Of the two bids remaining that were submitted during the sealed bid process, one was an incomplete packet, or “nonresponsive” bid from Tampa Crane and Body. Mayor Pennant addressed Ms. Hall, as long as I've known Mr. Hall, I've known him to be a public servant.

Commissioner Richardson stated, the commission did adopt lake Alfred's form (for selecting a seat mate) but did not follow their process.

Attorney Claytor interjected; it was my recollection that the form used was a hybrid between Winter Haven and Lake Alfred. The commissions desire, due to time restraints, was not to implement the entire process but to review the questionnaires and from those questionnaires make a decision. It was never with the intent to have an interview process.

Mayor Pennant closed the floor for public comment.

Mayor Pennant stated, this is not foreign to him, of the past four managers, who've all done a great job. "However, for Ms. Davis there is a special place in my heart for her", because there are so many things that have happened under her watch. So much they cannot be chronicled. He went on to say, we have a lot to be proud of in Dundee.

Kevin Kitto – Spoke in support of Fire Chief Carbone as Interim City Manager. He further spoke about unresolved concerns with staff and was not sure if Ms. Lorraine could fix the problems he believes should be fixed.

Commissioner Richardson said she believes when you have an Assistant Manager who’s worked in that role, has a master’s degree, and the town is growing, she has a lot of experience with the growth and planning, so there is great experience. She said you use the chief in crisis, but her vote is toward Lorraine.

Mayor Pennant closed the floor for public comment.

A motion to appoint Fire Chief Joe Carbone as Interim City Manager was made was made by Commissioner Quarles, seconded by Vice-Mayor Goddard.
