## ORDINANCE 566

### AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COLUSA, CALIFORNIA, AMENDING COLUSA MUNICIPAL CODE SECTION 2-2 REGARDING CITY COUNCIL COMPENSATION

**WHEREAS**, Government Code Section 36516(a)(2) permits the City Council to establish by ordinance compensation to be paid to each councilmember up to a ceiling based on the city’s population;

**WHEREAS**, in June 2023, Governor Gavin Newsom signed into law Senate Bill 329 (“SB 329”), which amends California Government Code Section 36516 to update city council compensation schedules to account for inflation. The previous compensation schedules, which are based on population, had not been adjusted since 1984;

**WHEREAS**, the legislative intent of SB 329 is to help city councils become more diverse because increased compensation can help individuals from across different income levels receive sufficient income from their service to help ensure that they can continue to serve the public and support their families;

**WHEREAS**, California Government Code Section 36516 provides a method by which salaries for members of a city council are established based on city population;

**WHEREAS**, according to the United States Census Bureau, the estimated population of the City of Colusa as of July 1, 2022, is 6,368;

**WHEREAS**, under SB 329, city council salaries in cities with populations between up to and including 35,000 can be up to and including \$950 per month;

**WHEREAS**, the City Council of the City of Colusa makes the following findings in support of raising City Council salaries to \$950, as allowed by SB 329:

- i. Higher pay can help remove financial barriers that may prevent individuals from running for office. This can make council positions more accessible to a wider range of people, including those from lower-income backgrounds, promoting greater socioeconomic diversity among elected representatives.
- ii. Increasing compensation recognizes and compensates city councilmembers for their substantial workload. Serving on the city council requires significant time and effort. Councilmembers are responsible for attending meetings, conducting research, engaging with constituents, and making important decisions that directly impact the community.

**WHEREAS**, California Government Code Section 36516.5 provides that a change in salary for each city council member does not take effect until one or more members of the city council begins a new term of office; and

**WHEREAS**, the new salary for each City Council member would go into effect beginning on the date on which a City Council member is sworn into office after the general municipal election held in November 2024.

**THE CITY COUNCIL OF THE CITY OF COLUSA DOES ORDAIN AS FOLLOWS:**  
The provisions of Section 2-2, Article II of the City of Colusa Municipal Code are amended, as follows:

**SECTION 1. Amendment.** Section 2-2 of the Colusa Code is hereby repealed and replaced to read as set forth below:

**Sec. 2-2. Same—Salaries of members.**

- (a) Each member of the city council shall receive, as salary, the sum of nine hundred and fifty dollars per month, as prescribed in section 36516 of the Government Code of the state for cities up to and including thirty-five thousand in population, which shall be payable at the same time and in the same manner as the salaries are paid to other officers and employees of the city.
- (b) The salaries prescribed in this section are and shall be exclusive of any amounts payable to each member of the city council as reimbursement for actual and necessary expenses incurred by him or her in the performance of official duties of the city.

**SECTION 2. Severability.** If any section, subdivision, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

**SECTION 3. Effective Date and Notice.** This ordinance shall take effect thirty (30) days after its adoption, provided it is published in full or in summary within fifteen (15) days of its adoption, in a newspaper of general circulation published and circulated in the City of Colusa.

**PASSED AND ADOPTED** by the City Council of the City of Colusa this \_\_\_\_ day of \_\_\_\_\_ 2024 by the following vote:

- AYES:
- NOES:
- ABSENT:
- ABSTAIN:

\_\_\_\_\_  
DANIEL VACA, MAYOR

An animal control officer may go upon private property as necessary to enforce the provisions of this Chapter, including inspection of facilities provided for any animals, counting the number of animals kept, or collecting and impounding animals, with the voluntary consent of the owner or occupant of the premises, where there is no reasonable expectation of privacy, or pursuant to an inspection warrant in accordance with Sections 1822.50 to 1822.58 of the California Code of Civil Procedure. An inspection warrant shall be issued by a judge upon cause, unless some other provision of state or federal law makes another standard applicable, and shall be supported by an affidavit that particularly describes the premises to be inspected, the purpose of the inspection, and a statement that consent was sought and refused or facts reasonably justifying a failure to seek

consent. Unless specifically authorized by the judge issuing the inspection warrant, an inspection may not be made between 6:00 p.m. of any day and 8:00 a.m. of the succeeding day, nor in the absence of an owner or occupant of the premises, or by forcible entry.

An animal control officer is hereby authorized to initiate criminal actions for violations within the City of this Chapter by field citation. Pursuant to Section 836.5 of the California Penal Code, the animal control officer acting within the scope of his/her authority may arrest a person without a warrant when the animal control officer has reasonable cause to believe that the person to be arrested has committed a violation of this Chapter in the presence of the animal control officer. If a person arrested pursuant to this Section does not demand to be taken before a magistrate, the animal control officer shall prepare a written notice to appear and release the person on his/her promise to appear in accordance with Section 853.5 of the California Penal Code.

Subject to state and federal laws and the limitations within this Chapter, including but not limited to Article VII of this Chapter, an animal control officer may seize, impound and dispose of, or cause the seizure, impoundment, and disposal of, any animal.

#### Sec. 4-3. Interference with Enforcement.

No person shall interfere with, oppose or resist an animal control officer in the performance of any act authorized by this Chapter, including the seizure and impoundment of any animal.

#### Sec. 4-4. Consistency with Zoning Ordinance.

In the event of any inconsistency between the provisions of this Chapter and the City of Colusa Zoning Ordinance, as amended from time to time, the provisions of the Zoning Ordinance shall prevail.

#### Sec. 4-5. Penalty.

Whenever any act is prohibited by this Chapter, or is made or declared to be unlawful, or the doing of any act is required or the failure to do any act is declared to be unlawful, the first violation shall be treated as an infraction and punishable by a fine not exceeding one hundred dollars (\$100). Subsequent violations within one year may be treated as a misdemeanor and punishable by a fine not exceeding five hundred dollars (\$500) or imprisonment for a term not exceeding six months, or by both such fine and imprisonment for a term not exceeding six months; provided, nevertheless, that any such violation or offense may be deemed an infraction and charged as such in the discretion and at the election of the officer, in which event the punishment therefor shall not be imprisonment but a fine not to exceed the amounts specified by Government Code Section 36900 as then in effect. Every day any violation of any provision of this Chapter continues constitutes a separate offense.

The hearing shall be held before an animal control officer, who may grant or deny the request, or impose any conditions on the granting of the request that he/she deems reasonably necessary to protect the health, safety, comfort or convenience of the community.
