CITY COUNCIL WORK SESSION REPORT

DATE: August 18, 2020
AGENDA ITEM: Work Session Item #1
SUBJECT: COVID-19 Response Update
NAME & TITLE: James L. Becklenberg, City Manager

ISSUE DESCRIPTION:

The City's response to the COVID-19 virus disaster continues, with continuous Emergency Operations Center (EOC) operations to monitor evolving conditions, coordinate with the Weld County Department of Public Health and Environment, and plan the City's operational response. The structure of the EOC, along with staffing roles, is attached to this report. Response strategies are consistent with the City's Emergency Operations Plan (EOP), which is intended to serve as a high-level guide for all emergencies.

In addition to the broader EOP, staff has developed specific responses to the pandemic conditions presented by COVID-19, which are shown in the attached "Pandemic Response Plan." At the March 17, 2020 staff described the "Operational Response Progression" and noted that at that time, the City was in Phase 3 response. At this time, the City remains in Phase 3, as most City services remain operational, due to capabilities for remote work and social distancing strategies. The remainder of this report provides an update since the August 4th work session on the most significant of the City's response strategies and impacts.

At the work session, the City Manager will provide current updates on public health statistics, the Greeley Area Recovery Fund business response, "Safer and Home" compliance, and City Facility reopening.
