UPDATE ON CONFIRE ACTIVITIES – CONFIRE Director to give an update on the various activities within CONFIRE.

9. Association of Public-Safety Communications Officials
On May 5th, 2021, Dispatcher Kiana White received a 9-1-1 call for a 1-year-old female choking in San Bernardino. One minute later the baby was reported no longer breathing. Kiana gave pre-arrival CPR instructions until the crew could arrive on scene. ME 229 was able to continue treating the child and later reported the baby girl was breathing on her own, expected to make a full recovery. The California Public-Safety Radio Association (CPRA) and its parent organization Association of Public-Safety Communications Officials (APCO) solicits nominations from over 250 local Police, Fire and EMS agencies for exception performance. We are proud to announce that Kiana White has been selected as this year's winner in the Outstanding Performance by an Individual Fire Category.

OLD BUSINESS

10. Valley Communications Center – **ACTION ITEM**

On June 22, 2021, the San Bernardino County Board of Supervisors awarded a contract to Griffin Structures Inc. for preconstruction and construction management for the Valley Communications Center (VCC) project. The site location selection process has been completed and costs associated with construction have been allocated by the Board. Preconstruction meetings have begun to determine space needs as well as common space required for all stakeholders.

CTA Consultants performed an analysis of several alternatives with associated costs. Every effort was made to ensure accurate comparisons of all options. The two most cost-effective options involve moving Rialto operations to the VCC. Based on current rates adopting Option 1, with the buy down option, from the CTA report would result in a net increase of \$142,227 annually for all lease agreements, while maintaining operations in Hesperia also. San Bernardino County has committed to executing a

long-term lease agreement, locking in rates, and reducing the annual increase to 2% each year.

ACTION: *The CONFIRE Board of Directors accepts the Administrative Committee's recommendation to adopt the CTA Consultant's Alternatives Analysis Report and approves CONFIRE to enter into a long-term lease agreement for the Valley Communications Center, utilizing Option 1 with the buy down.*
