BUSINESS – Any such business as may come before the Commission.

1. Introduction of newly elected and appointed City Council and Planning & Zoning Commission Members

Mayor KC Bogue addressed Delta City Council and Planning & Zoning Commission Members. He shared some ideas that he would like to implement within Delta City. Bogue asked for discussion and feedback from both the Council and P&Z Members.

Bogue would like to see Delta City Youth Council brought back and to work with the High School to do this. He would also like input from the Council and P&Z about their views on economic development while also keeping a small town feel to Delta City. Bogue stated that the City is working with R6 and Millard County for funding on an Economic Development Plan for the city.

Bogue discussed plans for seat vacancies in Planning & Zoning in February and will revisit this in the next City Council Meeting. He also went over his ideas for Council Member assignments and will also make these official during the next City Council Meeting.

Bogue asked Council Member Nathan Taylor to attend regular meetings with R6 and Public Works Director Justin Ashby to attend County Commission and County Planning & Zoning Meetings. He also asked that all City Council members take time during Council Meetings to update the public and the rest of the Council with what they are working on with their assignments.
