Commissioner Richardson addressed the Commission regarding commissioner benefits, per diem, and compensation. Town Manager Cassel stated that the workshop had been requested by Commissioner Richardson and that the current budget did not include funding for additional commissioner compensation. He also presented the ordinance governing commissioner compensation, identified it as incorrect, and advised that it would need to be removed from codification. Mr. Cassel reviewed the deadlines for placing items on the ballot for the upcoming election.

The Commission discussed the importance of maintaining competitive staff compensation and considered a potential increase of 5 to 10 percent in commissioner compensation.

No action was taken by the Commission.
