- a. 715 Main Street (Masonic Center) - Bill Rectenwald - Install Projecting Sign in Place of Existing Sign and Install New Projecting Sign Above Door

Mr. Mohr stated this is for Deadwood Tobacco. They have moved from the basement of the Fairmont to the first floor of the Masonic Center. They have two projecting signs at the Fairmont. The permit application is to move those two signs to the Masonic Center building. One would be on the Main Street entrance in place of the current Masonic Temple sign. The other would be above the Pine Street door. There was a variance granted in 2014 for the Main Street sign. The same variance would be required for this sign as well. Other than that point, the signs are compliant with the ordinance.
