#### 11. Priority/CONFIRE Sub-Contractor Agreement Addendum - ACTION ITEM

<u>ACTION REQUEST</u>: It is recommended that the CONFIRE Board of Directors authorize the Interim Director to sign and execute the amended agreement between Priority Ambulance and CONFIRE authorizing Priority Ambulance to provide sub-contracting services for the Advanced Life Support and Basic Life Support Ground Ambulance Services, Interfacility and Critical Care Transport Services for Exclusive Operating Areas in San Bernardino County contract.

The Board of Directors (BOD) previously approved an agreement between Priority Ambulance and CONFIRE to authorize Priority to provide sub-contracting services for the County of San Bernardino Ground Ambulance contract, on February 22, 2022.

In order for CONFIRE to be a responsive proposer to the County Ground Ambulance contract, it was important to secure a sub-contractor agreement with Priority Ambulance prior to submitting our proposal. That agreement covered the general terms related to the types of services that would be provided by Priority Ambulance and did not include the associated cost because the terms of the County contract were not solidified at that time.

As a result of our submission, the County of San Bernardino has awarded CONFIRE the Ground Ambulance Services Agreement, which spells out the terms and conditions that will need to be met by CONFIRE and Priority Ambulance, as our sub-contractor.

As a result of the award, Priority and CONFIRE had to amend the previously approved agreement to include the updated requirements and cost associated with the final Advanced Life Support and Basic Life Support Ground Ambulance Services, Interfacility and Critical Care Transport Services for Exclusive Operating Areas in San Bernardino County, contract.

ACTION: The CONFIRE Board of Directors authorizes the Interim Director to sign and execute the amended agreement between Priority Ambulance and CONFIRE authorizing Priority Ambulance to provide sub-contracting services for the Advanced Life Support and Basic Life Support Ground Ambulance Services, Interfacility and Critical Care Transport Services for Exclusive Operating Areas in San Bernardino County contract.

#### 12. Loan from the City of Ontario – **ACTION ITEM**

<u>ACTION REQUEST</u>: The CONFIRE Administrative Committee recommends the CONFIRE Board of Directors authorize the Chairperson to sign and execute a loan from the City of Ontario in the amount of \$20,000,000.

The loan will be used by the EMS Division to fund the startup cost related to hiring support staff and the respective personnel salaries, as well as the cost associated with the first 90-days of operations for the County of San Bernardino Ground Ambulance contract.

CONFIRE staff were directed by the CONFIRE Administrative Committee to research the different types of loans and payment structures that may be available. After an exhaustive search utilizing the California Special Districts Association and Oppenheimer and Co. Inc. services and expertise, it is recommended that CONFIRE accept the loan from the City of Ontario due to the rate structure, interest rate, payment structure, and loan terms.

**ACTION:** The CONFIRE Board of Directors authorizes the Chairperson to sign and execute a loan from the City of Ontario in the amount of \$20,000,000.

#### 15. Governance Sub-Committee – **ACTION ITEM**

<u>ACTION REQUEST:</u> It is recommended that the CONFIRE Board of Directors appoint an ad hoc sub-committee, that includes members of the Board of Directors and the CONFIRE Administrative Committee, to discuss and explore options related to the possibility of restructuring the governance of CONFIRE.

It is recommended that the sub-committee appoint a chairperson and be referred to as the CONFIRE Governance Sub-Committee.

CONFIRE is comprised of many local government agencies that have distinctive differences in size, location, complexities, and services that create unique challenges and also offer novel solutions.

Over the past thirty years, CONFIRE has grown immensely and has expanded its scope of services. These significant changes have highlighted the need to ensure that CONFIRE's governance model remains relevant, updated and follows best practices that are in line with industry standards.

As CONFIRE continues to expand its scope, reach, and services provided, it is imperative that the governance model is equipped to handle the current and future load. This can only be achieved through exploration and research that would likely entail in-depth analysis.

There is no fiscal impact.

#### **CONFIRE Emergency Call Processing Times.**

#### January 2024

The following analysis covers four key elements of call processing times by CONFIRE Communications Center (CCC):

- 1. The time interval between the alert of an incoming 911 call from a primary PSAP and when the call is answered by a CCC dispatcher.
- 2. The time interval between when an emergency 911 call is answered by a CCC dispatcher to the time where it is entered into queue.
- 3. The time interval between when an emergency 911 call is entered into queue to the time when the first responding unit is alerted and assigned to call.
- 4. The total time interval between when and emergency 911 call is answered by a CCC dispatcher to the time when the first responding unit is alerted and assigned to the call.

Figure 1: Visual display of elements captured in the analysis of call processing times at CONFIRE communications center.

#### Call Answering Time from Primary PSAP

CONFIRE receives 911 calls from multiple law enforcement agencies' primary Public Safety Answering Points (PSAPs). As a secondary PSAP, CONFIRE has set a goal of answering incoming 911 calls from primary PSAPs in 10 seconds or less on 90% of the calls. Because the incoming 911 calls are not recorded in CONFIRE's CAD until after the call pickup time, the interval from first ring to call pickup must be measured from another source. CONFIRE uses a reporting software called Emergency Call Tracking System (ECaTS) to capture this data and uses it to measure performance benchmarks and quality control. This data was used to illustrate the call volumes and 911 answering times shown in Figure 2.

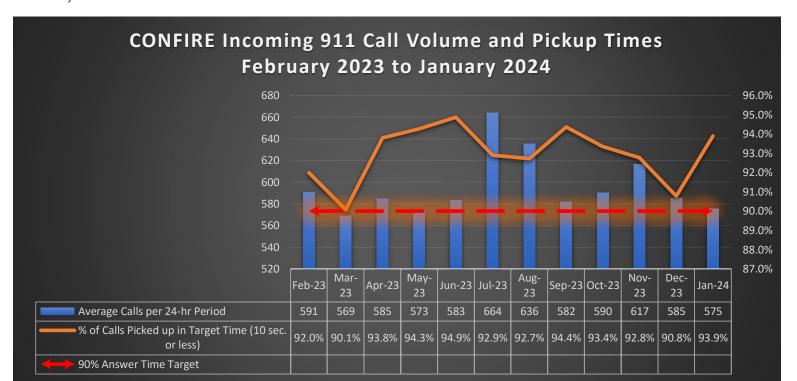

Figure 2: CONFIRE PSAP 911 Call Pickup Times for Primary PSAP Transfers per ECaTS Reporting System.

#### **Emergency Call Processing**

Once the call is answered by CCC dispatchers, all call activity is captured in CONFIRE's CAD server. The following tables illustrate multiple elements of the call processing continuum in terms of call volume and call processing times for various call types. For the purposes of this analysis, only calls that meet the definition of "emergency" per NFPA 1221and CONFIRE Administrative Chiefs' directive are included in the calculations. Because of the nuances of both Fire and EMS related call types, the following sections analyze the call processing elements separately.

#### **EMS Call Processing**

EMS Calls include all CAD problem codes that reference a medical emergency, trauma, or traffic collisions.

Figure 3: EMS Call Pickup to First Unit Assigned. Includes all Emergency Call Types, and Calls With and Without Determinant Codes.

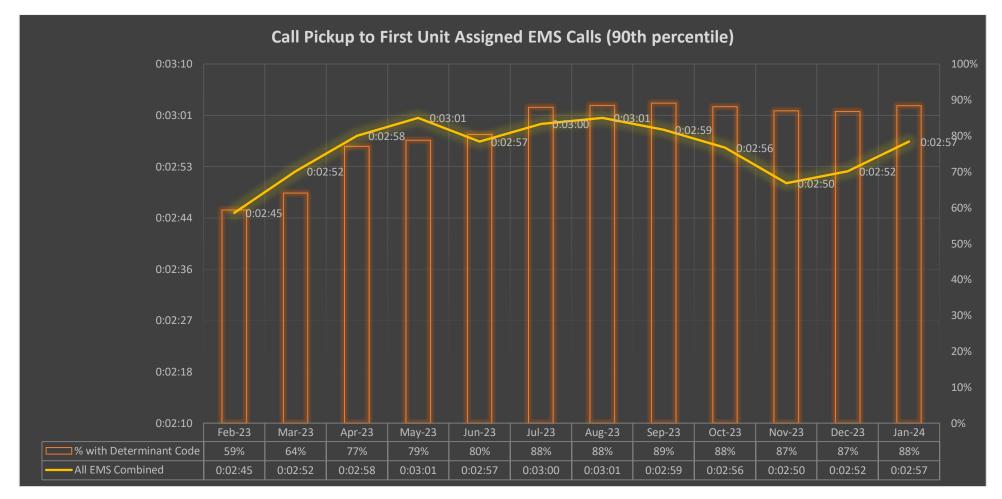

Figure 4: EMS Call Pickup to Queue. Includes all Emergency Call Types, and Calls with and Without Determinant Codes.

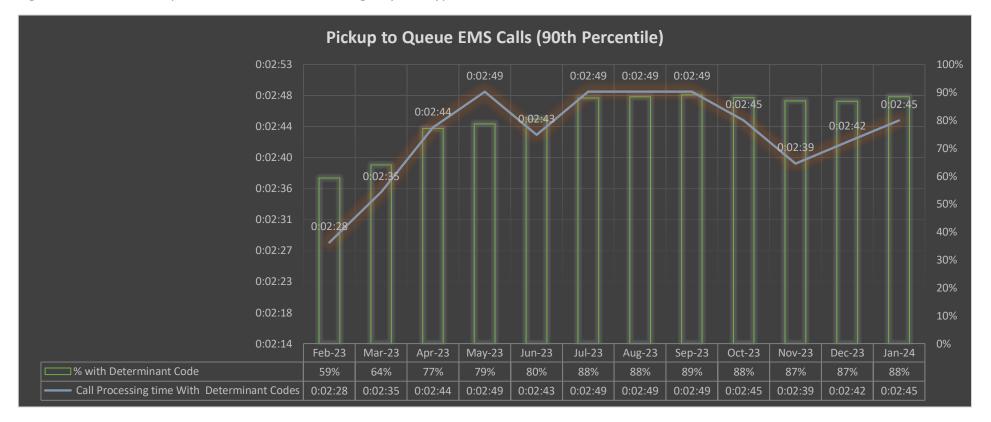

Figure 5: EMS Queue to First Unit Assigned. Includes all Emergency Call Types, and Calls with and Without Determinant Codes.

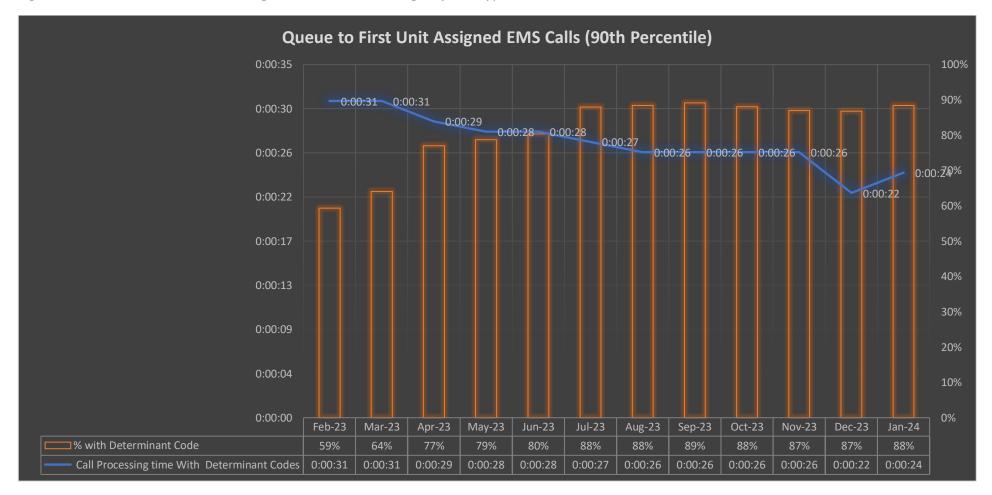

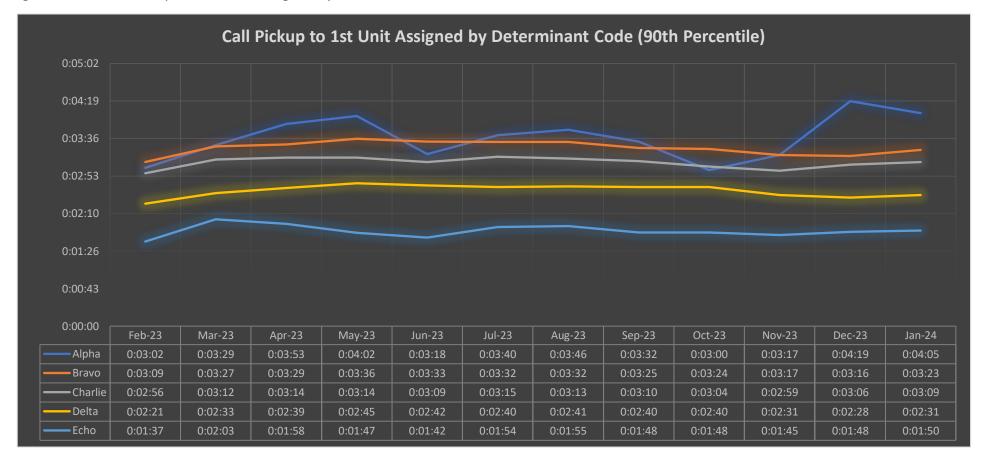

Figure 6: EMS Call Pickup to First Unit Assigned by EMD Determinant Code.

#### Fire/Rescue Related Calls

Fire/Rescue related calls include all CAD problem codes that reference specific fire types as well as technical rescue and Haz-mat calls. The count of both emergency and non-emergency (per NFPA recommendations) fire related calls are included. However, the call processing times only include emergency call types.

To the Board of Directors Consolidated Fire Agencies Rialto, California

We have audited the financial statements of the Consolidated Fire Agencies (the Agency) as of and for the year ended June 30, 2023, and have issued our report thereon dated February 6, 2024. Professional standards require that we advise you of the following matters relating to our audit.

#### Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated April 14, 2023, our responsibility, as described by professional standards, is to form and express opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Agency solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

#### Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

#### Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

#### **Significant Risks**

We have identified the possibility of the following significant risks:

Management's override of internal controls over financial reporting – Management override of internal controls is the intervention by management in handling financial information and making decisions contrary to internal control policy.

Revenue recognition – Revenue recognition is a generally accepted accounting principle that refers to the conditions under which an entity can recognize a transaction as revenue. Auditing standards indicate that recognizing revenue is a presumed fraud risk and usually classified as a significant risk in most audits.

These significant risks are presumptive in most audits and merit attention by the auditors due to the direct impact over financial reporting and internal control processes. Although identified as significant risks, we noted no matters of management override of controls or deviations from generally accepted accounting principles which caused us to modify our audit procedures or any related matters which are required to be communicated to those charged with governance due to these identified risks.

#### **Qualitative Aspects of the Agency's Significant Accounting Practices**

#### Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Agency is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are:

Management's estimate of capital asset depreciation is based on historical estimates of each capitalized item's useful life. We evaluated the key factors and assumptions used to develop the estimated useful lives and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Management's estimate of the net pension liability and related deferred outflows and deferred inflows of resources is based on actuarial reports provided by independent actuaries. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

#### Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Agency's financial statements relate to:

The disclosure of fair value of investments in the financial statements represents amounts susceptible to market fluctuations.

The disclosure of accumulated depreciation in the financial statements is based on estimated useful lives which could differ from actual useful lives of each capitalized item.

The disclosure of net pension liability and related deferred outflows and deferred inflows of resources in the financial statements is based on actuarial assumptions. Actual future liabilities may vary from disclosed estimates.

#### Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

#### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has accepted all identified misstatements. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

Item 11.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. These material misstatements were brought to the attention of, and accepted by, management.

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Agency's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

#### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated February 6, 2024.

#### **Management's Consultations with Other Accountants**

Rogers, Anderson, Malody e Scott, LLP.

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

#### Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Agency, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the Agency, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Agency's auditors.

This report is intended solely for the information and use of the Board of Directors, and management of the Agency and is not intended to be and should not be used by anyone other than these specified parties.

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities, and each major fund, of Consolidated Fire Agencies (the Agency), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, and each major fund, of the Agency as of June 30, 2023, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

The Agency's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Agency's internal control. Accordingly,
  no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information and schedules as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

#### Other Reporting Required by Government Auditing Standards

Kogers, Anderson, Malody e Scott, LLP.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 6, 2024, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### A. General

The Consolidated Fire Agencies (CONFIRE) (the Agency) was established pursuant to a Joint Powers Agreement dated August 20, 1990. The Agency is a cooperative association voluntarily established by its members pursuant to the Joint Exercise of Powers Act of Title 1, Division 7, Chapter 5 of the Government Code of the State of California. Its purpose is to provide hardware, software, services, and other items necessary and appropriate for the establishment, operation, and maintenance of a joint centralized public safety communications system and a cooperative program of fire-related functions for the mutual benefit of the members of the Agency; to provide such services on a contract basis to other governmental units; and to provide a forum for discussion, study, development, and implementation of recommendations of mutual interest regarding public safety communications and related matters within member agencies.

The Agency has a Board of Directors, which consists of a representative of the governing body of each member city and district.

The activities of the Agency are financed by a cost-sharing formula, which requires a prorating among the participating members and contracted agencies based on the demand percentage on the system by the members to be determined by the Administrative Committee and approved by the Board of Directors.

#### **B.** Financial Statement Presentation

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). The GASB determined that fund accounting is essential in helping governments to achieve fiscal accountability and that government-wide financial statements are needed to allow users of financial reports to assess a government's operational accountability.

#### **Government-Wide Financial Statements**

The statement of net position and the statement of activities are the government-wide financial statements and report information on the governmental activities of the Agency.

The balance sheet and statement of revenues, expenditures and changes in fund balance report information on the governmental funds of the Agency.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to the Agency's members who purchase, use, or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Major individual governmental funds are reported as separate columns in the fund financial statements.

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

#### **Government-Wide Financial Statements (continued)**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Accordingly, all of the Agency's assets and liabilities, including capital assets and long-term debt, are included in the accompanying statement of net position. The statement of activities presents changes in net position. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash receipts and disbursements.

#### **Governmental Fund Financial Statements**

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the balance sheet. Revenues are recognized when they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when a liability is incurred.

The Agency reports the following major governmental funds:

- The General Fund, which is the Agency's primary operating fund. It accounts for all financial resources of the general government.
- The CAD-to-CAD Special Revenue Fund accounts for the financial resources and uses related to the implementation of the regional computer aided dispatch CAD-to-CAD system.

#### **Proprietary Fund Financial Statements**

Proprietary fund financial statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position, and a Statement of Cash Flows for the proprietary fund.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position presents increases (revenues) and decreases (expenses) in total Net Position.

Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

## C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (continued)

#### **Proprietary Fund Financial Statements (continued)**

Operating revenues in the proprietary funds are those revenues that are generated from the primary operations of the fund. All other revenues are reported as non-operating revenues. Operating expenses are those expenses that are essential to the primary operations of the fund. All other expenses are reported as non-operating expenses.

The Agency reports the following major proprietary funds:

• The Emergency Medical Services Fund, accounts for all expenses related to the County of San Bernardino Ground Ambulance Contract.

#### D. Budgetary Practice

The Agency's Administrative Committee meetings are currently scheduled for the 4<sup>th</sup> Tuesday of every month. The Agency's tentative budget for the following fiscal year shall be submitted by the Communications Director to the Administrative Committee by the Administrative Committee meeting in March. The Administrative Committee shall adopt a tentative budget on or before the Administrative Committee meeting in April and forward the same to the Board of Directors for review. The Board of Directors shall adopt the annual budget for the Agency by mid-May of each year.

#### E. Capital Assets

Capital assets are reported in the government-wide statement of net position but are not reported in the fund financial statements.

Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed and updated for additions and retirements during the year. The Agency has a capitalization threshold of \$5,000. Donated capital assets are recorded at acquisition value. Improvements that add to the value of the asset or materially extend the asset's life are capitalized. The costs of normal maintenance and repairs are expensed.

The cost of capital assets is depreciated over the estimated useful lives of the related assets using the straight-line method. The useful lives of capital assets for purposes of computing depreciation are as follows:

Buildings and leasehold improvements 25 years
Vehicles 5 years
Computer equipment and software 4 years
Radio consoles 10 years

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### F. Investments

Generally accepted accounting principles requires governmental entities to report certain investments at fair value in the balance sheet and recognize the corresponding change in the fair value of investments in the year in which the change occurred. Investments are included within the financial statement classifications of "cash and investments" and are stated at fair value.

#### G. Fund Balance/Net Position

#### **Government-Wide Financial Statements**

<u>Net Investment in Capital Assets</u> - This amount consists of capital assets net of accumulated depreciation and reduced by outstanding debt that attributed to the acquisition, construction, or improvement of the assets.

<u>Restricted Net Position</u> - This amount is restricted by external creditors, grantors, contributors, or laws or regulations of other governments.

<u>Unrestricted Net Position</u> - This amount is all other Net Position that does not meet the definition of "net investment in capital assets" or "restricted net position."

#### **Fund Financial Statements**

Generally accepted accounting principles establishes criteria for classification of fund balances into specifically-defined classifications and clarifies definitions for other governmental fund types. The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. Amounts that are restricted for specific purposes by external resource providers or by law through constitutional or enabling legislation are reported as restricted fund balance. Amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority are reported as committed fund balance. The assigned fund balance consists of amounts that the government intends to use for specific purposes, but are neither restricted nor committed. The unassigned fund balance is the residual classification for the General Fund.

The Agency's Board of Directors is the body authorized to establish commitments through a formal action.

Amounts the Board of Directors intends to use for a specific purpose are considered assigned.

For the classification of fund balances, the Agency considers restricted amounts to have been spent before unrestricted if the expenditure meets the criteria for use of restricted funds. Unrestricted funds are used in the following order: committed, assigned, and unassigned funds.

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### H. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position and governmental funds balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net assets that applies to future periods and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Agency has one item that qualifies for reporting in this category. It is the deferred pension related items, which is reported in the government-wide statement of net position.

In addition to liabilities, the statement of net position and governmental funds balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has two types of items, which arise only under a modified accrual basis of accounting that qualify for reporting in this category. Unavailable revenue is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from the grant reimbursements. These amounts are recognized as an inflow of resources in the period that the amounts become available. The other item is the deferred pension related items, which is reported in the governmentwide statement of net position.

#### I. Program Revenues

Program revenues consist of three categories: (1) charges for services, (2) operating grants and contributions, and (3) capital grants and contributions.

Charges for services include revenues from customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function. Operating grants and contributions include revenues restricted to meeting the requirements of a particular operating function and may include state-shared revenues and grants. Capital grants and contributions include revenues restricted to meeting the requirements of a particular capital function and may include grants or other contributions. Other items not classified as program revenues are reported as general revenues.

#### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### J. Deferred Compensation Plan

The Agency offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The Plan, available to all Agency employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency.

Management believes that the Agency has no fiduciary role under the revised Plan, and Plan funds are not available to the Agency's general creditors. Accordingly, the Agency has not reported Plan assets in the accompanying financial statements.

#### K. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### L. Pension Plan

For purposes of measuring the net pension liability, deferred outflows and inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the San Bernardino County Employees' Retirement Association (SBCERA) and additions to/deductions from SBCERA's fiduciary net position have been determined on the same basis as they are reported by SBCERA. For this purpose, employer and employee contributions are recognized in the period the related salaries are earned and become measurable pursuant to formal commitments, statutory or contractual requirements, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms, and investments are reported at fair value.

SBCERA's audited financial statements are publicly available reports that can be obtained at SBCERA's website at www.sbcera.org.

Generally accepted accounting principles requires that the reported results must pertain to liability and asset information within certain defined timeframes. For this report, the following timeframes are used.

Valuation Date (VD) June 30, 2022 Measurement Date (MD) June 30, 2022

Measurement Period (MP) July 1, 2021 to June 30, 2022

#### **NOTE 2 – CASH AND INVESTMENTS**

In accordance with the Agency's bylaws, the treasurer has the ability to deposit funds in banks, trust companies, or other depositories with the consent of the Board of Directors. Currently, all cash held by the Agency is on deposit with the San Bernardino County Treasury Pool.

The County of San Bernardino Treasurer pools its funds with other governmental agencies in the County and invests them as prescribed by the California Government Code and the County of San Bernardino's Investment Policy. The Agency's deposits in the County pool may be accessed at any time. The Agency is allocated interest income on monies deposited with the County based on its proportional share of the pooled investments. All investments are carried at fair value. Cash and investments as of June 30, 2023 consisted of the following:

	Credit Quality	
	Ratings	 Amount
Cash and investments Imprest cash	* Not rated	\$ 15,947,741 250
Total cash and investments		\$ 15,947,991

<sup>\*</sup> All investments within the pool have a Standard & Poor's Rating of A-1 or higher.

Investments were stated at fair value, resulting in the following investment income:

	 Amount
Changes in fair value of investments Interest income	\$ (107,850) 348,010
Total investment income	\$ 240,160

In accordance with generally accepted accounting principles, the portfolio for year-end reporting purposes is treated as if it were sold. Therefore, the fund balance must reflect the portfolio's change in fair value. The Agency relied on information provided by the San Bernardino County Treasurer in estimating the fair value of the Agency's cash and investments at June 30, 2023. The fair value of the Agency's cash and investments totaled \$15,947,741 of which the Agency had a contractual withdrawal value of \$15,839,891 as of June 30, 2023. These portfolio balance changes are unrealized unless sold.

#### NOTE 2 - CASH AND INVESTMENTS (continued)

The San Bernardino County Treasurer's Investment Pool is a governmental investment pool managed and directed by the elected San Bernardino County Treasurer. The County Pool is not registered with the Securities and Exchange Commission. An oversight committee comprised of local government officials and various participants provide oversight to the management of the fund. The daily operations and responsibilities of the pool fall under the auspices of the County Treasurer's office. The Agency is a voluntary participant in the investment pool.

The Agency is authorized under the California Government Code to make direct investments: however, the Agency has not adopted an investment policy and thus does not maintain policies for exposure to interest rate risk, credit risk, and concentration of credit risk. Investment policies and related credit, custodial credit, concentration of credit, interest rate, and foreign currency risks applicable to the Agency are those of the County and are disclosed in the County's basic financial statements. The Agency categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The County Pool values participant shares on an amortized cost basis during the year and adjusts to fair value at year-end. The Agency's money market funds are valued at amortized cost. The Agency has no investments subject to the fair value hierarchy established by generally accepted accounting principles.

#### **NOTE 5 – DEFINED BENEFIT PENSION PLAN**

#### A. General Information about the Pension Plan

#### Plan Description

The Agency participates in the San Bernardino County Employees' Retirement Association (SBCERA) pension plan – a cost-sharing multiple employer defined benefit retirement plan (the Plan). SBCERA administers the Plan which provides benefits for two membership classifications, General and Safety, and those benefits are tiered based upon date of SBCERA membership. Safety membership is extended to those involved in active law enforcement and fire suppression. All other members are classified as General members. Generally, those who become members prior to January 1, 2013 are Tier 1 members. All other members are Tier 2. An employee who is appointed to a regular position, whose service is greater than fifty percent of the full standard of hours required are members of SBCERA and are provided with pension benefits pursuant to Plan requirements.

The Plan operates under the provisions of the California County Employees' Retirement Law of 1937 (CERL) and the California Public Employees' Pension Reform Act of 2013 (PEPRA), and the regulations, procedures and policies adopted by SBCERA's Board of Retirement (Board). The Plan's authority to establish and amend the benefit terms are set by the CERL and PEPRA and may be amended by the California state legislature and in some cases require approval by the County of San Bernardino Board of Supervisors and/or the SBCERA Board. SBCERA is a tax qualified plan under Section 401(a) of the Internal Revenue Code.

SBCERA is a legally separate entity from the Agency, not a component unit, and there is no financial interdependency with the County of San Bernardino. For these reasons, the Agency's financial statements exclude the SBCERA pension plan as of June 30, 2023. SBCERA publishes its own annual comprehensive financial report that includes its financial statements and required supplementary information, that can be obtained by writing SBCERA at, 348 W. Hospitality Lane, Third Floor, San Bernardino, CA 92415-0014 or visiting the website at: www.sbcera.org.

#### Benefits Provided

SBCERA provides retirement, disability, death and survivor benefits. The CERL and PEPRA establish benefit terms. Retirement benefits are calculated on the basis of age, average final compensation and service credit as follows:

#### **NOTE 5 – DEFINED BENEFIT PENSION PLAN (continued)**

#### A. General Information about the Pension Plan (continued)

	General - Tier 1	General - Tier 2
Final average compensation	Highest 12 months	Highest 36 months
Normal retirement age	Age 55	Age 55
Early Retirement: Years of service	Age 70 any years	Age 70 any years
required and/or age eligible for	10 years age 50	5 years age 52
	30 years any age	N/A
Benefit percent per year of service for normal retirement age	2% per year of final average compensation for every year of service credit	2.5% per year of final average compensation for every year of service credit
Benefit adjustments	Reduced before age 55, increased after 55, up to age 65	Reduced before age 67
Final average compensation limitation	Internal Revenue Code section 401(a)(17)	Government Code section 7522.10

An automatic cost of living adjustment is provided to benefit recipients based on changes in the local region Consumer Price Index (CPI) up to a maximum of 2% per year. Any increase greater than 2% is banked and may be used in years where the CPI is less than 2%. There is a one-time 7% increase at retirement for members hired before August 19, 1975. The Plan also provides disability and death benefits to eligible members and their beneficiaries, respectively. For retired members, the death benefit is determined by the retirement benefit option chosen. For all other members, the beneficiary is entitled to benefits based on the number of years of service or if the death was caused by employment. General members are also eligible for survivor benefits which are payable upon a member's death.

#### **Contributions**

Participating employers and active members are required by statute to contribute a percentage of covered salary to the Plan. This requirement is pursuant to Government Code sections 31453.5 and 31454, for participating employers and Government Code sections 31621.6, 31639.25 and 7522.30 for active members. The contribution requirements are established and may be amended by the SBCERA Board pursuant to Article 1 of the CERL, which is consistent with the Plan's actuarial funding policy. The contribution rates are adopted yearly, based on an annual actuarial valuation, conducted by an independent actuary, that requires actuarial assumptions with regard to mortality, expected future service (including age at entry into the Plan, if applicable and tier), and compensation increases of the members and beneficiaries. The combined active member and employer contribution rates are expected to finance the costs of benefits for employees that are allocated during the year, with an additional amount to finance any unfunded accrued liability. Participating employers may pay a portion of the active members' contributions through negotiations and bargaining agreements.

Notes to the Basic Financial Statements For the Fiscal Year Ended June 30, 2023

#### NOTE 5 - DEFINED BENEFIT PENSION PLAN (continued)

#### A. General Information about the Pension Plan (continued)

Employee contribution rates for the fiscal year ended June 30, 2023 ranged between 9.54% and 15.19% for Tier 1 General members and between 9.08% and 9.09% for Tier 2 General members. The required employer contributions and the amount paid to SBCERA by the Agency for the year ended June 30, 2023 was \$1,152,486.

#### B. Net Pension Liability

At June 30, 2023, the Agency reported a net pension liability of \$3,821,071 for its proportionate share of SBCERA's net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2022. The Agency's reported liability at June 30, 2023, increased by \$2,118,639 from the Agency's prior year liability of \$1,702,432 because of changes in the SBCERA net pension liability and the Agency's proportionate share of that liability. The SBCERA's publicly available financial report provides details on the change in the net pension liability.

The Agency's proportion of the net pension liability at June 30, 2023 was based on the Agency's contributions received by SBCERA during the measurement period for employer payroll paid from dates July 1, 2021 through June 30, 2022, relative to the total contributions received from all of SBCERA's participating employers. At measurement date June 30, 2022, the Agency's proportionate share of total employer contributions was 0.20%, which was a increase of 0.04% from its proportion measured as of measurement date June 30, 2021. A summary of principal assumptions and methods used to determine the net pension liability is as follows.

#### Actuarial Methods and Assumptions Used to Determine Net Pension Liability

#### NOTE 5 - DEFINED BENEFIT PENSION PLAN (continued)

#### B. Net Pension Liability (continued)

Mortality rates used in the June 30, 2022 and 2021 actuarial valuations are based on the Pub-2010 Amount-Weighted Above-Median Mortality Table projected generationally with the two-dimensional MP-2019 projection scale. For healthy General members, the General Healthy Retiree rates increased by 10% were used. For healthy Safety members, the Safety Healthy Retiree rates were used. For disabled General members, the Non-Safety Disabled Retiree rates were used. For beneficiaries, the General Contingent Survivor rates increased by 10% were used.

The actuarial assumptions used to determine the Net Pension Liability as of June 30, 2022 and 2021, were based on the results of an experience study for the period from July 1, 2016 through June 30, 2019. They are the same assumptions used in the June 30, 2022 and 2021 actuarial valuations. Key assumptions used in the actuarial valuations are presented on the next page.

The long-term expected rate of return on Plan investments was determined using a building block method in which expected future real rates of return (expected returns, net of inflation) are developed for each major asset class. These returns are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adding expected inflation, and subtracting expected investment expenses and a risk margin. The target allocation and projected arithmetic real rates of return for each major asset class, after deducting inflation, but before deducting investment expenses, are shown in the table below. This information was used in the derivation of the long-term expected investment rate of return assumptions in the June 30, 2022, actuarial valuation. This information will change every three years based on the actuarial experience study.

#### Change in Assumptions

There were no changes in assumptions.

#### **Discount Rate**

The ended rate used to measure the total pension liability was 7.25% for the measurement period ended June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers and active members are made at the actuarially determined contribution rates. For this purpose, only employer and member contributions that are intended to fund benefits of current member and their beneficiaries are included.

#### NOTE 5 - DEFINED BENEFIT PENSION PLAN (continued)

#### B. Net Pension Liability (continued)

Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current members. Therefore, the long-term expected rate of return on Plan investments of 7.25% was applied to all periods of projected benefit payments to determine the total pension liability as of measurement date June 30, 2022.

### Sensitivity of the Agency's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following table presents the Agency's proportionate share of the net pension liability of the Plan as of the measurement date, calculated using the discount rate of 7.25%, as well as what the Agency's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.25%) or 1- percentage-point higher (8.25%) than the current rate:

	Dis	Discount Rate - 1% (6.25%)		Current Discount Rate (7.25%)		Discount Rate + 1% (8.25%)	
Agency's proportionate share of the County's net pension liability	\$	8,198,064	\$	3,821,071	\$	241,036	

#### Pension Plan Fiduciary Net Position

Detailed information about the SBCERA's fiduciary net position is available in a separately issued SBCERA annual comprehensive financial report. That report may be obtained on the Internet at www.sbcera.org; by writing to SBCERA at 348 W. Hospitality Lane, Third Floor, San Bernardino, CA 92415; or by calling (909) 885-7980 or (877) 722-3721.

#### C. Proportionate Share of Net Pension Liability

### NOTE 5 – DEFINED BENEFIT PENSION PLAN (continued)

### C. Proportionate Share of Net Pension Liability (continued)

The Agency's net pension liability for the Plan is measured as the proportionate share of the net pension liability. The Agency's proportion of the net pension liability was based on a projection of the Agency's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. The Agency's proportionate share of the net pension liability for the Plan as of June 30, 2023 was as follows:

Proportionate share at June 30, 2023	
(measurement date June 30, 2022)	0.20%
Proportionate share at June 30, 2022	
(measurement date June 30, 2021)	<u>0.16%</u>
Change – Increase (Decrease)	0.04%

### Subsequent Events

There were no subsequent events that would materially affect the results presented in this disclosure.

### Recognition of Gains and Losses

Under generally accepted accounting principles, gains and losses related to changes in total pension liability and fiduciary net position are recognized in pension expense systematically over time.

The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense. The amortization period differs depending on the source of the gain or loss:

Difference and actual		projected	5 year straight-line amortization			
All other an	nounts		Straight-line amortization over the average expec remaining service lives of all members that are provide			
			with benefits (active, inactive and retired) as of the			
			beginning of the measurement period			

The expected average remaining service lifetime (EARSL) of all employees that are provided with pensions through SBCERA is calculated by dividing the total future service years by the total number of plan participants (active, inactive, and retired) in the Plan. The EARSL for the Plan as of July 1, 2021 (the beginning of the measurement period ended June 30, 2022) is 5.30 years.

### NOTE 5 - DEFINED BENEFIT PENSION PLAN (continued)

### D. Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions

For the year ended June 30, 2023, the Agency recognized pension expense of \$930,342 and reported its proportionate share of deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	red Outflows Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 95,290	\$ (86,061)
Changes in assumptions	264,440	-
Net difference between projected and actual earnings on pension plan investments Changes in proportion and differences between	-	(69,833)
employer contributions and proportionate share of contributions	1,719,081	(791,821)
Employer contributions paid by Agency subsequent to the measurement date	 1,152,486	 
Total	\$ 3,231,297	\$ (947,715)

The amounts above are net of outflows and inflows recognized in the 2021-2022 measurement period expense. Deferred outflows of resources related to contributions subsequent to the measurement date of \$1,152,486 will be recognized as a reduction of the net pension liability in the upcoming fiscal year. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in future pension expense as follows:

Fiscal Year Ending June 30,	d Outflows/(Inflows) of Resources
2024 2025 2026 2027 2028 Thereafter	\$ 413,652 218,309 (209,199) 625,594 82,740

### Notes to Schedule:

In 2023, there was no changes of assumptions. Amounts reported in 2023 primarily reflect the -2.37 return on the market value of assets during 2021-2022 that was lower than the assumed return of 7.25%. Additionally, the results of the Board adopted Resolution 2020-5 in this valuation reflect the refunds of member contributions previously paid in conjunction with certain pay items for inclusion in compensation earnable, which increased the net pension liability by \$12.3 million.

In 2022, there was no changes of assumptions. Amounts reported in 2022 primarily reflect the 32.61% return on the market value of assets during 2020-2021 that was higher than the assumed return of 7.25% and the changes in benefit terms based on a decision in the Alameda County Deputy Sheriffs' Assn. et al. v. Alameda County Employees' Retirement Assn. litigation issued by the California Supreme Court on July 30, 2020. The Board of Retirement adopted Resolution 2020-5, which detailed the implementation of the Alameda decision including reclassifying certain pay items for inclusion in compensation earnable. The results in this valuation reflect the reclassification of those pay codes, which reduced the Plan's net pension liability by \$132.8 million

In 2021, the actuarial assumptions used in the June 30, 2020 valuation were based on the results of the actuarial experience study for the period from July 1, 2016 through June 30, 2019. Amounts reported in 2021 primarily reflect a decrease of 0.25% inflation rate, an increase of 0.15% payroll for administrative expenses, and adjustments of projected salary increases and mortality rates to more closely reflect actual experience. Mortality rates were based on the Pub-2010 Amount-Weighted Above-Median Mortality Table projected generationally with the two-dimensional MP-2019 projection scale.

In 2019 and 2020, there were no changes of assumptions. In 2018, the actuarial assumptions used in the June 30, 2017 valuation were based on the results of an actuarial experience study for the three year period of July 1, 2013 through June 30, 2016. Amounts reported in 2018 primarily reflect a decrease of 0.25% for both the investment rate of return and inflation rate, an increase of 0.1% of payroll for administrative expenses, and adjustments of projected salary increases and mortality rates to more closely reflect actual experience. Mortality rates used in the June 30, 2017 actuarial valuation were based on the Headcount-Weighted RP 2014 Healthy Annuitant Mortality Table rather than on the RP-2000 Combined Healthy Mortality Table, which was used to determine amounts reported prior to 2018.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

Board of Directors Consolidated Fire Agencies (CONFIRE) Rialto, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the General Fund of Consolidated Fire Agencies (the Agency), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated February 6, 2024.

### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**TO:** Board of Directors

### **SUBJECT: Additional CONFIRE Positions**

### **Recommendation**

It is recommended that the CONFIRE Board of Directors (BOD) approve the addition of the following full-time positions to CONFIRE:

- (1) Payroll Specialist
- (1) Human Resources Analyst-I

### **Background Information**

On September 26, 2023, the CONFIRE Board of Directors approved an agreement between the County of San Bernardino and CONFIRE, which codified the services that are provided by the County to CONFIRE.

These services include Human Resources, Labor Negotiations, Classification and Compensation Studies, Equal Employment Opportunity, Employee Benefits, Employee Health and Wellness Services and Pre-Placement Physicals, Performance, Education and Resource Centers, Employee Management and Compensations System Processing and Development Team Services, County Auditor-Controller/Treasurer/Tax Collector Services, and County Purchasing Department Services.

Prior to the written agreement between our agencies, it was understood that the County likely provided services to CONFIRE for decades that were not being charged for or were outside the standard scope of services. It was also understood that CONFIRE would likely not fully realize these impacts and the types and kinds of services, until the agreement was executed. As a result of executing the agreement, we have realized the impacts to our payroll program and our human resources services.

In order to effectively manage our payroll processing and related duties, we need to hire a full-time Payroll Specialist.

We also need to hire a full-time Human Resource Analyst-I to serve as the conduit and liaison to our Worker's Compensation/Risk Management provider (CIRA), retirement provider (SBCERA), and to serve as our Recruitment/Hiring/Promotion personnel officer. These services are not being provided or offered to CONFIRE by the County, through our current agreement.

3. Authorize Interim Director to request an installment loan in the amount of \$1,000,000 with 4% interest rate from City of Ontario to fund the Emergency Medical Services Fund (5020).

### **Background Information**

As the fiscal year progressed, CONFIRE continued to experience significant transition and growth through the County Clarification Project and the recently awarded San Bernardino County Ambulance Transportation Contract. These impacts will primarily be offset by using salaries and benefits savings from Fund 5008 – Operations, reserves from Fund 5011 – Term Benefit Reserve and Fund 2020 – Emergency Medical Service (EMS) Fund, and a loan from the City of Ontario.

### **New Positions**

As a result of the Board approved, CONFIRE County Clarification Project, Contract #23-1008 was developed between the County of San Bernardino and CONFIRE. The contract outlines services performed by the County on behalf of CONFIRE. This agreement resulted in CONFIRE taking on additional responsibilities, duties, and workloads that were previously handled by the County prior to the agreements going into effect. The duties involve Human Resources and Payroll services that require diligent daily interaction with several County Departments (HR, ATC, EMACS) and other entities (worker's comp, SB CERA, State Disability etc.).

The addition of a Human Resources Analyst 1 and a Payroll Specialist will enable CONFIRE to better serve its employees and stakeholders with timely completion of required recruitment, on-boarding, and salary and benefit administration. The mid-year appropriation for these positions will be covered by existing operational fund balance and will be included in future budgets going forward. Anticipated hire dates for these positions are March/April 2024.

### **Fund 5008 Operations Fund**

To remain competitive and ascertain that CONFIRE recruits highly qualified leadership executives, the CONFIRE Board of Directors previously approved an increase to the compensation package for two (2) existing classifications: Finance/Administration Director (\$72,425) and Communications Manager (\$9,097). Increases to Salaries and Benefits in the amount of \$81,522 will be covered by a transfer of funds from Fund 5020 – EMS Fund). Anticipated hire date for both positions is March/April 2024.

The increases to Services and Supplies (\$759,591) are primarily due to additional workload and responsibilities taken on by CONFIRE with the Ambulance Contract and County Clarification Project, requiring extended contracts with temporary help staff and Interim Administrators. The Interim Director position is being reallocated from Fund 5010 – General Reserves to Fund 5008 – Operations which allows for the budgeted salary for that position to cover much of the cost. Additional services from CONFIRE's auditors, Rogers, Anderson, Malody, & Scott LLP (RAMS) and a full year of lease payments to the City of Rialto contributed to the need for an adjustment to Fund 5008.

These adjustments will be covered by a reappropriation (transfer) of \$759,591 from Salary and Benefits (100) to Services and Support (200).

### Fund 5011 Term Benefit Reserve

This use of 5011 Fund Balance will provide payment to the County of San Bernardino Worker's Compensation Department for tail claims, in the amount of \$351,000. This is a result of the County Clarification Project approved by the CONFIRE Board on May 30, 2023.

### Fund 5020 Emergency Services Enterprise Fund

In a historic move, on December 5, 2023, the County of San Bernardino Board of Supervisors awarded CONFIRE the Ground Ambulance Services contract. This awarded contract allows CONFIRE to provide advance life support, basic life support, ground ambulance services, and interfacility and critical care transport services to certain exclusive operating areas in the County. The contract term is from October 1, 2024, to September 30, 2029, with an optional 5-year extension. To fulfill the obligations of the contract, an implementation team consisting of external and internal personnel and consultants will be used to recruit key personnel and purchase equipment and supplies to prepare for the initiation of services in October 2024.

Projected expenses for the remainder of FY23/24 related to this project include salary and benefit increases for the new or expanded roles for CONFIRE staff, including Executive Director, Clerk of the Board, Finance/Administration Director, and Communications Manager. These positions and salaries have been approved by the CONFIRE Board of Directors at its December 11, 2023 meeting. Recruitment for the Executive Director and Communications Manager is currently in progress.

Other EMS program related expenses include start-up costs for insurance, surge ambulance deployment, office space lease and set-up, staff vehicles (4), Executive recruitment services, advertising, and other legal and professional services (consultants). The details of these expenses are included in the attached spreadsheets.

These costs will be offset by a request of \$1,000,000 from the City of Ontario CONFIRE EMS Program Loan Agreement, a \$500,000 allocation from the Fund 5020 fund balance and by depositing surge ambulance transportation revenue (\$10,000) into Fund 5020 Emergency Medical Services Enterprise Fund. A transfer of \$81,522 from Fund 5020 to Fund 5008 will cover a portion of the salary and benefit increase requested in this recommendation.

### Fiscal Impact

By utilizing existing fund balances and salary savings, these mid-year recommendations and adjustments will result in no immediate additional costs for CONFIRE agencies in the remainder of FY23/24. However, a portion of these costs will carry over to FY24/25 and will be factored into the pending budget process. The majority of those costs will be related to salary and benefits costs for reclassified and/or new employees. Much of

these increases will be directly attributable to the new Ground Ambulance Services program which will be funded by revenues associated with that service.

### STAFF REPORT

**DATE:** February 28, 2024

FROM: Nathan Cooke

**Interim Director** 

**TO:** Board of Directors

**SUBJECT: Director Spending Authority- Temporary Change** 

### **Recommendation**

It is recommended that the CONFIRE Board of Directors (BOD) temporarily (until January 1, 2025) increase the spending authority for the Director to \$500,000, for expenditures related to the County Ground Ambulance Contract, which was previously approved by the BOD.

### **Background Information**

Per CONFIRE Board Policy 4.003 which was last update on 04/29/21, "the Director of CONFIRE has signature authority up to \$50,000 except for Public Works Contracts whereas his/her signature authority will be \$75,000 in accordance to the Uniform Public Construction Cost Accounting Act (CUPCCAA)".

On December 5, 2023, the County of San Bernardino awarded the Ground Ambulance Contract to CONFIRE. The contract clearly stipulates benchmarks and requirements that must be met and performed prior to the implementation date of October 1, 2024. These benchmarks and requirements will require a significant number of purchases and expenditures, that will exceed the Director's signature authority of \$50,000.

Currently, when CONFIRE needs to purchase services or goods that exceed \$50,000, the Director is required to seek prior approval from the Administrative Committee, which only meets once a month. This process will limit our ability to make purchases in a timely manner, which could result in us missing out on timelines and benchmarks set forth in the contract, thereby jeopardizing the contract requirements altogether.

By temporarily increasing the Director's signature authority to \$500,000, this will streamline purchases related to the start-up and implementation of the ambulance contract, keeping us in compliance with the timelines and benchmarks set forth.

### Fiscal Impact

There will be no fiscal impact. All other current purchasing and procurement guidelines/policies will remain intact and adhered to by CONFIRE staff.

#### **CONFIRE Emergency Call Processing Times.**

#### January 2024

The following analysis covers four key elements of call processing times by CONFIRE Communications Center (CCC):

- 1. The time interval between the alert of an incoming 911 call from a primary PSAP and when the call is answered by a CCC dispatcher.
- 2. The time interval between when an emergency 911 call is answered by a CCC dispatcher to the time where it is entered into queue.
- 3. The time interval between when an emergency 911 call is entered into queue to the time when the first responding unit is alerted and assigned to call.
- 4. The total time interval between when and emergency 911 call is answered by a CCC dispatcher to the time when the first responding unit is alerted and assigned to the call.

Figure 1: Visual display of elements captured in the analysis of call processing times at CONFIRE communications center.

#### Call Answering Time from Primary PSAP

CONFIRE receives 911 calls from multiple law enforcement agencies' primary Public Safety Answering Points (PSAPs). As a secondary PSAP, CONFIRE has set a goal of answering incoming 911 calls from primary PSAPs in 10 seconds or less on 90% of the calls. Because the incoming 911 calls are not recorded in CONFIRE's CAD until after the call pickup time, the interval from first ring to call pickup must be measured from another source. CONFIRE uses a reporting software called Emergency Call Tracking System (ECaTS) to capture this data and uses it to measure performance benchmarks and quality control. This data was used to illustrate the call volumes and 911 answering times shown in Figure 2.

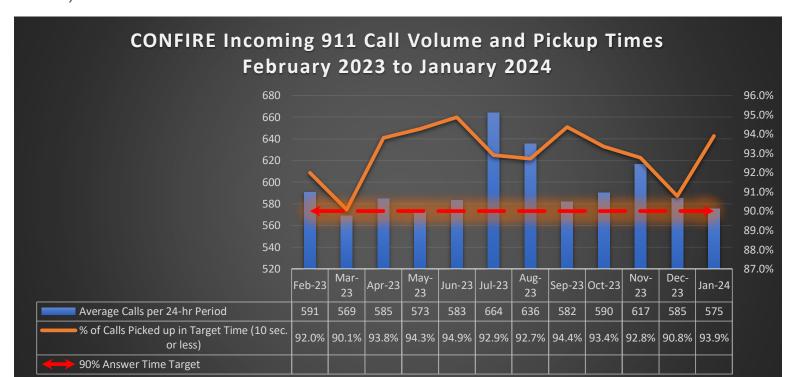

Figure 2: CONFIRE PSAP 911 Call Pickup Times for Primary PSAP Transfers per ECaTS Reporting System.

#### **Emergency Call Processing**

Once the call is answered by CCC dispatchers, all call activity is captured in CONFIRE's CAD server. The following tables illustrate multiple elements of the call processing continuum in terms of call volume and call processing times for various call types. For the purposes of this analysis, only calls that meet the definition of "emergency" per NFPA 1221and CONFIRE Administrative Chiefs' directive are included in the calculations. Because of the nuances of both Fire and EMS related call types, the following sections analyze the call processing elements separately.

#### **EMS Call Processing**

EMS Calls include all CAD problem codes that reference a medical emergency, trauma, or traffic collisions.

Figure 3: EMS Call Pickup to First Unit Assigned. Includes all Emergency Call Types, and Calls With and Without Determinant Codes.

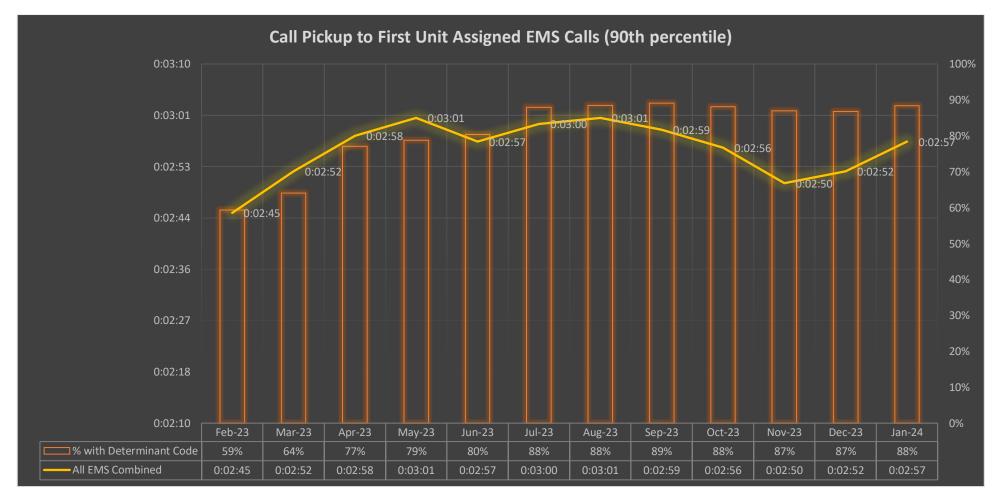

Figure 4: EMS Call Pickup to Queue. Includes all Emergency Call Types, and Calls with and Without Determinant Codes.

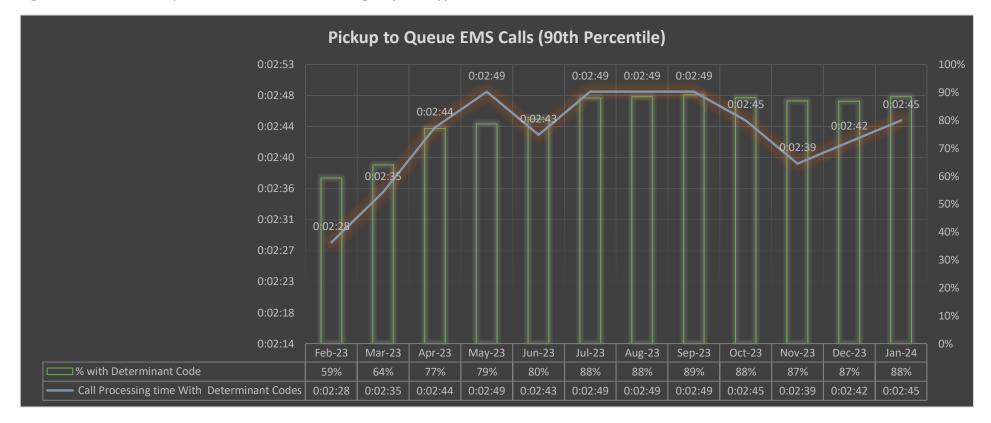

Figure 5: EMS Queue to First Unit Assigned. Includes all Emergency Call Types, and Calls with and Without Determinant Codes.

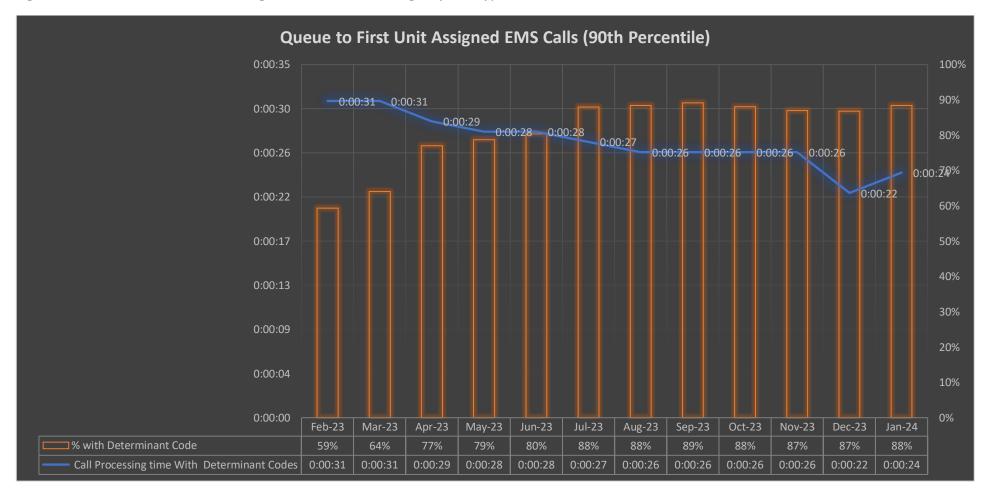

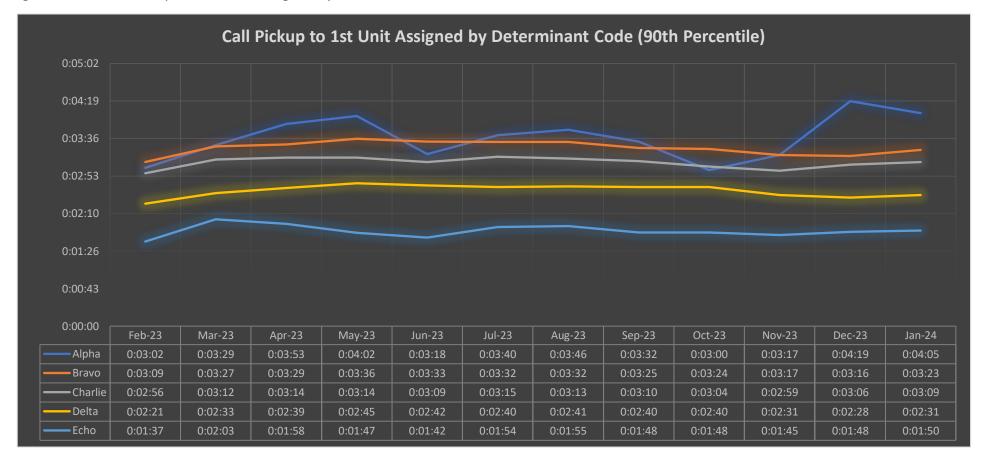

Figure 6: EMS Call Pickup to First Unit Assigned by EMD Determinant Code.

#### Fire/Rescue Related Calls

Fire/Rescue related calls include all CAD problem codes that reference specific fire types as well as technical rescue and Haz-mat calls. The count of both emergency and non-emergency (per NFPA recommendations) fire related calls are included. However, the call processing times only include emergency call types.

#### STAFF REPORT

**DATE:** February 28, 2024

FROM: Nathan Cooke, Interim Director

BY: Mike Bell, IE PSOP Project Coordinator

**TO:** Administrative Committee

**SUBJECT: Revised CAD to CAD Agency Agreements** 

#### RECOMMENDATION

Approve revised Inland Empire Public Safety Operations Platform (IE PSOP) agency agreements and authorize the CONFIRE Director to execute said agreements with non-substantial modifications.

#### **BACKGROUND**

CONFIRE acts as the Administrative Agency for the Inland Empire Public Safety Operations Platform (IE PSOP). This is a regional effort to connect disparate public safety computer-aided dispatch (CAD) systems of emergency communications centers (ECC) in San Bernadino and Riverside County. The project was initially funded through UASI grants and has been operational since 2021. Currently five agencies are live on the system (CONFIRE, San Manuel Department of Public Safety, Chino PD, Riverside County Fire, AMR – San Bernardino) with another four in various stages on integration projects (Murrieta FD, Ontario FD, CAL Fire San Bernardino, AMR – Riverside). Known as CAD to CAD systems, this technology enables ECC's to connect their CAD systems in order to share incident information and resources in a more timely manner than the tradition series of phone calls previously required. Regional situational awareness and response times are measurably improved with this capability.

Recently the Executive Committee of the IE PSOP gave CONFIRE direction to take advantage of the product's vendor, Central Square Technologies migration to an annual subscription pricing model. This model substantially reduces the annual costs for the program for existing participating agencies, in most cases between \$5,000-7,000 per year. This change requires CONFIRE to revise existing agreements with participating agencies to update the pricing and cost recovery component. CONFIRE has completed the draft agreements with input from legal counsel. Upon approval staff will work with the various agencies to obtain mutual approval and execute the agreements.

#### FISCAL IMPACTS

These agreements assist CONFIRE in recovering program management costs related to the administration of this program. There is no cost to CONFIRE for executing these agreements.

In the event of a problem or potential problem that could impact the quality or quantity of work, services, or the level of performance under the AGREEMENT, the PROVIDER shall notify the ICEMA within one (1) working day, in writing and by telephone.

#### 5.15 Attorney's Fees and Costs

If any legal action is instituted to enforce either Party's rights hereunder, each Party shall bear its own costs and attorney fees, regardless of who is the prevailing Party. #### 5.16 **Venue**

The Parties acknowledge and agree that this AGREEMENT was entered into and intended to be performed in San Bernardino County, California. The Parties agree that the venue of any action or claim brought by any Party to this AGREEMENT will be the Superior Court of California, County of San Bernardino, San Bernardino District. Each Party hereby waives any law or rule of the court, which would allow it to request or demand a change of venue. If any action or claim concerning this AGREEMENT is brought by any third party and filed in another venue, the Parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, County of San Bernardino, San Bernardino District.

PROVIDER shall make a reasonable effort to prevent employees, PROVIDER, or members of its governing body from using their positions for purposes that are, or give the appearance of being motivated by a desire for private gain for themselves or others such as those with whom they have family business, or other ties. Officers, employees, and agents of cities, counties, districts, and other local agencies are subject to applicable conflict of interest codes and State law. In the event ICEMA determines a conflict of interest situation exists, any increase in costs, associated with the conflict of interest situation, may be disallowed by ICEMA and such conflict may constitute grounds for termination of the AGREEMENT. This provision shall not be construed to prohibit employment of persons with whom PROVIDER's officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.

#### 5.20 Improper Consideration

PROVIDER shall not offer (either directly or through an intermediary) any improper consideration such as, but not limited to cash, discounts, service, the provision of travel or entertainment, or any items of value to any officer, employee or agent of ICEMA in an attempt to secure favorable treatment regarding this AGREEMENT.

ICEMA, by written notice, may immediately terminate this AGREEMENT if it determines that any improper consideration as described in the preceding paragraph was offered to any officer, employee or agent of ICEMA. This prohibition shall apply to any amendment, extension or evaluation process once this AGREEMENT has been executed.

PROVIDER shall immediately report any attempt by an ICEMA employee or agent to solicit (either directly or through an intermediary) improper consideration from PROVIDER. The report shall be made to the supervisor or manager charged with supervision of the employee or ICEMA. In the event of a termination under this provision, ICEMA is entitled to pursue any available legal remedies.

#### 5.21 Former County Administrative Officials

PROVIDER agrees to provide, or has already provided information on former ICEMA and/or County administrative officials (as defined below) who are employed by or represent PROVIDER. The information provided includes a list of former ICEMA and/ or County administrative officials who terminated ICEMA and/or County employment within the last five years and who are now officers, employees, consultants or agents of PROVIDER. Revised 1/10/23 Page 8 of 16

offer, shall have any direct or indirect financial interest resulting from the award of the AGREEMENT or shall have any relationship to the PROVIDER or officer or employee of the PROVIDER.

#### 5.23 Material Misstatement/Misrepresentation

If during the course of the administration of this AGREEMENT, ICEMA determines that PROVIDER has made a material misstatement or misrepresentation or that materially inaccurate information has been provided to ICEMA, this AGREEMENT may be immediately terminated. If this AGREEMENT is terminated according to this provision, ICEMA is entitled to pursue any available legal remedies.

#### 5.24 Release of Information

No news releases, advertisements, public announcements or photographs arising out of the AGREEMENT or PROVIDER's relationship with ICEMA may be made or used without prior written approval of ICEMA.

#### 5.26 Informal Dispute Resolution

In the event ICEMA determines that service is unsatisfactory, or in the event of any other dispute, claim, question or disagreement arising from or relating to this AGREEMENT or breach thereof, the Parties hereto shall use their best efforts to settle the dispute, claim, question or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both Parties.

#### 5.27 ICEMA Representative

The EMS Administrator or his/her designee shall represent ICEMA in all matters pertaining to the services to be rendered under this AGREEMENT, including termination and assignment of this AGREEMENT, and shall be the final authority in all matters pertaining to the Services/Scope of Work by PROVIDER. ICEMA's Board of Directors must approve all amendments to this AGREEMENT.

#### 5.28 Notice of Delays

Except as otherwise provided herein, when either Party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this AGREEMENT, that Party shall, within twenty-four (24) hours, give notice thereof, including all relevant information with respect thereto, to the other Party.

#### 5.31 No Third-Party Beneficiaries

The Parties do not intend to confer and this AGREEMENT shall not be construed to confer any rights to any person, group, corporation or entity other than the Parties.

#### 6. INDEMNIFICATION AND INSURANCE REQUIREMENTS

#### 6.1 Indemnification

The PROVIDER agrees to indemnify, defend (with counsel reasonably approved by County) and hold harmless ICEMA and/or the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability arising out of this AGREEMENT from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by ICEMA and/or the County on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The PROVIDER indemnification obligation applies to the ICEMA and/or County's "active" as well as "passive" negligence but does not apply to ICEMA and/or the County's "sole negligence" or "willful misconduct" within the meaning of Civil Code section 2782.

#### 6.2 Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming ICEMA and/or the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for ICEMA and/or the County to vicarious liability but shall allow coverage for ICEMA and/or the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

#### 6.3 Waiver of Subrogation Rights

The PROVIDER shall require the carriers of required coverages to waive all rights of subrogation against ICEMA and/or the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the PROVIDER and PROVIDER's employees or agents from waiving the right of subrogation prior to a loss or claim. The PROVIDER hereby waives all rights of subrogation against ICEMA and/or the County.

Revised 1/10/23 Page 10 of 16

#### 6.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by ICEMA and/or the County.

#### 6.5 Severability of Interests

The PROVIDER agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the PROVIDER, ICEMA and/or the County or between ICEMA and/or the County and any other insured or additional insured under the policy.

#### 6.6 Proof of Coverage

The PROVIDER shall furnish Certificates of Insurance to ICEMA and/or the County Department administering the AGREEMENT evidencing the insurance coverage at the time the AGREEMENT is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to ICEMA, and PROVIDER shall maintain such insurance from the time PROVIDER commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this AGREEMENT, the PROVIDER shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

#### 6.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

#### 6.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

#### 6.9 Failure to Procure Coverage

In the event that any policy of insurance required under this AGREEMENT does not comply with the requirements, is not procured, or is canceled and not replaced, ICEMA and/or the County has the right but not the obligation or duty to cancel the AGREEMENT or obtain insurance if it deems necessary and any premiums paid by ICEMA and/or the County will be promptly reimbursed by the PROVIDER or ICEMA payments to the PROVIDER will be reduced to pay for ICEMA and/or County purchased insurance.

#### 6.10 Insurance Review

Insurance requirements are subject to periodic review by ICEMA and/or the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of

Revised 1/10/23 Page 11 of 16

ICEMA and/or the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against ICEMA and/or the County, inflation, or any other item reasonably related to ICEMA's and/or the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this AGREEMENT. PROVIDER agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of ICEMA and/or the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of ICEMA and/or the County.

6.11 The PROVIDER agrees to provide insurance set forth in accordance with the requirements herein. If the PROVIDER uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the PROVIDER agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the PROVIDER shall secure and maintain throughout the AGREEMENT term, and if PROVIDER is an authorized self-insured public entity, may use its program of self-insurance to satisfy the following types of insurance with limits as shown:

A. Workers' Compensation/Employer's Liability - A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the PROVIDER and all risks to such persons under this AGREEMENT.

If PROVIDER has no employees, it may certify or warrant to ICEMA and/or the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

  - A. Afford PROVIDER thereafter a time period within which to cure the breach, which period shall be established at the sole discretion of ICEMA; and/or

#### STAFF REPORT

**DATE:** February 28, 2024

FROM: Nathan Cooke, Interim Director

BY: Quang Leba, Interim CFO Rana Gilani, Staff Analyst II

TO: CONFIRE Administrative Committee

SUBJECT: Correction to Cisco Meraki Advance Security License Staff Report of 10/24/23

#### Recommendation

Approve correction to Cisco Meraki Advance Security License Staff Report of 10/16/23 for CONFIRE.

#### **Background Information**

CONFIRE MIS had requested \$110,900 to renew its licenses for a 5-year term. The price was \$115,923 and not \$110,900 as stated in the previous staff report.

CONFIRE had planned to seek reimbursement from BDC MIS in the amount of \$30,000 for the two years of license consumption. CONFIRE will not be requesting reimbursement for the two years of license consumption as Meraki completed a price adjustment after BDC pulled their devices off the CONFIRE tenant. The cost difference was evened out since we were on provisional licenses for about 8 months.

#### **Fiscal Impact**

There will be a correction to the fiscal impact requested previously. There will not be any budget adjustment to the 2023-2024 FY budget. The total cost for the Cisco Meraki license renewal is \$115,923. This amount will be funded through fund 5009. \$521,000 is designated for the NICE Vesta Motorola Implementation project in Fund 5009. \$115,923 of it will be used to cover the cost of Meraki Advance Security License.

#### **STAFF REPORT**

**DATE:** February 28, 2024

FROM: Nathan Cooke

**Interim Director** 

**TO:** Administrative Committee

**SUBJECT: CVIFPD Agreement Extension for Interim Director Cooke** 

#### **Recommendation**

It is recommended that the CONFIRE Administrative Committee approve the 6-month extension in the agreement between the Chino Valley Independent Fire District (CVIFD) and CONFIRE, for Nathan Cooke to continue to serve as the Interim Director.

#### **Background Information**

The Administrative Committee previously approved the agreement between CVIFD and CONFIRE covering the initial term between 01/01/23 through 12/31/23. The agreement allows for a 6-month extension covering the term from 01/01/24 through 06/30/24, with approval from CVFIFD and the Administrative Committee.

#### **Fiscal Impact**

The agreement extension between CVFIFD and CONFIRE will cost \$200,674.50. This amount will be covered from the vacant Communications Director salary, and through salary savings in Fund 5008.

### STAFF REPORT

**DATE:** February 28, 2024

FROM: Joe Barna, EMS Subsidiary Committee Chairperson

**TO:** Administrative Committee

SUBJECT: Agreement Between CONFIRE and CVFD for Dean

**Smith** 

### **RECOMMENDATION**

Authorize the Interim Director to execute and enter into an agreement between CONFIRE and the Chino Valley Independent Fire District, to authorize Dean Smith to serve as the Deputy IC for the CONFIRE Ambulance Contract Implementation Team.

### **BACKGROUND**

San Bernardino County Board of Supervisors awarded CONFIRE the bid for ambulance services in the Comprehensive Service Area on December 5, 2024. A collaborative effort, from many representatives, will be required to successfully implement this new public-private partnership. Priority Ambulance will be providing ambulance transportation services, but the team required for the implementation will necessitate coordinating stakeholders from many disciplines with a clear understanding of the requirements outlined by the County based on the awarded contract.

The comprehensive bid to provide services was developed by numerous parties, including Acting Deputy Chief Dean Smith. To organize the successful transition, San Bernardino County Fire Chiefs will use the incident command system to organize resources and have selected Chief Smith to serve as the Deputy Incident Commander for the CONFIRE EMS Division Implementation Team.

This implementation team has already begun working on the project. Priorities have been identified for Dean Smith to build the foundation and included in the scope of work for the consulting agreement:

a. Work with CONFIRE Staff and Implementation Team members to ensure all aspects of the County Ground Ambulance Contract are fulfilled prior to implementation on October 1, 2024.

- b. Coordinate and work with Priority Ambulance staff on all aspects of their obligations related to the requirements in the Contract, to ensure all obligations of agreement prior to October 1, 2024.
- c. Perform all duties and functions related to serving as the Deputy Incident Commander for the CONFIRE EMS Division Implementation Team.

On February 13, 2024, the EMS Subsidiary Committee approved that this recommendation be brought forth to the Administrative Committee for consideration and approval.

### FISCAL IMPACTS

The agreement is not to exceed the sum of \$389,514 for the Initial Term through January 1, 2025. The funds will be paid out the EMS Division (5020) account.

Both Parties acknowledge that their liability insurance will cover the activities of Loaned Employee while they are performing duties pursuant to this Agreement. ### Dear Director Cooke:

AP Triton is pleased to present our proposal for the development of comprehensive Continuity of Operations Plans (COOP) for both ambulance and communication center services within CONFIRE JPA. To address this, our COOPs will be tailored to your unique needs, with a focus on ambulance and communication center services. They will be developed in alignment with FEMA guidelines and involve close collaboration with your team and any subcontractors.

We propose a timeline of 4–6 months for the successful completion of the project, starting from the date of receipt of all necessary data and approvals. While maintaining the quality of our work, we are committed to delivering the project as efficiently as possible.

Our team brings a wealth of expertise in public safety, emergency medical services, emergency management, and related fields. Our previous projects in Master Plans, Strategic Plans, Emergency Operations Plans, and various other studies make us well-suited for this undertaking.

We look forward to the opportunity to work with CONFIRE JPA in achieving its public safety goals. Please find the detailed proposal attached for your review.

### SCOPE OF SERVICES: AMBULANCE SERVICES COOP

### PROJECT UNDERSTANDING

The primary objective of this project is to create a comprehensive Continuity of Operations Plan (COOP) that focuses on the continuity of ambulance services and encompasses an all-hazards approach. The project will result in a comprehensive COOP tailored to the unique needs of CONFIRE JPA consistent with the applicable FEMA guidelines, with a focus on the continuity of ambulance services. The plan will be developed in close collaboration with the client and the ambulance subcontractor, incorporating innovative solutions and forward-thinking strategies.

CONFIRE JPA will benefit from a strategic approach that prioritizes innovation, expertise, and long-term success. The comprehensive COOP will enhance the client's ability to respond to various emergency scenarios effectively, ensuring the uninterrupted provision of critical ambulance services.

### Phases and Key Tasks

### Project Implementation and Information Acquisition:

- **Project Initiation and Work Plan Development:** Understand the client's specific requirements and develop a detailed work plan.
- Procurement of Information and Data: Gather essential information and data from relevant agencies and stakeholders.

### **Continuity of Operations Plan Development:**

- Development and Review of the Draft COOP: Create an electronic draft of the COOP for technical review, encompassing an introduction, concept of operations, responsibilities, activation, alternative operations, and associated attachments.
- Publication of the Final COOP: Finalize and provide the electronic version of the COOP following client approval.

### PHASE ONE—PROJECT IMPLEMENTATION & INFORMATION ACQUISITION

### Task 1-A: Project Initiation and Development of a Work Plan

AP Triton will initiate a series of discussions with the client's project team to develop a thorough understanding of the background, goals, and specific requirements for the Continuity of Operations Plan (COOP). Emphasis will be placed on ambulance services' continuity, with an all-hazards approach. Triton will then develop a detailed work plan that includes timelines, resources, and key milestones.

### Task 1-B: Procurement of Information and Data

Triton will actively engage with relevant agencies and stakeholders to gather information and data essential to formulating the COOP. This includes emergency response statistics, existing protocols, regional risk assessments, and other critical documents. The plan will be developed in close collaboration with the client and the ambulance subcontractor.

### PHASE TWO—CONTINUITY OF OPERATIONS PLAN DEVELOPMENT

### Task 2-A: Hazard and Threat Vulnerability Analysis

A Continuity of Operations Plan (COOP) ensures the agency can continue to perform its mission-essential functions during a wide range of emergencies. COOP requires planning for any event—natural, human-caused, technological threats, and national security emergencies. Triton will conduct a Hazards Vulnerability Analysis of the agency's potential threats and hazards that could disrupt operations. The assessment will prioritize these risks and evaluate their impact on critical functions.

### Task 2-B: Development of Essential Function Business Processes

In order to develop the COOP, Triton will create an Essential Business Function/Process Template and questionnaire to consider the critical functions and services of each department. These essential functions include:

- Mission Essential Functions: Functions that enable an organization to provide vital services, exercise civil authority, maintain the safety of the public, and sustain the industrial/economic base.
- **Essential Activities:** Functions that an organization must continue during a continuity activation that enable Mission Essential Functions to be completed.

### CONTINUITY OF OPERATIONS PLANS | CONFIRE JPA

Triton will also develop a workshop for CONFIRE supervisors to understand the identification process of essential functions. Training will include:

- Definition of the essential business processes.
- List critical functions and services that must be maintained during disruptions.
- Description of the importance of each function and its dependencies.
- Consider succession planning by department and cross-training needed.
- List critical equipment and systems and establish relevant redundancies.

Triton associates will follow-up with one-on-one discussions with supervisors after the workshop to complete the essential business function/process template and questionnaire.

### Task 2-C: Development and Review of the Draft COOP

Triton will create a comprehensive electronic draft of the COOP, which will undergo technical review by the client. The draft COOP will encompass the following sections and more:

# Carolina Panthers/Tepper Sports & Entertainment (North Carolina)

# Project Title & Description: Life Safety Plan/EOP/Business COOP

AP Triton was commissioned by Tepper Sports & Entertainment to deliver specialized fire code and life safety consulting services for Bank of America Stadium, located in Charlotte, North Carolina. Leveraging our extensive and nuanced understanding of state, federal, and local regulations and standards—including the applicable building codes, NFPA (National Fire Protection Association) standards, and the North Carolina Fire Prevention Code—we undertook a comprehensive examination of existing life safety systems. Our focused evaluation led to the development of an NFPA 101 Life Safety Evaluation tailored to the facility's unique requirements. Our team's in-depth analysis went beyond just a standard review. We thoroughly examined the existing Emergency Operations Plan, and based on our findings, crafted innovative staffing training programs, and a comprehensive Business Continuity Plan.

# City of Kingsburg (California)

# Project Title & Description: Emergency Operations Plan & Continuity of Operations Plan

AP Triton was entrusted with the crucial task of reviewing and updating the City's existing Emergency Operations Plan. Our role was to ensure complete alignment with FEMA guidelines, specifically adhering to CPG 101, the fundamental document that defines a well-structured emergency planning process. Our engagement extended beyond mere compliance with regulations. We undertook a comprehensive analysis of the existing plan, identifying areas for enhancement and integration of innovative strategies tailored to the City's unique needs and challenges. In addition to revising the Emergency Operations Plan, we developed a Continuity of Operations Plan. This component involved crafting a resilient framework that ensures the uninterrupted delivery of essential services, even in the face of unforeseen emergencies or disruptions.

# Contra Costa County Fire Protection District (California)

# Project Title & Description: Ambulance Service Feasibility Study

Contra Costa County Fire Protection District (population over 1 million). The study foundation was developed by determining what the current and past insured and uninsured payer mixes were. These payer mixes were all inclusive which, together with other demographic information, allowed AP Triton to determine the maximum value of the system. The study then analyzed the Federal Reimbursement programs available and provided estimates for both GEMT (Ground Emergency Medical Transport) and IGT (Intergovernmental Transfer) programs. Several options were proposed for consideration by the Fire District, and the Public-Private Partnership (contractor/subcontractor) option was chosen. AP Triton then provided services to select the private (subcontractor) partner and managed the response to the County-wide RFP for Ambulance service. Contra Costa County Fire was awarded the contract for ambulance service through a competitive bid process. They have increased their response time compliance from a level of 89-90% under the former provider to an average of 96% across all response zones. Further, their ambulance transport system, which was historically under questionable sustainability, now turns a \$10 million profit annually and has amassed a reserve of \$38 million. AP Triton Consulting is currently on a maintenance and system retainer agreement through March 2022 to assist the Contra Costa County Fire Department in operating its ambulance transport system.

# Project Title & Description: EMS Valuation/Assessment Study

AP Triton conducted an assessment of the financial structure of the San Bernardino County ambulance system to determine which areas could be subject to competitive bid, the value of the system, the resources needed to provide services to those areas, the cost to implement those services, the time needed to secure equipment, the continued operating costs, and the ability to provide additional services to enhance system delivery.

#### **ELIGIBLE UNITS:**

- CONFIRE SUPERVISORS' UNIT
- CONFIRE MANAGEMENT UNIT

Effective pay period 1 of each year, an employee in a regular position who is in paid status will be provided with forty (40) hours of Administrative Leave time for the employee's use.

An eligible employee in a regular position who is part-time or job-sharing shall be eligible for a prorated number of Administrative Leave hours based on regularly scheduled hours. Those employees appointed after Pay Period 1 shall receive a prorated number of Administrative Leave hours at the time of their appointment. Such proration shall be based upon the remaining number of pay periods in the calendar year nearest their appointment. Employees not in paid status (i.e., not coding paid hours) in pay period 1 shall receive a prorated number of Administrative Leave hours upon return to paid status. Such proration shall be based upon the remaining number of pay periods in the calendar year nearest their return to paid status. However, an employee who is not in paid status during the entire calendar year, i.e., not in paid status from pay period 1 through pay period 26, or 27(when applicable), shall not receive Administrative Leave for the calendar year(s) during which he/she was not in paid status. For example, if an employee is not in paid status from November of 2020 through February 2022, and then returns to paid status in March 2022, the employee shall receive a prorated sum of Administrative Leave hours for calendar year 2022 upon her return to paid status but shall not receive the calendar year 2021 Administrative Leave because the employee was not in paid status for the entire 2021 calendar year.

Employees may only submit amended Time and Labor Reports to charge Administrative Leave for pay periods in which another leave type was requested, approved and charged, if such amended TLRs are submitted within two (2) pay periods of the pay period to be amended, provided however, that Administrative Leave may not be substituted for Holiday Leave.

Such administrative leave may be cashed out at the employee's then current base rate of pay in increments of one (1) hour one (1) time during the calendar year to the extent that the hours would have accrued at the rate of 3.33 hours per month minus any hours used up to that time. Any administrative leave accrual balances in effect at the end of pay period 26 of each year (or if applicable, pay period 27) will automatically be paid at the employee's then current base rate of pay. Employee may designate that cash-out of administrative leave be allocated to the County's Section 457 (b) Deferred Compensation Plan consistent with the requirements and restrictions of such Plan. Upon termination of employment or appointment to a position in another occupational unit, unused administrative leave will be paid at the employee's current base rate of pay only by the amount of hours that would have been accrued at the rate of 3.33 hours per month minus the total number of hours previously used and cashed out.

# ANNUAL LEAVE

# **ELIGIBLE UNITS:**

- CONFIRE SUPERVISORS' UNIT
- CONFIRE MANAGEMENT UNIT

Effective pay period 1 of each year an employee in a regular supervisory position who is in paid status shall be credited with forty (40) hours of annual leave for the employee's use. Employees hired after the beginning of pay period 1, shall be credited with a prorated number of Annual Leave based upon the annual rate of forty (40) hours (i.e., 1.54 hours per pay period, or any portion thereof). Annual leave will be separate from and in addition to any vacation or holiday leave. If any Annual Leave remains at the end of pay period 26 (27, when applicable), it shall not

8

288

2024 - 2027

be cumulative into the next calendar year nor shall there be any conversion to cash.

An eligible employee in a regular position who is part-time or job-sharing shall be eligible for a prorated number of Annual Leave hours based on regularly scheduled hours. Those employees appointed after pay period 1 shall receive a prorated number of Annual Leave hours at the time of their appointment. Such proration shall be based upon the remaining number of pay periods in the calendar year nearest their appointment. Employees not in paid status (i.e., not coding paid hours) in pay period 1 shall receive a prorated number of Annual Leave hours upon return to paid status. Such proration shall be based upon the remaining number of pay periods in the calendar year nearest their return to paid status. However, an employee who is not in paid status during the entire calendar year, i.e., not in paid status from pay period 1 through pay period 26, or 27 (when applicable), shall not receive Annual Leave for the calendar year(s) during which he/she was not in paid status. For example, if an employee is not in paid status from November of 2020 through February 2022, and then returns to paid status in March 2022, the employee shall receive a prorated sum of Annual Leave hours for calendar year 2022 upon her return to paid status but shall not receive the calendar year 2021 Annual Leave because the employee was not in paid status for the entire 2021 calendar year.

Employees who are appointed to a position in a classification that does not contain an Annual Leave provision and who have been denied in writing the opportunity to use the leave due to work urgency shall receive in cash payment the prorated amount of Annual Leave from the start of pay period 1 to the date of the position change (i.e., 1.54 hours per pay period) minus any Annual Leave hours used up until that time. Where an employee has elected to use vacation leave in lieu of Annual Leave, the prorated annual leave shall be reduced by the number of vacation hours utilized. In those instances where an employee returns to the supervisory classification prior to the end of the calendar year, the Annual Leave for the remainder of the calendar year shall be credited on a prorated basis, i.e. 1.54 hours per pay period. This provision applies only to these specific circumstances and expressly excludes its application to any other set of circumstances.

Employees may only submit amended Time and Labor Reports to charge Annual Leave for pay periods in which another leave type was requested, approved and charged, if such amended TLRs are submitted within two (2) pay periods of the pay period to be amended, provided however, that Annual Leave may not be substituted for Holiday Leave.

# **AUTHORIZED EMPLOYEE REPRESENTATIVES**

# **ELIGIBLE UNITS:**

ALL UNITS

# Section 1: Authorized Employee Representatives

If a Teamsters Business Agent is unavailable, Teamsters may designate employees as authorized employee representatives or alternates to represent employees in investigation interviews, in the processing of grievances, during disciplinary proceedings or as otherwise permitted by law, subject to the following rules and procedures:

- (a) Teamsters may designate at least one (1) authorized employee representative in each location for which CONFIRE maintains a work force. Teamsters shall be entitled to designate two (2) alternates for each authorized employee representative, provided that these alternates shall be located at the same major location as their appropriate representative.
- (b) Teamsters will designate only employees who have obtained regular status.
- (c) Teamsters shall file with the affected Department Head, Department Human Resources Business Partner, and the Employee Relations Division Chief, a written list of all employees designated as authorized employee representatives and alternates, such list to be kept current by Teamsters.
- (d) Time spent during regularly scheduled work hours by an authorized employee representative or alternate in

2024 - 2027

representing an employee shall only be compensated by CONFIRE at such representative's or alternate's base rate of pay.

- (e) CONFIRE vehicles and supplies may not be used. CONFIRE telephones may not be used in implementing the provisions of this Article if such use would unduly interfere with the efficiency, safety, or security of CONFIRE operations and result in telephone costs to CONFIRE.
- (f) The parties shall arrange and be available for meetings, investigatory interviews, etc., within a reasonable period of time, taking into account such things as the nature of the offense and/or the circumstances (e.g., employee on ERL, employee seeking return to work, etc.).
- (g) Prior to conducting an investigative interview, CONFIRE must inform the employee of the type of impropriety and allow the employee and the representative an opportunity to confer privately about the subject of the impending interview.

#### Section 2: Handling of Grievances and Disciplinary Proceedings

- (a) At the request of an employee, an authorized employee representative or alternate may investigate a formal grievance and represent the employee at the resulting proceedings or during disciplinary proceedings, including Skelly hearings.
- (b) Prior to participating in a grievance or disciplinary proceeding, the authorized employee representative or alternate and affected employee shall first obtain authorization from their immediate supervisor. The immediate supervisor may deny such request if it is deemed that such a request would unduly interfere with the efficiency, safety, or security of CONFIRE's operations. If the request is denied, the immediate supervisor will establish an alternate time convenient to CONFIRE and employees when the authorized employee representative or alternate and affected employee can reasonably expect to be released from their work assignment. A denial of permission will automatically constitute an extension of the time limits established in the Grievance Procedure equal to the amount of the delay.
- (c) Employees must use the authorized employee representative or alternate assigned to their location and representation unit, except as otherwise provided herein.
- (d) Sections 1 and 2 of this Article do not preclude authorized employee representatives from bringing one additional steward to a meeting (e.g., a meeting at a step in the grievance process, an administrative interview, etc.) for the purpose of training; provided, however, that the scheduling of the meeting shall not be delayed by the trainee steward's unavailability and their presence is authorized by their supervisor and does not unduly interfere with the efficiency, safety, or security of CONFIRE's operations. Further, CONFIRE shall be provided two working days advance notice of the trainee steward's anticipated presence unless a shorter period is agreed-upon or necessitated by circumstance (e.g., scheduled less than 2 days in advance, etc.). Any time spent by trainee stewards at these meetings shall be processed in accordance with the Union Leave article.

# Section 3: Employee Representative Committee

Up to two (2) authorized employee representatives or alternates will be permitted to attend Employee Representative Committee meetings on CONFIRE's time; provided, however, that no such employee shall be released for more than two (2) hours per month. In January of each year of this Agreement, representatives of Teamsters and CONFIRE will review the maximum number of attendees in this Section.

Monthly, Teamsters shall notify CONFIRE of the employee representative who attended the previous Employee Representative Committee meeting.

2024 - 2027

# **BILINGUAL COMPENSATION**

Employees in such positions must be certified as competent by the Human Resources Department to be eligible for compensation. There are three (3) levels of competency certification solely determined and administered by Human Resources: Level 1 - verbal skill level: the use of English and a second language in verbal contexts which may require interpretation of simple documents in the second language; Level 2 - written skill level: reading, writing and speaking English and a second language; and Level 3 - technical skill level: reading, writing and speaking English and a second language using medical or legal terminology. # **CENTER ACCREDITATION BONUS**

Employees in the classification of Emergency Communication Assistant Manager and Emergency Communication Manager shall be eligible to receive the Center Accreditation Bonus in the amount of seven hundred dollars (\$700) lump sum payment. ### CLASSIFICATION

#### **ELIGIBLE UNITS:**

ALL UNITS

# Section 1: Purpose

Classification review is a management tool to ensure the accurate reflection of tasks and duties involved in each CONFIRE position for the purpose of recruitment, compensation, and organizational structuring. CONFIRE shall notify Teamsters in writing of all classification and salary changes to classifications allocated to a Teamsters within two (2) working days after such changes have been approved by the Board of Directors. Whenever positions are subject to any change as a result of a classification review, such change will generally be determined by CONFIRE within one hundred and eighty (180) to two hundred and forty (240) days of receipt of the classification review request, subject to the classification appeal procedure. The parties recognize that there may be instances when a Teamsters classification request review may exceed two hundred and forty (240) days, and in those instances CONFIRE shall notify Teamsters of the anticipated duration of such review. New and revised classification specifications shall be furnished to Teamsters in a timely manner. Further, CONFIRE shall provide Teamsters with periodic status updates on classification studies/reviews. Such updates shall generally coincide with CONFIRE's established submission deadlines (e.g., March and September). Finally, the Teamsters may contact the Human Resources Business Partner after receiving the final recommendations to seek any additional clarification.

# Section 2: Implementation of Classification Study Results

### (a) Upgradings

An upgrading is the reclassification of a position from one classification to another classification having a higher base salary range. Whenever an incumbent employee is upgraded as a result of such reclassification such employee's step placement in the new salary range shall be governed by the Article on "Promotions."

2024 - 2027

## (b) Downgradings

A downgrading is the reclassification of a position from one classification to another classification having a lower base salary range. When a position is downgraded, the incumbent employee may continue at the same salary rate payment where the salary rate is within the new base salary range. Where an incumbent receives a salary rate payment greater than the maximum of the new base salary range, the Director of Human Resources may authorize continuation of the same salary rate payment to the incumbent employee that the employee received prior to the downgrading of the position by placing the employee on an "X" step, provided that the employee shall receive no future salary rate increases until the salary range maximum of the new classification exceeds the "X" step. Upon request, an employee with regular status occupying a position which has been downgraded shall be placed on an eligibility list for any classification equivalent to their former classification for a period of two (2) years. Equivalent classification is hereby defined as one requiring all of the following: (1) the same kind and amount of experience; (2) the same degree of skills, knowledge, and abilities; and (3) a salary level no higher than the employee's former classification.

#### (c) Salary Rate (Equity) Adjustment

A salary rate (equity) adjustment is a change in the salary range assignment of an existing classification as a result of a compensation study. Step placement for incumbent employees whose classification is assigned to a higher base salary range shall be determined as follows:

The employee shall be placed on the step in the new range that is approximately a five percent (5%) salary increase, not to exceed the maximum step of the new range. Service hours for the purpose of determining eligibility for the next merit advancements will not reset for employees receiving an equity adjustment. Subsequent step advances shall be administered in accordance with the Salary Rates and Step Advancements and Merit Advancements Articles of this Agreement.

# Section 3: Classification Appeals

In recognition that classification appeals can impact the terms and conditions of employment for Teamsterrepresented employees, only Teamsters shall be permitted to file classification appeals. The burden of proof on any classification appeal rests with the appellant to establish why the recommended allocation is not appropriate. The content of and decision on classification appeals shall be restricted to consideration of the recommended and the requested classification. All classification appeals shall be limited to a discussion of duties and responsibilities performed at the time the position was studied.

Classification appeals are heard by a mediator with classification expertise. The decision of the mediator shall be advisory. If the decision of the mediator has an economic impact, the decision of the mediator shall be in the form of a recommendation to the Board of Directors for final action. The mediator shall follow the appeal procedure established by CONFIRE and Teamsters, and provide written justification to the aforementioned parties on classification appeal recommendations. The cost of the mediator shall be split between CONFIRE and Teamsters.

<u>Step 1</u> – At the conclusion of the classification study, Human Resources will make a written recommendation to the appointing authority, unless the mediator's recommendation would have an economic impact. In such cases, the Board of Directors would take final action.

<u>Step 2</u> – The appointing authority will notify position incumbent(s) of study results and the timeframes for filing an appeal.

#### Step 3

(a) Teamsters may file a classification appeal individually or in groups provided that all positions represented were allocated to the same class and appealed to the same class. The appeal form should thoroughly explain why

2024 - 2027

Teamsters believes that the allocation is not appropriate and why the requested class is more appropriate. Appeals must be based on the duties performed at the time the position was studied.

- (b) An appeal to a non-existent class must clearly show that no existing classification describes the duties and functional responsibilities of the position.
- (c) Disagreements on title of a class, or on the format and wording of class specifications, are not bases for an appeal. Requests for revisions will be presented in writing to Human Resources for review.
- (d) Revisions to a class specification may be appealed to the mediator in cases where it is alleged that a class specification was so significantly revised as to change the grade determinants of a class.
- (e) Disagreements on salary matters for new classifications are excluded from this procedure and will be considered in the context of the meet and confer process. The salary of a classification for which a technical title change has been approved by the Board of Directors is not appealable. No salary action can be taken on an existing classification to the meet and confer process that would have the effect of reopening this Agreement. Salaries for new classes will be set by management, unless changes are made by an appeal and recommended by the meet and confer process.
- (f) Disagreements on representation unit designations are excluded from this procedure.

<u>Step 4</u> – Teamsters completes the Classification Appeal Form and files it within fifteen (15) working days of Board of Directors' approval; or within fifteen (15) working days from the appointing authority's notification to the employee.

### Step 5

- (a) The appeal will be reviewed by Human Resources for changes in job duties or other substantial changes to the position description on which the allocation was based.
- (b) Human Resources staff will respond in writing to the Appeal within fifteen (15) working days. Copies of the response will be sent to Teamsters.
- <u>Step 6</u> A mandatory prehearing conference will be scheduled within a twenty (20) workday period from the date of Human Resources' response. Teamsters and Human Resources staff will meet and attempt to reach a settlement. At the request of parties involved, additional personnel may attend to offer clarification of job duties performed by the appellant(s). If no resolution is reached at this conference, Teamsters and Human Resources will stipulate the issue(s) in dispute.
- <u>Step 7</u> Following the prehearing conference, Human Resources staff and Teamsters will consider the information exchanged. Human Resources may revise its allocation recommendation, and appellant(s) may withdraw appeals.
- <u>Step 8</u> Any additional supporting documentation must be filed with the mediator by both Teamsters and Human Resources staff fifteen (15) workdays subsequent to the prehearing conference. Lists of witnesses and all written materials/exhibits that are to be discussed at the hearing must be included in this final brief. All parties will receive copies of these briefs.
- <u>Step 9</u> All of the aforementioned timeframes may be lengthened or shortened upon the joint concurrence of Human Resources and Teamsters.
- <u>Step 10</u> Appeals which have not been resolved through the preceding steps will be forwarded to the mediator.
- Step 11 Appeals presentations will be limited to the incumbent employees or spokespersons elected from the

2024 - 2027

group, exclusive recognized employee organization staff representatives, and members of Human Resources staff. Witnesses may be heard for the purpose of clarifying technical aspects of job duties.

- (a) Prior to the appeal hearing, the mediator will have reviewed copies of the appeal documentation submitted by both parties.
- (b) Appellants will present arguments first. The burden of proof is with Teamsters why the recommended classification allocation is not an appropriate recommendation. Twenty (20) minutes will be allowed for presentation. Time not taken for presentation will be forfeited. Arguments should be centered around why the classification allocation was not appropriate and what classification would be the most appropriate.
- (c) Human Resources staff will present arguments. Twenty (20) minutes will be allowed for presentation of this argument. Time not taken will be forfeited.
- (d) At the conclusion of the arguments, the mediator will have the opportunity to ask questions.

#### <u>Step 12</u>

- (a) Decisions of the mediator will be limited to the class recommended by Human Resources, or the class requested by the appellant on the Classification Appeal Form.
- (b) A written decision shall be given within thirty (30) days of the hearing, indicating the basis for the decision.

<u>Step 13</u> – Following the appeal hearing, the mediator shall forward the written recommendations to Human Resources and Teamsters. Both parties will be allowed a two (2) week review period prior to submission of the decision to the Board of Directors.

<u>Step 14</u> – Parties will agree to support the recommendations of the mediator unless there is a failure to act in good faith in implementing the spirit and intent of these procedures.

<u>Step 15</u> – This procedure shall remain in effect until it is changed through the meet and confer process. Requests for changes to the procedure may be presented at any time.

# Section 4: Annual Classification Evaluation Request

Teamsters may submit a written request to Human Resources to evaluate the designated salary ranges for one (1) classification per year. Once a classification has been reviewed, that classification is no longer eligible for review during the term of the Agreement. Teamsters will thoroughly explain in their written request why the classification is appropriate for an evaluation and provide supporting information. Both parties understand that various factors are used as part of the evaluation process to include external county salaries, retention, vacancy, recruitment data, and internal classification relations (vertical and horizontal). CONFIRE agrees to meet within 30 days of a Teamsters request to review the selected classifications to consider potential remedies.

If the parties have not reached mutual agreement within 90 days of the first meeting, unless a deadline extension is agreed upon, the parties agree to proceed to mediation. The mediator shall have classification expertise and the decision of the mediator shall be advisory. The decision of the mediator shall be made in the form of a recommendation to the Director of Human Resources for final consideration. The cost of the mediator shall be split between the parties.

This process is meant to be a standalone process and separate from other sections of this article.

# **DEMOTIONS**

#### **ELIGIBLE UNITS:**

#### ALL UNITS

A demotion is the appointment of an employee from an incumbent position to a position in a different classification for which the maximum rate of pay is lower.

A promoted employee who is returned to former classification during the probationary period shall be placed on the same step within the base salary range for the former classification that the employee was on at the time of promotion. No credit shall be granted for time spent at the promoted level for the next step advance due date.

A probationary employee who voluntarily demotes to a different classification from which the employee was promoted shall be placed on a step closest to, but not less than, their current base rate of pay on the salary range of the classification to which the employee demotes. However, if the salary rate is higher than the top step of the lower classification, the employee shall be placed at the top step of the base salary range of the lower classification.

An employee with regular status who voluntarily demotes to a lower classification shall be placed on a step closest to, but not less than, their current base rate of pay on the salary range of the classification to which the employee demotes. However, if the salary rate is higher than the top step of the lower classification, the employee shall be placed at the top step of the base salary range of the lower classification.

An employee who demotes to a trainee classification for which the journey level classification is higher than the classification he/she demoted from, shall be placed on a step closest to, but not less than, their current base rate of pay on the salary range of the classification to which the employee demoted. Employees whose current base rate of pay exceeds the top step of the salary range to which the employee demoted shall be placed on the "X" step and retain their current base rate of pay. Provided that the "X" step continues to be above the top step of the demoted classification range, the employee shall receive no future salary rate increases until the employee has promoted to the journey level classification.

An employee who demotes to a trainee classification for which the journey level classification is lower than the classification he/she demoted from shall be placed on a step closest to, but not less than, their current base rate of pay on the salary range of the classification to which the employee demoted, provided that the salary rate does not exceed the top step of the journey level classification. However, if the salary rate is higher than the top step of the journey level classification, the employee shall be placed at the top step of the base salary range of the lower journey level classification.

An employee whose position is downgraded as a result of a classification study may be placed on the "X" step in accordance with the provisions of the Article on "Classification, Section 2(b)" with the approval of the appointing authority and the Director of Human Resources.

2024 - 2027

An employee demoted for disciplinary reasons shall be placed on the step within the base salary range of the class to which the employee is demoted as provided in the Order of Demotion.

If the employee held prior regular status in the demoted to classification, the employee shall resume said status. If the employee did not have prior regular status in the classification, the employee shall be required to serve a probationary period, unless waived by the Director of Human Resources. When considering whether to waive the probationary period the Director of Human Resources will take into consideration many factors, including whether the classification the employee is demoting from has the same duties the classification the employee is demoting to, but is distinguished by higher level complexities (e.g., Programmer II to Programmer I).

Where an employee is given the choice between several means of travel (e.g., use of County vehicle vs. own personal vehicle, flying vs. driving, etc.) and the employee chooses the option that is more costly, the employee shall only be reimbursed for the lesser cost option. For example, if an employee chooses to drive his/her own vehicle when offered a CONFIRE vehicle, the employee shall not be entitled to any reimbursement. Similarly, if the cost of flying on an airplane is less than the cost of driving, the employee shall only be reimbursed for the amount the County would have paid for the flight.

# Section 7: Meals and Lodging

- (a) Subsistence allowances for lodging and meals shall not be allowed without prior approval of the Appointing Authority or designee, as necessary for the purpose of conducting CONFIRE business. Excess charges for meals and lodging greater than the amounts listed below in paragraphs (b) and (c) may be authorized under special conditions, such as a convention or conference requirement (e.g., lodging at the hotel where the conference is held) or if CONFIRE business requires lodging and meals in an area of unusually high cost (i.e., Non-Standard Areas as established by the GSA). Employees may be reimbursed for expenses in high cost areas for the actual cost incurred, but generally not to exceed the per diem amounts established by the GSA for that area and month. Receipts are mandatory to obtain reimbursement for all lodging expenses and, except as provided below, for all meal expenses claimed.
- (b) An employee may be reimbursed for lodging expenses at actual cost, generally not to exceed the standard lodging per diem rate established by the GSA, except as otherwise provided in Section 7 paragraph (a) of this Article.
- (c) Except as otherwise provided in Section 7 paragraph (a) of this Article, reimbursements for meal expenses may be provided as follows:
  - (1) Option 1 With receipts, an employee may be reimbursed for meal expenses up to eleven dollars (\$11.00) for breakfast; fifteen dollars (\$15.00) for lunch; and twenty-four dollars (\$24.00) for dinner, plus tax and up to 15% gratuity.

- (e) The parties agree that it is the basic responsibility of employees to anticipate and make provision for their own meals. In emergency situations at the work site, if an employee is unable to obtain a meal due to extraordinary working conditions or an extremely remote work site, CONFIRE shall make every effort to provide meals.

2024 - 2027

#### **Section 8: Credit Cards**

The Appointing Authority may issue a CONFIRE credit card to an employee and require business expenses be paid with said card. Further, CONFIRE may require that meal and lodging expenses be limited to the maximum amounts listed in Section 7, paragraphs (b) and (c) above. If unauthorized charges are placed on the card, the employee shall be required to reimburse CONFIRE. If the employee fails to reimburse CONFIRE within fifteen (15) calendar days or prior to separation from CONFIRE service, the Auditor-Controller/Treasurer/Tax Collector's Office may recover any unauthorized charges from the employee's pay.

# **Section 9: Expense Advances**

# FITNESS FOR DUTY

# **ELIGIBLE UNITS:**

# • ALL UNITS

The parties agree that physical and mental fitness of CONFIRE employees are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this Agreement CONFIRE, with reasonable cause, may require medical and psychological assessments of employee provided CONFIRE pays and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals.

Medical and psychological reports shall be released to and retained by the Center for Employee Health and Wellness. The information in these reports shall only be released on a need-to-know basis, restricted to the purpose for which the examination was originally required, for the effective conduct of CONFIRE business.

Any remedial or treatment action shall be the full responsibility of the employee, except as otherwise provided by law.

# FLEXIBLE SPENDING ACCOUNT

## **ELIGIBLE UNITS:**

# ALL UNITS

The purpose of this Section 125 Flexible Spending Account (FSA) Plan is to permit eligible employees to make an election to pay for qualifying medical care expenses, as determined by Section 213 of the Internal Revenue Code of 1986 (IRC), on a pre-tax basis by salary reduction in accordance with Sections 125 and 105(b) of the IRC and regulations issued pursuant thereto.

2024 - 2027

The FSA shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. FSA exclusions from gross income do not affect compensation for retirement purposes.

The FSA will be administered by the County's Human Resources Employee Benefits and Services Division, consistent with said IRC Sections and the County's Medical Expense Reimbursement Plan Document.

- (a) To be eligible for this benefit, an employee must be in a regular position.
- (b) Enrollment in the Plan is required every Plan Year and limited to the annual open enrollment period or no later than sixty (60) calendar days following the date of becoming eligible due to a mid-year Change in Status event.
- (c) Eligible employees may contribute, on a pre-tax basis, to a flexible spending account, each bi-weekly pay period up to the established amount pursuant to the IRC annual maximum. An employee election to participate in the Plan shall be irrevocable for the remainder of the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and the County's Medical Expense Reimbursement Plan Document.
  - Employees who select the County-sponsored Blue Shield Access + HMO Plan, County-sponsored Kaiser Choice HMO Plan, or an equivalent Teamsters Local 1932-sponsored gold health plan and elect to enroll in the FSA shall be eligible for up to a \$10.00 per pay period match to the FSA to be credited on a quarterly basis.
- (d) Any unused amounts remaining in an employee's account at the end of the Plan year must be forfeited except as permitted by the IRC and the County's Medical Expense Reimbursement Plan Document. Any forfeited amounts shall be used to help defray the Plan's administrative expenses.

# FULL UNDERSTANDING, MODIFICATION AND WAIVER

## **ELIGIBLE UNITS:**

# ALL UNITS

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the full right and adequate opportunity to make demands and proposals with respect to any subject or matter within the scope of representation, and that the understandings arrived at after the exercise of that right are set forth in this Agreement. The express provisions of this Agreement for its duration therefore constitute the complete and total contract between CONFIRE and Teamsters with respect to wages, hours, and other terms and conditions of employment. Any prior or existing Agreement between the parties, whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety. Therefore, CONFIRE and Teamsters for the life of this Agreement, each voluntarily waives the right to meet and confer in good faith with respect to any subject or matter referred to or covered in this Agreement. The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions. This article shall not act as a waiver of any reserved or customary CONFIRE's management rights or act as a waiver of Teamsters' right to bargain the impact of CONFIRE's exercise of its exclusive management's rights if legally required to do so.

# **GRIEVANCE PROCEDURE**

## **ELIGIBLE UNITS:**

ALL UNITS

#### Section 1: Purpose

CONFIRE and Teamsters fully realize the importance of a viable Grievance Procedure to aid in the resolution of disputes among employees, supervisors, and management. It is recognized that conditions may arise which can create employee dissatisfaction, and that to maintain high employee morale and harmonious relations, an orderly method of processing grievances is necessary. This procedure is intended to establish a systematic means for

2024 - 2027

obtaining answers and decisions regarding employee complaints. This procedure is not intended to be used to effect changes in the terms of this Agreement or those matters not covered by this Agreement. The Board of Directors and Teamsters have pledged that their representatives at all levels will extend active, aggressive and continuing efforts to secure prompt disposition of grievances. The initiation of a grievance in good faith by an employee shall not cause any adverse reflection on the employee's standing with immediate supervisors or loyalty as a CONFIRE employee.

#### Section 2: Definition of a Grievance

A grievance is a disagreement between CONFIRE management and an employee, group of employees, or Teamsters concerning the interpretation, application, or alleged violation of a specific Article(s) of this Agreement. Teamsters may not independently submit or process a formal grievance, unless it alleges that at least one (1) employee within the Unit has suffered detriment as a result of the aggrieved contract provision. Group grievances are defined as, and limited to, those grievances that allege more than one (1) employee suffered harm under similar facts and circumstances within the grievance filing period. Group grievances shall name all harmed employees and/or classifications and identify the departments and/or work locations of such employees. Where a group grievance is filed, one (1) employee in the group shall be selected by Teamsters to process the grievance. A grievant shall be entitled to Teamsters representation at any step under this Grievance Procedure.

#### Section 3: Jurisdiction

The Director of Human Resources, or designee, in consultation with the County Labor Relations Chief, shall have the sole authority within CONFIRE structure to provide the official management interpretation or application to any and all provisions of this Agreement. The arbitrator has the final authority within CONFIRE structure to adjudicate all grievances, as defined or otherwise provided herein. The arbitrator holds no jurisdiction over a grievance where the remedy has been granted.

## Section 4: Exclusions

In that only regular employees are covered by the Personnel Rules for Board-Governed Special Districts, any dispute which may arise between parties involving the application, meaning, or interpretation of the Personnel Rules for Board-Governed Special Districts shall be settled in accordance with the appropriate appeal procedure established in the Personnel Rules for Board-Governed Special Districts except as modified by the parties in this Agreement via Section 11 of this Article. All matters are excluded from this procedure which deal with the "Non-Discrimination" Article; "Management Rights" Article; the project compensation provisions of the "Temporary Performance of Higher Level Duties" Article; federal or state statutes, rules or regulations; or County Charter.

The appeal processes that include the Classification Appeal Procedure and the Memoranda of Understanding grievance adjudicatory process are mutually exclusive remedy bodies. Accordingly, there shall be no double or multiple requests or appeals for a same case/same set of circumstances where one adjudicatory body has rendered a decision on the same. Decision is to be interpreted as excluding a situation where an adjudicatory body has determined it has no jurisdiction in the matter.

Except as otherwise provided by this Agreement or state or federal statute, this Grievance Procedure shall be the sole and exclusive procedure for seeking recourse for any grievance, as defined in Section 2 of this Article.

Any grievance will be terminated once an Equal Employment Opportunity (EEO) complaint is filed on the issue being grieved.

### Section 5: Representation

Aggrieved employee(s) may represent themselves, or may be represented by an authorized Teamsters employee representative, or by a Teamsters Labor Relations Representative. This representation may commence at any step in the Grievance Procedure. A representative of Human Resources may be in attendance at any step in the Grievance

2024 - 2027

Procedure. CONFIRE agrees within reasonable limits to compensate the aggrieved employee(s) for time spent during regularly scheduled hours in the handling of real and prospective grievances.

# Section 6: Consolidation of Grievances

In order to avoid the necessity of processing numerous similar grievances at one time, similar grievances shall be consolidated whenever possible.

#### Section 7: Time Limitations and Notification

Time limitations are established to settle a grievance quickly. Time limits may be modified only by agreement of the parties. If at any step of this Grievance Procedure, the grievant is dissatisfied with the decision rendered, it shall be the grievant's responsibility to initiate the action which submits the grievance to the next level of review within the time limits specified. Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the matter shall be considered resolved. For purposes of this Grievance Procedure, notification to a party may be given either personally, by U.S. mail, telephonically, by facsimile, or via E-mail.

The grievant shall promptly proceed to the next step if a reviewing official does not respond within the time limits specified. A grievance may be entertained or advanced to any step beyond Step 2, Employee Relations Division, if the parties jointly so agree. A copy of such agreements bearing the signature of the parties shall be filed with the Employee Relations Division of Human Resources.

When notice is mailed to an employee, it shall be sent to the employee's current address of record. For the purpose of this procedure, notice by mail shall be deemed to have been completed on the fifth calendar day following deposit of notice with the United States Postal Service, unless the party can establish that notice was not actually received as a result of circumstances beyond the party's control.

## Section 8: Steps in the Grievance Procedure

The procedures outlined herein constitute the steps necessary to resolve an employee's grievance. The attempt of settlement of grievances filed on behalf of an individual employee(s) at the employee-supervisor level is required. The grievance must be submitted within fifteen (15) working days after the employee is aware of the conditions precipitating the grievance.

<u>Step 1 – Immediate Supervisor</u>. Initially the employee having a grievance shall on a personal face-to-face basis discuss the complaint with the immediate supervisor. At this step, it is the responsibility of the employee to inform the supervisor that they are initiating the grievance process. Within three (3) working days the immediate supervisor shall give the decision to the employee orally. If the immediate supervisor is not available, next in the chain-of-command should be notified.

Step 2 – Employee Relations Division. If a mutually acceptable solution has not been reached in Step 1, the grievant shall submit the grievance in writing on appropriate forms supplied by the Employee Relations Division which shall provide a detailed statement of the grievance, including dates, names, and places, applicable Agreement articles, and the specific remedy or action requested. The written grievance shall be filed in duplicate with the Employee Relations Division within five (5) working days of oral notification of the immediate supervisor's decision. The Employee Relations Division shall make a determination of whether the grievance is a matter for which the Grievance Procedure is appropriate after consultation with Teamsters. In making such determination, the Employee Relations Division shall determine if: (1) the grievance has been filed in a timely manner; (2) the initial step has been followed; (3) if the grievance alleges that a specific Memorandum of Understanding article(s) has been misinterpreted, misapplied, or violated; and (4) The matter complained of in the grievance is covered by a specific provision of the MOU. The determination and notification to the grievant and Teamsters will be made within five (5) working days of receipt of the grievance. If the Employee Relations Division determines that the grievance is not subject to this procedure, Teamsters may appeal this determination directly to an arbitrator in accordance with the provisions of this procedure within five (5) working days following notification by the Employee Relations Division.

2024 - 2027

If objection is made to the procedural and/or substantive grievability of a grievance at this step or any other step of the grievance procedure, the parties may mutually agree to continue processing the grievance on the merits. However, it is expressly agreed that such objections to the procedural and/or substantive grievability of a grievance are preserved in any arbitration hearing and that no waiver will result from the subsequent processing and discussion of the grievance on the merits.

<u>Step 3 – Division/Section Level</u>. If the grievance is accepted, or the parties agree to hold in abeyance any objections to the procedural and/or substantive grievability of the grievance, the grievant shall submit the written grievance to the division/section level within five (5) working days of notification of the Employee Relations Division's determination. The Division/Section Head shall meet with the grievant and thoroughly discuss the grievance. The Division/Section Head shall submit a written response to the grievant within five (5) working days of receipt of the formal grievance from the employee.

<u>Step 4 – Employee Relations Division</u>. If a mutually acceptable solution has not been reached, Teamsters or the grievant shall submit the written grievance to the Employee Relations Division within five (5) working days of the receipt of written response of the Division/Section Head.

Following a review of the grievance with the appointing authority, the Director of Human Resources, or designee, in consultation with the County Labor Relations Chief, shall have full and final authority on behalf of CONFIRE to mutually resolve the grievance with the employee/employee's representative within ten (10) working days of receipt of the written grievance of the employee. Such notification shall be rendered in writing to the grievant, Teamsters and the appointing authority.

<u>Step 5 – Pre-Arbitration Process</u>. If a grievance has not been satisfactorily resolved at Step 4, a written appeal to arbitration must be filed with the Employee Relations Division by Teamsters within five (5) working days of notification of the decision by the Director of Human Resource or designee. At the same time and upon mutual agreement of the parties, the grievance may advance to mediation in accordance with Section 10 of this Article, while concurrently seeking an arbitrator. The appeal must be presented on the aforementioned grievance form along with a copy of any pertinent documents.

Grievances shall only be advanced to arbitration with the agreement of Teamsters. The cost for hearing all grievances advanced to arbitration shall be split equally between CONFIRE and Teamsters, including any cancellation fee if both parties are mutually responsible, otherwise the party responsible shall pay the entire cancellation fee.

Pre-arbitration conferences are to be mandatory and no grievances shall be forwarded to the arbitration process without the same. Within twenty (20) working days of the approval to advance a grievance to arbitration, both parties are required to meet in such conference with the goal of resolving mutually identified grievance issues. If resolution is not attained, both parties are obligated at that time to jointly or individually declare stipulations, identify witnesses and exchange exhibits that will be carried forward to the arbitration process, the intent being full disclosure by both sides prior to the arbitration process. No new issues or violations may be raised at the pre-arbitration hearing conference.

## Step 6 – Arbitration

At the discretion of Teamsters, grievances that occur during the term of this agreement that are not resolved at a prior step in the process can proceed to arbitration. The Employee Relations Division and the Teamsters employee representative shall select an arbitrator by mutual agreement. Where mutual agreement cannot be reached, the parties shall request a list of arbitrators from the State Mediation and Conciliation Service, and mutually select an arbitrator within ten (10) working days of receipt of said list. Where mutual agreement cannot be made, the arbitrator shall be determined following a striking process. The determination as to which party strikes first shall be based on a coin flip. If the last remaining person on the list is not available, the previously stricken person(s) shall be contacted in reverse order until one is available. The parties shall contact the arbitrator to establish a hearing

28

2024 - 2027

date acceptable to both parties.

In reaching a decision and award the arbitrator shall limit themselves to the allegations contained in the grievance presented in relation to the express provisions of the agreement alleged to have been violated. Further, the arbitrator shall have no authority to amend, change, add to, subtract from, or ignore any provisions of this Agreement. Lastly the arbitrator shall not substitute his judgment for that of CONFIRE on matters pertaining to the exercise of managerial discretion except where it can be shown by Teamsters that CONFIRE abused its discretion.

The decision of the arbitrator will be in writing and transmitted to the parties within thirty (30) calendar days after the close of the hearing. This decision may require an appointing authority or a subordinate to cease and desist from the action, which is the subject of the grievance. The arbitrator may also require the appointing authority to take whatever action is necessary, within the control of the appointing authority, to remedy the grievance or take other action to relieve the loss, if any, to the employee. Under no conditions can the arbitrator order relief that exceeds the relief requested by the grievant and shall be limited to making the grievant whole. In the event the arbitrator determines that monetary relief is an appropriate remedy, they shall limit any retroactive award, including interest, to a date that is no earlier than fifteen (15) working days from the date the grievance was filed.

The arbitrator's decision shall be transmitted to the Employee Relations Division and Teamsters with a copy to the grievant.

All grievances shall be treated as confidential and no publicity will be given until the final resolution of the grievance.

The decision by the arbitrator shall be final and binding on all parties unless there is a financial impact of greater than ten thousand dollars (\$10,000), in which case it shall be subject to approval of the CONFIRE Board.

For grievance decision with financial impact of greater than two thousand five hundred dollars (\$2,500), the Employee Relations Division will submit the grievance decision to the next practicable meeting of the CONFIRE Board. If the CONFIRE Board fails to act within thirty (30) days following receipt of formal notice of the decision of the arbitrator, it shall become final and binding. A copy of the decision shall be filed with the Employee Relations Division of Human Resources, Teamsters, and the grievant.

### Section 9: Unfair Labor Practices/Unit Changes

Unfair labor practice charges shall be adjudicated by the California Public Employment Relations Board and unit modification and unit determination disputes shall be adjudicated pursuant to the County's Employee Relations Ordinance.

### Section 10: Mediation

<u>Prior to Step 5 – Pre-Arbitration</u>. The parties (Director of Human Resources or designee and Teamsters) may by mutual agreement utilize mediation for grievances filed under the provisions of this Agreement. Additionally, prior to the Prehearing Conference provided for by the Personnel Rules, the parties (Director of Human Resources or designee and Teamsters) may by mutual agreement utilize mediation for disciplinary appeals accepted for hearing under the Personnel Rules of Board-Governed Special Districts. The mediation process described in this Section may be invoked only by the two (2) parties identified herein and is expressly an exception to the language contained in Section 5 of this Article.

The parameters of the mediation process, where mutual resolution of the grievance or disciplinary appeal is sought, are as follows:

(a) The parties (Director of Human Resources or designee and Teamsters) shall exchange in writing the agreement to refer a specific grievance or disciplinary appeal to mediation.

2024 - 2027

The grievant/appellant shall have the right to be present, represented by Teamsters as the sole, exclusive bargaining agent.

The grievant/appellant shall have Teamsters as the singular spokesperson and CONFIRE a representative from the Human Resources Employee Relations Division, with neither side allowed the presence of an attorney.

Any written material submitted to the mediator shall be returned to the party providing the material at the conclusion of the mediation meeting.

The mediation process shall be as follows:

- (1) The mediation meeting shall be an informal process, limited to a one (1) hour presentation for each side, not restricted to the rules of evidence, no retention of a proceedings record.
- (2) The mediator will meet jointly with the parties and separately, if necessary.
- (3) The mediator has no authority to compel resolution of the matter mediated.
- (4) The oral advisory opinion of the mediator shall be given at the conclusion of the meeting and the parties may opt to agree in writing to the opinion, reject the same mutually or singularly and proceed to the next step of the usual process, or remove the matter from the process by mutual agreement.
- (5) The advisory opinion accepted in writing by the two (2) parties does not constitute a precedent and is not admissible as evidence in any future process governed by this Agreement or Personnel Rules.

Where possible the parties shall utilize the mediation services provided by the California State Mediation and Conciliation Service. In the event that the mediation process would result in fees for service rendered by the State or by use of a private hearing officer, such costs shall be equally divided between CONFIRE and Teamsters.

The post-mediation process is restricted by the following:

- (1) No person serving in the capacity as a mediator may serve as the hearing officer/arbitrator for the same case should the same be forwarded to arbitration or a Personnel Rules of Board-Governed Special Districts disciplinary hearing.
- (2) No reference to a matter mediated may be utilized in a subsequent arbitration or hearing unless stated in writing at a step prior to the mediation. The penalty for violation of this understanding shall be forfeiture of the hearing or appeal by the party violating the same.

This procedure may be modified by mutual agreement of both parties.

# Section 11: Disciplinary Hearings

Formal Discipline

Any appeal of a dismissal, demotion, suspension, or reduction in salary, shall be heard by a Hearing Officer selected pursuant to the procedures set forth in the Article titled "Hearing Officer" in this section of this Memorandum of Understanding. The decision of the Hearing Officer in an administrative appeal of a punitive action shall be binding on all parties. Administrative appeal hearings conducted pursuant to this Article shall be conducted in accordance with the procedures set forth in Rule XI ("Disciplinary Actions") of the Personnel Rules for Board-Governed Special Districts (except that the selection and appointment of the Hearing Officer shall be made pursuant to the provisions of this Memorandum of Understanding rather than Section 7 of Personnel Rule XI).

30

2024 - 2027

#### **HEARING OFFICER**

The selection and appointment of a Hearing Officer required by the Personnel Rules for Board-Governed Special District Rule XII Grievance Procedure, Section 8(B), Step 3 and in all disciplinary action appeals (including administrative appeals of disciplinary actions involving dismissal, demotion, suspension, or reduction in salary,) shall be made according to the following procedures: The parties will request the State Mediation and Conciliation service, or mutually agreed upon service, to supply a list of five (5) hearing officers. As determined by lot, the parties shall alternatively strike a name until one (1) hearing officer remains. The parties may agree to select a hearing officer without the use of a formal list. Said hearing officer will be officially appointed by the Director of Human Resources Director or designee as the Hearing Officer who shall hear the appeal and formulate a written decision. All costs associated with the Hearing Officer including, but not limited to, a Certified Shorthand Reporter, will be shared equally between the parties, unless Teamsters does not endorse the members' grievance or disciplinary appeal.

#### Non-formal Discipline

Counseling memos (e.g., Memos of Counseling, Personnel Reports, Records of Discussion, Memos of Concern or other such documents) and Letters of Reprimand are not subject to the Grievance Procedure or the appeal process provided in the Personnel Rules of Board-Governed Special Districts. However, if the employee believes certain facts were not considered or presented prior to him/her receiving the non-formal discipline, the employee may contact his/her supervisor as soon as possible to schedule a meeting to discuss reconsideration of the non-formal discipline. If a mutually acceptable solution has not been reached, the employee may submit a written rebuttal to the Human Resources Business Partner assigned to his/her department as soon as practicable and may request to schedule a meeting to discuss reconsideration of the non-formal discipline. Counseling memos and Letters of Reprimand shall only be used to determine the level of formal discipline imposed if the documents are directly related to the current discipline, or involve conduct of a serious or egregious nature (e.g., harassment, violent, threats, substance abuse, etc.).

Upon request from an employee, counseling memos shall be removed from the Official Personnel File provided that the employee has been free of any other counseling memos or other discipline for a period of five (5) years and that the counseling memo was not related to conduct of a serious or egregious nature (e.g., harassment, violence, threats, substance abuse, etc.). However, if the document is removed from the Official Personnel File, CONFIRE will retain the document in a separate file for purposes of document retention and CONFIRE defense for potential legal matters including litigation.

CONFIRE recognizes the importance of timely and appropriate disciplinary actions. Upon request from a Teamsters Supervising Business Agent, CONFIRE (via the Human Resources Centralized Investigations Unit) shall provide the status of an employee's administrative investigation.

# **HEALTHCARE TRUST**

#### **ELIGIBLE UNITS:**

ALL UNITS

## Section 1: General Provisions

(a) Teamsters has established a healthcare trust (the "Trust") that offers medical coverage compliant with Internal Revenue Code (Code) section 4980H and the Affordable Care Act (ACA), dental coverage, and vision care coverage for active employees covered by the Bargaining Units (the "Bargaining Units") of this MOU, who are members of Teamsters. Active employee is defined as an employee who has not terminated employment from CONFIRE including those on paid status and on approved unpaid leave of absence.

2024 - 2027

(b)

- (1) Newly Hired Teamsters Member: Newly hired active Bargaining Unit employees who are members of Teamsters may choose to participate in medical and prescription drug coverage, dental coverage, and vision coverage offered by either CONFIRE or by Teamsters through the Trust. Teamsters members who select the Trust shall obtain medical, dental, and vision coverage through the plan(s) offered by the Teamsters Healthcare Trust.
  - The default medical enrollment for a newly hired Teamsters member who fails to select a medical plan upon hire shall be a plan offered through the Teamsters trust. Employees returning from a leave of absence who prior to their leave of absence select a Teamsters trust plan will continue to participate in the same plan in which they were previously enrolled.
- (2) <u>Newly Hired Non-Teamsters Member:</u> Newly hired active Bargaining Unit employees who are not members of Teamsters and do not opt out or waive coverage shall participate in the medical and prescription drug coverage, dental coverage, and vision care coverage offered by CONFIRE.
- (3) Current CONFIRE Employees Hired into a Teamsters Bargaining Unit and Teamsters Bargaining Unit Employees Returning from a Leave of Absence: Employees shall become eligible for coverage under the Trust as a result of moving from a bargaining unit not covered by the Trust to Bargaining Units covered by the Trust and becoming a member of Teamsters (i.e. an IRS qualifying life event). Once eligible, members of Teamsters will have the option to select either a CONFIRE-sponsored plan or a Trust-sponsored plan. CONFIRE shall notify the Teamsters as soon as possible upon an employee promoting or demoting into a bargaining unit represented by Teamsters.
- (c) Employees who are already enrolled in a plan at open enrollment, or who are opting-out/waiving, and who do not make a plan selection at open enrollment will maintain the plan they selected prior to the open enrollment, or be maintained as an opt-out/waive, as applicable.
- (d) Employees shall become ineligible for coverage under the Trust as a result of moving into a bargaining unit not covered by the Trust (i.e., an IRS qualifying life event under the County's Section 125 Plan).
- (e) If the Board of Directors is legally required to approve certain Trust–related items prior to implementation, it shall do so as soon as practicable. However, CONFIRE cannot prevent the Trustees of the Trust from taking any actions the Trustees reasonably believe is in the best interest of the beneficiaries of the Trust unless inconsistent with applicable law, this Article or the Medical, Dental, and Vision Coverage article in this MOU.
- (f) The parties will periodically review how the administration of the Trust is working, as necessary. The Trust has established a liaison between County HR Benefits and the Trust Administrator to address such concerns.
- (g) CONFIRE reserves the right to discontinue the side-by-side health insurance coverage should an independent audit of the trust show serious deficiencies or compliance issues as determined by CONFIRE. CONFIRE will identify its concerns in writing and provide 120 days' notice that it will discontinue the Trust if the Trust is unable to remedy the serious compliance issues within 90-days of the Trust's receipt CONFIRE's notice of deficiency.
- (h) CONFIRE shall have the ability to review Trust audit results and/or independently conduct its own audit of the Trust, including its operations, compliance, experience, utilization, rate setting documentation and supporting data, loss ratios, expenses, transactions, and financial results as they pertain to the Trust plan.
- (i) CONFIRE shall have the ability to meet with Teamsters, the Trustees, Trust Counsel, or the Trust Administrator, as applicable, to discuss any concerns it has with the Trust.

32

2024 - 2027

- (j) The Trust may not terminate its medical, dental, and vision coverage during the term of this Agreement. If the Trust or the health provider terminates medical, dental, or vision plan coverage, CONFIRE will terminate its contribution for the applicable benefit 30 days prior to plan termination unless the Trust provides a suitable replacement plan such that employees are covered until coverage terminates. CONFIRE must be notified at least 120 days prior to coverage termination.
- (k) The Trust agrees to maintain insurance coverages and shall name CONFIRE as an additional insured on the Policy and shall defend, indemnify, defend (with counsel reasonably approved by CONFIRE) and hold harmless CONFIRE and its authorized officers, employees, and agents, harmless from any claims, loss, liability, cause of action or administrative proceeding, or legal action arising out of, or in any way related to, the Trust and/or the healthcare plans administered and/or provided pursuant to this Agreement.
- (I) The Trust shall cooperate with CONFIRE and provide all necessary information to CONFIRE within agreed upon or established timelines as set forth in the MOU, plan documents, applicable law, or pursuant to CONFIRE's request in order for CONFIRE to fulfill its compliance and regulatory obligations. To the extent allowed by applicable law, Trust shall be responsible for paying any penalties caused by its failure to comply with Trust reporting and compliance requirements. To the extent the Trust is not permitted under applicable law to fund such penalties, Teamsters shall take reasonable steps to seek reimbursement to the Trust from any vendors engaged by the Trust that may be responsible for failure to meet reporting and compliance requirements.
- (m) CONFIRE will transmit eligibility files and contributions to the Trust on a bi-weekly basis for the purpose of plan administration for employees. Likewise, the Trust will provide CONFIRE on a bi-weekly basis employees' plan elections (e.g., Employee Only, Employee + 1, or Employee + 2 or more). The Trust will be responsible for reconciling any billing discrepancies with their healthcare carrier plans.
- (n) All costs of providing and administering healthcare plans shall be the sole responsibility of the Trust; provided, however, CONFIRE and Teamsters can discuss how part of the agreed-to medical subsidy can be allocated to Trust expenses, administrative costs, and/or reserves. CONFIRE shall not be responsible for any cost of providing or administering said plans in excess of the amounts specified in this Agreement.
- (o) CONFIRE shall continue to take deductions from employees' earnings in accordance with the Section 125 Plan of the Internal Revenue Code (IRS). In addition, CONFIRE shall deduct the following amounts per participating employee from the transfer of premiums on a bi-weekly basis for ongoing administrative costs:

Plan Enrollment in Trust	Per Enrolled Employee Per Pay Period
Medical	\$0.70
Dental	\$0.50
Vision	\$0.10

- (p) Nothing in this article shall prevent the Trust from offering supplemental life, vision, and/or dental benefits to employees, the cost of which shall not be paid by CONFIRE.
- (q) Teamsters shall be responsible for the Trust and the Third-Party Administrator of the Trust's plans complying with all provisions of this Article, and any other applicable agreements related to the Trust.

# Section 2: Eligibility and Enrollment

- (a) Medical, dental, and vision plans provided through the healthcare benefit trust fund shall be made available by the Trust to all active employees in regular positions in the Bargaining Units who are members of Teamsters.
- (b) The open enrollment period and plan year period for the Trust shall coincide with CONFIRE's open enrollment

2024 - 2027

and plan year period. The Trust shall work closely with CONFIRE in preparation for CONFIRE's plan year and production of open enrollment materials. The parties agree that both CONFIRE and Teamsters may educate employees regarding the union's Trust and CONFIRE medical plan options. Additionally, Bargaining Unit members who are members of Teamsters may only change from a CONFIRE plan to a Trust plan or vice versa during open enrollment or certain IRS qualifying life events. Employees must sign and provide to CONFIRE a written authorization for deductions via paper and/or electronic signature.

- (c) Employees shall become eligible for coverage under the Trust as a result of moving from a bargaining unit not covered by the Trust to the Bargaining Units covered by the Trust and becoming a member of Teamsters (i.e., an IRS qualifying life event). Once eligible, members of Teamsters will have the option to select either a CONFIRE-sponsored plan or a Trust-sponsored plan, Employees entering the Unit from another Unit who are already enrolled in a CONFIRE-sponsored plan and who do not make a plan selection upon entering the Teamsters Unit will maintain the plan they selected prior to entering the Unit.
- (d) All eligible employees scheduled to work forty (40) hours or more per pay period in a regular position must enroll in either a CONFIRE-sponsored medical/dental plan or a Teamster-sponsored medical/dental plan, unless the employee opts out or waives medical/dental insurance pursuant to the requirements of Section 2 of the Medical, Dental, and Vision Coverage article.

#### Section 3: Healthcare Benefit Trust Fund

- (a) The Trust shall maintain a healthcare benefit trust fund for the sole purpose of providing medical, dental, and vision plans alongside CONFIRE-sponsored medical, dental, and vision plans for employees in the Bargaining Units. Funds in said healthcare benefit trust shall not be co-mingled with other Union funds. The Trust shall be structured so that earnings in the Trust will be tax-exempt and benefits to employees will be tax-free to the extent possible under the tax rules. If the Trust is structured as a VEBA, a determination of its tax-exempt status shall be obtained from the IRS. If the Trust is structured as a Code section 115 Trust or in some other manner, an opinion from the IRS or from tax counsel competent in the employee benefits area of tax law shall be obtained that the structure reasonably may be treated as tax-exempt.
- (b) The healthcare benefit trust fund shall be administered by healthcare benefit Trustee(s) who shall serve in a legally recognized fiduciary capacity. The Trust shall maintain fiduciary liability insurance coverage for Trustees. CONFIRE may request to be listed as an additional insured on an endorsement of Zenith American Solution's (or any other administrator's) errors and omission policy.
- (c) For any Bargaining Unit employees who elect to participate in the Trust, CONFIRE shall contribute to a healthcare benefit trust fund the amounts specified in the Medical, Dental, and Vision Coverage article for the sole purpose of offsetting employees' cost of medical and/or dental plan premiums and employee-only vision care premiums. In no case shall the contribution to the healthcare benefit trust fund exceed the cost of the medical, dental, and vision premiums for coverage selected through the Trust; provided, however, CONFIRE and Teamsters can discuss how part of the agreed-to subsidy(s) can be allocated to Trust expenses, administrative costs, and/or reserves, (i.e. parties to meet and confer if Teamsters does not intend to apply all of CONFIRE's contributions to offset the cost of medical, dental, or vision).
- (d) If the Trust or the health provider terminates medical, dental, or vision plan coverage, CONFIRE will terminate its contribution for the applicable benefit 30 days prior to plan termination unless the Trust provides a suitable replacement plan such that employees are covered until plan terminates.
- (e) The Trust will be responsible for all accounting practices relating to the disbursement of all trust funds. Accounting practices will be in accordance with industry standards for trust fiduciaries, including the prompt payment of any premiums due to health plan providers. To the extent that CONFIRE may be required to obtain information from the Trust for purposes of completing its annual financial statements, the Trust will cooperate in providing necessary information.

2024 - 2027

- (f) The Trust will be responsible for all policies relating to the investment of trust funds, including reserves. Investment practices will be in accordance with industry fiduciary standards and best practices. The parties agree that pursuant to Section 5(d) of this article, they shall meet and confer to discuss the investment policy statement.
- (g) The parties agree that CONFIRE, to include its officers, employees, or agents, shall have no responsibility or liability for the accounting decisions and practices of the Trust or for the investment decisions related to trust funds (including reserves).

# Section 4: Compliance with Law

- (a) The Trust shall comply with all laws applicable to medical, dental, and vision plans and/or healthcare trust funds and the administration and management thereof.
- (b) In the administration and provision of medical, dental, and/or vision plans, the Trust shall comply with COBRA, HIPAA, ACA, and all other applicable state and federal laws and regulations to the same extent CONFIRE would be required to comply. CONFIRE and Trust will work together to ensure compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) and the Trust's plan(s) shall accept retroactive enrollments and corrections (COBRA and Active) within 120 days.
- (c) Teamsters shall defend (with counsel reasonably approved by CONFIRE), indemnify and hold harmless CONFIRE and its officers, employees, and agents, including CONFIRE's designated trustees, from any claim, loss, liability, cause of action or administrative proceeding arising out of this Article or from any and all decisions and actions made by the Trust, the Trustees and Teamsters in relation to the Trust.

#### Section 5: Meet and Confer Provisions

- (a) At the request of CONFIRE, the parties will meet and confer on any Trust-related issues as necessary. The parties shall meet and confer on any substantial changes in plan design, insurers, or other vendors to the Teamsterssponsored healthcare plans or the Trust structure (e.g., a change in stop loss carrier or policy provisions, a change in Trust governance or the personnel involved in governance, the adoption or modification of charter documents, etc.).
- (b) Current retirees are not eligible to participate in the Trust. Teamsters shall meet and confer with CONFIRE prior to permitting new retirees (i.e., those who retire after establishment of the Trust) to participate in the Trust and, if agreed to by the parties, the Trust shall establish different (i.e., non-blended) plans and premium rates for active employees and retirees.
- (c) If the Teamsters proposes to implement a self-insured medical, dental, and/or vision plan, parties agree to meet and confer prior to the implementation.
- (d) CONFIRE and Teamsters shall meet and confer prior to the issuance of an investment policy statement relating to the investment of trust funds, including reserves.

Upon the request of Teamsters, CONFIRE agrees to meet and confer with Teamsters, subject to the requirements of the Meyers-Milias-Brown Act and any applicable laws, to discuss any proposed modification for participation/funding/eligibility in CONFIRE's RMT or participation/funding/eligibility of any agreed-upon retiree health component of the Teamsters-sponsored Healthcare Trust.

## Section 6: Retiree Component of Teamsters Healthcare Trust

(a) <u>Establishment</u>. The parties have completed the agreed-upon meet and confer provisions pursuant to Section 5 of the Healthcare Trust article of this MOU and have mutually agreed that Teamsters shall take appropriate steps to establish a retiree health component ("Retiree Trust") under the existing Teamsters Health and Welfare

2024 - 2027

Trust Agreement ("Trust Agreement"). The Trust Agreement is a Teamsters-sponsored trust that constitutes a voluntary employees' beneficiary association (VEBA) under section 501(c)(9) of the Internal Revenue Code. The Retiree Trust will provide eligible retirees of a Teamsters-represented bargaining unit without regard to union membership with certain healthcare benefits, the terms of which are summarized in paragraph (b) below.

(b) Retiree Trust. Teamsters acknowledges that (i) CONFIRE is not a party to any part of the Trust Agreement, including but not limited to the Retiree Trust, (ii) CONFIRE is not subject to the terms of the Trust Agreement or any union welfare benefit plan or other arrangement funded by the Trust Agreement, and CONFIRE has no responsibility or authority whatsoever for providing or overseeing any benefits provided under the Trust Agreement or any such plan or arrangement, (iii) the preceding statements will continue to apply on and after CONFIRE's adoption of and expiration of this Section 6, and (iv) CONFIRE's sole obligation under this Section 6 is to distribute employee contributions to the Retiree Trust in accordance with paragraph (c) below.

Subject to the preceding paragraph, certain features of the Retiree Trust under the Trust Agreement are summarized below. Teamsters agrees that if at any time the provisions summarized below differ from or are inconsistent with the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust), or if the Trust Agreement's VEBA status is at issue or under investigation by any federal or state enforcement authority, Teamsters shall notify CONFIRE in writing as soon as administratively practicable but no later than fourteen (14) days from the effective date of any of the issues described above. In addition, Teamsters agrees to provide advance written notice to CONFIRE regarding any changes to the Retiree Trust's terms, including but not limited to any significant change affecting benefits funded by the Retiree Trust.

- (1) <u>Benefits</u>. The assets of the Retiree Trust are dedicated to providing retiree healthcare benefits to eligible retirees and paying the administrative expenses incurred by the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust). The benefits will meet the definition of coverage under section 106 of the Internal Revenue Code. In accordance with section 106, the benefits may be in the form of reimbursement of eligible healthcare expenses ("Retiree Subsidy") or retiree healthcare coverage. Furthermore, the benefits will conform to the following provisions:
  - (i) Should the Retiree Trust offer coverage to retirees under a direct contract with an insurer(s) or provide self-funded retiree healthcare coverage, eligible retirees are not required to enroll in healthcare coverage through the Retiree Trust in order to be eligible for the Retiree Subsidy (e.g., retirees enrolling in coverage through the individual marketplace, retirees living outside service area).
  - (ii) The amount of the Retiree Subsidy will be determined annually and will be a fixed dollar amount (i.e., not a percentage of premium). The amount of the Retiree Subsidy shall be based on available funding and may vary (increase or decrease) from year to year. As such, there will be no guarantee of any fixed subsidy amount or any guarantee that a certain percentage of premium costs shall be paid.
  - (iii) For purposes of establishing premium rates for any health insurance coverage provided under the Retiree Trust, should the Retiree Trust offer coverage to retirees under a direct contract with an insurer(s) or provide self-funded retiree healthcare coverage, the Retiree Trust will not blend active employees and retirees to determine a single premium rate for the combined group of active employees and retirees. The retiree population will be rated separately from active employees to determine the healthcare insurance premium rates for eligible retirees. As such, active employees will not implicitly subsidize the premiums of retirees.
- (2) <u>Eligibility</u>. Participation in the Retiree Trust, including eligibility for the Retiree Subsidy, will only be available to eligible retirees who retire (i.e., terminates and refrains from full time employment for wages or profit and is eligible to begin pension benefit payments from SBCERA) following the effective date of the Retiree Trust **AND** meet the following requirements:

2024 - 2027

Eligible retirees must have been (1) active CONFIRE employees in a Teamsters-represented bargaining unit immediately preceding their retirement (i.e., did not defer retirement) and contributed to the Retiree Trust OR (2) were active CONFIRE employees immediately preceding their retirement but not in a Teamsters-represented bargaining unit, provided they were previously in a Teamsters-represented unit for a minimum of 10 years and contributed to the Retiree Trust, OR (3) previously worked for CONFIRE in a Teamsters-represented bargaining unit for at least 20 years and deferred their retirement for a maximum deferral period of 2 years and contributed to the Retiree Trust. An eligible retiree is considered to have "contributed to the Retiree Trust" if they have contributed to the Retiree Trust as defined in section 6 (c) Employee Contributions.

Retirees will not be eligible for healthcare coverage under the Retiree Trust and will not be eligible for the Retiree Subsidy upon becoming eligible for Medicare. However, nothing is intended to preclude the Retiree Trust from providing supplemental coverage and/or a subsidy for Medicare-eligible employees in the future. Similarly, the Retiree Trust may also establish a subsidy for certain otherwise eligible retirees who were hired before March 31, 1986 and are not eligible for Medicare coverage. Any benefit improvements will be solely funded by the Retiree Trust.

Eligibility for this Retiree Trust for all individuals is ultimately governed by the Plan Rules of the Teamsters Health and Welfare Trust Retiree Plan and may differ from the rules in this MOU, for the complete Plan Rules individuals should contact the Retiree Trust.

(3) <u>Expenses</u>. Any fees or expenses associated with the Retiree Trust (or any welfare benefit plan or arrangement funded by the Retiree Trust) will be paid by the Retiree Trust.

#### (c) Employee Contributions.

- (1) Effective the pay period following Administrative Committee approval as outlined in the Salary Adjustment Section 1(a), the deferred one-half percent (0.50%) across the board salary increases of an employee's base rate of pay, shall be deducted on a bi-weekly pre-tax basis from the employee's pay warrant. CONFIRE shall transfer these mandatory employee contributions on a bi-weekly basis to the Retiree Trust. The employee contributions shall not increase or decrease based on the cost of healthcare premiums, amount of the Retiree Subsidy, or coverages offered by the plans in the Retiree Trust. Under no circumstance shall CONFIRE be obligated to deduct from an employee's pay warrant any amount greater than this fixed percentage of an employee's base rate of pay. "Wages" for purposes of this article shall be defined as all earnings (including Modified Benefit Option) minus any flat rate differentials.
- (2) Effective February 22, 2025, Salary Adjustment Section 1(b), the deferred one percent (1.00%) across the board salary increases of an employee's base rate of pay, shall be deducted on a bi-weekly pre-tax basis from the employee's pay warrant. CONFIRE shall transfer these mandatory employee contributions on a bi-weekly basis to the Retiree Trust. The employee contributions shall not increase or decrease based on the cost of healthcare premiums, amount of the Retiree Subsidy, or coverages offered by the plans in the Retiree Trust. Under no circumstance shall CONFIRE be obligated to deduct from an employee's pay warrant any amount greater than this fixed percentage of an employee's base rate of pay. "Wages" for purposes of this article shall be defined as all earnings (including Modified Benefit Option) minus any flat rate differentials.
- (3) Effective February 21, 2026, Salary Adjustment Section 1(b), the deferred one-half percent (0.50%) across the board salary increases of an employee's base rate of pay, shall be deducted on a bi-weekly pre-tax basis from the employee's pay warrant. CONFIRE shall transfer these mandatory employee contributions on a bi-weekly basis to the Retiree Trust. The employee contributions shall not increase or decrease based on the cost of healthcare premiums, amount of the Retiree Subsidy, or coverages offered by the plans in the Retiree Trust. Under no circumstance shall CONFIRE be obligated to deduct from an employee's pay

- (d) <u>Grievance</u>. No aspect of the Trust Agreement, including but not limited to the Retiree Trust component or any benefit provided through or funded by the Trust Agreement or Retiree Trust component is subject to review through the Grievance Procedure.
- (e) Applicability of Provisions of Prior Sections to Retiree Trust. It is expressly understood that the Retiree Trust is subject in the same manner as the sub-trust holding funds related to active members, including but not limited to the following provisions of the Healthcare Trust Article in this MOU: Sections 1(f); 1(g) and 1(i) in that the review of administration and the ability to audit the Healthcare Trust may include reviews of administration and audits of the Retiree Trust component separately and at different times from reviews of administration and audits of remainder of the Healthcare Trust; 1(j); 1(k) in that to the extent the Trustees determine to terminate the healthcare coverage for retirees, CONFIRE would be notified of such termination 120 days prior to the date of termination; 1(I) in that the insurance coverages maintained by the Healthcare Trust which names CONFIRE as an additional insured on the Policy shall cover the Retiree Trust portion of the Healthcare Trust and the Healthcare Trust shall defend, indemnify, defend (with counsel reasonably approved by CONFIRE) and hold harmless CONFIRE and its authorized officers, employees, and agents, harmless from any claims, loss, liability, cause of action or administrative proceeding, or legal action arising out of, or in any way related to, the Healthcare Trust, including the Retiree Trust component and/or the healthcare plans administered and/or provided under the Healthcare Trust, including benefits provided to retirees pursuant to this Section 6.; 1(I); 1(n); 1(q); 3(a) is understood to include the Retiree Trust that is being added pursuant to Amended Resolution No. 1 to the January 14, 2020, Trust Agreement for the Teamsters Health and Welfare Trust; 3(b); 3(e); 3(f); 3(g); 4(a); 4(b); 4(c) in that the Teamsters shall defend (with counsel reasonably approved by CONFIRE), indemnify and hold harmless CONFIRE and its officers, employees, and agents, including CONFIRE's designated trustees, from any claim, loss, liability, cause of action or administrative proceeding arising out of the terms of the Retiree Trust or from any and all decisions and actions made by the Retiree Trust, the Trustees and Teamsters in relation to the Retiree Trust portion of the Healthcare Trust; 5(a); 5(c); and 5(d). CONFIRE further agrees that it will act diligently in its obligations to meet and confer under Section 5 of the agreement. Furthermore, nothing in Section 5 will preclude the Trustees from taking such actions as required by the Trustees' fiduciary obligations.

# **HOURS OF WORK**

# **ELIGIBLE UNITS:**

- CONFIRE MANAGEMENT UNIT
- CONFIRE SUPERVISORS' UNIT

Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the CONFIRE are assured.

Notwithstanding any other provisions of this Agreement, the Executive Director may authorize overtime compensation at straight time or time and one-half rates at any time (including retroactively for emergencies as defined in Section 13.022(h) of the County Code) to be paid to any employee in order to carry out the intent of a Board-approved program, to respond to an emergency, or to compensate for hours of work performed above that normally expected of such employee.

Employees in regular positions in these units are considered to be salaried for purposes of the Fair Labor Standards Act (FLSA). If, as a result of changes in legislation, federal regulations, or court decisions, employees are considered to be non-salaried, the CONFIRE and Teamsters will meet and confer concerning changes to return the employees to salaried status.

38

2024 - 2027

Deductions from the pay of employees in these units for disciplinary and other reasons shall be made in a manner consistent with FLSA regulations. For example, employees covered by this Article who are disciplined by a suspension without pay shall only receive such suspension in increments of one (1) or more full days. Alternatively, an appointing authority may discipline an employee covered by this Article via a deduction of accrued leave time. The accrued leave time is limited to vacation, holiday, annual or administrative leave. Deductions of accrued leave time may be made in increments of less than one (1) work week. Any disciplinary action imposed under this Article is subject to appeal under the Personnel Rules of San Bernardino Board-Governed Special Districts. Employees shall not be disciplined by a reduction in step.

### **IDENTIFICATION CARDS**

#### **ELIGIBLE UNITS:**

#### ALL UNITS

CONFIRE will provide identification and/or access cards to employees. Such cards will include the employee's name and photograph. Employees shall carry such cards at all times while engaged in CONFIRE business and in connection with such business shall produce cards for inspection to any CONFIRE or County official. Employees shall surrender such cards upon separation from employment.

# **IMPLEMENTATION**

#### **ELIGIBLE UNITS:**

# ALL UNITS

This Agreement constitutes a mutual agreement by all parties to be jointly submitted to the Administrative Committee for approval. It is agreed that this Agreement shall not be binding upon the parties either in whole or in part unless and until approved by the Administrative Committee.

Any changes to this Agreement, which do not have specific effective dates, become effective on the date of the Administrative Committees' approval. Any economic changes to this Agreement, which do not have specific effective dates, become effective the beginning of the pay period following the Administrative Committees' approval.

### JOB SHARING AND PART-TIME EMPLOYMENT

# **ELIGIBLE UNITS:**

#### ALL UNITS

At the discretion of the Appointing Authority or designee, an employee may be allowed to job share or to work on a part-time basis in a regular position. Job share is defined as two employees sharing one regular position. Part time employment is defined as an employee working in a regular position that is scheduled for less than eighty (80) hours per pay period.

Benefits for job sharing and part-time employees shall be as provided in the appropriate Section. Each employee shall be notified in writing by the Appointing Authority or designee at the time of appointment and such notification will clearly define the benefits to which each employee is entitled.

All benefits for job sharing and part-time employees shall be pro-rated on regularly scheduled hours except as may otherwise be provided in a specific article. For example, an employee who is regularly scheduled twenty (20) hours per week is eligible for a maximum donation of five hundred and twenty (520) hours of Medical Emergency Leave. Benefits not subject to proration include the following Leaves: Blood Donation, Examination Time, and Bereavement. Further, where a specific article provides a minimum hour requirement (e.g., must be full-time, or scheduled hours) job sharing and part-time employees shall be required to meet the minimum hour requirement in order to receive

39

2024 - 2027

the benefit. For example, to be eligible to enroll in a medical and dental plan offered by CONFIRE an employee must be in a regular position and scheduled to work for a minimum of forty (40) hours per pay period. Therefore, job sharing and part-time employees in regular positions scheduled less than forty (40) hours per pay period would not be eligible to enroll in a medical and dental plan offered by CONFIRE.

The Appointing Authority may discontinue part time or job sharing status with a written notice at least two (2) pay periods prior to the effective date of the change.

# LABOR MANAGEMENT TASK FORCE

#### **ELIGIBLE UNITS:**

#### ALL UNITS

The parties recognize that delivery of public services in the most efficient and effective manner is of paramount importance and interest to CONFIRE and Teamsters. Maximized productivity is recognized to be a mutual obligation of both parties within their respective roles and responsibilities.

To this end, the parties agree that Labor-Management Task Forces comprised of equal numbers of management and employees shall be created as necessary to address issues which affect the efficient and effective delivery of public services appropriate to each department and Unit employees. The purpose of such task force(s) shall be to:

- (a) Review and provide input on proposed departmental policies and procedures.
- (b) Develop, review, and prioritize work simplification project proposals.
- (c) Develop and review solutions to specific program problems.
- (d) Review workload/caseload distribution.

The composition of each task force shall be determined by the appointing authority in conjunction with the Employee Relations Division of the Human Resources Department and the Union. The chairperson(s) of each task force shall be selected by the appointing authority. Meetings will be held as often as necessary to discharge the functions of each task force. Each task force will establish reasonable time frames for the accomplishment of its charges. Recommendations of each task force will be arrived at by consensus and shall be submitted in writing to the appointing authority and/or County Administrative Office, as appropriate, for final review and action. Each task force shall not have any right or authority to abrogate representation rights of Teamsters, CONFIRE management rights, or the authority of CONFIRE'S Administrative Committee on matters which require the Committee's approval.

# **LAYOFF**

## **ELIGIBLE UNITS:**

# ALL UNITS

### Section 1: General Provisions

- (a) "Layoff" Definition A layoff is the involuntary separation longer than thirty (30) days or reduction of a regular employee to a position in a lower classification without fault of the employee. Layoff applies only to regular positions. A layoff occurs only when there is a surplus of employees, a position is identified and authorized for deletion, or when funds are withdrawn from a previously funded position.
- (b) <u>"Temporary Layoff" Definition</u> An involuntary separation not to exceed thirty (30) consecutive work days. Prior to temporary layoff, the employee(s) and Teamsters shall be given fifteen (15) days advanced notice. Temporary Layoff applies only to regular positions. At the conclusion of a temporary layoff the employee(s) shall be

2024 - 2027

returned to their former classification in the same department.

#### Section 2: Notification

Whenever an appointing authority believes that a layoff will be necessary, the appointing authority shall submit a layoff plan to the Director of Human Resources for approval. The layoff plan shall include the anticipated number, classification, and position number of employees to be laid off and seniority list by classification of all affected employees. Teamsters shall be provided with a copy of the layoff plan immediately upon approval by the Director of Human Resources. Once such a plan is approved, and an affected employee receives formal notification providing options of alternate positions, if applicable, the employee shall be entitled to three (3) work days to return decision to the appointing authority or designee. Employees shall receive fifteen (15) days notification prior to layoff.

## Section 3: Order of Layoff

Layoffs as defined in Section 1(a) of this Article shall be made by classification within a department at the time of layoff.

- (a) Layoffs among regular employees shall be made on the basis of seniority determined by the employee's current beginning (hire) date of continuous service in a regular position with CONFIRE. In the event of a tie in total time of continuous CONFIRE service in a regular position with CONFIRE between two (2) or more employees, the order of layoff shall be determined on the basis of total time of continuous CONFIRE service in that particular classification. In the event of a tie in total time of continuous CONFIRE service in that particular classification between two (2) or more employees, the order of layoff shall be determined by lot.
- (b) Before any reduction in the work force of regular employees occurs, all extra-help, recurrent, provisional, probationary, unclassified or other individuals without regular status in the affected classifications within the affected department shall be terminated. For purposes of layoff, trainees and most recently hired dual appointments shall be treated the same as probationary employees. Employee status will be determined as of the date the layoff plan is approved by the Director of Human Resources.
- (c) Probationary employees and employees assigned to a vacant higher level position, pursuant to the Temporary Performance of Higher Level Duties Article, who have regular status in another classification, shall be returned to their former classification where they will be subject to layoff under provisions applicable to other employees in that classification. Underfills shall have layoff rights in the underfill classification.
- (d) When a classification has a dual concept or multiple options including extended range, the Director of Human Resources may authorize layoffs by specialty or option within the classification.
- (e) Regular employees whose positions have been deleted shall be allowed to exercise their options, based on seniority, to select either a vacant position or to bump into any one of the filled junior positions within their current classification. Filled junior positions will be defined as the number of filled positions within the affected classification equal to the number of positions identified for deletion within that classification in the approved layoff plan, but not less than 20, if they exist. An employee who elects not to bump into any position within the collective group of vacant and filled junior positions, thereby retaining his/her existing classification, shall be provided the opportunity to select from those options identified in (i) of this Article.
- (f) If a regular employee whose position is to be deleted does not have sufficient seniority to bump another employee in their current classification within the department and has previously held regular status in a lower classification, reduction in classification (bumping) within the affected department shall be approved. Reductions in classification shall first be made to the next lower classification in which the employee has regular status. For purposes of bumping, the number of positions filled by the least senior employees in the affected classification(s) equal to the number of employees bumping into the classification shall be identified. Additionally, all vacant positions in the affected classification shall be made available to the affected employees.

2024 - 2027

This collective group of positions shall then be subject to the bumping process.

- (g) In the event a junior employee is bumped pursuant to (e) or (f) above, the junior employee being bumped will be separated or reduced in classification. If the classification to which an eligible employee is first considered for reduction is not authorized in the department, or if the employee does not have seniority in that classification, reduction shall then be made to the next lower classification in which the employee has regular status. This procedure shall continue until all reductions in classification and the ultimate separations are completed.
- (h) Employees in unclassified positions do not have a right to bump employees in classified positions. A classified employee may refuse to bump into an unclassified position without waiving the right to bump a more junior employee in the same or lower classification.
- (i) If bumping results in an assignment which the employee considers to be undesirable, such employee may request:
  - (1) A voluntary demotion to a vacant position.
  - (2) A leave of absence without right to return to work, but placement on an eligible list.
  - (3) To voluntarily resign.

Options (1) and (2) require the approval of the Director of Human Resources or designee.

#### Section 4: Exception to Order of Layoff

Whenever an appointing authority believes that the best interest of the service requires the retention of an employee with special qualifications, characteristics, and fitness for the work, the appointing authority may request that such employee be exempted from the bumping procedures. Such requests must be in writing and approved by the Director of Human Resources. If approved, Teamsters shall be immediately provided with a copy of the request.

# Section 5: Employee's Rights While on Layoff

- (a) During the first two (2) years following a layoff, laid-off regular employees or an employee who is reduced in classification as a result of a layoff shall be assured the right of an interview for vacant positions for which they meet certification requirements prior to final selection and appointment to said vacant positions within their previous department in the same classification to the one in which the employee has previously held regular status.
- (b) Any regular employee who is laid-off or reduced in classification as a result of a layoff may request that their name be placed on appropriate eligible lists for a period of two (2) years by submitting such a request and an application to the Director of Human Resources for determination of eligibility. Approval of such requests only entails placement on the list and does not guarantee employment or carry any bumping privileges. Placement on the eligible list shall be made pursuant to the provisions for requalification contained in the Personnel Rules of the Board-Governed Special Districts.
- (c) During the first twelve (12) months following a layoff laid-off regular employees or an employee who is reduced in classification as a result of a layoff shall be placed on a Department Reinstatement List, provided the employee was at least a "Meets Standards" at the time of the layoff. Such employees shall have reinstatement rights for the classification from which the employee was laid off or reduced in classification. The employee shall be entitled to three (3) work days to accept an offer to return to work from the date of the offer. Employees who decline or fail to respond to an offer shall be removed from the Department Reinstatement List.

2024 - 2027

Any vacancy to be filled within the Department shall be offered first in reverse order of the layoff. If there are any ties, such ties shall be broken pursuant to the process described in 3(a) of this article.

# Section 6: List Placement and Training

CONFIRE will make every effort to place laid-off employees, or employees reduced in classification as a result of layoff, on current eligible lists, either related or non-related to their former classification, for which the salary is equivalent or lower and for which they meet the minimum qualifications. When departments hire layoff affected employees for positions non-related to their former job classifications, the department will be encouraged to consider the probationary period for training purposes in the non-related field.

#### Section 7: Reemployment from Layoff

A regular employee who has been laid off from CONFIRE employment and is subsequently rehired to a regular position shall be reemployed in the same manner as described in the Reemployment Article in this Agreement.

"Child" means a biological, foster, or adopted child, a stepchild, a legal ward, a child of a domestic partner, or a child to whom the employee stands in loco parentis. "Parent" means a biological, foster, or adoptive parent, a stepparent, legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child.
- (3) Extended family is defined as sibling-in-law, aunt, uncle, niece, nephew, ward of the court, or any step relations as defined herein.
- (b) <u>Accumulation.</u> Employees in regular positions shall accrue sick leave for each payroll period completed, prorated on the basis of 3.69 hours per pay period, except as provided in Section 5 of this Article. Earned sick leave shall be available for use the first day following the payroll period in which it is earned. Employees in regular positions paid less than eighty (80) hours per pay period or job shared positions shall receive sick leave accumulation on a pro rata basis. There shall be no limit on sick leave accumulation.
- (c) <u>Compensation</u>. Approved sick leave with pay shall be compensated at the employee's base rate of pay, except as otherwise provided in this Section. The minimum charge against accumulated sick leave shall be fifteen (15) minutes.

2024 - 2027

## (d) Administration

- (1) <u>Investigation</u>. It shall be the responsibility and duty of each CONFIRE supervisor/manager to investigate each request for sick leave and to allow sick leave with pay where the application is determined to be proper and fitting, subject to approval of the Director of Human Resources.
- (2) Notice of Sickness. In twenty-four (24) hour divisions and employees whose work assignment requires leaving their assigned work site together with one or more other employees shortly after reporting to work, the CONFIRE supervisor/manager or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence. For other employees, the CONFIRE supervisor/manager or designee must be notified within one-half (1/2) hour before the start of the employee's scheduled tour of duty of a sickness on the first day of absence.
  - It is the responsibility of the employee to keep the Appointing Authority or designee informed as to continued absence beyond the first day for reasons due to sickness or occupational disability. Failure to make such notification shall result in denial of sick leave with pay. If the employee receives a doctor's off work order and provides notice of same to the Appointing Authority or designee, the employee is not required to contact the department daily. If the employee does not have an off-work order or has not notified the Appointing Authority that one has been issued, the employee shall be required to contact the department daily in accordance with the timeframe above. If an employee fails to return to work for three (3) consecutive days following an approved leave of absence or upon expiration of an off work order, the employee may be subject to Automatic Resignation in accordance with the Personnel Rules for the Board-Governed Special Districts.
- (3) Review. The Director of Human Resources may review and determine the justification of any request for sick leave with pay and may, in the interest of CONFIRE, require information from a doctor to support a claim for sick leave pay.
- (4) <u>Proof.</u> A doctor's certificate or other adequate proof shall be provided by the employee in all cases of absence due to illness if requested by the Appointing Authority. All requests for proof of illness shall be made in compliance with the Labor Code and other law.
- (5) <u>Improper Use</u>. Evidence substantiating the use of sick leave for willful injury, gross negligence, intemperance, trivial indispositions, instances of misrepresentation, or violation of the rules define herein will result in denial of sick leave with pay and shall be construed as grounds for disciplinary action including termination.

# (e) Sick Leave for Other than Personal Illness/Injury

- (1) <u>Family Sick Leave</u>. As provided in California Labor Code Section 233, a maximum of one-half (1/2) of the employee's annual accrual of earned sick leave per calendar year may be used for attendance upon family members of the employee's who require the attention of the employee.
  - Upon approval of the Appointing Authority, the employee may use part of this annual allowance for attendance upon members of the employee's extended family residing in the employee's household who required the attention of the employee.
- (2) <u>Bereavement</u>. A maximum of three (3) days earned sick leave may be used per occurrence for bereavement due to the death of a family member or member of the employee's extended family, as defined herein, or any relative who resided with the employee.
- (3) <u>Birth/Adoption</u>. A maximum of forty hours earned sick leave may be used per occurrence for arrival of an

2024 - 2027

adoptive child at the employee's home. An employee may utilize on an annual basis no more than forty (40) hours of accumulated sick leave per calendar year for the birth of their child.

(4) <u>Medical, optical or dental appointments</u>. The employee may use sick leave for medical, dental, or optical appointments. However, every effort should be made to schedule the appointment at a time of day that will minimize the employee's time off work.

#### (f) Return to Work Medical Clearance

- (1) Under any of the following circumstances, all employees who have been off work due to an illness or injury will report to the San Bernardino County Center for Employee Health and Wellness (Center) for medical evaluation of their condition and authorization to return to work before returning to work.
  - (i) Employees whose treating physician or other qualified medical provider has ordered job modifications as a condition for either continuing to work or for returning to work after an illness or injury. This applies to both occupational and non-occupational illness or injury.
  - (ii) Employees who have been off work due to communicable diseases such as, but not limited to chicken pox and measles.
  - (iii) Employees who have been absent due to a serious medical condition, when so directed by their Appointing Authority.
- (2) Employees are required to attend return to work medical appointments at the Center on their own time; however, mileage for attending such appointments are eligible for reimbursement pursuant to the Expense Reimbursement Article.
- (3) It is the responsibility of the employee covered by 1 (i)-(iii) above to obtain written notice from their medical provider of their authorization to return to work with or without job modification. To ensure all necessary and relevant medical information is provided, CONFIRE shall make available forms to be completed by the medical provider. It is the responsibility of the employee to provide verbal notice to their Appointing Authority or designee immediately upon receipt of their medical provider's authorization to return to work and no later than 24 hours after receipt of the notice. The Appointing Authority or designee will schedule an appropriate medical evaluation for the employee with the Center prior to the employee's return to work. The employee shall provide their medical provider's written notice of authorization to return to work to the Center at or prior to the employee's scheduled appointment time.
- (4) Exceptions to the above requirements may be made on a case-by-case basis by the Medical Director or designee for the Center.
- (5) The employee is obligated to attend the appointment as scheduled under the conditions outlined above. If the employee fails to adhere to the procedure, the employee is required to use sick leave or leave without pay for any work hours missed. If required notice has been provided, and there is a delay caused by either the Center or CONFIRE that, in turn, results in a delay between the employee's appointment with the Center and the start of their scheduled tour of duty on the day that they were released to return to work, CONFIRE will pay for work hours missed, without charge to the employees leave balances.
- (6) The final decision on the employee's ability to return to work rests with the medical provider at the Center. In the event the employee is not released to return to work by the medical provider at the Center, the employee's status would continue on sick leave or, where there is not balance, leave without pay.

2024 - 2027

- (g) <u>Workers' Compensation</u>. Employees shall receive full salary in lieu of Workers' Compensation benefits and paid sick leave for the first forty (40) hours following an occupational injury or illness, if authorized off work by order of an accepted physician under the Workers' Compensation sections of the California Labor Code. Thereafter, accumulated paid leave may be prorated to supplement such temporary disability compensation payments, provided that the total amount shall not exceed the regular gross salary of the employee.
- (h) <u>Separation.</u> Unused sick leave shall not be payable upon separation of the employee, except as provided in the Article Retirement Medical Trust Fund.
- (i) Perfect Attendance. Employees in regular, full time positions who do not utilize any sick leave, any leave (e.g., vacation) in lieu of sick leave, or benefits in lieu of sick leave (e.g., workers' compensation, Short-Term Disability partial/full integration, etc.), in pay periods 1 through 26 consecutively (or 27, when applicable), and who do not record any sick leave without pay, Medical Emergency Leave, Military Leave as provided by law, or absence without pay during that calendar year, shall be reimbursed up to a maximum of \$299 for an annual individual (employee only) health club membership or utilization of perfect attendance leave. In lieu of the reimbursement, the employee has the option of utilizing sixteen (16) hours of perfect attendance leave, no cash out provision, within the time frame of the subsequent calendar year. Failure to utilize perfect attendance leave by pay period 26 (or 27 when applicable) of the year in which it was credited to the employee's leave balances or if an employee is appointed to a position in an occupational unit that does not contain a perfect attendance leave provision shall result in forfeiture of the same.

## (j) Sick Leave Conversion.

(1) Employees who have used less than forty (40) hours of sick leave in a fiscal year (i.e., pay period 15 through pay period 14 of the following year) may, at the employee's option, convert sick leave to vacation leave by the following formula: Hours of sick leave used are subtracted from forty (40). Sixty percent (60%) of the remainder, or a portion thereof, may be added to vacation leave to be utilized in the same manner as other accrued vacation leave.

Sick Leave Hours Used	Hours to be Converted	Vacation
0	40	24.0
8	32	19.2
16	24	14.4
24	16	9.6
32	8	4.8
40	0	0.0

(2) Employees who hold regular positions in CONFIRE and who have contributed to the San Bernardino County Public Employee's Retirement Association or other public entity retirement system for more than ten (10) years and have not withdrawn the contributions from the system(s) and who separate from CONFIRE service for reasons other than death shall be eligible for Sick Leave Conversion in accordance with the provisions of the Article on Retirement Medical Trust.

## Section 2: Vacation Leave

(a) <u>Definition</u>. Vacation is a right, earned as a condition of employment, to a leave of absence with pay for the recreation and well-being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the Appointing Authority.

2024 - 2027

(b) <u>Accumulation</u>. Employees in regular positions shall accrue, on a pro-rata basis, vacation leave for completed pay periods. Except as provided in Section 4 of this Article, employees in regular positions paid less than eighty (80) hours per pay period or job-shared positions shall receive vacation accumulation on a pro-rata basis provided, however, that there shall be no prorating of the maximum accumulations. Such vacation allowance shall be available for use on the first day following the pay period in which it is earned, provided an employee has completed 1040 hours of continuous service from the employee's hire date.

Length of Service From Hire Date Rate	Annual Vacation Allowance	Maximum Allowed Unused Balance
From Hire Date through 8,320 service hours	80 Hours	160 Hours
Over 8,320 through 18,720 service hours	120 Hours	240 Hours
Over 18,720 service hours	160 Hours	320 Hours

## (c) Administration

(1) <u>Scheduling</u>. Vacation periods should be taken annually with the approval of the Appointing Authority or designee at such time as will not impair the work schedule or efficiency of CONFIRE but with consideration given to the well-being of the employee. No employee shall lose earned vacation leave time because of work urgency. If an employee has reached the maximum allowed unused balance and is unable to take vacation leave, the Director of Human Resources, will request a waiver of the maximum allowed unused balance for a period not to exceed one (1) thirteen (13) pay period waiver per calendar year.

Written request for vacation leave shall receive a written response from the Appointing Authority or designee within two (2) weeks of submission. In instances where a vacation leave request has received written, advance approval and is rescinded due to work urgency by the supervisor, that decision may be appealed to the Director of Human Resources for an immediate review. In those instances where a financial hardship would occur because pre- approval resulted in prepayment by the employee, a vacation would only be canceled under the most extreme work emergency.

- (2) <u>Minimum Charge</u>. The minimum charge against accumulated vacation leave shall be fifteen (15) minutes or multiples thereof. Vacation leave shall be compensated at the employee's base rate of pay, except as otherwise provided in this Plan.
- (3) <u>Vacation Leave and Termination Date</u>. Employees not planning to return to CONFIRE employment at the expiration of a vacation leave, except those retiring, shall be compensated in a lump sum payment for accrued vacation at the employee's then base rate of pay and shall not be carried on the payroll. Retiring employees may elect to use vacation leave or be compensated in a lump sum payment for accrued vacation leave, provided that each pay period the employee charges the number of hours in their regular scheduled tour of duty.
- (4) <u>Vacation Cash-Out</u>. On one occasion each calendar year during the term of the MOU, an employee who had used eighty (80) or more hours of PTO/vacation leave during the preceding calendar year may elect to convert up to sixty (60) hours of accrued vacation leave into a cash payment, at the base rate of pay in effect at the time of the cash-out. In order to sell back vacation leave, an employee must make an irrevocable election (i.e., pre-designation) during the month of December, specifying the number of hours to be sold back from the next year's vacation leave accrual. During the calendar year following the pre-designation, no more than three (3) requests may be made to cash out the vacation leave in a single block of not less than eight (8) hours and no more than sixty (60) hours. An employee shall be eligible to cash-out vacation leave hours accrued up to the preceding pay period in which he/she requested the cash-out. For example, an employee who requests a cash-out in pay period 15 can only cash-out the vacation leave accrued through pay period 14. The number of hours requested for cash-out shall not exceed an amount equal to or less than the amount accrued. For example, an employee in December 2019 makes a pre-

47

2024 - 2027

designation to cash-out 25 hours. The employee accrues 4.61 hours of vacation leave per pay period. At the end of pay period 3 the employee can request to cash-out the 8 hours of vacation leave that she had accrued through pay period 2, but is not yet eligible to cash-out the entire 25 pre-designated hours because the employee has yet to accrue 25 hours of vacation leave. Once an election is made, if the employee does not request that the designated number of hours be sold back by pay period 25, or 26 when applicable, of the calendar year in which the election is effective, the hours will be automatically converted to cash in the last pay period of the calendar year.

(5) Supervisors Unit and Management Unit Classifications - Prior Service. Employees in regular positions who have been employed in a public jurisdiction in a comparable, full-time position may receive up to four (4) years of credit for such previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of the previous experience and amount of credit to be granted rests solely with the Director of Human Resources. Requests for prior service credit should be made at the time of hire or as soon as possible thereafter but in no event later than one (1) year from the employee's hire date.

## Section 3: Holiday Leave

(a) Fixed Holidays. All employees in a regular CONFIRE positions shall be entitled to the following fixed holidays:

January 1st	Second Monday in October	
Third Monday in January	November 11 <sup>th</sup>	
Third Monday in February	Thanksgiving Day	
Last Monday in May	Day after Thanksgiving	
June 19 <sup>th</sup>	December 24 <sup>th</sup>	
July 4 <sup>th</sup>	December 25 <sup>th</sup>	
First Monday in September	December 31 <sup>st</sup>	

(b) <u>Floating Holidays</u>. Employees in regular positions shall be entitled to accrue one (1) floating holiday (eight (8) hours of holiday time) during the first pay period prior to the third Monday in January, provided that the employee is not on unpaid leave for the entire pay period and is in a paid status.

Floating holidays accrued shall be available for use in the first day following the pay period in which they were accrued, with the approval of the Appointing Authority. The Appointing Authority has the right to schedule employees' time off for accrued holidays to meet the needs of CONFIRE but with consideration given to the well-being of the employee. Employees in positions budgeted less than (80) hours per pay period or job-shared positions shall receive floating holiday accruals on a pro-rata basis.

- (c) The maximum holiday leave accrual balance that may be carried over to a future calendar year shall be 112 hours. However, the maximum holiday leave accrual balance that may be carried over into a future calendar year for employee's who had a balance of more than 112 hours at the end of calendar year 2010 shall be such employee's holiday leave balance at the end of pay period 26 of calendar year 2010. The maximum holiday accrual balance for those employees with a balance greater than 112 hours shall be adjusted annually at the end of each calendar year, and shall never be increased.
- (d) <u>Eligibility for Holiday Pay</u>. Except as provided in Section 4 of this Article, to receive holiday pay for a fixed holiday, the following conditions must be met, during the pay period in which the fixed holiday fell:

48

(1) The employee must have been hired prior to or at the start of the pay period and not have separated prior to the end of the pay period in which such fixed holiday fell.

2024 - 2027

- (2) The employee must be paid for at least one-half (1/2) of their regularly scheduled hours.
- (3) The employee must have been on an approved leave of absence for unpaid hours; and
- (4) The employee must not have any unauthorized leave.
- (e) Holiday During Vacation. When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits. As such, the employee shall receive holiday pay for any fixed holiday that falls within a vacation period, provided the employee is eligible for that fixed holiday pay. For example, an employee has approved vacation leave from Tuesday through Thursday and Wednesday is a fixed holiday. Tuesday and Thursday would be coded as vacation leave but Wednesday would be coded as holiday leave.
- (f) Working on a Holiday. Whenever an employee is required to work on a fixed holiday or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall accrue, on an hour for hour basis, up to a total of eight (8) hours of floating holiday time. At the request of the employee, and with approval of the Appointing Authority, or designee, straight time payment can be made in lieu of accrual provided such compensation is approved during the pay period in which it is worked.
- (g) Weekend Holidays. When a fixed holiday falls on a Saturday, the previous Friday will be observed as the fixed holiday except that when the preceding Friday is also a fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed holiday falls on a Sunday, the following Monday will be observed as the fixed holiday, except that when the following Monday is also a fixed holiday, the following Tuesday will be observed as the fixed holiday.
  - For those CONFIRE divisions which operate six (6) and seven (7) days per week facilities, fixed holidays which fall on either a Saturday or Sunday shall be observed on those days by employees of those operations scheduled to work.
- (h) <u>Automatic Conversion</u>. At the end of the calendar year, an employee in the Supervisory Unit shall automatically have any holiday leave accruals in excess of the employee's maximum holiday leave accrual balance converted to cash. Such automatic holiday leave cash out shall be paid in Pay Period 1 of the next calendar year.
- (i) Holiday Time Accrual.
  - (1) Upon retirement or termination, employees shall be compensated for any unused accrued holiday time at the then current base rate equivalency.
  - (2) An employee may code vacation or other appropriate accrued paid leave time on a fixed holiday only under the following circumstances:
    - (i) An employee on an alternate work schedule such as a 9/80 or 4/10 may code accrued vacation hours on a fixed holiday that falls on a workday up to an amount that if combined with their fixed holiday accrual would equal the total number of hours the employee would have been scheduled for that day (e.g., an employee on a 4/10 work schedule normally works ten (10) hours on Mondays, when the fixed holiday falls on a Monday the employee codes eight (8) hours of holiday and may code up to two (2) hours of vacation).
    - (ii) An employee in a regular part-time or job share position who does not accrue eight (8) hours of holiday leave due to the employee's reduced work schedule may code accrued vacation leave hours on a fixed holiday that falls on a normal workday up to an amount that if combined with the employee's fixed holiday accrual would equal the total number of hours the employee would have been scheduled for

2024 - 2027

that day (e.g., an employee due to their reduced work schedule accrued four (4) hours of holiday, but normally would have worked eight (8) hours on the day in which the holiday occurred, may code four (4) hours of accrued vacation leave in addition to the four (4) hours of holiday.

## Section 4: Leave Accruals While on Disability Leave

Employees receiving the benefits for Workers' Compensation or State Disability Insurance leave receive partial replacement of their income through these benefits. Employees on these types of disability leaves may choose to fully integrate, partially integrate or not integrate personal leave time with these disability payments.

The maximum amount the employee receives from integrating leave time with disability payments shall not exceed 100% of the employee's base salary. Paid personal leave time coded on the employees' time and labor report will be limited to the amount of leave necessary to integrate benefits to the level designated by the employee. When the exact amount is not known, a good faith estimate may be made and the amount will be adjusted later as necessary. If any overpayments are made, the employee will be required to repay that amount in accordance with the Payroll Adjustments Article. An employee who knowingly receives payment in excess of their regular base salary is required to report it to their CONFIRE payroll clerk.

Employees who are fully integrating accrued leave time with disability benefits shall be eligible to receive full accruals of vacation and sick leave. Employees who are not fully integrating shall earn pro-rated vacation and sick leave accruals based upon paid leave time coded on the time and labor report. Employees who are fully integrating paid leave time with disability benefits will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay period and have no unapproved leave for the pay period. Employees who are partially integrating or not intergrading paid leave time with disability benefits will be paid for holidays in accordance with the holiday leave provisions in Section 3.

Employees eligible to apply for SDI must provide proof of benefit amount or denial of SDI benefits. If proof is not provided, the CONFIRE will presume the employee is getting the maximum allowable SDI benefit payment and the amount of paid leave coded on the TLR will be limited to the maximum allowable leave integration to ensure gross pay form all combined sources does not exceed the employee's base salary.

## Section 5: Compulsory Leave

If in the opinion of the Appointing Authority or designee, employees are unable to perform the duties of their position for physical or psychological reasons, they may be removed from duty without pay or may use accrued paid leave for which they are eligible. In addition, such employees may be required to submit to an examination by either a physician or other competent authority designated by the Director of Human Resources or by their own physician or other practitioner, as appropriate. If the examination report of the competent authority (e.g., physician, appropriate practitioner) shows the employee to be in an unfit condition to perform the duties required of the position, the Appointing Authority shall have the right to compel such employee to take sufficient leave of absence with or without pay, to transfer to another position without reduction in compensation, and/or follow a prescribed treatment regimen until medically qualified to return to unrestricted duty. An employee who has been removed from duty for physical or psychological reasons by the Appointing Authority, and the employee was required to submit to an examination, may not return to duty until such time as medical clearance has been obtained.

Employees who become disqualified to perform the duties of their position (e.g., fail to maintain required licenses or certifications) shall be immediately removed from duty without pay or may be permitted to use appropriate accrued paid leave for which they are eligible and may be subject to appropriate disciplinary action.

#### Section 6: Military Leave

As provided in the California Military and Veterans Code Section 395 et seq., and any amendment thereto, and the federal Uniformed Services Employment and Reemployment Rights Act of 1994, a District employee, regular, extrahelp, or recurrent may be entitled to the following rights concerning military leave:

2024 - 2027

- (a) <u>Definition</u>. Military leave is defined as the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training (weekend drills), full-time National Guard duty, and a period for which an employee is absent for the purpose of an examination to determine the fitness of the person to perform any such duty.
- (b) <u>Notice and Orders</u>. All employees shall provide advance notice of military service unless military necessity prevents the giving of notice or the giving of notice is impossible or unreasonable. Where available, copy of military orders must accompany the request for leave.
- (c) Temporary Active Duty. Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active military training provided that the period of ordered duty does not exceed one hundred eighty (180) calendar days, including time involved in going to and returning from such duty. While on paid status, an employee on temporary military leave shall receive the same vacation, holiday, and sick leave, step advances and benefits that would have been enjoyed had the employee not been absent, providing such employee has been employed by the CONFIRE for at least one (1) year immediately prior to the date such leave begins. In determining the one (1) year employment requirement, all time spent in recognized military service, active or temporary, shall be counted. An exception to the above is that an uncompleted probationary period must be completed upon return to the job. Any employee meeting the requirements of (c) and (d) shall be entitled to receive their regular salary or compensation for the first thirty (30) calendar days of any such leave. Pay for such purposes shall not exceed thirty (30) days in one fiscal year and shall be paid only for the employee's regularly scheduled workdays that fall within the thirty (30) calendar days.
- (d) Full-Time Active Duty employees who resign from their positions to serve in the Armed Forces for more than one hundred eighty (180) days, shall have a right to return to their former classification upon serving written notice to the Appointing Authority, no later than ninety (90) days after completion of such service. Returning employees are subject to a physical/psychological examination.

Should such employee's former classification have been abolished, then the employee shall be entitled to a classification of comparable functions, duties, and compensation if such classification exists, or to a comparable vacant position for which the employee is qualified.

The right to return to former classification shall include the right to be restored to such civil service status as the employee would have if the employee had not so resigned; and no other person shall acquire civil service status in the same position so as to deprive such employee of this right to restoration.

Eligible employees are also entitled to the reemployment and benefit rights as further described in the Uniformed Services and Employment and Reemployment Rights Act, 38 U.S.C. Sections 4301-4333. Specifically, a returning employee will receive restoration of original hire, salary step, vacation accrual rate, sick leave balance (unless the employee has received payment for unused sick leave in accordance with provisions contained herein), the retirement plan contribution rate and retirement system contributions (provided the employee complies with any requirements established by the Retirement Board). However, such employee will not have accrued vacation, sick leave, or other benefit while absent from the CONFIRE employment, except as provided in the Temporary Duty provision.

(e) Compensation. This provision does not include an employee's attendance at weekend reserve meetings or drills. Employees must use their own time to attend such meetings. Should the meetings unavoidably conflict with an employee's regular working hours, the employee is required to use vacation or holiday leave, leave without pay, or make up the time. Employees who are called in for a medical examination to determine physical fitness for military duty must also use vacation leave, leave without pay, or make up the time. Employees cannot be required to use their accrued leave. Any employee meeting the requirements in (c) and (d) shall be entitled to receive their regular salary or compensation for the first thirty (30) calendar days of any such leave. Pay for

2024 - 2027

such purposes shall not exceed thirty (30) days in any one fiscal year and shall be paid only for the employee's regularly scheduled workdays that fall within the first thirty (30) calendar days.

(f) Extension of Benefits. CONFIRE recognizes the increased requirements of the military due to the current threats facing the United States of America and, as such, has established a program under which employees may be eligible for an extension of benefits. Employees who are involuntarily called to active duty as a result of the activation of military reservists due to a crisis related to terrorist attacks on America and are eligible to receive the thirty (30) calendar day military leave compensation shall receive the difference between their base CONFIRE salary and their military salary starting on the 31st calendar day of military leave. The difference in salary shall continue through June 26, 2015 and for any additional period as may be approved by the Board of Directors. During this period, CONFIRE will continue to provide the employee all the benefits and leave accruals as was provided prior to such active duty. Retirement system contributions and service credit will be granted if the employee had enough pay to cover the entire retirement system contribution. If the employee does not get enough pay to cover the retirement system contribution or credit will be given. Employees should note that the Accidental Death and Dismemberment (AD&D) plan contains a war exclusion.

If the employee becomes eligible for full CONFIRE payment for the first 30 days of military leave provided in (e) of this Article, the extended payments provided under this Section shall be suspended and shall be continued after the 30 days compensation has been completed.

- (g) <u>Vacation and Military Leave</u>. Employees shall not be permitted to take vacation or other accrued leave in lieu of the military leave provisions provided in Sub Section (c) of the Section. Employees may elect to use accrued leave time, except sick leave, in lieu of the integrated pay in Section (f) of this Section under the following conditions:
  - (1) The employee must decline in writing the benefits of Section (f) of this Article prior to the due date of the Time and Labor Report (TLR). The employee must include the dates for which he/she is declining the benefit.
  - (2) The employee must use accrued leave time for the entire pay period (i.e., CONFIRE pay will not be integrated with military pay for partial pay periods).
  - (3) Such written declination cannot be revoked or amended at a later date for a pay period for which the TLR has already been submitted.
  - (4) Benefits, leave accruals, and pay will be administered per normal procedures for vacation pay; no additional benefits otherwise granted under this section will be available.

Employees may elect to use accrued leave time, except sick leave, once all paid benefits have been exhausted.

#### Section 7: Political Leave

Any employee who is a declared candidate for public office (i.e., a candidate who has filed the appropriate documents) shall have the right to a leave of absence without pay with or without right to return for a reasonable period to campaign for the election. Such leave is subject to the conditions governing special leaves of absence without pay under Section 8 of this Article.

## Section 8: Special Leaves of Absence Without Pay

(a) <u>General Provisions</u>. A special leave of absence without pay not exceeding one (1) year may be granted to an employee who:

2024 - 2027

- (1) Medically incapacitated to perform the duties of the position.
- (2) Desires to engage in a relevant course of study, which will enhance the employee's value to CONFIRE.
- (3) Takes a leave of absence pursuant to the federal FMLA, CFRA, and/or Pregnancy Disability Leave (PDL) provisions under the Fair Employment and Housing Act (FEHA).
- (4) For any reason considered appropriate by the Appointing Authority and the Director of Human Resources.
- (b) <u>Types of Leaves of Absence.</u> There are four (4) types of leaves of absences. All requests must be in writing and require the approval of the Appointing Authority or designee and the Director of Human Resources. Upon request, the Appointing Authority or designee and the Director of Human Resources may grant successive leaves of absence. All benefits shall be administered in accordance with the appropriate section of this MOU.

Should any subsequent workers' compensation claims occur during the initial twenty (20) pay periods, the remaining MPS eligibility from the original claim shall run concurrent with any additional approved workers' compensation claims that occur during the initial claim. For example, if the employee is receiving the MPS and DPS for twenty (20) pay periods for an injury and after ten (10) pay periods another workers' compensation claim is approved and the employee is eligible to receive the MPS and DPS for an additional twenty (20) pay periods, ten (10) pay periods will run concurrent with the initial claim, for a total of 30 pay periods.

## **ELIGIBLE UNITS:**

## ALL UNITS

A Retirement Medical Trust Fund has been established for eligible employees.

The Trust is administered by a Board of Trustees who manages the resources of the Trust Fund and determines appropriate investment options and administrative fees for managing the Trust Fund. The Trustees insure that payments of qualified medical expenses incurred by retirees or their eligible dependents are properly reimbursed.

2024 - 2027

The Trust will establish individual accounts for each participant who will be credited with earnings/losses based upon the investment performance of the participant's individual account. All of the contributions to the Trust Fund will be treated for tax purposes as employer, non-elective contributions resulting in tax-free contributions for CONFIRE. All of the distributions from the Trust Fund made to retirees or their eligible dependents for the reimbursement of qualified medical expenses as defined by the Internal Revenue Code (including medical and other eligible insurance premiums) will also be non-taxable to the retiree or the retiree's eligible dependent(s).

The Trust is a Voluntary Employees Benefit Association (VEBA) and will comply with all of the provisions of Section 501(c)(9) of the Internal Revenue Code.

#### Section 1: Sick Leave Conversion Eligibility

Eligible employees are those employees with ten (10) or more years of participation in the San Bernardino County Employees' Retirement Association (SBCERA). Those eligible employees with ten (10) or more years of combined contributions to SBCERA and other public sector retirement system(s) must provide the Plan Administrator written evidence of participation in other public retirement systems. A letter from the public sector retirement system(s) confirming that contributions have not been withdrawn must accompany the written evidence.

#### Section 2: Sick Leave Conversion Formula

Upon the death of an eligible individual who was previously employed in covered units and separated from CONFIRE service and became a participant of the Trust, the surviving spouse, if any, shall become their beneficiary who shall be entitled to the rights and benefits under the plan for the spouse and any dependents of the participant. <u>Exception</u>: Employees first hired at age 60 or over may choose not to become members of SBCERA at the time of hire. If this election is made, the employee will participate in the County's PST Deferred Compensation Retirement Plan. Said employees shall contribute seven and one-half percent (7.5%) of the employee's bi-weekly gross earnings. The employee's contributions to the PST Deferred Compensation Retirement Plan shall be automatically deducted from employee's earnings. ## Section 2: Employee Contributions

Any employee Retirement System contribution obligations shall be paid by the employee.

The Auditor-Controller/Treasurer/Tax Collector has implemented the pickup of such Retirement System contributions under Internal Revenue Code Section 414(h)(2). The amounts picked up under this Section shall be recouped through offsets against the salary of each employee for whom CONFIRE picks up member contributions. These offsets are akin to a reduction in salary and shall be made solely for purposes of income tax reporting and withholding. The member contributions picked up by CONFIRE under this Section shall be treated as compensation paid to CONFIRE employees for all other purposes, including calculation of retirement benefits. No employee shall have the option to receive the Retirement System contribution amounts directly instead of having them paid to the Retirement System.

## Section 3: Special Provisions

Employees with at least twenty-five (25) years of service as set forth in Government Code section 31625.3 as of June 18, 2011, and who either already have or thereafter attain thirty (30) years of service credit as set forth in Government Code section 31625.3 shall have one (1) opportunity during the employee's employment to receive cash payments of seven percent (7%) of earnable compensation for up to twenty-six (26) consecutive pay periods.

## **RETURN-TO-WORK COMPENSATION**

#### **ELIGIBLE UNITS:**

ALL UNITS

## Section 1: Purpose

Return-to-work compensation is designed to compensate employees for being available to return to work with limited notice and for hours not previously regularly scheduled. There are three (3) types of return-to-work compensation covered by this Article: on-call; standby; and callback. Assignment and approval of return-to-work compensation shall be made by the Appointing Authority or designee based upon the needs of the service.

## Section 2: On-Call Compensation

- (a) On-call duty requires the employee to return a call or page as soon as practicable but not to exceed thirty (30) minutes.
- (b) Employees assigned to be on-call shall: (1) leave a telephone number where they can be reached or wear a communicating device; and (2) be able to report to their work site within one (1) hour after notification. Employees can also be given a designated time of more than one (1) hour to report by the Appointing Authority or designee.
- (c) While assigned to on-call duty, the employee shall be free to use the time for his or her own purposes.
- (d) On-call duty shall be compensated at the rate of four dollars (\$4.00) for each full hour of duty or portion thereof. On-call time shall not count as hours worked.
- (e) The employee shall not receive on-call compensation once the employee begins work or for break and lunch periods during regular working hours.

## Section 3: Standby Compensation

- (a) Standby duty requires the employee to return a call or page as soon as practicable but not to exceed ten (10) minutes.
- (b) Employees assigned to standby duty shall: (1) leave a telephone number where they can be reached or wear a communicating device; and (2) after being told to report to work, the employee shall arrive at the work site no later than the time it takes to commute between the employee's home and the work site. Employees can also be given a designated time to report by the Appointing Authority or designee.
- (c) For employees in the Supervisors' Unit and Management Unit, standby duty shall be compensated at the rate of \$3.50 for each full hour of duty or portion thereof. For employees in the Supervisor' Unit Classifications standby duty shall not count as hours worked.
- (d) For employees in all classifications (except as noted in Section 3(c)), standby pay shall be compensated at minimum wage as provided in the California Industrial Welfare Commission for each full hour of standby duty

2024 - 2027

or portion thereof. Standby hours under this provision shall count as hours worked for overtime purposes.

Examples of application of this provision for computing overtime:

Employee earning \$15.00 per hour works 40 hours in a work period, plus 20 hours of standby.

40 x \$15.00 (base salary rate) <sup>1</sup>	=	\$600.00
20 x \$ 8.00 (standby minimum wage*)	=	\$160.00
	=	\$760.00

\$760.00 divided by 60 hours worked (regular rate of pay)  $^2$  = \$12.67

Pay for this week should be:

 40 hours regular pay
 =
 \$600.00

 20 hours standby x \$8.00 per hour
 =
 \$160.00

 20 hours overtime (\$12.67 x .5)
 =
 \$126.70

Total \$600.00 plus \$160.00 plus \$126.70 = \$886.70

(e) The employee shall not receive standby compensation once the employee begins work, or for break and lunch periods during regular working hours.

## Section 4: Call-Back Compensation

- (a) Call-back pay is used when an employee in a regular position returns to active duty and the work site at the request of the Appointing Authority or designee after said employee has been released from active duty and has left the work site. An employee need not be assigned to on-call or standby duty to receive call-back compensation.
- (b) Call-back compensation shall be paid in the following manner: The employee shall be paid for two (2) hours at one-time the base hourly rate of pay for each call-back occurrence. Said compensation shall be in lieu of any travel time and expense to and from home and the first or last work contact point. All time actually worked shall be considered as time actually worked for purposes of the section on "Overtime."
- (c) Employees shall not be eligible for call-back pay in the following situations: (1) special tours of duty scheduled in advance; (2) the employee is called back within two (2) hours of the beginning of a scheduled tour of duty; or (3) the employee is not required to leave home. The employee shall report all time actually worked within a pay period. Such time shall be cumulative and shall be considered as time actually worked for the purposes of the section on "Overtime."

## SAFETY COMMITTEE

A Safety Committee shall be established for the purpose of discussing safety-related concerns and reporting of unsafe incidents in the workplace. The Safety Committee shall be composed of up to two (2) CONFIRE employees selected by the Teamsters Local 1932 and an equal number of CONFIRE representatives selected by CONFIRE

<sup>&</sup>lt;sup>1</sup>Base salary rate is defined in Salary Adjustment.

<sup>&</sup>lt;sup>2</sup>Regular rate of pay is defined within the requirements of the Fair Labor Standards Act to include all remuneration for employment paid to the employee. When more than one rate of pay is paid for hours worked, the regular rate of pay is calculated using the weighted average of the rates of pay.

The Director of Human Resources may authorize the adjustment of the salary step or salary rate of an employee to correct any payroll error or omission, including any such action, which may have arisen in any prior fiscal year.

CONFIRE agrees to meet within 30 days of a Teamsters Local 1932 request to review any classifications that the union believes will, on an ongoing basis, be at least 5% below in total compensation (excluding differentials, such as longevity) than the classification it supervises. ## SECTION 125 PREMIUM CONVERSION PLAN

#### **ELIGIBLE UNITS:**

#### ALL UNITS

Eligible employees shall be provided with a Section 125 Premium Conversion Plan. The purpose of the Plan is to provide employees a choice between paying premiums with either pre-tax salary reductions or after-tax payroll deductions for medical insurance, dental insurance, vision insurance, voluntary life (to the IRS specified limit) and accidental death and dismemberment insurance premiums currently maintained for Unit employees or any other program(s) mutually agreed upon by the parties. The amount of the pre-tax salary reduction or after-tax payroll deduction must be equal to the required insurance premium.

Medical and dental coverage elections shall not reduce earnable compensation for purposes of calculating benefits or contributions for the San Bernardino County Employees' Retirement Association.

To be eligible for the Section 125 Premium Conversion Plan, an employee must be eligible to participate in medical, dental, vision, AD&D, and/or life insurance and have a premium deduction for these benefit plans.

Election of pre-tax salary reductions and after-tax payroll deductions shall be made within sixty (60) days of the initial eligibility period in a manner and on such forms designated by the Employee Benefits and Services Division. Failure to timely submit appropriate paperwork will result in after-tax payroll deductions for all eligible premiums for the remainder of the Plan Year.

Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan Year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Section 125 Plan Document. For payroll purposes, a regularly scheduled tour of duty, which commences before midnight and ends the following day

2024 - 2027

The appointing authority shall establish the actual number of hours, which comprises the standard tour of duty for each position. The appointing authority may modify or change the number of hours in a standard day, tour of duty or shift for each position to meet the needs of the service. When appointing authorities find it necessary to make such modifications or changes, they shall notify the affected employee(s) in writing indicating the proposed change prior to its implementation advising them to contact Teamsters or the appointing authority if they have any questions. Any such modifications or changes may not be implemented until the affected employee has received a minimum notice of fourteen (14) calendar days, unless the employee(s) specifically consents to a lesser time period, or in the event of an emergency. If the change affects a significant number of employees, Teamsters shall be notified. When a change would affect a significant number of employees and Teamsters requests to meet and confer regarding the impact of the change on employees, the first step, within ten (10) calendar days of the notification of change, shall be to meet to discuss the impact of schedule changes on employees. The phrase "significant number" shall mean: (a) a majority of the employees within a department, division, or work unit; or (c) all of the employees within a specific classification in this Unit.

If the parties are unable to reach agreement on the impact of the schedule change, either party may request the assistance of a mediator. The parties shall make every effort to complete the mediation process within thirty (30) calendar days from the date the mediator was requested.

### STATE DISABILITY INSURANCE

#### **ELIGIBLE UNITS:**

CONFIRE agrees to pay the premium for State Disability Insurance for each employee in regular positions budgeted for forty-one (41) or more hours per pay period.

### TEAMSTERS TRAINING CENTER

In partnership with Teamsters, CONFIRE agrees to evaluate Teamsters Local 1932 Training Center educational/certificate program curriculum to link job related skills and their applicability to identified CONFIRE entry level job classifications.

Human Resources will determine which job announcements may be considered to benefit from a substitution to the minimum eligibility requirements, examples include length of experience and/or job skills. This substitution may allow job applicants to meet the minimum eligibility requirements as part of the examination process (See Personnel Rule 4). Training Center enrollees seeking CONFIRE employment must provide a valid certificate or other acceptable proof of successful program completion at the time of application.

CONFIRE will partner with Teamsters upon request to discuss additional opportunities for the Training Center. CONFIRE will also provide quarterly Job Application Workshops at the Training Center, upon request.

### TEMPORARY PERFORMANCE OF HIGHER LEVEL DUTIES

#### **ELIGIBLE UNITS:**

#### ALL UNITS

Prior to the assignment of a probationary employee to a vacant higher level position, such probationary employee shall be notified in writing as to whether service hours to be worked in the higher level position will count towards completion of the probationary period in the (lower level) position in which the employee has not yet obtained regular status.

Employees directed to continuously perform the duties of a vacant higher level position, or employees who have

2024 - 2027

been given the temporary assignment of a project involving the performance of more difficult duties and requiring a greater level of skill(s) may be granted additional compensation. No award shall be made in any situation related to a vacation, short-term illness, or other temporary relief. For the purpose of this Article, temporary is defined as six (6) weeks or less. The duration of such assignments are not intended to exceed one (1) calendar year.

<u>Eligibility Criteria</u> – Employees will normally have regular status and not be in a probationary or trainee status; and there must be evidence of the employee's ability to competently perform the new assignment as determined by the Appointing Authority or designee and Director of Human Resources or designee and the employee shall be required to meet standards for satisfactory performance. Appointments to regular positions of trainees or underfills are exempt from the provisions of this Article.

### Assignment Criteria:

- (a) For the purposes of this Article, a vacant position is defined as an authorized regular position for which funds have been appropriated and which may be: (1) an unoccupied position due to attrition; (2) a position from which the incumbent is on extended leave of absence; or (3) a new position authorized by the Board of Directors. The Appointing Authority certifies that the employee is assigned and held responsible to fully perform all of the higher level duties without limitation as to difficulty or complexity of assignments or consequence of action. This provision shall not be used to circumvent the merit system of promotion and approval of such a request shall state the appropriate/selection process where applicable.
- (b) Compensation related to project assignments requires the temporary assignment of more difficult duties involving a greater level of skills. Such assignment may be made to allow for employee rotation, enhance upward mobility or to determine the impact of potential operational/organizational changes. The specific, temporary duties must be identified in writing.

### Compensation:

- (a) Compensation shall be awarded in pay period increments.
- (b) Employees performing the duties of a vacant higher level regular position shall be entitled to a salary rate increase to the higher level for the time actually worked. The amount of the increase shall be determined as if the assignment had been a promotion. The employee shall be eligible for step advances in the higher level position in accordance with the Salary Rate and Step Advancement and Merit Advancement Articles. The employee shall continue to receive benefits associated with their pre-assignment occupational Unit. Differentials and other compensation shall be paid only if applicable to the higher level position assignment. Overtime compensation shall be administered according with the Overtime article of the MOU for the higher level position. Upon assignment to the higher level position, the employee's service hours for determining salary step in the pre-assignment position shall continue to accrue. Upon completion of assignment, the employee shall be returned to their former position classification. If, while on the temporary assignment, the employee's step due date occurs, the employee shall receive their salary step effective the pay period they are returned to their former classification; provided, however, that the employee received a Work Performance Evaluation of at least "Meets Job Standards" while on the temporary assignment. If the employee was due a step advance while on the temporary assignment and no evaluation has been completed or if the employee was not rated at least "Meets Job Standards," the employee shall be evaluated within three (3) pay periods of return to former classification, and if rated at least "Meets Job Standards," the employee shall receive their step advance retroactive to the date of return to former classification. Under no circumstances will the step advancement be retroactive beyond the date of the return to former classification. Step placement upon promotion to the same or other higher level position following completion of the temporary assignment will be determined based upon salary rate in the pre-assignment position in accordance with the Promotions Article.
- (c) Project compensation shall be in the form of a specified percentage of the employee's base pay. The Director

2024 - 2027

of Human Resources will determine the amount in increments of one-half percent (½%) from a minimum of two and one-half percent (2½%) up to a maximum of seven and one-half percent (7½%). The bonus will be computed at the specified percentage of the current base pay of the employee for each pay period. The bonus shall be considered earnable compensation and shall be considered part of the employee's regular rate of pay for purposes of calculating overtime, if applicable. Such increases in pay shall not affect the employee's step advancement in the base range pursuant to the Article on "Salary Rates and Step Advancements."

Requests for Temporary Performance Compensation shall be initiated by the Appointing Authority when the Appointing Authority deems it is necessary for an employee to temporarily perform higher level duties, in such circumstances, the Appointing Authority maintains responsibility for initiating the compensation request in a timely manner and adhering to the compensation provisions defined in this Article. This does not preclude the employee from requesting Temporary Performance Compensation via the appointing authority. It is important to obtain Human Resources review of the request in advance of the date the employee begins the assignment, because there is no guarantee the request will be approved. Temporary Performance Compensation is to be effective only with the Director of Human Resources written approval, assignment of the greater level of duties, and signed acceptance by the employee.

Under no circumstances will Temporary Performance Compensation be granted retroactively, unless there is an unreasonable delay or denial in the process of the Temporary Performance Compensation caused by CONFIRE (e.g., a supervisor goes on a 3 month leave of absence and before going on leave forgets to submit the signed form, etc.). If there is an unreasonable delay or denial caused by CONFIRE, the Temporary Performance Compensation shall be granted retroactive to the date that the approved form (i.e., the form executed by the Department) was signed by the employee.

Requests for Temporary Performance Compensation shall be reviewed by the Director of Human Resources.

Denial of compensation due to assignment (Assignment Criteria) shall not be subject to the Grievance Procedure; provided, however, that employees who are denied compensation may submit a written appeal to the Director of Human Resources or designee. The Director of Human Resources or designee shall review the matter and provide a written response to the employee within 30 days unless the parties mutually agree to extend the timeframe.

The provisions of this Article shall not be utilized to circumvent the provisions of or provide additional compensation over and above that which may be provided in the Article on "Classification." The Articles, "Temporary Performance of Higher Level Duties," and "Classification" are mutually exclusive concepts and as such there shall be no dual or multiple requests and/or appeals, where the latter is applicable for a single situation.

CONFIRE will establish a career development, training, and education fund in the amount of \$20,000 for use by employees in regular positions with at least twelve (12) months of CONFIRE service.

These funds shall be available for use on a first-come, first served basis for reimbursement of tuition and community college registration fees, pursuant to the limits stated below, for career development courses or to reimburse membership dues in professional organizations provided such expenditure enhances the furtherance of CONFIRE.

Eligibility for reimbursement is contingent upon a pre-approved course or seminar completed with, where applicable, a grade of "C" or better or "pass" when taken on a pass/fail basis, except in extenuating circumstances where such a situation as verifiable illness prevents an individual from completing the course. Each employee shall be limited to one thousand, six hundred and fifty dollars (\$1,650.00) per fiscal year.

Tuition Reimbursement shall be pro-rated for job share and part-time employees.

### UNIFORM VOUCHER

CONFIRE will provide a maximum of \$250.00 per fiscal year for uniform purchase and replacement of a specified uniform. The employee is responsible for the purchase and replacement of such uniform to include approved pants, shirts, jackets, sweatshirts, belts, and shoes or boots. All such purchases and replacement of uniforms shall be made with such vendors as are selected by CONFIRE and CONFIRE Director shall make direct payment to the vendor up to the specified amount. Unused amounts shall not be carried over to the following fiscal year.

Employees who are on long-term leave of absence (6 pay periods or greater) who do not return to work will forfeit any unused and future uniform allowance.

#### **ELIGIBLE UNITS:**

ALL UNITS

### Section 1: CONFIRE Paid Union Training Leave.

- (a) <u>Purpose</u>. CONFIRE shall establish a Union Training Leave bank of 32 hours per calendar year that may be used by designated members for the purpose of attending periodic union-provided/sponsored training (e.g., steward training), seminars and conferences. Union Training Leave shall not be granted for members to engage in political and organizing activities.
  - It is expressly agreed and understood that CONFIRE shall not be obligated or responsible for any of the expenses or costs related to member's attendance at such training, seminars or conferences.
- (b) Release Time. Members who wish to utilize Union Training Leave under Section 1 shall notify and obtain approval from their immediate supervisor as far in advance as possible prior to the date they wish to use such leave. The release time for Union Training Leave shall not be counted as hours worked for purposes of calculating overtime, and the work schedules of members who use Union Training Leave shall not be adjusted to provide paid release time that would otherwise be off duty time. The use of Union Training Leave shall not unduly interfere with operations of CONFIRE nor shall CONFIRE unreasonably deny any request for use of Union Training Leave. Teamsters shall maintain accurate and current records of Union Training Leave used by its members. These records shall be provided to CONFIRE upon its request.

#### Section 2: Union Paid Leave of Absence.

(a) <u>Purpose</u>. An employee, not currently on any other leave of absence from CONFIRE, shall, upon the request of Teamsters Local 1932 and approval of CONFIRE, be granted a Union Paid Leave of Absence, which is a reasonable leave of absence from CONFIRE without loss of compensation (up to the employees standard hours per pay period) or other benefits for the purpose of the employee's service to Teamsters Local 1932 as a steward, officer, or representative of Teamsters Local 1932. Any request by Teamsters shall not be unreasonably denied. Compensation during this leave of absence shall not exceed payment for the employee's standard tour of duty and excludes differential or other specialized pay for duties the employee will no longer perform. For example, an employee who works the night shift for CONFIRE and receives differential pay while doing so will be ineligible for the shift differential during the union paid leave of absence.

A leave under this section may be granted on a full time (e.g. leave of absence for any number of consecutive days), part-time, periodic, or intermittent basis (e.g. every month to present at New Employee Orientation or to attend Executive Board meetings or as provided for under Section 1 and 2 of the Authorized Employee Representatives Article), as approved by CONFIRE. Full-time continuous leave shall not exceed one (1) year from the first day the leave commences, as approved by CONFIRE. Section 2 is intended to satisfy Government Code section 3558.8.

(b) Review. Any request for a part-time, periodic, or intermittent leave, other than for those reasons specified in Section 2 of the Authorized Employee Representatives Article, shall be made in writing to CONFIRE as far in advance of the release date as reasonably possible based on the circumstances. Requests for leave under Section 2 of the Authorized Employee Representative Article shall be in accordance with the requirements of that Article.

A request for a full-time Union Paid Leave of Absence under Section 2(a) shall be submitted in writing by Teamsters Local 1932 to the Director of Human Resources at least sixty (60) days in advance of the requested release date.

2024 - 2027

- (c) Employee Responsibilities. While on a Union Paid Leave of Absence, the employee shall be required to adhere to the same requirements, processes, and expectations for use of leave (e.g., sick, vacation, holiday, etc.) consistent with the MOU, and accurate reporting of time in CONFIRE's payroll system. Additionally, an employee shall not perform any CONFIRE work while on a Union Paid Leave of Absence.
- (d) Payment to CONFIRE. Teamsters Local 1932 shall reimburse CONFIRE for all costs associated with a Union Paid Leave of Absence, as determined by CONFIRE, including, but not limited to, base pay, CONFIRE's retirement fund contributions, medical premium subsidy, the value of pro-rated leave accruals and CONFIRE-paid benefits received (e.g., Medicare contributions, life insurance premiums, workers compensation, etc.) Reimbursement to CONFIRE by Teamsters Local 1932 shall be made no later than 30 calendar days from receipt of CONFIRE's certification of expenses to Teamsters.

Teamsters Local 1932 and/or the employee shall be required to execute any payroll forms, certifications of time or other documents required by the CONFIRE to ensure that the time reporting is accurate and the employee is performing the duties of a steward or officer or representative of Teamsters Local 1932 during all reported working hours. Teamsters Local 1932 agrees that the work assigned to CONFIRE employees on a Union Paid Leave of Absence is exempt from overtime under the Fair Labor Standards Act and that CONFIRE assumes no financial responsibility for any wage and hour claims arising out of hours worked for Teamsters Local 1932 during the Union Paid Leave of Absence.

(e) <u>Reinstatement</u>. As soon as practicable after the conclusion or termination of the Union Paid Leave of Absence, the employee shall be reinstated to the same position and work location held prior to the leave, or, if not feasible, a substantially similar position without loss of seniority, rank, or classification.

Teamsters Local 1932 retains the right to terminate a Union Paid Leave of Absence at any time. Teamsters Local 1932 agrees to notify the CONFIRE of the termination of a full-time or part-time Union Paid Leave of Absence at least fourteen (14) calendar days in advance of the termination.

The employee shall earn full retirement service credit during the Union Paid Leave of Absence and shall pay his or her member contributions.

- (f) Work Urgency. CONFIRE reserves the right to recall any employee on a Union Paid Leave of Absence due to a work urgency.
- (g) Adherence to policy and laws. During the Union Paid Leave of Absence Teamsters Local 1932 agrees to report to CONFIRE any egregious misconduct (e.g., workplace violence/threats/harassment, substance abuse, etc.) while the employee is on the Union Paid Leave of Absence.
- (h) <u>Indemnification</u>. Teamsters Local 1932 agrees to indemnify, defend, and hold harmless, the CONFIRE for any act or omission of, or an injury suffered by an employee on Union Paid Leave of Absence if that act, omission, or injury occurs during the course and scope of the Union Paid Leave of Absence. An employee on a Union Paid Leave of Absence shall not be covered by CONFIRE's Compensation Insurance while performing work for Teamsters Local 1932.

### **USE OF BULLETIN BOARDS**

#### **ELIGIBLE UNITS:**

### ALL UNITS

CONFIRE will furnish a reasonable portion of existing bulletin board space for notices of Teamsters. Only areas designated by the appointing authority may be used for posting of notices. Bulletin boards shall only be used for the following notices:

2024 - 2027

- (a) Scheduled Teamsters meetings, agenda and minutes.
- (b) Information on Teamsters elections and the results.
- (c) Information regarding Teamsters social, recreational, and related news bulletins.
- (d) Reports of official business of Teamsters, including reports of committees or the Teamsters Local 1932 Executive Board.

CONFIRE equipment, materials, or supplies shall not be used for the preparation, reproduction, or distribution of notices, nor shall such notices be prepared by CONFIRE employees during their regular work time. Teamsters may utilize CONFIRE's interdepartmental mail system provided Teamsters picks up and delivers necessary bulletins to the mail room, delivery to be concurrent with regular routes with no special trips made by CONFIRE, and Teamsters holds CONFIRE harmless against any loss or delays in delivery.

Notices that are posted, distributed through the mail system, or placed in an employee's CONFIRE mailbox shall not be obscene, derogatory, defamatory, or of a political nature, or directed at any employee or official in CONFIRE; nor shall they pertain to public issues which do not involve CONFIRE or its relations with CONFIRE employees.

All notices to be posted must be dated and signed by an authorized representative of Teamsters, with a copy to be submitted (electronically, delivered, or faxed) to the Employee Relations Division Chief or designee for review prior to posting or distribution through CONFIRE's mail room.

In cases where Teamsters represents more than one (1) authorized employee representation Unit at a work location, the space described above will become the bulletin board space for all employees represented by Teamsters at that work location.

### **USE OF CONFIRE RESOURCES**

### **ELIGIBLE UNITS:**

#### ALL UNITS

Teamsters will be granted permission to use CONFIRE facilities for the purpose of meeting with employees to conduct its internal affairs during non-work hours, provided space for such meetings can be made available without interfering with CONFIRE needs. Permission to use CONFIRE facilities must be obtained by Teamsters from the appropriate appointing authority. Teamsters shall be held fully responsible for any damages to and the security of any CONFIRE facilities that are used by Teamsters. No CONFIRE vehicles, equipment, computers, time, or supplies may be used in connection with any activity of Teamsters, except as may be otherwise provided in this Agreement.

### **VOLUNTARY TIME OFF**

#### **ELIGIBLE UNITS:**

### ALL UNITS

The Voluntary Time Off (VTO) Program is intended to provide employees a means of taking unpaid (i.e., non-compensated) time off work, without losing benefits (e.g., Medical Premium Subsidy, Dental Premium Subsidies, Opt-out/Waive amounts, vision care, RMT contribution, and life insurance) which depend on the employee being in a paid status. The following conditions apply:

- (a) VTO may be taken in the same manner as vacation time except that VTO must be used in one-hour increments and is limited to 80 hours per calendar year.
- (b) When VTO is taken, leave accruals continue as if the employee was on paid time. VTO time counts toward

2024 - 2027

satisfying the minimum hour requirement to receive benefits, such as Medical Premium Subsidy, Dental Premium Subsidy, Opt-Out/ Waive amount, CONFIRE-paid life insurance, and CONFIRE-paid vision care.

(c) VTO does not count as hours worked for purposes of computing overtime. CONFIRE contributions to the retirement system under the Retirement System Contributions Article will only be paid if the employee is in a paid status in any pay period in which VTO is used and the employee receives enough earnings to pay his/her retirement contribution in that pay period.

Pursuant to applicable law, Tier 1 system members are eligible for full service credit for the pay period in which VTO is used and the employer contribution would be based on the employees' normal compensation earnable.

Pursuant to applicable law, Tier 2 members are eligible for a reduced service credit amount for the pay period in which VTO was used and the employer contribution would be based on the employees' actual earnings for that pay period.

- (d) VTO may not be used for situations that would otherwise require leave without pay, such as an employee on state disability insurance, or in conjunction with leave without pay.
- (e) VTO is an entirely voluntary program. No employee may be required to take VTO.
- (f) VTO may be taken by request of the employee and upon approval of the appointing authority.

### STAFF REPORT

**DATE:** February 28, 2024

FROM: Nathan Cooke

**Interim Director** 

**TO:** Administrative Committee

**SUBJECT: CONFIRE Annual Charges Sub-Committee** 

### Recommendation

It is recommended that the CONFIRE Administrative Committee appoint an ad hoc sub-committee, that includes members of the CONFIRE Administrative Committee and CONFIRE Staff, to discuss and explore options related to the possibility of establishing a policy that compliments and brings clarity to the CONFIRE JPA Agreement pertaining to the Fiscal Contributions section, and how our member/contract agencies are charged for incidents and other related services.

It is recommended that the sub-committee appoint a chairperson and be referred to as the CONFIRE Annual Charges Sub-Committee.

### **Background Information**

CONFIRE's JPA Agreement was codified on September 21,1990 and last updated on April 12, 2021. The CONFIRE Joint Powers Agreement established the Fiscal Contributions section which codifies how member and contract agencies are charged for Dispatch and Dispatch- Related Services, Additional Services, and Other Costs and Expenses.

After lengthy research and discussions by CONFIRE Staff and the Administrative Committee, it appears that CONFIRE needs further clarification and interpretation pertaining to the Fiscal Contributions Section of the JPA Agreement, so that we can ensure that all dispatch related services are being accounted for from a fiscal perspective.

### STAFF REPORT

FROM: Nathan Cooke, Interim Director

**TO:** Administrative Committee

**SUBJECT: EMS Division Logo** 

### **RECOMMENDATION**

It is recommended that the CONFIRE Administrative Committee adopt and approve the attached logo for use for the CONFIRE EMS Division.

### **BACKGROUND**

The County of San Bernardino awarded CONFIRE the ground ambulance contract on Dec 5, 2023. The award was based on CONFIRE's response to the County's Request for Proposal (RFP).

Prior to the submission of the RFP by CONFIRE, the CONFIRE RFP Team developed and selected a logo for the EMS Division. The logo's robust development process included input from stakeholders that included member and contract agencies, local city officials, labor groups, and Priority Ambulance. As a result, the EMS logo was used throughout the RFP response and likely played a role in the County awarding the ambulance contract to CONFIRE.

As such, the logo should become the official CONFIRE EMS Division logo.

### FINANCIAL IMPACT

There is no fiscal impact.
