# BUDGET SPECIAL REPORT

## FISCAL YEARS (FY) 2026-27

Balancing the budget has long been a challenge for city officials as they make difficult decisions over various community priorities while ensuring the needs of residents are reflected. In recent years, many cities have experienced additional difficulty as changes to the property tax system adopted by the Iowa Legislature have had significant impacts on local budgets. Despite these concerns, city leaders must diligently work through the budget season by working with the public and adopting a fiscally sound plan.

The League’s *Budget Special Report* contains the latest revenue and expenditure projections to aid city officials as they work through the annual budget process. It should be noted that the information detailed in this report is timely at publication and city officials need to continually monitor relevant data to make informed decisions.

**Reminder:**

All city budgets must be completed using the online system provided by the Iowa Department of Management (IDOM) and submitted electronically as prescribed by IDOM. The budget form must also be filed with the county auditor. Forms can be found at [dom.iowa.gov/local-government/city-resources](http://dom.iowa.gov/local-government/city-resources).

500 SW 7th Street,  
Suite 101

### Table of Contents

**Revenues ..... 2**

- Legislation approved in previous years made significant changes to the property tax system and continues to impact city revenues, including the Combined General Fund Levy.

**Expenditures ..... 10**

- The FY 2027 IPERS contribution rates for regular members will remain the same, as the employee rate will be 6.29 percent and the employer rate will be 9.44 percent. The contribution rate for protection class members will be 6.335 percent for employees and 9.185 percent for employers.
- The cost of many raw materials, goods and services returned ticked up compared to the previous year as the Consumer Price Index for All Urban Consumers (CPI-U) increased to 2.9 percent from August 2024 to August 2025.

**Legislation..... 12**

- A review of legislation passed in 2025 that may affect city budgets.

**Other Budget Issues ..... 15**

**Budget Calendar ..... 20**

**One-Stop Web References ..... 22**

## Revenues

A wide variety of factors have impacted municipal revenues in recent years, including major changes to the property tax system, property valuations, rising costs and more. Each city can be affected differently and it is critical for city officials to carefully review revenues as they make budget decisions.

### Assessment Limitation Order – Rollback and More Major Changes to Iowa’s Property Tax System

*The January 1, 2025 property valuation serves as the basis for calculating property taxes in fiscal year (FY) 2027.*

Since 1978, residential and agricultural property has been subject to an assessment limitation order, or “rollback”, that limits annual growth of property values (all other classes of property were eventually added). Prior to the 2013 overhaul of the property tax system, property value growth was limited to 4 percent per year for agricultural, commercial, industrial and residential properties. If property values grew by more than 4 percent, the taxable value was rolled back to comply with the assessment limitation system.

In addition, the rollback included a formula that tied the growth of residential property to that of agricultural property. This connection is commonly referred to as “coupling” and limited the valuation of either property class to the smaller of the two. Since the law’s inception, residential property has always been subject to significant rollbacks while the other property classes did not grow as much and were often taxed at or near their full assessed value.

While the property tax rollback system remains in place, several major changes were made during the 2013 legislative session and additional measures passed in 2021 and 2022 that further overhauled the system. The Iowa Legislature then adopted legislation in both 2023 and 2024 that fundamentally altered key components of the system.

For each assessment year, beginning in 2013, residential and agricultural property value growth is now capped at 3 percent, or whichever is lowest between the two classes (the coupling provision remains).

A separate rollback was instituted for commercial, industrial and railroad which began at 95 percent for valuations established during the 2013 assessment year (affecting FY 2015) and went to 90 percent for the 2014 assessment year and thereafter. The rollback percentage for these properties will remain fixed at 90 percent regardless of how fast or slow valuations grow.

The legislature created a standing appropriation, beginning in FY 2015, to reimburse local governments for the property tax revenue reductions resulting from the new rollback for commercial and industrial property (railroad not included). The “backfill” was funded at 100 percent by the legislature for fiscal years 2015-2022 and cities received the funds in a similar manner as property tax revenue.

Part of the 2021 property tax legislation included a provision to reduce, and eventually eliminate, the backfill. Cities are divided into two categories based on property valuation growth from FY 2014 to FY 2021, which then determines the schedule they have for the reduction in backfill payments. The table below details these categories and the reductions.

Property Valuation Growth Less than Statewide Average of 31.24% (FY 2014-FY 2021)	Property Valuation Growth More than Statewide Average of 31.24% (FY 2014-FY 2021)
Backfill reduced over 8 years (1/8 of amount each year until it reaches zero)	Backfill reduced over 5 years (1/5 of amount each year until it reaches zero)
679 cities	261 cities

The reduction in backfill payments has begun and will continue on the respective schedules before it is eventually eliminated. Cities in the 5-year category will receive their last backfill payment in FY 2026, while the 8-year cities will have their final payment in FY 2029.

*The backfill funds should be recorded as intergovernmental revenue from the state. For those using the standard Chart of Accounts the account number is 4464: Commercial/Industrial Replacement Claim Payments.*

Another major component of the 2021 legislation eliminated the multi-residential property class, which had been created through the 2013 property tax law. The class was established in FY 2017 and included several types of properties, such as mobile home parks, assisted living facilities, and property primarily used or intended for human habitation containing three or more separate living quarters (including the portion of a building used for human habitation, even if human habitation was not the primary use of the building). Multi-residential property was given its own eight-year rollback schedule that resulted in a decline in taxable values over time. No backfill was created as part of the 2013 legislation.

Prior to the re-classifying of these properties in FY 2017, the vast majority were commercial properties and taxed at their full assessed value. The 2021 legislation moved these into the residential category going forward.

In 2022, the state legislature passed a bill that eliminated the Business Property Tax Credit and replaced it with the equivalent of a rollback on all commercial, industrial and railroad properties. While not all eligible properties applied for and received the previous tax credit, the legislation placed a rollback on the first \$150,000 of taxable value on all commercial, industrial and railroad properties that is equal to the residential rollback percentage (the value that exceeds \$150,000 will be subject to the commercial, industrial and railroad rollback of 90%).

The \$125 million state appropriation that funded the Business Property Tax Credit was converted to a backfill payment. Importantly, the Department of Revenue released a fiscal note that shows the appropriation is already insufficient due property valuation growth of affected properties. This change took effect in FY 2024.

Moving to the 2023 legislation, several sections have a direct impact on city budgets. First, a Combined General Fund Levy (CGFL) is required to be used by cities that replaces the regular general fund levy. A variety of levies that had been previously available to city governments, including several that were approved by voters at the local level, were eliminated. There is also a mechanism in place that can automatically force a city’s CGFL to decrease for those that experience certain levels of taxable property valuation growth. More details can be found in the following section.

The 2023 bill also expanded upon the Homestead Tax Credit by providing a new Homestead Exemption for property owners 65 and older as well as an expansion of the Military Service Exemption. The new Homestead Tax Exemption is not funded by the state. The entire Military Service Tax Credit, including the expansion and the portion that used to be partially state funded, is also not funded by the state. The impact is a lower taxable value on such properties.

New restrictions were put in place for property tax abatement programs by requiring the use of minimum assessment agreement for commercial properties. Such agreements must contain specified information, including a minimum actual value for the completed improvements, and must be certified by the assessor. This applies to revitalization areas created in FY 2025 and after, and for first-year exemption applications in existing revitalization areas filed on or after July 1, 2024.

Another important piece of the 2023 legislation restricted when city governments can put forward a referendum to voters for certain types of general obligation bonds. Such referendums can now only be held at November elections – previously, cities had the ability to schedule special elections for these types of bond referendums.

Finally, the 2023 changes altered the budget adopting and filing process in several important ways that took effect immediately. Further modifications were made in 2024 by the legislature. Please read the Budget Calendar section in this report for the full details and to see a revised recommended budget adoption schedule.

Property Class	FY 2027	FY 2026	FY 2025	FY 2024
Agricultural	59.4401%	73.8575%	71.8370%	91.6430%
Commercial	90%*	90%*	90%*	90%*
Industrial	90%*	90%*	90%*	90%*
Railroad	90%*	90%*	90%*	90%*
Residential	44.5345%	47.4316%	46.3428%	54.6501%
*The first \$150,000 of taxable valuation on commercial, industrial and railroad properties is subject to the current residential rollback; any value over is subject to the 90% rollback				

Both separately and together, the recent legislation has greatly impacted local revenues and budgets. As always, it is crucial for city officials to understand the overall property tax system and analyze its ability to fund needed services. The League offers a variety of resources to help cities better understand the property tax system, including how assessments are done, analysis of levies that are utilized by cities and more. Please visit [www.iowaleague.org](http://www.iowaleague.org) to access these helpful resources.

**Property Tax Levies**

Prior to FY 2025, cities could levy up to \$8.10 per \$1,000 of taxable value on residential, commercial and industrial property and up to \$3.00375 per \$1,000 on the taxable value of agricultural property for their general fund (*Code of Iowa* Section 384.1).

In 2023, the Iowa Legislature approved legislation that significantly reduced the levies available for use and implemented a Combined General Fund Levy (CGFL) that may result in revenue reductions for most cities. A key provision establishes a system that automatically reduces a city’s CGFL if it exceeds certain annual non-TIF taxable property valuation growth thresholds (this system was altered by 2024 legislation). The system utilizes FY 2024 as the base year and then has three non-TIF taxable value growth thresholds as detailed in the table below. If a city’s annual non-TIF taxable value exceeds the thresholds, its CGFL will be reduced as detailed in the table.

Annual Non-TIF Taxable Value Growth = Less than 2.75%	CGFL is not impacted, but if rate is above \$8.10 it becomes the maximum
Annual Non-TIF Taxable Value Growth = 2.75-3.99%	CGFL revenue growth reduced by about 1%
Annual Non-TIF Taxable Value Growth = 4%-5.99%	CGFL revenue growth reduced by about 2%
Annual Non-TIF Taxable Value Growth = 6% or Higher	CGFL revenue growth reduced by about 3%

The formula used for these calculations is based on the city’s non-TIF taxable valuations, which are provided by the county assessor. The total for each year is utilized to determine the growth figure on a year-over-year basis (with the FY 2024 values serving as the base year). As such, the first step is identifying the non-TIF taxable values and calculating the annual growth.

For cities that exceed one of the three thresholds in a given year, their CGFL will be reduced accordingly for the next annual budget and fiscal year. This is done through a formula established in state code. The Iowa Department of Management has a tool that includes the formula as required by the state code and calculates the resulting change, if necessary, to a city’s CGFL.

The legislation requires cities to utilize the CGFL for FY 2025-2028. It is possible for cities that begin with a base CGFL over \$8.10 to continue to be above \$8.10 if they do not exceed the 2.75% taxable value growth threshold. Importantly, the law restricts a city’s maximum CGFL to its previously established highest level within the four-fiscal year period, even if its taxable valuation growth is less than 2.75% in a particular year. In data provided by the Legislative Services Agency, nearly all cities exceeded 2.75% taxable valuation growth at least once in the past six years and therefore most cities can expect to have its CGFL reduced at some point over the four fiscal years covered by the system.

Finally, the legislation places a firm maximum on the CGFL at \$8.10 beginning in FY 2029 for all cities – regardless of taxable valuation growth or decline, past CGFL levels (including those that were above \$8.10) or other budgetary considerations.

The legislation also eliminated a number of levies cities could use to help support its general fund, including some that were voter approved and could be used for specific purposes. Below is a list of levies that can no longer be used by city governments.

- Regular General Fund Levy (replaced with CGFL, see above)
- Emergency Levy
- Instrumental/Vocal Music Groups
- Memorial Buildings
- Symphony Orchestra
- Cultural & Scientific Facilities
- County Bridge
- Mississippi or Missouri River Bridge Construction
- Bridge Purchase
- Contract for Use of Bridge
- Aid to a Transit Company
- Rent, Insurance, Maintenance of Civic Center
- Operation & Maintenance of City-Owned Civic Center
- Planning a Sanitary Disposal Project
- Levee Improvement Fund in a Special Charter City
- Maintain Institution Received by Gift/Devise
- City Emergency Medical District
- Support Public Library

Other levies that some cities utilize were not affected, including ones for debt service, pensions, employee benefits, and tort and self-insurance. More details on these can be seen here:

- A city may levy for the city's contribution under the Federal Insurance Contributions Act (FICA), the Iowa Public Employees' Retirement System (IPERS), the Municipal Fire and Police Retirement System of Iowa (MFPRSI) and certain other employee benefits. On the state budget forms, these are shown in the special revenues fund column of the Revenues Detail (Form 631B). The expense would be shown on the Expenditures Schedule (Form 631A) under the appropriate activity in the special revenues fund (column D). Alternatively, the city may need to transfer the benefits into the general fund where the expenses are recorded. (Section 384.6).
- Insurance premiums, including workers' compensation, necessary for the operation of the city and the costs of self-insurance or risk pools may also be levied outside the CGFL limit. The levy rate is the actual cost of the premiums divided by the total property tax base. Insurance costs on projects or improvements covered by revenue bonds and insurance on proprietary fund activities may not be levied, as these activities should fund themselves. These revenues are typically credited to the general fund even though they are restricted. (Section 384.12(17)).
- A city may levy to cover principal and interest payments on general obligation bonds under debt service. Provided proper procedures were followed on lease-purchase or loan agreements, the annual principal and interest payments may also be levied under debt service. The debt service levy is the dollars needed to cover the annual debt obligations divided by the total property tax base. (Section 384.4).

- As permitted under administrative rules adopted by the City Finance Committee, cities may levy for the city’s contribution to certain employee benefits. The definition of employee benefits includes workers’ compensation costs or insurance premiums, unemployment benefits, employer’s share of employee benefits plans, employee wellness and assistance programs, regularly-scheduled, city-required post-employment physicals for employees, police reserves and volunteer firefighters, and more.

**Utility Replacement Tax**

The Utility Replacement Excise Tax is collected on the generation, distribution and delivery of electricity and natural gas. This tax replaced the taxation on utility property in 1999. Cities are required to calculate their property tax revenues with and without utility property valuations. The difference that is calculated is necessary to establish the General Property Tax Equivalents, the basis for determining the distribution of the excise tax. The Iowa Department of Revenue calculates the amount of revenue that a city will receive and includes this information with the budget information cities receive from the Iowa Department of Management.

**Franchise Fee Legislation**

Cities are able to collect gas and electric franchise fees not to exceed five percent of the franchisee’s gross revenues “without regard to the city’s cost of inspecting, supervising, and otherwise regulating the franchise.” Revenue from franchise fees can only be used for certain purposes outlined in the state code, but does include such items as public improvements, property tax relief, public safety, energy conservation and economic development activities. A bill approved during the 2015 legislative session requires cities to hold public hearings prior to increasing or amending a franchise fee.

**Road Use Tax Fund**

The Road Use Tax Fund (RUTF) is accumulated through motor vehicle registration fees, motor vehicle fuel taxes, an excise tax imposed on the rental of automobiles and a use tax on trailers. Distributions are based on a per capita formula and any changes to a city’s official population will directly impact their amount.

Results from the 2020 Census were certified in 2021, which directly impacted the statewide distribution formula and each city’s per capita amount. The Iowa Department of Transportation (IDOT) released calculations that showed cities with more than 4.78 percent growth in population were expected to see an increase in RUTF allocations, while cities less than 4.78 percent growth in population were likely to have a reduction.

Cities are reminded that economic instability and fluctuating fuel consumption and costs can result in immediate changes in the fund. The IDOT issues per capita forecasts only and cities are only entitled to receive their share of the amount actually collected. The estimates are subject to dramatic changes and cities should consider using a conservative estimate.

Also, the estimates are based on current law regarding specific revenue to and disbursement from the RUTF. Any change in the law could change the per capita amount to be distributed to cities.

Fiscal Year	Iowa DOT Per Capita Forecast
FY 2026	\$139.00
FY 2027	\$140.00
FY 2028	\$142.50
FY 2029	\$143.50
FY 2030	\$144.50

### Transfer of Road Jurisdiction: Cities Under 500

In 2004, counties in Iowa assumed responsibility for maintenance of Farm-to-Market (FM) roads in cities with a population less than 500. A transfer of RUTF money based on the total length of the FM roads in each of these cities was also transferred to the respective county. Many cities have entered into 28E agreements with the county to return a portion or all of the responsibility for the road back to the city, along with a corresponding amount of RUTF funds. The State Auditor's Office has stated that funds transferred back to the city from the county are still restricted in the same manner as all Road Use Tax revenue, because road use tax funds are restricted to be spent for roads by Article VII (8), Iowa Constitution. As such, the revenue received under the 28E agreement should be recorded in the city's Special Revenue Fund as:

- Intergovernmental
- Local Grants and Reimbursements

This revenue should not be recorded as road use tax revenue by the city since it is already recorded as road use tax revenue when received by the county. The money must also be spent in accordance with *Code of Iowa* Chapter 312 and any terms and conditions of the 28E agreement.

The IDOT modified how FM roads are designated, which altered the amount of such roads in some communities. Additionally, the 2020 Census resulted in ten cities dropping below 500 in population and therefore being subject to this law.

### Local Option Sales and Service Tax

Cities in Iowa are allowed to establish a Local Option Sales and Service Tax (LOSST) upon approval by its citizens. Rates are limited to one percent and cities must specify on the ballot the purposes of the revenue, including any that will be used for property tax relief. Also, any cities adopting a new LOSST after July 1, 2019 are required to use at least 50% of the revenues toward property tax relief.

Beginning in FY 2023, the Iowa Department of Revenue (IDR) implemented a distribution system based on revenues actually collected, which replaced the previous system that based distributions on estimates.

FY 2026 estimates from the IDR show a statewide decrease of 2.1% in distributions for all local governments with a LOSST from the previous year. It is important to note that LOSST distributions are based on a formula that includes a variety of local factors, such as sales tax collections, populations, property values and more, resulting in different actual distributions for each city.

The IDR has several helpful files regarding LOSST, including a history of revenues for each city, monthly estimates, and a tool that shows how distributions would be impacted by a city approving or rescinding a LOSST. Those files can be accessed at [revenue.iowa.gov/taxes/tax-guidance/sales-use-excise-tax/local-option-sales-tax-lost](https://revenue.iowa.gov/taxes/tax-guidance/sales-use-excise-tax/local-option-sales-tax-lost).

More detailed information may be obtained by contacting the IDR at (800) 367-3388 or [revenue.iowa.gov](https://revenue.iowa.gov).

### Hotel/Motel Tax

A city may impose a hotel/motel tax at a rate not to exceed 7 percent after successful approval of a simple majority vote within the city. State law requires that 50 percent of such revenues are used for acquiring, improving, operating or improving recreational, cultural or entertainment facilities or for the promotion and encouragement of tourist and convention business. The remaining revenues may be spent on any other lawful purpose.

The IDR has additional information, including files showing rates and quarterly payment distributions, at [revenue.iowa.gov/taxes/tax-guidance/property-tax/iowa-hotel-and-motel-tax](https://revenue.iowa.gov/taxes/tax-guidance/property-tax/iowa-hotel-and-motel-tax).

### Enrich Iowa Funds for Libraries

The Enrich Iowa Program includes Direct State Aid, Open Access and Interlibrary Loan.

- Direct State Aid is a direct payment to public libraries and is intended to be used to improve and enhance library services.
- Open Access provides a partial reimbursement to participating libraries to make it possible for patrons to check out materials at other participating libraries.
- Interlibrary Loan provides partial reimbursement for interlibrary loans among all types of libraries.

Additional information on these programs is available at the State Library of Iowa website, [statelibraryofiaowa.gov/funding-grants/enrich-iowa](https://statelibraryofiaowa.gov/funding-grants/enrich-iowa).

### Fuel Tax Refunds

Cities are eligible for refunds from both federal and state governments for taxes paid on gasoline. In most cases, cities must pay the fuel taxes at the pump and then file for a refund with the state and federal governments. Cities on a modified accrual accounting basis should not consider payment of the tax as an expenditure nor should they consider the refund as revenue. However, cities on a cash accounting basis should charge the tax as an expense and receipt the refund as revenue. In order to receive a refund from the state, the city must:

1. Have a refund number;
2. Keep a record of gallons purchased (cities are not required to send the actual invoices with the refund request); and
3. Apply for the refund within one year of purchase.

Cities may apply for a refund number and obtain forms necessary for filing the refund by contacting the Iowa Department of Revenue at (800) 367-3388 or download the forms by visiting [tax.iowa.gov/other-iowa-motor-fuel-tax-information](https://tax.iowa.gov/other-iowa-motor-fuel-tax-information). Cities may also file for a refund by telephone and request direct deposit of their refunds.

If your city is entitled to a federal refund of \$750 or more per quarter for tax paid on gasoline purchases, you may file quarterly for a refund. If the refund is less than \$750 per quarter, you must file annually. To receive the refund on the gas tax, a refund request must be filed on Internal Revenue Service (IRS) Form 8849. See IRS Publication 510 Fuel Tax Credits and Refunds for further information.

You may request IRS forms by calling (877) 829-4933 or download the forms at [www.irs.gov/forms-instructions](https://www.irs.gov/forms-instructions).

## Expenditures

### U.S. Consumer Price Index

The U.S. Consumer Price Index (CPI) is a measure of the changes in retail prices of a fixed market grouping of consumer goods and services. The CPI for all urban consumers (not seasonally adjusted) for August 2025 increased 2.9 percent from August 2024. The CPI is based on the major expenditure categories of food and beverages, housing, clothing, transportation and energy, medical care, recreation, education and communication as well as other goods and services. The Midwest Region CPI rose 2.8 percent from August 2024 to August 2025.

The most recent CPI figures and more information can be obtained by visiting [www.bls.gov/cpi](http://www.bls.gov/cpi).

### U.S. Employment Cost Index

Another measure of cost trends, the U.S. Employment Cost Index (ECI), factors in expenses related to wages, benefits and total compensation. The ECI total compensation index for state and local government workers increased 4.0 percent from June 2024 to June 2025.

The most recent ECI figures and more information can be obtained by visiting [www.bls.gov/ect](http://www.bls.gov/ect).

### FICA Deductions

The city (employer) and the employee each contribute 7.65 percent of wages for Social Security and Medicare. The maximum taxable earnings subject to the Social Security portion (6.2 percent) of the Federal Insurance Contributions Act (FICA) is currently \$176,100 and will increase to \$184,500 in 2026. There is no limit on the salary covered for the Medicare portion (1.45 percent) of FICA. Please note that rates may change during the fiscal year. Questions on FICA may be directed to the Des Moines office of the Social Security Administration (SSA) at (800) 772-1213.

You can also visit the SSA website at [www.ssa.gov](http://www.ssa.gov) for questions, publications and other information.

IPERS Contribution Rates Regular Class Members			
Regular Class Members	July 1, 2024	July 1, 2025	July 1, 2026
Employee Rate	6.29%	6.29%	6.29%
Employer Rate	9.44%	9.44%	9.44%
Combined Rate	15.73%	15.73%	15.73%

IPERS Contribution Rates Protection Class Members			
Protection Class Members	July 1, 2024	July 1, 2025	July 1, 2026
Employee Rate	6.21%	6.335%	6.335%
Employer Rate	9.31%	9.185%	9.185%
Combined Rate	15.52%	15.52%	15.52%

### Iowa Public Employees' Retirement System (IPERS)

IPERS contribution rates for employers and employees have been steady the past several years. Contribution rates for regular class members will not change in FY 2027 while protection class member rates will be adjusted. City officials are encouraged to consult with an IPERS representative should they have any questions about their retirement account.

Employer and employee contribution rates are posted to the IPERS website at [www.ipers.org/about/contribution-rates](http://www.ipers.org/about/contribution-rates).

*Important Note: All part-time elected officials must be covered by IPERS unless they specifically opt out of coverage. All employers will be audited on a regular cycle, based on the number of employees.*

Questions may be directed to the IPERS office at (800) 622-3849 or visit their website at [www.ipers.org](http://www.ipers.org) for more information.

**Municipal Fire and Police Retirement System of Iowa (MFPRSI)**

MFPRSI Contribution Rates			
MFPRSI City Contribution Rates	July 1, 2024	July 1, 2025	July 1, 2026
Employee Rate	9.40%	9.675%	9.675%
Employer Rate	22.66%	22.555%	21.859%
Combined Rate	32.38%	32.23%	31.534%

The MFPRSI contribution rate formula is established in *Code of Iowa* Chapter 411. A bill adopted in the 2025 legislative session adjusted the employee and employer rates as part of a plan to cover costs associated with expanded coverage for cancer presumptions. The bill included an adjustment to increase the employee contribution rate by .125%, and to drop the employer rate by an equal amount.

Each year, the MFPRSI Board of Trustees sets the employer rate after the completion of an annual actuarial valuation.

**Mileage**

Cities may reimburse city officials and employees using their own vehicles up to the amount allowable under Internal Revenue Service (IRS) rules. While cities are not required to use the IRS rate, any changes made in the city reimbursement rate should be done by resolution. The current IRS rate of 70 cents per mile is valid until December 31, 2025. Rates for 2026 have not yet been determined and will be available at [www.irs.gov](http://www.irs.gov) in December.

**Minimum Wage Rate**

Both the state and federal minimum wage have remained the same since 2009. The state hourly wage is \$7.25 and the hourly wage for youth employees working less than 90 days is \$6.35 (the lower rate only applies to employees under the age of 20). The federal minimum wage is also \$7.25 per hour. As a reminder, if there is a disparity between the federal and state minimum wage rate, employers are required to pay the higher of the two.

The state legislature approved House File 295 in the 2017 legislative session that, among other things, prohibits cities and counties from adopting local minimum wages that are higher than the state level. The bill nullifies all existing local minimum wage ordinances that differ from the state level.

**Unemployment Compensation**

Most cities are reimbursable for unemployment compensation upon application, unless they elect to be contributory by completing an additional form stating such. Cities must reimburse the state for actual unemployment benefits paid out by Iowa Workforce Development (IWD) within 30 days following the billing for any quarter in which the state has made payments to the city’s former employees. If a city anticipates the possibility of layoffs during a fiscal year, they may want to budget for the expense of reimbursing unemployment benefits.

Contributory tax rates are based on the extent that tax payments made by the city are in excess of benefits paid out by IWD, and this reserve balance is then divided by the average taxable payroll. The tax due is found by taking the percentage calculated for the city multiplied by the first \$39,500 of each employee's gross salary (this will decrease to \$20,400 in 2026). IWD will mail tax rate notices giving the percentage for each city in November. The city has 30 days from the Rate Notice Date on the form to appeal their contribution rate.

All cities have the option to change their status to contributory or reimbursable. Cities can change their status by December 1 for the next calendar year by contacting IWD for the appropriate forms in advance of the deadline. However, if a city opts to switch from contributory to reimbursable, it is required to pay to IWD any deficit that may be due to claims against its current account in excess of contributions.

Information regarding IWD can be found at [workforce.iowa.gov](http://workforce.iowa.gov).

### Workers' Compensation Insurance

Premium for workers' compensation coverage can be estimated using the audited payroll from the previous year with adjustments for cost of living and other increases, taking into consideration anticipated changes in personnel and/or operations. Once payroll has been adjusted for each class code, apply the rate for each code per \$100 of payroll. The city should check with its agent to see if any rate changes will go into effect prior to its renewal.

### General Liability and Property Insurance

Liability coverage contribution is based on several factors such as number of employees, number and types of automobiles and expenditures. However, the easiest way to project cost of liability coverage is to apply the current inflation factor. Premium for liability coverage is based on the number of employees and a five percent increase to the entity's total budget. Rating for property and auto physical damage coverage is based solely on the total insured value (TIV) of the schedule. A simple way to project cost is to calculate the TIV of the previous year, divide it into last year's contribution and apply the factor to this year's TIV.

## Legislation

When re-estimating revenues and expenditures for FY 2026 and budgeting for FY 2027, cities should be mindful of recent legislative actions that may have a significant fiscal impact on the city. Full coverage of the laws passed by the 2025 General Assembly is included in the *New Laws of Interest to Iowa Cities* report, which can be found on the League website at [www.iowaleague.org](http://www.iowaleague.org).

### HF 844 | Financial Institutions Public Funds Deposit Eligibility

Eliminates the requirement that public funds only be deposited into financial institutions that demonstrate a commitment to serving local communities, as determined by the state treasurer. *Amends Section 524.223 and repeals Section 12C.6A | Effective Date: July 1, 2025*

### SF 574 | Reduced Retention Fees for Public Improvement Contracts

Reduces the maximum retention fee cities can withhold from contractors and subcontractors on public improvement projects from 5% to 3%. Retained funds continue to be reserved for payment of claims related to materials and labor performed on the projects. *Amends Section 573.12 | Effective Date: July 1, 2025*

### **SF 619 | Natural Hazard Mitigation and Disaster Recovery**

Establishes and updates key programs and regulations related to natural hazard mitigation and disaster recovery. The law creates the Natural Hazard Mitigation Financing Program to provide loans for projects like flood control infrastructure, zoning changes, and building code enforcement, with administration by the Department of Homeland Security and Emergency Management (HSEMD) and the Iowa Finance Authority (IFA). It modifies the Disaster Recovery Housing Assistance Program, requiring clearer eligibility criteria, funding limits for administrative costs, and annual legislative reporting by IFA. The law expands regulations on insurance benefit assignments to residential contractors and establishes licensing and disciplinary rules for adjusters, appraisers, and umpires. Additionally, it clarifies that disaster housing grants are tax-exempt until 2028, and allows the Governor or Department of Management to use up to 10% of the Iowa Economic Emergency Fund for disaster-related activities. Finally, it allocates \$2 million to the Nuisance Property Remediation Assistance Fund to support communities in addressing nuisance properties.

*Creates Sections 16.230 through 16.233; amends Sections 16.57B and 16.57D; 422.7; 507B.4 and 515.137A; 522B.5A and Chapter 522C; 507B.2 and 522B.5A and Chapter 522F; 8.55; and makes appropriations | Effective Date(s): July 1, 2025 (Except Divisions 3 and 8, which are effective as of April 22, 2025)*

### **SF 657 | IEDA Tax Incentive Reform**

Overhauls Iowa's economic development tax incentive programs, impacting collaboration between the Iowa Economic Development Authority (IEDA) and local governments. The law implements a \$170 million cap on key tax credits, establishes the Business Incentives for Growth (BIG) Program allowing property tax exemptions only for eligible businesses, and repeals the High Quality Jobs Program while honoring existing agreements. The legislation clarifies eligibility rules for Renewable Chemical Production tax credits, creates the Iowa Film Production Incentive Program, and eliminates several tax credit programs, including Employer Child Care and Assistive Device credits. The law also reduces Endow Iowa tax credits, introduces new credits for research and development and sustainable aviation fuel production, and authorizes the recovery of credits from non-compliant businesses.

*Amends or repeals multiple Sections in Chapters 15, 15E, 422, and 452A | Effective Dates Vary by Division*

### **HF 975 | IEDA Reform and Funding Adjustments**

Reforms multiple programs and funding mechanisms under the IEDA. The law updates the committee that reviews applications for the Strategic Infrastructure Program, modifies the awarding process for Brownfield and Grayfield tax credits, and revises the Community Attraction and Tourism Program. It also changes the Historic Preservation tax credit registration requirements, eliminates the Title Guaranty Board, and reassigns responsibilities related to arts, culture, and cultural and entertainment district promotion within IEDA.

*Amends various Sections in Chapters 15, 15E, 404A, and 16 | Effective Date: July 1, 2025*

### **HF 297 | Dual-Role Volunteer Emergency Providers and City Council Members Allowance & Establishment of Special Savings Account for Major Public Safety Equipment**

Allows a city officer or employee who also serves as a volunteer firefighter or EMS provider to receive nominal compensation, stipends, incentives, or benefits from their volunteer role, even though they are otherwise employed or serve the city. In cases where the dual role involves

serving as chief of the volunteer fire department, the city council must approve the arrangement by a majority vote, with the individual in question abstaining from the vote if they are a member of the council. The law also authorizes cities to establish a special savings account dedicated to the purchase, possession, and maintenance of major public safety equipment for police, fire, or EMS services. Funds deposited in this account may be carried forward across fiscal years and are exempt from reversion to the general fund, but must be used exclusively for qualifying public safety equipment purchases.

*Amends Sections 362.5, 372.13, and 384.3 | Effective Date: July 1, 2025*

### **HF 969 | Covered Cancer Definition Expansion and Public Safety Pension Employee Contribution Increase**

Expands the definition of covered cancers for firefighters under both the IPERS and MFPRSI benefits programs to include all types of cancers, broadening eligibility for related benefits. The law also adjusts pension contribution rates for public safety employees enrolled in IPERS or MFPRSI, increasing the employee contribution rate by 0.125% beginning July 1, 2025, and for all fiscal years thereafter. To offset this charge, the employer contribution rate will decrease by 0.125% over the same period.

*Amends Sections 97A.1, 97A.8, 97B.11, 411.1, and 411.8 | Effective Date: July 1, 2025*

### **HF 1002 | Establishment of Length of Service Award Programs (LOSAP) for Volunteer Emergency Responders**

Authorizes cities to establish a LOSAP for volunteer firefighters, EMS providers, and reserve peace officers. If a city chooses to establish a LOSAP, it must develop program guidelines in consultation with the chief or commanding officer of the relevant volunteer department. These guidelines must address eligibility criteria, vesting requirements, distribution rules, and other operational details. The Iowa IEDA will administer the fund and provide a dollar-for-dollar state match for city contributions, up to \$500 per participant annually. For cities with an annual budget under \$100,000, the state will instead provide a \$3-to-\$1 match, subject to the same \$500 per-person annual cap. Cities may use general fund dollars or other lawful sources, including gifts, bequests, or donations, to finance their share of the program.

*Creates Sections 100B.51 and 100B.52 | Effective Date July 1, 2025*

### **SF 659 | Standing Appropriations - Fire Protection and 911 Services**

Appropriates funding for a range of programs, agencies, and projects, including two provisions of note for local government. First, it directs the State Fire Marshal to conduct a study analyzing whether a countywide structure for fire protection services would improve coverage and reduce emergency response times. The study will include at least one representative from a city with a population of 37,000 or more and one from a city with a population of 5,000 or less. It will examine the upfront and ongoing costs of implementing such a framework, current service coverage and response times, staffing and equipment needs, communication and dispatch challenges, and similar frameworks in other states, particularly in the Midwest. The study will provide a recommendation on whether to implement such a countywide framework in Iowa, with funding due to the Legislature by June 30, 2026. Also included is a reimbursement clause for the Department of Homeland Security and Emergency Management. Specifically, each joint 911 service board must reimburse the Department for undefined “reasonable costs” associated with facilitating 911 call traffic within 30 days of receiving a reimbursement request.

*Amends Section 34A.12 | Effective Date: July 1, 2025*

## Other Budget Issues

### City Annual Financial Report

The Iowa Department of Management (IDOM) requires that the Annual Financial Report (AFR) forms be filed using an online reporting and filing system. The AFR portal can be found at [dom-localgov.iowa.gov](http://dom-localgov.iowa.gov). The AFR is a statement of actual revenues, expenditures, and fund balances from the prior fiscal year. This report has a filing deadline of December 1 each year. The online report, a signed copy of the All Funds P1 summary page, and the proof of publication/affidavit of posting must be submitted and received by the Auditor of State's Office not later than December 1. The AFR must be completed and submitted before the city budget hearing process can be started. Failure to complete the AFR in a timely manner will lead to the next year's budget facing a financial penalty. Also, timely filing is required as the actual financial data from the AFR auto-fills to the budget forms.

The Iowa Department of Management (IDOM) requires that the Annual Financial Report (AFR) forms be filed using an online reporting and filing system. The AFR portal can be found at [dom-localgov.iowa.gov/home](http://dom-localgov.iowa.gov/home). The AFR is a statement of actual revenues, expenditures, and fund balances from the prior fiscal year. This report has a filing deadline of December 1 each year. The online report, a signed copy of the All Funds P1 summary page, and the proof of publication/affidavit of posting must be submitted and received by the Auditor of State's Office not later than December 1. The AFR must be completed and submitted before the city budget hearing process can be started. Failure to complete the AFR in a timely manner will lead to the next year's budget facing a financial penalty. Also, timely filing is required as the actual financial data from the AFR auto-fills to the budget forms. **New for FY 2024-2025:** HF718 created a requirement to report more information on city debts. To accommodate this, a new page has been added to the city AFR for future years. The new long-term debt page has been added to the AFR for future years to collect the required data.

IDOM has a recorded training webinar on how to complete the AFR. The webinar and other helpful information can be found at [dom.iowa.gov/local-government/city-resources#city-annual-financial-report-afr-tutorial](http://dom.iowa.gov/local-government/city-resources#city-annual-financial-report-afr-tutorial).

### Annual Urban Renewal Report

Legislation approved in 2012 requires all cities that have an urban renewal area, whether actively generating tax increment or not, to submit the Annual Urban Renewal Report. Cities must provide a variety of information for each of their urban renewal areas, including urban renewal plans, maps, tax increment financing ordinances, debt and financing data, and urban renewal projects.

The report is due December 1 of each year and must be completed and filed using the IDOM online reporting system ([www.legis.iowa.gov/tif/la](http://www.legis.iowa.gov/tif/la)). The system requires users to upload associated documents in PDF format. City councils must approve the form prior to submittal. Failure to file the report by the deadline will result in the city being unable to certify their budget, which could lead to financial penalty of being held to the prior year's property tax revenue, and being placed on a list of delinquent cities sent to the Legislature and Governor.

The League and IDOM recorded training webinars on how to complete the report. Those webinars and other helpful information can be found at [www.iowaleague.org](http://www.iowaleague.org) and [dom.iowa.gov/local-government/tax-increment-financing](http://dom.iowa.gov/local-government/tax-increment-financing).

### Certification of TIF Debt

Cities must certify debt payable with Tax Increment Financing (TIF) funds on or before December 1. *Code of Iowa* Section 403.19 requires cities to certify to the county auditor the amount of any “loans, advances, indebtedness, or bonds” that qualify for payment from TIF revenue from a TIF district. This certification of TIF debt is only required once. However, due to the unique nature of many TIF programs, some cities may need to file on an annual basis or make adjustments to the amount needed in the next year.

The county auditor is responsible for collecting and distributing the funds available from the increment in subsequent years until the entire certified amount is paid into the city’s tax increment fund. However, if additional debt is incurred, that amount must be certified by the following December 1 in order for the county auditor to make the proper distribution in the next fiscal year. Failure to certify the debt before December 1 will delay payments to the city by one year. IDOM and the State Auditor’s Office have developed a TIF Debt Certification form that cities may use when certifying their debt to the county auditor. Due to the unique nature of each urban renewal area and TIF request, be sure to proactively communicate with your County Auditor about your TIF request.

The League and IDOM recorded training webinars on how to complete the report. Those webinars and other helpful information can be found at [www.iowaleague.org](http://www.iowaleague.org) and [dom.iowa.gov/local-government/tax-increment-financing](http://dom.iowa.gov/local-government/tax-increment-financing).

### City Budget Forms

IDOM requires that the city budget and subsequent budget amendments be completed in the online budget system at [dom-localgov.iowa.gov](http://dom-localgov.iowa.gov). The budget form, which requires two separate hearings to approve, must be filed with IDOM and the county auditor by April 30. Be sure to complete the AFR and AURR by December 1 so that your city will be able to complete the budget process and file the budget by April 30. Late budgets are penalized by being restricted to the prior years’ property tax revenue.

### American Rescue Plan Act and the Coronavirus State and Local Fiscal Recovery Fund

The American Rescue Plan Act (ARPA) was approved by Congress in early 2021 and included funding for local governments as a pass-through grant from the U.S. Department of Treasury. As the plan was developed, cities were required to request ARPA funding through the state of Iowa, and the funds were provided to cities on a per capita basis. Following that process, cities received their first installment of funding that represented half of the total amount in the fall of 2022, and the remaining funding was distributed starting in the summer of 2023.

The ARPA grant funds are part of the U.S. Department of Treasury’s Coronavirus State and Local Fiscal Recovery Fund (SLFRF). When cities accepted the funding, they agreed to periodically file reports through Treasury’s SLFRF portal. As part of the reporting process, most cities in Iowa are required to report obligations and expenditures each April through 2027. The definition of obligation under Treasury rules means having an executed contract in place. All cities needed to have the funds fully obligated by December 31, 2024, and reported the obligations during the April 2025 reporting period. Cities that did not meet the requirement must return unobligated funds to the Department of Treasury. If the obligation requirement was met, cities have until December 31, 2026, to fully expend the ARPA funds.

**Infrastructure Investment and Jobs Act**

The Infrastructure Investment and Jobs Act (IIJA), also known as the Bipartisan Infrastructure Law (BIL), was passed by Congress in November 2021. The law authorizes \$1.2 trillion for roads, bridges, water, broadband, and other uses through 2026. Unlike the ARPA pass-through grant cities received, local governments have and will be able to apply for funding through a competitive grant process for specific funding.

Initially when the bill was passed, it was anticipated Iowa stood to gain at least \$5 billion in funding through 2026. The funds specific to Iowa have and will continue to be disbursed to state agencies such as the Iowa Finance Authority, Iowa Economic Development Authority, and the Iowa Department of Transportation. Cities interested in applying for Iowa’s portion of IIJA funds apply directly through the applicable agency. The funding was designed to serve several needs including, but not limited to:

- Water infrastructure including funding for lead service line replacement
- Highway aid to address highways in poor condition
- Bridge replacement and repairs
- Public transportation
- Airport infrastructure and upgrades
- Electric vehicle programs including funding for charging stations
- Broadband expansion

Since the beginning of 2025, all federal funding programs have been under review. Due to this review, it is unclear how much funding that was specific to Iowa through IIJA and other federal appropriations has been or will be eliminated. Some of the programs cities historically have looked to for federal funding that have been impacted the most include USDA Rural Development, the Environmental Protection Agency (EPA), the Department of Transportation (DOT), and the Federal Emergency Management Agency (FEMA).

**Bid and Quote Thresholds for Cities**

The bid and quote thresholds for qualifying public improvement projects as defined in Chapter 26 of the *Code of Iowa* can be seen in the following tables.

Current Thresholds		
<i>Horizontal Infrastructure – Roads, streets, bridges, culverts</i>		
	Cities Less Than 50,000	Cities Greater Than 50,000
Competitive Bid Required	\$62,000	\$89,000
Competitive Quote Required	N/A	N/A

Current Thresholds		
<i>Vertical Infrastructure – Buildings, parking facilities, utilities, trails</i>		
	Cities Less Than 50,000	Cities Greater Than 50,000
Competitive Bid Required	\$206,000	\$206,000
Competitive Quote Required	\$82,000	\$114,000

For a detailed explanation of construction bidding and quotation procedures please visit the Resources section at [www.iowaleague.org](http://www.iowaleague.org).

### Water Service Excise Tax

Legislation adopted in 2018 created a new Water Service Excise Tax (WET) at a rate of six percent, which replaced the state sales and use tax on charges for water service. Cities must apply the WET to charges or fees related to the sale of water service, which can include usage charges and minimum monthly charges that may comprise a total water service charge. Local option sales tax is no longer applied to water service charges. A portion of the revenue collected will go to the state water quality infrastructure and water quality assistance funds.

Additional information can be found on the Iowa Department of Revenue's website, including examples of how the WET is applied to different water service charges, at [revenue.iowa.gov/taxes/tax-guidance/sales-use-excise-tax/water-service-excise-tax](https://revenue.iowa.gov/taxes/tax-guidance/sales-use-excise-tax/water-service-excise-tax).

### W-2 and 1099 Forms

Cities are reminded that W-2 and 1099 forms are due to employees and vendors, respectively, by January 31 of each year. The deadline for filing W-2 forms (paper or electronic) with the Social Security Administration is also January 31. Similarly, 1099 forms (paper or electronic) must be filed with the IRS by January 31 if reporting nonemployee compensation payments in Box 7.

The Affordable Care Act requires employers to report the cost of coverage under an employer-sponsored group health plan on an employee's Form W-2 in Box 12 using Code DD. For cities filing fewer than 250 W-2 forms this requirement is optional.

### GASB 45

Governmental Accounting Standards Board Statement 45 (GASB 45) requires many public entities to reflect the value of post-employment benefits (health, life, dental, etc.) that are provided to retired employees in your future audited financial statements. Your auditor has likely informed you when (and if) your city will meet the requirements for compliance with this accounting standard.

### GASB 54

Governmental Accounting Standards Board Statement Number 54 (GASB 54) provides guidance for fund balance categories and classifications and governmental fund type definitions. In Iowa, the Annual Financial Report, sent to the State Auditor's office by December 1 of each year, has been changed due to GASB 54. This means all cities in Iowa are impacted.

GASB 54 changed the way we look at cash balances, specifically reporting what cash balances, by major governmental fund type, are or are not available for public purposes. Additional information can be found at [www.iowaleague.org/resource/gasb-54-fund-balance-classifications](http://www.iowaleague.org/resource/gasb-54-fund-balance-classifications).

### GASB 68

Governmental Accounting Standards Board Statement Number 68 (GASB 68) requires state and local government to make significant changes to how they account and report finances related to pension plans. This includes new requirements for reporting pension-related liabilities and obligations. The State Auditor's Office has created a variety of resources to help cities prepare for the requirements, which can be found at [www.auditor.iowa.gov/city-resources/gasb-68-pensions](http://www.auditor.iowa.gov/city-resources/gasb-68-pensions).

### **GASB 77**

Governmental Accounting Standards Board Statement Number 77 (GASB 77) requires governments to disclose in the notes to their financial statements the amount of revenues they promise to forgo through agreements with individuals or entities which promise to take specific actions after the agreements have been entered into that contribute to economic development or otherwise benefit the governments or the citizens of those governments.

GASB 77 also requires governments to disclose the portion of revenues which the government would have otherwise received that other governments have promised to forgo through their tax abatement agreements. The Iowa Department of Management has developed resources to help cities comply with these requirements, which can be seen at [dom.iowa.gov/local-government/gasb-77](http://dom.iowa.gov/local-government/gasb-77).

### **Affordable Care Act**

Cities are reminded to be in compliance with applicable provisions of the Affordable Care Act (ACA) or they could be subject to penalties for employers and individuals. With that in mind, cities need to know how the ACA affects them and their employees and prepare for any coming changes. The various aspects of the ACA could impact cities in many different ways and cities are encouraged to consult with their health care advisors to determine the best course of action.

### **Red Flag Rules**

The Fair and Accurate Credit Transactions (FACT) Act of 2003 requires utilities and government entities to implement identity theft prevention programs. These provisions are known more commonly as the Red Flags Rule. Municipal utilities, local governments and any entity that can broadly be classified as a creditor should develop and implement a written identity theft prevention program. More information regarding this policy is available at [www.ftc.gov/tips-advice/business-center/privacy-and-security/red-flags-rule](http://www.ftc.gov/tips-advice/business-center/privacy-and-security/red-flags-rule).

### **Consumer Confidence Report**

Cities are required to complete a Consumer Confidence Report, which is designed to inform consumers of their local water quality. A copy of the report must be mailed or otherwise directly delivered to each customer annually by July 1. A city with a population less than 10,000 with no violations during the past year may use a mailing waiver. If these cities choose to use the mailing waiver:

- For a city with a population less than 500, the mailing waiver must provide notice at least once per year to their customers by mail, door-to-door delivery or posting that the report is available upon request.
- For a city between 500 and 10,000 in population, the mailing waiver must inform customers that the report will not be mailed. The cities must publish the report in the newspaper and make the report available upon request.

### **Single Audit Act**

Cities that expend a total of \$750,000 or more in federal assistance in a fiscal year must comply with the Single Audit Act, which requires a single or program-specific audit of city financial records.

### Training Costs

The League and others offer several training events directed at city officials throughout the year. Be sure to check [www.iowaleague.org](http://www.iowaleague.org) throughout the year to get information about these events and the associated registration fees.

### Budget Calendar

Legislation approved by the Iowa Legislature made significant changes to the city budget approval and filing process. Beginning with the FY 2025 budget, cities are required to complete a Proposed Tax Rate form and submit it to the Iowa Department of Management (IDOM) by March 5. A form is provided by the IDOM and cities are to provide information related to its current property tax rate; the total amount of dollars to be collected via its proposed property tax rate; a statement explaining the reasons for an increase in the dollars collected from the previous fiscal year (if an increase is anticipated); examples comparing a property owner's tax obligation from the current fiscal year to the next; and information on the public hearing regarding the proposed property tax rate.

Then, by March 20, county auditors must compile each taxing entity's statements and mail each property owner or taxpayer within the county an individual statement that breaks out the information from each political subdivision.

The new law then requires cities to hold a public hearing on the proposed property tax levies and amounts as detailed in the Proposed Property Tax Rate form. ***This hearing must be held at a meeting that is separate from any other council meeting – no other business may be included in this hearing and meeting.*** At the hearing, the council shall receive oral or written testimony from any resident or property owner of the political subdivision. After such comments, the council may decrease (but not increase) the proposed property tax amount to be included in the city's budget.

Cities must provide notice of this hearing no less than 4 and no more than 20 days prior to the meeting where the hearing will be held by publishing a notice in a newspaper that is published at least once weekly and has general circulation in the city. Cities with populations 200 and fewer may meet the publication requirement by posting the notice in three public places in the city. All cities must also post an electronic link to the notice on any and all existing city websites and social media sites.

Notice of the hearing shall also be posted and clearly identified on the city's internet site for public viewing beginning on the date of the newspaper publication (or posting) and shall be maintained on the city's internet site with all prior year notices and copies of the statements mailed. Additionally, if the city maintains a social media account on one or more social media applications, the public hearing notice or an electronic link to the public hearing notice shall be posted on each such account on the same day as the publication of the notice.

The new law also states that a municipality shall not certify or levy in any fiscal year a property tax unless and until the estimates have been made, filed and considered. The verified proof of publication of the notice shall be filed in the office of the county auditor and preserved by the auditor.

Following that part of the process, cities can proceed to the traditional annual budget approval steps that have long included a notice of the proposed city budget, public hearing and resolution to approve the city budget. Cities must file the full annual budget by April 30.

The following schedule is an example for cities to follow during the budgeting process. The example assumes the city has a Thursday newspaper publication with a Tuesday deadline and the council meets on the first and third Monday. Cities should adopt a calendar that meets their specific circumstances and council meeting schedule.

**Typical Budget Timeline**

*\*Dates noted by an asterisk are statutory deadlines or requirements.*

Budget Timeline	Date
City elected officials and staff members meet to hold preliminary budget discussions and schedule formal work sessions and budget adoption dates	November and December
City department heads give budget and proposals to city finance officer	Early January
Budget work session(s) with staff members and city council	January 19 (some cities may hold additional work sessions and would add those into their schedule)
City finalizes budget plan to complete information required in Proposed Tax Rate form; council schedules Proposed Tax Rate public hearing	March 2
City submits Proposed Tax Rate form to Iowa Department of Management	March 5*
Notice of hearing on Proposed Tax Rate published	March 26
Public hearing on Proposed Tax Rate (state code requires this hearing to be held separately of any other city council meeting and no other business may be discussed)	April 6
Council receives and adopts final proposed budget and schedules public hearing (this can be done in the same evening as the Proposed Tax Rate hearing, but it must be set up as a separate, regular council meeting)	April 6
Notice of hearing on adoption of final budget published	April 9
Budget hearing and adoption of final budget by resolution	April 20
Certified budget to county auditor and filed with IDOM	April 30*
Persons affected by the budget have 10 days after the date of certification to file a written protest	May 10*
IDOM certifies taxes back to county auditor	June 15*
Budget takes effect	July 1*
<p><b>NOTICE REQUIREMENT:</b> Notice of the hearing on the Proposed Tax Rate and of the proposed annual budget must be given not more than 20* days nor less than 4* days before the date of the hearing.</p> <p><b>DETAILED BUDGET:</b> The detailed budget must be available for public inspection at least 10* days before the final budget hearing and 20* days before final date for certification, and is to be available at the clerk’s and mayor’s offices and the public library, or posted at three places designated by ordinance if there is no library.</p>

# BI-COUNTY AMBULANCE

1503 6<sup>TH</sup> STREET SE • PO BOX 27 • DYERSVILLE, IA 52040  
PH 563 - 875 - 8628 • FAX 563 - 875 - 2764

Dyersville City Council  
C/O Tricia Maiers, clerk  
340 1<sup>ST</sup> Avenue E  
Dyersville, IA 52040

December 15, 2025

Subject: Bi-County Ambulance 2025 Update

Dear Dyersville City Councilmembers,

I hope this message finds you well. On behalf of Bi-County Ambulance, I am writing to provide you with an update on our service performance, highlight our accomplishments from the past year, and share our goals for the upcoming year. We hope this letter will serve as a comprehensive update and reaffirm our commitment to transparency and collaboration.

## Service Performance

Since January 1, 2025, twenty-four volunteers from Bi-County Ambulance responded to 450 service requests across local townships in Dubuque and Delaware County, including in the cities of Dyersville, New Vienna, and Worthington, with:

- An average response time (from page until arrival on scene) of 12.5 minutes
- At least one paramedic on 45% of calls.

We are proud of our volunteers' dedication and grateful for the strong partnerships with local law enforcement and first responders, whose early interventions further enhance patient outcomes.

## Accomplishments

In the past year, we have:

- Completed a State inspection, with no findings noted.
- Implemented clinical quality audits of all calls run, to improve clinical care.
- Increased membership by a net of 3 volunteers.
- Hosted an EMT class, through NICC, which will finish in January with 9 students. Most students were sponsored by Bi-County Ambulance or other local EMS agencies.
- Strengthened relationships, largely through collaborative training, with first responders from New Vienna and Worthington.

## Goals

In 2026, we plan to

- Continue recruitment and retention efforts.
- Secure additional sources of public funding.
- Initiate a public education program.

**Funding & Support**

Our operations are sustained through service billing, donations, and contracted funds. As expenses continue to increase faster than insurance payments, your township's financial contribution is vital to our continued success. We are deeply grateful for your investment and respectfully request continued financial support in the upcoming year to ensure we can maintain our high standards of service.

**Partnership**

We value your ongoing partnership and the trust you place in Bi-County Ambulance. Your support allows us to continue delivering life-saving care to our communities. If you have any questions or would like additional information, please contact us at 563-875-8628 or [servicedirector@bicountyamb.com](mailto:servicedirector@bicountyamb.com).

Thank you for your time, consideration, and commitment to the health and safety of our residents.

On behalf of the Bi-County Ambulance Board of Directors,

Elizabeth A. Hager, MBA, NRP, CCP  
Service Director, Bi-County Ambulance

**Bi-County Ambulance  
Projected Budget Overview  
July 2026 - June 2027**

**INCOME:**

**Transfer from Reserves**

**400 – Ambulance** 260,000.00

410 – Contracts

411 – City of Dyersville 44,770.00

412 – City of New Vienna 3,850.00

413 – City of Worthington 3,820.00

414 – Bremen Township 4,700.00

415 – Cascade Township 1,240.00

416 – Colony Township 659.00

417 – Dodge Township 1,253.00

418 – Liberty Township 941.00

419 – New Wine Township 3,112.00

420 – North Fork Township 2,776.00

**410 – Contract Totals** 67,121.00

**Other Income**

440 - Donations

450 - Reimbursements

490 - Interest Income

497 - Tom Hancock Grant

Iowa Off-Set Program 8,000.00

GEMT 5,000.00

Fuel Tax Refund 500.00

**Total Other Income** 13,500.00

**TOTAL INCOME:** 340,621.00

**EXPENSES:**

**500 – Labor Costs**

501 – Financial Officer Salary 20,000.00

504 – Crew Wages/Salary 40,000.00

506 – Federal Payroll Taxes 8,100.00

510 – State Unemployment Taxes 100.00

511 – Service Director 30,000.00

513 - Assistant Financial Officer Salary 26,000.00

**Bi-County Ambulance**  
**Projected Budget Overview**  
**July 2026 - June 2027**

515 - Base Pay

**500 – Total Labor Costs** **124,200.00**

**520 – Employee Benefits**

524 – Part-time Retirement Fund - IPERS 6,850.00

525 – Uniforms 800.00

528 – Employee Health 340.00

**520 – Total Employee Benefits** **7,990.00**

**529 – Monthly Meeting Supplies** -

**530 – Training and Education**

531 - NICC EMT Class 3,500.00

533 - NICC CEH Fees 200.00

542 - NREMT Fees 116.00

**530 - Total Training and Education** **3,816.00**

**550 – CPR/ACLS/PALS**

553 - Audio Visual -

555 - CPR Cards 408.00

556 - CPR Supplies/Equipment -

**550 – Total CPR/ACLS/PALS** **408.00**

**560 – Utilities**

561 – Rent 17,100.00

563 - Phone-Cellular (Ambulance) 2,400.00

564 - Building Repairs & Maintenance 100.00

565 - Other-Misc 100.00

**560 – Total Utilities** **19,700.00**

**570 – Administrative Costs**

571 – Postage-US Postal Service 150.00

572 – Shipping-UPS & Others 150.00

573 – P.O. Box Rental 100.00

574 - Office Equipment Repair -

575 – Office Electronics Repair 500.00

576 – PCC Billing Service 17,500.00

578 - Other Software 8,000.00

579 – Supplies 700.00

580 – Printing Costs 800.00

581 – Office – Other 500.00

583 - Office Furniture 800.00

**Bi-County Ambulance****Projected Budget Overview****July 2026 - June 2027**

# Dyersville Area Historical Society

Item 8.

340 1st Avenue E | Dyersville, Iowa 52040 | 563-875-2504

February 16, 2026

Mayor Jacque and the City Council  
340 1<sup>st</sup> Ave E  
Dyersville, IA 52040

Dear Mayor Jacque and the City Council:

Enclosed please find our projected budget for 2026.

We request that the City of Dyersville include funding for the Dyersville Area Historical Society in the budget for 2026-2027. We are requesting \$5,000.00 this year as that is what you generously gave last year. We plan to use this to help offset the cost of the insurance as the premiums for the museum have increased greatly the last few years.

The goal of the Historical Society has always been, and continues to be, the preservation of the history of Dyersville and its families. The office continues to assist people from all over the world with their genealogical research. The Dyer-Botsford Historical & Doll Museum continues to draw tourists from all over the United States and teaches them the history of Dyersville. I would like to invite all of you to take the time to tour the Dyer-Botsford Historical & Doll Museum to see what has been done and updated. I would love to show you what a valuable asset we have at the museum as well as the office. Let me know when you would like a tour.

The Dyersville Area Historical Society is grateful to the City of Dyersville for all of your support in the past and look forward to your continued support.

Sincerely

Christina J Deutmeyer  
Office Manager

## 2026 Projected Budget – Dyer-Botsford Historical & Doll Museum

Income:	Admissions & Tea Profit	3,500.00
	Dubuque County Grant**	4,000.00
	Gift Shop & Doll Sales*	1,000.00
	Dyersville City Grant	5,000.00
	Donations	<u>3,000.00</u>
		\$16,500.00

Expenses:	Salary	3,000.00
	Advertising	600.00
	Insurance	5,000.00
	Elevator Inspection	800.00
	Utilities	4,200.00
	Repairs & Maintenance	<u>1,000.00</u>
		\$14,600.00

\*Doll sales have dropped off as people are not collecting them. We are selling other items in our gift shop.

\*\*We did not receive this grant last year to help defray cost of utilities from Dubuque County. Will apply again this year.

CITY AG LAND TAX RATE	3.00375	3.18243	3.00375
<b>Tax Rate Comparison-Current VS. Proposed</b>			
Residential property with an Actual/Assessed Valuation of \$100,000/\$110,000	<b>Current Year Certified 2025/2026</b>	<b>Budget Year Proposed 2026/2027</b>	<b>Percent Change</b>
City Regular Residential	487	503	3.29
Commercial property with an Actual/Assessed Valuation of \$300,000/\$330,000	<b>Current Year Certified 2025/2026</b>	<b>Budget Year Proposed 2026/2027</b>	<b>Percent Change</b>
City Regular Commercial	2,115	2,350	11.11

Note: Actual/Assessed Valuation is multiplied by a Rollback Percentage to get to the Taxable Valuation to calculate Property Taxes. Residential and commercial properties have the same rollback percentage through \$150,000 of actual/assessed valuation.

**Reasons for tax increase if proposed exceeds the current:**

The city's general operations costs, such as purchasing supplies, gas, wages, health care costs, and liability & property insurance, have increased. The purchase of equipment, vehicles, and other assets has also increased.

LOCAL EMC SUPPORT

Item 11.

City Name: **DYERSVILLE**  
 Fiscal Year July 1, 2026 - June 30, 2027

As provided in Iowa Code Section 384.12, subsection 22, a city may levy the amount necessary in support of a local Emergency Management Commission. In addition to this individual levy, Emergency Management Commission support may also be included as part of the General Fund Levy. Iowa Code Section 29C.17, subsection 6 states that any support from cities or counties must be separately reported on tax statements issued by the county treasurer. Input the amount of General Fund Levy request to be used for support of an Emergency Management Commission. The total below will reflect the total amount of Emergency Management Commission support provided by the City.

	Request with Utility Replacement	Property Taxes Levied
Portion of General Fund Levy Used for Emerg. Mgmt. Comm.	0	0
Support of a Local Emerg.Mgmt.Comm.	0	0
