Requesting Use of City Property

PCHS Homecoming Parade
10/9/24

Special Events Permit Application

200 Main Street
Dallas, Ga. 30132

Individuals or groups wishing to hold events within the city limits of the City of Dallas, Georgia, on public or private property must obtain a Special Event Permit from the City of Dallas. This application is for City Property.

Special Event Permits are subject to the review of city departments and require approval of the Mayor and Council of the City of Dallas.

Complete & return to awhisner@dallas-ga.gov

Applications for events requesting alcohol service will be subject to review by appointment only with the city's Chief Marshal.

For appointment call: 770.443.8110 x 1301 / or email mhester@dallas-ga.gov

Applications should be submitted at least 60 days prior to the proposed event.

A *Special Event* is any activity that occurs upon public or private property that affects the ordinary use of parks, public streets, rights-of-way or sidewalks, or causes an increase of more than 100% in average daily trips on any public street within the City.

Special Events may include, but are not limited to, activities such as arts festivals, fairs, tours, concerts, holiday celebrations, grand opening celebrations, certain business promotional events out of doors, block parties, bicycle races, runs, processions and motorcades. *Granting permission for use does not entitle exclusive use.*

Activities that do not require a Special Event Permit may include funeral processions; garage or lawn sales (or any similar casual sale of tangible personal property); and private social gatherings of up to 20 participants that make no use of city streets other than for lawful parking.

A request for a Special Event Permit may be denied if judged that the event will disrupt traffic within the city beyond practical solution; the event will interfere with access to fire hydrants; the event will cause undue hardship to adjacent businesses or residents; the event will require the diversion of so many public employees that allowing the event would unreasonably deny service to the remainder of the city; the event might otherwise interfere with the public welfare, peace, safety, health, good order and convenience of the general public; the application contains incomplete or false information; the applicant fails to comply with all requirements of the City of Dallas including failure to remit all fees and deposits and Hold Harmless Agreement to the city.

If the City determines the size of the event will **require** additional receptacles, the public works department will notify the organizer. The event organizer should contact City Hall to arrange for any additional equipment/receptacles/services at least 2 weeks prior to any approved event.

In cooperation with the Americans with Disabilities Act, at least one portable toilet is to be handicap accessible. It is the event organizer's responsibility to make all arrangements (drop-off & pick-up) and pay any fees for temporary toilet facilities. The event organizer will need to coordinate the appropriate locations with Public Works Manager. Daily cleanup is required returning event location to its pre-event condition. If the applicant fails to clean up such refuse, cleanup will be arranged by the city and the costs charged to the applicant.

Sound System: Not provided. Any intended use of a sound system during the event needs to be addressed in writing. The City maintains a noise ordinance. (Sec. 24-1)
