Presentation Agenda.

Council Comments.

1. The next Regular City Council meeting will be held May 3, 2022 in Council Chambers at City Hall.
2. The City's 10-Year Anniversary Celebration will be held at 5:30 p.m. on April 26th at City Hall.
3. Senator Phillip Moran provided a legislative update which included nearly \$4 million dollars in funding for the City. He also presented the Council with a letter with regard to the pest control and termite services being provided to the City at no charge for past five years to avoid the possible conflict of interest while former Councilmember Alan Moran served on the Council. He

asked that Council consider continuing those services with his company and reinstate payment for those services at combined annual and quarterly rate of \$982.00.

3. **Beau Vue II Drainage** - John Stein of Digital Engineering provided an update and proposed scope to alleviate flooding issues for property owners neighboring the subdivision. The plan was reviewed by council and general consensus was to proceed with next step authorized in the existing Master Agreement with Digital to begin the project design and bidding phases.

City Manager's Report.

1. **E. Aloha Drive Improvements** – The contractor is working hard on the E. Aloha improvements project. The project is divided into 3 segments for road closures. They are currently working on section 1. Please drive safely in this area while people are working. This project is scheduled to take 75 days.
2. **Cruisin The Coast** – We have established a steering committee for Cruisin the Coast. If anyone is interested in helping plan this great event, please let me know.
3. **4th of July Fireworks** – I am asking for authorization to sign the agreement with J&M Displays to provide a 20-minute, class C fireworks display on July 2 at 9pm. They will shoot the fireworks from the festival grounds on Airport Drive along Paradise Bayou. I am planning to invite 5 food trucks, a drink tent, and a band to play from 6-10pm. This will keep this a simple event for the city.
4. **Solid Waste Fees** – The Hancock Solid Waste Authority recently bid the contract for garbage collection services throughout the county. This includes Diamondhead. The contract with Waste Management is expiring April 30. The collection route in Diamondhead will not change; however, garbage will be required to be placed inside of the carts and not outside of carts. This new service is using a fully automated truck, and there will not be hoppers on the back of garbage trucks. Garbage collection companies are moving away from hoppers since it is hard to find workers and the risk of injuries. In addition, this new contract will provide twice a month grapple service for residents. The city will be divided into 4 zones, which will be passed on a set schedule. The motion on the agenda tonight increases the monthly rate to \$15.50 based on the price of the new contract. This will be effective June 1, 2022.
5. **Makiki Drainage** – As I noted at the last meeting, the city received the permit for Makiki Drainage, and I am asking for authorization to bid that project based on the report our engineer provided the council.
6. **Police Firearms** – The city purchased new 9MM pistols for the police officers. We have the old 45 pistol that is no longer needed. We would like to surplus these guns by selling these for \$200 each pursuant to MS Code 17-25-25 to a local Federal Firearms Licensed dealer.
7. **Surplus Equipment for Public Works** – As part of the FY22 budget, I am asking to surplus 3 pieces of equipment: a large dump truck, the Excavator and 30' triple axle trailer through an advertised bid for sale. This equipment is being replaced with a smaller dump truck and smaller backhoe.
8. **Backhoe Purchase** – I am asking for authorization to purchase a backhoe from Lyle Machinery using State Contract Pricing and the 6-year maintenance agreement. This is part of our FY22 budget.
9. **Senior Fair** – As part of our FY22 budget, we allocated funds for a senior fair. SMPDD has offered to provide \$2K sponsorship to help with this event. We did this a few years ago, and it was a huge

success. The date of the senior fair is scheduled for May 20. I would like to defer to Mayor Depreo to provide additional comments.
