Staff Report

TO: Honorable Mayor and City Council Members
FROM: John Guertin, City Manager
DATE: May 21, 2025
SUBJECT: Preliminary Budget for Fiscal Year 2025-2026

Staff is pleased to present the Preliminary Budget for FY 2025-26 for Council's review and direction. Due to flat revenue projections for the General Fund, the operating budget is basically a continuation of the 2024-25 budget, with some minimal changes.

Economic Outlook for FY 2025-26

The latest projections for the City's economic outlook anticipate a slight reduction in sales tax. HdL, the City's consultant for Sales Tax is projecting a 3% reduction in the City's sales tax due to continued inflation and high interest rates having a negative effect on consumer spending. Since Sales Tax makes up 27% of the City's revenue, sales tax growth or no growth, has a dramatic impact on the City's budget. As a result, staff is recommending a conservative approach in developing the FY 25-26 budget. Services are being kept at the level that revenue can support.

Addressing fluctuations in sales tax revenue growth by managing or reducing expenditures annually is not a sustainable practice if the City is to maintain current service levels. This highlights the fact that the City needs to diversify its revenue base. The City's best opportunity for this is through thoughtful economic development of the former Fort Ord property. The development of a more diverse revenue base is an important aspect of the City's financial planning for the future.

General Fund Summary FY 2024-25

	2022-23 Actual	2023-24 Budget	2024-25 Proposed	Increase (Decrease)	Percent Change
Revenues	4,461,435	4,899,200	4,826,200	(73,000)	-1.5%
Expenditures	(4,327,637)	(4,727,052)	(4,788,700)	61,648	1.3%
Operating Surplus (Deficit)	133,797	172,148	37,500	(134,648)	
Transfers to Capital Projects	(35,000)	(198,900)	(80,000)	(118,900)	-59.8%
Net General Fund Surplus (Deficit)	98,797	(26,752)	(42,500)	(15,748)	

As the table above shows, we are anticipating a 1.5% decrease in revenue and a 1.3% increase in expenditures which will create a \$37,500 General Fund operating surplus for the year. In addition, staff recommends using \$80,000 for capital expenditures which will mean a decrease of \$42,500 in the General Fund fund balance. All the departments made adjustments to their budgets in order to live within the available revenue for the year, considering that some expenses, such as insurance and utilities are beyond the control of the City. This is an austere General Fund budget.

General Fund Revenues

Staff projections included an estimated increase in operating revenues of approximately \$126,600 when compared to the current fiscal year. As addressed above, Sales, Use, and Transaction Taxes are estimated to decrease 3%, or \$35,000 next fiscal year. However, overall revenues (excluding the Airport Police Service contract revenues) are anticipated to increase by 4%. Some of the larger changes include interest income primarily from Local Agency Investment Fund (LAIF), Business Licenses, and Transient Occupancy Tax.

Last fiscal year, the City Council directed that fund balances in the General Fund be reserved and used to fund the Economic Uncertainty Reserve, vehicle and technology replacement reserves, retirement liability reserves, and capital projects. Funds sitting idle in reserve accounts and those assigned to capital projects that have not been completed are regularly invested in the Local Agency Investment Fund. The most recent reporting on the investments shows 4.33% in earnings. In anticipation of the amount of fund balances available for investment and continued high interest rates, staff are estimating a modest increase of \$5,000, or 3%.

Business License fees are estimated to increase 7%, or \$15,000. This is due in part to a slight increase in businesses in the City. However, the increase is due primarily to staff improvements to communication, tracking, and collection of Business License Taxes.

Transient Occupancy Tax is estimated to increase next fiscal year by 21%, or \$39,500. This increase is a result of continued high occupancy rates and the 2% increase in the tax approved by voters in 2024. In FY 2025-26, staff anticipates contracting with a consultant firm short-term rental program administration.

The General Fund Operating Budget shows a 3% increase in expenditures.
