The Managed Camp will endeavor to:

1. Provide temporary shelter, basic services, and case management in a safe environment for people experiencing homelessness; and
2. Advance the County's goal to complete a land exchange with the Department of State Lands by providing people camping on the property to be exchanged to an objectively reasonable alternative location; and

4. Support the mutual City/County/State of Oregon goal to establish CORE3.

STAFF REPORT

DATE: October 14, 2025
TO: City Council
THROUGH:
FROM: Keith Witcosky, City Manager
SUBJECT: Amendment #1 to Intergovernmental Agreement with Deschutes County for the development and operation of a Managed Homeless Camp on County-owned land in East Redmond: \$72,559.38

Report in Brief:

This item requests the City Council authorize an amendment to the existing Intergovernmental Agreement (IGA) with Deschutes County for the development and operation of a Managed Homeless Camp on County-owned land in East Redmond by increasing the City's share of the investment from \$250,000 to approximately \$322,559.38.

Background:

On July 22, 2025, the City Council authorized an IGA with Deschutes County which identified the roles, responsibilities and level of investment for both the City and County for the Managed Camp.

The County owns 45 acres at 1002 NE 17th Street, Redmond. The camp will be located on approximately 6 of those acres. The camp design includes four quadrants. Each quadrant will include up to 18 individual campsites, for a total of 72 sites. Two quadrants will be developed initially with a total of +/- 36 spaces.

The executed IGA sets the vision for the Managed Camp as follows:

- Provide temporary shelter, basic services, and case management in a safe environment for people experiencing homelessness; and
- Advance the County's goal to complete a land exchange with the Department of State Lands by providing people camping on the property to be exchanged to an objectively reasonable alternative location; and
- Advance the City's goals to eliminate homeless activity in the NE 17th Street right-of-way footprint; and
- Support the mutual City/County/State of Oregon goal to establish CORE3.

The County's Fiscal Year(FY) 2026 Budget includes a total of \$531,000 for capital costs to develop the Managed Camp. The City will contribute \$250,000 towards the \$531,000 (with the County contributing \$281,000).

Since the execution of the IGA, the County completed an invitation to bid procurement process.

The low bidder for the project was Taylor Northwest with a total bid amount of \$676,118.75. This bid was approximately \$145,118.75 more than the initial estimate. The proposed amendment to the IGA would result in the City and County splitting this capital cost increase, bringing the City's total contribution to approximately \$322,559.38 and the County's to \$353,559.38.

The County is expected to take action on this amendment on October 15, 2025.

Discussion:

Six companies bid on the Managed Camp procurement opportunity. This process has been managed by Deschutes County staff.

Name of Contractor	Amount
Taylor NW	\$676,118.75
Rickabaugh Construction LLC	\$752,056.50
Tim Bloom Construction Inc.	\$837,657.00
Robinson & Owen Heavy Construction Inc.	\$915,957.77
JAL Construction Inc.	\$946,475.00
BDL Plumbing LLC	\$958,920.00

Fiscal Impact:

The City's FY 2025/2026 Adopted Budget includes \$250,000 towards the camp. Resources are available, and a budget adjustment will need to occur at a later date for this additional \$72,559.38.

Alternative Courses of Action:

1. Approve Amendment #1 of the Intergovernmental Agreement with Deschutes County.
2. Do not approve the Amendment.
3. Take no Action and Request more information

Recommendation / Suggested Motion:

"I move to approve Amendment #1 to the Intergovernmental Agreement with Deschutes County for a Managed Homeless Camp on County Land in East Redmond."

BOARD OF COMMISSIONERS

AGENDA REQUEST & STAFF REPORT

MEETING DATE: October 15, 2025

SUBJECT: Notice of Intent to Award a contract to Taylor NW LLC to construct the Deschutes County East Redmond Managed Camp

RECOMMENDED MOTION:

Move approval of Document No. 2025-977, a Notice of Intent to Award a contract to Taylor NW LLC to construct the Deschutes County East Redmond Managed Camp.

BACKGROUND AND POLICY IMPLICATIONS:

In August 2025, Deschutes County and the City of Redmond executed an intergovernmental agreement (IGA) to develop a managed camp in East Redmond, which will provide an authorized location for identified individuals that are seeking a path out of homelessness.

A project team consisting of County and City elected officials and staff, community service providers, and H.A. McCoy Engineering & Surveying completed the design of a 36-unit managed camp. The East Redmond Managed Camp will feature perimeter fencing, 50'x30' graveled camp spaces with picnic tables, centralized power and water, cooking area, portable restrooms and handwashing stations, storage, and dumpsters. The design includes designated areas for up to four yurts for onsite hosts and/or onsite managers, visitor parking, and an RV space for use by service providers.

The Invitation to Bid for Construction Services-Deschutes County East Redmond Managed Camp, was issued on Wednesday, August 20, 2025 and closed at 2:00 pm on Thursday, September 18, 2025. A mandatory pre-bid meeting was held on Friday, August 29, 2025.

The Invitation to Bid was advertised on the Deschutes County website August 20, 2025, the Daily Journal of Commerce on August 20, 2025 and August 22, 2025, and the Bend Bulletin on August 20, 2025, August 21, 2025, and August 24, 2025.

County Property Management held a public bid opening and reviewed bids on Friday, September 18, 2025.

Six bids were submitted, as follows:

Results of Invitation to Bid Issued Wednesday, August 20, 2025 Closed Thursday, September 18, 2025	
Construction Services Deschutes County East Redmond Managed Camp	
Contractors	Bid Amount
Taylor NW LLC (<i>lowest bid</i>)	\$676,118.75
Rickabaugh Construction LLC	\$752,056.50
Tim Bloom Construction Inc.	\$837,657.00
Robinson & Owen Heavy Construction Inc.	\$915,957.77
JAL Construction Inc.	\$946,475.00
BDL Plumbing LLC	\$958,920.00

This action issues a Notice of Intent to Award the contract to the apparent low bidder, Taylor NW LLC, and allows seven days for concerned parties to protest the award. If there is no protest within the seven-day period, the contract will be awarded to the apparent low bidder.

BUDGET IMPACTS:

Original estimate included in the Fiscal Year 2026 Adopted budget is \$531,000. Reallocated ARPA funds in the amount of \$281,000 have been approved for the project and the City of Redmond has pledged \$250,000. The unfunded amount is \$145,119. Staff will be requesting approval to use additional recategorized ARPA funds earmarked for homelessness for a portion of the difference. Additionally, per the aforementioned IGA with the City of Redmond, the agencies agreed to discuss and collectively resolve how to fund any shortfall.
