CITY OF DEADWOOD EVENT COMMITTEE

Roll Call:

The City of Deadwood Event Committee met Thursday, August 27, 2026 in the Century Room in City Hall. Sharon Martinisko called the meeting to order at 10:00 a.m. Present were Sharon Martinisko, Randy Adler, Jesse Allen, Justin Lux, Cory Percy, Bobby Rock, Cory Shafer, Rose Speirs, Lornie Stalder, and Misty Trehwella.

Also present was Amanda Kille, Tom Koth, Louie LaLonde, George Milos and Brechelle Bacon.

Absent was Joel Ellis and Tom Riley.

Approval Of Minutes:

Minutes of the meeting on July 30, 2026 were approved by Mrs. Speirs, second by Mr. Adler; motion carried unanimously.

Old Business:

A. Recap of May Events:

No issues with the following events: Bike Parking, Harley Davidson Activation Lower Main St. and Outlaw Square, Medicine Wheel Ride, Legends Ride, Thrashin Motor Supply, Daughters of the Road Ride, Rusty Wallace Ride, Steer Roping.

B. Kool Deadwood Nites Recap.

Mrs. Martinisko thanked Police Department, City and Chamber staff and said they all did an amazing job during the event.

Justin Lux said trolley ridership was up from last year, the new parking lot on Deadwood Hill was full. He feels the Event Complex parking lot was underutilized and maybe consider having the registration at the football field instead of the Welcome Center to open the parking lot for visitors or the Event Complex parking lot. George Milos said the satellite parking in other towns was wonderful and believes educating the public more will help them find those lots.

Tom Koth said there will always be bumps in the road, but we have enough brain power to solve these problems. He said Event Complex is underutilized and believes people should be able to park in the arena when needed. Louie LaLonde would like to look at different strategies and work with chamber and city on some of the problems that have been mentioned.

Rose Speirs said Days of '76 Museum ended up giving refunds due to no parking on Friday. She would like to see better signage for the Museum at the Event Complex. Lornie Stalder said more message boards throughout town and possible no left turns on Pioneer Way until Pine Street. He feels the biggest problem with traffic is pedestrians. Cory Percy said security by Shine and Main Street did not allow local traffic up Shine including residents. Misty Trehwella better communication with security and then professional security down at Mr. Wu's to help with traffic control. Randy Adler said arena can be opened for parking at the Event Complex. Cory Shafer said Mr. Wu's will be a conversation later. Police did address traffic at Mr. Wu's. Primary focus is public safety and the section of Pine Street between Sherman Street and Pioneer Way, during the auction at Deadwood Mountain Grand needs addressed.

Communication is important. He would like to see a better way to park the vehicles in Int. Lot and on Main Street to keep traffic flowing. Bobby Rock said the complaints that we hear or see on social media, no one is here, why? He would like to see the stop lights being manually operated, better communication for satellite parking – county wide transportation to elevate parking issues. Jesse Allen believes parking at the event complex needs to be utilized better. Utilize the Deadwood app and how to get it out to more people. Discussion was held concerning security and pedestrians at Lee Street. Jesse stated Main Street closure went well, no issues with delivery trucks. Amanda Kille stated SD DOT took down directional signs Chamber had for parking, better communication with Da Bus. She is against moving registration elsewhere beside the Welcome Center. She believes enforcement and signage in parking lots have helped. Justin would like to continue that but how to get that information to the hotels is the question. Sharon Martinisko stated some city staff were not aware of the satellite parking. How can we get the plan out to everyone? More meetings will be held later.

C. Lead Deadwood High School Homecoming Parade – September 25, 2026.

Mr. Allen spoke about the event, requesting street closure. Mr. Shafer stated the safety issues with transportation from Deadwood to Lead have been addressed. Mr. Allen moved to approve with recommendation to city commission, second by Mr. Rock; motion carried unanimously.

Insurance and Liability

Overview:

When city facilities are used by the general public for special events which pose a high risk of injury (e.g. outdoor recreational activities or athletic events), a signed Waiver of Liability, Indemnification, and Medical Release should be required of each participant.

The waiver form should not be significantly modified. It has been written to comply with a 1994 Supreme Court decision, which stated:

- Pre-injury releases are much more likely to be deemed valid and enforceable when they are written on a separate document--that is, not imbedded in an application, rental agreement or sign-up sheet;
- Unless the intention of the parties is expressed in unmistakable language, an exculpatory clause will not be deemed to insulate a party from liability for his own negligent acts...what the law demands is that such provisions be clear and coherent; and
- The more inherently dangerous or risky the recreational activity, the more likely that an anticipatory release will be held valid.

The form can and should be modified to specifically identify the activity involved. In the case of a particularly dangerous activity, the level of risk involved should also be stated. For example, it may not be sufficient to name the activity "motorcycle stunts." The release form should specify the level of difficulty of the stunts.

NOTE:

*High risk activities warrant the use of either a Facilities Use Agreement which requires the user to carry liability coverage, or participant liability waivers, or both. The process of determining when to require insurance of the user and/or when to require signed waivers of participants can be a difficult one. Unfortunately, with the wide variety of activities, events and facilities across City government, there is no way to establish a standard policy to specifically address all cases. **Please contact the City of Deadwood's Safety Director for guidance at 605-578-2082.***

It is the intention of the parties that the City, and its officers, agents and employees shall not be liable or in any way responsible for injury, damage, liability, loss or expense resulting to the user and those it brings onto the premises due to accidents, mishaps, misconduct, negligence or injuries, either in person or property.

User expressly assumes full responsibility for any and all damages or injuries which may result to any person or property by reason of or in connection with the use of the facilities pursuant to this agreement and agrees to pay the City for all damages caused to the facilities resulting from user's activities hereunder.

User shall maintain occurrence based commercial general liability insurance or equivalent form with a limit of not less than one million dollars (\$1,000,000) for each occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two times the occurrence limit. Five days prior to commencement of this Agreement, User shall furnish the City with properly executed Certificates of Insurance which shall clearly evidence all insurance required in this Agreement and provide that such insurance shall not be canceled, except on 30 days' prior written notice to the City.
