City Manager's Report.

CITY MANAGER REPORT

November 07, 2023

1. Makiki Drive – Notice to Proceed has been issued to contractor. The contract is for 60 days. The contractor is about 75% done with this project. The project should be completed before the December 17th contract end date.
2. Park Ten Road – The contract is for 270 Calendar Days with an end date of June 1, 2024. Currently on schedule. The contractor is continuing with installation of utilities. This includes the water, sewer, and electrical conduit. Currently temporary culverts are being used onsite.
3. Noma Drive Restoration – The contract is for 150 Calendar Days with an end date of February 7th. Currently on schedule. The contractor has completed the base installation for the new roadbed and is currently waiting for asphalt scheduling.
4. Phase 4 paving – All of the punch list items have been completed except for the adjustment of the pavement around the manhole on Bayou Dr. and the bird bath on Haleiwa Pl. HPS are scheduled to be onsite 11/6 to make those repairs.
5. Bond Paving Diamondhead Drive – The contract is for 150 Calendar Days with an end date of March 6th. The contractor has completed all milling for the project. Currently paving DH Drive North/West from the community center to the water tower. They will start paving the crossovers and roundabouts next week.
6. Kaleki Way – Project is still with the engineer to complete design.
7. Bayou Drive – Received 60% drawing from engineer last week. They will be reviewed and returned to the engineer for continued design.
8. Montjoy Creek – Engineer is working on the legal description for the 15-foot easement so a deed can be created. Final design is being completed.
9. Noma Drive Walking Trail – The city has applied for additional funding for this project with the MS Outdoor Stewardship Grant. This project will create a walking path from Noma Drive to Montjoy Creek.
10. Canal Dredging – The city has received a permit from USACE to allow for the canal dredging on the south side. The required workplan was generated by Covington Civil and submitted to MDEQ for their review in late August. MDEQ will in turn submit it to the RESTORE Council for final approval.

11. ARPA/GOMESA Projects – The following projects have been assigned to an engineering firm and are currently in the design phase.

- | | |
|--|---|
| a. Coon Branch – Chiniche | b. Koloa Steet @ Ala Moana – Chiniche |
