PROJECT MANAGEMENT:
- Public Works/Fleet Maintenance Buildings: Project has been turned over to the Public Works and Fleet Department to be occupied. Final inspections were completed and punch list items are being completed. Public Works and Fleet are in the process of getting moved in and set up while still preforming daily operations.
- Rock Creek Berm Project: Dawson county entered into a contract with Townley Construction for $56,156 with the contract starting December 2nd. Construction of initial phase of erosion control has been completed. Weather has stalled this project.
- Veterans Memorial Park Maintenance Building: Weather had delayed this project as well however the county had an engineer come out and approve the footings and the county receive an engineered letter to proceed to pour the slab on January 28th. Framing has already begun on the building’s exterior walls, with a completion date of the project (weather permitting) scheduled for February 21st.
- Fire Station 8: Initial clearing and grubbing have already been completed on site with fill starting to be placed. Weather has set back this project but the building is still planned to be delivered in the upcoming weeks. The interior exhaust system was selected by Danny Thompson and submitted to CT Darnell. A meeting with Amicalola electric and windstream was has to discuss power and low voltage. Kenny Rainwater will be getting additional information on what exactly will be windstreams scope of work and how they will get it over to the fire station.
- Senior Center: the slab was poured for senior center on January 6th with framing starting two days later. All of the interior steel has been erected and finished as well as the exterior and interior framing. All of the trusses have been set as well as the sheathing and wrapping for the building. All of the porch column footings have been poured, and the porch columns beginning to be erected. While construction is taking place, paint selection, roof color including the canopy quotes and color, and kitchen submittals are being finalized.
- Veterans Memorial Park Civil package: The slab has been poured with columns being erected. Interior parking lot lighting has been installed, framing of the pavilion has begun, with rock wrapping around the columns beginning this week, Trusses for the pavilion will be set in the upcoming weeks. Finalization of colors and fixtures are being completed.
- Musco Lighting for VMP: Dawson county received a revised conceptual cost for the lighting for the multi-use field at a total of $252,000, the plan will have to be once again revised to reflect an accurate number of poles and locations to have an exact final price, this price by Musco should be decreased. Specs are still in Review for this project and once finalized, the bid will be released to Melissa Hawk.
