Consideration of application by Hannah Fisk for an on-premises drinking establishment liquor license for Fisk Peak LLC dba: Peachy Queens Traveling Tavern, based at 960 Auction Road Suite D, Fallon, Nevada.

City Clerk Treasurer Michael O'Neill stated that Hannah Fisk, owner of Fisk Peak LLC dba: Peachy Queens Traveling Tavern, has made an application for on-premises drinking establishment liquor license for Fisk Peak LLC dba: Peachy Queens Traveling Tavern based at 960 Auction Road Suite D, Fallon, Nevada, for special events and private parties. A drinking establishment liquor license is a privileged license that allows the licensee to sell alcoholic beverages from a fixed and definite place of business for consumption upon the premises only. Because the applicant is seeking an on-premises liquor license for the purposes of special events or private parties only, staff recommends a conditional on-premises drinking establishment liquor license that allows the applicant to sell liquor at a special events and private parties only. The application has been reviewed by Chief Ron Wenger, City Attorney Trent deBraga, Chief of Staff Robert Erickson, City Engineer Derek Zimney, and Deputy City Clerk Elsie Lee and has been recommended for approval. Hannah is here if you have any questions.

Mayor Tedford inquired whether there were any comments or questions from the public or the Council.

Councilwoman Frost inquired on where the trailer would be stored.

Hannah Fisk addressed the Council. The trailer is stored in Reno and we will bring it here only for special events, but it is stored in Reno.

Councilman Harmon reiterated that this was an on-premises application located at 960 Auction Road Suite D.

Hannah Fisk confirmed. That is where the license will be held.

Councilman Harmon inquired if she would still be traveling for special events.

City Attorney Trent deBraga stated that these applications are different because they are mobile. They don't exactly align with our code. I know, in the past, we did the on-premises liquor license because it is being sold from the trailer. You could probably do an on or off premises license, but to be consistent with the ones we have done in the past, we are doing it as on premises license.

Councilman Harmon stated he understood. It is for private parties and special events only.

Mayor Tedford stated that we don't have a mobile liquor license application, so this is how we handle these. Are there any further comments or questions from the public or the Council?

No further comments were noted.
