RECOMMENDED MOTION: Move approval of Resolution No. 2022-057.

BACKGROUND AND POLICY IMPLICATIONS: Deschutes County Road Department has received a petition to vacate an unused portion of the public right of way for Fryrear Road (also identified as "W.F. Fryrear Road" and "the Fryrear Road" in certain public records). Chief Petitioner for the proposed vacation is Eric H. The subject right of way was established on March 14, 1921 by Deschutes County order recorded as Deschutes County Commissioners Journal Volume 1, Pages 341 and 342, which established a 60-foot wide right of way.

The subject right of way exists across land owned by Desert Springs Ranch Limited Partnership, and portions of the right of way abut federal land managed by the Bureau of Land Management, Prineville District (BLM). No road improvements, utilities, or other improvements existing within the proposed vacation area. The as-constructed Fryrear Road exists to the east of the proposed vacation area across BLM-managed federal lands within a separate right of way granted under BLM Grant No. OR 51362, issued circa December 7, 1995. The BLM is not a petitioner for the proposed vacation.

Adoption of Resolution No. 2022-057 will initiate road vacation proceedings pursuant to ORS 368.341. A public hearing will be held during the regularly-scheduled Board of County Commissioners Meeting on Wednesday, October 5, 2022 to allow for interested parties to provide testimony regarding the proposed vacation.

BUDGET IMPACTS:

BOARD OF COMMISSIONERS

AGENDA REQUEST & STAFF REPORT

MEETING DATE: August 31, 2022

SUBJECT: Board decision to hear or not hear an appeal of the Hearings Officer's approval of a Declaratory Ruling to determine whether a Guest Ranch has been initiated.

RECOMMENDED MOTION:

Staff recommends the Board not hear the appeal.

BACKGROUND AND POLICY IMPLICATIONS:

On August 31, 2022, the Board of County Commissioners ("Board") will consider hearing an appeal of the Hearings Officer's approval of a Declaratory Ruling to determine whether a Guest Ranch has been initiated.

I. PROCEDURAL HISTORY

On March 29, 2022, Central Oregon LandWatch ("COLW") submitted a letter to the record expressing concern for the application. Two adjacent neighbors to the subject property also submitted letters expressing concern of the application. Based on these comments, staff referred the application to a public hearing before the Hearings Officer to make a ruling on whether the use of the Guest Ranch has been initiated. The public hearing was held on June 16, 2022, and the Hearings Officer issued a decision on August 5, 2022, which determined that the use had been initiated. On August 17, 2022, COLW filed a timely appeal (247-22-000673-A) of the Hearings Officer's decision.

II. PROPOSAL

The Guest Ranch applied for a Declaratory Ruling to determine if the Guest Ranch use has been initiated. The Guest Ranch was approved for ten (10) overnight lodging units and a lodge/kitchen building, along with passive activities and food services. In total, the Hearings Officer found that approximately \$900,000 was spent in association with the Guest Ranch development, including construction of some cabins, installation of utilities, septic systems, trenching, grading, and other site work. The Hearings Officer concluded that these actions

represented a good-faith effort in terms of time, labor, and money. Consequently, the Hearings Officer found the Guest Ranch use was initiated.

III. COLW APPEAL

COLW, the appellant, requests the Board review the Hearings Officer’s decision on appeal to address the following summarized issues.

- The Hearings Officer decision misinterprets and misapplies DCC 22.20.015, which prohibits the County from making any decision for a property that is in direct violation of a condition of approval of a prior permit.
- The applicant is not the holder of the originally approved land use permits and therefore lacks the authority to apply for a Declaratory Ruling that interprets a previously issued land use permit.
- The previously approved land use permits became void on June 26, 2007 after the use was not fully initiated and the land use permits are therefore void for all purposes.
- The use of the Guest Ranch was abandoned for fifteen (15) years and during that time the code provisions for a Guest Ranch were amended.
- Pursuant to ORS 215.130 (7), any lawful use at the time of amendment may not be resumed after a period of abandonment unless it conforms to the new regulations applicable at the time of the proposed resumption. The use was abandoned and may not be resumed without demonstrating conformance with the new regulations.
- The decision failed to apply 22.35.020(A)(3), as construction was authorized, not required. [Staff believes the correct citation should be to DCC 22.36.020(A)(3).]

IV. BOARD OPTIONS

There are two versions of Order No. 2022-045 attached to this staff report; one to hear the appeal and one to decline to hear the appeal. In determining whether to hear an appeal, the Board may consider only:

1. The record developed before the Hearings Officer;
2. The notice of appeal; and
3. Recommendation of staff¹

In addition, if the Board decides to hear the appeal, it may consider providing time limits for public testimony.

Reasons to hear

The Board may want to take testimony and make interpretations relating to the Hearings Officer’s decision. The Board may also want to reinforce or refute some or all of the decision findings/interpretations prior to Land Use Board of Appeals review. Lastly, there was participation from adjacent neighbors in the land use process.

¹ Deschutes County Code 22.32.035(D)

Hearing format

Under Deschutes County Code (“DCC”) 22.32.027(B)(1), a review before the Board shall be on the record. Under DCC 22.32.027(B)(3), the Board may choose to hear a matter *de novo* at their sole discretion. The appellant, COLW, does not request a specific format for the appeal hearing.

Reasons not to hear

The Hearings Officer’s decision is reasoned, well written, and could be supported, as the record exists today, on appeal to LUBA.

If the Board decides the Hearings Officer’s decision shall be the final decision of the county, then the Board shall not hear the appeal and the party appealing may continue the appeal as provided by law. The decision on the land use application and associated appeals becomes final upon the mailing of the Board’s decision to decline review.

V. STAFF RECOMMENDATION

Staff recommends the Board not hear this appeal because staff believes the appellant was able to present all relevant evidence at the hearing and during the open record period. Further, staff agrees with the Hearings Officer’s analysis and decision.

VI. 150-DAY LAND USE CLOCK

The 150th day on which the County must take final action on these applications is November 7, 2022.

VII. RECORD

The record for land use file nos. 247-22-000246-DR, 247-22-000673-A is as presented at the following Deschutes County Community Development Department website:

<https://www.deschutes.org/cd/page/247-22-000246-dr-declaratory-ruling-initiation-use-guest-ranch>

AGENDA REQUEST & STAFF REPORT

MEETING DATE: August 31, 2022

SUBJECT: Wolf Depredation Compensation and Financial Assistance Program

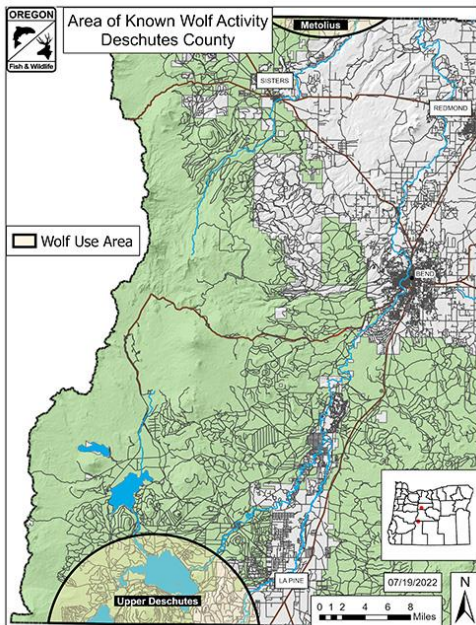

BACKGROUND AND POLICY IMPLICATIONS:

In December, the Board Discussed the State’s Wolf Depredation Compensation and Financial Assistance program.

Since that time, the Oregon Department of Fish & Wildlife’s wolf program has designated a new Area of Known Wolf Activity (AKWA) in the Upper Deschutes wildlife management unit in Klamath and Deschutes Counties. AKWAs are created where and when wolves have become established in an area.

ODFW had been monitoring reports of a single wolf in the area since August 2021 and one wolf was counted during the winter count. On July 4, 2022 a trail camera captured an adult wolf with five pups. Depending on how many wolves are in the group of wolves at the end of 2022, it may be designated the Upper Deschutes Pack. A pack is defined as at least four wolves traveling together and typically includes at least two adult wolves and offspring.

Wolf Depredation Compensation and Financial Assistance program

In 2011, the State Legislature created the Wolf Depredation Compensation and Financial Assistance program, which is administered by the Oregon Department of Agriculture (ODA).

Through this program, ODA provides pass-through grants to counties to establish and implement county wolf depredation compensation programs. Through the program:

- Compensation can be paid to residents who have livestock or working dogs that are killed or injured due to wolf depredation.
- Financial assistance can be provided to residents to assist them in implementing livestock management and/or nonlethal wolf deterrent techniques designed to discourage wolf depredation of livestock.
- Compensation can be paid to residents for livestock or working dogs that are missing due to wolf depredation.
- Compensation can be paid to counties to cover allowable expenses incurred while implementing a wolf depredation compensation program in their county.

ODA's Wolf Depredation Compensation and Financial Assistance Grant Program complements and supports Oregon Department of Fish and Wildlife's Wolf Conservation and Management Plan by working to proactively minimize wolf-livestock conflict and assist livestock producers experiencing wolf-related livestock losses.

Committee Requirements

The State requires that a committee be established before a grant application is submitted. The State requires that County advisory committees include:

- (i) One county commissioner;
- (ii) Two members who own or manage livestock; and
- (iii) Two members who support wolf conservation or coexistence with wolves.
- (iv) Two county business representatives

Additional Requirements

The state requires that participating counties contribute an amount of money equal to 10% of the allowable expenditures necessary to implement the county program during the calendar year. Allowable expenditures are:

- (a) Establishing a county advisory committee.
- (b) Establishing a procedure by which persons applying for compensation will provide sufficient evidence of actual livestock and/or working dog losses attributed to wolf depredation.
- (c) Establishing a procedure by which persons applying for financial assistance for the cost of livestock management or nonlethal deterrence provides an estimate of the potential cost.
- (d) Establishing compensation rates for livestock or working dog losses from death, injury or missing all of which are attributed to wolf depredation.
- (e) Distributing grant program funds.
- (f) Preparation of an annual report to ODA.

Options for Board Consideration

Staff seeks Board direction on the potential creation of a Wolf Depredation Compensation Committee. Options for Board consideration include:

- 1. Begin work to establish a committee so the framework is in place if a need arises.
- 2. Consider creating a committee at a later date.
- 3. Do not create a committee

BUDGET IMPACTS:

Grant funds were not included in the FY 2022 budget.

BOARD OF COMMISSIONERS

AGENDA REQUEST & STAFF REPORT

MEETING DATE: August 31, 2022

SUBJECT: Consideration of Board approval and Chair signature of document #2022-735, an Oregon Health Authority BHRN grant agreement #177290

RECOMMENDED MOTION:

Move approval of Chair signature of document #2022-735, an Oregon Health Authority BHRN grant agreement #177290

BACKGROUND AND POLICY IMPLICATIONS:

This agreement provides a maximum of \$2,890,046 funding to Deschutes County Health Services (DCHS), a Behavioral Health Resource Network (BHRN) provider, to fund increased access to substance use disorder treatment, peer support, mentoring and recovery services, and harm reduction intervention for all Deschutes County communities. The agreement is effective upon execution through December 31, 2023.

In November 2020, Oregon voters passed Measure 110, the Drug Addiction Treatment and Recovery Act of 2020 (hereinafter referred to as "Measure 110"), to better serve people actively using substances or diagnosed with a substance use disorder. Measure 110 was written in response to the high rate of drug addiction and overdoses in Oregon, and the disproportionate impact of those outcomes on Oregon's communities of color and tribal communities. The goal was to establish a more equitable and effective approach to substance use disorder.

Measure 110 centers on equity. It ensures health assessment, low-barrier access to care, low barrier treatment, harm reduction, and recovery services are available to all those who need and want access to those services, and makes it a priority to provide additional support and assistance to people and communities who experience a higher burden of disease. Measure 110 also established the Oversight and Accountability Council (OAC) which grants funds and approves grants for providers and services that meet the criteria for a Behavioral Health Resource Network (BHRN).

A BHRN is a system of interconnected providers working together to ensure increased access to care for all communities, including those disproportionately impacted by rates of incarceration. BHRNs provide services to all in need of treatment and support for substance use concerns, including but not limited to: housing, harm reduction, ongoing peer support, supported employment and substance use disorder treatment. All services provided through these networks must be evidence-informed, trauma informed, culturally and linguistically specific and responsive, person-centered, nonjudgmental, and free of charge to clients.

Deschutes County Health Services (DCHS) entered into a Memorandum of Understanding (MOU) with five treatment providers to establish the Deschutes County BHRN. The participating entities will work together to form a comprehensive substance use disorder network of care that is coordinated, accessible and supports our community. Participating entities are BestCare Treatment Services, Inc., Boulder Care Provider Group, P.A., Healing Reins Adaptive Riding Center, Ideal Option, and Rimrock Trails Treatment Services. The OAC has authorized over \$11 million in BHRN funding to the Deschutes County BHRN, with DCHS receiving \$2,890,046.

DCHS plans to use BHRN funding to expand its peer support, mentoring, and recovery services for adults, youth, and the adult intensive and unhoused populations. Funding will be used for barrier removal and harm reduction supplies, two new vehicles, shelter beds, 3 existing staff and fund 11.2 new FTE positions, as follows:

- 3.2 FTE Recovery Mentor Peer Support Specialist will co-locate within the Deschutes Crisis Stabilization Center to provide intensive recovery oriented outreach, engagement and supports to adult individuals.
- 1 Recovery Mentor Peer Support Specialist and 1 Behavioral Health Specialist–Case Manager to be located at The Drop, a drop in center for at risk you and young adults in downtown bend, to provide comprehensive screening, needs assessment and case management linkage to treatment, housing, employment and training, child care and other services.
- 2 Recovery Mentor Peer Support Specialists, 2 Behavioral Health Specialists-Case Managers, 1 Community Health Specialist III and 1 Behavioral Health Technician to provide additional intensive recovery focused outreach and engagement to support individuals housed in shelter beds and unhoused individuals with substance use disorders in need of shelter.
- Funds will also cover an existing .60 Public Health Nurse III in the Harm Reduction Program, and 50% of a 1.0 FTE Supervisor for the HOST & HRP Teams.

The Health Services Department is recommending that these positions be regular instead of limited duration because the funding is anticipated to be on-going. However, should the state legislature or voters legislatively change how Measure 110 funds are allocated, or if

the Measure 110 revenue declines, the Health Services Department will eliminate positions in this program or come back to the Board for consideration to use non-County general fund resources to fund the positions.

BUDGET IMPACTS:

\$2,890,046 revenue. \$2,066,510 will fund wages for 3 existing FTE and 11.2 new FTE positions. \$130,805 for supplies, which includes \$57,805 for computers, cell phones, and training costs for new staff, \$53,000 for barrier removals, and \$20,000 harm reduction supplies. \$70,000 will fund two vehicles, and \$360,000 will fund a contract for Shelter beds. Additionally, \$262,731 (10%) of indirect expenses are funded. OHA will disburse the funds in six quarterly payment of \$481,674.35. A five year fiscal analysis is attached.

If approved by the Board, a budget adjustment and FTE resolution will be forthcoming.

Part 1 Program Description

1 Background

In November 2020, Oregon voters passed Measure 110, the Drug Addiction Treatment and Recovery Act of 2020 (hereinafter referred to as “Measure 110” or the “Act”), which became effective on December 4, 2020, to better serve people actively using substances or diagnosed with a substance use disorder. Effective in July, 2021, the Legislature amended the Act with Senate Bill (SB) 755 (Regular Session 2021) (hereinafter referred to as SB 755). People who provide drug treatment and recovery services and advocates for criminal justice reform wrote Measure 110 in response to the high rate of drug addiction and overdoses in Oregon, and the disproportionate impact of those outcomes on Oregon’s communities of color and tribal communities. Their goal was to establish a more equitable and effective approach to substance use disorder. The OAC and the Oregon Health Authority (“OHA”) agree with the advocates and voters that a holistic, health-based approach to addressing addiction and overdoses is more helpful, caring and cost-effective than punishing and criminalizing people who need help.

Measure 110 centers on equity, based on the knowledge that communities of color and tribal communities are disproportionately harmed by laws that criminalize drug possession. People in these communities are less likely to have access to culturally and linguistically specific and responsive services (and health services, generally), and experience greater harm from using drugs. Measure 110 makes health assessment, low-barrier access to care, low barrier treatment, harm reduction, and recovery services available to all those who need and want access to those services, and will make it a priority to provide additional support and assistance to people and communities who experience a higher burden of disease in order to access these critical services.

Measure 110 established the Oversight and Accountability Council (“OAC”). The OAC oversees grant funds and approves grants for providers and servicers who meet the criteria for a Behavioral Health Resource Network (“BHRN”) that will ensure an increase in access to care for all communities, including communities who have disproportionately been impacted by rates of incarceration.

2 Purpose

As a part of the OAC’s effort to increase substance use treatment and support services statewide and to improve access, the OAC is funding at least one BHRN for each county and the 9 federally recognized tribes. All services provided through these networks, previously referred to as Addiction Recovery Centers (“ARCs”), now called BHRNs, must be evidence-informed, trauma informed, culturally and linguistically specific and responsive, person-centered and nonjudgmental.

A “Behavioral Health Resource Network” (BHRN) means an entity or network of entities that receives funds from the OAC through OAC under ORS 430.389(2)(a). The BHRNs will

provide services to all¹ in need of treatment and support for substance use concerns, including but not limited to: housing, harm reduction, peer support, supported employment and substance use disorder treatment. They will also assist people who have received a Class E violation for possession of a personal use amount of substances in the process of waiving the fine and accessing requested substance use support and other services.

Each grant recipient to receive funding as a BHRN shall fulfill all requirements of ORS 430.389(2)(d) and be able to provide evidence of the basic operational requirements outlined in the OAC rules, OAR 944, Division 1, to be eligible to receive Drug Treatment and Recovery Services Funds. Each grant recipient must provide one or more of the component services specified in ORS 430.389(2)d. If a grant recipient is unable to provide all such component services in the grant recipient’s county, OAC will provide assistance to help the grant recipient to partner with other organizations in the county, so that each county BHRN collectively fulfills all the requirements of ORS 430.389(2).

3 Program Activities

- 3.1** Recipient’s program activities shall be free of charge to clients, regardless of the client’s ability to pay or insurance status. Services provided must be accessible at no cost to all people, including those who experience substance use disorder, without need for referral or designated pathway to recovery. Recipient will bill insurance for services where insurance is available, but Recipient will not bill any client for any balance. BHRN entities cannot delay services for purposes of billing insurance or awaiting processing of any such billing.
- 3.2** Recipient shall ensure that BHRN program activities conducted by Recipient are conducted in accordance with ORS 430.389(2)(d) and OAR 944-001-0020 (Operational, Policy, and Service and Support Requirements of Behavioral Health Resource Networks), as the foregoing may be amended from time to time.

4 Reporting Requirements

4.1 Financial recordkeeping and reporting

In general, the State of Oregon has a statutory obligation to provide services at the highest level of desired effectiveness at the lowest possible cost. (ORS 297.065(1)). It is the responsibility of the Secretary of State Audit Division to conduct performance audits of state agencies, including OAC, in part to identify whether or not the agencies are meeting these requirements. This also includes individual departments, commissions, and boards. The Division of Audits will follow established, national standards, such as those of the United States Government Accountability Office, when completing performance audits. (ORS 297.070(1))

Oversight and Accountability Council must include its contractors, grant recipients, and governmental entities, including but not limited to municipal corporations, in its compliance with the statutes and rules governing such audits. Therefore, OAC requires those receiving public funding for the delivery of program or other services to adhere to certain requirements for record retention and provide access to all documentation related to the performance of services.

The distribution of funding and delivery of services has become more interrelated and interdependent between government, NGOs, and other service providers such that the decision as to what records are retained or destroyed is a matter of statewide public policy. The interest and concern of citizens in public records recognizes no jurisdictional boundaries and extends to such records wherever they may be found in Oregon. As local programs become beneficiaries of state-provided funding, the State of Oregon and its political subdivisions have a responsibility to apply orderly requirements for the retention and destruction of all public records, whether current or noncurrent, including financial information. As such, the same approach applies to the contractors, grant recipients, and other service providers.

The retention of records allows the state, including its agencies, councils, and boards to demonstrate distribution of funding and associated terms, conditions, goals, objectives, and expected outcomes of its contractors and recipients. The Audit Division will also examine financial records to determine adherence to Generally Accepted Accounting Principles (GAAP) or such other national standard as may be applied to service providers. Therefore, in addition to the requirements in Exhibit B.10, Records Maintenance, Access, Recipient shall provide or give access to OAC and/or the Secretary of State Audit division the Records, described in Exhibit B.10, within 5 business days of receipt of written notice to Recipient.

4.2 Client Data Collection and Reporting

4.2.1 Recipient shall, at a minimum, collect and report the following aggregate information to OHA and OAC no later than the deadlines established by the OAC which can be found at the following website, under the BHRN Grantee Resources, Data collection and reporting link: <https://www.oregon.gov/oha/hsd/amh/pages/measure110.aspx>:

- Average duration of client participation and client outcomes
- The number of individuals seeking assistance from Recipient, who are denied or not connected to substance use disorder treatment and other services; and the reasons for the denials

- Whether the average time to access services to which clients are referred, such as housing or medication assisted treatment, has increased or decreased since Recipient received funding
- Demographic data on clients served, including self-reported demographic data on race, ethnicity, gender, and age in accordance with OAR 943 Division 070.

4.2.2 In addition to the information required to be reported to OHA and OAC in Section 4.2.1, Recipient must submit to OHA and OAC during the first reporting period a summary of how demographics are collected, including any tools used and the staff person or network participant who will collect the data.

4.3 Recipient shall provide the data required to be collected and reported under section 4.2 in accordance with OAC and OHA instructions, which can be found at the following website, under the BHRN Grantee Resources, Data collection and reporting link: <https://www.oregon.gov/oha/hsd/amh/pages/measure110.aspx>.

The Recipient agrees that from time to time, at its expense, the Recipient will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that OAC may reasonably request, in order to perfect and protect the security interest granted under this Agreement or to enable OAC to exercise and enforce its rights and remedies under this Agreement with respect to the vehicle. Recipient must forward by e-mail a copy of the title application showing the OAC c/o Oregon Health Authority, Health Systems Division as the Security Interest Holder to OAC within five (5) calendar days of the acquisition from the seller.

EXHIBIT B

Standard Terms and Conditions

1. Governing Law, Consent to Jurisdiction.

This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OAC or any other agency or department of the State of Oregon, or both, and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this Section be construed as a consent by the State of Oregon to the jurisdiction of any court or a waiver by the State of Oregon of any form of defense to or immunity from any Claim, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States, or otherwise. Recipient hereby consents to the exclusive jurisdiction of such courts, waives any objection to venue, and waives any claim that any such forum is an inconvenient forum.

2. Compliance with Law.

Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Recipient and this Agreement. Without limiting the generality of the foregoing: (i) the Recipient shall comply with Health Insurance Portability and Accountability Act and the federal regulations implementing the Act (collectively referred to as HIPAA) and 42 CFR Part 2 to the extent they are applicable to the services provided by the Recipient; and (ii) no grant funds may be used for any harm reduction activities that would violate Oregon's drug paraphernalia law, ORS 475.525, including but not limited to the purchase or delivery of safe smoking supplies, drug testing strips, or devices used to prepare controlled substances, unless the Recipient maintains documentation that demonstrates the activities fall within an exemption under ORS 475.525(4) or (5), or the Recipient is a syringe service program providing sterile needles and syringes and other items as part of their activities, in accordance with ORS 475.757. Failure to comply with any of the foregoing requirements is grounds for termination of the grant.

3. Independent Parties; Conflict of Interest.

- a. Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.
- b. If Recipient is currently performing work for the State of Oregon or the federal government, Recipient by signature to this Agreement, represents and warrants that Recipient's participation in this Agreement creates no potential or actual conflict of interest as defined by ORS Chapter 244 and that no statutes, rules or regulations of the State of Oregon or federal agency for which Recipient currently performs work would prohibit Recipient's participation under this Agreement. If

disbursement under this Agreement is to be charged against federal funds, Recipient certifies that it is not currently employed by the federal government.

4. Grant Funds; Payments.

- a. Recipient is not entitled to compensation under this Agreement by any other agency or department of the State of Oregon. Recipient understands and agrees that OAC's payment of grant funds under this Agreement is contingent on OAC receiving appropriations, limitations, allotments and other expenditure authority sufficient to allow OAC, in the exercise of its reasonable administrative discretion, to pay the grant funds to Recipient as set forth in this Agreement.
- b. Disbursement Method. Disbursements under this Agreement will be made by Electronic Funds Transfer (EFT) and shall be processed in accordance with the provisions of OAR 407-120-0100 through 407-120-0380 or OAR 410-120-1260 through OAR 410-120-1460, as applicable, and any other OAC Oregon Administrative Rules that are program-specific to the billings and payments. Upon request, Recipient must provide its taxpayer identification number (TIN) and other necessary banking information to receive EFT payment. Recipient must maintain at its own expense a single financial institution or authorized payment agent capable of receiving and processing EFT using the Automated Clearing House (ACH) transfer method. The most current designation and EFT information will be used for all disbursements under this Agreement. Recipient must provide this designation and information on a form provided by OAC. In the event that EFT information changes or the Recipient elects to designate a different financial institution for the receipt of any payment made using EFT procedures, Recipient will provide the changed information or designation to the EFT Coordinator identified in Exhibit A, Part 2, Section 1.

5. Recovery of Overpayments.

Any funds disbursed to Recipient under this Agreement that are expended in violation or contravention of one or more of the provisions of this Agreement ("Misexpended Funds") or that remain unexpended on termination or expiration of this Agreement ("Unexpended Funds") must be returned to OAC. Recipient shall return all Misexpended Funds to OAC promptly after OAC's written demand and no later than 15 days after OAC's written demand. Recipient shall return all Unexpended Funds to OAC within 14 days after the termination or expiration of this Agreement, as applicable. OAC, in its sole discretion, may recover Misexpended Funds or Unexpended Funds by withholding from payments due to Recipient such amounts, over such periods of time, as are necessary to recover the amount of the Misexpended Funds or Unexpended Funds. If Recipient objects to the amount withheld or proposed to be withheld, Recipient shall notify OAC that it wishes to engage in dispute resolution in accordance with Section 13 of this Exhibit.

6. Ownership of Work Product. Reserved.

7. Contribution.

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the

"Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the Recipient (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Recipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

With respect to a Third Party Claim for which the Recipient is jointly liable with the State (or would be if joined in the Third Party Claim), the Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the Recipient on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Recipient on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Recipient shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that

the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

8. Default; Remedies; Termination.

- a. Default by Recipient. Recipient shall be in default under this Agreement if:
- (1) Recipient institutes or has instituted against it insolvency, receivership or bankruptcy proceedings, makes an assignment for the benefit of creditors, or ceases doing business on a regular basis; or
 - (2) Recipient no longer holds a license or certificate that is required for Recipient to perform its obligations under this Agreement and Recipient has not obtained such license or certificate within 14 calendar days after OAC's notice or such longer period as OAC may specify in such notice; or
 - (3) Recipient fails to return Misexpended Funds or Unexpended Funds in accordance with Section 5 of this Exhibit B; or
 - (4) Recipient commits any material breach or default of any covenant, warranty, obligation or agreement under this Agreement, fails to perform any obligation under this Agreement within the time specified herein or any extension thereof, or so fails to pursue performance of any obligation as to endanger Recipient's performance under this Agreement in accordance with its terms, and such breach, default or failure is not cured within 14 calendar days after OAC's notice, or such longer period as OAC may specify in such notice.
- b. OAC's Remedies for Recipient's Default. In the event Recipient is in default under Section 8.a., OAC may, at its option, pursue any or all of the remedies available to it under this Agreement and at law or in equity, including, but not limited to:
- (1) termination of this Agreement under Section 8.e.(2);
 - (2) withholding all or part of monies not yet disbursed by OAC to Recipient;
 - (3) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief; or
 - (4) exercise of its right of recovery of Misexpended Funds or Unexpended Funds under Section 5 of this Exhibit B.
- These remedies are cumulative to the extent the remedies are not inconsistent, and OAC may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever. If a court determines that Recipient was not in default under Section 8.a., then Recipient shall be entitled to the same remedies as if this Agreement was terminated pursuant to Section 8.e.(1).
- c. Default by OAC. OAC shall be in default under this Agreement if OAC commits any material breach or default of any covenant, warranty, or obligation under this

Agreement, and such breach or default is not cured within 30 calendar days after Recipient's notice or such longer period as Recipient may specify in such notice.

- d. Recipient's Remedies for OAC's Default. In the event OAC terminates this Agreement under Section 8.e.(1), or in the event OAC is in default under Section 8.c. and whether or not Recipient elects to exercise its right to terminate this Agreement under Section 8.e.(3), Recipient's sole remedy will be a claim for payment of grant funds for costs or expenses incurred and for which payment is authorized by this Agreement. In no event shall OAC be liable to Recipient for any expenses related to termination of this Agreement or for anticipated profits or loss.
- e. Termination.
- (1) OAC's Right to Terminate at its Discretion. At its sole discretion, OAC may terminate this Agreement:
- (a) For its convenience upon 30 days' prior written notice by OAC to Recipient;
 - (b) Immediately upon written notice if OAC fails to receive funding, appropriations, limitations, allotments or other expenditure authority sufficient to allow OAC, in the exercise of its reasonable administrative discretion, to pay the grant funds to Recipient as set forth in this Agreement;
 - (c) Immediately upon written notice if federal or state laws, regulations, or guidelines are modified or interpreted in such a way that OAC's support of the program under this Agreement is prohibited or OAC is prohibited from paying for such support from the planned funding source; or
 - (d) Immediately upon written notice to Recipient if there is a threat to the health, safety, or welfare of any person receiving funds or benefitting from services under this Agreement, including any Medicaid Eligible Individual, under its care.
- (2) OAC's Right to Terminate for Cause. In addition to any other rights and remedies OAC may have under this Agreement, OAC may terminate this Agreement immediately upon written notice to Recipient, or at such later date as OAC may establish in such notice, if Recipient is in default under Section 8.a.
- (3) Recipient's Right to Terminate for Cause. Recipient may terminate this Agreement upon 30 days' prior written notice to OAC or at such later date as Recipient may establish in such notice, if OAC is in default under Section 8.c. and OAC fails to cure such default within 30 calendar days after OAC receives Recipient's notice or such longer period as Recipient may specify in such notice.

- (4) Mutual Termination. This Agreement may be terminated immediately upon mutual written consent of the parties or at such other time as the parties may agree in the written consent.
- (5) Return of Property. Upon termination of this Agreement for any reason whatsoever, Recipient shall immediately deliver to OAC all of OAC's property that is in the possession or under the control of Recipient.
- (6) Effect of Termination. Upon termination of this Agreement, Recipient shall immediately cease all activities under this Agreement unless, in a written notice issued by OAC, OAC expressly directs otherwise.

9. Insurance.

Recipient shall maintain insurance as set forth in Exhibit C, attached hereto.

10. Records Maintenance, Access.

Recipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Recipient shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient, whether in paper, electronic or other form, that are pertinent to this Agreement, in such a manner as to clearly document Recipient's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." Recipient acknowledges and agrees that OAC and the Secretary of State's Office and the federal government and their duly authorized representatives shall have access to all Records to perform examinations and audits and make excerpts and transcripts. Recipient shall retain and keep accessible all Records for the longest of:

- a. Six years following final payment and termination of this Agreement;
- b. The period as may be required by applicable law, including the records retention schedules set forth in OAR Chapter 166; or
- c. Until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement.

11. Information Privacy/Security/Access.

If this Agreement requires or allows Recipient or, when allowed, its subcontractor(s), to have access to or use of any OAC or OHA computer system or other OAC or OHA Information Asset for which OAC or OHA imposes security requirements, and OAC or OHA grants Recipient or its subcontractor(s) access to such OAC or OHA Information Assets or Network and Information Systems, Recipient shall comply and require all subcontractor(s) to which such access has been granted to comply with OAR 943-014-0300 through OAR 943-014-0320, as such rules may be revised from time to time. For purposes of this Section, "Information Asset" and "Network and Information System"

have the meanings set forth in OAR 943-014-0305, as such rule may be revised from time to time.

12. Assignment of Agreement, Successors in Interest.

- a. Recipient shall not assign or transfer its interest in this Agreement without prior written consent of OAC. Any such assignment or transfer, if approved, is subject to such conditions and provisions required by OAC. No approval by OAC of any assignment or transfer of interest shall be deemed to create any obligation of OAC in addition to those set forth in this Agreement.
- b. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties, their respective successors, and permitted assigns.

13. Resolution of Disputes.

The parties shall attempt in good faith to resolve any dispute arising out of or related to this Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

14. Subcontracts.

Recipient shall not enter into any subcontracts for any part of the program supported by this Agreement without OAC's prior written consent. In addition to any other provisions OAC may require, Recipient shall include in any permitted subcontract under this Agreement provisions to ensure that OAC will receive the benefit of subcontractor activity(ies) as if the subcontractor were the Recipient with respect to Sections 1, 2, 3, 6, 7, 9, 10, 11, 12, 14, 15, and 16 of this Exhibit B. OAC's consent to any subcontract shall not relieve Recipient of any of its duties or obligations under this Agreement.

15. No Third Party Beneficiaries.

OAC and Recipient are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

16. Severability.

The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

17. Notice.

Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, e-mail, or mailing the same, postage prepaid to Recipient or OAC at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may indicate pursuant to this Section. Any communication or notice so addressed and mailed by regular mail shall be deemed received and effective five days after the date of mailing. Any communication or notice delivered by e-mail shall be deemed received and effective five days after the date of e-mailing. Any communication or notice delivered by facsimile shall be deemed received and effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the Recipient, or on the next business day if transmission was outside normal business hours of the Recipient. Notwithstanding the foregoing, to be effective against the other party, any notice transmitted by facsimile must be confirmed by telephone notice to the other party. Any communication or notice given by personal delivery shall be deemed effective when actually delivered to the addressee.

18. Headings; Interpretation.

The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and shall not be used to construe the meaning or to interpret this Agreement. This Agreement will be interpreted according to its fair meaning and not strictly for or against any party to this Agreement. Any provision of this Agreement that would reasonably be expected to survive its termination or expiration will do so, including but not limited to Sections 1, 2, 5, 7, 8(e)(5), 13, 15, 16, 17, 18, and 19 of Exhibit B of this Agreement.

19. Amendments; Waiver; Consent.

No amendment, waiver, or consent under this Agreement shall bind either party unless it is in writing and signed by both parties and when required, approved by the Oregon Department of Justice. Such amendment, waiver, or consent shall be effective only in the specific instance and for the specific purpose given. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision.

20. Prohibition on Supplanting.

Grant funds may not supplant or replace other funds that have been contracted for the same purpose. Recipient shall ensure that the activities provided under this Agreement will be in addition to, and not in substitution for, comparable activities.

21. Merger Clause.

This Agreement constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein, regarding this Agreement.
