#### City of Cosmopolis

#### Letter from the Mayor - 2026 Budget

"We can't change history, but we can create the future."

— Erwin Raphael McManus

Dear City Council, Department Heads, Staff, and Citizens of Cosmopolis,

As your Mayor, I am honored to serve, though the journey has been one of challenges at each turn. I made a commitment to each of you, and I will stand steadfast in that commitment. This coming budget year will be one made up of hard truths, complex decisions, and several challenges that we as a community must face together. We are facing necessary utility increases, and changes set into motion by budget demands, reviews, and new amendments throughout the designated budgetary period. Our 2026 Budget reflects our city's ongoing commitment to transparency, fiscal responsibility, and community resilience.

As I reflect and ask myself: Who are we, and what kind of city is Cosmopolis? We are proud of our past and history, Cosmopolis is the oldest city in Grays Harbor County. I have called it home for more than 21 years, I still consider myself a "newcomer" among the generations of families who built this community. Cosmopolis remains deeply rooted in tradition, a place where respect, kindness, and family are woven into daily life. Crime rate is low, neighbors look out for one another, and walking our dogs in the morning or evening feels safe and familiar. We are and will always be Cosmopolis, a city rooted in history. Moving forward is vital and that will involve change and working together.

Approaching my third year as your full-time Mayor, my goal and the goal of our Council is to restore financial stability, strengthen citizen engagement, and ensure transparent and accountable city operations. Serving as both Mayor and Acting City Administrator, I have focused on implementing consistent policies, accountability, and procedures that serve all residents and businesses fairly. This role involves collaborating with partner municipalities, agencies, and funding sources across Grays Harbor and the state to secure the building and maintaining of strong partnerships.

We continue our partnership with HDR Engineering meeting the requirement for the Stormwater Comprehensive Plan (SWCP). Our new partnership established this year is with the Washington State Department of Commerce, establishing the "Tech Team" team made up of experts from multiple state agencies to help address our city's aging infrastructure, including lift stations, pump stations, and inflow and infiltration challenges. These partnerships provide valuable expertise at no cost to the city and support completion of our Cosmopolis Comprehensive Plan, an essential and necessary tool for future grant applications and long-term planning.

I continue to seek cost saving services for our community. We are grateful for the partnerships that we have and continue to support Cosmopolis: College's Diesel Program has helped reduce equipment repair costs for the city. Grays Harbor College Forestry Program, Five Star continues to provide support for the city. Sherwin Williams, Caskey Industrial Supplies, Darst Electric and other local hometown businesses providing cost savings services assisting Cosmopolis at this crucial time.

The safety and security of our residents is paramount. In 2024, residents expressed an ardent desire to retain both our Police and Fire Departments— I have taken this seriously. Our Police Department served our community, with our Chief, one full-time officer, reserved support, and a successful interlocal agreement with the Aberdeen Police Department. We were able to maintain consistent coverage and effective service. The loss of our officer has highlighted the challenges small cities face in recruiting and retaining personnel. We must evaluate a sustainable model to ensure safety while protecting the city's financial health.

Our Volunteer Fire Department continues to grow in strength and capacity. With twenty volunteers, including twelve EMTs and one EMR, our department is thriving. The Residency Program has proven to be a success, providing valuable training, response coverage, and community service.

Cosmopolis' greatest strength lies in its people. Our staff, though small, demonstrates integrity, hard work, and dedication every day. I am proud and deeply grateful for their service and resilience—and for the community that supports and understands our collective efforts to meet the demands of the city while operating with lean resources. Volunteerism thrives across the city. Residents come together to maintain our parks and green spaces. First Street highlights our community with the care of the flower program and seasonal decorations throughout the year thanks to our Cosi Petal Pushers and generous donors. Our old city hall is now the Cosmopolis Community Center; the goal was and is, to give back to our citizens. Within a couple of months of establishing the center, a community member with deep roots and family in the community now serves our 50+

citizens every Tuesday, providing not only a warm meal, but an opportunity to connect with other mature adults, for support and social engagement. The Cosmopolis Community Center hosts the Timberland Library once a month providing additional services for all citizens. Another community volunteer and councilmember are busy establishing a food pantry at the center to serve the citizens of Cosmopolis to assist with food insecurities and increasing financial challenges. These volunteers exemplify Cosmopolis's enduring spirit—addressing challenges, fostering connections.

At the close of 2024, we achieved a balanced budget, looking to 2025 as a potential turning point. Unfortunately, continued cost pressures and inherited obligations have challenged that progress. The decision not to fill the City Administrator position, along with restructuring administrative roles and transitioning from a Finance Director to a Clerk-Treasurer, saved approximately \$200,000 annually. Engaging a CPA with municipal experience has further strengthened financial oversight. Yet, despite these efficiencies, significant fiscal challenges remain.

The 2026 budget is balanced, and my goal is to ensure we continue meeting our most difficult challenges while maintaining that balance in the years ahead. However, we still face a shortfall in the bond fund—an important reminder of how essential it is for this administration to carefully monitor revenues and investments to reduce debt and rebuild reserves. Many citizens have asked why this debt remains when bond payments are being made. Understanding history helps clarify this. In April 2023, the City Council approved moving the Municipal Bond funds from a local bank earning just 0.04% interest to the Local Government Investment Pool (LGIP), that was earning 4.75%. By leaving the funds in a much lower account, the city missed revenue stream, a revenue stream that could have been used to meet the increased costs. For reasons that remain unclear bonds were not moved until the current administration. The building was completed over budget. In July 2024, the remaining bond funds were moved to the LGIP, at a rate of 5.72%. Even with costsaving measures that were implemented and moving of the Bond funds to a much more favorable interest-bearing account, we still have a shortfall in the bond fund of \$430,000. Adding to this challenge, the city's 10-year long-term sewer contract with Aberdeen has placed further strains on our finances. What once provided cost advantages for previous administrations now requires capital improvement contributions that stretch our limited resources. Throughout 2025, negotiations with Aberdeen have continued in good faith, and their cooperation and partnership have been invaluable. The financial challenges we face today stem from past decisions—some beneficial at the time—that now require responsible solutions and forward-looking planning to secure Cosmopolis's financial future.

The coming year will be one made up of tough decisions and challenges we must overcome. My goal is to face these obstacles hand in hand as a community. As we approach 2026, with a balanced budget, this administration is committed to transparency. Decisions are not and will not be tied to the mill's possible return. We will keep running efficiently, focus on key services, and manage resources carefully regardless of future changes. I encourage all residents to participate—attend meetings, join committees, and contribute ideas as we chart the city's future together.

As your Mayor, I wrestled with how best to share this message. Some suggested focus only on the future. Yet, to move forward responsibly, we must first understand where we have been. The quote above reminds us that while we cannot change what has already been done, we can create the future—one built on honesty, accountability, and shared purpose.

I was called to serve, I am dedicated to serving this community with integrity, and transparency, and give grace even at challenging times. Together, we will continue shaping a city that honors its history while creating a sustainable tomorrow.

With gratitude, **Mayor Linda Springer**City of Cosmopolis

1300 First Street / PO Box 2007 Cosmopolis, WA 98537 (360) 532-9230 www.cosmopoliswa.gov

### **Elected Officials**

Term Expires:

| Linda Springer | Mayor               | December 31, 2027 |
|----------------|---------------------|-------------------|
| Kim Skinner    | Council Position #1 | December 31, 2027 |
| Jeremy Winn    | Council Position #2 | December 31, 2027 |
| Justin Spargo  | Council Position #3 | December 31, 2027 |
| Mark Collett   | Council Position #4 | December 31, 2025 |
| Sue Darcy      | Council Position #5 | December 31, 2025 |

### <u>Staff</u>

Vacant Clerk-Treasurer

Heath Layman Police Chief

Jacob Coker Fire Chief

### **Budget Development Process**

The budget includes financial planning and legal authority to obligate public funds. Additionally, the budget provides policy direction by the City Council to the staff and community.

The budget serves four functions:

#### It is a Policy Document

The budget functions as a policy document in that the decisions made within the budget will reflect the general principles or plans that guide the actions taken for the future. As a policy document, the budget makes specific attempts to link desired goals and policy direction to the actual day-to-day activities of the City staff.

#### It is an Operational Guide

The budget of the city reflects its operations. Activities of each City fund or department have been planned, formalized and described in the following sections. This process will help to maintain an understanding of the various operations of the City and how they relate to each other and to the attainment of the policy issues and goals of the City Council.

#### It is a Link with the General Public

The budget provides a unique opportunity to allow and encourage public review of City operations. The budget describes the activities of the city, the purpose of those activities, future implications, and the direct relationship to citizens.

#### It is a Legally Required Financial Planning Tool

Preparing and adopting a budget is a state law requirement of all cities as stated in Title 35A of the Revised Code of Washington (RCW). The budget must be adopted as a balanced budget and must be in place prior to the beginning of the City's fiscal year. The budget is the legal authority to expend public funds and controls those expenditures by limiting the amount of appropriation at the fund level. The revenues of the City are estimated, along with available cash carry-forward, to determine funds available.

The City operates on a calendar-year basis. The city utilizes an incremental budgeting approach that assumes, for most functions of government, that the current year's budget is indicative of the base required for the following year. Any increases are incremental and based on needs defined by budget policies, emerging issues, Council goals and available resources.

### **Budget Calendar**

#### October 15

- Mayor's proposed budget + budget message presented to Council
- Public hearing revenue sources

#### November 5

- Public hearing on preliminary budget
- First read property tax ordinance
- Budget discussion (if needed)

#### **November 19**

- Second read and adoption property tax ordinance
- Public hearing on final budget
- First read budget ordinance

#### December 3

Second read and adoption – budget ordinance

After the budget is adopted, the City enters a budget implementation and monitoring stage. Throughout the year, expenditures are monitored by the City Clerk and department directors to ensure that funds are within the approved budget. The City Clerk provides the City Council with quarterly reports to keep them current with the City's financial condition.

The Mayor is authorized to transfer budgeted amounts within a fund; however, any revisions that alter the total expenditures of a fund, or that affect the number of authorized employee positions, position titles, salary ranges or other conditions of employment must be approved by the City Council.

When the City Council determines that it is in the best interest of the City to increase or decrease the appropriation for a fund, it may do so by ordinance adopted by Council.

### **Budget Principles**

#### **General Principles**

- Department directors have primary responsibility for formulating budget proposals in line with City Council and Mayor directions, and for implementing them once they are approved.
- The City Clerk Treasurer is responsible for coordinating the overall preparation and administration of the City's budget. This function is fulfilled in compliance with applicable State of Washington statutes governing local government budgeting practices.
- The City Clerk Treasurer assists department staff in identifying budget problems, formulating solutions and alternatives, and implementing any necessary corrective actions.
- If presented, Interfund charges will be based on recovery of costs associated with providing those services.
- Budget adjustments requiring City Council approval will occur through the ordinance process at the fund level prior to the end of the fiscal year.
- The City's budget presentation will be directed at displaying the City's budget in a Council and Citizen-friendly format.

#### **Basis of Accounting**

- Annual appropriated budgets are adopted for all funds on the cash basis of accounting.
- Budgets are adopted at the fund level that constitutes legal authority for expenditures. Annual appropriations lapse at the end of the fiscal period.
- The **General Fund** is the primary fund of the City. It accounts for all financial resources except those required or elected to be accounted for in another fund.
- **Special Revenue Funds** account for revenue sources that are legally restricted or designated to finance certain activities.
- Capital Project Funds account for major construction projects.
- **Enterprise Funds** account for operations that provide goods and services to the general public and are supported primarily by user charges.

### City-Wide Budget Summary

| <u>Fund</u>                  | Beginning Fund Balance | Revenues  | Expenditures | Increase (Decrease) | Ending Fund Balance |
|------------------------------|------------------------|-----------|--------------|---------------------|---------------------|
| 001 General                  | 64,269                 | 1,216,050 | 1,216,050    | 0                   | 64,269              |

Re: 2025 Budget Amendment #1

**ATTACHMENTS:** Ordinance No. 1400

TYPE OF ACTION: Adoption, Second Read.

**Discussion:** 

This proposed budget amendment includes the following:

#### General Fund

- Increase of \$63,000 to cover parks RCO grant which was not included in the original 2025 budget. This is 100% offset by grant revenue (also unbudgeted in the original 2025 budget).
- Increase of \$188,000 in transfers out to bond fund. This is funded as follows: 1) \$50,000 from school plan/permit revenue (unplanned/unbudgeted additional revenue in 2025); 2) \$50,500 from closing the 1997 UTGO bond fund; 3) \$87,500 from closing the LID fund.

#### Makarenko Park

Increase of \$8,000 for dangerous tree removal (\$5K) plus additional salaries/benefits, based on actual time spent to date (\$3K). This is covered by additional interest revenue earned to date.

#### Street Fund

Increase of \$14K for sidewalk and driveway at new municipal building. This will be funded by additional allocation of utility tax revenue from the general fund.

#### 1997 UTGO

\$50,500 represents the balance in the fund. Per bond counsel, excess bond proceeds should be credited to the General Fund. It is recommended that the fund be closed and dollars used to cover part of the shortfall in the bond fund.

#### 2020 UTGO

- Increase expenditure budget by \$138,000 to cover year to date actual (through project completion.
- Increase revenues by \$188,000 (transfer in from General Fund as noted above).

#### Local Improvement District

\$87,500 represents the balance in the fund. Per bond counsel, excess bond proceeds should be credited to the General Fund. It is recommended that the fund be closed and dollars used to cover part of the shortfall in the bond fund.

#### **ORDINANCE NO. 1400**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COSMOPOLIS, MAKING CERTAIN FINDINGS OF FACT AND AMENDING THE 2025 BUDGET ADOPTED WITH **ORDINANCE** NO. 1396 **PROVIDING DECEMBER** 4, 2024, **AND FOR** SEVERABILITY, AND EFFECTIVE DATE, AND FOR SUMMARY PUBLICATION BY ORDINANCE TITLE ONLY.

#### RECITALS:

- 1. WHEREAS, the City Council of the City of Cosmopolis adopted the 2025 Budget with Ordinance No. 1396 on December 4, 2024.
  - 2. WHEREAS, unplanned and unbudgeted expenditures have been identified.
- 3. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the General Fund budget by \$251,000.
- 4. WHEREAS, the increase in the General Fund expenditure budget will be offset entirely by increases in revenue and transfers in totaling \$251,000.
- 5. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the Makarenko Park Fund budget by \$8,000.
- 6. WHEREAS, the increase in the Makarenko Park Fund expenditure budget will be offset by an increase in revenue of \$8,000.
- 7. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the Street Fund budget by \$14,000.

**ORDINANCE - 2** 

CITY OF COSMOPOLIS 1300 1st STREET COSMOPOLIS, WA 98537

- 8. WHEREAS, the increase in the Street Fund expenditure budget will be offset by an increase in revenue of \$14,000.
- 9. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the 1997 UTGO Fund budget by \$50,500.
- 10. WHEREAS, the increase in the 1997 UTGO expenditure budget will be offset by a decrease in fund balance and closing of the fund.
- 11. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the 2020 UTGO Fund budget by \$138,000.
- 12. WHEREAS, the increase in the 2020 UTGO expenditure budget will be offset by an increase in transfers in totaling \$188,000.
- 13. WHEREAS, the City Council has determined that it is in the best interest of the City of Cosmopolis to increase the Local Improvement District Fund budget by \$87,500.
- 14. WHEREAS, the increase in the Local Improvement District Fund expenditure budget will be offset by a decrease in fund balance and closing of the fund.
- 15. WHEREAS, following the introduction of this ordinance at the Council's meeting held on November 5, 2025, an opportunity for public comment will have been provided as required by law before the adoption of this ordinance.

NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS BY THE CITY COUNCIL OF THE CITY OF COSMOPOLIS:

<u>SECTION I</u>: The above stated recitals are hereby adopted as the council's findings and reasons for the adoption of this ordinance.

SECTION II: The 2025 budget, as adopted with Ordinance No. 1396 is hereby amended with an increase of \$461,000 to revenues and \$549,000 to expenditures as detailed below:

|                         |           | Expenditures   |                     |

Re: Ordinance No 1401 Property Tax Levy for 2026

**ATTACHMENTS:** Ordinance No. 1401

TYPE OF ACTION: None. First read.

**Discussion:** The City must adopt a tax levy ordinance in order to levy property taxes for 2026. The attached ordinance pertains to the regular levy only, exclusive of additional revenue from new construction. The attached ordinance presumes an increase of the maximum allowable (1%). Amounts for this ordinance are provided by Grays Harbor County and are calculated as follows:

Step 1: Calculate 2026 levy based on maximum allowable increase (1%)

Highest lawful regular levy x 101 percent equals \$475,237

Step 2: Calculate change from prior year levy

2026 levy \$479,990 (calculated as shown above)

Less: actual 2025 levy \$479,970 Dollar increase equals \$20.00 Percent increase equals .00%

Additional revenues related to administrative refunds and new construction are not required to be included in the tax levy ordinance but will be included in the levy certification provided to Grays Harbor County. The percentage increase noted above is less than 1% due to administrative refunds levied in 2025 totaling \$4,813, which are excluded from the highest lawful base levy for 2025. The cost of the 1% increase per \$1,000 of assessed valuation is approximately \$.01661. The annual impact on homes at various assessed valuations is as follows:

\$300,000 - \$4.98 \$400,000 - \$6.65 \$500,000 - \$8.31 \$600,000 - \$9.97 \$700,000 - \$11.63 \$800,000 - \$13.29 \$900,000 - \$14.95 \$1,000,000 - \$16.61

The total property tax levy per \$1,000 was \$10.38 in 2025. Of this, \$2.19, or 21% was related to the City's regular property tax levy and \$.88 or 9% was related to the City's bond levy. 52% of the 2025 property tax levy was for schools, 9% was for the county, and the remaining 9% was for other purposes (port, library, hospital).

#### **ORDINANCE NO. 1401**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COSMOPOLIS RELATING TO THE ESTABLISHMENT OF THE REGULAR AD VALOREM TAX LEVY FOR THE YEAR 2026; MAKING FINDINGS; AND RESERVING RIGHTS.

#### RECITALS:

- 1. WHEREAS, the City Council of the City of Cosmopolis has met and is considering its budget for the calendar year 2026.
- 2. WHEREAS, The City's actual levy amount from the previous year was \$479,970.00.
- 3. WHEREAS, the City has a population of less than 10,000 citizens.
- 4. WHEREAS, RCW 84.55.120 requires that all property tax increases must be adopted by ordinance and specifically identify the dollar and percentage change from the prior year,

NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS BY THE CITY COUNCIL OF THE CITY OF COSMOPOLIS:

SECTION I: That an increase in the regular property tax levy is hereby authorized for the levy to be collected in the 2026 tax year.

SECTION II: The dollar amount of the increase over the actual levy amount from the previous year shall be \$20.00, which is a percentage increase of .00% from the previous year. This increase is exclusive of additional revenue resulting from new construction, improvements to property, newly constructed wind turbines, solar, biomass, and geothermal facilities, and any increase in the value of state assessed property, any annexations that have occurred and refunds made.

SECTION III: This ordinance is based upon the information from the Office of the County Assessor as to amounts and calculations, as well as advice from County officials that this ordinance can be amended to modify the tax rate established herein by adoption of an appropriate amendatory ordinance. The City specifically reserves the right to take such amendatory action up to and including the last day allowed. Upon execution by the Mayor, a certified copy of this Ordinance shall be provided to the appropriate officials of the County so as to provide for appropriate assessment.

SECTION IV: Upon execution by the Mayor, a certified copy of this Ordinance shall be provided to the appropriate officials of the County so as to provide for appropriate assessment.

SECTION V: If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. The Council hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases had been declared invalid or unconstitutional, and if for any reason this Ordinance should be declared invalid or unconstitutional, then the original ordinance or ordinances shall be in full force and effect.

SECTION VI: This Ordinance shall take effect upon the fifth day following date of publication.

SECTION VII: Corrections by the Clerk-Controller or Code Reviser. Upon approval of the Mayor and City Attorney, the Clerk-Controller and the Code Reviser are authorized to make necessary corrections to this ordinance, including the correction of clerical errors,
