Council Member Geoffrey Tahuahua

## BUSINESS AGENDA

1. **Discuss and consider possible action regarding the FY26 Founders Day Festival budget and possible Budget Amendment request.**

\$87,850 has been received in sponsorships. Expense for Sanitation is over budget because of the expanded event area. \$3600 for Dispatch is an unexpected expense. Our 10% increase in Fire and EMS was not a sufficient increase. T-shirts for volunteers (\$1310) is an unbudgeted expense. The cost for the security cameras (\$2116) was not in the budget but will, hopefully, be covered by an in-kind sponsorship. The Committee will continue to collect numbers and assess the need for a possible budget amendment prior to next week's meeting. No action was taken.

2. **Discuss and consider possible action regarding the proposed 2026 Founders Day Political Expression Policy.** *Aniz Alani, City Attorney*

No action was taken because the Founders Day Committee discussed and voted upon the 2026 Founders Day Political Expression Policy during the March 23, 2026, Founders Day Committee Regular Meeting

## COMMITTEE REPORTS

*Reports are for purposes of planning and providing staff direction for activities related to the Founders Day Event, and no action shall be taken.*

3. **Arts & Crafts Committee**  
*Members: Handley, Borges, Strang (St. Martin de Porres Reps)*  
*Staff: Community Events Coordinator Johnna Krantz*

Arts & Crafts vendor booths are 100% full, with 23 on the waitlist.

4. **Budget Committee**  
*Members: Garza*  
*Staff: Finance Director Shawn Cox, Community Events Coordinator Johnna Krantz*

Discussed in Business item #1. Committee Member Garza will email the budget to all Committee members.

5. **Carnival & Food Committee**  
*Members: Goss, Phillips, Warwick (Lions Club Reps)*

College Street Food vendor booths are full. Sale of carnival tickets will begin at noon on Friday, April 10, and end at noon on Friday, April 24.

6. **Cook-Off Committee**  
*Members: Toms, Garza, Cornett (Cook-Off Club Reps)*

The Cook-Off judging area will be in Roxie's parking lot.

**7. Downtown Relations Committee**

*Members: Searle, Holtzendorf*

Letters for businesses will continue to be distributed.

**8. DSISD Committee**

*Members: Cumberland, Berry (alternate)*

DSISD lighting in DSHS parking lot and in the carnival area on DSISD property will remain on until 12:30 pm on Friday and Saturday and until 10 pm on Sunday.

**9. Entertainment Committee**

*Members: Cornett, Holtzendorf*

Contracts for entertainment artists and sound have been returned or are in the process of being returned. Plans are being made for a Mahjong teaching event in the hospitality tent on Saturday morning. Proceeds will be donated to FDC as a custom sponsorship.

**10. Parade Committee**

*Members: Rutherford and Holtzendorf*

*Staff: Community Events Coordinator Johnna Krantz*

Parade meeting will be held on Thursday, April 9, at DSRP. Probable numbers of entries are 24 paid, 8 DSISD groups, and 2 or 3 sponsors.

**11. Traffic & Parking Committee**

*Members: Borges, Holtzendorf, and Toms*

*Staff: City Maintenance Director Riley Sublett, and Community Events Coordinator Johnna Krantz*

No report given.

**12. Publicity Committee**

*Members: Ward, Cornett*

*Staff: Content Marketing Specialist Stephanie Hartnett*

Social media posts are continuing. The Photo Op action area promises to be super cool.

**13. Safety & Security Committee**

*Members: Strang, Shindler, Handley*

*Staff: Emergency Management Coordinator Roman Baligad, and City Maintenance Director Riley Sublett*

We are waiting on the NHEMS quote. Hays Sheriff is coming in slightly under budget. Fire is coming in over budget. We will have one more Spears officer than last year. Surveillance towers will come in as an in-kind sponsorship. Hays Sheriffs will need 4 golf carts (only is included in our budget). Emergency Management Coordinator Baligad stressed the need for safety during the event.

**14. Sanitation Committee**

*Members: Phillips, Shindler, and Holtzendorf*

*Staff: City Maintenance Director Riley Sublett*

Sanitation is over-budget but necessary because of the event's extended area. Arrangements are being made for food vendors to have access to fresh water and for disposal of gray water. TDS is providing trash bags, but we might need to provide additional bags.

**15. Site Plan Committee**

*Members: Shindler and Handley*

*Staff: City Maintenance Director Riley Sublett, and Community Events Coordinator Johnna Krantz*

Ask for maps if needed.

**16. Sponsorship Committee**

*Members: Ward, Cornett, and Garza*

*Staff: City Attorney Aniz Alani, and Community Events Coordinator Johnna Krantz*

FDC has an increase in the count of sponsors (57 vs 54) over last year. PEC is the \$7500 parade sponsor. Ascension Seton and Legacy Bone & Joint each paid 50% of the \$20,000 Main Stage Sponsorship. Efforts continue to obtain additional sponsors.

**17. Volunteer Committee**

*Members: Rutherford*

*Staff: Parks Maintenance Manager Patrick Baglietto, and Community Events Coordinator Johnna Krantz*

All but one volunteer spots have been filled. T-shirts for volunteers are ordered.

Arts & Crafts booths are full.

### 3. Budget Committee

*Members: Garza*

*Staff: Finance Director Shawn Cox, Community Events Coordinator Johnna Krantz*

Discussed during Community Events Coordinator Report.

### 4. Carnival & Food Committee

*Members: Goss, Phillips, Warwick (Lions Club Reps)*

Food permits and fees are being collected. DSRP is ready to receive and house the Carnival. The Carnival will drop the equipment on Wednesday, 4/22, set up on Thursday and Friday morning, and open at 4:00 pm on Friday, 4/24.

### 5. Cook-Off Committee

*Members: Toms, Garza, Cornett (Cook-Off Club Reps)*

Judging tent will be in Roxie's parking lot. Need for weights for all tent tie-downs was stressed.

**6. Downtown Relations Committee**

*Members: Searle, Holtzendorf*

Letters to be distributed to businesses tomorrow, April 14.

**7. DSISD Committee**

*Members: Cumberland, Berry (alternate)*

All is good. Timing about the panels set-up on DSISD property and the carnival opening was discussed.

**8. Entertainment Committee**

*Members: Cornett, Holtzendorf*

*Staff: Community Events Coordinator Johnna Krantz*

Registration for the Saturday morning Mahjong event in the Hospitality tent is full (48 registrants are \$25 each). Merchandise store is up and running. Events coordinator Krantz will pick up supplies for green room closer to the event.

**9. Parade Committee**

*Members: Rutherford and Holtzendorf*

*Staff: Community Events Coordinator Johnna Krantz*

Parade Meeting was held. Late registrations will not be accepted. If the parade continues to be a walking parade, the parade meeting could be a virtual meeting. Imperial Traffic Control will drive down the route and drop off the cones. Home Depot volunteers and City staff will assist with setting up and taking down the cones and pennant strings that mark the route. One bleacher will be on Mercer across from City Hall and one will be on Mercer across from Roxie's. Brad Thomas will announce. Flying Fish has offered their parking as a safe drop-off area for parade participants (drop-off only, no parking).

**10. Traffic & Parking Committee**

*Members: Borges, Holtzendorf, and Toms*

*Staff: City Maintenance Director Riley Sublett, and Community Events Coordinator Johnna Krantz*

**12. Safety & Security Committee**

*Members: Strang, Shindler, Handley*

*Staff: Emergency Management Coordinator Roman Baligad, and City Maintenance Director Riley Sublett*

Paneling in carnival area and the grassy area at city hall can be set up on Thursday, Apr 23. Paneling in front of DSISD maintenance building and warehouse will not be set up until Friday. All paneling will be removed by 7:00 am or sooner on Monday, April 27. Two companies offered similar in-kind sponsorships of five surveillance cameras (3 on Mercer and 2 on Wallace). The Committee decided to go with the local company (Site-Cams). Mercer St from 290 to Bluff will be closed at 5:00 pm on Thursday, April 23, and all others surrounding the event will be closed at noon on Friday. Everything must be cleared out of the roads by 7:00 am or sooner on Monday, April 27. The location of road signs on the roads was discussed.

### 13. Sanitation Committee

*Members: Phillips, Shindler, and Holtzendorf*  
*Staff: City Maintenance Director Riley Sublett*

The Sanitation Committee is meeting with United tomorrow, Tuesday, April 14, and meeting with Clean-X on Saturday, April 18. TDS representatives will be on site on Saturday, April 25, to research festival needs in order to prepare a quote for services for 2027 Founders Day Festival. Search continues for trash bags, boxes, grabbers. Additional trash bags and gloves will be ordered. Dripping Springs Rental is providing a forklift for use during the event. Ice truck can be parked between the Stephenson Building and the Masonic Lodge. Portable toilets, roll-offs, etc. will be loaded in on Thursday, April 23. Dumpsters behind Hudsons will be temporarily re-located out of the event area.

### 14. Site Plan Committee

*Members: Shindler and Handley*  
*Staff: City Maintenance Director Riley Sublett, and Community Events Coordinator Johnna Krantz*

Contact Chair Shindler if you need any maps updated.

To Whom it may concern:

I would like to recommend that Thomas Toms continues his appointment to the Founder's Day Committee as a representative for the Dripping Springs Cookoff Club.

Thomas has been an active member of the Club for several years. He's always there to help and promote the Club to the community. He is dependable and represents the Club well. He's been a great representative for us on the Committee.

Regards,

Michele

Submission Date	Please tell us any questions/comments you still have regarding the 2026 Founders Day Festival:	Layout	Vendors
May 4, 2026	Why were tickets so expensive? As a family of 5 that's hard to justify. Couldn't you offer bundles with different price points? For example ....200 tickets are discounted more than just 1 sheet.		
May 4, 2026	Was there a free water station anywhere? We were told to bring water bottles and couldn't find it.		
May 4, 2026	Besides to parade. I. Believe the layout that yall had this year worked really well. Can't wait until next year	<b>worked really well</b>	
May 3, 2026	The parade was a mess people were running at the walkers that were in the parade which is unsafe! And I love where the carnival was placed this year! It was very organized other than the parade. And please next year put shade by the carnival their was zero shade to hide from for riding the rides.	<b>organized</b>	
May 3, 2026			

Liked the expanded carnival and overall expansion of thr festival.

Too many "advertising" booths on Saturday and Sunday, would have like to have see more handmade crafts and booths instead of business advertising.

Didn't attend the parade because of the changes. Husband graduated from DSISD and has lived here all his life and we were disappointed in the "no float" parade. We have 4 kids and have all been thru dsisd.

May 2, 2026

Founders day just isn't the same anymore like how it used to be....but that comes with change. I love this community event, but is there some kind of compromise allowed with the parade, like golf carts allowed? The parade was much less fun/enjoyable for spectators and participants. It was terrible to see how tired and hot people were waiting for so long and lugging carts of supplies instead of riding in vehicles.

May 2, 2026

**expanded**

**too much advertising**

**needs more handmade**

Need to bring. Back non walking parade and each entry has to have 2 people walking along side it to keep issues from happening Move main stage back to where it was to help out vendors I submitted a sponsorship and paid for it but did not get recognition. If you don't have the time to provide a sponsor for what they paid for s Don't have it on the sponsorship page to create and then send a bill which was paid for

May 2, 2026

Bring back the floats!!!! If you have any questions about how to do this safely, check out WestFest in West, TX. Floats are not the problem. Parents who do not supervise their kids and keep their kids behind barricades, and float sponsors who do not enforce the "no throwing candy like it is a hard pitched fastball" rule are the problems.

May 2, 2026

May 1, 2026

May 1, 2026

May 1, 2026

With the new format the crowds were down 1/2 so bbq'n tips and traffic were awful

May 1, 2026

May 1, 2026

Please bring back floats for the parade

May 1, 2026

**too far**

There was definitely more room to move. I didn't see the water stations like in 2025. I could have used those a few times.

The main stage location did not make sense? I understand it was by the city hall but it did not have the same feel as when it was by the Masonic Lodge. The Lodge just makes the best backdrop.

The Loo Crew bathrooms were an amazing addition! Props to whoever came up with that idea. A few times, I was like, "Damn! I need one of these at my house for when I am doing work in the 15 acres and need to go. The AC was most excellent!"

Ms Brenda over by the bathrooms was very attentive to peoples needs and she was helpful in directing people when the public bathroom doors had already been locked.

The parade though.... My granny

May 1, 2026 taught me if I do not have any

**less crowded**

Bring back the floats. You've ruined tradition that has been here in OUR town for a long time. Dont move here and change our ways. Fix it for next year. If you're concerned about kiddos running in the street then get better barricades for Friday. Easy fix.

May 1, 2026 I loooove the new layout! The only criticism would be the parade. Bring back the floats!

May 1, 2026 Maybe some horses, too.

May 1, 2026 Is there a list of all the booths from the event

**Loved**

**List?**

May 1, 2026 Loved the setup of the rides! The parade was lacking for sure but overall great weekend  
Like many, I was disappointed in the new parade. Please bring back the floats and fun. Surely we can do this, as many cities manage to.

**Loved**

**Loved**

**booths and food**

May 1, 2026 Love the booths, new location of the rides, and all the food to taste. Well done!

May 1, 2026 Love how the carnival was located on DSISD grounds. Much more spread out was wonderful. Loved the main stage location too. Loved the taste of Drip. Did not enjoy the parade.. People were literally walking through the parade during the parade, so we weren't always sure who was a parade participant vs just a passerby. No one was even sure when it was over! Bring back the floats, no candy at all! Kids don't need more candy anyway!

**Loved**

**Taste of drip**

May 1, 2026

May 1, 2026 Parade route and location needs to be revised.  
This year we skipped the "parade". It didn't seem worth the trouble of getting seats along the route to watch people marching. Kids love floats but adults love them just as much. Will Founders Day end up being a carnival and food trucks at some point? I hope not.

**too many food trucks?**

Glow: Layout was amazing! Loved the main stage area with the tables.

Grow: Parade- We need away to keep the street open for the parade and keep bystanders from walking in the parade, cutting it off, and having the kids squeeze the parade closer and closer to get candy.

Suggestion- chalk paint lines on the sides of the street, I do like the barriers, more staff, make a clear announcement of where to sit and rules of watching on website to community.

May 1, 2026

Being Type A Rock band back on Friday night!!! The other band just didn't cut it.

We tried but they just didn't have the same energy, crowd, and frankly we met the band there and now it's our thing after the parade. And after that parade we needed Type A!

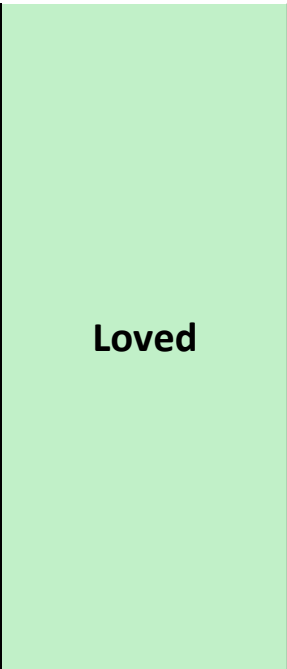

May 1, 2026

May 1, 2026

Parade. As a walking participant accompanying an 8 year old, I did not feel safe. Toward the turn onto Wallace, the parade dissolved into a loosely group of people walking in the midst of a crowd of unruly adults and children walking up to us literally begging for candy. I've been in many flounders parades and always recognize lots of folks. And yes, DS has grown but I only recognized 3 people.

Sad it has come to this, and we did not come back for any other part of the weekend.

May 1, 2026

**Loved**

Apr 30, 2026 Loved the new layout for the carnival. Stage location along with local vendors was also really great. The parade was awful. I tried to be open minded about a walking parade but it was just sad. Grateful for those who participated but with no barriers the crowds could not be managed, which made it more unsafe for the children walking in the parade. Please bring back floats and metal barriers.

**Loved**

**local vendors**

Apr 30, 2026 The parade needs to come back with floats. A golf cart service to help get from Mercer to parking lot on old Fitzhugh would be awesome plus a bike rack to lock up bikes for those who rode instead of drove.

Apr 30, 2026 Move the main stage back to the middle of Mercer!

**Put it back**

Apr 30, 2026 I miss the floats and I miss the layout of the rides from previous years. Such a long walk from vendors to the rides with that stage there.

**Old Way Better**

Apr 30, 2026 We would like to go back to a normal parade. Okay with restrictions in size, candy, etc. also did not mind new set-up but did not walk and see the big stage because of distance and location to kid area. Loved our cowboy cabana. Hope we get first right if refusal for next year or early sign up for the same one.

Apr 30, 2026 Tents for shade around the carnival rides would be nice in the future.

Apr 30, 2026 Bring back floats.

Apr 30, 2026	Love the main stage by city hall and also the carnival rides location. Please bring back the parade floats - the parade was exciting and not joyful this year.	<b>Loved</b>	
Apr 30, 2026	The spacing of the vendors was great! Taking out that middle row and moving the stages was great idea.	<b>Loved</b>	<b>spacing</b>
Apr 30, 2026	The parade was terrible. As a parade participant, it was ridiculous people were walking in the parade, children crowded parade participants, spectators didn't realize the parade was still going and walked directly into the parade. It was impossible to walk through the herd.		
Apr 30, 2026	Parade-As parade participants, I found the lack of crowd management deterred from the parade itself. Our participants were struggling to squeeze through crowds, dodging children who tried to join the parade, and did not feel the route was clearly directed. Carnival layout-this was a great improvement. The layout allowed guests more space to spread out, making it far more spacious and enjoyable.	<b>great improvement</b>	

	<p>Love the additional carnival rides and using the field to space out the rides. Love the bumper cars!</p> <p>Parade- I walk with DSUSA cheer and putting little girls at the end of the parade with no police or and vehicle was a dangerous idea. People were walking in the parade with us since there were no spectator lines being enforced. It felt make dangerous for our group than the trailers. I don't hate the walking parade but there needs to be more structure and enforcement next year.</p>	<p><b>Loved</b></p>	
<p>Apr 30, 2026</p>	<p>The parade was an embarrassment. Bring back the floats.</p>		
<p>Apr 30, 2026</p>	<p>Loved the location of stage and all the tables and covered area with tables.</p>	<p><b>Loved</b></p>

<p>Apr 30, 2026</p>	<p>Not many celiac safe options. I got very sick after founders because there were little to no safe options for people like myself with celiac.</p>		
<p>Apr 30, 2026</p>	<p>Kids stage rocked! Saturday night last show was entertaining. Sunday Church Service was amazing! The whole event was spectacular! It felt very secure and clean.</p>	<p><b>Amazing</b> <b>Spectacular</b></p>	

Apr 30, 2026

I absolutely loved founders this year. I enjoyed the walking parade - my son could care less about floats - he was all about the candy and he got so much more than past years! The layout was so much better and made for an enjoyable experience even though it was crowded. We loved the live music area with local food vendors and shade. Having benches around the carnival was great. Thank you!! I appreciated the extra security or just that they were more apparent. It was the best founders yet! And yeah for having no goldfish to be won(bought) ☹️

Parade. The lack of floats made it challenging for the parade to tow properly. Walking at different speeds creates large gaps. It was impossible to see any parade participants because they were just walking in a large messy crowd.

The layout of all of the rides and vendors was an incredible change. Really made everything feel less crowded, safer and more compartmentalized.

Parade revamp had good intent, but was not executed well due to the revised route.

Two recommendations.

1. Bring back the floats, add more area school bands and JROTC programs to March in it.

2. Update the route. Parade line up should be on Old Fitzhugh. Route should run west down Mercer and end at the old DSISD admin building exit (Old Parade way)

Apr 30, 2026

Bring back the floats for the parade, don't pass out candy or have volunteers walking alongside the floats handing out candy. Put up markers/ropes that define exactly where onlookers should stay behind. Then, recruit more volunteers to patrol the parade routes and crowds for children crossing the lines, etc....I feel like many people will step up and volunteer to help make this a safe and enjoyable event for the community.

Apr 30, 2026

Can we rope off carnival ride lines?  
 Can we Increase police presence in carnival section/ not huddled but dispersed and near most popular/longest lines?  
 Line cutting big issue and both kids and adults acting up about it, scattered police presence around carnival would help.  
 Can we go back to floats for the spirit of the community? Walking that was hard for kiddos and they miss decorating the floats etc. I missed seeing the fun floats!  
 Perhaps create a reserved paid for front row chair line up and that could be the barrier.  
 Can we have police scattered along parade route so that people don't get inside parade route?  
 Charge a ticket fee to get in/ not just for rides to help cover these added expenses?

Apr 30, 2026 The parade was horrible bring back the floats!!!  
I did like how the booths were set up.

**set up**

Apr 30, 2026	I think the setup this year was awful!!!! The parade had people running through it ran into each other and was absolutely terrible! The stage should go back where it used to be! Kids overran the stage ran people over because of where it was located right by the kid rides. I did appreciate the booths moving down old Fitzhugh, move everything else back! The city has ruined a good thing!		old fitzhugh

Apr 30, 2026	Didn't mind the walking parade. LOVED the set up for the rides - so much better flow!!!!	Loved	
Apr 30, 2026	I thought the new set up was great and the security was on point! Great job.	Great

Apr 30, 2026	The parade changes completely ruined the historic vibe of the event. The Law Enforcement piece I understand, albeit over the top.		
Apr 30, 2026	Bring back the floats! The walking parade was a joke		
Apr 30, 2026	Love the new layout! I suggest putting some food options closer to the carnival (pizza, hot dogs, nachos, etc) for the kids and families that stick to that end of the street. The food was quite far from the rides.	Loved	

Apr 30, 2026 Carnival and booth layout was great! Bring back floats and barricades for parade and NO candy! Kids will still enjoy the parade and can get a sweet treat somewhere after!

I loved the new layout! It was so easy to walk around and the main stage was in a great spot! Having the rides in the new area was so much nicer for adults looking at the booths.

I did not support the parade and I am glad I didn't. We need the floats back and rethink the route. Parades should not double back on themselves. I heard it was a mess.

Apr 30, 2026 3.

I hated the parade. It seemed chaotic. It was not the heart and soul of founders festival like it's been in years past. I hope you can find a way to bring it back. Maybe they parade down old Fitzhugh instead to stay off Wallace? Please find a better solution than a walking parade.

I loved the carnival expansion. More rides, more space. It was great

Apr 30, 2026 The walking parade was chaos! There did not seem to be any volunteers or event staff to keep the public out of the roadway when the parade was trying to proceed after making the block. Kids were running through the participants trying to grab candy. Not a great (new) route, and not well defined.

Apr 30, 2026 Bbq move in times should be follwed even if you are a cooker who is also on the founders day board. And I believe you should be disqualified from the competition if you ignore the rules! Move in times exist for a reason!

Apr 30, 2026 Everything was amazing except the parade. Please bring back a motor parade format. LOVE the new layout of the stages, carnival, vendor booths (with no center booths on Mercer—less congestion!) All of that was so much better.

Apr 30, 2026 PLEASE bring floats back to the parade! Couldn't see anything! Loved the layout this year and the positioning of the carnival. The parade is usually my favorite part though, and that was a disappointment this year.

First, thank you for volunteering your time coordinating another successful Founder’s Day Festival. Personally, I liked the new location for the main stage and carnival. Having a freshly minted teenager, I appreciated the separate area for him to roam with his friends while also not feeling too far removed when I was listen to the live music. Overall, it felt less congested trying to navigate idea with the littles.

Apr 30, 2026

I also liked the set up of display booths. Nice job! Looking forward to next year’s fun!

1. Restore the parade to its original format.... floats, decorated trucks the candy for the kids and exposure for local businesses.

2. Address the needs of the handicap. Close in parking or shuttles that drop off close to the booths. Say one of side streets to drop off in the middle of the booths.

Apr 30, 2026

Overall there were a lot of positive comments.....

**wonderful**

Apr 30, 2026

The parade should have had a way to officially start it, for example officers on horses and a way to control the crowd on the sides. The return route should be improved. Overall tho, the new layout was wonderful thank you to everyone involved who helps put this together.

1. I loved the new layout with the carnival and rides pushed to the old Walnut and not having to walk through all the carnival games getting sold to before we could get to the rides!

2. The parade was an utter disappointment to me. So many kids look forward to decorating their float. The very young and the elderly are going to have a hard time participating because of the walk. Advertising is much harder. Surely there is a way to bring back the floats AND the candy throwing by doing research to see how basically everywhere else is able to do it. Maybe change the route so it goes straight on through rather than having a sharp turn?

Apr 30, 2026

Apr 30, 2026

Floats need returning to parade. Our family would really like to see the float parade and normal parade route come back. Every small town has a parade and this year, while the participation was appreciated, felt very disconnected and awkward. Not only with the walking parade (hard to see, hard for kids to get candy etc) the parade ended smack dab in the middle of Mercer Street. Which is really insane, that's our only downtown strip! At least go down the entire length of Mercer. Or use old Fitzhugh and Mercer. Anyways, I hope someone can bring back the floats and true small town spirit!

Apr 30, 2026

**Loved**

Loved the new set up for the rides and games and stages — so bummed about the parade. What a mess. It was so lack luster without the floats and music but more importantly when the parade route doubled back on itself and then one side of spectators couldn't see the rest of the parade. Please bring back the floats and change the route. Please.

Bring the parade back to the way it was. Move main stage back to where it was. I liked the carnival back where it was moved to.

Apr 30, 2026

Apr 30, 2026 Parking?

I attended Friday and the day was very smooth. I actually did not mind the walking parade. I felt it much more safe, especially as there are little ones running around. Great job as usual.

Apr 30, 2026

I had so much fun! I like how it was more spread out, like the main stage by city offices and the carnival area kinda split in littles vs older kids ride areas. Thank you to all who spent time putting this together for the community. We had family from out of town & they said it felt like what you see in the movies or TV shows for small town carnivals (good feelings & vibes).

**so much fun!**

I know the parade was a different format from prior years, maybe a decorated golf cart parade would be a good compromise?

Apr 30, 2026 We appreciate y'all, made some great memories.

Apr 30, 2026 Loved the level of security provided , excellent job .

The parade was very unorganized and monitored. Tons of kids walking and interfering with the walkers in the parade. The flow of people was amazing moving vendors out from the middle of the street was great. Festival felt less crowded. Carnival layout was perfect separating the big rides from the kiddy area was so nice. Felt safer and didn't have to battle rude teenagers. The porta-johns were cleaned and stocked everyday! All in all one of the better Founders I was pleasantly surprised.

- Apr 30, 2026 No parade instead of a walking parade.  
Bring back the parade with vehicles. Move the music main stage back to original location.
- Apr 30, 2026 Change the judging, and process of turn in. Allow competitors to start bringing in equipment on Thursday PM.  
Suggestions for parade...move it to the high school like we do for the homecoming parade. Bring back floats. There is more room, more parking, easier route and curbs to keep people at a safe distance. That could also allow vendors to set up on Friday evening to get more traffic if they choose.
- Apr 30, 2026 No questions but a couple comments. I was a vendor in 2026 & plan to be there for 2027. Sunday vendors were rarely visited by attendees.  
Recommend not having a second day for vendors or shorten the hours from 11am until 2 or 3 pm at the latest on that 2nd day. If a second day is planned, consider an "opt out" for vendors who wish to only be there for Saturday.
- Apr 30, 2026

**let vendors set up on Friday**

**should be able to opt out for Sunday**

Parade was not great at all. I would go back to having it the way it was before or do away with the parade all together.

Cook- off, maybe make it a sanctioned event so we can have real judges instead of having random people who don't know what they are really doing. These cooks really try hard so when random people are picking, it makes it hard to go in a direction in what is really being judged.

Also, the move out time would be nice to have sooner than 6pm. Right after awards would be better as we still have to get everything back home and really don't want to be out super late after a long cooking weekend. It just seems a lot of cooks are just sitting and waiting to leave.

Apr 30, 2026

The walking parade was the most pathetic thing I've ever seen. It was just sad and pointless. I LOVED the way you opened up Mercer by not having vendors in the middle; that was a HUGE improvement. I felt like the main stage was too far and seemed disconnected. I would suggest maybe setting it up in the new parking lot area behind the Masonic lodge next year. The carnival location was fabulous. Overall it was wonderful, but please bring back the real parade. Please and thank you.

Apr 30, 2026

<b>LOVED</b>	<b>spacing</b> <b>huge improvement</b>
--------------	---

I didn't see the parade myself but have heard a lots of people were disappointed with it. Of course no floats was the biggest complaint but also it was very short. As a vendor, removing the middle row of vendors on Mercer was NOT helpful, people did not get close enough to the booths to talk with them. That combined with the HUGE price increase means that I won't be involved as a vendor again next year if the price and set up remain as it was this year. This is sad because as a Dripping Springs small business owner I have always loved being a part of Founders as a way to engage and offer fun games and prizes for the children of this community.

Apr 30, 2026

**too expensive**

**middle row  
good for sales**

LOVED the changes to the locations of the carnival and rides (also loved no alcohol allowed there due to being on school property), loved the vendor tents pushed to the edges of the street so the main walkway was open, loved the new location of both stages as well as the the tents tables & chairs, plus the many food and drink options surrounding them.

The only thing I/we didn't like about this year was the parade. The route was chaotic at the end where it doubled over, the people/kids on the edges pressed in too far since there were no barriers of any kind, and the walking only part left it rather uninteresting and difficult to see. Literally, everything else was great!

Apr 30, 2026

Bring back parade floats or at least organize the walking parade so that patrons aren't walking through it. It was so chaotic. Have some sort of security at each line for the bigger rides to keep older kids from cutting in line. They don't care if they get called out and I can't reprimand someone's else's child. The addition of new rides helped alleviate the long lines some, but keeping people from cutting would help a lot. Also, lowering the cost of carnival games would be great.

As always my family enjoyed this event. Went all 3 days.

I liked the fact that there were no booths down the center of Mercer. Great idea. Crowds were manageable. Rides were in a great spot.

I know the main stage was moved to a different spot. It was roomier . I always liked it by the BBQ side of the festival. You could walk around to get BBQ and hear the music .

Apr 30, 2026 If anything that would be the only thing I did not like this time. Bring back the floats in the parade! Limit commercial floats , only allowing locals and kid groups. Return the main stage to the old post office!

Apr 30, 2026 Everything else was great! Clean! Lots of fun.

Apr 30, 2026 Please put the awards back on the BBQ Team side of Mercer Street.

Let's have a parade like the rest of the world. With vehicles. Here's your solution:

Apr 30, 2026 Metal barricades. Ban the throwing of candy. Have vehicle walkers, a minimum of 2 to 3 per vehicle, wearing glow vests and they are used as spotters.

- Residents on Hays Street were unable to exit our neighborhood due to vehicles parked in the ROW on highway 290. It was impossible to see if cars were coming. The only option was to exit onto 12 which also had limited sight due to vehicles parked in the ROW. A right turn out was barely manageable and a left turn was impossible. There was no signage on HWY 290 alerting drivers of a festival or increased traffic or pedestrian traffic for those coming into town from the West. Please increase signage and block vehicles from having access to park in the ROW. I'm happy to provide a map of the areas I have described.
- Apr 30, 2026
- Bring back the motorized parade and move the stage back to its original spot
- Apr 30, 2026
- Would love to see the parade having floats. The main concern I had is people walking across 290 in the dark. I saw multiple people almost get hit. It was frightening. Maybe have some police presence on the west side directing people to the light to cross. Or have more Lighting at night on that side of town on 290.
- Apr 30, 2026
- We had a great time at founders day! The one thing I'd like to mention is that the parade was disappointing compared too years past where there were automobiles/bigger floats allowed.
- Apr 30, 2026

Loved the event. Only one gripe. Dogs. I understand service dogs and respect them. Folks that bring their pets on a super hot, crowded day is not fair to the animals. That's all.

**Loved  
Thanks**

Apr 30, 2026

Huge thanks to all the time and effort that goes into making this a success

I realize the growth that Dripping Springs has had through the years but as an old time resident, the choice of a walking parade was such a disappointment. As much as it would be great to protect every single attending person, it's just not realistic.

Things go wrong and people get hurt. I am hoping that you can find a compromise moving forward.

Apr 30, 2026

Love the new set up with Carnival and music stage locations!!

Apr 30, 2026

The expanded carnival layout was amazing! Lots more room and didn't feel overly crowded. The parade was a disaster. You can't make a rule that the participants have to walk and cannot throw the candy and expect kids not to push forward to reach those walking to get the candy.

Apr 30, 2026

The shuttle should run all 3 days so we can safely park at the high school and be transported to the festival. The parade needs more thought. Either there should be barricades to prevent children from entering the street, or there should be no candy handed out that tempts kids into the street. I prefer candy with barricades to keep the fun for the kids while keeping everyone safe. Please bring back the floats and horses. I don't see what the issue is with barricades being used.

Having attended Founders for many years I have to say this year was nicely laid out and cleaner. Using the old education center parking lot really made it more comfortable. We weren't fighting or zigzagging to walk through. Having volunteers cleaning the grounds and no tossed candies from the parade made it so nice not having sticky dirty grounds to walk on. The only gripe I have are the people who attended letting their trash get blown around and not picking them up especially when there were trashcans every few feet. Otherwise, kudos to all the organizers and volunteers. Bring back the damn parade with the floats!

Apr 30, 2026

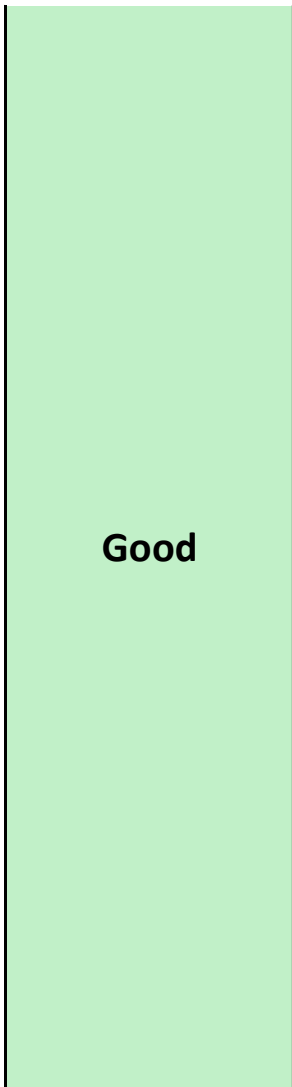

Apr 30, 2026

It was good overall. Sure you have heard over and over again about the parade, but it did seem a little short. Not sure exactly what the restrictions were, but may be allowing golf carts or something to that effect that makes it fun to watch. My kids always love to see the different decorations.

The new layout for the rides was fabulous. Much easier and less stressful having the big kids over on the other side plus no line cutting that we have dealt with in the past.

Overall, very fun time we love the barbecue and talking with all the competitors there. Seems like the vendors were a little lighter this year. I know they got to spread out, but seem like there were less.

Apr 30, 2026

I went to the first 30 or so , however I skipped the last few years because it got so big and not near as much fun. I was sad to hear about the parade and how they didn't have any motorized vehicles and they couldn't throw candy to the kids apparently they handed it to the kids (didn't bother going myself ).

I found that totally ridiculous. Sorry if some parents don't watch their children and put their kids in danger. I don't know why everybody seems to have to take the fun away from everything for these young generations coming up, ( and then we wonder why they turn out to be snowflakes ) I also didn't particularly like the main stage being down at the end of the road. I liked it in the heart of the festival where it has been for ever.

Apr 30, 2026

The set up this year was amazing. Please do it again next year. Can we please bring back the floats next year?

Hello!  
Founders is probably the event we look forward the most as a family and I can say that for a lot of other families as well. So thank you for putting this event together.

I think this year the parade was too short. I would bring back the vehicles and make a really fun parade.

I loved that the bigger rides were further away and were separated from the little kids rides.

I heard about talks of doing it somewhere else. I think that would be a mistake. Downtown Drip should always be the place to do it.

Apr 30, 2026 Thank you again for everything you do to make this happen

The parade was underwhelming. And it caused more people walking in the parade route that were spectators.

Outside of that, I love the layout this year and more seating opportunities. Love the stage placement too.

Apr 30, 2026 The layout is way better than prior years with the stage being by city hall and the carnival being by the school. The extra security was great and comforting. The walking parade was disappointing and I hope to see a good old school founders parade next year

**way better**

The vendor booth layout was so much better this year. It felt less crowded and was easier to navigate! The main stage being moved will be an adjustment but having shade was nice! The carnival was in a great location! The parade floats need to be brought back. It felt very random and like anyone could just join in and walk along with everyone else. It was also very hard to see the parade if you weren't at the front row.

Apr 30, 2026 I really liked the vendor booths that were in the middle of the street being moved, the traffic flow was much better. I did not like the walking parade and I really didn't like the main stage location. We didn't even go down to the dance or to hear the music because it was a trek and away from all of our friends that were cooking and gathered at Hudsons, Grawlix and Barbershop. The main stage should be back in the center of town.

My group and I purchased a cowboy cabana and while it was convenient, we would like to have the old set up with the main stage being across from the street vendor food. We missed the main stage being in the old location and would liked to have had a cabana near the old VIP section/main stage

Comment: we've come to this event for 8 years and have always loved it. Until this year. 😞 We came with a group of friends (10 of us) and we all came away with only one negative thing to say. This year we noticed a TON of vendors that were a negative for us. Lots of vendors that felt like a wasted space. Dentist, physical therapy, roofing companies, gutter company (Leaf Filter) etc. it seemed like sooo many of those type of vendors and it wasn't enjoyable. Many would try to stop you and engage you so they could try to sell their product or service. We found it unpleasant and difficult to avoid. We love the more traditional vendors with crafts, homemade soaps, jams, seasonings, Tshirts, hats etc. Sadly this year was not as enjoyable in that regard. We even found that we finished our day's visit early (earlier than any

This was our second year to ever attend and we love this event! One suggestion I have is to advertise the times that the vendors will be set up and out until for both Saturday and Sunday. From what I saw online on Facebook, it seemed like Sunday was more of a half day event but not that vendors were set up as well. This may only be helpful to newbies but we didn't attend Sunday last year either because of this same situation. Advertising where newbies can find out more info of what to expect, what to bring, how it works with the food and those competitions, the drinks, fun picture backdrops set up and where etc. I still feel like we missed a good amount of the fun just not knowing this information and I couldn't find it anywhere.

We LOVED that the carnival was bigger and separated by the littles and the bigs. No booths in the middle of Mercer was Fantastic! There was SO MUCH more room to walk through and not feel like you were going to get trampled! The Main Stage at City Hall was great and it was even better that you had the LOCAL vendors showcased there!

Something to improve would be more restrooms at the carnival area. There were only the ones at the entrance off of mercer and the ones all the way in the back of the big kid section. If there were some in the middle under the overhang of the old admin building.

The parade was lacking. We were at the end on San Marcos Street, and we only saw about 3 groups because of the huge gaps that

Hi! We love Founders every year!

Just 3 quick things:

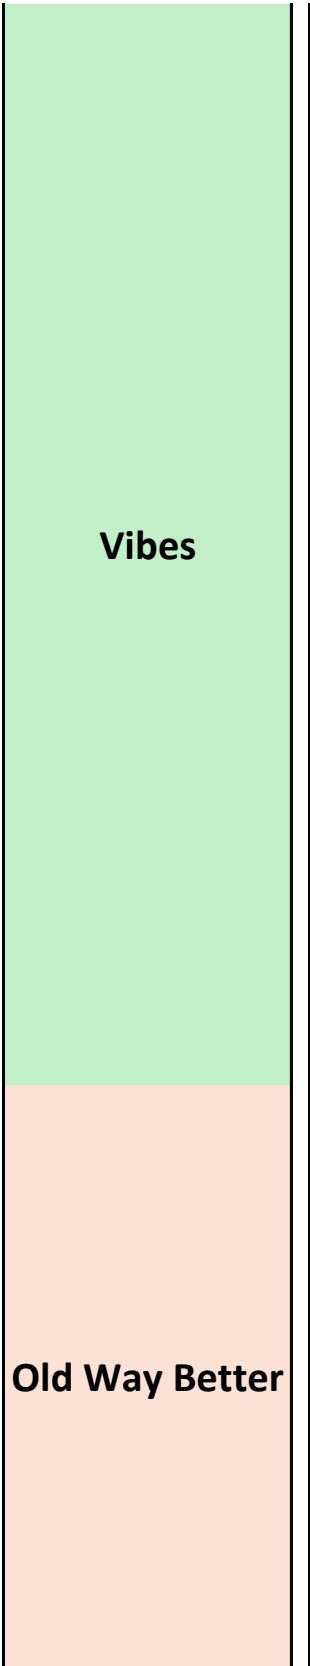

1) I liked the new layout. I think it made a lot of sense. I heard someone comment that it allowed you to “choose your vibe” which sounds like an accurate thing to say. If you prefer to go for rides, they’re on one side, carnival games had a little more space for those who do those, Mercer and the food was separate. Maybe if we’d been there for longer, that would have been hard going back and forth, but we didn’t get to enjoy it as much as usual this year with our family schedule this past weekend.

2) We were in the parade and in the very back and it was PAINFUL waiting to begin. I’m very pregnant (I know that didn’t help), and my daughter is only 7, so both of us were dying sitting on the hot pavement for at least 15 minutes. Hosting the barbecue awards at the main tent was too far of a walk. Most of the cooks are older people in that walk was too hard. Additionally, the tent and shade provided was not adequate enough for the size of people coming for the awards and it was told that pop-up tents were not allowed. Several of us at indirect heat for over an hour. It would be nice if awards were moved back to the stage near Old

I appreciate the concept of the walking parade. As a prior year driver the barriers are so hard to navigate with trailers. But as a spectator I appreciate no barriers. Would love to see the “walking” concept modified. Could include golf carts, gators, quads, classic cars, tractors, etc. something smaller but still motorized.

My largest complaint of the parade this year was the staging of the band. The parade route posted it started at admin building. But band staged on Mercer which created spectator confusion and some juggling to get colorguard in front of them. Please keep all staging and start of parade at the admin building.

Would also like to see the participants walk the end of the parade to the end. Many  
The set up  
Chefs kiss amazing  
Two stages..booths all the way..the carnival reminded me of Greese the movie loved that...

Parade was awful.

Loved	full length

Apr 30, 2026 The parade was less than exciting. I think it needs to go back to a parade with vehicles. The move of the main stage pulled people away from vendors I feel like. Did like where the carnival was staged. Much better rides and newer rides for kids. Loved the new vendor and carnival set up! Walking parade was a dud and would love to see floats come back
