V. ANNOUNCEMENTS

12. Next meeting will be October 29th, 2025.

VI. ADJOURN

13. Motion to Adjourn

Any person who has a qualifying disability, as defined by the Americans with Disabilities Act, that requires the meeting or material at the meeting to be in an accessible location or format, must contact the City Clerk at the address listed above or call 930-5228, prior to the meeting so that any necessary arrangements can be made to accommodate each request.

Parks and Recreation Committee Meeting Minutes
Wednesday, July 30, 2025
05:30 PM
Centennial Park Shelter #1

I. CALL TO ORDER AND ROLL CALL

Meeting called to order at 5:34 PM.

Voting members present: Nancy Anderson, Natalie Braun-Gregorson, Matt Staver, Melissa Brennum, Danielle Kratcha, Travis Wellington

Non-voting members present: Megan James, Dylan Wadzinski, David Mortimer, Mayor Barry Hottmann

Guests present: Kyle Levetzow, Rex U'ren, Alisa McIntosh

Absent members: Larry Tremelling, Bryan Brom, Stephanie Marten

II. APPROVAL OF MINUTES

1. Approval of Minutes from May 28, 2025

Motion to approve minutes by Braun-Gregorson, seconded by Brennum, motion carried.

2. Approval of minutes from June 25, 2025

Motion to approve minutes by Anderson, seconded by Brennum, motion carried.

III. REPORTS

1. Recreation Update

Summer programs are wrapping up, and fall activity registration will be opening on August 4th. Looking to do a combined Winter and Spring Activity Guide this year (instead of separate flyers) and that will be available in November. M James shared she is expecting another baby this winter, and plans to get everything organized while she is out for the winter so everything can continue to run smoothly.

2. Pool and fundraising Update

Pool season and swim lessons are going well. Pool is scheduled to close for the season at the end of August. Fundraising team is coordinating a Soak for Sunshades event on August 8th at the pool. The event will include DJ, games, 50/50 raffle and swimming.

3. Parks Update

Mortimer reported they have been busy mowing grass. They haven't gotten a chance to work on many projects this summer being short staffed and staying on top of mowing. Parks staff are hoping to complete some projects this fall.

IV. OLD BUSINESS

1. Discussion regarding Ley Pavilion

One of the voting members needed to leave meeting early due to another commitment so we dropped below quorum and could not make any votes; great discussions were had though.

Before leaving, Staver mentioned having a future plan of the building would be ideal in making this final decision; along with finding out where the funding will be coming from. Levetzow (guest) made it known that Icewolves Hockey will benefit from having a plan for the future of the building, but that the floor needs to be done. The floor is needed to be redone for all purpose of use for this building. It was also mentioned that the schools and city do not offer hockey as a program, so having the facility for Icewolves is important to have the opportunity in our community. Multiple members mentioned improving what we already have should be priority. Mayor Hottman reiterated that we do not need to necessarily make a motion yet to be included on Capital Project requests to City Council. We have time to create a bigger picture and gain a concept for some opportunities with the current building. Between Mayor Hottman, and Department of Public Works Director, Dylan Wadzinski, they will get in touch with an architect to provide some different concepts. Hopefully these can be obtained prior to the next meeting for updates.

2. Discussion regarding all weather surfaces at Harris Park

This is going to be a bigger project that realistically will not be able to happen, but we can begin planning for future projects down the road. M James reported she met with Lee Recreation representative and went around to assess playgrounds. Our newest playground equipment is 13 years old, and the representative suggested we have it in our plans to review playground equipment to be updated every 15 years. The Lee Recreation representative is putting together an assessment of all the parks in Dodgeville and will send to Megan. M James just mentioned we need to make sure to be on a rotating schedule to update playgrounds/parks so that we can budget appropriately for these updates.

3. Discussion regarding pool shade structure

Fundraising team met with Gerber Leisure on getting further details and picking out the first shade structure, including location and size of the structure. The quotes included \$8,000 product and a couple different options for installment. They will need a City Engineer to approve the installation method we'd prefer (lesser expensive option) just to make sure it will be safe and worthy of doing. Gerger

Leisure representative is sending over details to Megan and will work with Dylan (DPW Director) to get approval from engineer. We are looking to get this scheduled to be installed in the spring before 2026 pool season. There is money in this year's Capital Projects that we will be able to utilize, and \$1700 already fundraised through wonderful donors throughout the community to put towards this expense. We are also looking into grants to help fund some of this as well.

V. NEW BUSINESS

1. Discussion and possible action regarding sandbox at Centennial Park.

Members had a great discussion, but will vote on this next meeting to approve Parks Department to remove sandbox. Purpose of removal is due to it being more of a 'litter box' to animals than for the children to entertain. The Parks Department has not been able to maintain it often enough to keep animal discard out of it.

2. Discussion and possible action regarding horseshoe pits at Centennial Park

Members had a great discussion but will vote on this next meeting to approve Parks Department to remove horseshoe pits. The lack of usage, lack of maintenance, and safety factors with the pegs sticking out are some of the reasons for wanting to remove these. Potentially make this space more usable for something different in the future.

3. Discussion and possible action to approve the 2025 Mustang Football Contract.

Members did not foresee any changes in the contract. Because we could not vote on this, and the timing of this contract, M James sent to City Council for approval without review of Parks and Recreation Commission this year.

4. Discussion and possible action regarding implementing a financial assistance program.

M James proposed a financial assistance program for district-wide families to assist families in need to be able to still partake in recreational programs and activities. Members discussed some possible edits but will officially vote on this at the next meeting.

5. Discussion and possible action regarding new Sponsorship Program.

M James proposed a sponsorship program brochure for added City Rec support from local organizations, businesses and individuals. Purpose of this program is to help support our Parks and Recreation Departments as well as gaining exposure for

our local businesses and organizations. Commission members discussed some possible edits but will vote on this at the next meeting.

VI. NEXT MEETING

1. Next meeting scheduled for Wednesday, August 27th, 2025

VII. ADJOURN

1. Motion to Adjourn

Motioned by Kratcha, seconded by Wellington, motion carried.

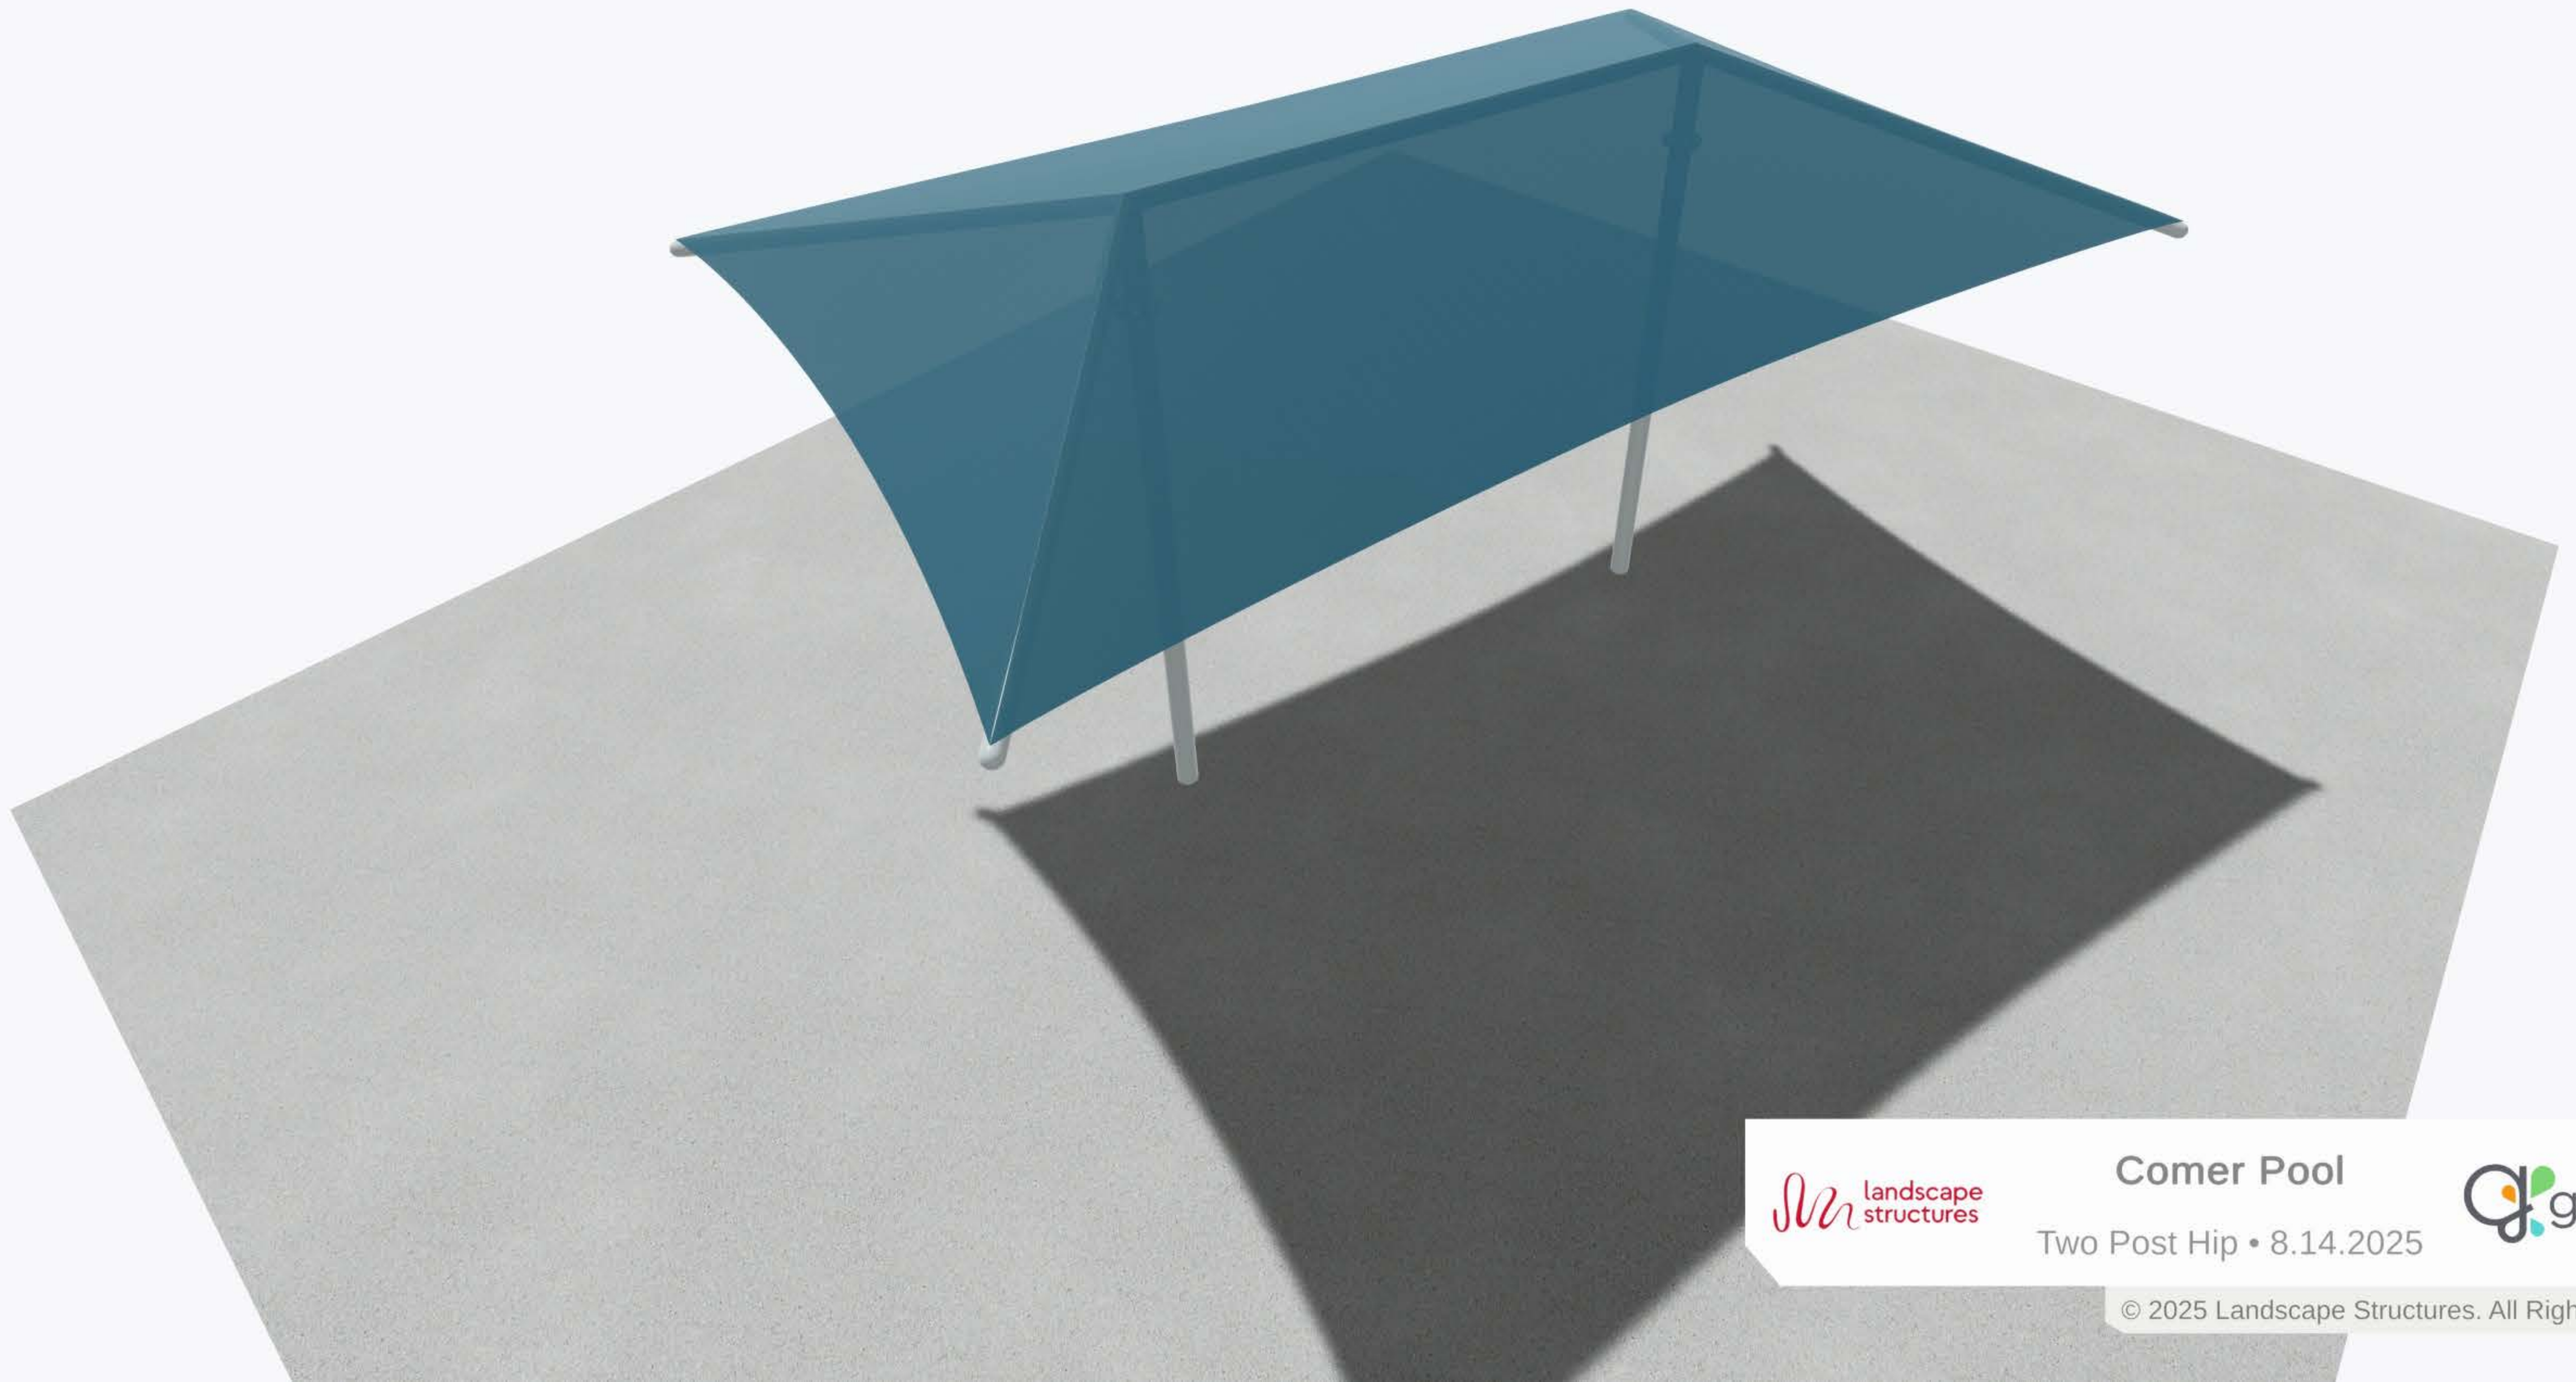

Meeting adjourned 7:06 PM.

Comer Pool

Two Post Hip • 8.14.2025

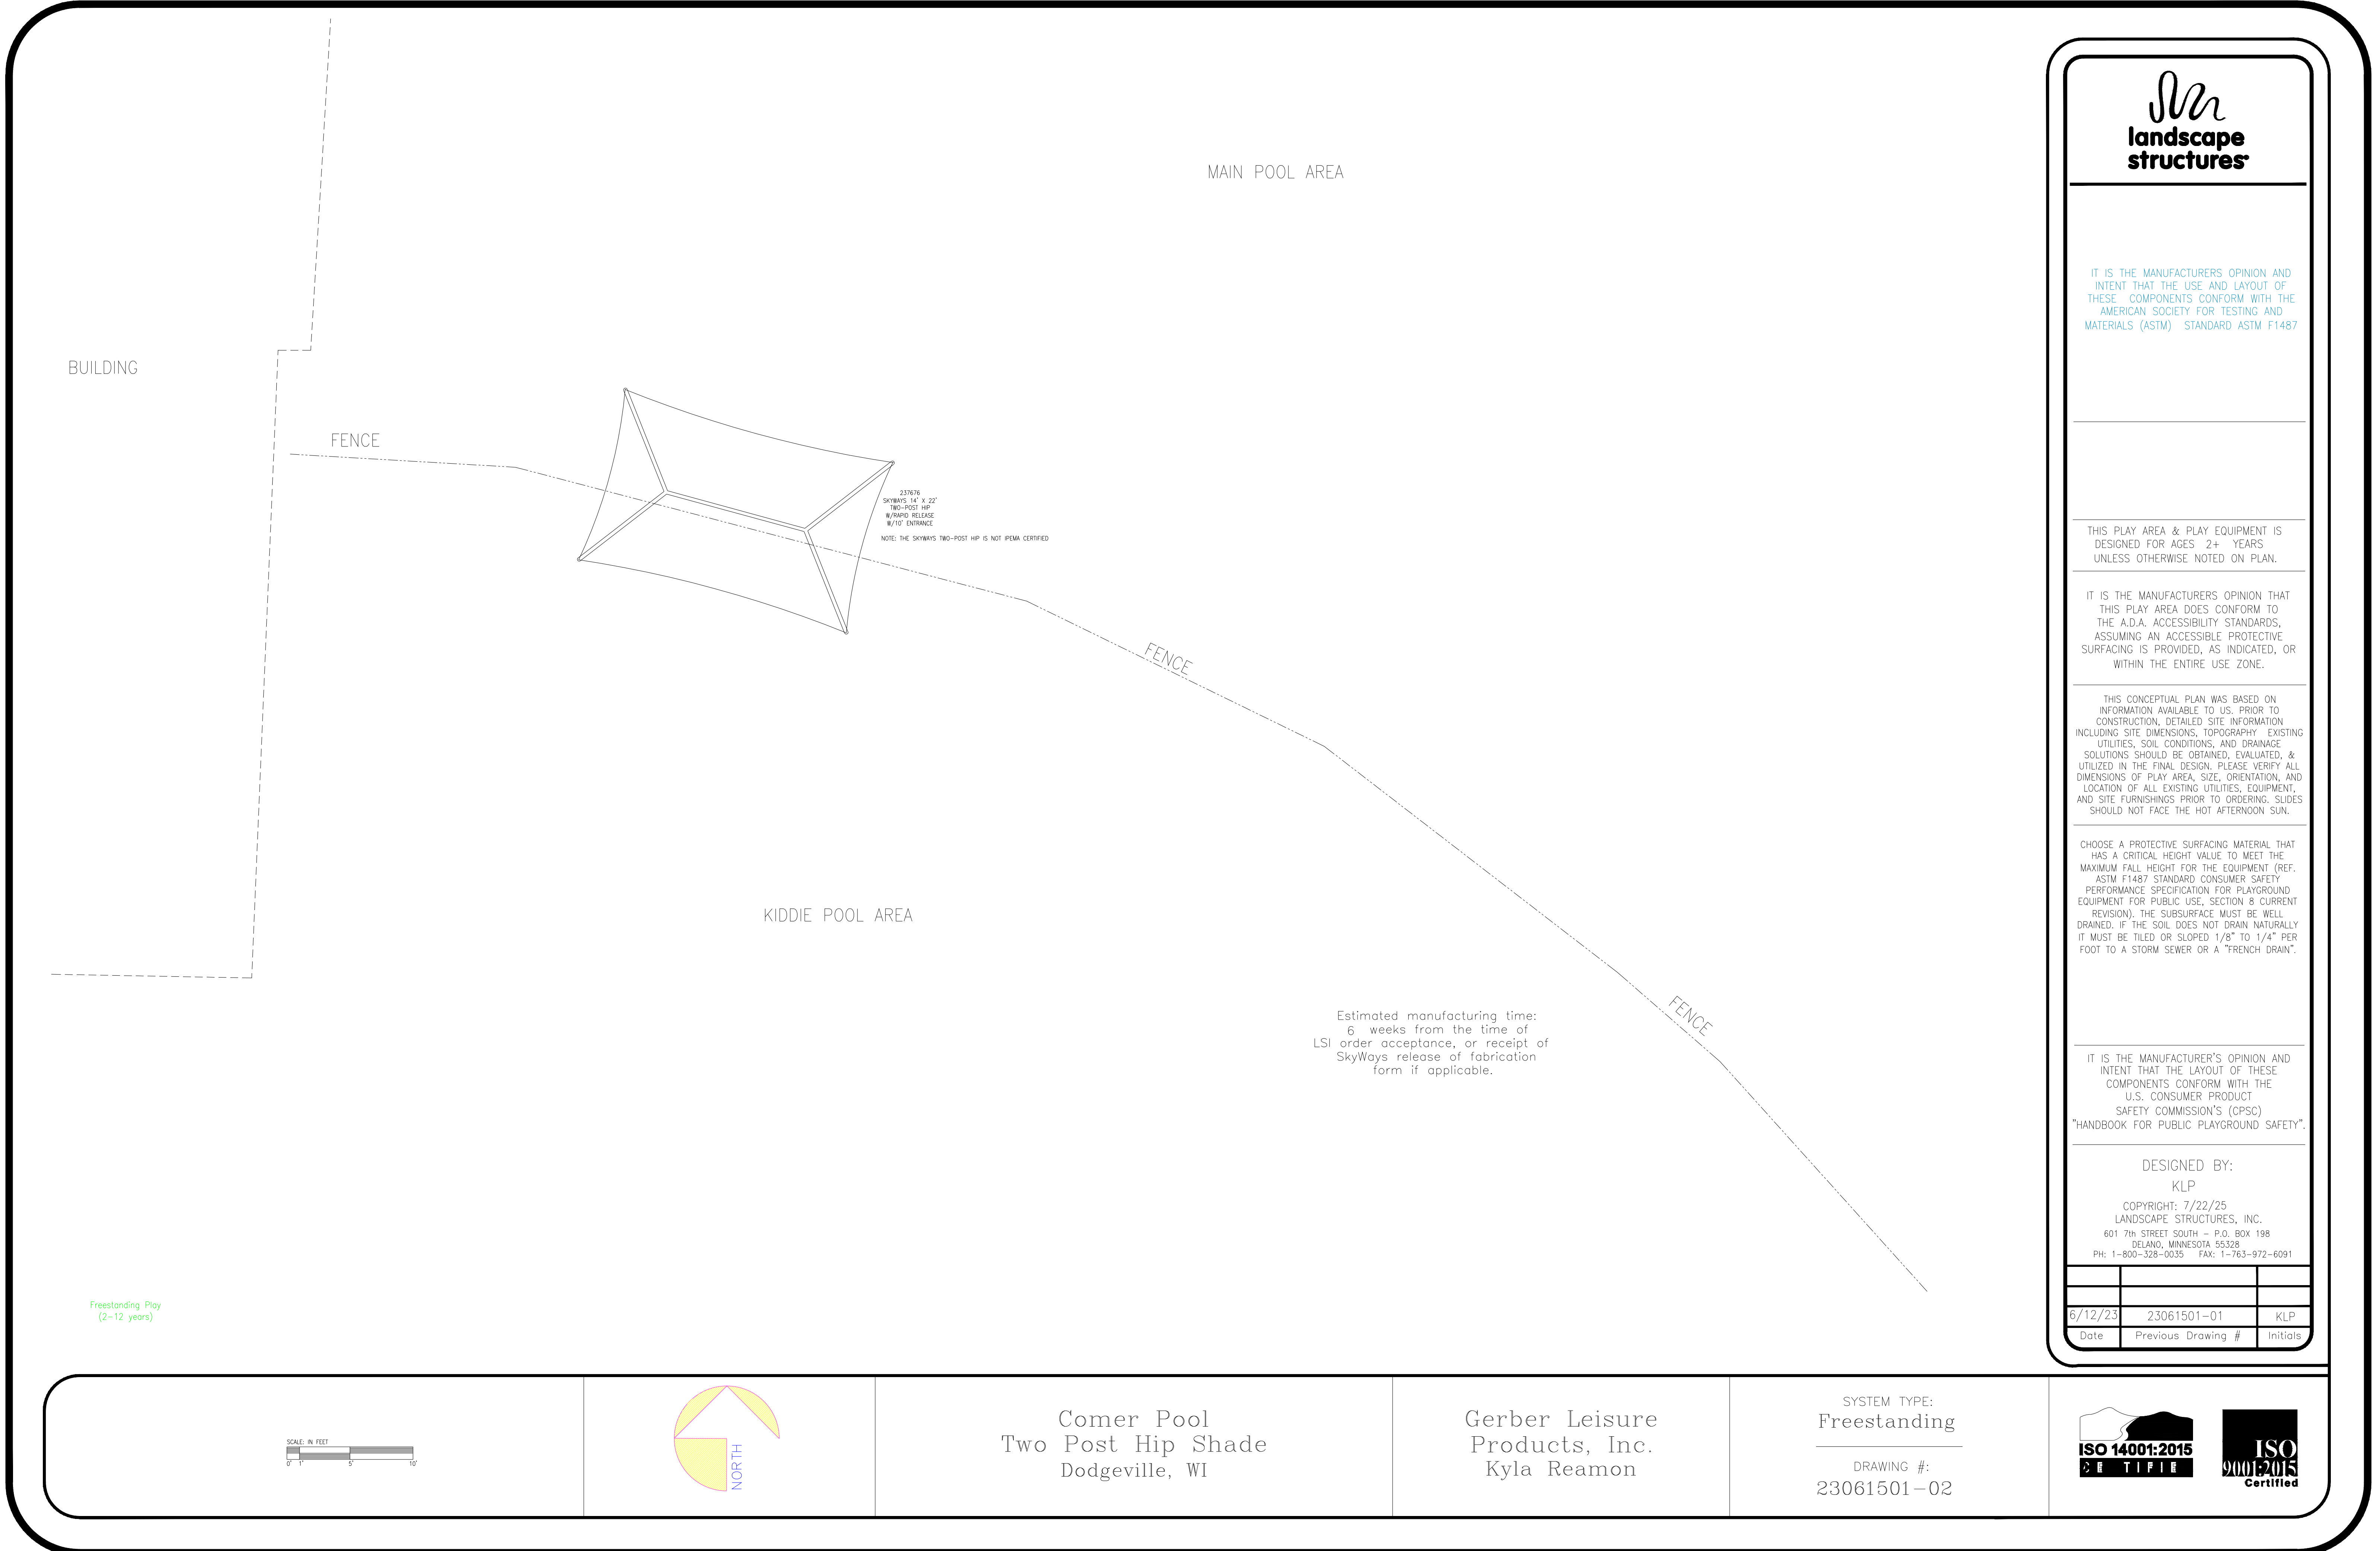

Comer Pool

Two Post Hip • 8.14.2025

IT IS THE MANUFACTURERS OPINION AND INTENT THAT THE USE AND LAYOUT OF THESE COMPONENTS CONFORM WITH THE AMERICAN SOCIETY FOR TESTING AND MATERIALS (ASTM) STANDARD ASTM F1487

THIS PLAY AREA & PLAY EQUIPMENT IS DESIGNED FOR AGES 2+ YEARS UNLESS OTHERWISE NOTED ON PLAN.

IT IS THE MANUFACTURERS OPINION THAT THIS PLAY AREA DOES CONFORM TO THE A.D.A. ACCESSIBILITY STANDARDS, ASSUMING AN ACCESSIBLE PROTECTIVE SURFACING IS PROVIDED, AS INDICATED, OR WITHIN THE ENTIRE USE ZONE.

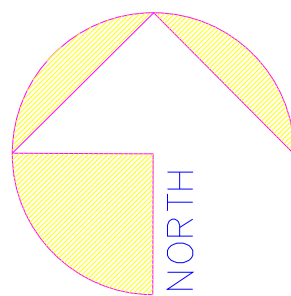

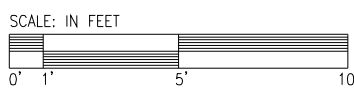

THIS CONCEPTUAL PLAN WAS BASED ON INFORMATION AVAILABLE TO US. PRIOR TO CONSTRUCTION, DETAILED SITE INFORMATION INCLUDING SITE DIMENSIONS, TOPOGRAPHY, EXISTING UTILITIES, SOIL CONDITIONS, AND DRAINAGE SOLUTIONS SHOULD BE OBTAINED, EVALUATED, & UTILIZED IN THE FINAL DESIGN. PLEASE VERIFY ALL DIMENSIONS OF PLAY AREA, SIZE, ORIENTATION, AND LOCATION OF ALL EXISTING UTILITIES, EQUIPMENT, AND SITE FURNISHINGS PRIOR TO ORDERING. SLIDES SHOULD NOT FACE THE HOT AFTERNOON SUN.

CHOOSE A PROTECTIVE SURFACING MATERIAL THAT HAS A CRITICAL HEIGHT VALUE TO MEET THE MAXIMUM FALL HEIGHT FOR THE EQUIPMENT (REF. ASTM F1487 STANDARD CONSUMER SAFETY PERFORMANCE SPECIFICATION FOR PLAYGROUND EQUIPMENT FOR PUBLIC USE, SECTION 8 CURRENT REVISION). THE SUBSURFACE MUST BE WELL DRAINED. IF THE SOIL DOES NOT DRAIN NATURALLY IT MUST BE TILED OR SLOPED 1/8" TO 1/4" PER FOOT TO A STORM SEWER OR A "FRENCH DRAIN".

IT IS THE MANUFACTURER'S OPINION AND INTENT THAT THE LAYOUT OF THESE COMPONENTS CONFORM WITH THE U.S. CONSUMER PRODUCT SAFETY COMMISSION'S (CPSC) "HANDBOOK FOR PUBLIC PLAYGROUND SAFETY".

FINANCIAL SCHOLARSHIP PROGRAM

Purpose:

This financial scholarship program has been established to allow Dodgeville School District families who are experiencing financial hardship to take part in Dodgeville recreation programs and activities.

Who Can Apply:

- All those who reside in the Dodgeville School District are eligible to apply for a scholarship. *Proof of address may be requested (utility bill, cell phone bill, etc).*
- Your family may qualify for a scholarship if your household's income is at or below the limits on the Federal Eligibility Guidelines. *Please note: Household size includes all family members living at the same address.*

2025-2026 Federal Income Eligibility Guidelines 2025-2026

| Household Size | Annual Income |
|------------------------------------|---------------|
| 1 | \$20,345 |
| 2 | \$27,495 |
| 3 | \$34,645 |
| 4 | \$41,795 |
| 5 | \$48,945 |
| 6 | \$56,095 |
| 7 | \$63,245 |
| 8 | \$70,395 |
| For each add'l family member, add: | \$7,150 |

Program Details:

- Families who are approved for the program will be awarded \$150 for the calendar year to put towards programs and activities. This will be added as a household credit on your family's Rec Desk account to apply towards program fees at time of registration.
- All programs and activities are eligible for scholarship. The number of scholarships awarded may depend upon availability of funds.
- Income verification may be requested at any time for approval.
- Awarded scholarships are only valid for one year from application date. Only one application per family will be accepted each year.
- No refunds or credits will be issued for programs paid for with scholarship funds if canceled at a later date.

NEW

Swim Team Record Board

Girl Scout Troop 7218
Elise, Lucy, Merit

Problem

Children are spending too much time indoors and on devices. They should be socializing with other kids and making friends

Our Solution

We should get the kids outdoors and off their devices with fun activities. One of those activities is going to the Comer Pool and cooling off on those hot summer days.

Benefits of the Pool

You can
spend time
with your
friends and
family

It's good
exercise so
you can stay
healthy

You learn
how to swim
and how to
be safe in and
around water

Benefits of Swim Team

You meet new friends and can see them all the time

You cheer on others making it more fun for everyone

You learn water safety so if you are ever in danger at a place where there's no lifeguard you know how to swim

Have fun and spend time with friends and family

The coaches and older swimmers are mentors for the younger kids

Benefits of a Swim Board

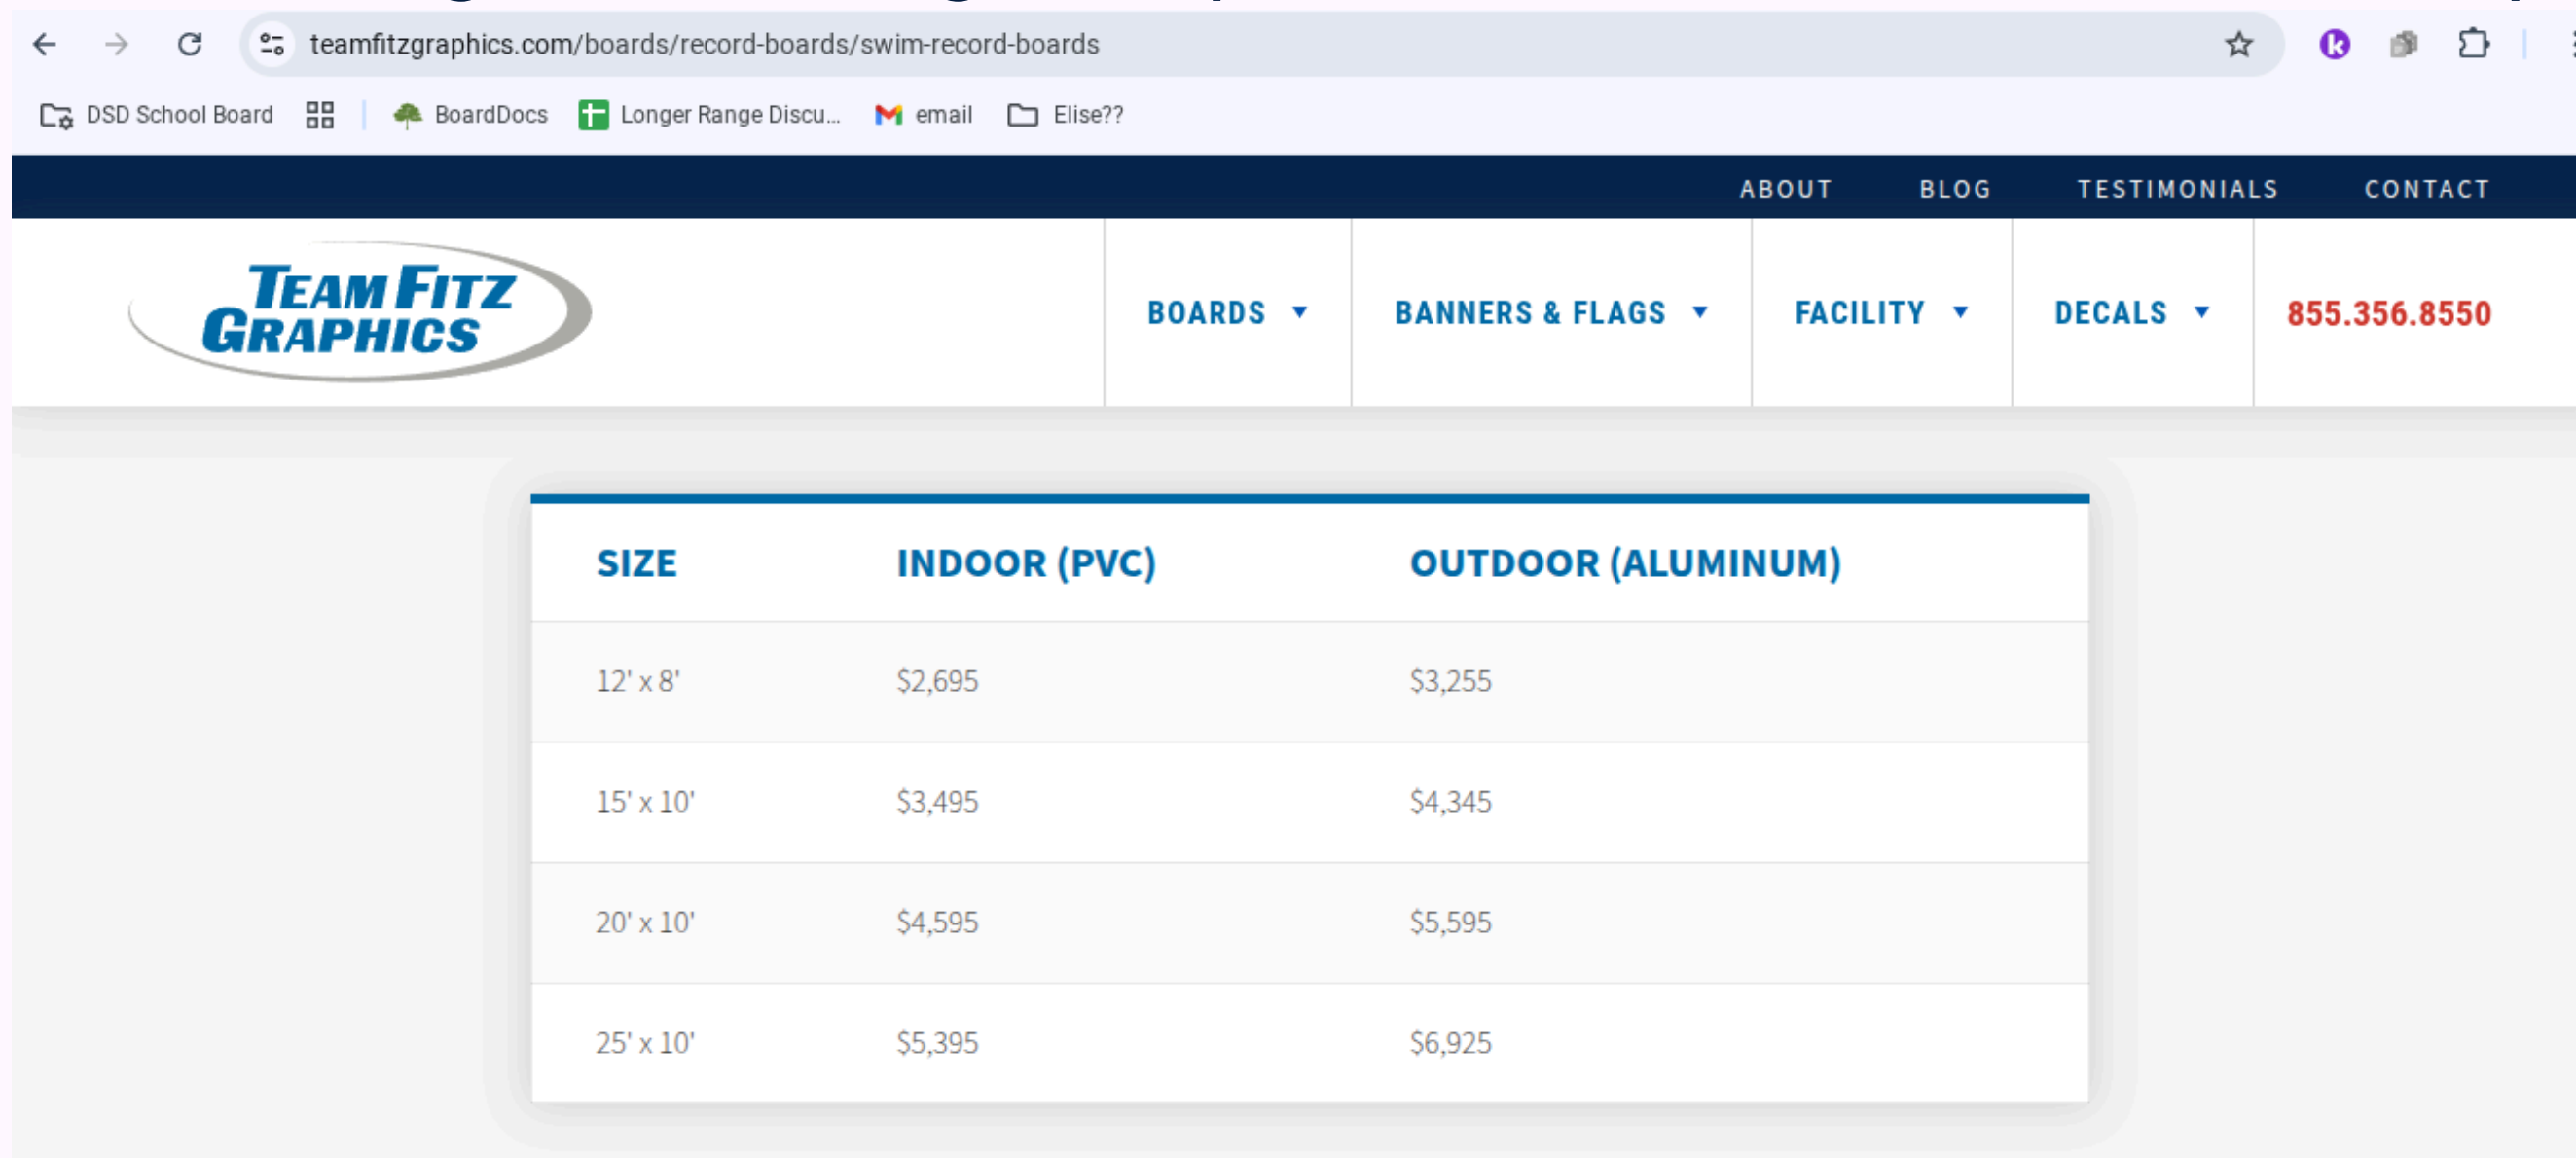

You are able to make personal swim goals

It shows people that there's a swim team

It celebrates the wins on our team

Details & Options

We will have to buy a board made out of Aluminum so it doesn't rust when it rains and so it's all season weather proof. The area we will put it in is a maximum of 12 ft long and 6 ft high. We have seen prices for this size of board range from \$2-\$6 thousand in price. We will need to submit a specific size and design ideas to get a quote from a few different companies.

The screenshot shows the Team Fitz Graphics website. The browser address bar displays 'teamfitzgraphics.com/boards/record-boards/swim-record-boards'. The website has a dark blue header with navigation links: ABOUT, BLOG, TESTIMONIALS, and CONTACT. Below the header is a white navigation bar with the Team Fitz Graphics logo on the left and links for BOARDS, BANNERS & FLAGS, FACILITY, and DECALS on the right. A phone number, 855.356.8550, is also displayed. The main content area features a table with pricing for swim record boards.

| SIZE | INDOOR (PVC) | OUTDOOR (ALUMINUM) |
|-----------|--------------|--------------------|
| 12' x 8' | \$2,695 | \$3,255 |
| 15' x 10' | \$3,495 | \$4,345 |
| 20' x 10' | \$4,595 | \$5,595 |
| 25' x 10' | \$5,395 | \$6,925 |

Richland Center's Board

<

Board's Location

The Records Board can go in the open area above the bench where it's easy for all swimmers to see.

Thank
You

Proposed Vision Statement for City Rec:

To create a thriving community by fostering a healthier, happier and more connected community for generations to come.

Proposed Mission Statement for City Rec:

Our mission is to strengthen our community by providing diverse programs, events, and spaces that promote health, happiness, and connection across all generations. We are committed to creating opportunities that inspire active lifestyles, encourage lifelong learning, and unite people through play, wellness and meaningful community engagement.

Proposed Values for City Rec:

Community – We build belonging and bring people together across all generations.

Wellness – Promoting physical, mental and emotional health.

Excellence – Striving for quality, innovation and continuous improvement in all we do.

Collaboration – We partner with neighbors, organizations, and local leaders to strengthen our community.

Playfulness – We celebrate joy, recreation and the power of fun.

Why are these important for the Recreation Department?

- Provides clarity in showing the community what we strive for and what our actions are based on.
- Provides guidance for the staff with our programs and connections.
- This can be on our department website, activity guides, etc.
- This could also help the staff to know if what we are doing is working towards our goals or taking its own path.
