Officer R. Cook  
Dalton Police Department  
301 Jones Street  
Dalton GA 30720

Dear Officer Richard Cook,

It is my privilege to notify you that you have been nominated by Sgt. Thompson, and approved for the Dalton Police Department Award of Merit. Your selection was based on your actions while assisting Officer Scruggs on a traffic stop on January 1, 2019. You observed the passenger in the vehicle Officer Scruggs had stopped with a handgun concealed against his leg. The actions you took to quickly disarm the suspect prevented serious injury to the suspect and officers on scene. Your actions and performance reflects positively on you and the entire department.

Please join me for a presentation ceremony in your honor at the Public Safety Commission meeting on March 26, 2019, beginning at 8:30 a.m. at Dalton City Hall. During this ceremony we will present you with the Award of Merit.

I am proud of your highly professional actions, and the high quality of your work on a daily basis. Congratulations on this well-deserved award.

Best Regards,

Chairman Bill Weaver

Public Safety Commission

Greetings,

I am making a recommendation for the promotion of Battalion Chief Mike Russell to the rank of Deputy Chief. This promotion will fill the vacancy that will be left by the retirement of Deputy Chief Ricky Busby. Chief Russell has met the required pre-requisites set forth for deputy chief. After a set of interviews, careful consideration and studying all the pre-requisites, I feel that Battalion Chief Russell is the best fit for the current needs of the department.

Chief Russell was employed with Dalton Fire Department in September 1992. Since that time he has held most ranks within the department. He has been serving as C shift battalion chief since December 2009. While in that role he has performed notably, keeping his shift on track according to the goals and mission of Dalton Fire Department. He has been a firefighter since 1984, where he served as a volunteer with Whitfield County Fire Department until being employed by our agency. Chief Russell is one of the leading members of the Georgia Smoke Divers Association and plays a very vital role in the success of the program. During his time in the fire service Chief Russell has become highly respected by all that have worked with him, as well as within our own agency. I look forward to the confirmation of this request, and continuing to move Dalton Fire Department forward with the help of Chief Russell.

I would appreciate your support in recognizing Battalion Chief Mike Russell with a promotion to the rank of Deputy Chief of Dalton Fire Department.

Thank you all for your consideration,

Todd Pangle  
Chief

DALTON POLICE DEPARTMENT  
PUBLIC SAFETY COMMISSION MEETING

MARCH 26, 2019

SUMMARY OF THE FINANCIAL STATISTICS FOR FEBRUARY 2019

The police department budget is on track for FY 2019, and at the time of this report we have expended approximately 13.9% of our 2019 budget. We are currently 2.7% under budget for the year.

At this time, we believe sufficient funds are available within our existing budget to cover our operating cost for the remainder of the year.

RECOMMENDATION TO TRANSFER CERTAIN CITY PROPERTY

This is a recommendation to transfer a vehicle as indicated below. The police department has a surplus vehicle which was recently decommissioned for sale at auction because of the ability to purchase new vehicles with SPLOST funds.

**Recommendation #1**- City of Dalton IT Department 2010 Ford Escape – VIN 1FMCU0DG0AKC03951

The City of Dalton IT Department has requested a transfer of a surplus vehicle for use by the IT staff. The city IT department provides IT support and services at many of the city departments. They routinely travel to the various department locations to address computer and technology issues. The surplus vehicle would allow them to do this without requiring them to use their personal vehicles.

REQUEST TO TRANSFER STATE DRUG SEIZURE FUNDS TO STATE  
CAPITAL EXPENDATURE ACCOUNT FOR PURCHASE OF NEW  
DEPARTMENT WEAPONS

The Dalton Police Department would like to request approval from the Public Safety Commission and the Mayor and Council to spend Drug Forfeiture Funds from our State Drug Seizure Account on the purchase of new Glock 9mm handguns for department issue. The funds are available pending a budget amendment approval from the Mayor and Council.

# Training Division Monthly Report

## February 2019

### Overview

The Fire Prevention Division delivered a course on Firehouse records management software that dealt specifically with pre-incident surveys and occupancies are modified within the system. The department's EMT instructors delivered a 6-hour EMT refresher on pediatrics to all licensed EMTs and paramedics. Monthly training included territory familiarization, pre-fire training, core competency check-offs, special operations training, and company level drills chosen by company officers. Training hours during the month of February totaled 2,616.

### Outside Schools

The department hosted Day 2 of the 16-hour course entitled Modular Emergency Response Radiological Transport Training (MERRTT) delivered by GEMA and the U.S. Department of Energy.

Lieutenant Dustin Martinez from Cobb County Fire & Emergency Services delivered a 4-hour course on advanced search and rescue techniques to all suppression personnel.

Two DFD personnel attended Emergency Resource Deployment Planning – Standards of Cover at the National Fire Academy in Emmitsburg, Maryland. This course teaches students how to analyze demographic, response, and GIS data to assist in writing a Standard of Cover for their department.

Additional off-campus training included:

Pressurized Container Fire Control	GPSTC	2
Incident Safety Officer	GPSTC	1
Handling Flammable Liquids Incidents	GPSTC	2

### Support Functions

- 103 hours were spent completing apparatus checks and equipment replenishment
- Cleaning and maintenance activities accounted for 650 hours in February
- 2 hours were dedicated to fire investigation and related activities

**Title:** Chief on call notification

**Scope:** Suppression Division

**Purpose:** To assist the shift commander with procedures for notifying the on call chief of predetermined situations.

### PROCEDURE:

The following situations shall prompt the shift commander to notify the chief on call. These situations are not to be considered all inclusive. It shall be the shift commander's discretion to notify the chief on call for any other noteworthy occurrences.

1. Any incident requiring deployment of a supply line, whether the line is charged or not.
2. Any incident which requires the use of two or more tanks of water from the apparatus.
3. Any injury to personnel that requires medical attention beyond care rendered by Dalton Fire Department personnel.
4. A fire related civilian injury or fatality.
5. Any accident involving Dalton Fire Department property. This would include motor vehicle accidents, or damage to physical property.
6. Any arrest or detainment of Dalton Fire Department personnel by law enforcement.
7. Any incident that will require enough personnel for an extended period of time to prevent proper response coverage.

All fires meeting the criteria above or noteworthy incidents shall be followed up by a media report at the earliest convenience of the shift commander.

It is my pleasure to present the City of Dalton Fire Department Annual Report for 2018. The information contained in this report is a reflection of the combined efforts of the outstanding men and women who proudly serve our department and our community. We are proud of the service we provide to the citizens and visitors of the City of Dalton and we want to share some of our statistics as well as showcase our accomplishments.

We constantly strive to maintain a high level of service and continue to provide the highest level of safety to our community. We will continue to accomplish this by focusing on the mission and core values of our organization. Our agency will continue to prepare for, not only day-to-day challenges, but the ones on the horizon that we will be faced with in the future.

Todd Pangle  
Fire Chief

## **Department Overview**

The City of Dalton Fire Department is an ISO Class 2 emergency service provider consisting of 96 full-time employees. 87 personnel are assigned to the suppression division as firefighters. Additional personnel are assigned to the training division, fire prevention division, and as administrative staff. The department has 39 Emergency Medical Technicians, 4 Paramedics, 53 Emergency Medical Responders, 28 certified Georgia Smoke Divers, and 12 CPR instructors. Training hours accrued during 2018 totaled 27,091.

The department has Special Operations Teams trained in technical rescue and hazardous materials response. These teams are adept at mitigating incidents such as trench rescue, structural collapse, vehicle and machinery entrapment, surface water rescue, high and low angle rope operations, confined space rescue and hazardous materials releases.

Emergency response capabilities are achieved through the use of seven pumping apparatus, one 100-foot tower ladder, one 75-foot straight ladder, one heavy rescue apparatus, one incident command vehicle, and one mobile air & light unit, all of which are fully equipped to comply with NFPA and ISO requirements. Thermal imaging cameras, which allow for enhanced visibility in hostile environments, are carried in all 5 districts so that all the city's inhabitants may benefit from this technology.

The department has 5 stations located to provide rapid response to any part of the city's 22 square miles. Station 2, located on Abutment Road, also serves as a training facility with a water drafting pit, four story drill tower, and a three story, 1,664 sq. ft. burn building designed for the burning of Class A materials in all areas of the structure. This facility is utilized to train new recruits and maintain proficiency among incumbent personnel. All fire stations are equipped with stand-by generators to provide electrical power in the event of an outage. Stations are also equipped with a communications duplication system to ensure that the vital link between fire dispatchers and units operating in the field remains intact should the 911 center be disabled.

The City of Dalton has a total of 1,252 municipal fire hydrants. These hydrants are inspected a minimum of twice annually by suppression personnel. The department works closely with Dalton Utilities in an effort to ensure that hydrants will function properly if needed. In addition, there are over 500 private hydrants located in various parts of our jurisdiction serving a variety of private properties.

The fire prevention division works closely with the building inspector's office and Dalton Utilities in an effort to reduce the loss of life and property by requiring that all construction meets current fire codes.

### Incident # 18-1614

Location: 1242 North Glenwood Avenue

On Friday, June 1, 2018 at 1:23 am, Dalton Fire Department units were dispatched to a person in the water in the area of 1242 North Glenwood Avenue. Upon arrival, crews heard a man yelling for help but could not locate him due to darkness, weather conditions, and dense foliage. Personnel soon discovered a male patient clinging to a branch in Mill Creek who had been swept away by flash flooding generated by heavy rain in the area. Companies promptly began a coordinated rescue effort that included clearing a path to the patient, establishing a secondary rescue team as a downstream safety, and a water entry to retrieve the victim. As a result of this coordinated effort, the patient was rapidly located and removed from the water and transferred to Hamilton EMS for treatment and transport. These actions reflect great credit upon the individuals involved, their assigned companies, and the City of Dalton Fire Department.

## Accomplishments

1. Reviewed and revised all standard operating guidelines for the department
2. Completed a three year strategic plan 2019-2021
3. Filled all applicable ranks through promotions
4. Placed in service four new staff vehicles and a station pick-up
5. Reviewed and updated all job descriptions within the department
6. Began reviewing our practices for certain services such as janitorial supplies
  - a. Conducted bid for janitorial supplies to ensure best competitive pricing
  - b. Purchased bed linens for each employee in order to cut down on cost for cleaning/delivery of rented linens
7. Began the process of reviewing and changing our rank system to eliminate rank compression within the department
  - a. Will be deleting two ranks and adjusting pay rates into the remaining ranks
  - b. Instituted acting pay when lower ranked personnel fill driver or officer positions to fill the gaps left by the absence of two ranks
  - c. Promoted the staff assistant position to administrative assistant and deleted the staff assistant position, thus providing more efficiency in administrative tasks such as entering and tracking purchase orders
8. Completed hazmat physicals for all hazardous materials technicians
9. Worked with Verizon to lower the cost of wireless services provided
10. Installed a turnout gear extractor at station two in order to comply with cancer prevention initiative for firefighters
11. Completed electrical work at the training center to eliminate hazards that existed due to the way power was being supplied

12. Hosted 2018 Georgia Police and Fire Games with assistance from DPD and DPRD
13. Hosted 2018 Georgia Fire Service Joint Conference
14. Hosted Georgia Smoke Diver Class 55 in the spring and Class 56 in the fall
15. Participated in 1<sup>st</sup> annual Citizens Government Academy
16. Restructured the fire inspection process to include inspections on all structures that apply for Occupational Tax Certificates for a more all-inclusive approach for the businesses in our community
17. Completed occupancy review of all properties in district 5
18. Updated loft/urban dwelling ordinance
19. Purchased and implemented mobile inspections for the fire prevention division, thus making our inspection process more efficient as reports are completed while on-site the day of the inspection
20. Purchased Target Solutions CheckIt, a cloud-based fleet maintenance records management platform that also aids in tracking equipment on apparatus through paperless daily checklists
21. Completed an audit conducted by Georgia Firefighter Standards and Training Council
22. Continued Class 5 program teaching 5<sup>th</sup> grade students about home fire safety through classes delivered monthly during the school year (approx. 600 participating this year)
23. Partnered with Dalton Utilities to include fire safety material with utility bills
24. Began discussions with DPD concerning forming a joint tactical team for active shooter incidents
25. Partnered with American Red Cross to install smoke detectors in predetermined areas (installed a total of 84 detectors)
26. Raised almost \$5,000 during boot drive for MDA
27. Participated in Salvation Army's Red Kettle Campaign
