MEMORANDUM

TO: Deschutes County Planning Commission

FROM: Tanya Saltzman, AICP, Senior Planner

DATE: April 20, 2023

SUBJECT: Continued Public Hearing – Mule Deer Winter Range Inventory Update

The Deschutes County Planning Commission will conduct a continued public hearing on April 27, 2023 at 5:30 P.M. at the Deschutes Services Center, 1300 Wall Street, Barnes and Sawyer rooms, to consider amendments to update the mule deer inventory (File No. 247-23-000144-TA). This will be a continuation of the initial public hearing held on April 13, 2023,¹ which was attended by approximately 100 people in person and approximately 40 additional via Zoom. Approximately 40 individuals testified in person; due to this demand, virtual testimony was postponed to the second hearing date. All hearing materials and the entirety of the record can be found at www.deschutes.org/muledeer.

Staff submitted a Post-Acknowledgement Plan Amendment (PAPA) notice to the Department of Land Conservation and Development (DLCD) on March 8, 2023 and established a project website, www.deschutes.org/muledeer, wherein the record and supporting documents are published. Staff presented the proposed amendments and project history and background to the Planning Commission at a work session on March 23, 2023.² Staff also conducted three public information sessions on April 4, 6, and 10th.

I. BACKGROUND

The first phase of this project took place in 2020-2021, in which Deschutes County initiated the process of considering updates to three of its Goal 5 wildlife inventories. Utilizing an Interagency Working Group (IWG) of wildlife biologists from state agencies as well as an independent wildlife biologist consultant, the IWG collected and vetted new data to define these new inventories. For a detailed history and documents relating to Phase 1, visit [Wildlife Inventory Update - Phase 1](#).

The current phase of this project follows the procedures in [Oregon Administrative Rules \(OAR\) Chapter 660, Division 23](#) to update or designate a new Goal 5 resource—in this case, the mule deer winter range.

² <https://www.deschutes.org/bc-pc/page/planning-commission-28>

This proposal creates a new mule deer combining (or overlay) zone and corresponding new code chapters to address uses in that zone.

II. PROPOSAL

This is a legislative text amendment to Deschutes County Code (DCC), Title 18, County Zoning, and the Comprehensive Plan. This proposal creates a new mule deer combining (or overlay) zone and a corresponding new code chapter to address uses in that zone. The purpose of the 2023 Mule Deer Winter Range Combining Zone is to conserve important mule deer winter range habitat in Deschutes County; to protect an important environmental, social and economic element of the area; and to permit development compatible with the protection of the mule deer resource. This zone and its regulations will be separate from the existing Wildlife Area (WA) Combining Zone, which remains unchanged.

A brief summary of the amendments are as follows, with further description available in the materials provided for the initial hearing:

- DCC 18.91 – Mule Deer Winter Range Combining Zone - WA-MD. Creates a new combining zone, the 2023 Mule Deer Winter Range Combining Zone (WA-MD) and corresponding code chapter (DCC 18.91). This combining zone is entirely separate from the existing WA Combining Zone (DCC 18.88), in terms of its physical boundaries and the zoning regulations governing them. There will be no changes proposed to the boundaries or regulations of the existing WA Combining Zone.

Per the OAR cited above, the WA-MD Combining Zone regulations contain criteria for a set of uses deemed “conflicting” because they could adversely affect mule deer winter range habitat. These draft criteria represent a starting point for the community conversations to follow during the hearings process.

- DCC 18.12: Adds WA-MD to list of combining zones.
- Deschutes County Comprehensive Plan, Chapter 2, Resource Management, Section 2.6, Wildlife: adds language describing the mule deer winter range update.
- Deschutes County Comprehensive Plan Chapter 5.12 and DCC 23.01: updates the legislative history of the Comprehensive Plan.

III. NEXT STEPS

At the conclusion of the public hearing, the Planning Commission may:

- Continue the hearing to a date certain;
- Close the hearing and leave the written record open to a date certain; or
- Close the hearing and commence deliberations.

Once the Planning Commission process has concluded, staff will then commence the legislative process with the Board of County Commissioners.

MEMORANDUM

TO: Deschutes County Planning Commission

FROM: Peter Gutowsky, AICP, Director
Will Groves, Planning Manager

DATE: April 20, 2023

SUBJECT: Draft Planning Division Work Plan for Fiscal Year (FY) 2023-24 / Deliberations

I. SUMMARY

The Planning Commission held a public hearing on the draft Planning Division FY 2023-24 Work Plan on March 30 (Attachment).¹ On April 27, the Planning Commission will deliberate and provide a recommendation to the Board of County Commissioners (Board).² Below are four tables to facilitate a Planning Commission recommendation.

Table 1 captures priority discretionary and nondiscretionary projects that are supported by the Board and Planning Commission; grant funded; or in process. These projects in their totality are “significant,” requiring staffing resources that span 6 to 12 months or longer.

Table 1 – Priority Discretionary and Non-discretionary Projects

Priority Projects	
1. Current Planning ³	5. Transportation System Plan (TSP) Update
2. Comprehensive Plan 2040 Update ⁴	6. SB 391, Rural Accessory Dwelling Units
• Engage Newberry Country and Terrebonne residents to determine if area and/or community plans require updates. ⁵	7. New Mule Deer Wildlife Inventory ⁶
3. Tumalo Community Plan Update (TGM Grant)	8. SB 762, Wildfire Mitigation ⁷
4. Sisters Country Trails (TGM Grant)	9. Historic Preservation (CLG Grant)

¹ <https://www.deschutes.org/bc-pc/page/planning-commission-34>

² CDD received one comment from March 31 to April 5 (see footnote 4). The extended written record period ended on April 7.

³ Current Planning responsibilities are non-discretionary. Local land use decisions are subject to specific deadlines per state law. ORS 215.427.

⁴ Testimony from a Deschutes County resident stressed the importance of incentives as it pertains to existing wildlife inventories. Testimony from a local organization supported the mule deer winter range update and updating elk habitat and eagle nesting inventories, among other items. Testimony from a Deschutes County resident on April 5 emphasized inclusion and biodiversity.

⁵ Testimony from a local organization asked for monthly participation in community conversations in South County for a strategic plan.

⁶ Testimony from a Deschutes County resident questioned the validity of the mule deer inventory, ODFW’s science, and the role of public lands while emphasizing the importance of property rights.

⁷ Testimony from a local organization supports fire hardening for all structures regardless of wildfire risk and limiting development in fire prone areas.

Table 2 identifies ongoing Planning Division operational responsibilities, regional coordination duties, and code maintenance tasks. These projects in their totality range from “minor” to “moderate,” requiring staffing resources that span 4 to 8 months to complete.

II. PLANNING COMMISSION RECOMMENDATION & NEXT STEPS

Staff is respectfully asking the Planning Commission to make a recommendation on April 27.¹⁰ The Board is scheduled to conduct a public hearing on the draft CDD FY 2023-24 Work Plan on May 31.

Attachment:

Draft CDD FY 2023-2024 Work Plan and 2022 Annual Report

⁹ See footnote #3.

¹⁰ Last year after thoughtful consideration, the Planning Commission felt it was important to endorse all of the projects listed in Table 1 without weighing one over another. They considered all of them noteworthy projects for the community. To the extent that resources became available, they recommended several projects that could lead to zoning text amendments pertaining to livability, economic development, and environmental sustainability. Beyond those listed in Table 1, the Planning Commission took special interest in projects relating to lighting/dark skies and destination resort remapping. The Planning Commission also emphasized interest in work plan projects that intersected with regional water issues, houselessness, wildfire, and wildlife.

Introduction

Community Development Mission Statement

The Community Development Department (CDD) facilitates orderly growth and development in the Deschutes County community through coordinated programs of Building Safety, Code Compliance, Coordinated Services, Onsite Wastewater, Planning and education and service to the public.

Purpose

2023-24 Work Plan and 2022 Annual Report highlight the department's accomplishments, goals and objectives and are developed to:

- Report on achievements and performance.
- Implement the Board of County Commissioners (BOCC) goals and objectives.
- Implement the Deschutes County Customer Service "Every Time" Standards.
- Effectively and efficiently manage organizational assets, capabilities and finances.
- Fulfill the department's regulatory compliance requirements.
- Address changes in state law.
- Enhance the county as a safe, sustainable and highly desirable place to live, work, learn, recreate, visit and more.

Adoption

The BOCC adopted this report on [June XX, 2023](#), after considering public, stakeholder and partner organization input and Planning Commission and Historic Landmarks Commission recommendations. The Work Plan often includes more projects than there are resources available. CDD coordinates with the BOCC throughout the year to prioritize and initiate projects. Projects not initiated are often carried over to future years.

Board of County Commissioners

Mission Statement: Enhancing the lives of citizens by delivering quality services in a cost-effective manner.

FY 2023-24 Goals & Objectives

Safe Communities (SC): Protect the community through planning, preparedness, and delivery of coordinated services.

- Provide safe and secure communities through coordinated public safety and crisis management services.
- Reduce crime and recidivism and support victim restoration and well-being through equitable engagement, prevention, reparation of harm, intervention, supervision and enforcement.
- Collaborate with partners to prepare for and respond to emergencies, natural hazards and disasters.

Healthy People (HP): Enhance and protect the health and well-being of communities and their residents.

- Support and advance the health and safety of all Deschutes County's residents.
- Promote well-being through behavioral health and community support programs.
- Help to sustain natural resources and air and water quality in balance with other community needs.
- Continue to support pandemic response and community recovery, examining lessons learned to ensure we are prepared for future events.

A Resilient County (RC): Promote policies and actions that sustain and stimulate economic resilience and a strong regional workforce.

- Update County land use plans and policies to promote livability, economic opportunity, disaster preparedness, and a healthy environment.
- Maintain a safe, efficient and economically sustainable transportation system.
- Manage County assets and enhance partnerships that grow and sustain businesses, tourism, and recreation.

Housing Stability and Supply (HS): Support actions to increase housing production and achieve stability.

- Expand opportunities for residential development on appropriate County-owned properties.
- Support actions to increase housing supply.
- Collaborate with partner organizations to provide an adequate supply of short-term and permanent housing and services to address housing insecurity.

Board of County Commissioners

FY 2023-24 Goals & Objectives, Continued

Service Delivery (SD): Provide solution-oriented service that is cost-effective and efficient.

- Ensure quality service delivery through the use of innovative technology and systems.
- Support and promote Deschutes County Customer Service “Every Time” standards.
- Continue to enhance community participation and proactively welcome residents to engage with County programs, services and policy deliberations.
- Preserve, expand and enhance capital assets, to ensure sufficient space for operational needs.
- Maintain strong fiscal practices to support short and long-term county needs.
- Provide collaborative internal support for County operations with a focus on recruitment and retention initiatives.

Budget & Organization

Fiscal Issues

- Ensure financial stability and sustained high quality services by establishing a financial contingency plan providing a clear course of action if CDD's reserve funds decline.
- CDD is experiencing a decrease in permitting volume during a period in which there has been significant staff turnover and increased costs. A short-term challenge will be to navigate this period of decreasing revenue while focusing on service delivery and staff training and education while reducing expenditures, where possible.
- CDD is responding to inquiries regarding rural development opportunities. Many of these inquiries require research and in-depth responses, but do not result in permits and corresponding revenue. This "non-fee generating" work, a public good, is consuming limited resources to efficiently process a variety of permits.

Operational Challenges

- Maintaining productivity while experiencing staff turnover resulting in comprehensive training and development plans for new staff. During 2022, CDD welcomed 11 new staff, internally promoted 8 staff, and ended the year with 14 unfilled positions with 8 of those being removed in early 2023. An estimated 57% of CDD staff have 5 years or less experience with the department.
- Coordinating with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet service demands in a highly competitive market.
- Succession planning for upcoming staff retirements. An estimated 14% of current staff will be eligible for retirement within the next 6 to 8 years based on length of service.
- Continuing modified business operations including remote work opportunities, dispatching field staff from home, adherence to ongoing public health and safety measures and continued expansion of CDD online services and meeting technologies.
- Improving public hearing and engagement strategies with in-person and remote/online participation opportunities.
- Implementing new laws from the 2023 Legislative Session.
- Processing complex and controversial code compliance cases.
- Addressing affordable housing through collaboration with cities, the County's Property Manager, and rural land use strategies.
- Continuing improvement of the department's website and other electronic internal and external services to improve efficiencies and service delivery.

Performance Management

CDD is committed to a comprehensive approach to managing performance. The department achieves its goals and objectives by strategically establishing and monitoring performance measures and by adjusting operations based on those results. The performance measures allow staff to:

- Address service delivery expectations from the perspectives of CDD’s customers.
- Ensure the department fulfills its regulatory compliance requirements.
- Efficiently and effectively manage the organization’s assets, capacities and finances; and
- Preserve and enhance the County as a safe, sustainable and desirable place to live, visit, work, learn and recreate.

The following graphs represent a sample of CDD’s performance measures for 2022. For a complete review of performance measures, please follow this link: <https://deschutes.org/cd/>.

Onsite Wastewater

- Achieve compliance with the Alternative Treatment Technology (ATT) Septic System Operation and Maintenance (O&M) reporting requirements of 95% to protect groundwater. (BOCC Goal & Objective HP-3)
- Achieve the issuance of onsite septic system permits within 12 days of completed application. (BOCC Goal & Objective SD-1)
- Achieve 50% of inspections scheduled online. (BOCC Goal & Objective SD-1)
- Achieve 90-100% of Pre-cover inspections completed the same day as requested. (BOCC Goal & Objective SD-1)

Planning

- Sustain the issuance of land use administrative decisions with notice within 45 days and without notice within 21 days of completed application. (BOCC Goal & Objective SD-1)
- Address Housing strategies by amending County Code to implement SB 391, Rural Accessory Dwelling Units (ADU). (BOCC Goal & Objectives RC-1 and HP-1)
- Natural Resources:
 - Natural Hazards— Develop a work plan to amend the Comprehensive Plan and County Code requiring defensible space and fire-resistant building materials per SB 762—Wildfire Mitigation. (BOCC Goal & Objectives SC-3, HP-3, and RC-1)
 - Wildlife Inventories—Amend Comprehensive Plan and Zoning Code to incorporate a new mule deer winter range inventory from ODFW. (BOCC Goal & Objectives HP-3)

Administrative Services

Overview

Administrative Services consists of the Community Development Director, Senior Management Analyst, two Systems Analysts and one Administrative Assistant. The Administrative Services Division provides oversight for all departmental operations and facilities, human resources, budget, customer services, technology and performance measures. Analyst staff are responsible for the integration of technology across all CDD divisions, coordination with the cities as well as providing direct service to the public via application training and support, web-based mapping, reporting services and data distribution.

2022 Year in Review

- ✓ Continued remote work options for approximately 50% of staff.
- ✓ Improved system interoperability of Accela and DIAL software systems by increasing efficiency and improved service by allowing “real time” document upload.
- ✓ Completed a reorganization of office spaces and small remodel on CDD’s first floor in an effort to better utilize available square footage.
- ✓ Implemented process and procedure to invoice non-residential transportation system development charges (SDCs) in an effort to identify charges due and allow for online payments.
- ✓ Adopted Unmanned Aerial System (Drones) Policy to establish guidelines for the use of drones to perform building safety inspections.
- ✓ Provided addressing services to the City of Redmond on contract.
- ✓ Published a Community Engagement Center webpage in an effort to provide an opportunity for public engagement, learn about current projects and post department announcements.

Administrative Services

FY 2023-24 Work Plan Projects

- Continue to reconfigure Accela to improve code compliance case management and planning land use module interoperability.
- Continue to participate in a County-led effort to create a county-wide Pre-disaster Preparedness Plan.
- Continue to update CDD's Continuity Of Operation Plan (COOP), as necessary, based on lessons learned and ensure staff are aware of their roles and responsibilities during an emergency.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet service demands in a highly competitive market.
- Coordinate with Human Resources to develop a Permit Technician job series.
- Continue to explore and research opportunities to increase CDD's sustainable business practices while maximizing the efficiency of operations in a cost effective manner.
- Publish CDD's enhanced website which is more customer-centric. Improved content will allow customers to better understand CDD's policies and procedures and create an improved customer experience that acts as a guide for understanding the process of development in Deschutes County while also expanding online application instruction content.
- Implement a new employee onboarding process to acclimate new employees to their role and an exit interview process for departing staff to learn where department improvements can be made and make sure the employee feels satisfied about their service.
- Research help desk service software to assist with tracking citizen inquiries and staff responses.
- Expand Code Compliance reporting capabilities.
- Explore redesign of CDD main office lobby in an effort to increase security measures.

Code Compliance

Overview

Code Compliance consists of four Code Compliance Specialists with one designated as Lead. The program is managed by the Coordinated Services Administrative Manager and is supported by a law enforcement deputy from the Deschutes County Sheriff's Office (DCSO) and CDD's operating divisions. The Code Compliance Division is responsible for investigating code violation complaints to ensure compliance with land use, onsite wastewater disposal, building and solid waste codes (by contract with the Solid Waste Department), and provides direct service to the cities of La Pine and Sisters for building code violations under the Building Safety program. The program's overriding goal is to achieve voluntary compliance. If necessary, cases are resolved through Circuit Court, Justice Court or before a Code Compliance Administrative Hearings Officer proceeding. The program continues to adapt to the county's challenges of growth and diversification, incorporating new measures to ensure timely code compliance.

While voluntary compliance is the primary objective, an ever-growing number of cases require further code compliance action because of delayed correction or non-compliance. Through the refinement of departmental procedures for administrative civil penalty, Code Compliance is obtaining compliance from citations rather than court adjudication, resulting in greater cost recovery. A disconcerting trend is the need for county abatement in some cases. In abatement, the county corrects the violations. Abatement action is reserved for matters of chronic nuisance and public health and safety. In response to this trend, Code Compliance is closely coordinating with other county departments in the development and enactment of abatement plans.

2022 Year in Review

- ✓ Received 784 new cases and resolved 731. This is near identical to new and resolved cases from the previous year.
- ✓ Designated a lead Code Compliance Specialist and assigned duties.
- ✓ Analyzed the Code Compliance program in an effort to create efficiencies for case assignment, management and proceedings.
- ✓ Revised the Voluntary Compliance Agreement and templates for Pre-Enforcement Notices to improve communications.
- ✓ Continued to partner with county departments to resolve difficult cases. Coordination ensures efficient operations and avoids overlapping efforts, thus allowing staff to conduct a thorough investigation on behalf of community members.
- ✓ Implemented staff remote work options and flex schedules for efficiency.
- ✓ Utilized the designated DSCO deputy for site visits as a safety measure.
- ✓ Revised method of case assignments to incorporate staff experience and training opportunities.
- ✓ Implemented post-pandemic remote hearing proceedings and engagement strategies to ensure an opportunity for citizens to participate.

Code Compliance

FY 2023-24 Work Plan Projects

- Improve methods of communication with complainants regarding case status and case closure.
- Continue to improve training program for new hires to include staff onboarding and procedural guidelines.
- Coordinate with DSCO and Risk Management to develop and implement annual field safety classes.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet service demands in a highly competitive market.
- Coordinate with Solid Waste Department and BOCC to identify a funding source for code abatement processes.
- In coordination with the Legal Department, explore the creation of policies and procedures related to discretionary immunity and caps on lien amounts, among other topics.
- Revise online complaint submittal process to include photos, geographic information systems (GIS) and communication in an effort to improve efficiency and record keeping.
- Update Deschutes County Code (DCC) 1.16 Abatement language to include appeal processes.
- Revise Code Compliance dashboard to include management tools to ensure relevant data is utilized.
- Explore software revisions to improve record keeping and enable collection of court fines and fees.

Coordinated Services

Overview

Coordinated Services consists of an Administrative Manager, one Administrative Supervisor, eight Permit Technicians, one Administrative Assistant, one Administrative Support Specialist and one Administrative Support Technician. The Coordinated Services Division provides permitting and “front line” direct services to customers. While coordinating with all operating divisions, staff ensure accurate information is provided to the public, while minimizing wait times and ensuring the efficient operation of the front counter and online portal.

2022 Year in Review

- ✓ Permit Technicians continued to provide exceptional customer service to in-person customers as well as virtually through the Accela online portal.
- ✓ Implemented a flexible work schedule for staff.
- ✓ Implemented an improved phased staff training program including cross division record research and permitting processes.
- ✓ Continued to update the Standard Operating Procedures manual which serves as an additional resource for staff consistency and succession planning.
- ✓ Revised role of administrative staff to include complex assignments in an effort to increase staff retention.
- ✓ Increased electronic permit submittals through public education and outreach to licensed professionals. Received 60.4% of Building Safety and Onsite Wastewater applications online compared to 49.9% in 2021.
- ✓ Transitioned residential plans from paper to electronic submittals.
- ✓ Transitioned residential plans from paper to electronic submittals locations in City of Sisters and City of La Pine which allowed reallocation of staff resources to the main office in Bend.

Coordinated Services

FY 2023-24 Work Plan Projects

- Revise CDD's decommissioning plan process and procedure.
- Revise internal process and procedure for legitimizing unpermitted structures.
- Implement increased safety measures for the front lobby including staff safety training from DCSO.
- Continue to improve efficiencies in permit processes and procedures.
- Coordinate with the Human Resources Department to evaluate, propose and implement a Permit Technician job series through the creation of a new Permit Technician II classification in an effort to attract and retain staff to meet service demands in a highly competitive market.
- Continue participation in CDD's website updates.

Onsite Wastewater

Overview

Onsite Wastewater consists of one Onsite Wastewater Manager, two Onsite Wastewater Specialists II, two Onsite Wastewater Specialists I and one Administrative Assistant. The Onsite Wastewater Division regulates on-site wastewater treatment systems (septic) to assure compliance with state rules, and monitors environmental factors for public health and resource protection. They provide site evaluations, design reviews, permitting, inspections and education and coordination with the Oregon Department of Environmental Quality (DEQ) for onsite wastewater treatment and dispersal systems. Staff inspects sewage pumper trucks, reports on the condition of existing wastewater systems, maintains an Operation & Maintenance (O&M) tracking system, provides the public with information on wastewater treatment systems and regulations and investigates sewage hazards to protect public health and the environment. Staff are also engaged in the proactive pursuit of protecting the groundwater in Deschutes County and continue to work with DEQ on permitting protective onsite wastewater systems in Southern Deschutes County.

2022 Year in Review

- ✓ Assessed 216 sites for onsite wastewater treatment and dispersal systems, a decrease of 43.5% from 2021, and issued 1,175 permits and authorizations for new and existing onsite treatment and dispersal systems, a decrease of 21% from 2021. Applications continue to increase in complexity and technical requirements.
- ✓ Repaired 223 failing or substandard systems correcting sewage health hazards and protecting public health and the environment.
- ✓ Increased electronic permit submittal and inspection scheduling through outreach and education of customers, particularly licensed professionals. The division received 45.7% of applications online compared to 43.2% in 2021.
- ✓ Created Onsite Wastewater Manager classification.

Onsite Permits Issued

Onsite Wastewater

2022 Year in Review, continued

- ✓ Provided eleven property owners in South County with rebates of \$3,750 per property for upgrading conventional onsite wastewater treatment systems to nitrogen-reducing pollution reduction systems.
- ✓ Provided technical assistance to Terrebonne Sanitary District Formation Committee.
- ✓ Provided technical assistance for the Tumalo sewer feasibility study.
- ✓ Verified an estimated 1,500 septic system maintenance contracts for the O&M tracking system.
- ✓ Coordinated with the City of Bend and DEQ staff regarding the septic to sewer program, and the impact on homeowners with onsite wastewater systems.
- ✓ Worked with DEQ on permitting protective onsite wastewater systems in South County. Participated in dozens of variance hearings for modified advanced treatment systems on severely limited sites.
- ✓ Coordinated with DEQ staff for a South County groundwater and drinking well sampling event.
- ✓ Supported and provided technical assistance for Central Oregon Intergovernmental Council applying for and receiving DEQ Onsite Financial Aid Program (OSFAP) to assist property owners with septic repairs.
- ✓ Onsite trainees are fully integrated team members knowledgeable about permitting, inspections and other tasks.

O & M Reports

Onsite Wastewater

FY 2023-24 Work Plan Projects

- Work with DEQ staff on planning for and funding of long term and regular well sampling events approximately every 10 years to monitor changes in water quality in the aquifer.
- Participate in the Upper Deschutes Agricultural Water Quality Management Area Local Advisory Committee.
- Continue to provide financial assistance opportunities to South County property owners to upgrade conventional systems to nitrogen reducing pollution reduction systems through Nitrogen Reducing System Rebates and the NeighborImpact Non-conforming Loan Partnership.
- Review current groundwater protection policies for South County and continue review of variance applications with DEQ onsite staff to ensure the goals of water resource protection are addressed. Highest risk areas may require greater scrutiny.
- Prepare for development to occur in the Newberry Neighborhood in La Pine by reviewing financial assistance programs for groundwater protection efforts. This may include creation of a financial advisory group process to include community members.
- Continue providing technical assistance support for the Terrebonne Sanitary District formation and Tumalo sewer feasibility study.
- Coordinate with the Planning Division regarding process or code amendments that could impact onsite wastewater processes for temporary use permits, hardship dwellings and lot line adjustments.
- Update website information for onsite wastewater and groundwater protection.

Planning

Overview

Planning consists of one Planning Director, one Planning Manager, two Principal Planners, two Senior Planners, two Senior Long Range Planners, one Senior Transportation Planner, six Associate Planners, three Assistant Planners and one Administrative Assistant. The Planning Division consists of two operational areas: Current Planning and Long Range Planning. Current Planning processes individual land use applications and provides information to the public on all land use related issues. Long Range Planning addresses the future needs of the county through updates to the comprehensive plan, changes to the county code and other special projects.

Current Planning

Responsible for reviewing land use applications for compliance with Deschutes County Code (DCC) and state law, including zoning, subdivision and development regulations, and facilitating public hearings with Hearings Officers and the BOCC. Staff is also responsible for verifying compliance with land use rules for building permit applications and septic permits; coordinating with Code Compliance to respond to complaints and monitor conditions of approval for land use permits; performing road naming duties; providing assistance at the public information counter, over the telephone and via email; and addressing in the rural county and City of Redmond under contract.

Long Range Planning

Responsible for planning for the future of Deschutes County, including developing and implementing land use policy with the BOCC, Planning Commission, community and partner organizations. It is in charge of updating the County Comprehensive Plan and zoning regulations, coordinating with cities and agencies on various planning projects taking place in the region, including population forecasts with Portland State University and cities. Staff also monitors and participates in annual legislative sessions, and serves on numerous local, regional and statewide committees primarily focusing on transportation, natural resources, growth management and economic development.

Transportation Planning

Provides comments and expertise on land use applications, calculates System Development Charges (SDC's) as part of land use application review process or upon request; provides comments to the County's Risk Management Department regarding traffic issues for permitted events; participates in the annual County Capital Improvement Plan (CIP) process with the Road Department; applies for grants for enhanced bicycle and pedestrian facilities in coordination with the Bicycle and Pedestrian Advisory Committee (BPAC); participates in Oregon Department of Transportation (ODOT) funded refinement planning; coordinates road issues with Bureau of Land Management (BLM) and the United States Forest Service (USFS) for urban interface plans; and serves on several local and regional transportation committees, most notably BPAC, the Bend Metropolitan Planning Organization Technical Advisory Committee, and Central Oregon Area Commission on Transportation Technical Advisory Committee (TAC).

Floodplain & Wetlands Planning

Responsible for providing comments and expertise on land use applications, code compliance, and general property inquiries that require development, fill, or removal in mapped floodplain and wetland areas. Staff maintains certification as an Association of State Floodplain Managers (ASFPM) Certified Floodplain Manager to provide customers with up-to-date and accurate information regarding Federal Emergency Management Agency (FEMA) regulations, surveying requirements, and construction requirements. Coordination is frequently required with external agencies including FEMA, US Army Corps of Engineers, Oregon Department of State Lands (DSL), ODFW, and USFS.

2022 Year in Review

- ✓ Counter coverage averaged 222 customer visits a month compared to 242 in 2021.
- ✓ Staff responded to 2,757 emails and 2,598 phone call inquiries. This equates to over 229 emails and 217 phone calls per month.
- ✓ Received 895 land use applications compared to 1,089 in 2021, a decrease of 17.8% over prior year.
- ✓ The Planning Division received 10 non-farm dwelling applications compared with 22 for 2021.
- ✓ Twenty (20) final plats were recorded in 2022 or are in the process of being recorded, creating a total of 210 residential lots.
- ✓ Selected a consultant to lead a major Deschutes County Comprehensive Plan Update process.

Land Use Applications Received

Planning

2022 Year in Review, continued

Thirteen (13) land use applications were reviewed by Hearings Officers compared to 20 in 2021. They include:

- ✓ Thornburg Destination Resort (3)
- ✓ Declaratory Rulings for Initiation of Use of Prior Approvals (2)
- ✓ Quasi-Judicial Hearings for Land Use Applications (3)
- ✓ Plan Amendment Zone Changes from Exclusive Farm Use to Non-Resource Zoning (4)
- ✓ City of Bend Urban Growth Boundary (UGB) Amendment / HB 4079 (1)

The BOCC conducted 16 quasi-judicial land use hearings or proceedings, equal to 2021.

- ✓ Appeals declined for review by the BOCC (3)
- ✓ Improvement Agreements (2)
- ✓ City of Bend UGB Amendment (1)
- ✓ Road Name Change (1)
- ✓ Noise Variances (3)
- ✓ Plan Amendment Zone Changes from Exclusive Farm Use to Non-Resource Zones (3)
- ✓ Quasi-Judicial Hearings for Land Use Applications (1)

Ten (10) appeals were filed with the Land Use Board of Appeals (LUBA) in 2022, compared to 11 in 2021:

- ✓ Oregon Water Resources Department Land Use Compatibility Statement / Quasi-Municipal Water Right
- ✓ Private Airstrip
- ✓ Template Dwelling
- ✓ Wireless Tower / ODOT Right of Way
- ✓ Declaratory Ruling for Tumalo Sewer Expansion
- ✓ Thornburgh Destination Resort (4)
- ✓ Plan Amendment Zone Change Remand

2022 Year in Review, continued

Legislative Amendments

The BOCC adopted:

- ✓ Psilocybin Time, Place, and Manner (TPM) Amendments—Pursuant to Measure 109, the county adopted ordinances that impose reasonable TPM regulations on the location and operation of psilocybin businesses.

Deschutes 2040 Comprehensive Plan Update

Planning staff initiated an 18-month process to update the County's Comprehensive Plan in May 2022. The initial phases of the project focused on conducting background research to form the technical basis for the plan update, and collecting community feedback to identify the key issues, goals, and challenges facing the county for the next 20 years. During the last 7 months, staff accomplished the following:

- ✓ Initiated a professional services agreement with the project consultant for an estimated \$233,000.
- ✓ Received a \$5,000 technical assistance grant from Department of Land Conservation and Development (DLCD) for virtual engagement and software tools.
- ✓ Drafted background summaries of existing conditions and projected trends in Deschutes County, which will ultimately be used as the narrative for Comprehensive Plan Update chapters.
- ✓ Conducted a community engagement training for staff.
- ✓ Created a community engagement plan to raise awareness of the project and ensure an inclusive strategy for outreach.
- ✓ Conducted the first round of community engagements including four in-person open houses, an online survey, and over 50 local meetings designed for community groups, stakeholders and residents to come together and share their thoughts. These meetings resulted in responses from 550 community members.
- ✓ Established a project website using a new integrative tool (ArcHub) and utilized social media to spread awareness of the project website and meetings, resulting in 9,699 post views across a variety of social media platforms.
- ✓ Provided two project updates through a Constant Contact email list with 391 subscribers.
- ✓ Established the Planning Commission as the community advisory body for the project and met six times to review and discuss the project scope, community engagement plan, and staff edits to the Comprehensive Plan goals and policies.

Grants

Certified Local Government Grant

Planning staff administered an 18-month \$11,500 Certified Local Government (CLG) Grant from the State Historic Preservation Office (SHPO) to assist Deschutes County with its historic preservation programs.

Technical Assistance Grant

In November 2022, DLCD awarded the department a \$5,000 Technical Assistance Grant to fund the use of specialized software tools to assist in virtual outreach for the county's Comprehensive Plan Update.

Transportation Growth Management Grant

Planning staff coordinated with ODOT to execute a \$75,000 Transportation and Growth Management (TGM) Grant to update the Tumalo Community Plan bike/ped/transit elements and implement the rural trails portion of the Sisters Country Vision Action Plan.

Coordination with Other Jurisdictions, Agencies and Committees

Bicycle and Pedestrian Advisory Committee

BPAC met 12 times, commenting on regional Transportation System Plan (TSP) updates, trail connections between cities and recreation areas, bicycle and pedestrian safety issues and ODOT projects, among others.

Oregon Department of Transportation (ODOT)

Participated in Baker Road-Lava Butte Multi-use Path and Lava Butte-La Pine Multi-use Path Technical Advisory Committee (TAC); Baker Road Interchange Area Management Plan TAC; quarterly meetings with ODOT, Road Department, and cities of Bend and Redmond to review traffic modeling needs; stakeholder committee for ODOT study on wildlife passages for US 20 between Bend and Santiam Pass; US 20 (Greenwood Ave.) 3rd Street / Powell Butte Hwy Refinement Plan.

Deschutes River Mitigation and Enhancement Committee

Convened two Deschutes River Mitigation and Enhancement Committee meetings to receive updates from ODFW and Central Oregon Irrigation District (COID).

Community Involvement Report

2022

Statewide Planning Goal 1, Citizen Involvement, requires cities and counties to create a citizen involvement program that provides opportunities for community participation in land use planning processes and decisions.

Land use legislation, policies and implementation measures made by Oregonians nearly 50 years ago helped shape Oregon's urban and rural environments. Likewise, choices made today will ultimately shape these areas in the future. Successful land use planning occurs through an open and public process that provides room for information gathering, analysis and vigorous debate. Deschutes County's Community Involvement program is defined in Section 1.2 of the Comprehensive Plan.

This chapter identifies the County Planning Commission as the committee for citizen involvement. It also contains the County's Community Involvement goal and corresponding five policies that comply with Goal 1. This report briefly discusses the noteworthy community involvement actions undertaken by the Planning Division in 2022. The report is intended to provide county residents and stakeholders with a tool to assess its effectiveness and offer additional suggestions the County can utilize to ensure that its diverse communities remain actively involved in land use planning discussions.
