumps. The driver provided a name which was later discovered to be false. The passenger provided their identification. As the unit was checking records with dispatch, the car sped away. The CPD unit pursued the vehicle. The suspect vehicle drove at a high rate of speed thru the alley north of Market Street, south of Main Street. The officer noted that he could see the vehicle airborne and sparks coming from the rear as it would make traction with the ground. After the brief pursuit, the vehicle crashed in the area of 3rd and Main which did indeed result in the power outage. The driver fled but was apprehended a short distance away from the scene of the collision. He was identified as 57-year-old Kevin Lewis Morgan of Modesto. It was discovered that Morgan had an outstanding arrest warrant for burglary out of Mariposa County with a bail of 650k. The passenger, Jodi Lynn Northcutt, was cooperative with law enforcement. Northcutt attempted to stop Morgan from fleeing but was unsuccessful. Morgan was arrested for the following violations: 24409(a) VC-Failure to dim high beams, 529(a) PC-False impersonation of another, 2800.2(a) VC-Evade an officer with wanton disregard, 236 PC-False imprisonment, 148(a)(1) PC-Resisting an officer, 14601.1(a) VC-Driving on a suspended license, 11364(a) H&S-Possession of a meth pipe, and 11377(a) H&S-Possession of meth. He was also booked for the outstanding arrest warrant.
- 'School patrol' during the morning drop off and afternoon pick-up continues to see some challenges. A reminder to parents of Burchfield students who utilize the main parking lot located on Fremont Street, left turns are not permitted on to Fremont Street from the parking lot. This is one of the primary causes of congestion on Fremont Street. To those clever parents who make a right turn into the same parking lot from westbound Fremont Street, other motorists appreciate you for assisting in the flow of traffic. The same can be said for those utilizing the parking lot at Egling School. Those making left turns into both parking lots, while this turning movement is permitted, it does contribute to the back up of traffic on both Fremont Street and Webster Street. ***Vehicles are not permitted to drop off/pick up students while stopped in a public roadway. It is unsafe and illegal (22500(g) VC).*** This is an issue at all school campuses. It's important to have ample time to drop off children. With the winter weather upon us, the weather will present additional challenges to safely dropping off students. Please use caution while the weather is foggy and/or raining.
- *****A very special thank you to Egling School's parent volunteer Crossing Guard, Mel Pina. Mel continues to jump into action and help with children crossing at the busy intersection of Webster Street and 8th Street. Not only does she help students cross the road safely but also starts their***

- The Colusa Police Department and Colusa County District Attorney's Office continue to investigate the murder of Giovanni Alcaraz. Alcaraz was murdered on 3/26/2020 on Wescott Road in front of the Colusa Garden Apartments. The shooting that ultimately claimed the life of Alcaraz occurred in the late afternoon, in broad daylight. The United States Marshal Service is attempting to locate the suspect, Christian Suarez. Suarez is 5-09 in height, 120 pounds, with black hair and brown eyes. He is from the Arbuckle area. An arrest warrant has been issued for Suarez who is pictured below.

The integrity of Alcaraz's murder investigation is paramount. It is for this reason that specific details surrounding the events that led up to and the murder itself aren't made public. The Colusa Police Department will not engage nor comment on speculation put forth on social media. If anyone has any information related to the location of Suarez and/or the murder of Giovanni Alcaraz, please contact the Colusa Police Department.

City of Colusa California

STAFF REPORT

DATE: March 21 2023
TO: Mayor Ponciano and member of the City Council
FROM: Jesse Cain, City Manager, and Ryan Jones, City Attorney,

AGENDA ITEM:

Subject A Resolution of the Colusa City Council to authorize the City Manager to sign the financing agreement with the City of Colusa Utilities Department to Transfer Funds to Purchase the Pirelli Building

Recommendation: Consider adoption of a Resolution of the Colusa of Colusa City Council to authorize the City Manager to sign the financing agreement with the City of Colusa's Utilities Department

BACKGROUND ANALYSIS:

Pirelli Cable company closed down in 2002. At that time they were the largest employer in the City limits. The City has tried to attract businesses in there for years now with no success. In 2020, and at the beginning of Covid 19, Mr. Cain went to Kentucky to meet with the Pirelli board asking them to sell or lease the Pirelli building property to the City of Colusa and allow us to apply for grants to purchase the property. After several meetings and two appraisals the City entered into a purchase and sale agreement hoping that the City would receive a 100% grant to fund the purchase of the property. Fast forward to 2023, the City has only received \$1.5 million in a grant to help purchase the property. The City's current purchase and sales agreement is for \$3,090,000.00. With this proposed action, the City will be creating a loan from the Utilities Department in the amount of \$1.7 million. This money will allow the City to complete the purchase of Pirelli and have the sprinkler system updated. The loan from the Utilities Department will be a forty-year loan with the State minimum interest rate. The loan will be to the City general fund and the payments back to the Utilities Department will be made back from lease payments form the tenants that occupy the building and land.

The City is currently working on a lease agreement with a tenant that would create 100 new jobs in the next three years and this one lease agreement would be enough revenue to cover more than twice the loan repayment.

BUDGET IMPACT:

The proposed transfer will increase the general fund to make the purchase of Pirelli and temporarily take funds from the Utilities Department until the loan is repaid. The purchase of the Building will create a new revenue stream to the general fund.

STAFF RECOMMENDATION:

Adopt Resolution 23-

,

RESOLUTION NO. 23-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COLUSA AUTHORIZING THE CITY MANAGER TO EXECUTE A 40 YEAR LOAN CONTRACT WITH UTILITIES DEPARTMENT FOR THE PURCHASE OF PROPERTY FROM PRYSMIAN CABLES AND SYSTEMS

WHEREAS, the City of Colusa City Council has agreed to create a loan in the amount of \$1.7 million from the City's Utilities Department to the general fund to purchase the property located at 1480 Will S. Green, Colusa, and what is known as the Pirelli Cable Building; and

WHEREAS, the City has a plan to purchase the building to lease it and general revenues for the City and job for the community; and

WHEREAS, the City of Colusa City Council authorizes the City Manager to create a 40-year loan from the Utilities Department to the general fund using the Sate minimum interest rate.

NOW THEREFORE, the City Council of the City of Colusa does hereby resolve that:

1. The City Council authorizes the City Manager to execute a 40-year loan from the Utilities Department to the general fund in the amount of \$1.7 Million in order to purchase the Pirelli Cable Building.

STAFF REPORT

DATE: March 21st, 2023
TO: Mayor Ponciano and Members of the City Council
FROM: Jesse Cain, City Manager, and Ryan Jones, City Attorney

AGENDA ITEM:

Consideration of Resolution approving, the authority of the City Manager to sign the contract with the selected firm for audit service to the City of Colusa for three years.

Recommendation:

Approve the attached resolution, approving the City Manager to sign the contract with best choice out of received proposals for the audit services.

BACKGROUND ANALYSIS:

The City of Colusa advertised the RFP on its website to meet the state auditor rotation requirements. The staff also emailed the RFP to other auditors utilized by surrounding cities. The City of Colusa received three different proposals: BADAWI & ASSOCIATES, SMITH & NEWELL, CPAS and MOSS, LEVY & HARTZHEIM, LLP.

I also consult with the state representative on the option of choosing the same auditor, his reply was, "Per Government Code section 12410.6(b), the lead audit partner or coordinating auditing partner having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, cannot perform the audit after six consecutive fiscal years. If the firm rotates the audit partner so that a different partner is responsible for the City's audit and reviewing the work, the new partner has a six-year window.

This is the requirement, and based on the bids you receive, this compliance requirement must also be factored into the selection process."

After reviewing all three proposals and receiving input from the staff members, Smith & Newell is the best choice out of the three proposals.

BADAWI & ASSOCIATES located in Berkeley, Ca has the lowest bid with \$34,775 for year 2023, \$35,835 for year 2024 and \$36,900 for year 2025.

Smith & Newell, CPA located in Yuba City, Ca. has the second highest with \$35,300 for year 2023, \$36,712 for year 2024 and \$37,813 for year 2025.

MOSS, LEVY & HARTZHEIM, LLP has two locations Culver City and Santa Maria California has the highest bid with \$39,950 for year 2023, \$40,010 for year 2024 and \$40,070 for year 2025 after applying their discounts.

Smith and Newell had provided audit services since 2007 to The City of Colusa and had performed reputable work.

BUDGET IMPACT:

According to the proposals, the cost to render audit services will remain between \$34,775 to \$40,070 for each year for the next three years. The proposals include the state controller's annual financial report from 2.5 K to 4.9k which I have prepared last two years and save the city money.

STAFF RECOMMENDATION:

Approve Resolution 23-

RESOLUTION NO. 23-

A RESOLUTION OF THE COLUSA CITY COUNCIL APPROVING AND
AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT FOR
PROFESSIONAL AUDITING SERVICES WITH THE NEW AUDITOR FOR YEAR
2023, 2024, AND 2025.

WHEREAS, the City of Colusa is required to have an annual audit of its financial statements;

WHEREAS, the City Council has determined that auditing services are best provided by
Smith and Newell, CPAs;

WHEREAS, Smith and Newell, CPAs have agreed to perform auditing services for the
City of Colusa as outlined in the proposal.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Colusa
does hereby approves and authorizes the City Manager to execute a contract for
professional auditing services for the fiscal year 2023-2025.

Ishrat Aziz-Khan
Finance Director
City of Colusa
425 Webster Street
Colusa, CA 95932

Dear Ishrat Aziz-Khan:

Badawi & Associates (B&A), Certified Public Accountants (the "Firm") is pleased to have the opportunity to respond to your request for a proposal to provide external audit services and to submit its qualifications to perform an independent audit of the financial statements of the City of Colusa (the "City") for the fiscal years ending June 30, 2023 through 2025, with the option of extending the contract for each of the three (3) subsequent fiscal years. The objective of our audits is to issue opinions regarding the fairness of presentation of the financial position of the City in accordance with generally accepted accounting principles. These audits are to be performed in accordance with generally accepted auditing standards, the standards set forth for financial audits in the Government Accountability Office's (GAO) Government Auditing Standards, the provisions of the federal Single Audit Act of 1984, as amended in 1996, and the Uniform Guidance, Audits of States, Local Governments and Non-Profit Organizations, Uniform Administrative Requirements, as well as any other applicable federal, state, local or programmatic audit requirements.

We will also perform the following as part of our engagement:

- Single Audit
- GANN Limit Agreed-upon Procedures
- City State Controller's Report (if required)
- Public Financing Authority State Controller's Report (if required)
- Annual Street Report (if required)

We will also apply limited audit procedures to Management's Discussion and Analysis (MD&A) and required supplementary information. In addition, we will prepare the management letter containing comments and recommendations regarding our review and evaluation of the systems of internal control and accounting procedures.

This proposal will highlight the background of the partners and staff assigned to the engagement, summarize our experience in the governmental area, and describe our approach to auditing the City.

This proposal demonstrates our ability to render the quality examination and to perform the necessary accounting and auditing services requested by the City on a timely basis.

As a partner of the Firm, I will be the primary contact for negotiation of the contract. Additionally, I have been authorized to legally bind the Firm. You may contact me at the following address and phone number:

We are committed to performing the required work, completing the audit, and issuing the necessary auditors' reports.

We believe we are the best qualified to perform the audit because our audit staff includes individuals well versed in municipal auditing and reporting requirements. We have performed auditing and consulting engagements for numerous cities throughout California. We will be responsive to the needs of the City, we understand the City's operational environment, and pledge to you our complete commitment to providing a quality product that meets the City's requirements.

The approach to the audit has been designed to meet the audit requirements of the City with the least disruption to the City's office operations. The foundation of the audit approach is based on communication coupled with a strong knowledge of City operations and detailed planning at the initial stages of the audit. Open communication lines with all parties of the Engagement Team and City Management and staff throughout the engagement eliminate "surprises". Initial planning and proper assignment of duties to experienced personnel provide for an effective and efficient audit process. Consequently, inefficiencies and disruptions are kept to a minimum. In addition, we perform almost half of the audit tasks during the interim phase to minimize any unforeseen delays during the year-end phase and to ensure a smooth and timely audit process.

The Firm maintains liability insurance coverage for professional liability, Workers' Compensation, Comprehensive General Liability and Auto as part of our comprehensive insurance policy.

The Firm is an Equal Opportunity employer and complies with all Federal and State hiring requirements. The Firm also supports Affirmative Action philosophies and works hard to provide disadvantaged groups with opportunities for self enhancement.

This proposal is a firm and irrevocable offer for 180 days.

We are confident that you will find our organization offers the required expertise, technical knowledge, and business understanding to perform an audit of the City. Our past experience provides us with a thorough understanding of the needs and requirements of the City, as well as the technical knowledge to perform such services in accordance with the accounting and auditing guidelines as published by the various authoritative entities.

We welcome your inquiries and look forward to further discussions with you.

Sincerely,

Ahmed Badawi

The Firm maintains professional liability insurance and other coverage as part of our comprehensive insurance policy. Upon selection as the City's independent auditor, the Firm and our insurance provider will provide a certificate of insurance to the City which shows the minimum requirements identified by City have been met.

License to Practice in California

The Firm and all key professional staff assigned to the City's audit are properly licensed to practice as Certified Public Accountants in the State of California and comply with GAO *Government Auditing Standards*.

The Firm is registered with the California State Board of Accountancy. Its State number is COR6823.

The Firm has met all required State and local laws, rules, and regulations.

Conflict of Interest

The Firm has no conflicts of interest in connection with providing the services described in this proposal. The Firm does not have any financial, business, or other professional relationships with the City or any member of City staff.

Firm Qualifications

Badawi & Associates was founded by Mr. Ahmed Badawi. Mr. Badawi has over 20 years of experience working with state and local government with a special focus on cities. Prior to founding B&A, Mr. Badawi was a partner with several local and national firms, where he headed their government practice in Northern California. Mr. Badawi founded Badawi & Associates to serve the fast-paced needs of California's local governments. The goal is to build a proactive, client-focused culture from the ground up and to eliminate the entrenched bureaucratic culture and intrinsic limitations of the big audit firms.

Located in Berkeley, CA, the Firm serves a variety of cities and towns throughout California as well as conducting financial related services for numerous special districts and authorities. Names and phone numbers of several of our current and past clients and other references are provided for your inquiries. We encourage you to contact these individuals to obtain information on the quality of the audit and the ability of the audit staff.

Our Berkeley office will be the Engagement Office assigned to the City.

In addition to specific City financial statements, the Firm members have also audited numerous redevelopment agencies, public financing authorities, hospitals, housing authorities, transportation authorities, special districts, water districts, OCJP grants, self-insurance pools, joint power authorities and has also performed numerous compliance audits in accordance with the Single Audit Act, childcare regulations, TOT regulations, AQMD regulations, franchise requirements.

The Engagement Partner assigned to the City will be Mr. Ahmed Badawi. Mr. Badawi has over 20 years of government audit experience. He is a member of various governmental committees, has actively participated in the development of accounting and audit guidelines for the governmental sector, and is an instructor for the California Society of Municipal Finance Officers.

The professional staffs assigned to the Engagement are qualified and experienced. Each individual of the Engagement Team has several years of experience and has conducted or participated in numerous municipal audits of various sizes. Their understanding of governmental operations and the various authoritative guidelines will provide the where-with-all to perform the audit in an efficient and effective manner with minimal disruption to the City's finance department.

Technical Approach

The approach to the audit has been designed to meet the audit requirements of the various authorities with the least disruption to the City's operations. The foundation of the audit approach is based on communication coupled with a strong knowledge of City operations and detailed planning at the initial stages of the audit. Open communication lines with all parties of the Engagement Team and City Management and staff throughout the engagement eliminate "surprises". Initial planning and proper assignment of duties to experienced personnel provide for an effective and efficient audit process. Consequently, inefficiencies, disruptions, and lack of understanding are kept to a minimum.

The audit approach will consist of four phases:

- 1) **Initial Planning Meeting:**
The Engagement Partner and Manager will meet with City Management to discuss the audit approach, identify specific needs of City Management, and familiarize themselves with City policies and practices.
- 2) **Interim:**
The Engagement Team members including the Engagement Team Partner will perform the internal control reviews, test transactions, evaluate compliance with Single Audit Act requirements, identify potential audit issues that need to be addressed, perform limited confirmation procedures, and develop a clear understanding between the Engagement Team and City Management of the year-end audit responsibilities and assignments. **In addition, we strive to complete many of the year-end audit tasks during the interim phase to ensure a smoother audit process. We will work with the City on providing a list of those tasks that we will target to complete during interim and work with the City on how to complete them to minimize the amount of effort and time needed at year-end which in turn will assist the City in meeting its goal of issuing the Annual Comprehensive Financial Report.**
- 3) **Year-end:**
The Engagement Team members including the Engagement Team Partner will conduct validation procedures on general ledger account balances, complete confirmation procedures, perform analytical procedures on revenue and expenditures, perform search for unrecorded liabilities, complete compliance work on Federal Assistance, and wrap up audit field work.
- 4) **Reporting:**
Auditor's reports for all City reporting entities and compliance requirements will be finalized along with Single Audit Reports and Management Letter comments. The Partner and Manager will be available to make presentations to the City Council and/or designated bodies.

Firm Experience

The Firm is located in Berkeley and provides a full range of accounting services to governmental agencies throughout California, including audit, tax and accounting. The Firm's professional staff members provide the financial background and specific experience to meet the City's operational needs. Additionally, this situation provides the City with an auditing firm that has depth in capabilities to address any financial issue the City may need assistance with, and the quality audit approach that you expect.

Our Berkeley office will be the Engagement Office assigned to the City.

Firm policy requires that the Engagement Partner, during the first year of the engagement, be actively involved in the daily fieldwork. This means to the City that Mr. Badawi will actually be on-site during the audit coordinating the audit process, supervising the audit staff, gaining a hands-on understanding of City processes, and benefiting the City with his broad municipal experience. We have found that this effort benefits the City and the Firm through developing a thorough knowledge of the City's practices and issues and establishing a close working relationship with the City's Management. Additionally, continuity of audit personnel is assured because of the hands on involvement of the Partner.

We are committed to providing appropriate and related experience, personal involvement, and a broad business perspective to produce a quality end product within the time frames required.

The Firm provides financial and compliance auditing services to governmental agencies throughout California. We are a governmental agency auditing firm and our professional staff members have been performing these services for many years. As a result, we have performed financial and compliance audits on most, if not all, types of governmental agencies and operations including:

- | | | |
|--------------------------|------------------------------|-----------------------------|
| • Cities | • Waste Management | • Investment Activities |
| • Redevelopment Agencies | • Authorities and Operations | • Landfills |
| • Financing Authorities | • Pension Plans | • Enterprise Funds |
| • Housing Authorities | • Child Care Operations | • Airports |
| • Special Districts | • Joint Power Authorities | • Transportation Operations |
| • Water Districts | | • Federal and State Grants |

Additional Activities

We offer a full range of accounting and finance services to the governmental sector. These services include:

- | | |
|---|---|
| • Financial audits | • Operational reviews |
| • Compliance audits | • Technical guidance on existing and upcoming accounting issues |
| • Tax advice | • Training seminars |
| • Development of financial and accounting policies and procedures | • Pension/profit-sharing plans |
| • Investment review and compliance evaluation | • Performance audits |
| | • Business consulting |

Consequently, Firm personnel are well qualified to perform the services expected by the City.

Client Training Seminar

The Firm hosts an annual update on recent technical accounting and finance issues affecting the governmental area. This all day session reviews new and anticipated pronouncements from GASB, discusses future issues under consideration by GASB, reviews accounting treatment of various transactions where issues may arise, and provides a general overview of state and federal compliance issues. All of our clients are invited to attend, free of charge. The one day session qualifies for CPE under the rules of the State Board of Accountancy and is held in the Bay Area.

GASB 68 Firm Developed Tools and Assistance

The Firm has developed tools to assist our clients with preparation of GASB 68 journal entries for the CalPERS' Cost Sharing Plans (for which individualized actuarial valuations are no longer prepared) and the CalPERS' Agent Multiple Employer Plans. In addition to providing our clients with these tools and instructions on how to use them, we are available to answer any questions on how to prepare and complete the GASB 68 journal entries.

Flowcharting Documentation

As part of our risk assessment procedures, we prepare flowcharts for documenting our understanding of the City's significant accounting and financial processes. Flowcharts are updated annually for any changes in the City's processes and copies can be provided upon request for the City's internal use. Flowcharted processes may include:

- Financial Reporting, Closing, and Manual Journal Entries
- Cash Receipts, Billing, and Accounts Receivable/Revenues
- Cash Disbursements, Purchasing, and Accounts Payable/Expenditures
- Payroll and Human Resources

Quality Control Review

According to Government Auditing Standards, firms who perform audits under the Yellow Book are required to have a peer review once every three years. We received a report with a rating of pass with no deficiencies which we attached for your review.

Report on the Firm's System of Quality Control

Badawi & Associates

Berkeley, California;

and the Peer Review Committee of the California Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Badawi & Associates (the firm) in effect for the year ended February 28, 2022. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act.

As part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

12. Adjusting Journal Entries:

We will discuss and explain proposed audit adjusting entries with the City's designated Finance Department personnel prior to recording. Audit adjusting entries will be provided in a format showing the lowest level of posting detail needed for data entry on the City's general ledger system.

13. Listing of Schedules and Tables (anticipated to be prepared by the City):

Based on preliminary inquiries made with management and City staff and review of documents, we will tailor a list of schedules, tables, and other reconciliations required for the audit. We will take into account as much as possible reconciliations already prepared by the City for day-to-day operations and reporting, as well as any reports that are system generated to limit the need for additional City staff hours.

We have attached in the Appendix on page 35 a tailored list of anticipated requests for all phases of the audit. We may have a few adjustments to the list as we learn more about the City and its operations.

Use of Technology in the Audit

The Firm maintains a variety of specialized software packages during the audit that enable us to perform an efficient, thorough, and timely audit and keeping time demands on City staff to a minimum.

Trial Balance Management and Financial Statement Preparation

ProSystem Fx Engagement allows us to import and manage multiple years of trial balance data including budgetary information, create multiple account groupings, generate reports, post journal entries proposed during the audit (including GASB 34 conversion entries), and link information directly to the financial statements. This gives us the ability to:

- Generate immediate trend and other comparative analysis of trial balance and budget data prior to the start of the audit. This allows us to identify potential issues and make inquiries early in the audit
- Link the financial statements and footnotes prior to the start of the audit allowing us to have majority of the financial statements (including budgetary comparison schedules and other supplementary information) prepared at the time the trial balance is uploaded
- Audit adjustments or City adjustments provided during the audit are automatically reflected in the financial statements

Audit Request Management and Document Exchange

CCH Engagement Organizer ("Organizer") is a virtual "Prepared by Client (PBC) List" that streamlines the process of requesting, receiving, and keeping track of documents. The Organizer is an integrated cloud-based request list that helps to facilitate the engagement through more seamless collaboration between the Firm and our clients. By utilizing the Organizer, the City can do all of the following in one secure virtual environment:

- Attach files of any type to document requests
- Easily track the status of document requests that are either pending, completed by the City, accepted by us, or rejected by us
- Access templates and documents from us that require completion
- Have multiple City staff get involved and assist in the audit process
- Participate in a dialog with us for questions and notes

We have found that the use of the Organizer has helped our clients be always informed as to the status of their audit, and not be surprised with new requests or follow up on outstanding requests previously provided.

Computer Aided Audit Tools (CAATs)

The Firm's data analytics software enables our Engagement Team to perform more than 150 Computer Aided Audit Tools (or "CAATs"). CCH Teammate Analytics gives us the ability to perform advanced data analysis and increase efficiency. By utilizing this software, we can:

- Immediately visualize and analyze 100% of account populations with graphs, charts and statistics to identify anomalies
- Make fewer sample selections that are targeted to problematic areas
- Quickly analyze transactional data for:
 - Duplicate records
 - Missing transactions
 - Transaction sequence
 - Unusual items
- Compare excel worksheets for changes or differences
- Generate immediate testing samples
- Perform regression analysis
- Filter and extract data from City reports

Audit Planning, Risk Assessment, and Audit Programs

Our firm utilizes CCH Knowledge Coach, which is an expert system that adapts and customizes our audit approach specifically based on the City's structure, operating environment, specific transactions, and identified risks or matters to be addressed in the audit. The software is frequently updated for new industry trends and audit requirements. Included in the software is a continuous diagnosis of audit forms that identifies missing information, procedures, or any conflicts that need to be addressed prior to issuance of the audit report. We have found that this audit tool greatly benefits our audit clients in the following ways:

- Removal of standardized audit steps and procedures that do not add value to the audit
- Targeted audit procedures focusing on risks and accounts specific to the City's operations
- Audit is always performed in accordance with audit standards especially the risk assessment standards
- Maximizing audit efficiency having less City staff time dedicated to gathering information or responding to inquiries by focusing on material issues
- Automatic self-diagnostics ensure no audit steps are missed, guaranteeing a quality audit

Research Tools

We maintain multiple research software packages that are always kept up to date to ensure compliance with accounting and auditing standards, and are also a resources for us to provide guidance to our clients. In addition to accounting and audit literature, we have access to interactive disclosure checklists that include sample footnote disclosures and financial statements.

Discussion of Identification of Anticipated Potential Audit Problems

Relevant Accounting Issues

We do not anticipate that there will be any audit problems at the City. However, the following are some areas that we will carefully investigate and monitor during our audit procedures:

- Financial Reporting:
 - Review and evaluate that the City's Annual Comprehensive Financial Report are in compliance with current reporting and disclosures requirements issued by the GASB and GFOA.
 - Review the Annual Comprehensive Financial Report for financial reporting conformance awards issued by CSMFO and GFOA.
 - Review and evaluate degree of compliance with the various GASBs in effect.
 - Review degree of compliance with infrastructure obligations and regulatory provisions.
- Internal Control Structure:
 - Review and evaluate the City's internal control functions and ascertain compliance with proper internal control philosophies.
 - Review computer system processes and controls and evaluate adequacy of the control environment.

Several new GASB pronouncements will become effective over the time period of this proposal. As such, specific attention will be provided to determine the proper implementation of these new pronouncements. A list of known new pronouncements with implementation dates that fall within this proposal period are as follows:

2023

- Statement 91 – Conduit Debt
- Statement 94 – Public-private Partnerships
- Statement 96 – Subscription-Based Information Technology Arrangements
- Statement 99 – Omnibus 2022

2024

Manner of Payment:

Each Engagement Team member maintains detailed time sheets describing work performed, date of work, and amount of time spent on each task for the Engagement. The Firm will bill the City after completion of each phase of the audit and bill the City up to a maximum of 90%. The remaining 10% of the proposal amount will not be due until all final reports are delivered and accepted by the City. The City can anticipate three billings as follows:

Work Performed	% of Proposal Amount
For interim work	45%
For year-end work	45%
At presentation and acceptance of final reports	10%
Total	100%

Rates for Additional Professional Services:

Any services outside the scope of our engagement will be promptly identified before the services are rendered. Upon mutual agreement, the out-of-scope services will be separately billed at our standard hourly rates. While it can be difficult to simply state hourly rates, as often times the needs of the client and the specific tasks directly impact the billing rates for our services, we want to provide the following information regarding our published billing rates:

Position	Hourly Rate
Partner	\$ 200
EQR	200
Manager	150
Senior	125
Staff	100
Admin.	75

Our Standard Hourly Rates are adjusted annually by 3% for Cost of Living and Inflation Adjustments

Conclusion A client relationship with the City will be of great value to our Firm and we welcome the opportunity to develop a long-term relationship with the City. We are committed to:

- Rendering the highest standard of service
- Developing a long-term working relationship dedicated to meeting the needs of the City
- Assisting the City in operational issues
- Producing a quality end-product

We have the technical qualifications and experience to provide the level of service desired and expected by the City and stand ready to provide our knowledge and experience for the benefit of your organization.

We would like to express our appreciation to the City and to its Staff for allowing us the opportunity to submit a proposal to perform professional auditing services. We are available, at your convenience, to discuss any aspects of our proposal.

Thank you for allowing us to present our Firm to you.

City of Colusa Finance Department
Attn: Ishrat Aziz-Khan, Finance Director
425 Webster St
Colusa, CA 95932

Dear Ishrat:

Smith & Newell CPAs is pleased to submit our proposal to provide the City of Colusa professional audit services for the fiscal years ending June 30, 2023, June 30, 2024, and June 30, 2025, with the option of auditing its financial statements for each of the three subsequent fiscal years. We have carefully researched your requirements and believe that our technical approach and staffing plan described herein respond fully to the City's needs.

Understanding the Work

Our understanding of the scope of work is as follows:

- We will issue a report on the financial statements in conformity with generally accepted accounting principles for the City of Colusa.
- We will issue a report on the internal controls and compliance in accordance with Government Auditing Standards.
- We will prepare a Management report and Auditor's Communication Letters.
- We will test compliance with Proposition 111, Article XIII.B, Review of Appropriations Limit calculation.
- We will Prepare the State Controller's Report – City Financial Transaction Report. (Optional)
- We will have an exit conference with the Finance Director.
- We will be responsible for report preparation and printing of the City's Annual Financial Report, the Single Audit Report, Appropriations Limit report, and Management Comment Letter. We will provide copies in PDF format, in addition to 8 printed copies.
- We will prepare any other report for the governing body as may be required by generally accepting auditing standards.
- We are committed to performing the work within the time periods established and meeting the required delivery date of all required reports.

Smith & Newell Qualifications

We believe our audit approach involving experienced staff, extensive partner participation and our proposed work plan uniquely qualify Smith & Newell to be the best choice for the City of Colusa.

Our staff, who will be assigned to the City's audit, are experienced professionals that have extensive experience with government audits. Each of our staff bring experience to the audit that allows for a new outlook with innovative suggestions to improve quality and efficiency. We feel the choice of an audit firm should be primarily based upon staff. We have an extremely low percentage of key employee turnover and we are confident that we will provide the City with consistent staff over the contract period.

Partner involvement is also key to the audit's success. Norman Newell and Carrie Schroeder actively participate in all phases of the audit. They will be responsive to the City's needs and are available to assist the City at any time during the year. Their extensive experience with government auditing provides the benefit of recommendations based on valuable insights to better improve the City's operations and procedures.

Our proposed work plan is based on years of experience with government auditing. We understand the demands placed on governments today and the challenges they face. In developing our work plan, we use the latest audit technology and methodologies to accomplish the goals of the engagement in the most efficient manner which minimizes disruption to normal City operations.

The following individuals are authorized to make representations for Smith & Newell CPAs:

We hope that as you read through this proposal, you recognize the philosophy of our firm which is to provide each of our clients with exceptional service, experienced staff, and an audit approach that will fit their needs. Our dedication to quality, professional standards and service has been the guiding force in our firm since its inception in 1988. Thank you for providing us the opportunity to present our proposal. This is a firm and irrevocable offer for 60 days from the date of this proposal. As partners in the firm of Smith & Newell CPAs, Norman Newell and Carrie Schroeder are authorized to make representations for the firm. If you have any questions concerning this proposal, please contact Norman Newell or Carrie Schroeder.

Sincerely,
Smith & Newell CPAs

Carrie Schroeder, CPA
Partner

Executive Summary

Smith & Newell CPAs is a full-service CPA firm located in Yuba City, California. Carrie Schroeder, CPA will lead the proposed auditing services that include an audit of the annual financial statements and compliance for the City of Colusa for the fiscal years ending June 30, 2023, June 30, 2024, and June 30, 2025, with the option of auditing its financial statements for each of the three subsequent fiscal years.

When considering whether to hire our firm, you will find that Smith & Newell stands out from our competitors in several areas, such as:

Experienced and Involved Partners

Norman Newell, CPA and Carrie Schroeder, CPA have over 46 years of combined professional auditing, accounting and consulting experience. Both partners will be extensively involved in the City's audit and will freely lend their expertise on any accounting or internal control issues.

Timely Audits

Smith & Newell is committed to meeting all audit deadlines. Our audits are performed in accordance with an agreed-upon schedule, and submissions to the State of California are filed on time.

Commitment to Quality

Smith & Newell receives a peer review of our system of quality control for our accounting and auditing practice every three years. Our most recent peer review was completed with a *pass* rating. All audits submitted to the State have been approved.

Audit Process

Smith & Newell has extensive experience auditing governmental and nonprofit entities, which makes for a smooth audit process. Our firm guarantees that our staff are experienced and supervised, our clients will be given an audit plan prior to the start of fieldwork, and that we will be considerate of your staff's time during our audit and fieldwork. We will also issue a draft of our reports to the City and will discuss any questions, concerns and audit findings with the City before the reports are finalized.

Problems/Solutions

Smith & Newell CPAs is adept at identifying problem areas that may exist in your organization and providing solutions to help mitigate those problem areas in the future. Both partners will freely discuss any areas that could be changed or improved to help your organization.

Our proposal that follows provides more specific information on the scope of audit services we will provide, our firm and staff experience, qualifications, references, and approach to the audit. We hope you choose Smith & Newell CPAs for your auditing needs.

Section I – Technical Proposal

1. LICENSE TO PRACTICE IN THE STATE OF CALIFORNIA

Smith & Newell CPAs is licensed to practice accounting in the State of California and has complied with all applicable California State Board of Accountancy requirements. In addition, all of the key professional staff that will be assigned to the audit are also licensed to practice in the State of California and have complied with all applicable State Board of Accountancy standards.

2. INDEPENDENCE

Smith & Newell CPAs is independent of the City of Colusa and all of the component units of the City of Colusa, as defined by auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards (commonly referred to as the “Yellow Book” standards), issued by the Comptroller General of the United States.

3. FIRM QUALIFICATIONS AND EXPERIENCE

Our Practice

Smith and Newell, CPAs was established in 1988 as a full-service firm. We are a CPA firm located in Yuba City, California. We are a general partnership providing auditing, tax, accounting and consulting services to governmental entities, nonprofits, corporations, partnerships and individuals. Government services constitute a significant portion of Smith & Newell’s total practice. The firm of Smith & Newell has a commitment to maintain a “hands on” approach to our governmental audits. We actively participate in all phases of each engagement and feel that because of this policy we are able to offer you a high-quality audit at a reasonable price.

Currently our firm consists of eight individuals, including six professionals and two administrative personnel. The professional staff consists of two partners, one manager, one senior and two staff accountants. The City’s engagement will be staffed full-time, as required, by one partner, one manager, one staff accountant, plus administrative assistance.

Peer Review

Our firm is devoted to quality, and we have taken extra steps to assure that we meet the highest professional standards of quality. Our firm has a program of quality control to ensure that our engagements meet the standards of the Yellow Book, including qualifications, independence, due professional care, and quality control. Every three years we must undergo a peer review of our system of quality control for our accounting and auditing practice. Our peer review includes an onsite review of specific government engagements. A Peer Review Committee establishes the standards and procedures governing the conduct of the peer review. Upon completion of the peer review, the reviewers communicate their findings to the reviewed firm and prepare a

written report. These standards provide that the report should contain, among other things:

- The reviewer's opinion on whether the reviewed firm's quality control system met the guidelines of quality control standards established by the AICPA, and whether the system was being complied with to provide the firm with reasonable assurance of conforming to professional standards.
- The reviewer may issue an unqualified, qualified or adverse opinion. We are pleased to report that we have always received an unqualified opinion - the highest level of assurance possible. Our continued participation in periodic peer reviews and our voluntary membership in the AICPA and the California Society of CPAs support the firm's commitment to quality and client service.

A copy of our most recent peer review report is provided in Appendix B.

Professional Associations

We are members of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants. In addition, our firm is a member of the AICPA's Governmental Audit Quality Center. We are also members in the Governmental Finance Officers Association (GFOA).

No Record of Substandard Work

Our firm does not have a record of substandard audit work, nor any outstanding claim of substandard work or unsatisfactory performance pending with the State Board of Accountancy nor the Federal Inspector General. There have not been any positive enforcement actions or other matters that would reflect negatively on our professional qualifications, including any action for substandard audits taken by the State Board of Accountancy, or the Federal Inspector General.

Disciplinary Action

There are not any current or pending disciplinary or litigation actions against our firm in any manner related to our professional activities, nor have there been any such actions in the past.

4. PARTNER, SUPERVISORY, AND STAFF QUALIFICATIONS AND EXPERIENCE

Qualifications and Experience of Individuals Assigned to the Engagement

Our audit methodology for performing financial statement audits of government entities involves four phases. Phase 1 – Planning and Strategy, Phase 2 – Systems Evaluation, Phase 3 – Testing and Analysis, Phase 4 – Reporting and Follow-Up. These phases are summarized below:

Phase 1 – Planning and Strategy

This phase establishes our basic understanding of the City and its environment and forms the basis of our evaluation of internal control. Phase 1 will be completed by July of each year.

- Establish an understanding with the City
- Schedule staffing and conduct staff fraud and discussion meeting
- Develop and expand understanding of the City's operations by review of prior year workpapers, reviewing minutes and discussion and analysis
- Determine planning and design materiality and tolerable misstatement
- Perform preliminary determination of major programs and materiality
- Conduct entrance meetings with City personnel and management and inquire about fraud and abuse.
- Identify significant processes and internal controls
- Conduct observations and walkthrough of transactions
- Identify risk factors
- Perform tests of transactions for payroll transactions, cash receipts and disbursements, and selected federal program expenditures
- Prepare initial Audit Preparation Schedule and transmit to the City

Phase 2 – Systems Evaluation

The timing of this phase is dependent on when the City has completed the initial Client Preparation Schedule and closed the City general ledger. Phase 2 will be completed by October of each year.

- Request Federal program expenditure schedule from the City and determine major programs
- Request City closed trial balances
- Format financial statements and footnotes
- Perform preliminary analytical procedures
- Schedule meetings with City management to ensure good coordination of engagement

- Develop and expand understanding of information systems
- Identify control objectives
- Identify and understand relevant control activities for financial reporting as well as for single audit
- Determine the nature, extent and timing of control tests and compliance
- Perform nonsampling control tests and test compliance
- Assess internal control on a preliminary basis
- Design and update audit programs

Phase 3 – Testing and Analysis

The timing of this phase will be flexible to best accommodate the schedule of the City while keeping in line with statutory requirements. Phase 3 will be completed by October of each year.

- Conduct additional audit procedures to conclude on financial statement presentation
- Perform compliance procedures on required disclosures including pension and OPEB
- Perform compliance tests including the Uniform Guidance major single audit programs
- Progress conference and exit conference with the City to discuss reports, pending items and observations
- Obtain legal representation letter and review for potential liability
- Documentation and review of workpapers

Phase 4 – Reporting and Follow-Up

Phase 4 will be completed by November of each year.

- Perform overall analytical procedures
- Reassess materiality and risk
- Evaluate misstatements
- Conclude other audit procedures and clear open items with the City
- Determine conformity with applicable standards
- Complete comprehensive engagement review
- Prepare and compile draft reports including Annual Financial Report, Single Audit Report, Appropriations Limit and Management Comment Letter for the City
- Review City comments and suggestions and make any required revisions
- Obtain Management Representation letter
- Make presentation to City

Future Accounting Pronouncements

Statement No. 91 “Conduit Debt Obligations”

The requirements of this statement are effective for periods beginning after December 15, 2021. (FY 22/23)

Currently this pronouncement will have no impact on the City.

Statement No. 94 "Public-Private and Public-Public Partnerships and Availability Payment Arrangements"

The requirements of this statement are effective for periods beginning after June 15, 2022. (FY 22/23)

Currently this pronouncement will have no impact on the City.

Statement No. 96 "Subscription-Based Information Technology Arrangements"

The requirements of this statement are effective for periods beginning after June 15, 2022. (FY 22/23)

This pronouncement may affect the accounting of the City. We expect that there will be minimal additional work.

Technological Advantages

We have developed specialized resources for performing government audits. These resources include automated and electronic checklists for evaluation controls, source documents for risk-based audit methodology, standardized sample selection procedures, integrated trial balances, combining schedules and links to professional standards. Our staff have unlimited access to online reference libraries and electronic source documents to help maintain efficiency and accuracy during the audit process.

Our firm utilizes Thomson Reuters' Workpapers CS trial balance software that streamlines the audit process and gives us the ability to manage documents and data from a variety of sources.

Smith & Newell CPAs is dedicated to protecting our clients' information. We provide an online client portal called SecureDrawer that gives our staff and our clients a very secure way to send and receive information during the audit quickly and securely. Each drawer is encrypted and accessed with a username and password unique to each client.

Laws and Regulations

In the City of Colusa's audit, substantial attention will be given to compliance with laws and regulations. Although management is responsible for ensure that the City complies with laws and regulations applicable to its activities, the independent auditor is responsible for considering them and how they affect the audit. We design the audit to provide reasonable assurance that the financial statements are free of material misstatements resulting from violations of laws and regulations that have a direct and material effect on the determination of financial statement amounts.

Among other things, Government Auditing Standards establish additional requirements related to:

- Noncompliance with contracts and grant agreements
- Abuse
- Communication of fraud, illegal acts, noncompliance and abuse

Single Audit Compliance

The Uniform Guidance states that the compliance testing shall include tests of transactions and such other auditing procedures necessary to provide the auditor sufficient evidence to support an opinion on compliance. Supporting an opinion on compliance on each major program requires testing of each major program.

Professional judgement is required in the selection of transactions for testing. Risk factors to consider include the following:

- Size of program
- Program maturity at the Federal agency
- Program maturity at the auditee
- Complexity
- Extent of contracting
- Multiple internal control structures
- Use of subrecipients
- Extent of computer processing
- Level of oversight
- Prior audit findings

The assurance required (and, therefore, the determination of the minimum sample size) is directly related to the risk of material noncompliance remaining after other audit procedures (risk assessment procedures, substantive analytical procedures, and tests of individually important items) have been performed. We typically assume a five percent tolerable exception rate and based on the degree of assurance needed after analysis of our other audit procedures, we select a sample size based on paragraph 11.72 of the GAS/SA Audit Guide.

Identification of Anticipated Potential Audit Problems

We are not aware of any anticipated problems.

Workpaper Retention

Audit programs, workpapers and reports will be retained for a period of seven years after the completion of the audit and made available for inspection by City of Colusa, oversight or cognizant agencies, parties designated by federal or state governments, auditors of entities of which the City of Colusa is a subrecipient of grant funds or component unit, and additional auditors if requested by them.

Report Format

Sample formats of required reports for this engagement can be obtained by reviewing audit engagements we have completed for other government entities. The City of Jackson's financial reports are available at:

https://www.ci.jackson.ca.us/administration_finance.php#outer-74

Section II – Cost Proposal

1. FEE PHILOSOPHY

Our fee philosophy is to foster long-term client relationships by offering fair pricing commensurate with our expertise. We strive to maintain efficiency in our audit approach so we can achieve maximum results in the budgeted time. We also strive to maintain billing rates that are reasonable in relation to the expertise of our staff.

As partners in the firm of Smith & Newell CPAs, Norman Newell and Carrie Schroeder are authorized to represent the firm, empowered to submit the bid, and authorized to sign a contract with City of Colusa.

PEER REVIEW

THIS PAGE INTENTIONALLY LEFT BLANK

Report on the Firm's System of Quality Control

To Smith & Newell, CPAs
and the Peer Review Committee of the California Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Smith & Newell, CPAs (the firm) in effect for the year ended May 31, 2021. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, as well as a compliance audits under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Deficiency Identified in the Firm's System of Quality Control

We noted the following deficiency during our review: Although the firm's quality control policies and procedures addresses engagement performance and documentation procedures through the use of a third-party practice aid, the firm did not use this practice aid to its fullest extent or misunderstood certain areas. This contributed to audit engagements performed under *Government Auditing Standards* and audits subject to compliance audits under the Single Audit Act not conforming with professional standards in all material respects in the areas of risk assessment, evaluation of a specialist and testing specific to major program compliance. Also, the audits subject to the Single Audit Act were missing certain cluster designations.

Opinion

In our opinion, except for the deficiency previously described the system of quality control for the accounting and auditing practice of Smith & Newell, CPAs in effect for the year ended May 31, 2021, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency (ies)*, or *fail*. Smith & Newell, CPAs has received a peer review rating of *pass with deficiency*.

Mr. Ishrat Aziz-Khan
Finance Director
City of Colusa
425 Webster St.
Colusa, CA 95932

Dear Mr. Aziz-Khan,

We are pleased to respond to the Request for Proposal of the City of Colusa (City) for independent professional auditing services. We have prepared our proposal to address each of the specifications included in the City's Request for Proposal.

Moss, Levy & Hartzheim is an equal opportunity employer.

After sixty-seven (66) years in public accounting and forty-seven (46) years of performing local governmental and non-profit audits, it is extremely gratifying to witness the continued growth of Moss, Levy & Hartzheim, LLP. The firm is a regional full-service public accounting firm with offices in Beverly Hills, Culver City, and Santa Maria. We and the entire staff are pleased with not only the continuing development of the firm, but also the progress and economic health of our clients. We understand that governmental accounting is a specialized industry with its own accounting standards and requirements. This why we strive to constantly improve the quality of our professional services. Our degree of dedication, coupled with our ability to inform clients of any new accounting and auditing issues, is paramount to our success.

We feel that our size is such that we are large enough to provide a broad spectrum of services and experience backed by an in-house training program, professional development courses, and an extensive professional library, yet not so large as to become impersonal and rigid. Our informal style allows us to be flexible enough to complete our engagements in a timely manner that is the most convenient for each client. Also, this style allows us to be more accessible to our clients when our clients have questions or concerns.

At Moss, Levy & Hartzheim, LLP, our commitment to professionalism and timely completion of engagements sets us apart as the top choice for this audit engagement. Our experienced and knowledgeable staff, particularly in governmental audits, will bring a wealth of expertise to the table, ensuring a thorough and efficient audit. With our track record of delivering results and exceptional client service, you can trust that choosing our firm will be the right decision for your audit needs.

It is our understanding that we will perform an audit of the City's basic financial statements and its component unit (Housing Community Development), in accordance with auditing standards generally accepted in the United States of America as set forth by the American Institute of Certified Public Accountants, and Government Auditing Standards (GAS) with the objective to express an opinion of the fair presentation of the City's Government-Wide and Fund Financial Statements, which will be in full compliance with the Governmental Accounting Standards Board (GASB) Statements, and Governmental Auditing Standards (GAO).

We will express an “in-relation-to” opinion on the government-wide financial statements and the fund financial statements and supporting schedules based on the auditing procedures applied during the audit of the basic financial statements. We will also perform, if applicable, a single audit on the expenditures of federal grants in accordance with U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; and test compliance with the Single Audit Act as amended in 1996 and applicable laws and regulations, and provide an “in-relation-to” report on the schedule of federal financial assistance.

In addition to the procedures deemed necessary to express our opinion on the basic financial statements of the City, we understand that we will also be responsible for performing certain limited procedures involving the management’s discussion and analysis (MD&A) and the required supplementary information (RSI), as mandated by auditing standards generally accepted in the United States of America.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; *Government Auditing Standards*, issued by the Comptroller General of the United States, including all applicable auditing standards issued by the American Institute of Certified Public Accountants; the provisions of the Single Audit Act Amendments of 1996; if applicable; the U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; and all relevant Governmental Accounting Standards Board (GASB) Statements, and Governmental Auditing Standards (GAO).

It is our understanding that we will be responsible for issuing the following reports: an independent auditor’s report on the fair presentation of the City’s basic financial statements, in conformity with accounting principles generally accepted in the United States of America; an independent auditor’s report on internal control over financial reporting and on compliance and other matters based on an audit of the basic financial statements of the City performed in accordance with *Government Auditing Standards*; an independent auditor’s report on compliance with requirements that could have a direct and material effect on each major program and on internal control over compliance in accordance with the U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; a single audit report which includes a schedule of expenditures of federal awards, footnotes, findings and questioned costs including significant deficiencies and material weaknesses, if applicable; an agreed-upon procedures report in compliance with Proposition 111 Article XIII.B of the California State Constitution and Government Code 7900 on its appropriations limit (GANN limit calculation); and a Management Letter, including Statements on Auditing Standards No. 114 and No. 115. Additionally, we may be requested to prepare and submit the Annual Financial Transactions Reports (Cities Financial Transaction Reports, Street, Public Financing Authority) for the City and Transit to the State Controller’s Office..

Our firm is open to performing additional work as long as it does not compromise our independence; this includes any agreed-upon procedures requested by the City’s staff.

All noncompliance and significant deficiencies found during the audit will be communicated in writing. In the required reports on compliance and internal controls, we shall communicate any significant deficiencies and noncompliance issues found during the audit. Significant deficiencies that are also material weaknesses will be identified as such in the report. Non-reportable conditions discovered will be reported in a separate letter to management, which will be referred to in the reports on internal controls. All irregularities and illegal acts or indications of illegal acts of which we become aware of during our audit will be immediately reported, in writing, to the City Manager, the Finance Director, City Attorney, and City Council.

We will ensure the City is correctly implementing all required Accounting Pronouncements in accordance with Government Accounting Standards. We are also available to the City to discuss any issues or provide assistance as needed.

Moss, Levy & Hartzheim, LLP will perform the audit work within the specified time, pending no unforeseen circumstances which the City imposes on our work.

The percentage of the audit work we expect to accomplish in each month is shown below:

<u>June</u>	<u>September</u>	<u>Nov/Dec</u>	<u>Total</u>
35%	50%	15%	100%

This proposal for auditing services is an irrevocable offer until June 1, 2023.

Thank you for your consideration and please do not hesitate to contact the authorized representatives listed below with any questions, problems, or concerns.

CITY OF COLUSA AUDIT PROPOSAL

FIRM QUALIFICATIONS AND EXPERIENCE

Moss, Levy & Hartzheim, LLP is independent of the City of Colusa and its component unit, defined by auditing standards generally accepted in the United States of America, the U.S. General Accounting Office's *Government Auditing Standards*, the U.S. Securities and Exchange Commission, and all other authoritative bodies with standard or rule making authority over the auditing profession.

Our firm is a regional firm that performs audits of governmental and non-profit entities throughout the State of California, from the Oregon border to the Mexico border. For most of our governmental clients, we also prepare their Annual Comprehensive Financial Report (ACFR). Our firm also performs review and compilation engagements as well as tax and consulting services to clients throughout the United States. The firm currently employs twenty-eight (28) professionals, all of whom are trained in governmental auditing, and has annual gross revenues in excess of \$4 million dollars. The firm has three offices in California: Culver City, Beverly Hills, and Santa Maria.

The audit work will be completed by staff from our Culver City office, located at 5800 Hannum Avenue, Suite E, Culver City, California 90230.

The Culver City office is currently staffed by five (5) certified public accountants (three partners, two managers, and one senior accountant). In addition, the Culver City office employs additional managers, senior accountants, and staff accountants. All certified public accountants, managers, senior accountants, and staff accountants are part of the governmental and non-profit audit practice.

The firm uses checklists and questionnaires to determine that staff members are independent of the client being audited. We also have each staff member sign a personal independence declaration prior to commencing work on an audit client. The partner in charge of the audit reviews all independence work papers prior to staffing each audit.

The City will have one partner, one manager, and one supervising accountant assigned to the audits on a full-time basis. In addition, one accountant will be assigned to the audit on a full-time basis. These employees will not be changed except due to unforeseen circumstances.

Our firm has never provided any professional services for the City or any of its component unit.

Moss, Levy & Hartzheim, LLP is a properly licensed certified public accounting firm in the State of California. All certified public accountants engaged in the audit of the City are licensed to practice in the State of California and have received at least the minimum number of governmental continuing professional education hours required by the State Board of Accountancy and *Government Auditing Standards* to perform governmental audits.

Please see *Appendix A – License to Practice in California*.

5. State Controller's Report and Street Reports

We have prepared State Controller's Reports, Transit, and Street Reports for numerous Cities, Special Districts, and Redevelopment Agencies. We feel this experience allows us to assist our clients in their preparation of the State Controller's Reports or prepare the reports as a separate engagement for our clients.

6. Investment Compliance

In addition to financial statement audits, we also review our clients' compliance with their investment policies and examine investment types, including, but not limited to, an evaluation of maturity dates (short-term or long-term), types and category, and collateral to ensure proper disclosure of risk in the basic financial statements.

7. Bond Reporting

The firm has assisted several cities in reviewing franchise financial statements as part of reviewing franchise requests for rate increases. In addition, the firm has performed transient occupancy audits for ten municipalities and has performed various audits of operating lease charges (such as use of a sewage treatment plant based on percentage of use by our client and actual expense as recorded by the treatment plant operator).

8. TOT, Refuse and Other Audits

The firm has recently concluded auditing lease agreements between the County of Los Angeles and a lessee for a period of 15 years. The firm has assisted several cities in reviewing franchise financial statements as part of reviewing franchise requests for rate increases. In addition, the firm has performed transient occupancy audits for ten municipalities and has performed various audits of operating lease charges (such as use of a sewage treatment plant based on percentage of use by our client and actual expense as recorded by the treatment plant operator). STAFF QUALIFICATIONS AND EXPERIENCE

It is the firm's policy to have our partners and managers involved in the managing function of our governmental audits. Having both the partner and audit manager involved in the engagement allows the City to receive immediate response to questions about accounting and audit topics, concerns, and findings.

It is expected that Mr. Craig A. Hartzheim, CPA would be the technical (concurring) partner in charge of the audits of the City. He will be responsible for reviewing the City's basic financial statements and all other required statements and reports. He may also be responsible for addressing any City questions or concerns that arise during the year. He has assisted numerous municipal clients and has prepared award-winning ACFRs. Mr. Craig A. Hartzheim, CPA has 38 years of experience in the governmental auditing and accounting field and has been with the firm for 38 years.

Mr. Wilson Lam, CPA, CFE, CGFM will be the engagement partner assigned to the audit. As engagement partner, he will oversee the day-to-day operations of the audits, review all audit areas, and be on-site for a majority of the fieldwork. He has assisted many municipal clients and has also prepared numerous award-winning ACFRs. This enables the partner to become acquainted with the City's daily operations and key personnel.

Mr. Cody Hartzheim will be the Supervisor assigned to the audit. He will oversee the day-to-day operations of the audits and perform more difficult audit sections.

Mr. David Ortiz will be the computer specialist assigned to the audits, when needed. Mr. Ortiz has extensive knowledge in auditing EDP functions. Mr. Ortiz may also perform the statistical sampling procedures for the audit and also document and test the internal control structure of the computer systems.

In addition to the supervisory staff listed above, one or two staff accountants will be assigned to the audits. All staff accountants have degrees from accredited colleges or universities, have received in-house governmental audit training, and at present, have at least one year of governmental auditing experience. All staff accountants will be directly supervised by the supervisory accountant and manager assigned to the audits at all times. All partners, managers, and staff members have worked on numerous governmental engagements together, consistently working together will provide the City with a knowledgeable, proficient, and efficient audit team.

Mr. Ishrat Aziz-Khan
Finance Director
City of Colusa
425 Webster St.
Colusa, CA 95932

Dear Mr. Aziz-Khan,

We are pleased to respond to the Request for Proposal of the City of Colusa (City) for independent professional auditing services. We have prepared our proposal to address each of the specifications included in the City's Request for Proposal.

Moss, Levy & Hartzheim is an equal opportunity employer.

After sixty-seven (66) years in public accounting and forty-seven (46) years of performing local governmental and non-profit audits, it is extremely gratifying to witness the continued growth of Moss, Levy & Hartzheim, LLP. The firm is a regional full-service public accounting firm with offices in Beverly Hills, Culver City, and Santa Maria. We and the entire staff are pleased with not only the continuing development of the firm, but also the progress and economic health of our clients. We understand that governmental accounting is a specialized industry with its own accounting standards and requirements. This why we strive to constantly improve the quality of our professional services. Our degree of dedication, coupled with our ability to inform clients of any new accounting and auditing issues, is paramount to our success.

We feel that our size is such that we are large enough to provide a broad spectrum of services and experience backed by an in-house training program, professional development courses, and an extensive professional library, yet not so large as to become impersonal and rigid. Our informal style allows us to be flexible enough to complete our engagements in a timely manner that is the most convenient for each client. Also, this style allows us to be more accessible to our clients when our clients have questions or concerns.

At Moss, Levy & Hartzheim, LLP, our commitment to professionalism and timely completion of engagements sets us apart as the top choice for this audit engagement. Our experienced and knowledgeable staff, particularly in governmental audits, will bring a wealth of expertise to the table, ensuring a thorough and efficient audit. With our track record of delivering results and exceptional client service, you can trust that choosing our firm will be the right decision for your audit needs.

It is our understanding that we will perform an audit of the City's basic financial statements and its component unit (Housing Community Development), in accordance with auditing standards generally accepted in the United States of America as set forth by the American Institute of Certified Public Accountants, and Government Auditing Standards (GAS) with the objective to express an opinion of the fair presentation of the City's Government-Wide and Fund Financial Statements, which will be in full compliance with the Governmental Accounting Standards Board (GASB) Statements, and Governmental Auditing Standards (GAO).

We will express an “in-relation-to” opinion on the government-wide financial statements and the fund financial statements and supporting schedules based on the auditing procedures applied during the audit of the basic financial statements. We will also perform, if applicable, a single audit on the expenditures of federal grants in accordance with U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; and test compliance with the Single Audit Act as amended in 1996 and applicable laws and regulations, and provide an “in-relation-to” report on the schedule of federal financial assistance.

In addition to the procedures deemed necessary to express our opinion on the basic financial statements of the City, we understand that we will also be responsible for performing certain limited procedures involving the management’s discussion and analysis (MD&A) and the required supplementary information (RSI), as mandated by auditing standards generally accepted in the United States of America.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; *Government Auditing Standards*, issued by the Comptroller General of the United States, including all applicable auditing standards issued by the American Institute of Certified Public Accountants; the provisions of the Single Audit Act Amendments of 1996; if applicable; the U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; and all relevant Governmental Accounting Standards Board (GASB) Statements, and Governmental Auditing Standards (GAO).

It is our understanding that we will be responsible for issuing the following reports: an independent auditor’s report on the fair presentation of the City’s basic financial statements, in conformity with accounting principles generally accepted in the United States of America; an independent auditor’s report on internal control over financial reporting and on compliance and other matters based on an audit of the basic financial statements of the City performed in accordance with *Government Auditing Standards*; an independent auditor’s report on compliance with requirements that could have a direct and material effect on each major program and on internal control over compliance in accordance with the U.S. Office of Management and Budget (OMB) Title 2 U.S. Code Federal Regulation Part 200, *Uniform Administrative Requirements, Audits of State, Local Governments, and Nonprofit Organizations*; a single audit report which includes a schedule of expenditures of federal awards, footnotes, findings and questioned costs including significant deficiencies and material weaknesses, if applicable; an agreed-upon procedures report in compliance with Proposition 111 Article XIII.B of the California State Constitution and Government Code 7900 on its appropriations limit (GANN limit calculation); and a Management Letter, including Statements on Auditing Standards No. 114 and No. 115. Additionally, we may be requested to prepare and submit the Annual Financial Transactions Reports (Cities Financial Transaction Reports, Street, Public Financing Authority) for the City and Transit to the State Controller’s Office..

Our firm is open to performing additional work as long as it does not compromise our independence; this includes any agreed-upon procedures requested by the City’s staff.

All noncompliance and significant deficiencies found during the audit will be communicated in writing. In the required reports on compliance and internal controls, we shall communicate any significant deficiencies and noncompliance issues found during the audit. Significant deficiencies that are also material weaknesses will be identified as such in the report. Non-reportable conditions discovered will be reported in a separate letter to management, which will be referred to in the reports on internal controls. All irregularities and illegal acts or indications of illegal acts of which we become aware of during our audit will be immediately reported, in writing, to the City Manager, the Finance Director, City Attorney, and City Council.

We will ensure the City is correctly implementing all required Accounting Pronouncements in accordance with Government Accounting Standards. We are also available to the City to discuss any issues or provide assistance as needed.

Moss, Levy & Hartzheim, LLP will perform the audit work within the specified time, pending no unforeseen circumstances which the City imposes on our work.

The percentage of the audit work we expect to accomplish in each month is shown below:

<u>June</u>	<u>September</u>	<u>Nov/Dec</u>	<u>Total</u>
35%	50%	15%	100%

This proposal for auditing services is an irrevocable offer until June 1, 2023.

Thank you for your consideration and please do not hesitate to contact the authorized representatives listed below with any questions, problems, or concerns.

He has assisted many municipal clients and has also prepared numerous award-winning ACFRs. This enables the partner to become acquainted with the City's daily operations and key personnel.

Mr. Cody Hartzheim will be the Supervisor assigned to the audit. He will oversee the day-to-day operations of the audits and perform more difficult audit sections.

Mr. David Ortiz will be the computer specialist assigned to the audits, when needed. Mr. Ortiz has extensive knowledge in auditing EDP functions. Mr. Ortiz may also perform the statistical sampling procedures for the audit and also document and test the internal control structure of the computer systems.

In addition to the supervisory staff listed above, one or two staff accountants will be assigned to the audits. All staff accountants have degrees from accredited colleges or universities, have received in-house governmental audit training, and at present, have at least one year of governmental auditing experience. All staff accountants will be directly supervised by the supervisory accountant and manager assigned to the audits at all times. All partners, managers, and staff members have worked on numerous governmental engagements together, consistently working together will provide the City with a knowledgeable, proficient, and efficient audit team.

STAFF QUALIFICATIONS AND EXPERIENCE (CONTINUED)

Please see *Appendix D – Resumes* for each individual's qualifications and experience.

The firm conducts an annual firm-wide two-day training seminar to update all governmental auditors on new pronouncements and improved audit techniques. In addition to this firm sponsored seminar, each governmental auditor attends the annual governmental accounting conference and many other continuing education courses and is updated on current accounting/auditing issues through our journals and supplements, which we receive on a regular basis.

The firm will maintain staff continuity on the engagement throughout the term of the contract, barring any terminations, illnesses, or other unforeseen circumstances (departure from the firm, promotion, or assignment to another office). At the written request of the City, any Moss, Levy & Hartzheim, LLP employee assigned to the audits can be removed and replaced by another qualified employee. The City retains the right to approve or reject replacements.

AUDIT APPROACH

Overview of the MLH Audit Process

CITY OF COLUSA
AUDIT PROPOSAL

AUDIT APPROACH (CONTINUED)

During the first year of the engagement, we will utilize the prior year's financial statements, the current year's budget, and our knowledge of the City's systems to determine materiality for the different audit sections. Each year, we will select a sample of transactions to determine to what extent the systems are functioning as described to us. The extent of our sample size will depend upon our assessment of the internal control structure and the results of our assessment in accordance with *Government Auditing Standards*.

Please see *Appendix E – Segmentation and Budgeted Hours by Segment* for a schedule of the level of staff and number of hours to be assigned to each segment of the engagement.

The selection of transactions for testing will be made using a combination of random, systematic, and haphazard sampling techniques. We will identify the strength of the systems upon which we can rely in planning our substantive tests. Our internal control review will meet all of the following requirements of AICPA: Statement on Auditing Standards (SAS) No. 55, *Consideration of the Internal Control Structure in a Financial Statement Audit*, as amended by SAS No. 78; SAS No. 99, *Consideration of Fraud in a Financial Statement Audit*; SAS No. 106, *Audit Evidence*; SAS No. 107, *Audit Risk and Materiality in Conducting an Audit*; SAS No. 108, *Planning and Supervision*; SAS No. 109, *Understanding the Entity and Its Environment and Assessing the Risks of Material Misstatement*; and SAS No. 110, *Performing Audit Procedures in Response to Assessed Risks and Evaluating the Audit Evidence Obtained*. SAS. No. 120, *Misstatement Due to Fraud*.

It is estimated that the sampling size for transaction testing for compliance with systems as actually implemented would be as follows:

- I. Minimum of 40 - 60 disbursement items, including automatic and manual checks and bank debits
- II. Minimum of 25 – 40 payroll checks, including direct deposits for payroll testing, depending on the number of employees
- III. Minimum of 40 – 60 receipt items

We have extensive knowledge in auditing computer systems. We have assisted numerous clients with the implementation of accounting software and database business systems. This assistance has provided our firm with a thorough background in computer systems with respect to both the software applications aspect and also insight into auditing such systems. It is our policy to have a computer specialist as part of the audit team and to be used on an as-needed basis. This individual assists the audit team in documenting the computer system internal control structure and highlighting strengths and weaknesses relating to the computer structure of the City.

In addition, all of our staff is equipped with networked laptop computers. These computers are equipped with not only word processing and spreadsheet capabilities, but also various functional software, such as PPC Audit – e-Tools, Adobe Acrobat, random sampling software, Lacerte Tax Program, and Easy Accounting Software, which contain amortization programs and depreciation programs, and other applications as well.

We will perform expectation analytics and preliminary analytical review procedures using the prior fiscal year's audited statements and the current fiscal year's budget. In the preliminary stage, we will adopt ratio analysis procedures to compare the relationships between account balances and classes of transactions between prior periods and against budgets and industry statistics. This may include budgets, trial balances, and/or draft financial statements to help us identify the source of individual fluctuations. We will then adopt trend analysis to compare current data with prior periods, which is particularly useful for analyzing revenue and expenditures. Any unexpected trends or deviations will be discussed with relevant City staff to obtain explanations.

Obtain appropriate schedules	Ensure effective procedures	Testing of cash receipts, cash disbursements, and payroll transactions
Obtain Council minutes	Ensure knowledge of key government communication, Look for major agreements and key decisions	Analyze important events highlighted in Council meetings, test and inquire as necessary
Draft confirmations – third party letters for independent verification of cash, property taxes, attorney, etc. for client to sign and auditor to mail	Independent verification of selected balances	Client to prepare letters and auditor to send letters
Develop document request list for client to review and agree upon	To clarify client – auditor requests	Meet with client and agree upon document request list for audit
Preliminary trial balance	Ensure preliminary results make sense	Perform selected testing on balances such as receipts, disbursements, and payroll
Obtain updates on retirement plans	Discuss GASBS and any changes	Audit selected components of any new reports and changes for compliance
Request screen view access only for computer analysis	Minimize client interruptions and view transactions	Scan ledgers and accounts for accounting propriety
Consider site visitations on areas where there are significant cash, card, deposits and billing controls, internet site controls	Focus on controls where the risk assessment of material misstatement of cash, card and internet transactions could occur	Site visitations
Legal bills, key litigation	Look for commitments, contingencies, and disclosure	Discuss with client, prepare attorney letters for confirmation and response
Obtain long-term debt	Analyze for disclosure and compliance	Obtain and prepare long term debt schedules
Commitments and Contingencies	Ensure auditing standards are applied for proper accrual and disclosure	Send legal letters, talk with client, review disclosures

CITY OF COLUSA
AUDIT PROPOSAL

AUDIT APPROACH (CONTINUED)

As part of our audit procedures, we usually request a working trial balance in excel format (if possible) and access to view general ledger detail directly from the software system.

We will also review the following documents in order to determine compliance with applicable laws and regulations:

1. Minutes of the governing body with special attention to: indications of new revenue sources, including federal and state grants; expense authorizations and related appropriations, including any special or restrictive provisions; appropriation transfers; authorization for bank or other debt incurred; awards to successful bidders; authorization for new leases entered into; changes in licenses, fines, or fees; authorization for fund balance commitments or assignments; and authorization for significant new employees hired.
2. New agreements and amendments to agreements including, but not limited to grant agreements; debt and lease agreements; labor agreements; joint venture agreements; disposition and development agreements; and other miscellaneous agreements.
3. Administrative Code
4. Investment Policy

The main extent of our work would be what is required to enable us to express an opinion on the basic financial statements in accordance with:

1. *AICPA Industry Audit Guide for State and Local Governmental Units*
2. *AICPA Audit Standards*
3. *National Committee on Governmental Accounting, Auditing and Financial Reporting (Amended) Publication*
4. *Laws of the State of California*
5. *Government Auditing Standards*
6. *Requirements of Title 2 U.S Code of Federal Regulation Part 200, Uniform Administrative Requirements, Cost Principle and Audit Requirements for Federal Awards (Uniform Guidance).*
7. *GAO Standards for Audit of Governmental Organizations, Activities and Functions, the Guidelines for Financial and Compliance Audits of Federally Assisted Programs*
8. Our firm's own additional standards and procedures

The audit will be conducted in accordance with auditing standards generally accepted in the United States of America. The primary purpose of the audit is to express opinions on the basic financial statements, and such an audit is subject to the inherent risk that material errors or fraud may exist and not be detected by us. If conditions are discovered which lead to the belief that material errors, defalcations, or fraud may exist, or if any other circumstances are encountered that require extended services, we will promptly advise the City.

If convenient for the City's staff, the approximate target dates for the fiscal year 2023 audit would be as follows:

1. Entrance Conference with the City- No later than May 1st
2. Written audit plan and list of schedules for fieldwork – No later than May 15th
3. Entrance conference and interim fieldwork – Week of June 5th
4. Progress conference with the City – July 14th
5. Entrance conference and year-end fieldwork – Week of September 4th
6. Exit conference – No later than September 8th
7. Draft management letter, financial statements, and other audit reports – No later than December 1st
8. Final management letter, financial statements, and other audit reports – No later than December 15th
9. Single Audit Report – No later than January 31st
10. Presentation to the Board- Open

CITY OF COLUSA
AUDIT PROPOSAL

AUDIT APPROACH (CONTINUED)

On May 15th, we will contact the Finance Director to provide our detailed audit plan for the audit fieldwork. We will also discuss with the Finance Director any matters that may impact our audit procedures or your financial reporting. Before the year-end fieldwork, we will discuss with the City any assistance the City may need with the year-end closing.

Our audit would begin when it is convenient for the City's staff. We estimate that in the first week of June, we will perform interim work. Each year, the partner or manager of the firm will contact the Finance Director. The purpose of this contact will be to discuss the scope and timing of the annual audit, to review any accounting issues known at that time, and to address any of the City's personnel concerns about the impending audit.

We will schedule approximately one week of interim work for the first year. During the first year, we will prepare narrative flow charts and other documentation of the internal control structure and of the major systems, such as revenue and cash receipts, purchasing and cash disbursements, payroll and personnel, inventory, property and equipment, grant compliance, investment activities, and the budget process. We will gain this information through discussions with appropriate City staff and the review of available documented policies, organizational charts, manuals, programs, and procedures. Once we obtain this information, we will evaluate the systems of internal controls and revise our standard governmental audit programs. We will also meet with two members of the Finance Committee during our interim fieldwork, to discuss our audit procedures and to ascertain if there are any areas of concern of the Finance Committee members.

Our year-end fieldwork would begin on September 4th. The year-end audit work would begin with an analytical review of all significant balance sheet and revenues and expenditures/expense accounts for each fund, which includes substantive tests on all balance sheet accounts. **Analytical procedures will be used to supplement the substantive tests, not supplant them.** We will perform analytical procedures during interim and year-end fieldwork on all balance sheet and revenue and expense/expenditure accounts.

The primary objective of the year-end audit work is to audit the final numbers that will appear in the City's basic financial statements. Our fieldwork would also consist of procedures required under SAS No.99 *Consideration of Fraud in a Financial Statement Audit*, and SAS. No. 120, *Misstatement Due to Fraud*.

We will perform procedures such as:

- (a) Confirmations by positive and negative circularization including but not limited to all cash and investment accounts; selected receivable and revenue balances; all bonds, loans, notes payable, and capital leases; all notes receivable; all insurance carriers; all legal firms employed on the City's business; and other miscellaneous confirmations deemed necessary
- (b) Physical verifications and observations
- (c) Analysis and review of evidential material
- (d) Interviews and investigative efforts
- (e) Electronic data processing testing for computer and software reliability
- (f) Numerous other procedures

During the entire engagement, our audit team will be determining whether the audit is in compliance with *Uniform Guidance*, and if this is required through review of the City Council minutes, examination of the general ledger, and discussion with finance personnel. If a compliance audit is required, we would perform tests of: specific requirements; claims for advances and reimbursements; and amounts claimed or used for matching in compliance with the Single Audit Act. The compliance audit will be conducted in accordance with auditing standards generally accepted in the United States of America, the *GAO Standards for Audits of Governmental Organizations, Programs, Activities, and Functions*, and the *GAO Guidelines for Financial and Compliance Audits of Federally Assisted Programs*.

The year-end fieldwork should be completed no later than September 8th.

Our firm utilizes a comprehensive library of current American Institute of Certified Public Accountants (AICPA), Governmental Auditing Standards (GAS), Government Finance Officers Association (GFOA), and Governmental Accounting Standards Board (GASB) publications and pronouncements when preparing and reviewing the financial statements of our governmental clients. Additionally, the Governmental Accounting, Auditing and Financial Reporting (GAAFR), commonly referred to as the "Blue Book", issued by the GFOA is often employed as a supplementary tool in our audit process.

We will issue all of our final audit reports by December 15th. All our reports are prepared by in-house auditors (usually the partner or manager) who have worked on the City's engagement, so they are familiar with the City and the way in which it operates. Our draft reports go through four reviews, including one by a senior auditor for calculations and footing, one by the technical partner, one by another senior or staff auditor for calculations and footing, and a final review by the engagement partner.

AUDIT APPROACH (CONTINUED)

In order to assist our clients in improving their internal control and accounting procedures, we provide management letters as part of our audit engagements. These letters contain any observations or recommendations that we feel should be brought to management's attention. Our approach to the management letter is collaborative and constructive, with the aim of helping, not criticizing. Before issuing the final management letter, we present a draft to management for open discussion.

The work papers generated during this engagement are the property of Moss, Levy & Hartzheim, LLP and contain confidential information. In the case of a request from a Cognizant Agency, as authorized by law or regulation, we may make specific work papers available under the supervision of Moss, Levy & Hartzheim, LLP's staff. On demand, we can also provide photocopies of selected work papers to the Cognizant Agency. It is possible that the Cognizant Agency may choose to share the photocopies or information contained therein with other organizations, including other government agencies.

We do not anticipate any problems with the audit except for items listed in past management letters. In the event of a problem, the City Manager, Assistant City Manager, Finance Director, and City Attorney will be immediately notified in writing of any fraud, other illegal acts, or indications of illegal acts found during the course of our audit work. All other discrepancies or weaknesses in the internal control system that we become aware of will be communicated to management through discussion, the management recommendation letter, and/or if it is a significant deficiency, as part of the single audit report, if necessary.

Our firm will comply with all terms and conditions set in the City's RFP.

Report on the Firm's System of Quality Control

To Moss, Levy & Hartzheim, LLP
and the Peer Review Committee of the California Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Moss, Levy & Hartzheim, LLP (the firm) in effect for the year ended December 31, 2020. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Deficiency Identified in the Firm's System of Quality Control

We noted the following deficiency during our review:

1. The firm's quality control policies and procedures addressing engagement performance requires a review of all engagements prior to issuance. Although this review took place, the Firm should consider a more thorough review of the files prior to completion and lockdown. This contributed to audit engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, not conforming to professional standards in all material respects in the areas of audit planning, risk assessment, and documentation of testing specific to major program compliance. A similar finding was noted on the Firm's previous peer review.

Opinion

In our opinion, except for the deficiency previously described the system of quality control for the accounting and auditing practice of Moss, Levy & Hartzheim, LLP in effect for the year ended December 31, 2020, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency (ies)*, or *fail*. Moss, Levy & Hartzheim, LLP has received a peer review rating of *pass with deficiency*.
