	<ul style="list-style-type: none"> • Amber had been a bog advocate for change in CCBHCs. ○ Christina Lee <ul style="list-style-type: none"> ▪ PacificSource and the Central Oregon Health Council received a 1.5 million dollar one-time payment to be used for Behavioral Health needs. The goal is to come together as a community and fill in gaps of coverage (e.g., youth, Wrap, older adults, shelter). There is a meeting to discuss in April, and there should be a decision in May. ▪ The Health Council Substance Use workgroup will receive up to 300 thousand dollars to distribute Narcan into the community. Fentanyl’s potency has drastically increased, requiring a higher dosage of Narcan to prevent deaths. The workgroup is thinking of creative ways to distribute to ensure anyone who needs it, has access. ○ Roger invited everyone to Kid’s Center Healing Hearts Fundraiser <ul style="list-style-type: none"> ▪ April 17th at the Riverhouse, which includes a free lunch. ▪ To reserve a seat, go to https://www.kidscenter.org/healing-hearts-2023 ▪ If you would like to be a part of Roger’s e-mail him directly.

	<ul style="list-style-type: none"> ○ For fairs, we may want to have a BHAB tablecloth and create a BHAB brochure. Additionally, we may want members to attend fairs that DCBH staff is already attending to offer support such as Pride fair in June. ○ September is Recovery Happens Month, and April is Mental Health Month; it would be nice to do something to celebrate in these months. ○ Minimum of 4 members needed. <ul style="list-style-type: none"> ▪ Lorelei Kryzaneck, Stephanie Utzman volunteered. Julie McFarlane will serve as a backup or for consult, but not a formal subcommittee member. ▪ Jessica will set up a 1hr subcommittee meeting directly following April's BHAB meeting. Jessica will support the subcommittee in the beginning to get started, but won't serve as a formal member. ▪ Reach out to Jessica if you decided you would like to be a part of this subcommittee. 	
<p>12:40PM – 1:10PM</p>	<ul style="list-style-type: none"> ● System of Care (SOC) Governance Structure presentation with Dani McCallister <ul style="list-style-type: none"> ○ SOC is not new to Central Oregon, but rather lost steam and is now being rebooted. ○ Because each county of Central Oregon is different from one another, each SOC will look different. Right now, Dani's group is trying to support Crook and Jefferson County to create a SOC of their own and include Warm Springs if they would like to participate as well. Shannon Brister has a list of DC participants if needed. ○ Central Oregon has a large need for sub-acute respite for kids and families to rest and stabilize. ○ The goal of SOC is to gather information from kids (typically middle school age - 24yo) who have been through multiple programs, then do a think tank to problem solve. ○ SOC is currently in the process of meeting with community partners to garner interest. So far they have Mountain Star and Strive Central Oregon interested in partnering. Abilitree and Central Oregon Disability Network were suggested to Danielle as well. ● Q&A: 	<p>Dani McCallister, PacificSource</p>

	<ul style="list-style-type: none"> ○ Q: Does SOC have a values or mission statement? ○ A: They do have a charter, but would like to revisit it to update and redefine. For example, while SOC is more systems focused, there are often barriers to care, such as transportation, that aren't systems level and they will still help. Essentially, would like to include more barriers to care in their charter. ○ Q: What connection does SOC have with schools? ○ A: They have a good relationship with the Bend/La Pine school district, working with Jim Boen, the Executive director. Additionally, they have some counselors from Crook County who participate. ○ Q: Who is your target clientele? ○ A: Anyone under middle school age is probably a little too young to speak to their experiences. They would like to speak with young kids to 24 year olds. Right now they don't have any youth involved but have family members who are also professionals involved. <ul style="list-style-type: none"> ▪ Friday Night Live for Youth and an Independent Living program (if either are available in Central Oregon) were suggestions of places to find youth who may want to participate. ○ Q: Is there a payment for individuals who are interviewed? ○ A: There will be a stipend for childcare, likely in the form of reimbursement. Child care will not be offered on site. There will also be payment for participating. Danielle is advocating that participants are paid the same hourly wage as the professional they are in the room with. ● If you would like to contact Danielle McCallister her information is below: <ul style="list-style-type: none"> ○ Dani.mccallister@pacificsource.com ○ 541-788-7858
