## ITEM NO. 4

---

### SUBJECT

#### **WAIVER OF READING OF ORDINANCES AND RESOLUTIONS –**

### ANALYSIS

The City Council/RRB has adopted a policy that is sufficient to read the title of ordinances at the time of introduction and adoption, and that reading of the full text of ordinances and the full text and title of resolutions may be waived.

Approval of this consent calendar item allows the City Council/RRB to waive the reading of the full text and title of all resolutions agendized in the Consent Calendar, as well as the full text of all ordinances agendized in either the Introduction and Adoption of Ordinances or General Items sections. **This particular consent calendar item requires unanimous approval of the City Council/RRB.**

Upon approval of this item as part of the Consent Calendar, all resolutions included in the motion and second to approve the Consent Calendar shall be approved. Those resolutions removed from the Consent Calendar and considered under separate action may also be approved without the reading of the full text and title of the resolutions.

Also, upon the approval of this item, the Mayor will read the titles of all ordinances included in the Introduction and Adoption of Ordinances section. After reading of the ordinance titles, the City Council/RRB may introduce and/or adopt all the ordinances in one motion and second.

### **RECOMMENDATION**

Staff recommends that the City Council/RRB approve the waiving of reading of the text of all ordinances and the text and title of all resolutions included in this agenda. Unanimous approval of the City Council/RRB is required.

Respectfully Submitted,

A blue ink signature of the name "Zack Beck".

On December 3, 2025, the City Council adopted Resolution No. 2025-156, reaffirming that there was a need to continue efforts toward the emergency repair for the failing trunk sewer line.

On December 17, 2025, the City Council adopted Resolution No. 2025-164, reaffirming that there was a need to continue efforts toward the emergency repair for the failing trunk sewer line.

### BACKGROUND

The City's trunk sewer mains, constructed in the 1950's, are a critical and integral part of the City's wastewater system. In June 2024, during routine closed-circuit television inspection, Utilities Staff identified multiple failed and severely deteriorated sections of 18-inch and 21-inch trunk sewer main. In order to act quickly to avoid catastrophic failure, a local emergency was proclaimed on June 20, 2024, by the City Manager, serving as the Director of Emergency Services. The original scope of work included two sections of severely deteriorated trunk sewer main that are in critical condition. These sections are shown in **Figure 1** below and defined as follows:

Section 1: Ash Street - paralleling the Escondido Creek, from the Firestone Complete Auto Care ("Firestone") parking lot to the Walmart Neighborhood Market ("Walmart") parking lot; and  
Section 2: Beech Street to Grape Day Park - paralleling the Escondido Creek, traversing a short section of North Hickory Street, then continuing in East Pennsylvania Street from North Hickory and extending into Grape Day Park.

**Figure 1**

# CITY of ESCONDIDO

## STAFF REPORT

Section 1 emergency repair work began on August 7, 2024. All repairs to Section 1 are now complete.

Section 2 emergency repair work began on July 25, 2024, and is anticipated to be complete by January 16, 2026. The contractor, CCL Contracting, Inc. ("CCL"), has installed approximately 5,490 linear feet of trunk main, from Grape Day Park to Hickory Street, within Pennsylvania Avenue; north within Hickory Street from the intersection of Pennsylvania Avenue and Hickory Street to just south of the intersection of Hickory Street and Lansing Circle; easterly through the Westmont Assisted Living Community; and continues easterly within the City's Escondido Creek private property/public utility easement, paralleling the south side of Escondido Creek to Grape Street. Currently the contractor is working on E. Valley Parkway between Cedar and Beech St. The additional restoration work at Westmont Assisted Living Community, which included abandonment and slurry fill of 2,000 feet of 21-inch sewer, abandonment and slurry fill of 14 manholes, and repair of 40 feet of 21-inch trunk sewer line within the bike path at Date Street, has been completed.

In June 2025, a construction conflict with a 36" diameter water transmission main along the bike path was identified. City staff determined that rerouting the sewer trunk main from the bike path into East Valley Parkway, provided the best value to the city from a cost, constructability, product longevity, and risk mitigation. Construction on North Fig Street, south of the channel bridge, between Washington Avenue and Valley Parkway, began on September 2, 2025, and was completed on September 19, 2025. Utilities Construction on East Valley Parkway, between Fig Street and Beech Street, began on September 23, 2025 with work occurring at night to minimize the impact to the community. Additional work, to date, includes the installation of a modified storm drain box, seven manholes and seven laterals. Electronic message boards and signs updating the community are in place, where appropriate, throughout the construction project site and will remain through the duration of work.

Utilities Staff continues to communicate and coordinate with affected businesses and residents within the construction zone of influence, as well as other City Departments regarding current and upcoming construction, including the upcoming road closures.

## RESOLUTION NO. 2026-03

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
ESCONDIDO, CALIFORNIA, FINDING THAT AN  
EMERGENCY CONTINUES TO REQUIRE THE IMMEDIATE  
REPAIR OF THE ESCONDIDO TRUNK SEWER MAIN

WHEREAS, the City Council recognizes that the City's trunk sewer main pipeline defined in the two following critical sections are at risk of imminent, catastrophic failure:

Section 1: Ash Street - paralleling the Escondido Creek, from the Firestone Complete Auto Care parking lot to the Walmart Neighborhood Market parking lot

Section 2: Beech Street to Grape Day Park - paralleling the Escondido Creek, traversing a short section of North Hickory Street, then continuing in East Pennsylvania Street from North Hickory and extending into Grape Day Park; and

WHEREAS, pursuant to the approval of Resolution No. 2024-86 on June 26, 2024, ratifying Proclamation No. 2024-02; Resolution No. 2024-94 on July 10, 2024; Resolution No. 2024-103 on July 17, 2024; Resolution No. 2024-106 on August 7, 2024; Resolution No. 2024-117 on August 28, 2024; Resolution No. 2024-131 on September 11, 2024; Resolution No. 2024-141 on October 2, 2024; Resolution No. 2024-146 on October 23, 2024; Resolution No. 2024-162 on November 20, 2024; Resolution 2024-178 on December 4, 2024; Resolution No. 2025-03 on January 8, 2025; Resolution No. 2025-06 on January 29, 2025; Resolution No. 2025-08 on February 19, 2025; Resolution No. 2025-14 On March 19, 2025; Resolution No. 2025-19 on April 2, 2025; Resolution No. 2025-30 on April 16, 2025; Resolution No. 2025-38 on May 7, 2025; Resolution No. 2025-54 on May 21, 2025; Resolution No. 2025-58 on June 4, 2025, Resolution No. 2025-64 on June 18, 2025, and Resolution No. 2025-86 on July 16, 2025, Resolution No. 2025-102 on August 13, 2025, Resolution No. 2025-109 on August 27, 2025, and

Resolution No. 2025-113 on September 17, 2025, Resolution No. 2025-123 on October 1, 2025, Resolution No. 2025-127 on October 15, 2025, Resolution No. 2025-136 on November 5, 2025, Resolution No. 2025-156 on December 3, 2025, and Resolution No. 2025-164 on December 17, 2025, the City Council previously found that the failing trunk sewer risk constitutes an emergency and found it appropriate for Utilities Staff to proceed to contract services without adopting plans, specifications, working details, or giving notice of bids to award contracts; and

WHEREAS, on August 7, 2024, City Council approved a budget adjustment in the amount of twelve million, thirty-six thousand, two-hundred twenty-five dollars (\$12,036,225) to fund the emergency repair of the failing trunk sewer main, consisting of \$7,036,225 from the unallocated Wastewater Reserves and \$5,000,000 from Capital Improvement Project No. 801508, Recycled Easterly Ag MFRO; and

WHEREAS, the City entered into a Public Improvement Agreement ("Agreement") with CCL Contracting, Inc., in an amount not to exceed ten million, two-hundred forty-thousand, six hundred ninety-one dollars (\$10,240,691) on July 23, 2024; and

WHEREAS, the City entered into a Public Improvement Agreement ("Agreement") with J.R. Filanc Construction Company in an amount not to exceed one million, seven hundred ninety-five thousand, five hundred thirty-four dollars (\$1,795,534) on August 21, 2024; and

WHEREAS, the City Council approved Change Order No. 1 and a budget adjustment to the project in the amount of \$1,397,320.60 to fund the remaining portion of Section 2 emergency repairs due to a trunk sewer alignment conflict with the existing 36" water main, bringing the total contract value with CCL Contracting, Inc., resulting in a contract value of not to exceed eleven million, six-hundred thirty-eight thousand and eleven dollars and sixty cents (\$11,638,011.60); and

WHEREAS, pursuant to Section 22050 of the Public Contract Code, the City Council must review the emergency action every 14 days, or at its next regularly scheduled meeting, and determine by a four-fifths vote there is a need to continue the action; and

WHEREAS, this City Council desires at this time and deems it to be in the best public interest to continue the emergency action and approve the recommended change order and budget adjustment.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Escondido, California, as follows:

1. That the above recitations are true.
2. That the City Council finds the failure of the trunk sewer main is a public health and safety emergency; that this emergency will not permit the delay that would result from a competitive bidding process; and that the proposed action and expenditure is still necessary to respond to the emergency requiring immediate repair of the trunk sewer main.

**SUBJECT****COUNCIL COMPENSATION****DEPARTMENT**

Human Resources

**RECOMMENDATION**

Request the City Council adopt Ordinance No. 2025-12R providing for an amendment to Escondido Municipal Code section 2-28(a) increasing the salary for councilmembers pursuant to Government Code § 36516 and Council Rules of Policy and Procedure Section B(9).

Staff Recommendation: Approval (Human Resources: Jessica Perpetua, Director of Human Resources)

Presenter: Jessica Perpetua, Director of Human Resources

**FISCAL ANALYSIS**

Adoption of the salary adjustment would result in an annual increase to the General Fund budget reflective of the salary increases of the councilmembers and will be effective in December 2026.

**PREVIOUS ACTION**

On December 17, 2025, the Council heard and considered staff's presentation on the potential adoption of Ordinance 2025-12 and thereafter, a majority of the council made factual findings demonstrating the need for increased city councilmember compensation.

The last increase to the council's and mayor's salaries was approved (by a vote of 3-2) in December 2023, in the amount of 6 percent to the Mayoral salary and 7.5 percent to the City Council salary, pursuant to Ordinance No. 2023-19R. Prior to that, the Council approved a 10 percent salary increase in December 2017, effective December 2018, pursuant to Ordinance No. 2017-15R.

The Council considered but refused any compensation increase in December of 2019 (by vote of 4-1) and December 2021 (by vote of 3-2).

# CITY of ESCONDIDO

## STAFF REPORT

### BACKGROUND

#### Council Compensation Amendment Procedure

The City Council has discretion to increase its salary, within limits, pursuant to the Council Rules of Procedure and Policies, the Escondido Municipal Code, and state law. There is no other legislative body, committee, person or mechanism in place on a local or state level to make this salary decision.

Pursuant to the Council Rules last re-adopted in Resolution No. 2023-158R (Rules), the Council is required to have an agenda item during a meeting in December of odd-numbered years for the purpose of determining whether or not to act regarding City councilmember and mayoral compensation. Rules, Section B(9). The effective date of any increase is the following year after the new council is sworn in. In this case, any increase would be effective upon the swearing in of the new City Council on December 9, 2026. The underlying purpose of including this provision in the Rules was to ensure that the City Council addresses on a regular basis the politically sensitive issue of voting themselves a raise, to not allow compensation stagnation to negatively impact public interest in serving on the council, and to fairly compensate councilmembers for their services.

Pursuant to recently enacted SB 329, amending Government Code § 36516, the council has already considered the adoption of a salary increase at a first regular public meeting of the City Council. On December 17, 2025, pursuant to Government Code § 36516(g)(2), the council held an open regular council meeting to consider, discuss and take public comment on any proposed salary increase which must include “findings demonstrating the need for the increased compensation.”

The council made a record of the need to increase the salary from the current ordinance amounts during the meeting and directed Human Resources to finalize Ordinance No. 2025-12 to include the increase of 10% for city councilmembers and no additional increase for the mayor.

This council meeting is being held not less seven days after the first consideration of a salary ordinance pursuant to Government Code § 36516(g)(3), and the City Council may now adopt an amendment to the salary ordinance increasing the amount of councilmember salary as directed.

#### Allowable Amount of Increase

The Escondido Municipal Code sets councilmember and mayoral compensation via the adoption of an ordinance. Currently, pursuant to Section 2-28(a), the salary for all councilmembers is \$2,245.06 per month (\$26,940.72/year). Pursuant to § 2-28(b), the mayor receives the councilmember salary and an additional \$4,035.06 per month for a total of \$6,280.12 per month (\$75,361.44/year). This additional amount is intended to reflect the citywide responsibilities for the mayor. Consistent with state law, the Council also receives the same benefits as other City employees and the value of those benefits are not included in the salary amount.

# CITY of ESCONDIDO

## STAFF REPORT

On December 17, 2025, the City Council directed Human Resources by a vote of 5 – 0 to bring back a final Ordinance for review and consideration and vote to adopt Ordinance No. 2025-12R.

### Conclusion

In light of the foregoing, it is requested that the City Council adopt Ordinance No. 2025-12R repealing and replacing Escondido Municipal Code § 2-28(a) increasing the current councilmember salary amounts by 10 percent to \$2,469.57 per month and no increase to the mayor salary, respectively, effective at the time the next City Council is sworn into office in December 2026.

### **ORDINANCES**

- a)      Ordinance No. 2025-12R

## ORDINANCE NO. 2025-12R

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF  
ESCONDIDO, CALIFORNIA, AMENDING SECTION 2-28(a)  
OF THE ESCONDIDO MUNICIPAL CODE, AND AMENDING  
THE SALARY SCHEDULE FOR CITY COUNCIL MEMBERS

The City Council of the City of Escondido, California does ordain as follows:

## SECTION 1. The City Council makes the following findings:

WHEREAS, the privilege to serve on the City Council of the City of Escondido (City Council) requires the expenditure of significant time during weekdays and weekends, and at all times of the day at City Hall, at local public agency offices for meetings, and around the community for various civic events; and

WHEREAS, City Council service requires education, training and experience in numerous governmental issues including conflicts of interest, Ralph M. Brown Act compliance, budgets, labor negotiations, and often involves reviewing substantial staff reports and related legal documents; reviewing and considering local and state legislation; attending to representative assignments at regional government body meetings; staying informed on current local and state issues; and reviewing financial reference materials, budgets and reports; and

WHEREAS, the City Council has discretion to increase its salary, within limits, pursuant to the Council Rules of Procedure and Policies, the Escondido Municipal Code, and state law; and

WHEREAS, pursuant to the Council Rules last re-adopted in Resolution No. 2023-158R (Rules), the Council is required to have an agenda item during a meeting in December of odd-numbered years for the purpose of determining whether or not to act regarding City councilmember and mayoral compensation. The effective date of any increase is the following year after the new council is sworn in consistent with

Government Code § 36516.5. In this case, any increase would be effective upon the swearing in of the new City Council on December 9, 2026; and

WHEREAS, the purpose of including a Rules provision requiring review of council salaries was to ensure that the City Council addresses on a regular basis the politically sensitive issue of voting themselves a raise, to not allow compensation stagnation to negatively impact public interest in serving on the council, and to fairly compensate Councilmembers for their services; and

WHEREAS, the last increase to the council's and mayor's salaries was approved (by a vote of 3-2) in December 2023, in the amount of 6% to the Mayoral salary and 7.5 percent to the City Council salary, pursuant to Ordinance No. 2023-19R, with an effective date of December 2024. Prior to that, the Council approved a 10 percent salary increase in 2017, effective December 2018, pursuant to Ordinance No. 2017-15R; and

WHEREAS, the current salary of Escondido City Councilmembers is \$2,245.06 per month and the current salary of the mayor is \$6,280.12 per month pursuant to Escondido Municipal Code § 2-28(a) and (b), respectively, and Government Code § 36516.1; and

WHEREAS, pursuant to Government Code § 36516(a)(4)(A), the City Council may increase its salary by as much 5 percent for each calendar year from the operative date of the last adjustment of the salary which in this case would be up to 10 percent given the last salary increase was December 2024; and

WHEREAS, a continuing failure or refusal to increase the City Council's salary will result in a significant departure from reasonable compensation putting future City Council's in the very difficult position of having to make up the difference; and

WHEREAS, low City Council compensation can hinder potential candidates from running for office or performing competently once in office given the high cost of living in San Diego County and the need for outside employment; and

WHEREAS, there is no other legislative body, committee, agency, person or mechanism currently in place on a local or state level to make this salary decision; and

WHEREAS, it is in the best interests of the residents of the City of Escondido that their Councilmembers are adequately paid to perform the services that are required of this position and that Ordinance No. 2025-12 be adopted.

SECTION 2: Proper notices of this regular City Council meeting have been given consistent with the Ralph M. Brown Act and Government Code § 36516.

SECTION 3. That the above recitals are true and the City Council has reviewed and considered Ordinance No. 2025-12 and makes such factual findings as are required pursuant to Government Code § 36516(g).

SECTION 4. That Section 2-28 (a) of the Escondido Municipal Code is hereby repealed in its entirety and replaced to read as follows:

## FISCAL ANALYSIS

The City of Escondido ("City") receives an annual federal entitlement from the Department of Housing and Urban Development ("HUD") for community development and housing activities. It is anticipated that the City will receive approximately \$1.3 million in CDBG entitlement funds, \$500,000 in HOME entitlement funds, and \$0 in ESG funding, from HUD for fiscal year ("FY") 2026-2027. HUD funds must assist the low- and moderate-income ("LMI") residents of Escondido and may not be used to supplant City funds. CDBG and HOME activities and administrative costs will be funded solely by grant funds and will not impact the General Fund.

States and cities that receive HOME funds must match the HOME funds they spend on affordable housing development, with their own 25 percent contribution. The matching funds must be from a non-federal resource. The City does this through the use of Housing Successor Agency funding. However, the match can take many forms, including in-kind contributions such as labor, construction materials, and land for HOME eligible projects. Other contributions, such as foregone taxes, other foregone fees, and infrastructure improvements, may also count toward the matching requirement, if they are used specifically for projects funded by HOME dollars. The matching requirement must be met in the same

## STAFF REPORT

fiscal year that HOME funds are used, but if a jurisdiction provides more matching funds than are required in a given year, it can carry those funds forward to meet the matching requirement in subsequent years.

### PREVIOUS ACTION

On June 25, 2025, the City Council conducted a public hearing to solicit and consider citizen input on the Five Year 2025-2029 Consolidated Plan and 2025-2026 Annual Action Plan for the use of CDBG and HOME funds. The Council adopted Resolution No. 2025-69 approving Fiscal Year 2025-2029 Consolidated Plan and Fiscal Year 2025-2026 Annual Action Plan for the use of CDBG and HOME funds, conditionally committing funds to projects, authorized the Director of Community Development to execute contracts as appropriate and approved the submittal of the Fiscal Year 2025-2029 Consolidated Plan and the Fiscal Year 2025-2026 Annual Action Plan to HUD.

### BACKGROUND

The City of Escondido is considered an entitlement jurisdiction and receives an annual allocation from HUD for the operations of its CDBG and HOME programs. The funding is determined by a formula, based on population, age of rental units in the city, and poverty levels. The HOME formula prioritizes jurisdictions with high poverty rates and inadequate rental housing stock.

As a recipient of CDBG and HOME federal funds, the City is required to submit a five-year Consolidated Plan, an Annual Action Plan that is required for each year of the Consolidated Plan period, and a Consolidated Annual Performance and Evaluation Report ("CAPER") to monitor its progress, outcomes, and expenditures for the program year. The Consolidated Plan and Action Plan identify the community's housing needs and describes in detail how CDBG, HOME and other HUD block grant funds will be used to meet those needs. Cities can administer CDBG and HOME funds themselves, or they can designate public agencies or nonprofit organizations to administer all or part of the CDBG and HOME programs on their behalf.

Based on a community needs assessments and public participation, CDBG and HOME priorities were identified and adopted as part of the FY 2025-2029 Five-Year Consolidated Plan.

### CDBG & HOME Priorities

The community development priorities approved for the 2025-2029 Consolidated Plan are:

1. Support the development and preservation of affordable rental and homeownership opportunities.
2. Expand access to supportive services to prevent and reduce homelessness, promote housing stability, and foster long-term solutions.
3. Promote safe and healthy communities by improving public facilities, upgrading infrastructure, and supporting neighborhood revitalization efforts.

# CITY of ESCONDIDO

## STAFF REPORT

4. Deliver essential public services to vulnerable populations, including youth, families, and seniors with low to moderate incomes and individuals with special needs.

Each year, at the first public hearing, prior to adoption of the One-Year Action Plan, Council is asked to review and reaffirm these priorities and may choose to adopt changes at that time.

### Annual Action Plan

In accordance with the City's Citizen Participation Plan, the City conducts two public hearings. The first public hearing will be held in February and Council will be asked to review and reaffirm the CDBG, HOME, and ESG priorities identified in the 2025-2029 Consolidated Plan, approve the allocation process for FY 2026-2027 funding, and approve the release of a Request for Proposal ("RFP") to notify potential internal and external subrecipients of the funding availability. The RFP will be open for approximately four weeks. Staff will meet with councilmembers to discuss proposals prior to drafting the 2026-2027 Annual Action Plan and posting it for a 30-day public review period. During that time staff will also conduct public outreach to solicit additional input from the public regarding the plan.

A second public hearing will be held in May to review staff's funding recommendations and approve submittal of the 2026-2027 Annual Action Plan to HUD. The final plan must be submitted to HUD by August 2026.

### CDBG

The Community Development Block Grant (CDBG) Entitlement Program provides annual grants on a formula basis to cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, for LMI persons. CDBG can be used to carry out a wide range of community development activities directed toward revitalizing neighborhoods, economic development, and providing improved community facilities and services.

CDBG eligible expenses include:

- Acquisition of real property
- Relocation and demolition
- Rehabilitation of residential and non-residential structures
- Construction of public facilities and improvements for eligible purposes
- Public services
- Activities relating to energy conservation and renewable energy resources
- Provision of assistance to businesses to carry out economic development and job creation/retention activities

# CITY of ESCONDIDO

## STAFF REPORT

CDBG ineligible expenses include:

- Acquisition, construction, or reconstruction of building for the general conduct of government
- Political activities
- Certain income payments
- Construction of new housing

CDBG regulations place limitations on the amount of funding grantees may use for administration and public services. No more than 15 percent of a grantee's annual CDBG allocation may be used for public service activities and no more than 20 percent of a grantee's annual CDBG allocation may be used for program administration. There is no cap on the percentage of a grantee's annual CDBG allocation that may be used for capital projects in LMI neighborhoods.

It is important to note that federal funds must not be used to supplant general fund spending and all funded projects must meet one of HUD's national objectives, serve and benefit LMI or areas in the community and work toward accomplishing a goal in the Consolidated Plan.

### National Objectives

CDBG-funded activities must meet at least one of three national objectives set forth by HUD:

1. Benefit low-and moderate-income persons;
2. Aid in the elimination of slum and blight; or
3. Meet a particular urgent community need because existing conditions pose a serious threat and no other source of funds is available. This national objective is rare and is designated only for activities that alleviate emergency conditions, e.g., fire, flood, earthquake.

Historically, CDBG funded activities in the City have focused on the first national objective of benefitting low-and moderate-income persons.

### HOME

HOME is a federal block grant program that provides funding to states and cities to be used exclusively for affordable housing activities to benefit low-income households. Funds for CDBG and HOME are appropriated annually to the Department of HUD, which in turn distributes funding to states and cities.

HOME funds may only be used for affordable housing activities, including:

# CITY of ESCONDIDO

## STAFF REPORT

- New Construction of Owner-Occupied and Rental Housing: Building new affordable housing units for both homeownership and rental.
- Rehabilitation of Owner-Occupied and Rental Housing: Repairing and upgrading existing housing units.
- Tenant-Based Rental Assistance (TBRA): Providing direct rental assistance to low-income individuals and families.
- Assistance to Homebuyers: Supporting homeownership through down payment assistance, closing costs, etc.

Within these categories, HOME funds may be used to pay the following eligible costs, as grants or as loans:

- Development and Rehabilitation hard costs: costs associated with the construction and rehabilitation, including cost of demolition, utility connections, site improvements, and multifamily community facilities.
- Acquisition costs: purchase costs of real property, including down payment assistance to homebuyers.
- Related soft costs: costs such as professional planning services, including for environmental review or other environmental studies; associated financing and development fees, including impact fees, environmental review fees, legal fees, private appraisal fees, and other lender-required third-party reporting fees; filing fees for zoning or planning review and approval; and information services such as affirmative marketing and fair housing information.
- Relocation costs: relocation payments and other relocation assistance to persons displaced by the project.
- Eligible TBRA costs: rental assistance, security deposits, and utility deposits.
- Lead-based paint hazards: the evaluation and reduction of lead-based paint hazards.
- Administrative costs: up to 10 percent of a city's HOME funds may be used for any administrative and planning costs, including salaries of persons engaged in administering and managing HOME activities.
- CHDO costs: up to 15 percent of a City's HOME funds may be used for the operating expenses of CHDOs.

HUD provides a very specific list of eligible activities. If a project or expense is not included in this list, it is most likely an ineligible expense.

### **Community Housing Development Organizations (“CHDOs”):**

The HOME statute requires each jurisdiction to reserve at least 15 percent of its HOME funding for Community Housing Development Organizations.

CHDOs are private nonprofit, community-based organizations that focus on developing affordable housing, e.g., Habitat for Humanity and Community Housing Works. To qualify for designation as a CHDO, the organization must meet certain requirements pertaining to their legal status, organizational structure,

# CITY of ESCONDIDO

## STAFF REPORT

and capacity and experience. Statutorily, a CHDO must have the provision of decent and affordable housing as one of its purposes, must maintain accountability to low-income community residents and beneficiaries, have a demonstrated capacity to carry out affordable housing projects, and have a history of serving the local communities to be assisted with federal grants.

### Program Oversight

Oversight of the CDBG and HOME programs involves monitoring both processes and outcomes. This includes ensuring that funds are committed and expended according to regulation and timelines specified in the statute and ensuring that investments of program funds achieve the program's goal.

Jurisdictions must also comply with record-keeping requirements to ensure that they are using funds appropriately. Before disbursing any funds to an entity, a Jurisdiction must enter into a written agreement with that entity. These written agreements must include language ensuring compliance with all program requirements.

Additionally, jurisdictions must review the performance of subrecipients. This is done through on-site inspections of assisted projects, when a project is completed, and for HOME-assisted rental housing, throughout the affordability period. Assisted rental units must be inspected at least every three years and households receiving HOME-funded TBRA must be inspected annually.

For HOME, in addition to physical inspections, the property owner must certify annually that the project and the HOME-assisted units meet affordability guidelines. The City's affordable housing projects report this through a third-party software system called FOCUS. FOCUS tracks annual reporting and monitors affordability compliance of various federal and state programs, to ensure projects remain compliant over the lifecycle of the agreement.

### Accomplishments

FY 2024-2025 was the fifth year of a five-year Consolidated Plan from 2020 – 2024. Over the five-year period, CDBG funding was used to make significant investments and improvements to infrastructure, neighborhood revitalization, and public services. As referenced in Attachment 1.

Additionally, the City continued administration of its HOME Investment Partnerships Program. Over the five-year period the City issued four first time home buyer loans, provided rental assistance to 20 senior households each year, provided 10 new homeownership opportunities through Habitat for Humanity and 50 affordable rental units. As referenced in Attachment 1.

### Timeline/Next Steps

- February 2026, first public hearing
- March 2026, release RFP for four weeks
- April 2026, staff reviews applications and prepares recommendations on funding
