**MEMORANDUM**

DATE: April 25, 2022
TO: Deschutes County Historic Landmarks Commission
FROM: Tanya Saltzman, AICP, Senior Planner
RE: May 2 / Historic Landmarks Meeting Overview

The Historic Landmarks Commission (HLC) will conduct a meeting on May 2, 2022 at 5:30 p.m. in the Deschutes Services Center, Barnes and Sawyer rooms, in-person, electronically and by phone. This memorandum will serve as an outline of all agenda items.

Please note: the Deschutes County Meeting Portal is located at the below link. All meeting materials as well as live video may be found there:

<https://www.deschutes.org/meetings>

I. Approval of Minutes – March 7 Meeting

The HLC will review and approve the March 7 meeting minutes. Draft minutes were to be distributed electronically during the week of April 25.

II. City of Sisters Updates

Representatives from the City of Sisters will provide updates on their work to date, most notably their CLG grant tasks.

III. Community Development Department Fiscal Year 2022-2023 Work Plan / 2021 Annual Report

Each spring, the Community Development Department (CDD) prepares an annual work plan describing proposed projects for the coming fiscal year. A review of the draft work plan provides the Planning Commission, Historic Landmarks Commission, County Administration, CDD's customers, partner agencies, and ultimately the Board of County Commissioners (Board) the opportunity to provide input, including additions, modifications and possible re-prioritization. The work plan describes the most important objectives and proposed projects in each CDD division based on:

1. Board annual goals and policies;
2. Carry-over projects from current or prior years;
3. Changes in state law;
4. Grants/funding sources; and
5. Public comments.

It also serves as the context within which new projects that arise during the course of the year are prioritized and undertaken.

The Board will hold a public hearing on the Fiscal Year 2022-2023 Work Plan on May 11, 2022. The CDD Fiscal Year 2022-2023 Work Plan and 2021 Annual Report document is included as an attachment to this memorandum. Of note to the HLC, the Planning section (beginning on page 29) addresses 2021 accomplishments such as administering a Certified Local Government (CLG) grant, developing a HLC Policies and Procedures Manual and future projects from the forthcoming CLG grant (2023-24).

IV. Updates from Bend and Redmond HLCs

County staff has reached out to the Bend and Redmond HLCs and will convey their updates.

V. Strategic Plan

The Historic Preservation Strategic Plan process kicked off in March, and the official public input process recently concluded with the close of the online survey on April 22. First, staff is providing a summary of input received.

Public forums

- Public forums were scheduled for April 11 and April 20, both in person and via Zoom. These were promoted via a press release as well as on the project website. Due to last-minute technical difficulties, the April 11 forum was canceled due to the online platform not being available. Staff made real-time updates to the project website to ensure that potential participants were apprised of the meeting status; staff received no inquiries or feedback regarding the cancellation. The second public forum was attended by two participants in person. A link to the video of the meeting can be found here:
<https://www.deschutes.org/bc-hlc/page/historic-landmarks-commission-historic-preservation-strategic-plan-public-forum-2>
- The two attendees are owners of a historic property in the City of Bend, currently undergoing a restoration process. They shared their experiences thus far with the city process (and were aware that proceedings in Bend may be different than in rural Deschutes County) and expressed their own feelings about historic preservation. While there may be a somewhat complex process involved in renovating a historic property, education and outreach is helpful (both for the details of a project

such as theirs, or of the benefits of historic preservation in general), and they noted that “it’s good to keep the past in the present.”

Online survey

The online survey, which was shared via the project website as well as the press release, was open for approximately one month and received 27 responses. A summary of the responses is presented as Attachment 2. Staff will facilitate a brief discussion of the results with the HLC to address items that appeared noteworthy to commissioners—patterns, specific responses, or other takeaways. While recognizing that this survey is not intended to be statistically valid, it did succeed in soliciting numerous opinions about preservation and may help inform potential goals. Selected highlights include:

- The majority (74 percent) of respondents reside in the City of the Bend; only 7.4 percent live in rural Deschutes County and 3.7 percent in Sisters
- Most highly ranked goal for the strategic plan: increasing public awareness of the benefits of historic preservation
- The next tier of most highly ranked goals were ranked similar to each other: promoting heritage tourism; preservation training and workshops; funding programs; making the inventory of historic properties more easily accessible to the public
- Lack of awareness of historic preservation issues was ranked as the most important issue by a small margin
- Websites/social media, tours, and exhibits were rated the top three methods for providing historic preservation information to the public

Staff encourages commissioners and the public to consider the responses provided to the open-ended questions as well—these are all available in the survey summary attachment.

Stakeholder interviews

Staff has conducted two stakeholder interviews thus far (Mike Boero, District Archeologist, U.S. Forest Service; Heidi Kennedy, staff liaison to Bend Historic Landmarks Commission), with one scheduled for the week prior to this meeting (Scott Woodford, Sisters Community Development Director). Responses from potential participants has been relatively limited, but staff has received helpful input nonetheless.

Staff will provide general overviews of the stakeholder interviews during the May 2 meeting.

Goals, Objectives, and Actions

The Goals, Objectives, and Actions form the basis of the Strategic Plan, in order of most general to most specific. The Commission will discuss potential Goals, Objectives, and Actions as they relate to those from the previous plan as well as the public input received thus far, and develop a set of Goals, Objectives, and Actions for the new draft plan document.

For discussion:

- Which Goals, Objectives, or Actions are still relevant? Consider retaining those in new plan (staff notes that Goals and Objectives are more general and as such may likely still be applicable)
- Which Actions have been accomplished and can be removed?
- Based on public input and commissioners' experience, are there new Goals, Objectives, or Actions that should be added?

For reference, the Goals, Objectives, and Actions from the previous Strategic Plan are provided below.

2015-2020 Strategic Plan Goals, Objectives, and Actions

Goal 1 - Collaborate: Strengthen the network of historic preservation and community partners through collaboration.

Objective: Improve facilitation of Historic Preservation in the region to increase the visibility of and participation in historic preservation efforts throughout the county.

Actions:

- Establish the Des Chutes Historical Society as the hub of historic preservation programs.
- Support and engage in Historic Preservation Month activities.

Objective: Work with other HLCs and stakeholder groups to maximize impact and value to owners and general community.

Actions:

- Schedule annual meetings and/or presentations with other HLCs in the region.
- Create and maintain a calendar of historic related events throughout the county.
- Improve the management and access of historic property records in partnership with other agencies and local museum resources through support for technology upgrades.

Goal 2 - Coordinate: Facilitate program administration and special projects that provide opportunities to expand the scope and benefits of the historic preservation.

Objective: Expand and Improve Historic Preservation Program Administration.

Actions:

- Provide dedicated staff to facilitate and manage historic preservation program.
- Conduct an inventory of potential properties eligible for landmark designation.
- Enhance the Sisters/County focus in demonstrating best historic preservation practices.
- Enhance focus on archeological sites in Deschutes County.
- Build oral history collection.
- Review and update relevant county codes for consistency with state laws and policies.

Objective: Improve access to historic resource information.

Actions:

- Regularly hold HLC meetings in Sisters and other regions of the county.

- Provide more content to the “Story Map” descriptions.
- Incorporate federal historic sites into “Story Map” content.
- Support technology upgrades at Des Chutes Historical Society.
- Complete scanning of historic property files located at the Des Chutes Historical Society.
- Create driving tour mobile application similar to Bend Heritage Walking Tour.

Objective: Improve relationships with historic resource owners.

Actions:

- Maintain regular contact with historic property owners such as scheduled mailers, phone calls, and visits to highlight benefits and responsibilities of designation.
- Assign historic sites to landmarks commissioners to establish stronger relationships.
- Support annual BBQ as thank you for historic property owners.

Goal 3 - Educate: Promote educational opportunities highlighting the value, benefits, responsibilities, and requirements of historic preservation.

Objective: Expand historic preservation education.

Actions:

- Conduct presentations throughout the county to various groups including community organizations and schools.
- Increase visibility through published articles in various media outlets and formats.
- Annual presentations to Board of County Commissioners and Sisters City Council.
- Attend, present, and provide materials at History Pub at Old St. Francis School.
- Preserve and/or replacement of historic site signage.

Objective: Increase the attention paid to, and protection of, the historic rural county setting.

Actions:

- Fieldtrips that promote both public and other HLC participation.
- Highlight importance and relevance of historic resources other than buildings and structures such as the Santiam Wagon Road, tree blazes, and cemeteries.

Next Steps

Staff will utilize the input received and discussed in this meeting to develop a draft plan document. This will be scheduled to be distributed to the HLC in mid-to-late June, with a special review meeting to be scheduled for early July to discuss the draft plan; the overall goal will be to have a final plan ready to be approved at the regularly scheduled August 1 HLC meeting.

Staff and the HLC will determine a Strategic Plan meeting date for early July.

Introduction

Mission Statement

The Community Development Department (CDD) facilitates orderly growth and development in the Deschutes County community through coordinated programs of Building Safety, Code Compliance, Coordinated Services, Environmental Soils, Planning and education and service to the public.

Purpose

The 2021 Annual Report and 2022-23 Work Plan highlight the department's accomplishments, goals and objectives and are developed to:

- Report on achievements and performance.
- Implement the Board of County Commissioners (BOCC) goals and objectives.
- Implement the Deschutes County Customer Service "Every Time" Standards.
- Effectively and efficiently manage organizational assets, capabilities and finances.
- Fulfill the department's regulatory compliance requirements.
- Enhance the County as a safe, sustainable and highly desirable place to live, work, learn, recreate, visit and more; and
- Address changes in state law.

Adoption

The BOCC adopted this report on **May / June XX, 2022**, after considering public, stakeholder and partner organization input and Planning Commission and Historic Landmarks Commission recommendations. The Work Plan often includes more projects than there are resources available. CDD coordinates with the BOCC throughout the year to prioritize and initiate projects. Projects not initiated are often carried over to future years.

Pandemic Operations

CDD continues to provide services under the State's health and safety framework following recommended safety measures to protect staff and customers while providing essential public services to support the Central Oregon economy.

Board of County Commissioners

FY 2023 Goals & Objectives

Mission Statement: Enhancing the lives of citizens by delivering quality services in a cost-effective manner.

Safe Communities (SC): Protect the community through planning, preparedness, and delivery of coordinated services.

- Provide safe and secure communities through coordinated public safety and crisis management services.
- Reduce crime and recidivism and support victim restoration and well-being through equitable engagement, prevention, reparation of harm, intervention, supervision and enforcement.
- Collaborate with partners to prepare for and respond to emergencies, natural hazards and disasters.

Healthy People (HP): Enhance and protect the health and well-being of communities and their residents.

- Support and advance the health and safety of all Deschutes County's residents.
- Promote well-being through behavioral health and community support programs.
- Help to sustain natural resources and air and water quality in balance with other community needs.
- Continue to support pandemic response and community recovery, examining lessons learned to ensure we are prepared for future events.

A Resilient County (RC): Promote policies and actions that sustain and stimulate economic resilience and a strong regional workforce.

- Update County land use plans and policies to promote livability, economic opportunity, disaster preparedness, and a healthy environment.
- Maintain a safe, efficient and economically sustainable transportation system.
- Manage County assets and enhance partnerships that grow and sustain businesses, tourism, and recreation.

Housing Stability and Supply (HS): Support actions to increase housing production and achieve stability.

- Expand opportunities for residential development on County-owned properties.
- Support actions to increase housing supply.
- Collaborate with partner organizations to provide an adequate supply of short-term and permanent housing and services to address housing insecurity.

Board of County Commissioners

FY 2022 & 2023 Goals & Objectives, Continued

Service Delivery (SD): Provide solution-oriented service that is cost-effective and efficient.

- Ensure quality service delivery through the use of innovative technology and systems.
- Support and promote Deschutes County Customer Service “Every Time” standards.
- Continue to enhance community participation and proactively welcome residents to engage with County programs, services and policy deliberations.
- Preserve, expand and enhance capital assets, to ensure sufficient space for operational needs.
- Maintain strong fiscal practices to support short and long-term county needs.
- Provide collaborative internal support for County operations with a focus on recruitment and retention initiatives.

Population Growth

This graph provides a snapshot of the County's growth since 1960 and the preliminary 50-year Portland State University, Oregon Population Forecast Program, through 2068.

Budget & Organization

Fiscal Issues

- Ensure financial stability and sustained high quality services through establishing a financial contingency plan providing a clear course of action if CDD's reserve funds decline.
- CDD is responding to significantly increased inquiries regarding rural development opportunities. Many of these inquiries require research and in-depth responses, but do not result in permits and corresponding revenue. This "non-fee generating" work, a public good, is consuming limited resources to efficiently process a variety of permits.
- Significant staff turnover is creating additional costs to and resource re-allocations from service delivery to training in the department.

Operational Challenges

- Maintaining productivity while experiencing near record high levels of permitting volumes and significant staff turnover. During 2021, CDD welcomed 14 new staff, internally promoted 11 staff and ended the year with 10 positions in various stages of the recruitment process. An estimated 63% of CDD staff have 5 years or less experience with the department.
- Coordinating with Human Resources to develop and implement strategies to retain and recruit staff.
- Succession planning for upcoming staff retirements. An estimated 11% of current staff will be eligible for retirement within the next 6 to 8 years based on length of service.
- Transitioning to and implementing post-pandemic business operations such as continued partial remote working, shared work spaces with increasing staff levels, adherence to ongoing public health and safety measures and continued expansion of CDD online services and meeting technologies.
- Improving post-pandemic public hearing and engagement strategies with in-person and remote/online participation opportunities.
- Implementing new laws from the 2022 Legislative Session.
- Processing complex and controversial code compliance cases.
- Addressing affordable housing through collaboration with cities, the County's Property Manager, and exploring rural strategies.
- Continuing improvement of the department's website and other electronic internal and external services to improve efficiencies and service delivery.

Performance Management

CDD is committed to a comprehensive approach to managing performance. The department achieves its goals and objectives by strategically establishing and monitoring performance measures and by adjusting operations based on those results. The performance measures allow staff to:

- Address service delivery expectations from the perspectives of CDD’s customers.
- Ensure the department fulfills its regulatory compliance requirements.
- Efficiently and effectively manage the organization’s assets, capacities and finances; and
- Preserve and enhance the County as a safe, sustainable and desirable place to live, visit, work, learn and recreate.

The following graphs represent a sample of CDD’s performance measures for 2021. For a complete review of performance measures, please follow this link: <https://deschutes.org/cd/>.

Code Compliance

- Achieve 90% voluntary compliance in Code Compliance cases. (BOCC Goal & Objective SC-1)
- Achieve 85% resolution of Code Compliance cases within 12 months. (BOCC Goal & Objective SC-1)

Coordinated Services

- Expand community training opportunities for online application submission to obtain a goal of 50-60% of application submittals conducted online. (BOCC Goal & Objective SD-1)
- Achieve structural permit ready-to-issue turnaround time for Coordinated Services of 4 days. (BOCC Goal & Objective SD-1)

Performance Management

Environmental Soils

- Achieve compliance with the Alternative Treatment Technology (ATT) Septic System Operation and Maintenance (O&M) reporting requirements of 95% to protect groundwater. (BOCC Goal & Objective HP-3)
- Achieve the issuance of onsite septic system permits within 12 days of completed application. (BOCC Goal & Objective SD-1)
- Achieve 50% of inspections scheduled online. (BOCC Goal & Objective SD-1)
- Achieve 90-100% of Pre-cover inspections completed the same day as requested. (BOCC Goal & Objective SD-1)

Planning

- Sustain the issuance of land use administrative decisions with notice within 45 days and without notice within 21 days of completed application. (BOCC Goal & Objective SD-1)
- City of Bend Coordination:
 - Amend the City of Bend Urban Growth Boundary and County zoning to implement HB 4079, Affordable Housing Project. (BOCC Goal & Objectives RC-1 and HP-1)
- Housing Strategies:
 - Amend County Code to implement SB 391, Rural Accessory Dwelling Units (ADU). (BOCC Goal & Objectives RC-1 and HP-1)
- Natural Resources:
 - Natural Hazards— Develop a work plan to amend the Comprehensive Plan and County Code requiring defensible space and fire-resistant building materials per SB 762—Wildfire Mitigation. (BOCC Goal & Objectives SC-3, HP-3, and RC-1)
 - Wildlife Inventories—Amend Comprehensive Plan and Zoning Code to incorporate a new mule deer winter range inventory from Oregon Department of Fish and Wildlife (ODFW). (BOCC Goal & Objectives HP-3)

Administrative Services

Overview

Administrative Services consists of the Community Development Director, Senior Management Analyst, two Systems Analysts and one Administrative Assistant. The Administrative Services Division provides oversight for all departmental operations and facilities, human resources, budget, customer services, technology and performance measures. Analyst staff are responsible for the integration of technology across all CDD divisions, coordination with the cities as well as providing direct service to the public via application training and support, web-based mapping, reporting services and data distribution.

2021 Year in Review

- ✓ Welcomed a new CDD Director in the fall of 2021.
- ✓ Revised office lobby hours, closing to the public at 4:00 p.m. to provide staff opportunity to respond to an increased number of calls, email inquires and online application submissions.
- ✓ Continued remote work options for approximately 75% of staff.
- ✓ Revised CDD's Fee Waiver Policy with BOCC approval.
- ✓ Enhanced CDD's Planning Division's webpage to provide more information about land use public hearings, application materials and opportunities for the public to submit comments on pending applications.
- ✓ Began a reorganization of office spaces and small remodel on CDD's first floor in an effort to better utilize available square footage.

Administrative Services

2022-23 Work Plan Projects

- Reconfigure Accela to improve code compliance case management and planning land use module interoperability.
- Continue to participate in a County-led effort to create a county-wide Pre-disaster Preparedness Plan.
- Update Continuity Of Operation Plan (COOP), as necessary, based on lessons learned during the pandemic.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet increasing service demands in a highly competitive market.
- Explore and research opportunities to increase CDD's sustainable business practices while maximizing the efficiency of operations in a cost effective manner.
- Reorganize and enhance CDD's website to be more customer-centric. Provide enhanced content that will allow customers to better understand CDD's policies and procedures and create an improved customer experience that acts as a guide for understanding the process of development in Deschutes County while also expanding online application instruction content.
- Government software integration—Improve system interoperability of Accela and DIAL software systems, increasing efficiency and improved service through implementation of a software connector which will allow “real time” document upload.
- Complete analysis of installation of electric vehicle charging stations and purchase of electric vehicles to ensure quality service delivery through the use of innovative technology and systems.
- Implement a new employee onboarding process to acclimate new employees to their role and an exit interview process for departing staff to learn where department improvements can be made and make sure the employee feels satisfied about their service.
- Implement process to invoice non-residential transportation system development charges and send annual notice of amount due and potential rate increases.

Building Safety

Overview

Building Safety consists of one Building Official, one Assistant Building Official and eighteen Building Safety Inspectors. The Building Safety Division administers and implements the state and federal building codes through a process of education and a clear and consistent application of the specialty codes. The division provides construction plan reviews, consultation and inspection services throughout the rural county and the cities of La Pine and Sisters. The division also provides services to Lake, Jefferson, Klamath and Crook counties, the cities of Bend and Redmond, and the State of Oregon Building Codes Division on an as-needed basis.

2021 Year in Review

- ✓ Issued 775 new single-family dwelling permits in 2021. The distribution of these new homes for Deschutes County's building jurisdiction included:
 - Rural/unincorporated areas: 541
 - City of La Pine: 120
 - City of Sisters: 114
- ✓ Completed major building plan reviews for:
 - Wetlands Taphouse in La Pine
 - Preble Way Mobile Home Park in La Pine
 - Sisters Coffee New Production Facility
 - McKenzie Meadows Village in Sisters
 - Oxbow Flats in Sisters
 - Replacement Crematorium at Deschutes Memorial Garden
 - Black Butte Ranch Lodge Dining Facility
- ✓ Obtained BOCC approval revising the process to legitimize undocumented residential structures (Resolution 2021-069).
- ✓ Facilitated the successful transition of field inspection staff to dispatch from home during a record breaking building season.
- ✓ Participated in SB 391—Rural ADU, legislative discussions.
- ✓ Coordinated local discussions regarding most recent building code updates.
- ✓ Participated in public, community and customer-specific education and outreach efforts such as Oregon Administrative Rule (OAR) 918-480-0125 Uniform Alternate Construction Standards for mitigation due to a lack of firefighting water supplies.
- ✓ Coordinated with State and County staff to promote and educate customers on how to apply for online permits and inspections.
- ✓ Continued succession planning, cross-training and technology investments to maintain and improve efficiencies.
- ✓ Continued to serve in regional and statewide leadership positions to support Deschutes County and Central Oregon interests.
- ✓ Transitioned staff to remote work locations while maintaining productivity and improving operational efficiencies.

2021 Year in Review, continued

- ✓ Actively participated in discussions relating to:
 - SB 762, Wildfire Mitigation, and forthcoming requirements to apply ORSC 327.4 to new development.
 - Newly created requirements for daycare and adult foster care facilities located in private residential homes.
 - Local contractors in regards to the new American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) ventilation requirements.
- ✓ Provided A-level electrical inspection services, electrical plan review and customer contact support for commercial and residential electrical questions for Jefferson County.

New Single Family Dwelling Permits

2022-23 Work Plan Projects

- Implement succession planning for future retirements and explore staffing needs due to unprecedented business needs and remote work options.
- Provide certification cross-training for all new hires to maintain the division's goal of having fully certified residential inspection staff.
- Explore options to reduce the carbon footprint associated with field inspection duties such as:
 - Alternative fuel options and All-Wheel Drive electric vehicles.
 - Charging stations for electric vehicles (one station per 2 vehicles).
- Work with Oregon e-Permitting to help test the new app for inspections prior to the roll out.
- Implement the use of drones and other technologies to accomplish high risk inspections such as:
 - Roof diaphragm nailing
 - Chimney Construction
 - PV Solar Installations
 - High lift concrete masonry unit (CMU) grouting
- Continue participation in SB 762, Wildfire Mitigation and the forthcoming process of implementing additional construction standards to reduce hazards presented by wildfire (Oregon Residential Specialty Code (ORSC) R327.4), and/or defensible space requirements into Deschutes County Code.
- Participate in SB 391 discussions regarding Rural ADUs in Deschutes County.
- Produce new informational brochures as required by OAR 918-020-0090 to help customers navigate code changes such as Energy Code and Daycare Facility updates.
- Host Chemeketa Community College Building Inspection Technology students for summer Cooperative Work Experience program which provides an opportunity to demonstrate the county's customer friendly, service-oriented approach as a regulatory agency.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet increasing service demands in a highly competitive market.

Overview

Code Compliance consists of five Code Compliance Specialists. The program is managed by the Coordinated Services Administrative Manager and is supported by a law enforcement deputy from the Sheriff's Office and CDD's operating divisions. The Code Compliance Division is responsible for investigating code violation complaints to ensure compliance with land use, onsite wastewater disposal, building and solid waste codes (by contract with the Solid Waste Department), and provides direct service on contract to the City of La Pine for solid waste violations. The program's overriding goal is to achieve voluntary compliance. If necessary, cases are resolved through Circuit Court, Justice Court or before a Code Compliance Hearings Officer proceeding. The program continues to adapt to the County's challenges of growth and diversification, incorporating new measures to ensure timely code compliance.

While voluntary compliance is the primary objective, an ever-growing number of cases require further code compliance action because of delayed correction or non-compliance. Through the refinement of departmental procedures for administrative civil penalty, Code Compliance is obtaining compliance from citations rather than court adjudication, resulting in greater cost recovery. A disconcerting trend is the need for County abatement in some cases. In abatement, the County corrects the violations. Abatement action is reserved for matters of chronic nuisance and public health and safety. In response to this trend, Code Compliance is closely coordinating with other County departments in the development and enactment of abatement plans.

2021 Year in Review

- ✓ During 2021, 788 new cases were received and 742 cases were resolved. This is a 10% decrease in new cases from the previous year.
- ✓ Implemented the Noxious Weed Program.
- ✓ Revised the Code Compliance Policy and Procedures Manual with direction from the BOCC.
- ✓ Continued to partner with County departments to resolve difficult cases. Coordination ensures efficient operations and avoids overlapping efforts, thus allowing staff to conduct a thorough investigation on behalf of community members.
- ✓ Provided staff with field safety classes in coordination with Deschutes County Sheriff's Office.
- ✓ Created an internal volunteer program to assist with clean up of properties in violation of Solid Waste codes.

2022-23 Work Plan Projects

- Analyze the compliance program in an effort to create efficiencies in how cases are assigned, managed and proceed through the compliance process.
- Enhance involvement in Oregon Code Enforcement Association (OCEA) next annual conference through presentation participation.
- Continue to improve training program for new hires to include training efficiencies.
- Update and revise the Standard Operating Procedures manual as processes change.

Code Compliance

2022-23 Work Plan Projects, continued

- Automate the process for medical hardship notification and out-of-compliance O&M contracts performed by administrative staff.
- Revise CDD's Voluntary Compliance Agreement and updating templates for Pre-Enforcement Notices to ensure clear communication.
- Explore ideas to ensure staff safety such as radio communication and purchase of safety tools.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet increasing service demands in a highly competitive market.

Coordinated Services

Overview

Coordinated Services consists of an Administrative Manager, one Administrative Supervisor, eleven Permit Technicians and two Administrative Support Technicians. The Coordinated Services Division provides permitting and “front line” direct services to customers at the main office in Bend as well as in the La Pine and Sisters city halls. While coordinating with all operating divisions, staff ensure accurate information is provided to the public, while minimizing wait times and ensuring the efficient operation of the front counter and online portal.

2021 Year in Review

- ✓ The Administrative Supervisor position created during the FY 22 budget process was through an internal recruitment.
- ✓ Permit Technicians continued to provide exceptional customer service during the pandemic.
- ✓ Continued to refine a more efficient staff training process.
- ✓ Continued updating the manual of Standard Operating Procedures as an additional resource for staff consistency and succession planning.
- ✓ Revised role of Administrative Support staff to include assistance with record maintenance and assistance to other operating divisions.
- ✓ Increased electronic permit submittals through public education and outreach to licensed professionals. During 2021, CDD received 49.4% of applications online in comparison to 39.7% in 2020.
- ✓ Transitioned submittal of commercial plans to online acceptance.
- ✓ As Accela continued to evolve and new tools became available, Deschutes County continued to be a statewide leader in offering training opportunities to customers and regional agency partners. Coordinated Services continued to hosted in-house and one-on-one training opportunities.
- ✓ Reopened satellite office locations in City of Sisters and City of La Pine.
- ✓ Implemented First Interstate Bank remote deposit feature in main office and satellite locations.
- ✓ Completed process to electronically scan building plans to property development records.
- ✓ The Oregon Building Officials Association awarded Jennifer Lawrence the Permit Technician of the Year award for exemplifying the best of the best in Oregon’s city and county building departments.

Coordinated Services

2022-23 Work Plan Projects

- Update and revise the Standard Operating Procedures manual as processes change.
- Continue to improve training program for new hires to include training efficiencies.
- Revise lead permit technician role.
- Transition submittals of residential plans to online acceptance.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet increasing service demands in a highly competitive market.

Environmental Soils

Overview

Environmental Soils consists of one Environmental Health Supervisor, two Environmental Health Specialists II, two Environmental Health Specialist I and one Permit Technician. The Environmental Soils Division regulates on-site wastewater treatment systems (septic) to assure compliance with state rules, and monitors environmental factors for public health and resource protection. They provide site evaluations, design reviews, permitting, inspections and education and coordination with the Oregon Department of Environmental Quality (DEQ) for onsite wastewater treatment and dispersal systems. Staff inspects sewage pumper trucks, reports on the condition of existing wastewater systems, maintains an O&M tracking system, provides the public with information on wastewater treatment systems and regulations and investigates sewage hazards to protect public health and the environment. Staff are also engaged in the proactive pursuit of protecting the groundwater in Deschutes County and continue to work with DEQ on permitting protective onsite wastewater systems in Southern Deschutes County.

2021 Year in Review

- ✓ Assessed 382 sites for onsite wastewater treatment and dispersal systems, an increase of 29.1% from 2020, and issued 1,846 permits and authorizations for new and existing onsite treatment and dispersal systems, an increase of 12% from 2020. Assessed sites included several new subdivisions. Applications continue to increase in complexity and technical requirements.
- ✓ Repaired 290 failing or substandard systems correcting sewage health hazards and protecting public health and the environment.
- ✓ Increased electronic permit submittal and inspection scheduling through outreach and education of customers, particularly licensed professionals. During 2021, the division received 43.2% of applications online compared to 43.6% in 2020.

Onsite Permits Issued

2021 Year in Review, continued

- ✓ Provided ten property owners in South County with rebates of \$3,750 per property for upgrading conventional onsite wastewater treatment systems to nitrogen-reducing pollution reduction systems.
- ✓ Provided assistance and information regarding onsite wastewater treatment systems in Terrebonne to Parametrix, engineering consultant, for the Terrebonne Sewer Feasibility Study.
- ✓ Coordinated with the City of Bend and DEQ staff regarding the septic to sewer program, and the impact on homeowners with onsite wastewater systems.
- ✓ Worked with DEQ on permitting protective onsite wastewater systems in South Deschutes County. Participated in dozens of variance hearings for modified advanced treatment systems on severely limited sites.
- ✓ Adapted to COVID-19 limitations by remote working, electronic permitting, computer technologies, electronic communications and deploying staff from home. Staff was able to sustain performance measures, permit and inspection turnaround times and maintain high service levels demonstrating resilience, team work and professionalism to continue to serve the community.
- ✓ Hired two new Environmental Health Specialist trainees to fill a vacancy and expand the team.

2022-23 Work Plan Projects

- Coordinate with DEQ for a South County Groundwater sampling event and funding of a planned existing network of wells.
- Train new staff trainees to become fully integrated team members knowledgeable about permitting, inspections and other onsite wastewater tasks.
- Work with DEQ staff on planning for and funding of long term and regular well sampling events approximately every 10 years to monitor changes in water quality in the aquifer.
- Apply for American Rescue Plan Act (ARPA) funding allocated to address problems related to failing and outdated septic systems through Oregon DEQ. If selected, work in coordination with NeighborImpact to implement and manage the grant program through 2026.
- Continue technical support as necessary toward the completion of the Terrebonne Sewer Feasibility Study.
- Participate in the Upper Deschutes Agricultural Water Quality Management Area Local Advisory Committee.
- Continue to participate in the City of Bend Storm Water Public Advisory Group and the Upper Deschutes Agricultural Water Quality Management Area Local Advisory Committee (Oregon Department of Agriculture).
- Provide financial assistance opportunities to South County property owners to upgrade conventional systems to nitrogen reducing pollution reduction systems through Nitrogen Reducing System Rebates and the NeighborImpact Non-conforming Loan Partnership.
- Review current groundwater protection policies for South County and continuing variance applications with DEQ onsite staff to ensure goals of water resource protection are addressed. Highest risk areas may require greater scrutiny.
- With development occurring in the Newberry Neighborhood in La Pine, review financial assistance programs for groundwater protection efforts. This may include creation of a financial advisory group process to include community members.
- Amend Deschutes County Code Chapter 11.12, Transferable Development Credit Program to implement changes from BOCC Resolution 2019-040.
- Coordinate with the Human Resources Department to evaluate, propose and implement strategies to attract and retain staff to meet increasing service demands in a highly competitive market.

Planning

Overview

Planning consists of one Planning Director, one Planning Manager, two Principal Planners, two Senior Planners, two Senior Long Range Planners, one Senior Transportation Planner, six Associate Planners, four Assistant Planners and one Administrative Assistant. The Planning Division consists of two operational areas: Current Planning and Long Range Planning. Current Planning processes individual land use applications and provides information to the public on all land use related issues. Long Range Planning addresses the future needs of the county through updates to the comprehensive plan, changes to the County Code and other special projects

Current Planning

Responsible for reviewing land use applications for compliance with Deschutes County Code (DCC) and state law, including zoning, subdivision and development regulations, and facilitating public hearings with Hearings Officers and the BOCC. Staff is also responsible for verifying compliance with land use rules for building permit applications and septic permits; coordinating with Code Compliance to respond to complaints and monitor conditions of approval for land use permits; performing road naming duties; providing assistance at the public information counter, over the telephone and via email; and addressing in the rural County and City of Redmond under contract.

Long Range Planning

Responsible for planning for the future of Deschutes County, including developing and implementing land use policy with the BOCC, Planning Commission, community and partner organizations. It is in charge of updating the County Comprehensive Plan and zoning regulations, coordinating with cities and agencies on various planning projects taking place in the region, including population forecasts with Portland State University and cities. Staff also monitors and participates in annual legislative sessions, and serves on numerous local, regional and statewide committees primarily focusing on transportation, natural resources, growth management and economic development.

Transportation Planning

Provides comments and expertise on land use applications, calculates System Development Charges (SDC's) as part of land use application review process or upon request; provides comments to the County's Risk Management Department regarding traffic issues for permitted events; participates in the annual County Capital Improvement Plan (CIP) process with the Road Department; applies for grants for enhanced bicycle and pedestrian facilities in coordination with the Bicycle and Pedestrian Advisory Committee (BPAC); participates in Oregon Department of Transportation (ODOT) funded refinement planning; coordinates road issues with Bureau of Land Management (BLM) and the United States Forest Service (USFS) for urban interface plans; and serves on several local and regional transportation committees, most notably BPAC, the Bend Metropolitan Planning Organization Technical Advisory Committee, and Central Oregon Area Commission on Transportation Technical Advisory Committee (TAC).

Floodplain & Wetlands Planning

Responsible for providing comments and expertise on land use applications, code compliance, and general property inquiries that require development, fill, or removal in mapped floodplain and wetland areas. Staff maintains certification as an Association of State Floodplain Managers (ASFPM) Certified Floodplain Manager to provide customers with up-to-date and accurate information regarding Federal Emergency Management Agency (FEMA) regulations, surveying requirements, and construction requirements. Coordination is frequently required with external agencies including FEMA, US Army Corps of Engineers, Oregon Department of State Lands, Oregon Department of Fish and Wildlife (ODFW), and USFS.

2021 Year in Review

- ✓ Counter coverage averaged 219 customer visits a month compared to 197 in 2020.
- ✓ Staff responded to 2,332 emails and 2,920 phone call inquiries. This equates to over 194 emails and 243 phone calls per month during 2021.
- ✓ Received 1,089 land use applications compared to 869 in 2020, an increase of 25.3% over prior year.
- ✓ The Planning Division received 27 non-farm dwelling applications compared with 29 for 2020.
- ✓ 18 final plats were recorded in 2021 or are in the process of being recorded, creating a total of 154 residential lots.
- ✓ Issued a Request for Proposal (RFP) for a Comprehensive Plan Update.
- ✓ The Planning Division continued to offer electronic meetings for pre-application, Hearings Officer, Historic Landmarks Commission, and Planning Commission proceedings. Significant efforts were made to ensure each body, applicants, and members of the public could utilize this new technology. Meetings were also available by phone. Staff utilized social distancing protocols when members of the public met in-person. Throughout this transition, the division continued to meet its performance measures related to processing land use applications.

Land Use Applications

Planning

2021 Year in Review, continued

Twenty (20) land use applications were reviewed by Hearings Officers in 2021 compared to 15 in 2020. They include:

- ✓ Caldera Springs Resort Final Master Plan
- ✓ Cell Tower (2 applications)
- ✓ Measure 49—Modification of Conditions
- ✓ Non-farm Dwelling (2 applications)
- ✓ Plan Amendment/Zone Change (2 applications)
- ✓ Private Air Strip
- ✓ Replacement Dwelling
- ✓ Sunriver Wastewater Treatment Facility
- ✓ Template Dwelling (3 applications)
- ✓ Thornburgh Destination Resort LUBA Remand
- ✓ Thornburgh Destination Resort Master Plan Modification
- ✓ Thornburgh Destination Resort Site Plan for Lodging
- ✓ Thornburgh Destination Resort Tentative Plat
- ✓ Variance
- ✓ Wildlife Area Dwelling Siting Requirement

The BOCC conducted 16 quasi-judicial land use hearings or proceedings in 2021 compared to 14 in 2020. Three involved appeals heard by the BOCC (*):

- ✓ Campground*
- ✓ Consideration of Appeal—Non-farm Dwelling (2 applications)
- ✓ Consideration of Appeal—Private Airstrip (2 applications)
- ✓ Consideration of Appeal—Replacement Dwelling
- ✓ Consideration of Appeal—Thornburg LUBA Remand
- ✓ Hydroelectric Facility*
- ✓ Improvement Agreement—Westgate Subdivision
- ✓ Noise Variance
- ✓ Reconsideration of a Tentative Plat*
- ✓ Redmond UGB Amendment—Affordable Housing Project
- ✓ Road Naming (4 applications)

Eleven (11) appeals were filed with the Land Use Board of Appeals (LUBA) in 2021, compared to 7 in 2020:

- ✓ Hydro Electric Facility
- ✓ Nonfarm Dwelling (2 applications)
- ✓ Plan Amendment / Zone Change
- ✓ Replacement Dwelling
- ✓ Tentative Plat
- ✓ Thornburgh Destination Resort—Tentative Plat & Site Plan
- ✓ Thornburgh Destination Resort—Quasi-Municipal Water right (4 applications)

2021 Year in Review, continued

The Planning Division processed two applicant-initiated Plan Amendment/Zone Changes and one zoning text amendment in 2021:

- ✓ Plan amendment and zone change for Exclusive Farm Use (EFU) property near 27th Street.
- ✓ Plan amendment and zone change for EFU property near the Bend Airport.
- ✓ Zoning text amendment to clarify slope setbacks in the Westside Transect Zone.

Legislative Amendments

The BOCC adopted:

- ✓ *Guest Ranch / Subdivision Road Design Amendments*—Staff-initiated legislative amendments to update the guest ranch sunset clause consistent with changes to state law and correct existing regulations related to subdivision road design requirements.
- ✓ *Housekeeping Amendments*—Staff-initiated legislative amendments to correct minor errors in the DCC.
- ✓ *Marijuana Housekeeping Amendments*—Staff-initiated legislative amendments to clarify existing regulations related to marijuana.
- ✓ *Marijuana Retail / Annual Inspection Amendments*— Staff-initiated legislative amendments to extend recreational marijuana retail hours of operation and modify annual reporting requirements for marijuana production businesses.
- ✓ *Westside Transect Amendments*— Applicant-initiated legislative amendments to clarify slope definition.

Grants

Certified Local Government Grant

Planning staff administered an 18-month \$11,500 Certified Local Government (CLG) Grant from the State Historic Preservation Office (SHPO) to assist Deschutes County with its historic preservation programs.

Technical Assistance Grant

Planning staff completed an 18-month \$12,000 Technical Assistance (TA) Grant from the Department of Land Conservation and Development (DLCD) to discuss WMAC recommendations and begin updating Goal 5 wildlife habitat inventories.

Transportation Growth Management Grant

Planning staff coordinated with the ODOT to execute a \$75,000 Transportation and Growth Management (TGM) Grant to update the Tumalo Community Plan and implement the rural trails portion of the Sisters Country Vision Action Plan.

Coordination with Other Jurisdictions, Agencies and Committees

Bicycle and Pedestrian Advisory Committee

BPAC met 12 times, commenting on regional Transportation System Plan (TSP) updates, trail connections between cities and recreation areas, bicycle and pedestrian safety issues and ODOT projects, among others.

Cascade East Transit

Served on stakeholder committee for Bend to Mt. Bachelor/Elk Lake Summer Shuttle.

Oregon Department of Transportation

Participated in Terrebonne Refinement Plan TAC; Parkway Facility Management Refinement Plan TAC; Wickiup Jct. Refinement Plan (with City of La Pine); Bend US 97 North Corridor Planning; TAC for potential US 97 interchange slightly north of Bend; quarterly meetings with ODOT, Road Dept., and cities of Bend and Sisters to review traffic modeling needs; participated in ODOT Highway Safety Plan goal setting; stakeholder committee for ODOT study on wildlife passages for US 20 between Bend and Santiam Pass; and served as Central Oregon representative to Governor's Advisory Committee on Motorcycle Safety.

Deschutes River Mitigation and Enhancement Committee

Convened a Deschutes River Mitigation and Enhancement Committee meeting to receive updates from ODFW and Central Oregon Irrigation District (COID).

2021 Year in Review, continued

Coordination with Other Jurisdictions, Agencies and Committees

City of Bend—Coordinated with City staff regarding:

- Bend Airport Master Plan.
- Bend Urban Growth Boundary (UGB) Amendment / HB 4079 / Affordable Housing Project.
- RFP for Real Property Disposition and Development for Simpson Property.
- Bend Metropolitan Planning Organization TAC.

City of La Pine—Coordinated with City staff regarding:

- Land use applications for effects on county road system.
- Wickiup Junction Refinement Plan.
- Preparing TGM grant to update the master plan for County-owned property in the Newberry Neighborhood.
- RFPs for Real Property Disposition and Development for Newberry Neighborhood Quadrant 2a and 2d.

City of Redmond—Coordinated with City staff regarding:

- Redmond UGB Amendment / HB 236 / Affordable Housing Pilot Project.

City of Sisters—Coordinated with City staff regarding:

- Implementing Sisters Country Vision Plan.

Deschutes County

- Participated in Special Transit Funding Advisory Committee to review grant applications and award funds for transit providers and social service agencies.
- Convened a Cannabis Advisory Panel per HB 3295.
- Provided updates to BOCC regarding Non-resource lands, Natural Resource Stewardship Position, SB 391 (Rural ADUs), SB 762 (Wildfire Mitigation), wildlife inventories produced by ODFW, and dark skies project.
- Provide updated to BOCC for RV park, manufactured home park, and campground expansions, and Agri-tourism opportunities.

Planning

2022-23 Work Plan Projects

Development Review

- Respond to phone and email customer inquiries within 48 to 72 hours.
- Issue all administrative (staff) decisions for land use actions that do not require prior notice within 21 days of determination of a complete application.
- Issue all administrative (staff) decisions for land use actions requiring prior notice within 45 days of determination of a complete application.
- Process Hearings Officer decisions for land use actions and potential appeals to the BOCC within 150 days per State law.
- Develop websites accessible to the public to view records associated with complex land use applications.
- Develop an interactive map for the Bend Airport that links land use approvals to specific structures and hangars.
- Develop an interactive map for destination resorts that links land use approvals to specific phases.

Comprehensive Plan Update

- Administer a multi-year process to update the Comprehensive Plan.
- Engage Terrebonne and Newberry County residents to determine if community plans, goals, and policies meet the current and future needs of the area and whether there is an interest and readiness for a community plan update.

Natural Resources

- *Natural Hazards*—Develop a work plan to amend the Comprehensive Plan and County Code requiring defensible space and fire-resistant building materials per SB 762 (2021, Wildfire Mitigation).
- *Wildlife Inventories*—Amend the Comprehensive Plan and Zoning Code to incorporate a new mule deer winter range inventory from ODFW.
- *Sage Grouse*—Participate as a cooperating agency with the Bureau of Land Management (BLM) to evaluate alternative management approaches to contribute to the conservation of the Greater Sage-grouse and sagebrush habitats on federal lands.

Transportation Growth Management (TGM) Grant

- Update the Tumalo Community Plan.
- Implement the rural trails portion of the Sisters Country Vision Action Plan.

Transportation Planning

- Amend Comprehensive Plan to incorporate TSP update in coordination with Road Department and ODOT.
- Process Road Naming requests associated with certain types of development on a semi-annual basis.

Planning

2022-23 Work Plan Projects, continued

Community Involvement Report

2021

Statewide Planning Goal 1, Citizen Involvement, requires cities and counties to create a citizen involvement program that provides opportunities for community participation in land use planning processes and decisions.

Land use legislation, policies and implementation measures made by Oregonians nearly 50 years ago helped shape Oregon's urban and rural environments. Likewise, choices made today will ultimately shape these areas in the future. Successful land use planning occurs through an open and public process that provides room for information gathering, analysis and vigorous debate. Deschutes County's Community Involvement program is defined in Section 1.2 of the Comprehensive Plan.

This chapter identifies the County Planning Commission as the committee for citizen involvement. It also contains the County's Community Involvement goal and corresponding five policies that comply with Goal 1. This report briefly discusses the noteworthy community involvement actions undertaken by the Planning Division in 2021. The report is intended to provide county residents and stakeholders with a tool to assess its effectiveness and offer additional suggestions the County can utilize to ensure that its diverse communities remain actively involved in land use planning discussions.

Q8 Why is preservation of Deschutes County and the City of Sisters' heritage important to you?

Answered: 26 Skipped: 1

#	RESPONSES	DATE
1	To include the past in the present and the future. However, the preservation should be balanced with cost and efficiency as well.	4/20/2022 8:11 AM
2	as the question says, it's our heritage	4/20/2022 7:42 AM
3	Because I am a resident of Deschutes County and heritage awareness and preservation are important to me.	4/12/2022 9:36 AM
4	Cultural resources are non-renewable resources. If the County and the public don't get on the same page about these resources and the value they hold, they run the risk of being destroyed or looted.	4/11/2022 1:07 PM
5	My district owns a historic property and the preservation of that property is important to us as it has significant historical value to the settlement of Deschutes county. On a personal note, it is important to preserve historic properties to educate and inform the community about our history so that history is not lost/forgotten.	4/11/2022 9:50 AM
6	The buildings tell the story of our heritage. It's harder to relate to it without seeing it with your own eyes. Plus, you can't replicate the beauty and craftsmanship of older buildings and that's good for residents and tourists who seek out genuine places to visit.	4/11/2022 8:59 AM
7	Historic preservation is a tangible way to recognize, honor and remember the unique history of Deschutes County and Sisters and will protect precious assets that cannot be replaced if they are destroyed.	4/8/2022 2:05 PM
8	Preserving heritage is important because it provides context and a better understanding of Deschutes County and the City of Sisters.	4/8/2022 8:06 AM
9	Our history is an important part of our region's story, particularly in cities.	3/28/2022 5:18 PM
10	Our community's heritage grounds us for the future. When you arrive in Bend and see the Old Mill smokestacks, you are reminded that the city has a logging past. We need more landmarks like these to ground our ever-changing identity.	3/28/2022 9:10 AM
11	You should not let the past disappear.	3/27/2022 9:33 PM
12	We always need to preserve history!	3/27/2022 8:02 AM
13	Historic properties serve as a story about our local past. Once gone from any existence, the memory and accurate history of a place also suffers.	3/26/2022 8:12 PM
14	its an important part of americana, and frankly they stand as testament that old homes withstand the years better than garbage trackhomes	3/25/2022 10:55 AM
15	There are a lot of interesting stories these places tell and lessons they teach. We could all benefit in some way from knowing more about them.	3/25/2022 10:25 AM
16	History informs what we do or don't do next	3/25/2022 10:21 AM
17	Central Oregon has grown so fast in the last few years. It is too easy for people to move here and not know anything about our past history.	3/25/2022 10:15 AM
18	I grew up here and have watched historic neighborhoods be slowly gentrified. Spaces of local history demolished and replaced by new, giant homes incongruous with vernacular architecture. Amazing natural areas that should be protected as sites of indigenous cultural heritage developed into suburbia tracks, or indiscriminately milked for their tourist sales value. Our community needs policy and policy advocates who can stand up for / help protect what makes this place special in the face of predatory developers.	3/25/2022 8:25 AM

22	It's the LAW It's what makes this area unique It's our heritage, not that of anywhere else	3/24/2022 2:55 PM
23	We have a lot to learn from these areas. We're in Klamath County, 2 miles from Deschutes County & have wagon trail ruts that lead to where?	3/24/2022 12:32 PM
24	Educational value	3/24/2022 11:49 AM
25	Help preserve the community diversity.	3/24/2022 11:03 AM
26	It is important to herald the qualities of Deschutes County that make the area unique. Central Oregon is a popular recreation area for non-residents, it is important that they understand the cultural and industrial heritage of the area so that is it not abused or neglected.	3/24/2022 8:37 AM

Q9 Please include any other comments, concerns, or recommendations related to historic preservation in rural Deschutes County and the City of Sisters.

Answered: 9 Skipped: 18

#	RESPONSES	DATE
1	It would be great to increase funding opportunities for people to designate their structures as historic. If we provide them a benefit we are more likely going to get more of our historic buildings saved. Otherwise, it will only be the folks who have a real sense of history saving their buildings and we probably don't have enough of those types of people.	4/11/2022 8:59 AM
2	Thank you for taking on this important work that is often overlooked.	4/8/2022 2:05 PM
3	The County should focus its preservation efforts inside the City of Sisters City limits.	3/28/2022 5:18 PM
4	Many historic resources require ongoing use to avoid languishing with time. We will need to allow structural modifications, energy upgrades, and interior refreshes of building to ensure they remain in good shape for future visitors and residents to enjoy.	3/28/2022 9:10 AM
5	The County story map is a fantastic resource, and hope other jurisdictions use it as well. Wish there will be more community involvement in preservation overall, not just when it serves one's own personal interests.	3/26/2022 8:12 PM
6	Let's celebrate milestone years for Deschutes County and its cities. Celebrate how we started and how we grew.	3/25/2022 10:15 AM
7	Please consider how white-washed the historic story that is being told about this place is. Where is the history about the first people of this land and their values? Predominately industrial history and preservation is put on display. This is not just deceptive, it is historical erasure.	3/25/2022 8:25 AM
8	There are opportunities to celebrate historic preservation: Most endangered places - Deschutes County May Preservation Month thru business publications Fete-ing refurbished commercial buildings (renovation is greener than taking things to the landfill): there should be a place holding in the Building a Better Central Oregon Updating the map so that the Lynch & Roberts sign is actually shown at the actual place where it is located, Do a Preservation Update: here's the status of this project X	3/24/2022 2:55 PM
9	Bring together all of the non-profits such as museums, genealogy groups and see how they can work together, share resources, etc. The genealogy society of Bend, is standing on it's last leg, but not due to funds only volunteers. They have a large amount of money that could be shared with other organizations.	3/24/2022 11:49 AM
