CITY OFFICIAL REPORTS

City Administrator – Jon Martin began by introducing the new deputy clerk Linda Francisco. She will be training to take the lead on council meeting packets. Finance, we are working on delinquent utility accounts and reviewing garbage service of any houses that currently don't have service. Notices have been sent out. Took the street tree ordinance to the planning commission. Attended his first planning commission meeting. Working on the comprehensive plan with them. June 30th is the deadline to have it done. Risk management, the city has enrolled in AWC's workers comp retro program which offers claim support. We currently have 32 open public records requests and 29 have been closed. The average time to close has been 71 days. We are working to cut that down. What slows us down is the complexity as well as finding and accessing records. We are probably going to be putting the requests on the website.

Police Chief Report – Chief Green reported on the issue with the feral cats that was brought up at the last meeting. Animal control trapped 16 cats. North Beach PAWS was great to take them in and will be offering them as barn cats. He said we had some calls regarding parking and reminded that we have a parking enforcement officer now. He said calls were up a little but mostly due to follow ups. Last month a new AI system was added for non-emergency calls. Cosmopolis had 19 non-emergency calls that went all the way through the new system. He spoke about Halloween coming up and that they will be handing out candy.

Fire Chief Report – Chief McAbee reported that there have been 292 calls for service so far in 2026. There were 25 aid calls for a little over a month. There were no structure fire calls in Cosmopolis. They have multiple people working towards the next fire and EMT academies. They are looking for community and council support to send them. They are in the process of interviewing 2 new applicants, and they have 6 new volunteers. The generator has been fixed and is in great condition. A special meeting was held to discuss the status of Cosi fire and policy updates. They are partnering with the Lions Club to assist with smoke detector battery changes.

MAYOR'S REPORT – Mayor Springer reported that Evergreen Rural Water was in our community today. They are a great partner to the city for training and assistance. They were there to teach hydrant flushing, tagging hydrants and documenting hydrant placement. She spoke about the community event to unveil the painting of the Lizzie Vance donated to the city by artist and educator Kenneth Eugene Mitchell. She spoke about the upcoming events planned around the city for Halloween. She spoke about the grant awarded to the city from the Office of the Chehalis Basin for $293,643 to identify flooding concerns. The Chehalis Basin stormwater planning grant is now complete. We are hopeful the remaining $20,000 will be applied to complete our assessment of assets and repairs needed moving forward. The mayor reported upcoming city hall closure dates of November 11, and November 25 and 26.

Councilmember Spargo asked questions about hubs, and whether they will be sub-contracting the installs. He expressed concern about the quality of the work with sub-contractors as has been seen with other providers. Councilmember Darcy asked about a timeline for availability. Possibly next year.
2. **Public Hearing – General Fund Revenue Projections**
   Mayor Springer suspends the Regular Council meeting to open the Public Hearing on the 2027 General Fund Revenue Projections. No public comment. The Public Hearing will remain open until budget is approved. Mayor Springer resumes the Regular Council Meeting.

Councilmember Darcy said that committees are formed by the mayor and not the council. Councilmember Skinner asked that councilmember Davis identify the subjects he feels need policies. Councilmember Davis said utility billing and public records requests. Councilmember Skinner discussed the burden that public records requests have put on the city and said that he feels issues can be addressed at the council meetings rather than forming a committee. The city attorney pointed out there are RCWs to follow for these issues. Mayor Springer tabled the discussion.
4. **Resolution 2026-04 – Entity Authorization; Edward Jones**
   Discussion-Jon Martin explained the reason for needing a signer is just that a former employee wants to withdraw funds and currently there is no approved signer.

Mayor's 2027 Budget Message

"We can't change history, but we can create the future."
— Erwin Raphael McManus

Dear City Council, Department Heads, Staff, and Citizens of Cosmopolis,

As I approach the end of my third year as Mayor, these years have brought tough decisions, financial challenges, and the responsibility of finding better ways to operate our city. That work has laid a foundation. The proposed 2027 budget is about building on that and moving Cosmopolis forward.

My commitment remains to serve Cosmopolis with integrity, transparency, accountability, and a determination to build a stronger future for our citizens and future generations.

Our Community and Our Commitment

As the oldest city in Grays Harbor County, Cosmopolis has a proud history rooted in family, tradition, and community. I have called Cosmopolis home for more than 23 years and appreciate the generations of families, volunteers, businesses, and citizens who make our city special. Our history is something we honor. Our future is something we build together.

Leadership, Staffing, and Responsible Operations

During a financially challenging period, the city has operated lean, with many administrative and supervisory duties carried by the Mayor. That helped the city realize savings, but it is not a structure Cosmopolis should depend on going forward. Our city needs an administrative structure that provides continuity for our citizens.

We are now fully staffed. The proposed budget provides for a part-time City Administrator, increased hours and benefits for the part-time Deputy Clerk, and an increased Fire Chief stipend. These changes will strengthen daily operations and help ensure the city's work continues smoothly.

City Hall will continue operating Monday through Thursday, a schedule that supports small cities, managing costs and working within limited budgets. Working closely with our CPA, we continue monitoring expenditures and ensuring responsible fiscal management across every department and fund. The city should always have an outside financial advisor that can and does assist with budget decisions.

Financial Stability and the 2027 Budget

A major component of the proposed budget is the planned contracting of police services, projected to save the General Fund approximately **$175,000 in 2027**. These savings will help maintain a balanced General Fund and support:

- A part-time City Administrator.
- Increased hours and benefits for the part-time Deputy Clerk.
- An increased Fire Chief stipend.
- Replacement of the cemetery roof.
- Fund set aside to address tree-related issues in our community.

The General Fund will also cover the annual Springbrook software license, previously paid from the Equipment Replacement Fund, helping preserve that fund for future equipment and operational needs. Funds are also set aside to address tree-related issues in our community.

The proposed budget includes a 4% cost-of-living adjustment, estimated at $18,700 across city funds, recognizing the value of our employees while remaining mindful of our financial responsibilities. Final payments on interfund loans from the Makarenko Park Trust to the General Fund are scheduled for completion in 2027, another step toward improving our financial position.

Water and Sewer: Paying for What We Buy and What We Own

Our water and sewer utilities remain one of the city's most important financial challenges, and it is important that our citizens understand why.

Cosmopolis does not produce its own drinking water or treat its own wastewater. We buy both from the City of Aberdeen and resell them to our customers. That means every utility dollar has two jobs. The first is paying Aberdeen for water and treatment, including our share of improvements to Aberdeen's system that a past agreement committed us to. The second is maintaining and replacing the infrastructure Cosmopolis owns: the water mains, sewer lines, pump stations, meters and hydrants that run under our streets.

Much of the first cost is set outside our control. The second does not go away because we buy the service from someone else. Pipes still age, still break, and still need to be replaced, and those costs are shared by you, the citizens. When rates cover what we owe Aberdeen but little more, our own system falls behind. That is the gap we must close.

The previous 10-year sewer agreement with Aberdeen, which included capital improvement obligations, expired at the end of 2023. The city had left over debt balances from 2022 to 2024 we have paid all of those off. No new agreement has been signed for services beginning in 2024, and negotiations on sewer remain ongoing as we continue to address our cost of the capital improvement projects as a result of the ten-year contract. Aberdeen is an important partner, and we appreciate their continued work and collaboration with us. We are working and continue to gather input from our attorney, Sewer Team, state partners, and the Department of Commerce to understand our options and learn from compatible communities.

Moving forward, our approach is to:

- **Secure fair, predictable agreements with Aberdeen** so that our customers know what to expect and the city can plan.

- **Know what we own.** Through Comprehensive and recently completed Storm Water Plan, we will inventory our water, sewer, and stormwater systems and assess their condition, so repairs are planned rather than rushed.

- **Continue to communicate rates.** We will review our utility rates so citizens can see which part of their bill pays Aberdeen and which part maintains our own system, and so rates support reserves for future repairs.

- **Bring in outside dollars.** We will continue state and federal infrastructure funding to reduce the burden on our ratepayers.

- **Look at every option.** We are evaluating all long-term options for how our utilities are owned, operated, and paid for, and bring those choices to the City Council and our citizens before any decision is made.

This will not be solved in one budget year, but we can stop reacting to it. We have been and are planning for it, with consideration for our citizens and Cosmopolis's long-term interests and best outcome for our Citizens.

Infrastructure, Stormwater, and Planning Ahead

The Office of Chehalis Basin awarded Cosmopolis a grant of $293,643 to identify the Flooding concern within the community involving our storm water drains and floodgates. In August the city with HDR Engineering approved its Comprehensive Stormwater Plan, identified flooding concerns and evaluated proposed projects, considered costs, and seeking funding for critical projects in the future.

Completing our Comprehensive Plan in early 2027 is a top priority. Our part-time City Administrator is working with the Planning Commission, so the plan meets state requirements and includes a plan for our streets, stormwater, water, and sewer infrastructure. This plan will help guide future decisions, establish community priorities, and strengthen our ability to pursue grants. We were awarded a PUG grant from the Department of Commerce $20,000 reviewing the Critical Area and to be part of the Comprehensive plan.

The Planning Commission also completed the Transportation Improvement Program (TIP), which identifies transportation priorities and provides a framework for pursuing funding for sidewalks and roads. One main goal for 2027 is working with Grays Harbor Council of Governments (CHGOG) to move those priorities toward funding, including grants and in-kind match.

Public Safety and Community Service

Public safety remains a priority. The planned transition to contracted police services addresses the financial realities of our small city while maintaining police services for residents. Accountability, service delivery, and community needs must remain central as this transition moves forward.

Our Volunteer Fire Department is another important strength. I would like to thank Daryle Druzanich for his ongoing support for the Fire Department and the City. His recent donation enabled us to address our

Fire Department Bay Doors. The proposed $18,000 investment in firefighter training supports preparation and recognizes the dedication of those who serve their neighbors. We are encouraged by the renewed focus on training and department needs under our new Administrative Fire Chief.

A Community That Works Together

Our residents, volunteers, local businesses, organizations, and regional partners help Cosmopolis accomplish more than our limited budget could provide alone.

Our parks and public spaces support rentals, youth programs, daycare activities, sporting events, youth soccer, and recreation. Mill Creek Courts are regularly used by young people and adults who are tennis fans, and Highland Park offers pickleball and other features for families. Cosmopolis received $30,000 for a play structure at Lions Park to assist in moving towards completion from Grays Harbor Community Foundation. Four of our parks now offer basketball with new hoops and lights, and our walking trails are maintained for citizens and visitors to enjoy. The Petal Pushers flower program, seasonal decorations, and community activities reflect local pride.

The Cosmopolis Community Center brings people together through weekly meals and social opportunities for residents aged 50 and older, as well as monthly visits from the Timberland Library. Efforts to develop a food pantry further demonstrate our commitment to helping neighbors facing financial challenges.

Visitors often comment on the cleanliness, appearance and care of our city. That recognition belongs to our Public Works employees, volunteers, businesses, and citizens who work together to keep Cosmopolis welcoming and well maintained.

Looking Ahead to 2027

We cannot undo past decisions, but we can learn from them and choose differently. By the end of 2027, our goal is clear progress on:

- An adopted Comprehensive Plan that guides growth, infrastructure, and funding.
- New water and sewer agreements with Aberdeen, and a clear picture of what our own system needs.
- Utility rates that are understandable and that protect our infrastructure and citizens for the long term.
- Grant applications for sidewalks, roads, stormwater, and utilities, prepared with our local and regional partners, including the Grays Harbor Council of Governments (GHCOG).
- **A completed, accountable transition to police services.**
- Continued progress rebuilding reserves and meeting our obligations.

I encourage citizens to attend City Council meetings, participate in committees, ask questions, and share their ideas. I invite you to Coffee with the Mayor on the last Thursday of each month for questions and one-on-one discussion. Transparency means being honest about both our accomplishments and our challenges.

Serving as your Mayor requires difficult choices and long hours. I remain committed to listening to you, our citizens, and approaching the work ahead with determination, respect, and grace.

Together, we can continue building a responsible, well-managed, and resilient city, one that honors its history while planning thoughtfully for its future.

With gratitude and continued commitment,

Mayor Linda Springer

Budget Development Process

The budget includes financial planning and legal authority to obligate public funds. Additionally, the budget provides policy direction by the City Council to the staff and community.

The budget serves four functions:

It is a Policy Document
The budget functions as a policy document in that the decisions made within the budget will reflect the general principles or plans that guide the actions taken for the future. As a policy document, the budget makes specific attempts to link desired goals and policy direction to the actual day-to-day activities of the City staff.

It is an Operational Guide
The budget of the city reflects its operations. Activities of each City fund or department have been planned, formalized and described in the following sections. This process will help to maintain an understanding of the various operations of the City and how they relate to each other and to the attainment of the policy issues and goals of the City Council.

It is a Link with the General Public
The budget provides a unique opportunity to allow and encourage public review of City operations. The budget describes the activities of the city, the purpose of those activities, future implications, and the direct relationship to citizens.

It is a Legally Required Financial Planning Tool
Preparing and adopting a budget is a state law requirement of all cities as stated in Title 35A of the Revised Code of Washington (RCW). The budget must be adopted as a balanced budget and must be in place prior to the beginning of the City's fiscal year. The budget is the legal authority to expend public funds and controls those expenditures by limiting the amount of appropriation at the fund level. The revenues of the City are estimated, along with available cash carry-forward, to determine funds available.

The City operates on a calendar-year basis. The city utilizes an incremental budgeting approach that assumes, for most functions of government, that the current year's budget is indicative of the base required for the following year. Any increases are incremental and based on needs defined by budget policies, emerging issues, Council goals and available resources.

Budget Calendar

October 21

- Mayor's proposed budget + budget message presented to Council

- Budget discussion (if needed)

November 18

- Second read and adoption – property tax ordinance

December 2

After the budget is adopted, the City enters a budget implementation and monitoring stage. Throughout the year, expenditures are monitored by the City Clerk and department directors to ensure that funds are within the approved budget. The City Clerk provides the City Council with quarterly reports to keep them current with the City's financial condition.

The Mayor is authorized to transfer budgeted amounts within a fund; however, any revisions that alter the total expenditures of a fund, or that affect the number of authorized employee positions, position titles, salary ranges or other conditions of employment must be approved by the City Council.

When the City Council determines that it is in the best interest of the City to increase or decrease the appropriation for a fund, it may do so by ordinance adopted by Council.

Budget Principles

General Principles

- Department directors have primary responsibility for formulating budget proposals in line with City Council and Mayor directions, and for implementing them once they are approved.

- The City Clerk Treasurer is responsible for coordinating the overall preparation and administration of the City's budget. This function is fulfilled in compliance with applicable State of Washington statutes governing local government budgeting practices.

- The City Clerk Treasurer assists department staff in identifying budget problems, formulating solutions and alternatives, and implementing any necessary corrective actions.

- If presented, interfund charges will be based on recovery of costs associated with providing those services.

- Budget adjustments requiring City Council approval will occur through the ordinance process at the fund level prior to the end of the fiscal year.

- The City's budget presentation will be directed at displaying the City's budget in a Council and Citizen-friendly format.

Basis of Accounting

- Annual appropriated budgets are adopted for all funds on the cash basis of accounting.

- Budgets are adopted at the fund level that constitutes legal authority for expenditures. Annual appropriations lapse at the end of the fiscal period.

- The **General Fund** is the primary fund of the City. It accounts for all financial resources except those required or elected to be accounted for in another fund.

- **Special Revenue Funds** account for revenue sources that are legally restricted or designated to finance certain activities.

- **Capital Project Funds** account for major construction projects.

- **Enterprise Funds** account for operations that provide goods and services to the general public and are supported primarily by user charges.

Re: 2026 Budget Amendment #2
ATTACHMENTS: Ordinance No. 1411
TYPE OF ACTION: None, first read.
Discussion:

This proposed budget amendment includes the following:

001 General Fund

Increase expenditures by $112,700 for the following items:

- $30,000 Parks playground equipment. Funded by GH Community Foundation grant.

- $59,700 Transfer to EMS fund. This amount represents the difference between old and new rates for two months. The difference between the old billing rate and new billing rate is $39.69 ($67.54 - $27.85). Average # of customer accounts = 752, for a net monthly difference of $29,847 per month ($39.69 x 752). The new rate, as charged by Aberdeen, went into effect in July but customer billing rates were not adjusted until September. The transfer from the General Fund is necessary to keep the EMS fund from ending the year with a negative balance.

- $23,000 Transfer to Debt Service Fund. This transfer is necessary due to significant past due property tax balances, which result in actual property tax collections for the bond levy being less than the annual debt service payment. The transfer from the General Fund is necessary to keep the Debt Service Fund from ending the year with a negative balance. When the bond is paid off, any excess proceeds will be returned to the General Fund, per bond covenants.

Increase revenues by $112,700 to fund the expenditure increases noted above:

- $30,000 Donations. GH Community Foundation Grant for playground equipment.

- $65,700 Miscellaneous Revenue. This amount represents actual proceeds from sale of police vehicles and equipment which was not included in the original 2026 budget.

- $17,000 Sales Tax. This amount represents a very small increase in total sales tax budgeted for 2026. The original budget for base sales tax budget was $141,500, and $153,581 has been received through September, with three months of sales tax distributions remaining for the year.

002 Fire Equipment Reserve & 007 Equipment Reserve

Transfer remaining funds available from fund 002 to 007, to close out fund 002 and maintain one Equipment Reserve fund going forward. Per code section 3.04.050.B a utility tax of five percent per month is imposed on all water, stormwater and sewer payers. Per section C. All funds received from the utility tax shall be placed into the equipment reserve fund. There is no requirement to maintain separate reserve funds for fire equipment replacement.

105 Cemetery Perpetual Care

Increase expenditures by $2,000 to reflect repurchase of a cemetery plot. The original budget did not include any expenditures in fund 105 as repurchases are quite infrequent. This will be offset by a decrease in ending fund balance in the same amount.

Re: Ordinance No. 1409 Property Tax Levy for 2027

ATTACHMENTS: Ordinance No. 1409

TYPE OF ACTION: Action. Second Read.

Discussion: The City must adopt a tax levy ordinance in order to levy property taxes for 2027. The attached ordinance pertains to the regular levy only, exclusive of additional revenue from new construction. The attached ordinance presumes an increase of the maximum allowable (1%). Amounts for this ordinance are provided by Grays Harbor County and are calculated as follows:

Step 1: Calculate 2027 levy based on maximum allowable increase (1%)

Highest lawful regular levy	$481,952
x 101 percent equals	$486,771

Step 2: Calculate change from prior year levy

2027 levy	$486,771 (calculated as shown above)
Less: actual 2026 levy	$486,496
Dollar increase equals	$275.00
Percent increase equals	.06%

Additional revenues related to administrative refunds and new construction are not required to be included in the tax levy ordinance but will be included in the levy certification provided to Grays Harbor County. The percentage increase noted above is less than 1% due to administrative refunds levied in 2026 totaling $4,564, which are excluded from the highest lawful base levy for 2026. The cost of the 1% increase per $1,000 of assessed valuation is approximately $.02. The annual impact on homes at various assessed valuations is as follows:

$300,000 - $6.35
$400,000 - $8.46
$500,000 - $10.58
$600,000 - $12.70
$700,000 - $14.81
$800,000 - $16.93
$900,000 - $19.05
$1,000,000 - $21.06

The total property tax levy per $1,000 was $9.73 in 2026. Of this, $2.02, or 21% was related to the City's regular property tax levy and $.80 or 8% was related to the City's bond levy. 52% of the 2026 property tax levy was for schools, 10% was for the county, and the remaining 9% was for other purposes (port, library, hospital).

ORDINANCE NO. 1409

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COSMOPOLIS RELATING TO THE ESTABLISHMENT OF THE REGULAR AD VALOREM TAX LEVY FOR THE YEAR 2027; MAKING FINDINGS; AND RESERVING RIGHTS.

R E C I T A L S:

1. WHEREAS, the City Council of the City of Cosmopolis has met and is considering its budget for the calendar year 2027.

2. WHEREAS, The City's actual levy amount from the previous year was $486,496.

3. WHEREAS, the City has a population of less than 10,000 citizens.

4. WHEREAS, RCW 84.55.120 requires that all property tax increases must be adopted by ordinance and specifically identify the dollar and percentage change from the prior year,

This increase is exclusive of additional revenue resulting from new construction, improvements to property, newly constructed wind turbines, solar, biomass, and geothermal facilities, and any increase in the value of state assessed property, any annexations that have occurred and refunds made.

SECTION III: This ordinance is based upon the information from the Office of the County Assessor as to amounts and calculations, as well as advice from County officials

that this ordinance can be amended to modify the tax rate established herein by adoption of an appropriate amendatory ordinance. The City specifically reserves the right to take such amendatory action up to and including the last day allowed. Upon execution by the Mayor, a certified copy of this Ordinance shall be provided to the appropriate officials of the County so as to provide for appropriate assessment.

SECTION IV: Upon execution by the Mayor, a certified copy of this Ordinance shall be provided to the appropriate officials of the County so as to provide for appropriate assessment.

SECTION V: If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. SECTION VI: This Ordinance shall take effect upon the fifth day following date of publication.

SECTION VII: Corrections by the Clerk-Controller or Code Reviser. 2.4 Effective Date

The effective date of this Franchise shall be on _____, 2026, unless Grantee fails to file an unconditional written acceptance of this Franchise and post the security required hereunder within thirty (30) days of approval of this Franchise by the City of Cosmopolis, in which event this Franchise shall be null and void, and any and all rights of Grantee to own or operate a Cable System within the Franchise Area under this Franchise are hereby terminated.

2.5 Franchise Nonexclusive

This Franchise shall be nonexclusive, and is subject to all prior rights, interests, agreements, permits, easements or licenses granted by City of Cosmopolis to any Person to use any Street, right-of-way, easement, or property for any purpose whatsoever, including the right

of City of Cosmopolis to use same for any purpose it deems fit, including the same or similar purposes allowed Grantee hereunder. City of Cosmopolis may at any time grant authorization to use the public rights-of-way for any purpose not incompatible with Grantee's authority under this Franchise and for such additional Franchises for Cable Systems as City of Cosmopolis deems appropriate, upon such terms and conditions as City of Cosmopolis deems appropriate.

2.6 Grant of Other Franchises

(A) In the event the City of Cosmopolis enters into a Franchise, permit, license, authorization, or other agreement of any kind with any other Person or entity other than the Grantee to enter into the City of Cosmopolis's public ways for the purpose of constructing or operating a Cable System or providing Cable Service to any part of the Franchise Area, in which the Grantee is actually providing Cable Service under the terms and conditions of this Franchise or is required to extend Cable Service to under the provisions of Section 13.2 of this Franchise, the material provisions thereof shall be reasonably comparable to those contained herein, in order that one Grantee not be granted an unfair competitive advantage over another, and to provide all parties equal protection under the law.

(B) If the City of Cosmopolis grants a Franchise to a third party for service to an area that Grantee is not actually serving or required to extend service to, and which has material provisions that are not reasonably comparable to those contained herein, City of Cosmopolis shall offer Grantee a Franchise to serve the same area under terms and conditions that are reasonably comparable to those set forth in the Franchise entered into with the third party.

2.7 Police Powers

Grantee's rights hereunder are subject to the lawful police powers of City of Cosmopolis to adopt and enforce ordinances necessary to the safety, health, and welfare of the public, and Grantee agrees to comply with all applicable laws and ordinances enacted, or hereafter enacted, by City of Cosmopolis or any other legally-constituted governmental unit having lawful jurisdiction over the subject matter hereof.

2.8 Relations to Other Provisions of Law

This Franchise and all rights and privileges granted under the Franchise are subject to, and the Grantee must exercise all rights in accordance with, applicable law, as amended over the Franchise term. However, this Franchise is a contract, subject only to the City of Cosmopolis's exercise of its police and other powers and applicable law. This Franchise does not confer rights or immunities upon the Grantee other than as expressly provided herein. In the case of any conflict between the express terms of this Franchise and the express terms of any ordinance of general application enacted pursuant to the City of Cosmopolis's police power, the ordinance shall govern. Grantee does not waive its right to challenge the lawfulness of a particular enactment, including on the grounds that a particular action is an unconstitutional impairment of

2.9 Effect of Acceptance

By accepting the Franchise, the Grantee: (1) acknowledges and accepts the City of Cosmopolis's legal right to issue and enforce the Franchise; (2) agrees that it will not oppose the City of Cosmopolis's intervening in any proceeding affecting the Cable System; (3) accepts and agrees to comply with each and every provision of this Franchise; and (4) agrees that the Franchise was granted pursuant to processes and procedures consistent with applicable law, and that it will not raise any claim to the contrary.

SECTION 3. FRANCHISE FEE AND FINANCIAL CONTROLS

As compensation for the benefits and privileges granted under this Franchise and in consideration of permission to use City of Cosmopolis's Streets, Grantee shall pay as a Franchise fee to City of Cosmopolis, throughout the duration of this Franchise, an amount equal to five percent (5%) of Grantee's Gross Subscriber Revenues derived from the operation of the Cable System to provide Cable Service in the Franchise Area. The Franchise fees are in addition to all other fees, assessments, taxes or payments of general applicability that the Grantee may be required to pay under any federal, state or local law. This Franchise and the Franchise fees paid hereunder are not in lieu of any other generally applicable required permit, authorization, fee, charge or tax.

3.2 Payments

3.3 Acceptance of Payment and Recomputation

No acceptance of any payment shall be construed as an accord by City of Cosmopolis that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim City of Cosmopolis may have for further or additional sums payable or for the performance of any other obligation of Grantee.

3.4 Semiannual Franchise Fee Reports

Each payment shall be accompanied by a report to City of Cosmopolis, containing an accurate statement in summarized form.

3.6 Additional Commitments Not Franchise Fees

No term or condition in this Franchise shall in any way modify or affect Grantee's obligation to pay Franchise fees to City of Cosmopolis. Although the total sum of Franchise fee payments and additional commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee's Gross Subscriber Revenues in any 12-month period, Grantee agrees that the additional commitments herein are not Franchise fees as defined under any federal law, nor are they to be offset or credited against any Franchise fee payments due to City of Cosmopolis.

3.7 Costs of Publication

Grantee shall pay the reasonable cost of newspaper notices and publication pertaining to this Franchise and any amendments thereto, as such notice or publication is reasonably required by City of Cosmopolis or applicable law.

3.8 Tax Liability

Payment of the Franchise fees under this Franchise shall not exempt Grantee from the payment of any generally applicable license, permit fee or other generally applicable fee, tax or charge on the business, occupation, property or income of Grantee that may be imposed by City of Cosmopolis.

3.9 Payment on Termination

If this Franchise terminates for any reason, the Grantee shall file with the City of Cosmopolis within ninety (90) calendar days of the date of the termination, a financial statement, certified by an independent certified public accountant, showing the Gross Subscriber Revenues received by the Grantee since the end of the previous fiscal year. 4.3 Time Limits Strictly Construed

Whenever this Franchise sets forth a time for any act to be performed by Grantee, such time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a violation of this Franchise and sufficient grounds for City of Cosmopolis to invoke any relevant provision of this Franchise. However, in the event that Grantee is prevented or delayed in the performance of any of its obligations under this Franchise by reason beyond the reasonable control of Grantee, such as acts of God (for example, floods, tornadoes, earthquakes or unusually severe weather conditions), Grantee's performance shall be excused during the force majeure occurrence and Grantee thereafter shall, under the circumstances, promptly perform the affected obligations under this Franchise or procure a substitute for such obligation which is satisfactory to City of Cosmopolis.

City of Cosmopolis may require Grantee to perform a combination of modification and removal of the facility. Grantee shall complete such removal or modification in accordance with a schedule set by City of Cosmopolis. Until such time as Grantee removes or modifies the facility as directed by City of Cosmopolis, or until the rights to and responsibility for the facility are accepted by another Person having authority to construct and maintain such facility, Grantee shall be responsible for all necessary repairs and relocations of the facility, as well as maintenance of the Street, in the same manner and degree as if the facility were in active use, and Grantee shall retain all liability for such facility. If Grantee abandons its facilities, City of Cosmopolis may choose to use such facilities for any purpose whatsoever including, but not limited to, public, governmental, or educational purposes.

10.10 Hazardous Substances

(A) Grantee shall comply with all applicable local, state and federal laws, statutes, regulations and orders concerning hazardous substances relating to Grantee's Cable System in the Streets.

(B) Grantee shall maintain and inspect its Cable System located in the Streets. Upon reasonable notice to Grantee, City of Cosmopolis may inspect Grantee's facilities in the Streets to determine if any release of hazardous substances has occurred, or may occur, from or related to Grantee's Cable System. In removing or modifying Grantee's facilities as provided in this Franchise, Grantee shall also remove all residues of hazardous substances related thereto.

10.11 Undergrounding of Cable

(A) Wiring.

(1) Where electric and telephone utility wiring is installed underground at the time of Cable System construction, or when such wiring is subsequently placed underground, all Cable System lines or wiring and equipment shall also be placed underground on a nondiscriminatory basis with other wire line service at no additional expense to the City of Cosmopolis or Subscribers. Related Cable System equipment such as pedestals must be placed in accordance with applicable Code requirements and underground utility rules as interpreted and directed by the City of Cosmopolis's Director of Public Works. In areas where electric or telephone utility wiring is aerial, the Grantee may install aerial cable, except when a property owner or resident requests underground installation and agrees to bear the additional cost in excess of aerial installation.

(2) In the event of forced relocates that require conversion of overhead facilities to underground, such as projects that may include, but not be limited to; road widening, sidewalk installation, or beautification, Grantee agrees to bear the costs of converting Grantees cable system from an overhead system to an underground system. This cost to include the labor and materials to relocate Grantees cable system, but does not include costs related to; trenching, backfill, or restoration of any rights-of-way within the project area as defined by project engineering plans.

(4) The Grantee shall utilize existing poles and conduit wherever possible.

(5) This Franchise does not grant, give or convey to the Grantee the right or privilege to install its facilities in any manner on specific utility poles or equipment of the City of Cosmopolis or any other Person without their permission. Copies of agreements for use of poles, conduits or other utility

facilities must be provided upon request by the City of Cosmopolis upon demonstrated need and subject to protecting Grantee's proprietary information from disclosure to third parties.

(B) Repair and Restoration of Property.

(1) The Grantee shall protect public and private property from damage. If damage occurs the Grantee shall promptly notify the property owner within twenty-four (24) hours in writing.

(2) If public or private property is disturbed or damaged, the Grantee shall restore the property to its former condition, normal wear and tear excepted. Public right-of-way or other City of Cosmopolis property shall be restored, in a manner and within a timeframe approved by the City of Cosmopolis's Director of Public Works. If restoration of public right-of-way or other property of the City of Cosmopolis is not satisfactorily performed within a reasonable time, the Director of Public Works may, after prior notice to the Grantee, or without notice where the disturbance or damage may create a risk to public health or safety, or cause delay or added expense to a public project or activity, cause the repairs to be made at the Grantee's expense and recover the cost of those repairs from the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, including the costs of labor, materials and equipment, the Grantee shall pay the City of Cosmopolis. If suit is brought upon Grantee's failure to pay for repair or restoration, and if judgment in such a suit is entered in favor of the City of Cosmopolis, then the Grantee shall pay all of the City of Cosmopolis's actual costs and expenses resulting from the non-payment, including damages, interest from the date the bill was presented, disbursements, attorneys' fees and litigation-related costs. Private property must be restored promptly, considering the nature of the work that must be performed and in no event later than seventy-two (72) hours.

(3) Prior to entering onto private property to construct, operate or repair its Cable System, Grantee shall give the Person residing on or using the property adequate written notice (such as a door hanger which clearly identifies the anticipated construction) that it intends to work on the property, a description of the work it intends to perform and a name and phone number the Person can call to protest or seek modification of the work. Work shall be done in a manner that causes the least interference with the rights and reasonable convenience of property owners, residents and users.

(C) Movement of Cable System for and by City of Cosmopolis. The City of Cosmopolis may remove, replace, modify or disconnect Grantee's facilities and equipment located in the public right-of-way or on any other property of the City of Cosmopolis in the case of fire, disaster, or other emergency, or when a project or activity of the City of Cosmopolis's makes the removal, replacement, modification or

disconnection necessary or less expensive for the City of Cosmopolis. Except during an emergency, the City of Cosmopolis shall attempt to provide reasonable notice to Grantee prior to taking such action and shall, when feasible, provide Grantee with the opportunity to perform such action. Following notice by the City of Cosmopolis, Grantee shall remove, replace, modify or disconnect any of its facilities or equipment within any public right-of-way, or on any other property of the City of Cosmopolis, except that the City of Cosmopolis shall provide at least sixty (60) days' written notice of any major capital improvement project which would require the removal, replacement, modification or disconnection of Grantee's facilities or equipment. If the Grantee fails to complete this work within the time prescribed and to the City of Cosmopolis's satisfaction, the City of Cosmopolis may cause such work to be done and bill the cost of the work to the Grantee. Within thirty (30) days of receipt of an itemized list of those costs, the Grantee shall pay the City of Cosmopolis.

(D) Movement for Other Franchise Holders. If any removal, replacement, modification or disconnection is required to accommodate the construction, operation or repair of the facilities or equipment of another cable or non-cable franchise, Grantee shall, after at least thirty (30) days' advance written notice, take action to effect the necessary changes requested. The Grantee and entity requesting such necessary changes shall determine how costs associated with the removal or relocation shall be allocated.

(E) Movement for Other Permittees. At the request of any Person holding a valid permit and upon reasonable advance notice, Grantee shall temporarily raise, lower or remove its wires as necessary to permit the moving of a building, vehicle, equipment or other item. The expense of such temporary changes must be paid by the permit holder, and Grantee may require a reasonable deposit of the estimated payment in advance.

(F) Tree Trimming. The Grantee shall have the authority to trim trees that overhang a public right-of-way only within the right-of-way area of the City of Cosmopolis so as to prevent the branches of such trees from coming in contact with its Cable System, in accordance with applicable codes and regulations and current, accepted professional tree trimming practices. Grantee shall first obtain a permit as required by Cosmopolis Municipal Code Section 6.52.070.

10.12 Codes

Grantee shall strictly adhere to all building and zoning codes currently or hereafter in effect. Grantee shall arrange its lines, cables and other appurtenances, on both public and private property, in such a manner as to not cause unreasonable interference with the use of said public or private property by any Person. In the event of such interference, City of Cosmopolis may require the removal or relocation of Grantee's lines, cables and other appurtenances from the property in question.

10.13 Standards

(A) All work authorized and required hereunder shall be done in a safe, thorough and workmanlike manner. The Grantee must comply with all safety requirements, rules and practices and employ all necessary devices as required by applicable law during construction, operation and repair of its Cable System. By way of illustration and not limitation, the Grantee must comply with the National Electric Code, National Electrical Safety Code and Occupational Safety and Health Administration (OSHA) Standards.

(B) Grantee shall ensure that the drops are properly bonded to the electrical power ground at the home, consistent with the requirements of the National Electric Code and the National Electrical Safety Code. All non-conforming or non-performing drops shall be repaired or replaced by Grantee as necessary.

SECTION 11. FRANCHISE VIOLATIONS; REVOCATION OF FRANCHISE

11.1 Enforcement and Revocation

(A) Notice of Violation. In the event that the City of Cosmopolis believes that the Grantee has not complied with the terms of the Franchise, it shall notify the Grantee in writing of the exact nature of the alleged noncompliance.

(B) The Grantee's Right to Cure or Respond. The Grantee shall have 30 days from receipt of the notice described in Section 10.1(A): (a) to respond to the City of Cosmopolis, contesting the assertion of noncompliance, or (b) to cure such default, or (c) in the event that, by the nature of default, such default cannot be cured within the 30-day period, initiate reasonable steps to remedy such default and notify the City of Cosmopolis of the steps being taken and the projected date that they will be completed.

(C) Public Hearing. In the event that the Grantee fails to respond to the notice described in Section 10.1 pursuant to the procedures set forth in Section 10.1(B), or in the event that the alleged default is not remedied within 30 days or the date projected pursuant to 10.1(B) above, the City of Cosmopolis shall schedule a public hearing to investigate the default. Such public hearing shall be held at the next regularly scheduled meeting of the City of Cosmopolis which is scheduled at a time which is no less than five business days therefrom. The City of Cosmopolis shall notify the Grantee in writing of the time and place of such meeting and provide the Grantee with an opportunity to be heard.

(D) Enforcement. Subject to applicable federal and state law, in the event the City of Cosmopolis, after such meeting, determines that the Grantee is in default of any provision of the Franchise, the City of Cosmopolis may:

(1) Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

(2) Commence an action at law for monetary damages or seek other equitable relief; or

(3) In the case of a substantial default of a material provision of the Franchise, declare the Franchise to be revoked in accordance with the following:

The City of Cosmopolis shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have ninety (90) days from such notice to object in writing and to state its reasons for such objection. In the event the City of Cosmopolis has not received a response satisfactory from the Grantee, it may then seek termination of the Franchise at a public meeting. The City of Cosmopolis shall cause to be served upon the Grantee, at least ten (10) days prior to such public meeting, a written notice specifying the time and place of such meeting and stating its intent to request such termination.

At the designated meeting, the City of Cosmopolis shall give the Grantee an opportunity to state its position on the matter. The determination as to whether a violation of this Franchise has occurred pursuant to this Section herein shall be within the sole discretion of the Grantor. Any such determination by Grantor shall be accompanied by a record, to which Grantee's contribution shall not be limited by Grantor (i.e., Grantor shall hear any interested Persons and shall allow Grantee an opportunity to be heard, to cross examine witnesses, to present evidence and to make additions to the hearing record). Any such final determination shall be subject to appeal to a court of competent jurisdiction. Such appeal to the appropriate court shall be taken within thirty (30) days of the issuance of the determination of the Grantor. Grantor shall receive notice from Grantee of any appeal concurrent with any filing to a court of competent Jurisdiction.

The City of Cosmopolis may, at its sole discretion, take any lawful action that it deems appropriate to enforce the City of Cosmopolis's rights under the Franchise in lieu of revocation of the Franchise.

(E) Technical Violations. The parties hereby agree that it is not the City of Cosmopolis's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for so-called "technical" breach(es) or violation(s) of the Franchise or local cable ordinance, which shall include but are not limited to the following:

(1) in instances or for matters where a violation or a breach by the Grantee of the Franchise was good faith error that resulted in no or minimal negative impact on the customers within the Franchise Area; or

(2) where there existed circumstances reasonably beyond the control of the Grantee and which precipitated a violation by the Grantee of the Franchise, or which were deemed to have prevented the Grantee from complying with a term or condition of the Franchise.

11.2 Removal

(A) In the event of termination, expiration or revocation of this Franchise, City of Cosmopolis may order the removal of the above-ground Cable System facilities and such underground facilities as required by City of Cosmopolis in order to achieve reasonable engineering or Street-use purposes, from the Franchise Area at Grantee's sole expense within a reasonable period of time as determined by City of Cosmopolis. In removing its plant, structures and equipment, Grantee shall refill, at its own expense, any excavation that is made by it and shall leave all Streets, public places and private property in as good a condition as that prevailing prior to Grantee's removal of its equipment.

(B) If Grantee fails to complete any required removal to the satisfaction of City of Cosmopolis, City of Cosmopolis may cause the work to be done and Grantee shall reimburse City of Cosmopolis for the reasonable costs incurred within thirty (30) days after receipt of an itemized list of the costs or City of Cosmopolis may recover the costs through the Performance Bond provided by Grantee.

11.3 Receivership and Foreclosure

(A) At the option of City of Cosmopolis, subject to applicable law, this Franchise may be revoked one-hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of Grantee whether in a receivership, reorganization, bankruptcy or other action or proceeding unless:

(1) The receivership or trusteeship is vacated within one-hundred twenty (120) days of appointment; or

(2) The receiver(s) or trustee(s) have, within one-hundred twenty (120) days after their election or appointment, fully complied with all the terms and provisions of this Franchise, and has remedied all violations under the Franchise. Additionally, the receiver(s) or trustee(s) shall have executed an agreement duly approved by the court having jurisdiction, by which the receiver(s) or trustee(s) assume and agree to be bound by each and every term and provision of this Franchise.

(B) If there is a foreclosure or other involuntary sale of the whole or any part of the plant, property and equipment of Grantee, City of Cosmopolis may serve notice of revocation on Grantee and to the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be revoked thirty (30) days after service of such notice, unless:

(1) City of Cosmopolis has approved the transfer of the Franchise, in accordance with the procedures set forth in this Franchise and as provided by law; and

(2) The purchaser has agreed with City of Cosmopolis to assume and be bound by all of the terms and conditions of this Franchise.

11.4 No Monetary Recourse Against City of Cosmopolis

Grantee shall not have any monetary recourse against City of Cosmopolis or its officials, boards, commissions, agents or employees for any loss, costs, expenses or damages arising out of any provision or requirement of this Franchise or the enforcement thereof, in accordance with the provisions of applicable federal, state and local law.

11.5 Non-enforcement by City of Cosmopolis

Grantee is not relieved of its obligation to comply with any of the provisions of this Franchise by reason of any failure of City of Cosmopolis to enforce prompt compliance. City of Cosmopolis's forbearance or failure to enforce any provision of this Franchise shall not serve as a basis to stop any subsequent enforcement. The failure of the City of Cosmopolis on one or more occasions to exercise a right or to require compliance or performance under this Franchise or any applicable law shall not be deemed to constitute a waiver of such right or a waiver of compliance or performance, unless such right has been specifically waived in writing. Any waiver of a violation is not a waiver of any other violation, whether similar or different from that waived.

11.6 Relationship of Remedies

The remedies provided for in this Franchise are cumulative and not exclusive; the exercise of one remedy shall not prevent the exercise of another or any rights of the City of Cosmopolis at law or equity.

SECTION 12. ABANDONMENT

12.1 Effect of Abandonment

If the Grantee abandons its System during the Franchise term, or fails to operate its Cable System in accordance with its duty to provide continuous service, the City of Cosmopolis, at its option, may operate the Cable System; designate another entity to operate the Cable System temporarily until the Grantee restores service under conditions acceptable to the City of Cosmopolis or until the Franchise is revoked and a new Franchisee is selected by the City of Cosmopolis; or obtain an injunction requiring the Grantee to continue operations. If the City of Cosmopolis is required to operate or designate another entity to operate the Cable System, the Grantee shall reimburse the City of Cosmopolis or its designee for all reasonable costs, expenses and damages incurred.

12.2 What Constitutes Abandonment

The City of Cosmopolis shall be entitled to exercise its options and obtain any required injunctive relief if:

(A) The Grantee fails to provide Cable Service in accordance with this Franchise over a substantial portion of the Franchise Area for seven (7) consecutive days, unless the City of Cosmopolis authorizes a longer interruption of service; or

(B) The Grantee, for any period, willfully and without cause refuses to provide Cable Service in accordance with this Franchise.

SECTION 13. FRANCHISE RENEWAL AND TRANSFER

13.1 Renewal

(A) The City of Cosmopolis and Grantee agree that any proceedings undertaken by the City of Cosmopolis that relate to the renewal of Grantee's Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Acts, unless the procedures and substantive protections set forth therein shall be deemed to be preempted and superseded by the provisions of any subsequent provision of federal or state law.

(B) In addition to the procedures set forth in said Section 626(a), the City of Cosmopolis agrees to notify Grantee of the completion of its assessments regarding the identification of future cable-related community needs and interests, as well as the past performance of Grantee under the then current Franchise term. Notwithstanding anything to the contrary set forth herein, Grantee and City of Cosmopolis agree that at any time during the term of the then current Franchise, while affording the public adequate notice and opportunity for comment, the City of Cosmopolis and Grantee may agree to undertake and finalize negotiations regarding renewal of the then current Franchise and the City of Cosmopolis may grant a renewal thereof. Grantee and City of Cosmopolis consider the terms set forth in this Section to be consistent with the express provisions of Section 626 of the Cable Acts.

13.2 Transfer of Ownership or Control

(A) The Cable System and this Franchise shall not be sold, assigned, transferred, leased, or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger, consolidation, nor shall title thereto, either legal or equitable, or any right, interest, or property therein pass to or vest in any Person or entity without the prior written consent of the City of Cosmopolis, which consent shall not be unreasonably withheld.

(B) The Grantee shall promptly notify the City of Cosmopolis of any actual or proposed change in, or transfer of, or acquisition by any other party of control of the Grantee. The word "control" as used herein is not limited to majority stockholders but includes actual working control in whatever manner exercised. A rebuttable presumption that a transfer of control has occurred shall arise on the acquisition or accumulation by any Person or group of Persons of ten percent (10%) of the shares or the general partnership interest in the Grantee, except that this sentence shall not apply in the case of a transfer to any Person or group already owning at least a ten percent (10%) interest of the shares or the general partnership interest in the Grantee. Every change, transfer or acquisition of control of the Grantee shall make this Franchise subject to cancellation unless and until the City of Cosmopolis shall have consented thereto.

(C) The parties to the sale or transfer shall make a written request to the City of Cosmopolis for its approval of a sale or transfer by submission of a completed FCC Form 394, together with all exhibits, and any additional information required by law and the terms of this franchise.

(D) The City of Cosmopolis shall render a final written decision on the request within one-hundred twenty (120) days from the date of submission of a completed FCC Form 394. Subject to the foregoing, if the City of Cosmopolis fails to act upon such transfer request within one-hundred twenty (120) days, such request shall be deemed granted unless the City of Cosmopolis and the requesting party otherwise agree in writing to an extension of time.

(E) Within thirty (30) days of any transfer or sale, if approved or deemed granted by the City of Cosmopolis, Grantee shall file with the City of Cosmopolis a copy of the deed, agreement, lease or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by Grantee and the transferee.

(F) In reviewing a request for sale or transfer, the City of Cosmopolis may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and Grantee shall assist the City of Cosmopolis in so inquiring. The City of Cosmopolis may condition said sale or transfer upon such terms and conditions as it deems reasonably appropriate, provided, however, any such terms and conditions so attached shall be related to the legal, technical, and financial qualifications of the prospective controlling party or transferee and to the resolution of outstanding and unresolved issues of noncompliance with the terms and conditions of this Franchise by Grantee.

(G) The consent or approval of the City of Cosmopolis to any transfer by the Grantee shall not constitute a waiver or release of any rights of the City of Cosmopolis, and any transfer shall, by its terms, be expressly subordinate to the terms and conditions of this Franchise.

(H) Notwithstanding anything to the contrary in this Section, the prior approval of the City of Cosmopolis shall not be required for any sale, assignment or transfer of the Franchise or Cable System for cable television system usage to an entity controlling, controlled by or under the same common control as Grantee provided that the proposed assignee or transferee must show financial responsibility as may be determined necessary by the City of Cosmopolis and must agree in writing to comply with all provisions of the Franchise.

SECTION 14. SEVERABILITY

If any Section, subsection, paragraph, term or provision of this Franchise is determined to be illegal, invalid or unconstitutional by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other Section, subsection, paragraph, term or provision of this Franchise, all of which will remain in full force and effect for the term of the Franchise.

SECTION 15. MISCELLANEOUS PROVISIONS

15.1 Preferential or Discriminatory Practices Prohibited

Grantee shall not discriminate in hiring, employment or promotion on the basis of race, color, creed, ethnic or national origin, religion, age, sex, sexual orientation, marital status, or physical or mental disability. Throughout the term of this Franchise, Grantee shall fully comply with all equal employment or nondiscrimination provisions and requirements of federal, state and local law and, in particular, FCC rules and regulations relating thereto.

Call Stats for September compared to October of 2026:

Excluding Fire/EMS responses, call volume was unchanged at 64 calls in both September and October, but the mix of call types shifted. Animal complaints rose from 3 to 7, traffic stops from 4 to 7, suspicious calls from 5 to 7, and parking complaints from 2 to 4. Follow-up calls fell from 10 to 5, suicide calls from 5 to 0, and welfare checks from 3 to 1. October also had more distinct call types (27 versus 25), including 12 types not seen in September, such as ATL (attempt to locate), Prowler, Noise Complaint and Juvenile Runaway.

Officers issued one DWLS citation, 1 reckless driving citation and one citation for failing to obey a Law enforcement officer. Parking enforcement issued two parking infractions and patrol issued one no insurance infraction.

1) On Halloween Night, our VIPS were able to field two patrol vehicles to cover Aberdeen and Cosmopolis. During these events and patrols VIPS were repeatedly approached by citizens who thanked us for the work we were doing and for patrolling their neighborhoods. Our VIPS contributed 185 hours during October. Calculated at the National Volunteers Association rate of $34.79/hour, that is a contribution of $6,436.15 to the city and citizens of Aberdeen and Cosmopolis. Lockboxes are still available.

Speed Sign Data: 1st Street @ E Street (Northbound) and @ G Street (Southbound)

October 8, 2026 through October 29, 2026

The speed sign at 1st Street @ G Street counted 61,378 vehicles over the period, about 31% more than the 46,688 counted at 1st Street @ E Street. Average speeds were similar and well under 30 mph at both locations: 26.3 mph at G Street and 26.8 mph at E Street. Roughly 9 in 10 vehicles at each location traveled at or under 30 mph (92.8% at G Street, 90.1% at E Street), and the 85th percentile speeds were 28.0 and 29.0 mph. Fewer than 0.2% of vehicles at either location traveled 46 mph or faster.

Metric	1st St @ E St	1st St @ G St
Total Vehicles	46,688	61,378
Vehicles per Day (approx.)	2,290	3,010
Average Speed	26.8 mph	26.3 mph
Vehicles at or Under 30 mph	42,045 (90.1%)	56,939 (92.8%)
Vehicles Over 30 mph	4,643 (9.9%)	4,439 (7.2%)

When looking at September 8, 2026, through October 29, 2026, driving behavior barely changed. Average, median, and 85th percentile speeds are identical, and the share of vehicles over 30 mph is within half a percentage point. Daily traffic was about 6% lower in the October 8 to 29 period.
