All other applicable businesses and occupations are taxed by the local government pursuant to pertinent general state and local laws and ordinances. The payment of any tax levied herein shall not constitute a grant or authorization to engage in a business, profession, or trade; nor shall any such payment constitute a waiver of any regulation, ordinance, or rule that otherwise might apply. (d) To renew a certificate, the holder shall file the City's renewal application and all applicable fees with the licensing and revenue manager or designee before the established due date. No renewal shall be granted after April 1 unless another date is specified by the licensing and revenue manager. A late renewal may be treated as a new application. Failure to renew does not relieve liability for prior-year fees or taxes if the applicant was required to hold a City occupation tax certificate or business license.

(e) All occupation tax certificates expire on December 31.

(f) Certificates are issued for the full calendar year and are not prorated.

~~(a) Any registration and occupation tax levied hereunder shall be payable January 1 of each year and shall be delinquent if not paid by April 1 of each year, and be subject to penalties for delinquency as prescribed in subsections (c), (d), and (e) of this section. Notwithstanding the foregoing, occupation taxes and administrative fees for lawyers shall be due and payable on December 31 of the year in which the tax is incurred. This subsection shall not apply to lawyers.~~

~~(d) There is hereby imposed a penalty upon each business which fails to pay all taxes and fees as provided herein. The penalty for failure to make any payment required within this chapter shall be assessed in the amount of not more than one and one-half percent of the total occupation tax and/or administrative fee determined to be due and owing under the provisions of this chapter for the first 30 days or fraction thereof of delinquency and an additional penalty not to exceed one and one-half percent of the total occupation tax and/or administrative fee determined to be due and owing for each additional month or fraction thereof of continued delinquency.~~

~~(e) Should any occupation tax and/or administrative fee imposed by this chapter remain due and unpaid for 90 days from April 1, the person liable for the outstanding tax and/or fee shall be subject to and shall pay a penalty of 10 percent of the total tax and/or fee due.~~

In the case where the dollar amount of gross receipts attributed locally cannot be determined in those businesses with multiple locations, the total gross receipts will be divided by the total number of locations in the City and elsewhere and allotted to those locations. Upon request, the business or practitioner with a location or office situated in more than one jurisdiction shall provide to the City the following:

(1) Financial information necessary to allocate the gross receipts of the business or practitioner**, provided that a business or practitioner may elect to provide affidavits of certified public accountants in lieu of tax returns**;

(b) It shall be the responsibility of the president of the corporation, local manager, or owner of a business to notify the licensing and revenue manager or his/her designee(s) of any changes in personnel to be notified in the event of an emergency. This notification shall be made in writing within ten days of the effective date of the change.

HONORING OUR PAST, BUILDING OUR FUTURE
EST. CITY OF 1905
DACULA

MEMO

TO: Mayor and City Council of the City of Dacula

FROM: Stephen Mayer, Director of Finance

DATE: October 1, 2026

SUBJECT: Authorization to write off and discharge unpaid ad valorem tax bills under $5.00

The City's ad valorem tax records contain accounts with balances that are less than $5.00. City staff believe it is inefficient to attempt collections on accounts that have balances below said amount. State law expressly permits taxing authorities to write off and discharge unpaid taxes that are below $5.00. Write-off and discharge authority rests with the Mayor and City Council. In an effort to be more efficient and cost effective in the tax collections process, staff recommends the City Council write off and discharge all ad valorem tax bills listed on Exhibit A.

SUBJECT: Network installation

As construction of the new municipal facility progresses, it is necessary to install the network infrastructure required to support daily municipal operations. Reliable network connectivity is essential for staff communications, public access, security systems, cloud-based applications, and other operational functions within the building.

Staff obtained a proposal from MIS Solutions to complete the installation and configuration of the facility's network equipment. The proposal includes the hardware, software, installation and configuration, and monthly service required for complete network installation.

Staff recommends approving the proposal from MIS Solutions to install and configure the network infrastructure and requests authorizing the City Administrator to execute all necessary documents.

SUBJECT: Health Insurance Benefit

As the responsibilities and time commitments associated with serving as an elected official continue to increase, many municipalities have evaluated ways to support elected officials while maintaining transparency and fiscal accountability. One benefit offered by some local governments is to provide access to the City's group health insurance plan.

The decision to extend health insurance benefits to elected officials at the same rate as the employee's benefit plan is ultimately a policy determination of the Mayor and Council. If the Mayor and Council approve the benefit, access will start in 2028 and be accounted for in the FY-28 Budget.
