Email submittals should be directed to [anthony.raguine@deschutes.org](mailto:anthony.raguine@deschutes.org) and must comply with the following guidelines:

- Documents can be printed in black and white only

Any email submittal which exceeds the guidelines provided above must be submitted as a paper copy.

#### Limitations

- Deschutes County does not take responsibility for retrieving information from a website link or a personal cloud storage service. It is the submitter's responsibility to provide the specific information they wish to enter into the record. We will print the email which includes the link(s), however, we will not retrieve any information on behalf of the submitter.
- Deschutes County makes an effort to scan all submittals as soon as possible. Recognizing staff availability and workload, there is often a delay between the submittal of a document to the record, and when it is scanned and uploaded to Accela Citizen Access (ACA) and Deschutes County Property Information (DIAL). For this reason, the official record is the file that resides in the Community Development office. The electronic record in ACA and DIAL is not a substitute for the official record.
- To ensure your submission is entered into the correct land use record, please specify the land use file number(s).
- For the open record period after a public hearing, electronic submittals are valid if received by the County's server by the deadline established for the land use action.
- IF YOU WISH TO BE NOTIFIED OF ANY DECISION RELATED TO THIS APPLICATION, YOU MUST PROVIDE A MAILING ADDRESS.
