Public Comments

Mayor Tedford inquired if there were any public comments. He noted that comments are to be general in nature, not relative to any agenda items. No action may be taken on a matter raised under this item until the matter has been specifically included on an agenda as an item upon which action will be taken.

No comments were noted.

Consideration and approval of the purchase of approximately 5,879 square feet of land from a parcel located at 1110 West Williams Avenue, Fallon, Churchill County, Nevada, and further identified as APN 001-231-59 from Pony Express Stations, LLC for Eighty-Eight Thousand One Hundred Eighty-Five Dollars (\$88,185.00).

City Engineer Derek Zimney stated this purchase proposal comes before the Council to enable the City to purchase land necessary for future road and infrastructure improvements at the intersection of West Williams Avenue and Whitaker Road. Following approval of the Purchase and Sale Agreement, the City will finalize its property division maps creating the parcel to be purchased and close the transaction. I think that we have spoken about this project a little bit in the past. If anyone has questions, I would be happy to answer them.

Mayor Tedford inquired if there were any comments or questions from the Council or public.

Councilwoman Frost inquired on the parking. Will there be enough parking on the parcel that we are splitting off from, according to our ordinances?

City Engineer Derek Zimney stated that there would be sufficient parking. It far exceeds the amount of parking required for our Municipal Code, for the size of the building, he was very much over the parking space required, he had probably 15-20 extra spaces. Losing these spaces on the side, he was still well within the City's Municipal Code requirements.

Councilman Harmon inquired if this would be the case even if the type of business changed.

City Engineer Derek Zimney confirmed. It is zoned C-2, so the parking requirement is 1 space for 250 square feet. Any restaurant or office building in a C-2 zoning would meet the Fallon Municipal Code requirements.

Mayor Tedford inquired if there were any further comments or questions from the Council or public.

No further comments were noted.

Councilman Harmon motioned to approve the purchase of approximately 5,879 square feet of land from a parcel located at 1110 West Williams Avenue, Fallon, Churchill County, Nevada, and further identified as APN 001-231-59 from Pony Express Stations, LLC for Eighty-Eight Thousand One Hundred Eighty-Five Dollars (\$88,185.00); seconded by Councilwoman Frost and approved with a 3-0 vote by the Council.
