City Manager's Report.

CITY MANAGER REPORT

June 17, 2025

1. Kome Drive & Kalipekona Pond – The project is for 157 days with a current end date of July 17th. A walkthrough is scheduled for this week on the Kome Drive portion of the project. The contractor has one junction box that needed to be lowered. The dredging of Kalipekona Pond is continuing. If you see excessive mud/dirt on the roadway, please let me know. Due to the rain, the contractor is working weekends when the weather permits.
2. MDOT Projects – The work on the final ramp has an updated completion date of June 27th. The contractor is currently paving the ramp and will start the South roundabout. Lane shifts and delays are expected in this area.

3. Dog Park – The engineers have provided a drainage plan for the area. Public Works will start clearing the area to reroute the ditch as designed. The engineering firm is completing the updated drawings. Public works will continue clearing the site in preparation for construction.
 4. Paving 2025 – The project has a start date of June 23rd. Project is 90 days with a current end date of September 21st. All required paperwork has been received from the contractor. Also, a road paving schedule was issued. Residents have been contacted.
 5. Canal Dredging – The updated bid documents have been provided to MDEQ for their review. I am asking for permission to advertise on tonight's agenda once we receive final approval.
 6. Jourdan River Boardwalk – MDEQ is waiting on the lighting portion of the plans to complete the review of the final drawings. Once approved, bid documents will be prepared.
 7. Montjoy Creek – The engineer has sent the revised plans to MS DMR/USACE with the sediment trap updates. They are also working on an updated OPC.
 8. HMGP – Hazard Mitigation Grant Program
 - a. The generator project has been approved by FEMA. It is on tonight's agenda for your approval along with permission to advertise. The state is currently requesting a Period of Performance extension to add time to the disaster declaration to allow enough time for the city to complete the project.
 - b. Rostan is contacting the residents to start the process of property acquisition. All expenses will be a passthrough for the city.
 9. Coon Branch – The project start date was Monday. The weather has delayed the contractor. Project is 180 days with a current end date of December 13th.
 10. Bank Stabilization – **No update on this meeting.** The engineers are finalizing the analysis on the Phase 1 design. Phase one will cover the area from Diamondhead Drive North to Kalipekona Pond. The rear ditch will require additional easement for access.
 11. Rotten Bayou Nature Trail – **No update on this meeting.** The engineer has redesigned this project into five phases. The funding is already secured for phase 1. The engineer is working on the phase 1 design.
 12. Pelican Cove Drainage Project – **No update on this meeting.** The engineer has additional surveying to complete and will finalize the drawing for this project.
- The annual 4th of July Fireworks event will be held on July 3rd from 7:00 – 10:30 at Harbor Circle.
 - The swearing-in ceremony of the new council will be at 5:00pm on July 01, 2025, here in the council chambers.
 - Diamondhead City Council will host the Princesses of the Mississippi Deep Sea Fishing Rodeo on Sunday July 6th at The Club of Diamondhead.
 - I would like to Thank You both John Cumberland and Nancy Depreo for their time and service on the City Council.
 - I would also like to extend my gratitude to Cusick & Williams Law Firm for sponsoring tonight's reception.
