Officer Richard Cook
Dalton Police Department
301 Jones St
Dalton, GA 30720

Officer Cook,

I am happy to inform you of your selection for the Dalton Police Department Life Saving Award. Your selection was based on your actions the evening of April 6, 2021 when rendering aid to an unconscious female found in the driver's seat of her vehicle in the roadway. Your quick reaction to the situation, recognition of the potential need for Naloxone and use of your training directly led to the preservation of life.

Your actions and performance reflect positively on you and the entire department. Thank you for your willingness to rise to the occasion and provide needed assistance to someone in need.

Best Regards,

William C Cason
Chief of Police

Certificate of RECOGNITION

Officer Richard Cook

For your dedication and unselfish acts on April 6, 2021 that directly contributed to the preservation of human life. We are proud of you and your actions. You are a direct reflection of the pride we take in our profession and a great example of the selfless acts that our men and women take to help others.

21-002089

Aggravated Assault

1898 Summit Dr

Officers were dispatched to the above address in reference to a disturbance. Officers were advised that a male subject was in some type of mental crisis or drug induced state. The subject had assaulted people at the residence and was walking around outside with a handgun. The subject was also threatening to kill law enforcement when they arrived on scene. While officers were responding the subject began walking through the complex yelling and shouting at people. Officers received several more calls during this time frame. All stated that he was agitated, yelling, and that he had a gun in his hand. As officers went on scene they found the subject chasing two other subjects threatening to kill them. The officers exited their vehicles and instructed the subject to get on the ground. They could see a handgun in his waistband. The subject complied and was taken into custody without further incident. The subject was charged with multiple felonies.

21-002183

Aggravated Assault

809 S Thornton Ave

Officers responded to this location in reference to a subject in a dark pickup truck threatening the caller with a gun. The suspect vehicle was described as a black GMC Sierra occupied by an older, bald, white male that had pointed a handgun at the original complainants. The case is currently active.

SUMMARY OF THE FINANCIAL STATISTICS FOR APRIL 2021

The police department budget is on track for FY 2021, and we have expended approximately 30% of our 2021 budget at this point in the budget cycle. Because of multiple vacant positions, we are currently on track to be under budget for the year.

At this time, we believe sufficient funds are available within our existing budget to cover our current operating costs for the remainder of the year.

Training Division Monthly Report

April 2021

Overview

The department hosted a field maintenance technician course delivered by Draeger that trained 8 members of the hazardous materials team to perform maintenance and calibration functions on all of the department's atmospheric monitors. All licensed EMTs and Paramedics completed a course on COVID-19 vaccine administration. The department hosted a 4-day instructor development course conducted by the Georgia Smoke Diver Association. Monthly training included territory familiarization, pre-fire training, core competency check-offs, special operations training, and company level drills chosen by company officers. Training hours during the month of April totaled 2,753.

Outside Schools

2 firefighters attended Georgia Fire Academy's Pressurized Container Fire Control hosted by Gordon County Fire Rescue.

7 personnel completed Georgia Fire Academy's Pressurized Container Fire Control Instructor course hosted by Gordon County Fire Rescue.

4 members of the department's Special Operations Team attended Swiftwater Rescue Technician – Levels 1 & 2 at the U.S. National Whitewater Center in Charlotte, North Carolina.

2 of the department's fire investigators attended Georgia Fire Investigator's Association Spring Seminar in Helen, Georgia.

1 of the department's paramedics completed Level 1 EMS Instructor training delivered by the National Association of Emergency Medical Service Educators.

It is my pleasure to present the City of Dalton Fire Department Annual Report for 2020. The information contained in this report is a reflection of the combined efforts of the outstanding men and women who proudly serve our department and our community. We are proud of the service we provide to the citizens and visitors of the City of Dalton and we want to share some of our statistics as well as showcase our accomplishments.

We constantly strive to maintain a high level of service and continue to provide the highest level of safety to our community. We will continue to accomplish this by focusing on the mission and core values of our organization. Our agency will continue to prepare for, not only day-to-day challenges, but the ones on the horizon that we will be faced with in the future.

Department Overview

The City of Dalton Fire Department is an ISO Class 2 emergency service provider consisting of 97 full-time employees. 87 personnel are assigned to the suppression division as firefighters. Additional personnel are assigned to the training division, fire prevention division, and as administrative staff. The department has 42 Emergency Medical Technicians, 4 Paramedics, 50 Emergency Medical Responders, 28 certified Georgia Smoke Divers, and 12 CPR instructors. Training hours accrued during 2020 totaled 29,908.

The department has Special Operations Teams trained in technical rescue and hazardous materials response. These teams are adept at mitigating incidents such as trench rescue, structural collapse, vehicle and machinery entrapment, surface water rescue, high and low angle rope operations, confined space rescue and hazardous materials releases.

Emergency response capabilities are achieved through the use of seven pumping apparatus, one 100-foot tower ladder, one 75-foot straight ladder, one heavy rescue apparatus, one incident command vehicle, and one mobile air & light unit, all of which are fully equipped to comply with NFPA and ISO requirements. Thermal imaging cameras, which allow for enhanced visibility in hostile environments, are carried in all 5 districts so that all the city's inhabitants may benefit from this technology.

The department has 5 stations located to provide rapid response to any part of the city's 22 square miles. Station 2, located on Abutment Road, also serves as a training facility with a water drafting pit, four story drill tower, and a three story, 1,664 sq. ft. burn building designed for the burning of Class A materials in all areas of the structure. This facility is utilized to train new recruits and maintain proficiency among incumbent personnel. All fire stations are equipped with stand-by generators to provide electrical power in the event of an outage. Stations are also equipped with a communications duplication system to ensure that the vital link between fire dispatchers and units operating in the field remains intact should the 911 center be disabled.

The City of Dalton has a total of 1,252 municipal fire hydrants. These hydrants are inspected a minimum of twice annually by suppression personnel. The department works closely with Dalton Utilities in an effort to ensure that hydrants will function properly if needed. In addition, there are over 500 private hydrants located in various parts of our jurisdiction serving a variety of private properties.

The fire prevention division works closely with the building inspector's office and Dalton Utilities in an effort to reduce the loss of life and property by requiring that all construction meets current fire codes.

This report is in BETA. Please complete manual validation for critical data to the grant. Year parameter should be selected for year applying for grant. Report will display data for 3 years prior. Data provided for "HOW MANY COMMUNITY PARAMEDIC CALLS" is determined by a custom question: "WAS THIS A COMMUNITY PARAMEDIC CALL" with an answer of "Yes". Must be an incident type between 300-399 to be counted as a paramedic call. Only reviewed incidents will populate this report.
