REGULAR COUNCIL MINUTES

Council Chambers – 1300 First Street

October 04, 2023 at 7:00 PM

CALL TO ORDER - ROLL CALL

PRESENT

Councilmember Candice Makos
Councilmember Stana Carlisle
Councilmember Jim Ancich
Councilmember Raymond Robinson

APPROVAL OF AGENDA

Motion made by Councilmember Carlisle to approve the agenda, Seconded by Councilmember Robinson.

Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

CONSENT AGENDA

Motion made by Councilmember Robinson to approve the consent agenda, Seconded by Councilmember Ancich.

Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

CITY OFFICIAL REPORTS

Police Chief - Chief Layman dispelled rumors of three new patrol cars. We have not received any new cars.

City Administrator - He stated will break ground on Monday, October 16th for the new municipal facility. We met with the insurance representative for builders risk insurance. The price is \$6710 for 12 months. Motion made by Councilmember Ancich to approve the purchase of the builders risk insurance, Seconded by Councilmember Carlisle. Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

He stated the compost program is closed due to budget cuts. Would like to have public input to determine if citizens are willing to pay a fee to keep the program going.

Fire Chief - Two volunteers attended and passed the academy that went last month. The Firefighter 1 academy starts in January. We will have five volunteers going. One of them will get a hazmat certification. The Grays Harbor County Fire Chiefs Association and the Washington State Patrol are funding this. There is no cost to the City. EMT classes in January. We will have one person going. We did not get approved for the Firehouse Sub grant. We will try to find another way to purchase personal protective equipment. September 19th the burn ban was lifted.

Public Works Superintendent - The street lights in Paisley Creek are out. We want to retrofit them to LED. There is a TIB grant to fund this. He is asking permission to apply for the TIB grant.

Motion made by Councilmember Carlisle to give permission to apply for a grant through the TIB, Seconded by Councilmember Ancich.

Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

Last Friday, they replaced culvert by the county shop. There has been flooding there every
The culverts had roots from trees in them. This should be a noticeable difference.

Finance Director - Director Pope stated she and the city administrator reached out to the State Auditor's Office to discuss their LEAN services. This is free to the City. She met with the insurance agent regarding renewal. We are looking at 15-25% increase. The preliminary general fund budget is still in process. We will have a department head meeting to work on the budget. The drive through window will be closed on October 16th due to construction. Currently, 40% of our utility payments are now being processed through Xpress Bill Pay. There will be a 6:00 workshop at the next Council meeting to discuss the revenue budget.

8. MAYOR'S REPORT

We are still looking at the budget and projections. There have recently been cuts in staffing and more will be needed to remain solvent. Councilmember Wenzel resigned due to personal changes in his life. We are taking letters of interest for the position until October 13th.

9. EXECUTIVE SESSION - To discuss Current or Potential Litigation per RCW 42.30.110(1)(i)

Mayor Pauley convened the executive session at 7:26 for 10 minutes. Regular session resumed at 7:39.

10. NEW BUSINESS

A. Washington Traffic Safety Commission Agreement

Motion made by Councilmember Ancich to approve the Washington Traffic Safety Commission Agreement, Seconded by Councilmember Robinson.
Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

B. MTC Proposal

Motion made by Councilmember Carlisle to approve the MTC proposal, Seconded by Councilmember Robinson.
Voting Yea: Councilmember Makos, Councilmember Carlisle, Councilmember Ancich, Councilmember Robinson

11. COUNCIL COMMENTS

Councilmember Makos - She stated Chief Falley has worked hard and is amazing.

Councilmember Ancich - He stated he has submitted a letter of interest for Councilmember Wenzel's seat. He stated we are looking at making some exemptions to building permits. This will also be discussed with Public Works committee.

Mayor Pauley - He stated Councilmember Wenzel was on Finance subcommittee and the Public Safety committee. Mayor Pauley moved Councilmember Ancich to the Public Safety Committee and Councilmember Robinson to the Finance Subcommittee.

12. PUBLIC COMMENTS

Linda Springer - She asked that Council and staff to please provide a full name along with any abbreviations used. She gave kudos to everyone working hard on getting grants.

RE: October 18, 2023, City Administrator Council Report

Informational Items Only

Item 1) *Municipal Building Update*- Since my last report, there have been a few scheduling changes for the new Municipal Building. Here are a few milestone dates for the project:

October 13, 2023 – Groundbreaking Ceremony, Mobilization

October 16 – Mobilization

October 17,18 – Pile Driving

October 19, 2023 – January 12, Foundation Prep and Pouring

January 12, 2024 – April 19, 2024, Seasonal Shutdown

Item 2) *C Street School Zone Lights*- This project is now complete with all systems working correctly.

Item 3) *Community Foundation Grant*- We did receive a \$2,500 grant from the Community Foundation for the Light the Corridor Project.

Items Needing Action

Item 4) *I Street Right of Way Vacations*- There will be a Public Hearing for the potential vacating of twenty feet of right of way on I Street between First Street and Southside Levy. This would be a vacation of ten feet on both sides of I Street, reducing the overall right of way from eighty feet to sixty feet, and would not block any access to the waterfront area. All sidewalks will remain within the public right of way.

When the streets between First and Sixth Street, and A through J Streets were platted, they were set at 80 foot right of way. A standard street right of way is sixty feet. Over the last thirty plus years, (*as shown on attachment **Vacated Streets***) several of our streets have been reduced from eighty feet to sixty feet right of way.

We have a request to vacate ten feet right of way from the landowner who owns the parcel between I and H Streets and between First Street and the Southside Levy (*see attached aerial photo Proposed I Street Vacation*), **parcel #031001200000**. They want to make the entrance to their property come off I Street rather than First Street, which will be much safer.

Item 5) Utility Easement for Parcel 031001200000- This item is related to Item 4; in that we need a 10-foot utility easement for water and sewer in what was the platted 10-foot alley for this parcel. To the best of our knowledge and the research that we have done, the City of Cosmopolis vacated the platted alley for Parcel 031001200000 sometime in the early 80's. The problem is the water and sewer mains are already located in what was the alley.

I have discussed this with the owners of the property, and we have a proposed solution that would be the most cost effective for the City. In exchange for a 10-foot easement for the water and sewer utilities, we would grant the property, Parcel 031001200000 free **water and sewer connection fees** for whenever they are ready to be installed. Currently each connection would cost \$1,000 plus expenses. This item will need approval by the City Council if we want to proceed.

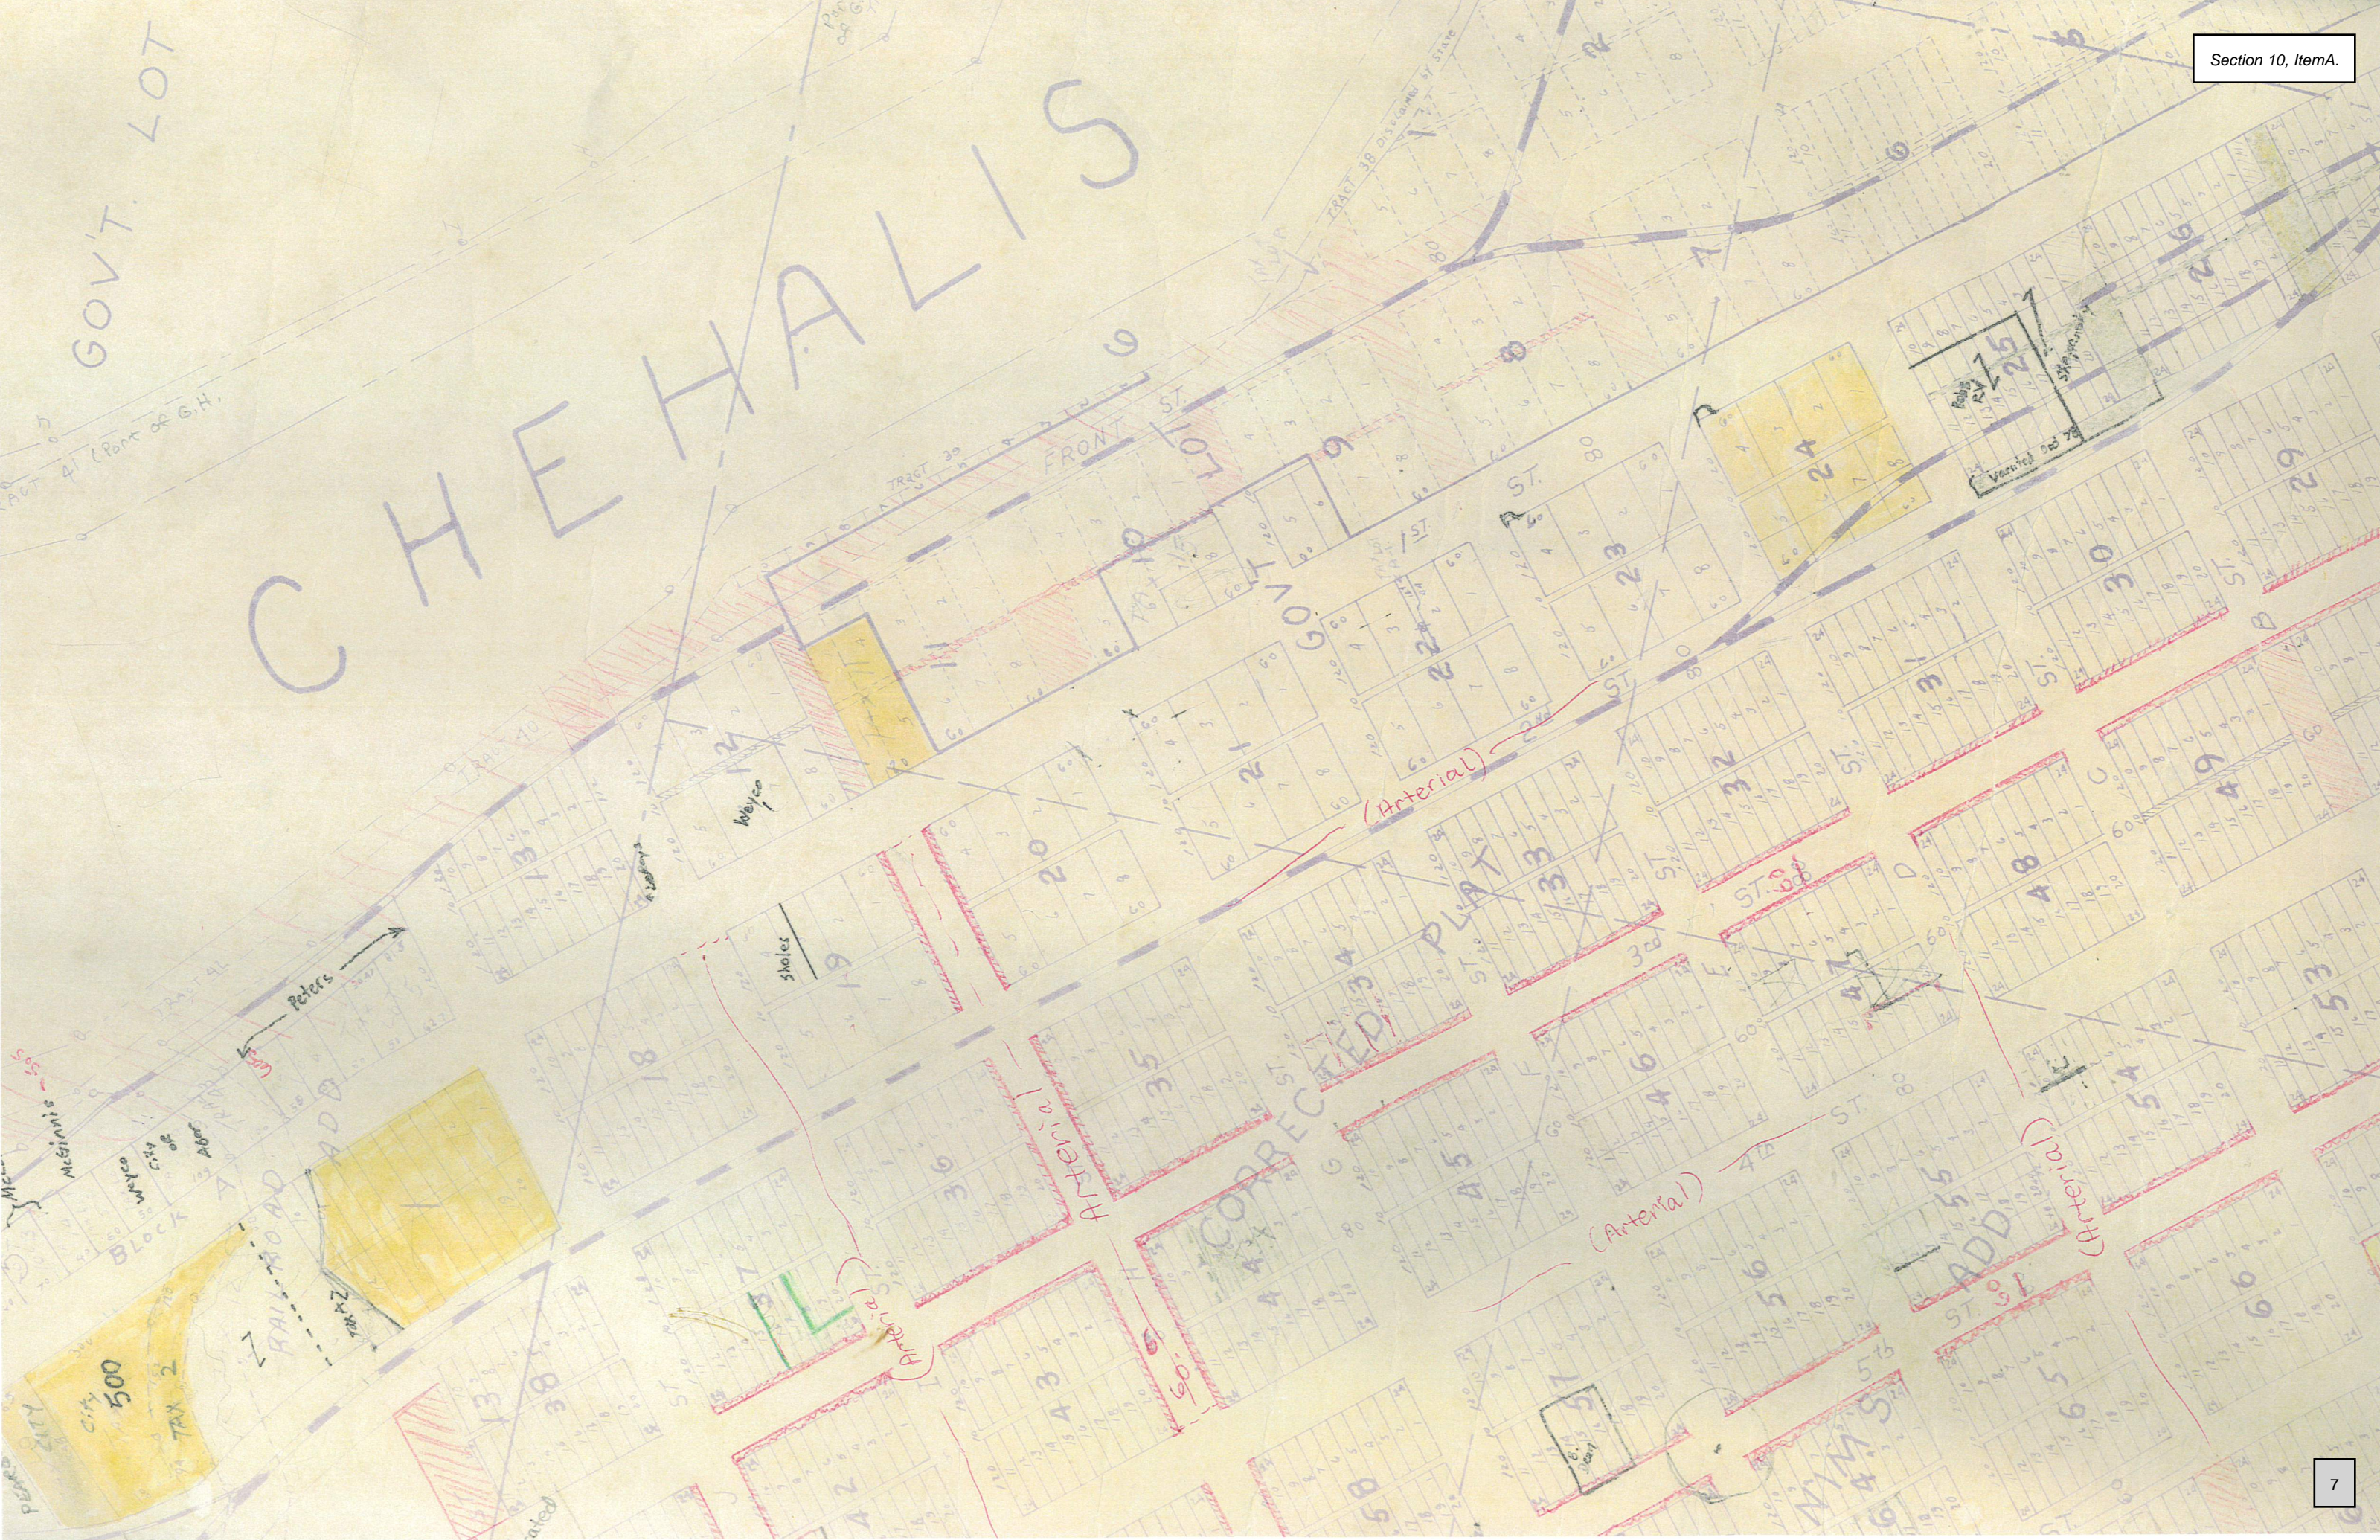

Sincerely,

Darrin C. Raines

 Heath Layman, *Chief of Police*

Council Report 11/01/2023

At the last council meeting we reported working on a grant through the Bullet Proof Vest Partnership. We were awarded funding that will replace one vest for a full-time officer. Our reserve program needed a new vest and are now able to purchase one using the donations that were raised by Ann Peery's lemonade stand. ***Thank you Ann Peery!***

We have been contacting a higher number of subjects walking the streets in the middle of the night that do not reside in Cosmopolis. We responded to an assault incident where one of the subjects involved sustained substantial injury. We are investigating a couple fraud cases that involve stolen documents and trafficking stolen property.

Our full-time officers completed their quarterly firearms training, and our reserve officers completed firearms training on 10/27.

As of 10/10/2023 Deputy Chief Miskell has been with our department for five years. He is now on his 11th year in civilian law enforcement. Congratulations to Ryan for his five years of service to the city.

We assisted Airlift Northwest and CFD/AFD with a landing zone at the Elementary School, recovered a stolen vehicle, and made several arrests since we last met with the council.

We were approved for the pre-application on the LE Pursuit Technology Grant. I am continuing to work with HPD and GHCSO on this project through a multi-agency approach.

-ACTION ITEM- I am asking for authorization to begin the application process for grants through "The Spirit of Blue" organization, a possible funding source for "enhancement of officer safety and vitality throughout the LE community by promoting public awareness for their protection and fulfilling safety equipment and training needs."

We received a donation from F.C.I. Custom Police Vehicles out of North Bend, WA of 3 sets of wheels/tires that fit our PPV Tahoe's that we were in desperate need of! Reserve Officer Adam Johnson is picking them up on 10/27.

We had 216 calls for service between 09/29/2023 and 10/27/23.

Respectfully submitted,

"A Community Partnership"

FINANCE DIRECTOR REPORT

Due to the cancellation of the last meeting, we will have our 2024 Revenue Budget workshop on the November 15, 2023 Council meeting. It will start at 6 p.m. and will be followed by a Public Hearing on Revenues during the regular session of the Council. We will also be holding a Public Hearing for the 2024 Property Taxes at the same time.

Attached to this report is the 2024 Cosmopolis Rate Adjustment from Lemay Enterprises. This is a 5% increase per the existing contract.

With the drive through being closed, we would like to remind citizens that our night drop is still available for after-hours payments.

Thank you,

A handwritten signature in blue ink that reads "Julie Pope". The signature is fluid and cursive, with the first name "Julie" being larger and more prominent than the last name "Pope".

Re: Contract for Garbage, Recyclables and Yard Waste Collection, Annual Rate adjustment

Dear Mayor and Council Members,

The Company is requesting the garbage and recycling rates to be adjusted effective January 1, 2024, pursuant to item 32 of the Garbage and Curbside Recycling Contract.

The Consumer Price Index for the year ending June 2023 has increased 6.85%. The contract allows 80% of the CPI for a 5.48% increase. Per contract there is also a 5% cap on the CPI, reducing the 5.48% increase to a 5% CPI increase on existing rates.

The contract also allows the pass through of any disposal increase. Effective January 1, 2024, the tip fee at the Central Transfer Station is increasing from \$121.11 to \$127.69 per ton for an increase of \$6.58 per ton.

Also, pursuant Item 32, section B, subsection 4 of the Garbage and Curbside Recycling Contract. LeMay proposes the pass through of costs due to the recent implementation of Washington's Climate Commitment Act. LeMay now faces a carbon fee on all fuel purchases. The fee will be adjusted annually with complete transparency to all Cosmopolis Residents by having a specific line item on the invoice.

The rate adjustments are detailed by level of service in the attached exhibit.

We take pride in providing the best service and appreciate the working relationship we have with the City of Cosmopolis. If you have any questions or would like to discuss the calculations, we would be happy to meet at your convenience. I can be reached at (360) 533-8286 or rogers@wasteconnections.com .

Sincerely,

Roger Swalander
Site Manager

Cosmopolis, WA 98537

Letter of Interest for City Council Position 5

To Whom it May Concern,

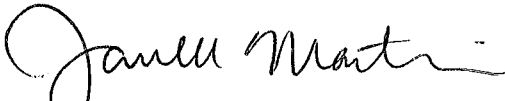

My name is Janell Martin and I am interested in filling position 5 on the Cosmopolis City Council. I am a recent resident of the city. Our family moved to Grays Harbor county in May 2021. We had previously lived in Aberdeen from 2009-2011 and loved our time here. We moved to Seattle for 10 years due to a job change but jumped at the chance to return to the area when it came about. Since we had lived in Aberdeen before, we were familiar with the different cities in the county. We actually developed a list of what we wanted in our next home and prayed along with our three children for God to give us just the right neighborhood and house. When I looked back at the list we had compiled with certain needs and wants we desired in our next residence, the third bullet point said, "a house in Monte, Aberdeen or Hoquiam...Cosi is fine". We truly looked from Montesano to Central Park to Aberdeen to Hoquiam to Cosmopolis. When a house came on the market in Paisley Creek we knew it could be the one. Living in Cosmopolis might not have been our first choice but it became our BEST choice. Our family has thrived being in this city, we now call home.

I am a Northwest native and grew up in Tacoma, WA. I have a Bachelor's Degree in Education from Pacific Lutheran University. Professionally, I have been in pastoral ministry for over 20 years and currently, I am a pastor at Grays Harbor Foursquare Church. I have been married to Kaj Martin for 23 years and we have three beautiful children. I often find myself in the community at sporting events supporting our kids who are student athletes at Aberdeen High School. Being an active member in our community is a strong personal value.

I would like to serve on the Cosmopolis City Council because I want to give back to our community. This city has become a place of peace, security and fun for our family. Cosmopolis is definitely an oasis and I want to help it succeed for future generations. I believe I can bring a fresh perspective to our local government. Being a new homeowner in our town, I have great respect for the history of our city and a great hope for what it can become. I am a good listener and a quick learner. I love meeting new people and bringing different groups together for positive change. I realize serving our city on the council will come with a learning curve but I'm up for the challenge.

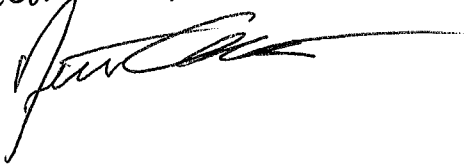

Thank you for considering me for City Council Position 5. I would see it as an honor to serve the city of Cosmopolis in this way.

Sincerely,

Janell Martin

I Jim Anach do hereby declare
my interest in filling the shoes of
Sir Miles Wenzel upon his untimely
departure... Thank you for your consideration

P.S. If placed into this position I will
be stepping down from my current position

Thank you -

I would love to replace Miles Wenzel
place. I have been on the council for
24 years. I will never leave.

Debbi Moran
