It was moved by Commissioner Dar and seconded by Commissioner Brown to approve Program Applications for 33 1/2 Jackson - Foundation and Elderly Resident and 320 Williams - Foundation and Siding. Voting Yea: Carmody, Santochi, Posey, Brown, Diede, Dar.

6. Old or General Business

- a. Renewal of the Revolving Loan Agreement for 2024 between Deadwood Historic Preservation Commission and Neighborhood Housing Services of the Black Hills, Inc. for the administration of the RLF.

Mr. Kuchenbecker stated the Historic Preservation has an established Revolving Loan Fund for a variety of related programs for the purpose of making commercial and residential loans and grants for the rehabilitation of residences, buildings, structures, improvements, and retaining walls located within the City of Deadwood. NeighborWorks has provided administrative services in connection with the Revolving Loan Program.

The Historic Preservation Office does not have the expertise to process the loans, therefore, continues to recommend the hiring of Neighborhood Housing Services of the Black Hills Inc. to administer the revolving loan programs. This request is to

provide an agreement for services from January 1, 2024 to December 31, 2024 at a cost not to exceed \$60,000.00.

Mr. Kuchenbecker expressed his appreciation to Mr. Walker and the staff at Neighborworks for their excellent work as stewards to the Deadwood community.

It was motioned by Commissioner Brown and seconded by Commissioner Carmody to approve the renewal of the agreement with Neighborhood Housing Services of the Black Hills Inc. at a cost not to exceed \$60,000.00 to be paid out of the 2024 Revolving Loan Professional Services line item. Voting Yea: Carmody, Santochi, Posey, Brown, Diede, Dar.

- b. Thank you and update from Deadwood Alive - Andy Mosher, Executive Director

Mr. Mosher expressed his appreciation for the support provided by the HP Commission and HP staff. Deadwood Alive consists of 15 employees who perform historic re-enactments, informational presentations, public education and interaction for over 147,000 people over the Summer of 2023. Attendance at the Trial of Jack McCall has decreased and it may be due to the current economy. The group is searching for a new location for the Trial. If any Commissioners have ideas or connections, please share. Much of the funding for Deadwood Alive comes from HP, grants, and monies made from the stage coach rides and the in-person re-enactment of the Trial. Once again, Mr. Mosher expressed his appreciation for the continued support from the HP Commission.

- c. Consider Loan Agreement 2024-001 for items currently on loan to and on exhibit with Deadwood History Inc. through December 31, 2029.

Mr. Runge stated the City Archives is asking permission to continue loaning the following items from the City Archives to Deadwood History, Inc. listed on Attachment #A through December 31, 2029. This is a continuation of a loan from 2018. The loan agreement, list of objects and descriptions are attached to this memorandum.

It was moved by Commissioner Santochi and seconded by Commissioner Dar to approve the use City objects listed on Attachment #A from December 13, 2023 to December 31, 2029. Deadwood History, Inc. will be responsible for insurance for this loan. Voting Yea: Carmody, Santochi, Posey, Brown, Diede, Dar.

7. New Matters Before the Deadwood Historic District Commission

- a. COA 230140 - Cody Emrick - 9 Shine - Replace certain windows and exterior repairs

Mr. Kuchebecker stated the applicant has submitted an application for Certificate of Appropriateness for work at 9 Shine Street, a contributing structure located in Deadwood City Planning Unit in the City of Deadwood. The applicant is requesting permission to add an additional window on the north (front) side gable area of the house, directly above the second story window in order to make the 3rd level of the home a livable space. Replace/repair fascia, soffit and gutters as needed. Fascia and soffit to be white, gutters to be black. Replace all windows and doors. Windows to be white, doors will be colored. One window on the second

floor will be turned into an egress window. One small, non-historic, window on the main floor rear of structure will be removed and bricked in. Add wood storm doors to both doors on the north side. Storm doors will be black. Exterior brick walls to be repaired where needed.

Staff conducted a site visit with the contractor to review the proposed project. The slider windows on the main floor front and right sides will be replaced with two double hung windows within the original openings. The storm windows will have an arched top to match the window design. The proposed window in the third-floor gable would have an adverse effect on the historic character of the structure. Staff's recommendation would be to approve the project without the additional third floor window. The proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the character of the building or the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District.

It was moved by Commissioner Diede and seconded by Commissioner Santochi based upon the guidance found in DCO 17.68.050, I find that the exterior alteration proposed is congruous with the historical, architectural, archaeological or cultural aspects of the district and MOVE to grant Certification of Appropriateness, with the condition that the third floor window is not included in the changes to the structure. Voting Yea: Carmody, Santochi, Posey, Brown, Diede, Dar.

8. New Matters Before the Deadwood Historic Preservation Commission

- a. PA 230179 - Dacey & Dusty Hepper - 320 Williams St. - Repair stucco on garage and repair concrete stairs

Mr. Kuchenbecker stated the applicant has submitted an application for work at 320 Williams St., a contributing structure located in the Forest Hill Planning Unit in the City of Deadwood. The Applicant is requesting permission to repair the stucco siding on the garage and fix the concrete steps up to the house. The applicant is also applying for the foundation and siding grant programs. The proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the character of the building or the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District.

It was moved by Commissioner Santochi and seconded by Commissioner Brown based upon all the evidence presented, I find that this project DOES NOT encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval. Voting Yea: Carmody, Santochi, Posey, Brown, Diede, Dar.

9. Items from Citizens not on Agenda

(Items considered but no action will be taken at this time.)

Neighbor appeared in support of the flag garage door ...

10. Staff Report

(Items considered but no action will be taken at this time.)

Mr. Kuchenbecker stated he attended meeting with SDSHS and presented the 2024 budget. It was his 17th time presenting to the Board. Commissioner Carmody, Commissioner Posey, and Mrs. Anfinson also attended the meeting. Commissioner Santochi and Commissioner Dar attended virtually. Mr. Kuchenbecker thanked Mrs. Anfinson for all her hard work in preparing the budget presentation and supporting documents.

Whitewood Creek FEMA project is moving along. Crews are currently working near Charles St. HP staff assumed that cultural resources would be minimal, but there have been many items and artifacts that have been recovered from the project site, such as bottles from 1880-1910, remnants of older wall structure,

Letter from Ron Pray (?)

Meeting set up regarding Chamber marketing to discuss advertising plans/ideas for 2024. Attendees include HP staff, Chamber Director, DHI Director and other interested parties. Want to ensure that HP funds are being used for Historical purposes and not gaming or lodging advertisements.

Mr. Kuchenbecker and Mrs. Anfinson did a site visit at Michael Parham's, . Mr. Parham had voiced frustration regarding the grant requirements, but is feeling better about everything. Both stated that the house is looking wonderful.

Broadway Alley should be complete next week.

Retaining wall at 8 Jefferson is 100% complete.

Retaining wall at library will be finished as soon as iron work arrives that will complete the project.

Neighborworks exhibit at Adams Museum regarding Historic Preservation.

Mr. Kuchenbecker expressed his appreciation to Mrs. Speirs from Deadwood History, Inc. for producing the recent Facebook videos, which highlight the various HP projects happening around Deadwood. The latest video, highlighting the new BLM trail, had 39,000 views and 600 shares, as of this afternoon.

- a. Update and photos of the City of Lennox Harney Hospital on the completion of the Outside of Deadwood Grant.

Mr. Kuchenbecker was able to visit the Lennox Harney Hospital and present a check from the Outside Deadwood Grant program, that aided in the restoration of the building.

11. Committee Reports

(Items considered but no action will be taken at this time.)

Commissioner Carmody stated that she has given her notice of resignation to the Deadwood Chamber of Commerce effective January 11, 2024.

Commissioner Brown stated the Community Christmas event will take place on Christmas Day. It is a fun event for the whole family that includes free meal. Doors open at noon, with meal being served at 1:00pm.

Commissioner Posey read letter from DHI thanking HP Commission for their continued partnership and support.

12. Adjournment

Adjournment

The HP Commission meeting adjourned at 4:43pm.
