Mr. Kuchenbecker reported we have been extremely busy in our office. We have retaining wall work starting on Denver. We are tickled to save a resource. Mt. Moriah has been busy. Was up there today and it was about 25-30 people deep at the ticket booth waiting to get in to Mt. Moriah. Saw the 2:00 shoot out and it was like July to mid August in attendance. Lots of research requests. Stagecoach has moved from 2:00 p.m. to 9:00 a.m. due to the heat. The last 2-3 nights they have had sold out crowds at the Trial of Jack McCall at the new location above the Eagle Bar. Things are happening.
