Presentation Agenda.

- a. The next Regular Meeting of the City Council will be held Tuesday, August 5, 2025 at 6:00 p.m. in the Council Chambers located at City Hall.

City Manager's Report.

CITY MANAGER REPORT
July 15, 2025

1. Kome Drive & Kalipekona Pond – The project is currently for 157 days with a current end date of July 17th. A change order is being presented tonight for approval to extend the contract for 31 additional days due to weather delays experienced by the company. The new end date if

approved will be August 17, 2025. The project is nearing completion. The road damage incurred during this project will be addressed by the contractor.

2. MDOT Projects – The final ramp is complete and open. The contractor is nearing completion of the final roundabout and the final lift of asphalt. During this final phase, please drive carefully in the construction area as debris, lane shifts and delays are expected.
3. Dog Park – I have provided the engineer's final plans for you to look over. The FY26 budget will include the current donations. I would like to add an additional \$40,000 to next year's budget to complete the project. Public Works will continue clearing the land and will work to start clearing the area to reroute the ditch as designed.
4. Paving 2025 – The contractor has completed the base repairs along Bayou Drive. They will move to Lola Drive to start base repairs while the new material has time to settle. Project is 90 days with a current end date of September 21st. The contractor has been asked to keep the intersection of Bayou Drive and Diamondhead Drive clean of debris during construction. A complete schedule can be found on the city's website.
5. Coon Branch – The project is 180 days with a current end date of December 13th. The contractor has started the project and will work on the culvert between Koloa Street and Kahana Street.
6. Canal Dredging – The project is out for bid. All bids are due August 13, 2025.
7. Jourdan River Boardwalk – Our monthly meeting with MDEQ is scheduled for tomorrow. The final plans have been given to MDEQ for their review and comments. Once we have approval, we will request permission to advertise.
8. Montjoy Creek – The engineer has sent the revised plans to MS DMR/USACE with the sediment trap updates. We have a meeting scheduled for the 28th to discuss the project and finalize design and answer any final questions.
9. HMGP – Hazard Mitigation Grant Program.
 - a. The city conducted the reverse auction. We are currently reviewing them and will determine the next steps are with FEMA/MEMA. The state is currently requesting a Period of Performance extension to add time to the disaster declaration to allow enough time for the city to complete the project.
 - b. Rostan is trying to contact the last resident to determine if they are still interested in the buyout program. Once this is determined, new appraisals will be needed.
10. Bank Stabilization – **No update on this meeting.** The engineers are finalizing the analysis on the Phase 1 design. Phase one will cover the area from Diamondhead Drive North to Kalipekona Pond. The rear ditch will require additional easement for access.
11. Rotten Bayou Nature Trail – **No update on this meeting.** The engineer has redesigned this project into five phases. The funding is already secured for phase 1. The engineer is working on the phase 1 design.
12. Pelican Cove Drainage Project – **No update on this meeting.** The engineer has additional surveying to complete and will finalize the drawing for this project.

William Koscinski
112 Park Lane Drive
Long Beach, MS 39560

RE: Notice of Violation
10751 Limu Way, Diamondhead, MS 39525
Parcel # 067G-1-25-181.000

Dear William Koscinski:

This letter will serve as your official notification that the premises and exterior property at the above referenced location has not been maintained in a manner that is compatible and harmonious with properties in the general area (shrubs, bushes, high grass and weeds that exceed 6" in height,). In accordance with the International Property Maintenance Code, Section 302.4, "All premises and exterior property shall be maintained free from weeds and grass or plant growth in excess of 6".

Violations of one or more of the following laws, statutes, codes or ordinances were identified: Section 302.4, International Property Maintenance Code (IPMC).

The violations are as follows: Incompliance with exterior property maintenance requirements, IPMC Section 302.4.

Based on the violations identified, the City requests that you take the following corrective action:

Remove all shrubs, bushes, high grass and weeds that exceed 6" in height.

The City is asking that you please take the above action within the next **twenty (20)** days to prevent further action as set out in the paragraph below.

NOTICE OF HEARING

If you have not taken the above corrective actions within the **20** days provided, you are hereby given notice of and invited to attend a hearing before the Diamondhead City Council on **August 5th, 2025, at 6:00 PM** in the City Council chambers at 5000 Diamondhead Circle,

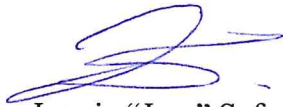

COPY

Item No.4.

Diamondhead, MS 39525, on the violations set forth above. At this hearing, the City Council will be asked to adjudicate that the subject property is in a state of uncleanness or a menace to the public health, safety and general welfare of the community. This adjudication will also authorize the City of Diamondhead to re-enter the property for a period of one (1) year without any further hearings if notice is posted on this property and at City Hall, 5000 Diamondhead Circle, Diamondhead, MS at least seven (7) days prior to re-entering the property for resolution of the same type of violation. In addition, the City Council will be asked to authorize advertisements for bids to perform the necessary corrective actions. All costs incurred will be assessed to your property taxes and/or posted to the Hancock County Judgment Rolls. Please contact our office at 228-222-4626, if you have any questions about this letter or if the requested corrective actions are taken within the TWENTY (20) days period to avoid our proceeding with a hearing on your property.

If you have any questions, please contact the Code Enforcement on 228-222-4626. Thank you in advance for your attention to this matter.

Sincerely,

Jasmin "Jazz" Seferovic

RE: Notice of Violation
 10751 Limu Way, Diamondhead, MS 39525
 Parcel # 067G-1-25-181.000

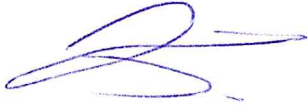

Dear William Koscinski:

Recently, it was noticed that the premises and exterior property at the above referenced location has not been maintained in a manner that is compatible and harmonious with properties in the general area (high grass and weeds that exceed 6" in height.) It is in violation of the City of Diamondhead Zoning Ordinance (Ordinance No. 2012-019), Section 16.7 – Care of Premises and Property, "...the general site and/or premises shall be maintained in general with particular reference to insuring that appearance will be and remain compatible and harmonious with properties in the general area and will not be so at variance with other properties in the general area as to cause a substantial depreciation of such property values. Also, in accordance with the International Property Maintenance Code, Section 302.4, 2012 edition, adopted by Ordinance of the City of Diamondhead, "All premises and exterior property shall be maintained free from weeds and grass or plant growth in excess of 6". All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants, and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens."

It is respectfully requested that you cut the grass and remove all weeds within (7) days from the date of this letter. **If you fail to comply, Mississippi Code 21-19-11 (cleaning of private property) will take place, and you will be given a date to appear at the Public Hearing before the City Council.** "Section 21-19-11 - Determination that property or parcel of land is menace; authorized municipal employee may make the determination that property or parcel of land is menace under certain circumstances; notification to property owner; hearing; cleaning private property; cost and penalty as assessment against property." Please contact this office once you have resolved the violation or have concerns regarding this matter. Thank you in advance.

Together, let's keep Diamondhead beautiful!

Sincerely,

Item No.4.

There came on for consideration at a meeting of the City Council of the City of Diamondhead, Mississippi, held on the **5th** day of **August, 2025**, the following Resolution:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DIAMONDHEAD, MISSISSIPPI, FINDING AND ADJUDICATING THAT THE HEREIN DESCRIBED PARCEL OF LAND ARE IN SUCH A STATE OF UNCLEANLINESS AS TO BE A MENACE TO THE PUBLIC HEALTH, SAFETY, AND WELFARE OF THE CITIZENRY OF THE CITY AND AUTHORIZING ADVERTISEMENT FOR BIDS OR TO OBTAIN QUOTE(S) TO HAVE SAID LAND CLEARED AND CLEANED AND TO ASSESS THE COSTS TO THE SAID PROPERTY

WHEREAS, the City Council of the City of Diamondhead, Mississippi, (the "City"), pursuant to Mississippi Code Annotated §21-19-11, 1972, as amended, finds, determines, and adjudicates, based upon the investigation of the City's Building Department, that the parcel of land described below are in such a state of uncleanness as to be a menace to the public health, safety, and welfare of the citizenry of the City; and

WHEREAS, said property, as described herein, are within the corporate boundaries of the City of Diamondhead, Hancock County, Mississippi; and

WHEREAS, the parcel investigated by the Building Department and recommended by the Building Official for adjudication as being in such a state of uncleanness including, high grass and shrubs, as to be a menace to the public health, safety and welfare of the citizenry of the City are identified as:

William Koscinski, 10751 Limu Way, Parcel number 067G-1-25-181.000, Diamondhead Subdivision Phase 1, Unit 4, Block 8, Lot 12.

WHEREAS, notice to the property owners was provided by the City pursuant to Mississippi Code Annotated §21-19-11, 1972, as amended, by mail to William Koscinski at 10751 Limu Way and 112 Park Lane Drive, Long Beach, Mississippi, notice posted on the bulletin boards at City Hall, and notice posted on the property at 10751 Limu Way by Code Enforcement Officer Jasmin Seferovic, all within Diamondhead, Mississippi; and

WHEREAS, the City Council of the City of Diamondhead further find, determine and adjudicate that advertisement for bids or obtaining quotes to clean the above referenced property should be made in the form and manner as provided by law; and

WHEREAS, the City Council further find, determine, and adjudicate that the cost of the lot cleanup shall not exceed the aggregate amount of \$20,000.00 per parcel per calendar year or the fair market value of the property subsequent to removal, whichever is less. Said amount including a penalty shall be assessed as a lien against said property as provided by law and shall be enrolled in the office of the Circuit Clerk of Hancock County, Mississippi, as other judgments are enrolled, and in the office of the Chancery Clerk of Hancock County, Mississippi; and

WHEREAS, the City Council of the City of Diamondhead further find, determine, and grant authority to the Building Department to re-enter the properties for a period of two (2) years without any further hearings if notice is posted on these properties and at City Hall, 5000 Diamondhead Circle, Diamondhead, Mississippi 39525, at least seven (7) days prior to re-entering the properties for resolution of the same type of violation.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE
CITY OF DIAMONDHEAD, MISSISSIPPI, AS FOLLOWS:**

SECTION 1. That the matters, facts, and things recited in the Preamble hereto are hereby adopted as the official findings of the Governing Authority.

SECTION 2. That the property at 10751 Limu Way, Diamondhead, Mississippi, be and hereby is declared to be a menace to the public health, safety, and welfare of the citizenry of the City of Diamondhead.

SECTION 3. The property owner is hereby given a minimum of **14** days to cure the menace on said property. If the property owner fails to cure the menace, that the City Clerk be and hereby is authorized to advertise for bids or obtain quote(s) and/or utilize city resources to cut and clean the property (remove all shrubs, bushes, high grass and weeds that exceed 6” in height) and remove all to a proper disposal site as described hereinabove and lying within the corporate boundaries of the City of Diamondhead, Hancock County, Mississippi.

SECTION 4. That the cost of cleanup of the herein described properties, including any penalty assessed, shall be a lien against said properties as provided by law and shall be enrolled in the office of the Circuit Clerk of Hancock County, Mississippi, and in the office of the Chancery Clerk of Hancock County, Mississippi.

SECTION 5. That the Council of the City of Diamondhead further find, determine, and hereby grant authority to the Building Department to re-enter the properties not more than five (5)

times for a period of two (2) years without any further hearings if notice is posted on these properties and at City Hall, 5000 Diamondhead Circle, Diamondhead, Mississippi 39525, at least seven (7) days prior to re-entering the properties for resolution of the same type of violation.

Councilmember _____ moved for the adoption of the Resolution, which was seconded by Councilmember _____.

RE: Notice of Violation
84584 Diamondhead Dr N
Parcel # 067M-1-35-142.000

Dear Justine A Whitby:

This letter will serve as your official notification that the premises and exterior property at the above referenced location has not been maintained in a manner that is compatible and harmonious with properties in the general area (shrubs, bushes, high grass and weeds that exceed 6" in height.). In accordance with the International Property Maintenance Code, Section 302.4, "All premises and exterior property shall be maintained free from weeds and grass or plant growth in excess of 6".

Violations of one or more of the following laws, statutes, codes or ordinances were identified: Section 302.4, International Property Maintenance Code (IPMC).

The violations are as follows: Incompliance with exterior property maintenance requirements, IPMC Section 302.4.

Based on the violations identified, the City requests that you take the following corrective action:

Remove all shrubs, bushes, high grass and weeds that exceed 6" in height.

The City is asking that you please take the above action within the next **twenty-one (21)** days to prevent further action as set out in the paragraph below.

NOTICE OF HEARING

If you have not taken the above corrective actions within the **21** days provided, you are hereby given notice of and invited to attend a hearing before the Diamondhead City Council on **August 5th, 2025, at 6:00 PM** in the City Council chambers at 5000 Diamondhead Circle,

COPY

Item No.5.

Diamondhead, MS 39525, on the violations set forth above. At this hearing, the City Council will be asked to adjudicate that the subject property is in a state of uncleanliness or a menace to the public health, safety and general welfare of the community. This adjudication will also authorize the City of Diamondhead to re-enter the property for a period of one (1) year without any further hearings if notice is posted on this property and at City Hall, 5000 Diamondhead Circle, Diamondhead, MS at least seven (7) days prior to re-entering the property for resolution of the same type of violation. In addition, the City Council will be asked to authorize advertisements for bids to perform the necessary corrective actions. All costs incurred will be assessed to your property taxes and/or posted to the Hancock County Judgment Rolls. Please contact our office at 228-222-4626, if you have any questions about this letter or if the requested corrective actions are taken within the TWENTY-ONE (21) days period to avoid our proceeding with a hearing on your property.

If you have any questions, please contact the Code Enforcement on 228-222-4626. Thank you in advance for your attention to this matter.

Sincerely,

Jasmin "Jazz" Seferovic
Code Enforcement Officer

RE: Notice of Violation
84584 Diamondhead Dr N
Parcel # 067M-1-35-142.000

Dear Justine A Whitby:

Recently, it was noticed that the premises and exterior property at the above referenced location has not been maintained in a manner that is compatible and harmonious with properties in the general area (high grass and weeds that exceed 6" in height.) It is in violation of the City of Diamondhead Zoning Ordinance (Ordinance No. 2012-019), Section 16.7 – Care of Premises and Property, "...the general site and/or premises shall be maintained in general with particular reference to insuring that appearance will be and remain compatible and harmonious with properties in the general area and will not be so at variance with other properties in the general area as to cause a substantial depreciation of such property values. Also, in accordance with the International Property Maintenance Code, Section 302.4, 2012 edition, adopted by Ordinance of the City of Diamondhead, "All premises and exterior property shall be maintained free from weeds and grass or plant growth in excess of 6". All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants, and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens."

It is respectfully requested that you cut the grass and remove all weeds within (7) days from the date of this letter. **If you fail to comply or repeat violation, a citation will be issued, and you will be given a date to appear at the City's Municipal Court.** If the City's Municipal Court determines you are in violation of this ordinance, you could be found guilty of a misdemeanor and sentenced up to 90 days in jail and/or a \$1,000.00 fine per day for each violation. Please contact this office once you have resolved the violation or have concerns regarding this matter. Thank you in advance for your attention to this matter. **Together, let's keep Diamondhead beautiful!**
Sincerely,

RE: Notice of Violation
 84584 Diamondhead Dr N
 Parcel # 067M-1-35-142.000

Dear Justine A Whitby:

Recently, it was noticed that the premises and exterior property at the above referenced location has not been maintained in a manner that is compatible and harmonious with properties in the general area (high grass and weeds that exceed 6" in height.) It is in violation of the City of Diamondhead Zoning Ordinance (Ordinance No. 2012-019), Section 16.7 – Care of Premises and Property, "...the general site and/or premises shall be maintained in general with particular reference to insuring that appearance will be and remain compatible and harmonious with properties in the general area and will not be so at variance with other properties in the general area as to cause a substantial depreciation of such property values. Also, in accordance with the International Property Maintenance Code, Section 302.4, 2012 edition, adopted by Ordinance of the City of Diamondhead, "All premises and exterior property shall be maintained free from weeds and grass or plant growth in excess of 6". All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants, and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens."

It is respectfully requested that you cut the grass and remove all weeds within (7) days from the date of this letter. **If you fail to comply or repeat violation, a citation will be issued, and you will be given a date to appear at the City's Municipal Court.** If the City's Municipal Court determines you are in violation of this ordinance, you could be found guilty of a misdemeanor and sentenced up to 90 days in jail and/or a \$1,000.00 fine per day for each violation. Please contact this office once you have resolved the violation or have concerns regarding this matter. Thank you in advance for your attention to this matter. **Together, let's keep Diamondhead beautiful!**
 Sincerely,

Jasmin "Jazz" Seferovic
 Code Enforcement Officer

There came on for consideration at a meeting of the City Council of the City of Diamondhead, Mississippi, held on the **5th** day of **August, 2025**, the following Resolution:

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF DIAMONDHEAD, MISSISSIPPI, FINDING AND ADJUDICATING THAT THE
HEREIN DESCRIBED PARCEL OF LAND ARE IN SUCH A STATE OF
UNCLEANLINESS AS TO BE A MENACE TO THE PUBLIC HEALTH, SAFETY,
AND WELFARE OF THE CITIZENRY OF THE CITY AND AUTHORIZING
ADVERTISEMENT FOR BIDS OR TO OBTAIN QUOTE(S) TO HAVE SAID LAND
CLEARED AND CLEANED AND TO ASSESS THE COSTS TO THE SAID
PROPERTY**

WHEREAS, the City Council of the City of Diamondhead, Mississippi, (the "City"), pursuant to Mississippi Code Annotated §21-19-11, 1972, as amended, finds, determines, and adjudicates, based upon the investigation of the City's Building Department, that the parcel of land described below are in such a state of uncleanliness as to be a menace to the public health, safety, and welfare of the citizenry of the City; and

WHEREAS, said property, as described herein, are within the corporate boundaries of the City of Diamondhead, Hancock County, Mississippi; and

WHEREAS, the parcel investigated by the Building Department and recommended by the Building Official for adjudication as being in such a state of uncleanliness including, high grass and shrubs, as to be a menace to the public health, safety and welfare of the citizenry of the City are identified as:

Justine A. Whitby, 84584 Diamondhead Drive North, Parcel number 067M-1-35-142.000, Diamondhead Subdivision Phase 2, Unit 11, Block 11, Lot 59.

WHEREAS, notice to the property owners was provided by the City pursuant to Mississippi Code Annotated §21-19-11, 1972, as amended, by mail to Justine A. Whitby, 84584 Diamondhead Drive, Diamondhead, Mississippi, notice posted on the bulletin boards at City Hall, and notice posted on the property at 84584 Diamondhead Drive North by Code Enforcement Officer Jasmin Seferovic, all within Diamondhead, Mississippi; and

WHEREAS, the City Council of the City of Diamondhead further find, determine and adjudicate that advertisement for bids or obtaining quotes to clean the above referenced property should be made in the form and manner as provided by law; and

WHEREAS, the City Council further find, determine, and adjudicate that the cost of the lot cleanup shall not exceed the aggregate amount of \$20,000.00 per parcel per calendar year or the fair market value of the property subsequent to removal, whichever is less. Said amount including a penalty shall be assessed as a lien against said property as provided by law and shall be enrolled in the office of the Circuit Clerk of Hancock County, Mississippi, as other judgments are enrolled, and in the office of the Chancery Clerk of Hancock County, Mississippi; and

WHEREAS, the City Council of the City of Diamondhead further find, determine, and grant authority to the Building Department to re-enter the properties for a period of two (2) years without any further hearings if notice is posted on these properties and at City Hall, 5000 Diamondhead Circle, Diamondhead, Mississippi 39525, at least seven (7) days prior to re-entering the properties for resolution of the same type of violation.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE
CITY OF DIAMONDHEAD, MISSISSIPPI, AS FOLLOWS:**

SECTION 1. That the matters, facts, and things recited in the Preamble hereto are hereby adopted as the official findings of the Governing Authority.

SECTION 2. That the property at 84584 Diamondhead Drive North, Diamondhead, Mississippi, be and hereby is declared to be a menace to the public health, safety, and welfare of the citizenry of the City of Diamondhead.

SECTION 3. The property owner is hereby given a minimum of **14** days to cure the menace on said property. If the property owner fails to cure the menace, that the City Clerk be and hereby is authorized to advertise for bids or obtain quote(s) and/or utilize city resources to cut and clean the property (remove all shrubs, bushes, high grass and weeds that exceed 6" in height) and remove all to a proper disposal site as described hereinabove and lying within the corporate boundaries of the City of Diamondhead, Hancock County, Mississippi.

SECTION 4. That the cost of cleanup of the herein described properties, including any penalty assessed, shall be a lien against said properties as provided by law and shall be enrolled in the office of the Circuit Clerk of Hancock County, Mississippi, and in the office of the Chancery Clerk of Hancock County, Mississippi.

SECTION 5. That the Council of the City of Diamondhead further find, determine, and hereby grant authority to the Building Department to re-enter the properties not more than five (5)

times for a period of two (2) years without any further hearings if notice is posted on these properties and at City Hall, 5000 Diamondhead Circle, Diamondhead, Mississippi 39525, at least seven (7) days prior to re-entering the properties for resolution of the same type of violation.

Resolution 2025-038
Agenda Item 2025-182

RESOLUTION AUTHORIZING THE MAYOR AND CITY COUNCIL (THE "GOVERNING BODY") OF THE CITY OF DIAMONDHEAD, MISSISSIPPI (THE CITY), TO VACATE AND/OR ABANDON A 5' DRAINAGE/UTILITY EASEMENT ON EACH SIDE OF THE COMMON PROPERTY LINE BETWEEN LOTS 12 AND 21, DIAMONDHEAD PHASE 1, UNIT 2A, BLOCK 8 HANCOCK COUNTY LOCATED WITHIN THE CITY

WHEREAS the Mayor and City Council (the Governing Body) of the City of Diamondhead, Mississippi (the City), acting for and on behalf of the City, hereby finds and determines as follows:

1. The City currently has a 5' drainage/utility easement on each side of the common property line between lots 12 and 21, Diamondhead Phase 1, Unit 2A, Block 8.
2. Jacob Donnelly is the owner of Lots 12 and 21, Diamondhead Phase 1, Unit 2A, Block 8. The parcel number is 068R-3-41-192.000. The physical address is 73661 Diamondhead Drive North.
3. Further, the City hereby abandons and/or vacates the drainage/utility easements for the full width and length as petitioned except for the front and rear drainage and utility easement. These drainage/utility easements are 5' drainage and utility easements on each side of the common property line between lots 12 and 21, Diamondhead Phase 1, Unit 2A, Block 8.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY, AS FOLLOWS:

4. SECTION 1. That the Governing Body of the City will hereby abandon the selected drainage/utility easements with respect to lots 12 and 21, Diamondhead Phase 1, Unit 2A, Block 8, described in bullet #3. The Diamondhead Public Works, Diamondhead Water & Sewer District and CEPA do not have any objections.

SECTION 2. It is agreed and understood that Jacob Donnelly will be responsible for the filing of all necessary documents with the Chancery Clerk of Hancock County, Mississippi.

INTERGOVERNMENTAL TRANSFER OF ASSET AGREEMENT BETWEEN THE CITY
OF DIAMONDHEAD, MISSISSIPPI AND THE COUNTY OF HANCOCK, MISSISSIPPI

This Intergovernmental Agreement (this "Agreement"), made by and between the City of Diamondhead, MS and the County of Hancock, Mississippi ("Hancock County") is effective as of the 5th day of August 2025.

WHEREAS, the City currently has a fleet of vehicles which is no longer being used or needed for the City of Diamondhead purposes described as follows:

2010 Ford Crown Victoria VIN# 2FABP7BV6AX116155

WHEREAS, Hancock County is in need of the vehicle for use to support the Hancock County Sheriff's Office and

WHEREAS, the City of Diamondhead has made findings on its minutes that the aforementioned vehicle is no longer needed for its purposes, has declared the vehicle surplus, and has made a finding that transferring the vehicle to the County for less than fair market value will be to the benefit of the citizens of the State of Mississippi, and particularly to the citizens of Hancock County, Mississippi, lessening the County's recurring expenses for vehicles and providing to the County use of the vehicle for its services; and

WHEREAS, Hancock County and City of Diamondhead have negotiated the transfer of the aforementioned vehicle and City of Diamondhead is willing to transfer the vehicles to Hancock County for \$1.00; and

WHEREAS, Hancock County joins in the aforementioned findings made by City of Diamondhead and enters this Agreement for the adequate consideration stated herein, with both entities acknowledging and finding that the transfer is in the best interest of the taxpayers of the State of Mississippi, and will best and more fully provide for the public health, safety and welfare of those citizens;

IT IS THEREFORE AGREED AS FOLLOWS, that the City of Diamondhead, Mississippi and the County of Hancock, Mississippi find the above and foregoing factual averments to be true and correct, and for that and the other consideration discussed herein, and with both entities agreeing and acknowledging the adequacy of that consideration and the findings of fact herein, the City of Diamondhead and Hancock County agree as follows:

1. Diamondhead hereby agrees to transfer the aforementioned vehicle to Hancock County in return for \$1.00 payment from Hancock County, the sufficiency and adequacy of which is hereby acknowledged. The purpose of this agreement is to fulfill the benefits to

Hancock County Sheriff's Office of more effective coverage and use of public assets to the citizens and taxpayers of the State of Mississippi.

THIS AGREEMENT AND RESOLUTION is entered into by the City of Diamondhead, Mississippi and the County of Hancock, Mississippi and adopted as fact findings with the agreement effective on this the ____ day of _____.

COUNTY OF HANCOCK, MISSISSIPPI

BY: _____
BOARD PRESIDENT

CITY OF DIAMONDHEAD, MISSISSIPPI

Mr. Jon McCraw
City Manager
City of Diamondhead
5000 Diamondhead Circle
Diamondhead, MS 39525

**Re: Pay Application #5
Kome Drive and Kalipekona Pond Drainage Project
JLB Contractors, LLC**

Dear Mr. McCraw:

Enclosed, please find Pay Application #5 to be considered for approval by the City Council at the next meeting. The Application includes the period from 06/01/2025 to 06/30/2025. At the end of the application period, we are approximately 68% complete on contract value and 74% on contract time.

I have reviewed this pay application and find that it is an accurate request according to the amount of work that has been completed since the project began. With that said, I recommend that the Council approve payment to JLB Contractors, LLC, in the amount of \$220,447.50. Please do not hesitate to contact me should you have any questions.

Sincerely,

COVINGTON CIVIL & ENVIRONMENTAL, LLC

Nathan Long

Nathan Long, E.I.
Project Engineer

Mr. Jon McCraw
City Manager
City of Diamondhead
5000 Diamondhead Circle
Diamondhead, MS 39525

**Re: Pay Application #1
Diamondhead Paving Project 2025
Gulf Pride Paving, LLC**

Dear Mr. McCraw:

Enclosed, please find Pay Application #1 to be considered for approval by the City Council at the next meeting. The Application includes the period from 6/23/2025 to 7/15/2025. At the end of the application period, we are approximately 20% complete on contract value and 25% on contract time.

I have reviewed this pay application and find that it is an accurate request according to the amount of work that has been completed since the project began. With that said, I recommend that the Council approve payment to Gulf Pride Paving, LLC, in the amount of \$146,573.60. Please do not hesitate to contact me should you have any questions.

Sincerely,

COVINGTON CIVIL & ENVIRONMENTAL, LLC

A handwritten signature in black ink, appearing to read "Sarah McLellan". The signature is fluid and cursive, with the first and last names being more prominent.

Jay & Philman,

I am asking that you approve to transfer the remaining grant balances of \$256,960.05 in the two project below to our Montjoy Creek Project. Please respond to all in the email if you approve.

Noma Drive Project (FY24-P510-11) is complete, and the grant balance remaining is \$11,456.72.

Lily Pond (FY25-P510-01) is complete with remaining grant balance of \$245,503.33.

Thanks,

Jon McCraw

RE: City of Diamondhead – Commercial District Transformation Project – GCRF Amended Grant Agreement

Dear Mayor Liese:

Attached is the amended grant agreement relative to the Commercial District Transformation Project. Please **execute and notarize two (2) copies of the agreement**, returning them to the Mississippi Development Authority (MDA) at the address in the instructions included herein for signature. MDA will then return final executed copies to you once all parties have signed the agreement.

The grant funds will be disbursed on a reimbursement or services-rendered basis. Please note that section 2 of the grant agreement stipulates that all documentation for disbursements must be received by **June 30, 2026**.

If you have questions or need additional information, please contact me at (601) 359-2058 or email swright@mississippi.org, respectively.

Sincerely,

Sarah Wright

**MISSISSIPPI DEVELOPMENT AUTHORITY
GULF COAST RESTORATION FUND PROGRAM**

**SECOND AMENDED AND RESTATED
GRANT AGREEMENT**

**City of Diamondhead
Hancock County, Mississippi
GCRF-23-05**

This Second Amended and Restated Grant Agreement ("Agreement"), dated as of July 1, 2025, by and between the Mississippi Development Authority (acting for and on behalf of the State of Mississippi ("MDA") and the City of Diamondhead as set forth in Item 1 of Annex A (the "Entity")

W I T N E S S E T H:

WHEREAS, the Gulf Coast Restoration Fund, Section 57-119-1, Mississippi Code of 1972, as amended, was created for the purpose of funding programs or projects that are located in the Gulf Coast region as defined in the federal RESTORE Act, or twenty-five (25) miles from the northern boundaries of the three (3) coastal counties of Harrison, Hancock and Jackson, but not limited to expand beyond the boundaries of Hancock, Harrison, Jackson, Pearl River, Stone and George Counties; and

WHEREAS, these funds are provided for assistance to local units of government, nongovernmental organizations, institutions of higher learning, community colleges, ports, airports, public-private partnerships, private for-profit entities, private nonprofit entities and local economic development entities; and

WHEREAS, MDA is authorized to administer the Gulf Coast Restoration Fund monies upon appropriation by the Legislature; and

WHEREAS, pursuant to Section 1 of Senate Bill 3047 2023 Regular Session of the Mississippi Legislature, the Legislature appropriated Two Million Dollars (\$2,000,000) to assist the City of Diamondhead with its Commercial District Transformation Project; and

WHEREAS, pursuant to Section 1 of Senate Bill 3057 2024 Regular Session of the Mississippi Legislature, the Legislature reappropriated Two Million Dollars (\$2,000,000) to assist the City of Diamondhead with its Commercial District Transformation Project; and

WHEREAS, pursuant to Section 1 of Senate Bill 2047 2025 First Extraordinary Session of the Mississippi Legislature, the Legislature reappropriated Two Million Dollars (\$2,000,000) to assist the City of Diamondhead with its Commercial District Transformation Project; and

WHEREAS, pursuant to the Gulf Coast Restoration Fund Act, Section 57-119, Mississippi Code of 1972, as amended, and the Gulf Coast Restoration Fund Regulations (the "Regulations") adopted by MDA, the Entity has filed an application (the "Application") with MDA for a grant to be used for the development of the Project, more particularly described in Item 2A of Annex A (the "Project"); and

WHEREAS, based upon the Application and other relevant factors, MDA has agreed to provide the Entity with a grant under the Gulf Coast Restoration Fund in the amount set forth in Item 3B of Annex A (the "Grant") under the terms and conditions set forth in Item 4 of Annex A, in order to fund, in part, and develop the Project; and

WHEREAS, in order to receive any funds, the Entity shall comply with the requirements of the Line-Item Appropriation Transparency Act, Section 27-104-351, Mississippi Code of 1972, as amended; and

WHEREAS, the Entity has committed to use the Grant funds for the Project; and

WHEREAS, the Project satisfies the provisions of the Gulf Coast Restoration Fund and the Regulations; and

WHEREAS, the parties hereto agree that it is necessary to provide for and demonstrate compliance with the provisions of the Act;

NOW, THEREFORE, KNOW ALL PERSONS BY THESE PRESENTS, that the parties hereto intend to be legally bound hereby and in consideration of the mutual covenants hereinafter contained do hereby agree as follows:

Section 1. Grant. MDA hereby agrees to make to the Entity and the Entity hereby agrees to accept from MDA a Grant pursuant and subject to the terms of this Agreement and the Gulf Coast Restoration Fund as set forth in Annex A. The Entity hereby agrees that it will apply the proceeds of the Grant only to the costs of the Project as more fully described in the Application. The Grant shall be disbursed by MDA to the Entity in installments as provided in this Agreement pursuant to Item 4 of Annex A. MDA's obligation to make the Grant and to disburse the Grant in installments shall be subject to all of the terms and conditions of this Agreement and the Entity satisfying all of its obligations under this Agreement and the Gulf Coast Restoration Fund.

Section 2. Disbursements. The obligation of MDA to make any disbursement of the Grant shall be subject to the following conditions, as well as any others herein set forth:

- a. the Entity shall not be in default under this Agreement or the Gulf Coast Restoration Fund; and
- b. funds appropriated by the Mississippi Legislature; and
- c. the development of the Project shall have progressed at a rate and in a manner reasonably satisfactory to MDA; and
- d. the receipt by MDA of a certificate of a representative of the Entity in the form set forth in Section 3 hereof and the notice required of the Entity set forth in Section 4 hereof for such disbursement in a form satisfactory to MDA. If the Entity fails at any time to meet the conditions precedent to any disbursement of the Grant as specified in the preceding sentence, the obligation of MDA to make further disbursements in connection with the grant shall cease until such time as such condition precedent is met and satisfied. The parties hereto agree that disbursements by MDA to the Entity of the Grant shall be made by June 30, 2026. Any portion of the grant funds not disbursed before June 30, 2026 will be subject to reappropriation by the Legislature in subsequent years until the project is complete.

Section 3. Conditions. A condition precedent to all disbursements of the Grant shall be the delivery of a certificate of a representative of the Entity to the effect that:

- a. to the best of its knowledge, the representations and warranties of the Entity contained in this Agreement are true and correct as of the date of the disbursements with the same effect as if made on the date of such disbursements; and
- b. this Agreement has been duly authorized, executed and delivered by the Entity and constitutes a legal, valid and binding obligation of the Entity enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally and except to the extent that the enforceability of the rights set forth herein may be limited by the availability of any particular remedies; and
- c. this Agreement has not been amended or supplemented or modified since the date of its execution and remains in full force and effect as of the date of the disbursement; and
- d. the authorization, execution and delivery of this Agreement by the Entity, and compliance by the Entity with the provisions hereof, will not conflict with or constitute a breach or default of the Entity's duties hereunder or under any law, administrative regulation, court decree, resolution, charter, bylaw or other agreement to which the Entity is subject or by which it is bound; and
- e. there is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body pending or, to the best of its knowledge, after reasonable investigation and due inquiry, threatened against the Entity in any way contesting or affecting the validity of this Agreement or contesting the powers of the Entity to enter into or perform its obligations under this Agreement.

Section 4. Requisitions. A condition precedent to all disbursements of the Grant shall be the presentation to the State Treasurer of a warrant issued by the Department of Finance and Administration of the State or its successor to such duties, which warrant shall be issued under proper requisition signed by the Executive Director of MDA, all pursuant to Section 57-119-1(1). Warrants may only be issued for costs and expenses that are authorized by the Gulf Coast Restoration Fund and the Regulations. No requisition shall be executed by the Executive Director of MDA until the following shall have been satisfied:

- a. The Entity shall have provided MDA with reasonable written notice of the amount of the Grant disbursement requested by the Entity. Such notice shall contain all information necessary to enable MDA to prepare the requisition for a warrant described in this Section 4 including, without limitation, the name and title of the requesting representative of the Entity, the name of the party to be reimbursed

and a description of the work product or service. In addition, such notice shall certify that the amount requested is the just amount due at the current time, is for a work product or service which has heretofore been delivered or performed and that all statutory requirements in connection with the acquisition of such work product or service have been complied with by the Entity; and

- b. The Entity must provide quarterly reports on the approved reporting form provided by MDA, due January 15, April 15, July 15 and October 15 on the status of the project. The report must include a written description and an itemized report detailing the expenditure of funds or the intended expenditure of any funds that have not been spent; and
- c. The Entity must provide proof of all non-grant funds expended on the project to ensure that GCRF funds are proportionately spent in relation to the total project cost share outlined in the Application; and
- d. MDA shall have indicated in writing its approval of the request for the Grant disbursement; and
- e. Disbursement of any funds shall be contingent upon the Entity complying with the quarterly reporting requirements; and
- f. A final written itemized report on the approved form provided by MDA must be timely submitted when all state funds have been spent.

Section 5. Representations of MDA. MDA makes the following representations as the basis for the undertakings on the part of the Local Sponsor herein contained:

- a. MDA is an agency of the State and is authorized pursuant to the provisions of the Gulf Coast Restoration Fund and the Regulations to enter into the transactions contemplated by this Agreement.
- b. MDA has full power and authority to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder.
- c. MDA has been duly authorized to execute and deliver this Agreement and by proper action has duly authorized the execution and delivery hereof and as to MDA, this Agreement is valid and legally binding and enforceable in accordance with its terms except to the extent that the enforceability thereof may be limited:
 - (1) by bankruptcy, reorganization, or other similar laws limiting the enforceability of creditors' rights generally; or
 - (2) by the availability of any discretionary equitable remedies.

Section 6. Representations of the Entity. The Entity makes the following representations as a basis for the Grant and the undertakings on the part of MDA, herein contained:

- a. The Entity has all necessary power and authority to enter into and perform its duties under this Agreement and, when executed and delivered by the respective parties hereto, this Agreement will constitute a legal, valid and binding obligation of the Entity enforceable in accordance with its terms except to the extent that the enforceability of the rights set forth herein may be limited:
 - (1) by bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally
 - (2) by the validity of any particular remedy.
- b. The execution and delivery of this Agreement and compliance with the provisions hereof will not conflict with, or constitute a breach of or default under, the Entity's duties under any law, administrative regulation, court decree, resolution, charter, bylaws or other agreement to which the Entity is subject or by which it is bound.
- c. There is no consent, approval, authorization or other order of, filing with, or certification by, any regulatory authority having jurisdiction over the Entity required for the execution, delivery or the consummation by the Entity of any of the transactions contemplated by this Agreement and not already obtained.
- d. There is no action, suit proceeding or investigation at law or in equity before or by any court or governmental agency or body pending or, to the best knowledge of the Entity, after reasonable investigation and due inquiry, threatened against the Entity in any way contesting or affecting the validity of this Agreement or contesting the powers of the Entity to adopt, enter into or perform its obligations under this Agreement or materially and adversely affecting the properties or condition (financial or otherwise) or existence or powers of the Entity.
- e. The Entity will not discriminate against any employee or any applicant for employment because of race, religion, color, national origin, sex or age.
- f. The Entity shall comply with the terms and provisions of this Agreement and the Act and specifically with the terms set out in Item 4 of Annex A.
- g. The Entity certifies that all of the material information contained in the Application is true and correct as of the date of the Application and the date of this Agreement. The Entity acknowledges that MDA,

in making the Grant, is relying upon the truthfulness and correctness of the material information contained in the Application. The Entity further acknowledges that MDA must account for the proper use of funds based on the information in the Application.

- h. The Entity acknowledges that MDA will recover any expended grant funds if the assistance provided was based upon fraudulent information or if the recipient of the assistance fails to meet the performance requirements established by the Entity and MDA and referenced in the Annex A.
- i. The Entity represents and warrants that it will further the purposes of the Act.
- j. Upon request of the MDA or the Office of the State Auditor, the Entity will provide reasonable verification of its compliance with the performance metrics as set out in Annex A. Additionally, the Entity will cooperate fully with MDA and/or the Office of the State Auditor in performing audits from time to time to determine the Entity's compliance with the provision of this Agreement. The Entity further agrees that MDA and/or the Office of the State Auditor shall have the right to inspect books, records, plans and other data related to the Project.
- k. The Entity shall follow General Auditing Standards for financial and other record retention requirements.
- l. The Entity shall comply with the following requirements and responsibilities: enroll in the E-Verify program; display the E-Verify participation posters (English & Spanish) in prominent places that are visible to prospective employees and all employees who are to be verified through the system; comply with the most recent version of the E-Verify Manual; comply with current Form I-9 procedures; initiate E-verify verification procedures for new employees within three (3) business days after each employee has been hired, and record the case verification numbers on the employee's Form I-9 or print the screen containing the verification number and attach it to the employee's Form I-9.
- m. Neither this Agreement, nor the incorporated Application, nor any other document or instrument delivered to MDA by the Entity related to this Agreement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein, in light of the circumstances under which they were made, not misleading. The Entity has disclosed, in writing, to MDA all facts that might reasonably be expected to result in a material adverse effect upon the Entity's ability to either conduct its business or to carry out

this Agreement and the transactions contemplated hereby. The Entity or its agents have not knowingly or willfully made or used a document or writing containing any false, fictitious, or fraudulent statement or entry as part of its Application or correspondence or communication with MDA related to this Agreement.

- n. The Entity shall notify the members of the House of Representatives and Mississippi Senate at least five (5) days prior to a public ceremony announcing the award of the grant in their district or any public announcement or ceremony regarding the groundbreaking or opening of a facility, roadway or bridge using grant funds.
- o. The Entity will include the following language on signage regarding any public event or any new facility, roadway or bridge: "Funds were made available for this project by the Mississippi State Legislature."

Section 7. Termination.

- a. MDA may terminate its obligation to honor any disbursement of the Grant at any time prior to any disbursement of the Grant if any event occurs, which would constitute a default under this Agreement.
- b. It is expressly understood and agreed that the obligation of MDA to proceed under this Agreement is conditioned upon the appropriation of funds by the Mississippi Legislature and the receipt of state funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, or if funds are not otherwise available to MDA, then MDA shall have the right upon ten (10) working days written notice to the Entity to terminate this Agreement without damage, penalty, cost or expense to MDA of any kind whatsoever. The effective date of termination shall be specified in the notice of termination.

Section 8. Notice Addresses. All notices given pursuant to this Agreement shall be in writing signed by the party giving the notice and shall be given by:

- a) certified mail, postage prepaid;
- b) prepaid overnight delivery; or
- c) hand delivery.

For the purposes of this Agreement, notices shall be sent to the parties at the addresses set forth on Item 5 of Annex A hereto or to such other addresses that the parties may designate in writing.

Section 9. Miscellaneous.

- a) No party may assign or delegate its rights or obligations pursuant to this Agreement without the prior written consent of the other parties. Such consent shall not be unreasonably withheld.
- b) This Agreement has been made by MDA (acting for and on behalf of the State) and the Entity, and no person other than the foregoing and their successors or assigns shall acquire or have any right under or by virtue of this Agreement.
- c) This Agreement shall become effective upon the execution and the acceptance hereof by the parties hereto and shall be valid and enforceable from and after the time of such execution and acceptance.
- d) If any section or part of a section of this Agreement shall be declared null and void or unenforceable against any of the parties hereto by any court of competent jurisdiction, such declaration shall not affect the validity or enforceability of any other section or part of a section of this Agreement.
- e) In the event any agreement contained in this Agreement shall be breached and such breach shall thereafter be waived, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
- f) This Agreement shall inure to the benefit of MDA and the Entity and shall be binding upon MDA and the Entity and their respective successors and assigns.
- g) This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), shall be governed by, and enforced in accordance with, the internal laws of the State of Mississippi, including its statutes of limitation and without regard to conflict of law principles.

All disputes regarding this Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), must be brought or filed in

state court in the First Judicial District of Hinds County, Mississippi, which shall be the exclusive forum and jurisdiction for such disputes.

The Parties agree that their choice of laws and exclusive forum set forth above are mandatory and shall not be deemed permissive.

- h) This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but such counterparts shall together constitute but one and the same agreement.
- i) It is expressly understood and agreed by and between the Parties that this Agreement sets out the understandings between the Parties and that there are no promises, agreements, conditions, understandings, inducements, warranties or representations, either oral or written, express or implied, between them other than as set forth in this Agreement. No amendment, change, modification, or alteration of this Agreement shall be made other than pursuant to a written instrument signed by the parties to this Agreement.
- j) This Agreement has been prepared by the efforts of all the parties. In any construction to be made to this Agreement, it shall not be construed against any party on the basis of authorship.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

**MISSISSIPPI DEVELOPMENT AUTHORITY
(ACTING FOR AND ON BEHALF OF THE STATE
OF MISSISSIPPI)**

By: _____
William V. Cork, Executive Director

ATTEST:

Sarah Wright, Bureau Manager

CITY OF DIAMONDHEAD

By: _____
Mayor Anna Liese

ATTEST:

City Clerk

**Annex A
to
Second Amended and Restated Grant Agreement**

Item 1- Name of Entity: City of Diamondhead

Item 2A- Description of Project: Gulf Coast Restoration Funds to be used to assist the City of Diamondhead with road construction and public utilities installation costs and other eligible expenditures as approved by MDA at the approved project site located on Park Ten Drive, Leisure Time Drive and Noma Drive in Hancock County, Mississippi ("Project Site"). Internal labor will not be reimbursable.

Item 2B- Soft Cost Expenses: Engineering, Architectural, Project Management and other soft costs shall not exceed 10% of this MDA grant amount. Any amount above 10% will be allowed to count toward the local match for the project as a whole.

Item 3A- Grant Amount: \$2,000,000

Item 3B- Reappropriated Grant Amount: \$2,000,000

Item 4- Grant Terms and Conditions

MDA will approve and make available for reimbursement purposes grant funds in an amount not to exceed Two Million Dollars (\$2,000,000) which amount has been previously approved and allocated with respect to the Project from the Gulf Coast Restoration Fund for the reimbursement of a portion of costs and expenses related to the Project. All documentation for disbursement must be received by June 30, 2026. Any grant funds not disbursed before June 30, 2026 will be subject to reappropriation by the Legislature in subsequent years until the project is complete.

The disbursement of grant funds shall be contingent upon the entity complying with the quarterly reporting requirements. No funds will be disbursed by MDA until the Entity has submitted all delinquent quarterly reports.

The Entity commits and warrants that an investment of at least a total of Four Hundred Thousand Dollars (\$400,000) will be made to incentivize the development of the project.

Item 5- Grant Performance Metrics

The Entity commits to meet the following performance metrics as determined by the Entity and MDA: (1) The City will complete the Phase I (Park Ten Drive & Leisure Time Drive) roadway improvements by June 30, 2025; (2) The City will complete the Phase II (Noma Drive) roadway improvements by June 30, 2027; and (3) The City will begin construction of the Phase III (Park Ten East) roadway improvements by June 30, 2027 ("Performance Metric Commitments"). In the event that the Entity fails to satisfy the Performance Metric Commitment, then the Entity shall repay the State any expended grant funds.

MDA shall provide the Entity with written notice of default and the Entity will be given thirty (30) days following receipt of such notice to cure such default prior to the default payment becoming due and owing.

**Re: Change Order #1 (Summary) Recommendation
2024 Unit Price Contract
Work Order #1 – Laa La Way**

Dear Mr. McCraw:

For consideration by the Council, I have enclosed Change Order #1 (Summary) for this project. This Change Order serves to remedy the actual project quantities needed to complete the project. As shown, this Change Order decreases the total contract amount by \$611.10.

With that said, I recommend that the Council approve this Change Order #1 (Summary). Should you have any questions, please do not hesitate to contact me at 228-396-0486 or nathan@ccellc.us.

Sincerely,

Nathan Long

PROJECT: 2024 Unit Price Contract:
Work Order #1 - Laa La Way**SUMMARY:**

This change order serves to decrease the contract amount.

Installed quantities in the field differ from the original estimated quantities in the Work Order. A detailed summary of the quantity adjustments is included with this Change Order. The net change to the Work Order amount with these adjustments is a decrease in the total contract amount by \$611.10.

THE CONTRACT IS AMENDED AS SHOWN BELOW:**(Not valid until executed by the Owner, Engineer, and Contractor)**

The original Contract Sum:	\$36,695.00
Net Change by previously authorized Change Orders:	\$0.00
The Contract Sum prior to this Change Order was:	\$36,695.00
The Contract Sum will now Change:	(\$611.10)
The New Contract Sum including this Change Order will be:	\$36,083.90
The original Contract Time:	5/16/2025
Net Change by previously authorized Change Orders:	0
The Date of Substantial Completion prior to this Change Order:	5/16/2025
The Contract Time will now Change by days:	0
The New Date of Substantial Completion will be:	5/16/2025

Re: **Pay Application #1 FINAL**
2024 Unit Price Contract – Laa La Way
DNA Underground LLC

Dear Mr. McCraw:

Enclosed, please find Pay Application #1 FINAL to be considered for approval by the City Council at the next meeting. This pay application is dated 05/15/2025 and is for the entirety of the work completed.

I have reviewed this pay application and find that it is an accurate request according to the amount of work that has been completed since the project began. With that said, I recommend that the Council approve payment to DNA Underground LLC, in the amount of \$36,083.90. Please do not hesitate to contact me should you have any questions.

Sincerely,

COVINGTON CIVIL & ENVIRONMENTAL, LLC

Nathan Long

**Re: Change Order #3
Kome Drive and Kalipekona Pond Drainage Project
JLB Contractors, LLC**

Dear Mr. McCraw:

For consideration by the Council, I have enclosed Change Order #3 for this project.

This Change Order serves to decrease Contract Amount, increase scope, rectify quantities, and increase Contract Time. Additional dewatering costs were incurred by the Contractor due to an unforeseen utility conflict and heavy rainfall. However, installed quantities measured in the field differed from the original estimated amount, and are hereby being rectified via this change order.

The Contract Amount will decrease by \$5,760.00, making the new Contract Amount \$1,220,257.93. This Change Order does increase the Contract Time by 5 days, making the new date of Substantial Completion August 22, 2025.

Therefore, I recommend the Council approve this Change Order #3. Should you have any questions, please do not hesitate to contact me at 228-396-0486 or nathan@ccellc.us.

Sincerely,

COVINGTON CIVIL & ENVIRONMENTAL, LLC

PROJECT: Kome Drive and Kalipekona
Pond Drainage Project

SUMMARY:

This change order serves to increase scope, rectify quantities, and increase Contract Time.

Additional dewatering costs were incurred by the Contractor due to an unforeseen utility conflict and heavy rainfall. The scope will be increased to include the additional dewatering. Additionally, installed quantities measured in the field differed from those that were estimated. The Contract Amount will decrease by \$5,760.00. The Contract Time will increase by 5 days.

A detailed summary of the quantity adjustments is included with this Change Order.

The Net Change to the Contract Amount will therefore be (minus): (\$5,760.00)

THE CONTRACT IS AMENDED AS SHOWN BELOW:

(Not valid until executed by the Owner, Engineer, and Contractor)

The original Contract Sum: \$1,236,395.00

Net Change by previously authorized Change Orders: (\$10,377.07)

The Contract Sum prior to this Change Order was: \$1,226,017.93

The Contract Sum will now Change (-): (\$5,760.00)

The New Contract Sum including this Change Order will be: \$1,220,257.93

The original Contract Time: 6/10/2025

Net Change by previously authorized Change Orders: 68

The Date of Substantial Completion prior to this Change Order: 8/17/2025

The Contract Time will now Change by (+) days: 5

The New Date of Substantial Completion will be: 8/22/2025

Secs. 14-74—14-104. Reserved.

ARTICLE IV. PROVISIONS FOR FLOOD HAZARD REDUCTION

Sec. 14-105. General standards for all zones.

In all areas of special flood hazard, the following provisions are required:

- (1) New construction and substantial improvements shall be anchored to prevent flotation, collapse and lateral movement of the structure.
- (2) Manufactured homes shall be anchored to prevent flotation, collapse, and lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. Dry stacked blocks (stacked without the use of mortar or cement to bond them together) are not to be used as an anchor/elevation method. This standard shall be in addition to and consistent with applicable state requirements for resisting wind forces.
- (3) New construction and substantial improvements shall be constructed with materials and utility equipment resistant to flood damage.
- (4) New construction or substantial improvements shall be constructed by methods and practices that minimize flood damage.
- (5) Electrical, heating, ventilation, plumbing, air conditioning equipment and other service facilities shall be designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding, such facilities shall be located ~~at or~~ a minimum of 12 inches above the base flood elevation.
- (6) New and replacement water supply systems shall be designed to minimize or eliminate infiltration of floodwaters into the system.
- (7) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of floodwaters into the systems and discharges from the systems into floodwaters.
- (8) On-site waste disposal systems shall be located and constructed to avoid impairment to them or contamination from them during flooding.
- (9) Any alteration, repair, reconstruction or improvements to a building that is in compliance with the provisions of this chapter shall meet the requirements of new construction as contained in this chapter.
- (10) Any alteration, repair, reconstruction or improvements to a building that is not in compliance with the provisions of this chapter shall be undertaken only if said nonconformity shall meet the requirements of new construction as contained in this chapter.
- (11) All gas and liquid storage tanks (both above and below ground) shall be adequately anchored to prevent floatation, lateral movement resulting from hydrodynamic forces, and the effects of buoyancy.
- (12) When new construction and substantial improvements are located in multiple flood zones or in a flood zone with multiple base flood elevations, they shall meet the requirement for the more stringent flood zone and the highest base flood elevation.
- (13) New construction and substantial improvement of any building (both in and outside the SFHA) shall have the lowest floor (including basement) at least one foot above the centerline of the designated floodplain administrator.

- (14) All new horizontal additions must have the lowest floor and all HVAC elevated to the regulatory base flood elevation.
- (15) New construction and substantial improvements of structures built on fill (only allowed outside of the CHHA and Coastal AE Zone) shall be constructed on properly designed and compacted fill that extends ten feet to 15 feet beyond the building walls before dropping below the base flood elevation, and shall have appropriate protection from erosion and scour as follows:
 - a. Fill sites, upon which structures will be constructed or placed, must be compacted to 95 percent of the maximum density obtainable with the standard Proctor test method or an acceptable equivalent method.
 - b. Fill slopes shall be no steeper than one foot vertical to two feet horizontal.
 - c. Adequate protection against erosion must be provided for fill slopes. When expected velocities during the occurrence of the base flood are greater than five feet per second, armoring with stone or rock protection or material that will provide equivalent resistance will be provided. When expected velocities during the base flood are five feet per second or more, appropriate protection shall be provided by covering them with vegetative cover at a minimum.
 - d. Fill shall be composed of clean granular or earthen material.
- (16) Storage or processing of materials that are hazardous, flammable, explosive, or in time of flooding could become buoyant and pose an obstruction to flow, are prohibited within the community special flood hazard areas, to include identified floodways. Storage of material or equipment not otherwise prohibited shall be firmly anchored to prevent flotation.

(Ord. No. 2012-006, art. 5, § A, 5-7-2012; Res. No. 2020-042 , 8-4-2020; Res. No. 2021-031 , 6-1-2021)

Sec. 14-106. Specific standards for riverine zones.

In all areas of special flood hazard designated on the city's FIRM, where base flood elevation data have been provided (excluding CHHA and Coastal AE Zone), as set forth in section 14-32, the following provisions, in addition to the standards of section 14-105, are required:

- (1) Residential construction. New construction and substantial improvement of any residential building (including manufactured homes) shall have the lowest floor, including basement, elevated ~~at or to~~ **no lower than 12 inches** above the base flood elevation. Should solid foundation perimeter walls be used to elevate a structure, flood openings sufficient to automatically equalize hydrostatic flood forces on exterior walls of enclosures that are subject to flooding shall be provided in accordance with standards of subsection (4) of this section. New development proposals will be designed, to the maximum extent practicable, so residential building sites, walkways, driveways, and roadways are located at natural grade with elevation not less than the base flood elevation and with evacuation routes leading directly out of the special flood hazard area.
- (2) Nonresidential construction. New construction and substantial improvement of any commercial, industrial, or nonresidential building (including manufactured buildings) shall have the lowest floor, including basement, elevated ~~at or to~~ **no lower than 12 inches** above the base flood elevation. Buildings located in all A zones may, together with attendant utility and sanitary facilities, be floodproofed in lieu of being elevated, provided that all areas of the building below the base flood elevation **plus a minimum of 12 inches of freeboard** are watertight with walls substantially impermeable to the passage of water, and use structural components having the capability of resisting hydrostatic and hydrodynamic loads and the effect of buoyancy. Dry floodproofing is allowed only where flood velocities are less than or equal to five feet per second. A registered professional engineer or architect shall certify that the standards of this subsection are satisfied. A flood emergency operation plan and

an inspection and maintenance plan must be provided by the design professional for the building. Such certification shall be provided to the floodplain administrator. New development proposals will be designed, to the maximum extent practicable, so nonresidential building sites, walkways, driveways, and roadways are located at natural grade with elevation not less than the base flood elevation and with evacuation routes leading directly out of the special flood hazard area.

- (3) In special flood hazard areas with base flood elevations (AE zones) but without floodways, no encroachments, including fill material or structures, shall be permitted unless certification by a registered professional engineer is provided demonstrating that the cumulative effect of the proposed development, when combined with all other existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community. The engineering certification must be supported by technical data that conforms to standard hydraulic engineering principles.
- (4) Enclosures. New construction and substantial improvements that include fully enclosed areas formed by foundation and other exterior walls below the lowest floor shall be designed to preclude finished living space and designed to allow for the entry and exit of floodwaters to automatically equalize hydrostatic flood forces on exterior walls. Total enclosed areas will be limited to 299 square feet. Enclosed areas, including crawl spaces, shall be used solely for parking of vehicles, building access, and storage.
 - a. Designs for complying with this requirement must either be certified by a professional engineer or architect or meet or exceed the following criteria:
 1. Provide a minimum of two openings, on different sides of each enclosed area; if a structure has more than one enclosed area below the base flood elevation, each shall have openings on exterior walls;
 2. The total net area of all openings shall be at least one square inch for each square foot of enclosed area, or the openings shall be designed and the construction documents shall include a statement that the design and installation will provide for equalization of hydrostatic flood forces on exterior walls by allowing for the automatic entry and exit of floodwaters;
 3. The bottom of all openings shall be no higher than one foot above interior grade (which must be equal to in elevation or higher than the exterior grade);
 4. Openings shall allow the passage of a three-inch sphere;
 5. Openings may be equipped with screens, louvers, valves or other coverings or devices, provided they permit the automatic flow of floodwaters in both directions and automatically equalize hydrostatic flood loads on exterior walls; and
 - b. Access to the enclosed area shall be minimum necessary to allow for parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the living area (stairway or elevator);
 - c. The interior portion of such enclosed area shall not be finished or partitioned into separate rooms; and
 - d. Property owners shall be required to execute a flood openings/venting affidavit acknowledging that all openings will be maintained as flood vents, and that the elimination or alteration of the openings in any way will violate the requirements of this section. Periodic inspections will be conducted by the floodplain administrator to ensure compliance.
- (5) Detached storage buildings, sheds, or other like accessory improvements, excluding detached garages, carports, and boat houses, shall solely be used for parking of vehicles and storage, and will be allowed

up to no more than 299 square feet of unfinished, non-partitioned and enclosed storage space. Such storage space shall not be used for human habitation and shall be limited to storage of items that can withstand exposure to the elements and have low flood damage potential. The storage space shall be constructed of flood resistant or breakaway materials, and equipment and service utilities, such as electrical outlets, shall be limited to essential lighting and other incidental uses, and must be elevated or floodproofed. Flood openings in accordance with the standards of section 14-106(4) shall also be required. These accessory structures shall be constructed and placed on the building site so as to offer the minimum resistance to the flow of floodwaters. Accessory improvements and other appurtenant structures shall be firmly anchored to prevent flotation that may result in damage to other structures.

- (6) Property owners shall be required to execute and record with the structure's deed a non-conversion agreement declaring that the area below the lowest floor of the structure or the detached accessory building shall not be improved, finished or otherwise converted; the community will have the right to inspect the enclosed area.
- (7) Standards for manufactured homes and recreational vehicles.
 - a. All manufactured homes placed, or substantially improved, on individual lots or parcels, in existing manufactured home parks or subdivisions, in expansions to existing manufactured home parks or subdivisions, in new manufactured home parks or subdivisions or in substantially improved manufactured home parks or subdivisions, must meet all the requirements for new construction, including elevation and anchoring and the flood openings requirements of subsection (4) of this section. Manufactured homes must be:
 1. Elevated on a permanent foundation to have its lowest floor elevated ~~at or to no lower than 12 inches~~ above the base flood elevation; and
 2. Securely anchored to an adequately anchored foundation system to resist flotation, collapse, and lateral movement.
 - ~~b. All manufactured homes placed or substantially improved, excepting manufactured homes that have incurred substantial damage as a result of a flood, in an existing manufactured home park or subdivision must be elevated so that:~~
 - ~~1. The lowest floor of the manufactured home is elevated at or to no lower than 12 inches above the base flood elevation and be securely anchored to an adequately anchored foundation support system to resist flotation, collapse, and lateral movement; or~~
 - ~~2. The manufactured home chassis is supported by reinforced piers or other foundation elements of at least an equivalent strength, of no less than 36 inches in height above the highest adjacent grade and adequately anchored foundation support system to resist flotation, collapse, and lateral movement.~~
 - b. All recreational vehicles placed on sites must either:
 1. Be on site for fewer than 60 consecutive days and shall leave the site for at least seven consecutive days and obtain a new permit before returning to the same site;
 2. Be fully licensed and ready for highway use; or
 3. Must meet all the requirements for new construction, including anchoring and elevation requirements of subsection (7)a or b.1 of this section.

A recreational vehicle is ready for highway use if it is licensed and insured in accordance with the state motor vehicle regulations, is on its wheels or jacking system, is attached to the site only by quick disconnect type utilities and security devices and has no permanently attached additions.

- (8) Floodways. Located within areas of special flood hazard adopted by reference in section 14-32 are areas designated as floodways. Since the floodway is an extremely hazardous area due to the velocity of floodwaters which carry debris, potential projectiles and has erosion potential, the following provisions shall apply:
- a. Prohibit encroachments, including fill, new construction, substantial improvements, and other developments unless certification (with supporting technical data) by a registered professional engineer is provided demonstrating that encroachments shall not result in any increase in flood levels during occurrence of the base flood discharge;
 - b. If subsection (8)a of this section is satisfied, all new construction and substantial improvements shall comply with all applicable flood damage prevention standards of this article.
 - c. Prohibit the placement of manufactured homes (mobile homes), except in an existing manufactured home (mobile home) park or subdivision. A replacement manufactured home may be placed on a lot in an existing manufactured home park or subdivision provided the anchoring standards of section 14-105(2), and the standards of subsections (1) through (3) of this section and the encroachment standards of subsection (8)a of this section are met.

(Ord. No. 2012-006, art. 5, § B, 5-7-2012; Res. No. 2020-042 , 8-4-2020; Res. No. 2021-031 , 6-1-2021)

Sec. 14-107. Standards for streams without base flood elevations and floodways.

When base flood elevation data and floodway data are not available in accordance with section 14-32, in special flood hazard areas and community flood hazard areas without base flood elevation data, new construction and substantial improvements shall be elevated or floodproofed to elevations established by the community. The following provisions in addition to the standards of section 14-105 and the enclosure standards of section 14-106(4) shall apply:

- (1) Require that all new subdivision proposals and other proposed developments (including proposals for manufactured home parks and subdivisions) greater than five lots or five acres, whichever is lesser; include within such proposals base flood elevation data;
- (2) The floodplain administrator shall obtain, review, and reasonably utilize any base flood elevation and floodway data available from a federal, state, or other source, in order to administer the provisions of this article. When such data is available, standards of section 14-106(4) shall apply. If data is not available from subsection (1) of this section or outside sources, then the following provisions shall apply:
 - a. No encroachments, including fill material or other development, shall be located within a distance of the stream bank equal to five times the width of the stream at the top of the bank or 20 feet each side from the top of the bank, whichever is greater, unless certification by a registered professional engineer is provided demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the base flood discharge. The enclosure standards of section 14-106(4) shall apply.
 - b. The floodplain administrator shall require that a single lot applicant develop the base flood elevation for the development site, utilizing accepted engineering practices and procedures. Upon review of the submitted data, the administrator may accept or reject the proposed base flood elevation. When such data is accepted, standards of section 14-106 shall apply.
- (3) Fill within the area of special flood hazard shall result in no net loss of natural floodplain storage. The volume of loss of floodwater storage due to filling in the special flood hazard area shall be offset by providing an equal volume of flood storage by excavation or other compensatory measures at or adjacent to the development site.

- (4) The floodplain administrator shall notify, in riverine situations, adjacent communities and the state coordinating office prior to any alteration or relocation of a watercourse, and submit copies of such notifications to FEMA. Assume that the flood carrying capacity within the altered or relocated portion of any watercourse is maintained.
- (5) The floodplain administrator shall require that all manufactured homes be placed or installed using methods and practices which minimize flood damage. Manufactured homes must be elevated and anchored to resist flotation, collapse, or lateral movement. Dry stacked blocks (stacked without the use of mortar or cement to bond them together) are not allowed within the special flood hazard area.

(Ord. No. 2012-006, art. 5, § C, 5-7-2012)

Sec. 14-108. Standards for accessory buildings in all VE zones.

For all accessory buildings in SFHA designated "~~VE,~~ Coastal AE and VE Zones, all requirements stated in section ~~14-111~~ 14-110 will apply.

(Ord. No. 2012-006, art. 5, § D, 5-7-2012)

Sec. 14-109. Standards for subdivision proposals and other proposed development.

The following are standards for subdivision proposals and other proposed development:

- (1) All subdivision proposals shall be consistent with the need to minimize flood damage.
- (2) All subdivision proposals shall have public utilities and facilities such as sewer, gas, electrical and water systems located and constructed to minimize flood damage.
- (3) All subdivision proposals shall have adequate drainage provided to reduce exposure to flood hazards.
- (4) Base flood elevation data shall be provided for all new subdivision proposals and other proposed development (including manufactured home parks and subdivisions), which is greater than five lots or five acres, whichever is the lesser.
- (5) All subdivision and other development proposals which involve disturbing more than 1,000 square feet of land shall include a stormwater management plan which is designed to limit peak runoff from the site to predevelopment levels for the one-, ten-, and 100-year rainfall event. These plans shall be designed to limit adverse impacts to downstream channels and floodplains. Single residential lots involving less than one acre of land disturbance are not subject to this regulation.
- (6) All preliminary plans for platted subdivisions shall identify the flood hazard area and the elevation of the base flood.
- (7) All final subdivision plats will provide the boundary of the special flood hazard area, the floodway boundary, and the base flood elevations.
- (8) In platted subdivisions, all proposed lots or parcels that will be future building sites shall have a minimum buildable area outside the natural (non-filled) one-percent chance annual floodplain. The buildable area shall be large enough to accommodate any primary structure and associated structures such as sheds, barns, swimming pools, detached garages, on-site sewage disposal systems, and water supply wells, where applicable.
- (9) Where only a small portion of the subdivision lot or lots is in an A zone special flood hazard area inundated by one percent chance flood with no base flood elevations determined and there is sufficient ground slope on the site to avoid possible flooding of structures in X zones (unshaded)

determined to be outside 0.2 chance flood floodplain. The floodplain administrator may waive the requirement for a study to determine the base flood elevations.

- (10) In order for the floodplain administrator to consider waiving the requirement of section 14-110(4), the applicant must provide an accurate topographic data and map for the lot in question (certified by a licensed land surveyor and/or professional civil engineer) indicating that each lot in a new subdivision is on natural high ground, out of the regulatory floodplain.
- (11) Each proposed parcel must have a designated buildable pad or site above the one percent chance floodplain. The distance of the buildable pad or site above the one percent chance floodplain shall depend on the slope of the ground and in accordance with the following table:

Distance in Feet from Zone A 100-Year Floodplain	Minimum Slope from Zone A—100-Year Floodplain to Ground Level at Pad
20	5%
30	3.33%
40	2.50%
50	2.00%
60	1.67%
70	1.43%
80	1.25%
90	1.11%
100	1.00%

Residential and nonresidential structures lowest floor elevation also must be elevated 1½ feet above the ground level on the buildable pad or site.

- (12) The subdivider/applicant must comply with the following:
 - a. File restrictive covenants on the lot or lots prohibiting construction within the designated special flood hazard area and requirement for lowest floor elevation.
 - b. Place a statement on the face of the final plat prohibiting construction in the designated area of special flood hazard.

(Ord. No. 2012-006, art. 5, § E, 5-7-2012)

Sec. 14-110. Coastal high hazard areas.

Located within areas of special flood hazard areas established in section 14-32 are coastal high hazard areas, designated as **Coastal AE zones** and VE zones. These areas have special flood hazards associated with high velocity waters from wave action due to hurricanes, tsunamis, or other seismic sources. The following provisions, in addition to the standards of sections 14-105, 14-106 (except 14-106(8)), 14-107, and 14-108, shall also apply:

- (1) All new construction and substantial improvements in **Coastal AE zones** and VE zones shall be elevated on pilings and columns so that:
 - a. The bottom of the lowest horizontal structural member of the lowest floor (excluding the pilings or columns) is ~~at or~~ **elevated to no lower than 12 inches** above the base flood level; and
 - b. The pile or column foundation and structure attached thereto is anchored to resist flotation, collapse and lateral movement due to the effects of wind and water loads acting simultaneously on all building components. Water loading values used shall be those associated with the base flood. Wind loading values used shall be those requirements by state or local building codes.

-
- (2) A registered professional engineer or architect shall develop or review the structural design, specifications and plans for the construction and shall certify that the design and methods of construction to be used are in accordance with accepted standards of practice for meeting the provisions of this chapter.
 - (3) In Coastal AE Zones and VE Zones, property owners shall be required to execute and record with the structure's deed a flood openings/venting affidavit acknowledging that all openings in breakaway walls will be maintained as flood vents, and that the elimination or alteration of the openings in any way will violate the requirements of Article 5, Section B. The community will have the right to inspect the openings/vents.
 - (4) Property owners shall be required to execute and record with the structure's deed a non-conversion agreement declaring that the area below the lowest floor of the structure or the detached accessory building shall not be improved, finished or otherwise converted. The community will have the right to inspect the enclosed area.
 - (5) Obtain the elevation (in relation to mean sea level) of the bottom of the lowest structural member of the lowest floor (excluding pilings and columns) of all new and substantially improved structures in Coastal AE and VE zones. The floodplain administrator shall maintain a record of all such information.
 - (6) All new construction shall be located landward of the reach of mean high tide.
 - (7) All new construction and substantial improvements in Coastal AE and VE zones shall have the space below the lowest floor either free of obstruction or constructed with non-supporting breakaway walls, open wood latticework, or insect screening intended to collapse under wind and water loads without causing collapse, displacement, or other structural damage to the elevated portion of the building or supporting foundation system. For the purpose of this section, a breakaway wall shall have a design safe loading resistance of not less than ten and no more than 20 pounds per square foot. Breakaway wall enclosures shall not exceed 299 square feet. Use of breakaway walls which exceed a design safe loading resistance of 20 pounds per square foot (either by design or when so required by local codes) may be permitted only if a registered professional engineer or architect certifies that the designs proposed meet the following conditions:
 - a. Breakaway wall collapse shall result from water load less than that which would occur during the base flood; and
 - b. The elevated portion of the building and supporting foundation system shall not be subject to collapse, displacement, or other structural damage due to the effects of wind and water loads acting simultaneously on all building components (structural and nonstructural). Water loading values used shall be those associated with the base flood. Wind loading values used shall be those requirements by state or local building codes. The lowest horizontal structural member should be oriented perpendicular to the expected wave crest.
 - (8) If breakaway walls are utilized, such enclosed space shall be useable solely for storage, parking of vehicles, or building access. Such space shall not be used for human habitation and finished or partitioned into separate rooms.
 - (9) Prohibit the use of fill for structural support of buildings. Under the buildings or structures, no fill may be used except for minor site grading for drainage purposes. Nonstructural fill may be used on coastal building sites for minor landscaping and site grading for drainage purposes as long as the fill does not interfere with the free passage of floodwaters and debris underneath the building or cause changes in flow direction during coastal storms such that will cause additional damage to buildings on the site or to any adjacent buildings. Certification by a professional engineer or architect shall be submitted along with design calculations demonstrating that no adverse impacts will result. (For guidance, see FEMA Technical Bulletin #5 Free of Obstruction Requirements.) An example of unacceptable placement of fill would be construction of a small berm or retaining wall that is backfilled and used for landscaping
-

purposes when it has been determined that wave ramping or deflection will adversely affect adjacent buildings and thereby create additional flood damage potential.

- (10) Prohibit manmade alteration of sand dunes that would increase potential flood damage.
- (11) All manufactured homes to be placed or substantially improved within Coastal AE zones and VE zones on the city's FIRM on sites:

- a. Outside of a manufactured home park or subdivision;
- b. In a new manufactured home park or subdivision;
- c. In an expansion to an existing manufactured home park or subdivision; or
- d. In an existing manufactured home park or subdivision on which a manufactured home has incurred substantial damage as the result of a flood;

shall meet the standards of subsections (1) through (8) of this section and that manufactured homes placed or substantially improved on other sites in an existing manufactured home park or subdivision with VE zones on the FIRM meet the requirements of section 14-106(8)a and b.

- (12) All new structures shall be located on the lot so as to minimize exposure to coastal hazards and shoreline erosion. Structures shall be located outside the coastal high hazard area, to the greatest extent possible.
- (13) Recreational vehicles placed on sites within Coastal AE and VE zones on the community's FIRM either:
 - a. Be on site for fewer than 60 consecutive days and shall leave the site for at least seven consecutive days and obtain a new permit before returning to the same site;
 - b. Be fully licensed and ready for highway use (on its wheels or jacking system, is attached to the site only by quick disconnect type utilities and security devices, and has no permanently attached additions); or
 - c. Meet the requirements of subsections (1) through (8) of this section.

(Ord. No. 2012-006, art. 5, § F, 5-7-2012; Res. No. 2020-042 , 8-4-2020; Res. No. 2021-031 , 6-1-2021)

Sec. 14-111. Critical facilities.

Construction of new and substantially improved critical facilities shall be located outside the limits of the special flood hazard area (one percent chance floodplain). Construction of new critical facilities shall be permissible within the SFHA only if no feasible alternative site is available and access to the facilities remains available during a 0.2 percent chance flood. Critical facilities constructed within the SFHA shall have the lowest floor elevated three feet, six inches above the base flood elevation at the site (or to the 0.2 percent chance flood elevation, whichever is greater). Floodproofing and sealing measures must be implemented to ensure that toxic substances will not be displaced by or released into floodwaters. Multiple access routes, elevated to or above the 0.2 percent flood elevation, shall be provided to all critical facilities to the maximum extent possible. Critical facilities must not only

5000 Diamondhead Circle • Diamondhead, MS 39525

TO: City Council and City Manager

FROM: J. Pat Rich, Development Coordinator

DATE: July 28, 2025

SUBJECT: Text Amendment to add Coastal AE Zone and Freeboard to the Flood Damage and Prevention Ordinance

- Coastal AE Zone and Freeboard removed in 2021 to stimulate building on the south side.
- All building since then has met the requirements of Coastal AE Zone and 12" Freeboard.
- Coastal AE Zone and Freeboard are required by FEMA and Community Rating System.

The Planning & Zoning Commission voted 4-0 to recommend approving the Text Amendment.
