**Consideration and possible adoption of Bill No. 809: An ordinance amending Title 6 of the Fallon City Code to remove specified fines and fees and providing that such fines and fees shall be set by the Chief of Police.**

Deputy City Attorney Jaren Stanton stated that this item represents the Council's opportunity to consider the proposed ordinance, as they see fit. The Council is free to adopt the bill, amend the bill, and adopt or not adopt the bill. I am open to any questions you may have.

Mayor Tedford inquired if there were any questions or comments from the Council or public.

Councilman Harmon inquired on the fees. These fees will be handled by the Chief of Police, so we don't have to bring them in front of the Council every time the fees change?

Deputy City Attorney Jaren Stanton stated that he is correct. These fees were set a while ago and would allow a response to current conditions. As you know, we have inflation and hopefully deflation, at some point, perhaps. It would allow the Chief of Police to respond to current conditions, so the City is not spending money to provide these services but rather passing the costs onto the owners of the animals.

Mayor Tedford inquired if there were any further questions or comments from the Council or public.

No further comments were noted.

Councilwoman Kent motioned to adopt Bill No. 809: An ordinance amending Title 6 of the Fallon City Code to remove specified fines and fees and providing that such fines and fees shall be set by the Chief of Police; seconded by Councilman Harmon and approved with a 3-0 vote by the Council.
