Item/Caption

Discussion regarding potential programming to assist with senior property tax relief.

Item Summary/Background/Prior Action

Pursuant to discussion and direction at the May 18 Council Meeting, staff would like to discuss potential options for the implementation of a donation based, City administered or assisted program intended to provide property tax relief to senior citizens.

In addition to concepts discussed at the May 18 City Council workshop, staff research has determined the Texas Tax Code authorizes municipalities to offer programming allowing seniors to perform community service for credit against taxes owed.
