Good day, Sir,

I am writing to you today from my residence at 232 Park Place, Orlando, Florida 32810, concerning the notification my landlord received about the orange vehicle situated on the side of the property.

Please know that I intend to either repair the vehicle or, should that prove unfeasible, arrange for its removal. Would it be possible to obtain an extension until July, or for any duration you deem appropriate, to allow sufficient time to address this matter properly?

Sincerely,

Wally Etienne

TO: CLARE SCOTT-HARDY,

You are hereby notified, the property located at 327 AMADOR CIRCLE, ORLANDO, FL **32810** is in violation of the provision of the Town of Eatonville Code of Ordinances set forth above. Specifically, in Sec. 18-203. Definitions. The following words, terms and phrases when used in this division shall have the meanings ascribed to them in this section, except

where the context clearly indicates a different meaning: Abandoned, inoperative or discarded motor vehicle means a motor vehicle which is in a state of disuse, neglect or abandonment. Evidence may include, but is not limited to, factors such as, the vehicle being wrecked and inoperative, inoperative as evidenced by vegetation underneath as high as the vehicle body or frame; refuse or debris collected underneath or the vehicle being used for storage purposes; if it is partially dismantled, having no engine, transmission, or other major and visible parts, having major and visible parts which are dismantled, being jacked up with no tire, and or brake pad/rotor; incapable of functioning as a motor vehicle in its present state; and has only nominal salvage value, does not have current license plate and validation sticker, or being in any physical state rendering it inoperative. If the primary apparent evidence of neglect, inoperativeness or abandonment is the lack of a valid tag or vegetation growing under the vehicle, then the enforcement officer shall use his training and experience to determine whether, under the totality of the circumstances, the vehicle is in a state of evident disuses, inoperativeness, neglect, or abandonment or derelict if it is in an evident state of extended disuse or neglect. Inoperative motor vehicle means a motor vehicle which has not been operable for a period of at least 30 days. **Parked** means the standing of a motor vehicle, whether occupied or not, otherwise than temporarily for the purpose of, and while actually engaged in, loading or unloading merchandise or embarking or disembarking passengers. Sec. 50-2., Definitions for interpretation of property maintenance standards and nuisance abatement code. Exposed to public view means any premises, or building or any part thereof, which may be lawfully viewed by the public from a sidewalk, street, alleyway, or from any adjoining or neighboring premises. Nuisance/public nuisance means any one or combination of the following: (2) Any attractive nuisance which may prove detrimental to the health or safety of children and others, whether in a building, on the premises of a building or upon an unoccupied lot. This includes, but is not limited to: abandoned wells, shafts, basements, excavations, unused iceboxes, refrigerators, abandoned motor vehicles and any structurally unsound fences or structures, lumber, trash, debris or vegetation such as poison ivy oak or sumac, which may prove to be a hazard for inquisitive persons. Abandoned buildings are attractive nuisances when they are unsecured or unsecurable, and when by reason of abandonment or neglect they contain unsound walls or flooring, unsafe wiring, fire hazards, or other unsafe conditions that offer opportunities for criminal activity, and that persist to the danger and detriment of the neighborhood. Refuse (also garbage, rubbish, debris, trash) means all decaying and nondecaying solid wastes, except bodily wastes, including, but not limited to garbage, rubbish, ashes, street cleanings, dead animals, abandoned automobiles and solid market and industrial wastes, and all combustible and noncombustible materials. Sec. 50-35. - Maintenance of exterior of premises (a)., It shall be unlawful for the owner or occupant of a residential building,

structure, or property to utilize the premises of such residential property for the open storage of any abandoned motor vehicle, icebox, refrigerator, stove, glass, building rubbish or similar items. This requirement includes proper maintenance, by the owner, of that portion of the adjoining public right-of-way between the owner's property and the street. Sec. 50-35. -Maintenance of exterior of premises (b)., The exterior of the premises and of all structures thereon shall be kept free of all nuisances and any hazards to the safety of occupants, customers, pedestrians, and other persons utilizing the premises and free of unsanitary conditions, and any of the foregoing shall be promptly removed and abated by the owner or operator.
