### BACKGROUND

The Escondido Police Department received a FY 2022-23 California OTS STEP Grant in the amount of \$485,000. Grant funds will enhance traffic safety programs during the operational period of October 1, 2022 through September 30, 2023.

The Police Department will use grant funds to improve community safety by focusing on the following traffic issues: drunk driving, distracted driving, excessive speed, pedestrian safety, bicycle safety motorcycle safety, and general traffic safety.

#### Escondido’s Need for Traffic Safety Funding

Compared to similar sized cities, Escondido ranks amongst the worst in the state for victims killed and injured in crashes. Alcohol related collisions were a specific problem for Escondido. The OTS Rankings were developed so that similar sized cities can compare traffic safety statistics. OTS ranks cities from highest or worst to best, with “1” being the worst. For example, a ranking of 1/59 is the highest or worst, 29/59 is average, and 59/59 is the lowest or best. Escondido ranks in the top ten worst in several categories, including fatalities, injuries, and alcohol related crashes.

The most current OTS rankings are based on data from 2019. According to the 2019 composite traffic safety statistics, Escondido ranked 14th worst out of 59 California cities of similar size, which is an improvement from 5th worst in 2017. Slight improvements from 2018 to 2019 are encouraging. This grant funding will allow focused efforts to continue addressing Escondido’s traffic safety issues.

Ranking Description	2018	2019
Worst for fatal and injury traffic collisions	9th	11th
Worst for alcohol related fatal and injury collisions	8th	13th
Worst for under 21-year-old driver had been drinking collisions	3rd	40th
Worst for 21-34-year old driver had been drinking collisions	8th	19th
Worst for collisions involving a motorcycle	6th	15th

## BACKGROUND

The Escondido Police Department received a FY 2022-23 State of OTS Pedestrian and Bicycle Safety Program Grant in the amount of \$25,000. Grant funds will enhance traffic safety programs from October 1, 2022 through September 30, 2023. The Police Department will use grant funds to pay for educational

programs related to bicycle and pedestrian safety and to provide bicycle helmets, educational materials and safety supplies to community members.

### Program Measures

The Escondido Police Department will work to enhance pedestrian and bicycle safety by providing safety equipment coupled with educational programs and safety materials. The goal is to reduce the number of collisions with injuries and fatalities involving pedestrians and bicyclists.

The Escondido Police Department has established partnerships with community-based organizations to reach our target audience – school age children and senior citizens in the community. The Police Department partners with community-based organization Escondido Education COMPACT to provide bicycle safety rodeos, safe walk home programs, and a School Crossing Guard program. Traditionally, safety equipment such as bicycle helmets, reflective bands, bicycle lights, zipper pulls, and other safety supplies will be distributed thanks to this grant funding.

The Police Department also partners with the Park Avenue Senior Center and the Redwood Terrace Senior Community to increase awareness of traffic safety for seniors. Many seniors walk from their homes to exercise, socialize, or to go shopping. Busy streets and uncontrolled intersections can be problematic. The educational program for our senior community members has been successful in the past, and the OTS grant funds will assist in keeping our seniors safe.

Escondido’s Crash information involving Pedestrians and Bicyclists:

Type of Crash	2019	2020	2021	2022 (YTD)
Bicycle	52	39	36	38
Pedestrian	63	55	64	41
Bicycle Fatality	1	1	1	1
Pedestrian Fatality	2	3	6	1

### Grant Provider and Funding Intention

OTS takes a leadership role in efforts to make California roadways safe for all users. OTS provides an effective means of eliminating bicyclist and pedestrian fatalities and injuries. Through grant funding made available to California by the National Highway Traffic Safety Administration (“NHTSA”), OTS annually funds millions of dollars in innovative, evidence-based education and enforcement programs designed to make California’s roadways safer. OTS is determined to identify and overcome new traffic safety issues for bicyclists and pedestrians.

### Escondido's Grant Description

The purpose of the Bicycle Pedestrian Safety Grant is to reduce the number of persons killed and injured in crashes involving pedestrians and bicyclists in Escondido. Evidence-based strategies include classroom education, bicycle rodeos, community events, presentations, and workshops. These events are conducted in areas of the community with high numbers of pedestrian and/or bicycle related incidents, specifically in communities with older adults, and school-aged children. Details such as National Walk to School Day, National Bicycle Safety Month, California's Pedestrian Safety Month, and National Pedestrian Safety Month, and working with community based organizations, schools, and senior programs ensure that the educational narrative to prevent fatalities and injuries reach these vulnerable groups.

### **Deliverables and Operations**

## DEPARTMENT

City Manager; Economic Development

## RECOMMENDATION

Request the City Council adopt Resolution No. 2022-130 authorizing the street vacation for portions of the public streets known as Valley Boulevard, Grape Street, Fig Street and adjoining alley.

Staff Recommendation: Approval (City Manager's Department: Jennifer Schoeneck, Deputy Director of Economic Development)

Presenter: Vince McCaw, Real Property Manager

## FISCAL ANALYSIS

No cost will result from the street vacations.

## PREVIOUS ACTION

On September 14, 2022, City Council passed Resolution No. 2022-125 to set October 12, 2022 as the date to conduct a hearing to consider authorizing the street vacation for portions of the public streets known as Valley Boulevard, Grape Street, Fig Street and adjoining alley.

## BACKGROUND

A developer has purchased the property for the Palomar Heights Project Development project and has requested to vacate portions of public streets known as Valley Boulevard, Grape Street, Fig Street and adjoining alley, which will be necessary for the proposed development. California Streets and Highways Code § 8324 (a) requires that City Council shall hear evidence offered by persons interested.

California Streets and Highways Code § 8320, et seq. authorizes the City to vacate a street if the City Council finds that such street or portion of the street is unnecessary for present or prospective public use. The City Council may initiate street vacation proceedings by adopting a Resolution of Intent to Vacate and setting a Public Hearing on the proposed vacation.

# CITY of ESCONDIDO

## STAFF REPORT

Notice of the Public Hearing has been published in the newspaper for at least two successive weeks prior to the Public Hearing, as required by the California Street and Highways Code § 8322. Notices of the Public Hearing have also been posted on the streets proposed to be vacated at least two weeks before the date set for the hearing, in conformity with and in the manner provided by California Streets and Highways Code § 8323.

If, at the conclusion of the Public Hearing, the City Council finds the street right-of-way proposed to be vacated is unnecessary for present or prospective public street use, the City Council may adopt this resolution vacating the street right-of-way.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ESCONDIDO, CALIFORNIA, AUTHORIZING THE CITY ENGINEER, ON BEHALF OF THE CITY, WITH THE RECORDING OF THE FINAL MAP FOR TRACT SUB18-0011, TO VACATE AND ABANDON A PORTION OF VALLEY BOULEVARD, GRAPE STREET, FIG STREET AND ADJOINING PUBLIC ALLEY SPECIFICALLY DESCRIBED HEREIN, LOCATED IN THE CITY OF ESCONDIDO

WHEREAS the City Council of the City of Escondido, California, on September 14, 2022, passed Resolution No. 2022-125 declaring its intention to order the vacation, abandonment and closing to public use portions of certain public City streets known as Valley Boulevard, Grape Street and Fig Street and adjoining public alley, as hereinafter described, located within the City of Escondido; and
