Town Presentation: Code Enforcement Officer, Baruti Abdallah-Nosakhere presented as evidence notices, photos, affidavits, and certified mail information pertaining to the alleged Code violation. An inspection of the Property revealed an inoperable vehicle parked with no tag. As of today’s date, the Property remained noncompliant with the Town Code. Respondent: James Chambers was present to testify. Stated that the chain link fence does not belong to him. Will apply for permit as requested. Respondent alleges that he is being stalked by the code officer, both the officer and respondent confirm their level of comfort in communicating with each other moving forward.

Board Discussion/Action: Treating both offenses as a single violation, the chain link needs a cap on the post, the front fence is to be removed to be in compliance. The side fence location is fine. The respondent will need to apply for a permit, which was not done. The chair asked for clarification between the definitions of a fence and decorative edging. In Sec. 60-73 Restrictions, this would be a garden wall, fence, or hedges shall conform to the requirements. Question was asked to the respondent if effort were made to seek the approval of the planning department for an exception and if he were aware that an exception could be made (No). Recommend respondent to read Sec 60 of town code for guidance. It states no fence can be erected without approval of the planning department.
