Slow

1. Connect pavilion 1 with a sidewalk or bridge to the Betty Steflik boardwalk access. The standing water/flooding would need to be mitigated for this much needed walkway to connect pavilion, parking, to the other park amenities.

2. Community Bulletin board 1. and welcome sign 2. sit out in a void area, Either relocate them along main sidewalk OR create an additional sidewalk that connects these 2 signs to pavilion 2, and the other 2 main sidewalks.
