## BOARD REPORTS:

**Executive Directive, Michael Johnson** – was approached by a non-profit group, headed up by Monique Knickles and Pat Knicks to a giveaway on Tuesday located at the swimming pool (3-6pm), they will give health bags, not just food also gift cards and other things, the non-profit wants to partner for both Thanksgiving and Christmas, will coordinate with them to be a part of the Christmas on the Boulevard, have been communicating the logistics with Mr. Washington and the CAO; if something passes the legislative session it will about two years before anything happens, it will be fine as it relates to the life cycle of the CRA, will not loss the CRA revenue stream immediately (if it passes); will be bringing forth the TIFF transfer resolution in December; there will be a light agenda for December.

**CRA Attorney, Greg Jackson** - No Report

**Director, Donovan Williams** – No Report

**Director, Ruthi Critton** – No Report, inquired about calendar events before the end of the year.

**Director, Tarus Mack** – No Report

**Director, Wanda Randolph** – Expressed the need for the board to have their documents, inquired about what will be done to improve those procedures and ensuring that the board received their information in a timely manner, referenced the interlocal agreement and information going through the town clerk (reconciliation of financials may be delayed because of due process); inquired about Mr. Evan's house with the \$5,000 emergency (waiting on daughter to provide quotes); inquired about the West street property (that was demolished), parcel B which is Lot 8 will be the first unit to be built, looking to have permits in December before the holidays; just closed on the other property on West street, the contract was approved to have Rhodes & Brito to do the architecture engineering, code violations have been cleared up, the property is zoned properly within R2, it will be a senior and wellness center (not a medical center); just received a set of plans for the old Dixon (W. Kennedy) property; the contraction project manager will oversee all the projects, request copies of the bids/score sheets; inquired about the \$21,000 indicated on the bank statement (the CRA is in an e-treasury account and collect annual money off the account coming from the Department of Treasury interests), because of the statutory limitations, the CRA was put in a pre-treasury account system to prevent violation of the policy, request for the attorney to look into the funds.

**Vice Chair, Theo Washington** – expressed concerns on having the liens recorded, have to record in order to be enforceable, people have to do their jobs so the town does not miss out on funds; the CRA had to recently pay \$9,600 on a deed sale, the exemption form was never filed; all of the CRA properties are now covered.

**Chair, Angie Gardner** – Spoke with Nicole Oriol concerning the Rebuild Together, at the time she stated that she had not received a formal word; was told Rebuild Together was getting ready to renovate 9 properties in the city of Winter Garden and that the city was giving them \$50,000 to do so, wanted to bring this to the attention of the board.
